

**IN THE CIRCUIT COURT OF THE 17TH JUDICIAL CIRCUIT
IN AND FOR BROWARD COUNTY, FLORIDA**

CASE NO. CACE26005928 DIVISION: 09 JUDGE: Levenson, Jeffrey R (09)

Robert Alejnikov, et al

Plaintiff(s) / Petitioner(s)

v.

Waterstreet Company

Defendant(s) / Respondent(s)

_____ /

**ORDER GRANTING PLAINTIFFS' UNOPPOSED MOTION FOR PRELIMINARY
APPROVAL OF CLASS ACTION SETTLEMENT**

WHEREAS, this Action is a putative class action before the Court;

WHEREAS, Plaintiffs, individually, and on behalf of the Settlement Class, and Defendant have agreed, subject to Court approval under the Florida Rules of Civil Procedure, to settle this Action upon the terms and conditions stated in the Agreement, which among other things and together with its exhibits, provides for a complete dismissal on the merits and with prejudice of the claims asserted in the Action against Defendant should the Court grant Final Approval of the Settlement;

WHEREAS, Plaintiffs filed an unopposed motion requesting entry of an order to: (1) conditionally certify the Settlement Class; (2) appoint Plaintiffs as Class Representatives; (3) appoint counsel listed in the Agreement as Class Counsel; (4) preliminarily approve the Settlement; (5) approve the Notice Program and Notices and direct that Notice be sent to members of the Settlement Class; (6) approve the Claim Form and Claims process; (7) order the Settlement's opt-out and objection procedures; (8) appoint Simpluris as the Settlement Administrator; (9) stay all deadlines in the Action pending Final Approval of the Settlement; (10) enjoin and bar all members of the Settlement Class from initiating or continuing in any litigation or asserting any claims against Defendant and the Released Parties arising out of, relating to, or in connection with the Released Claims prior to the Court's

decision to grant Final Approval of the Settlement; and (11) set a date for the Final Approval Hearing;

NOW, THEREFORE, based on the Agreement, all the files, records, and proceedings herein, statements of counsel, and it appearing to the Court that a Final Approval Hearing should be held to determine whether the proposed settlement described in the Agreement should be finally approved as fair, reasonable, and adequate.

IT IS HEREBY ORDERED THAT:

1. All capitalized terms herein shall have the same meanings as those defined in the Agreement, including Section II of the Agreement.

2. This Court has personal jurisdiction over the subject matter of this Action and the Parties, including Plaintiffs and members of the Settlement Class.

3. The Court preliminarily approves of the Settlement, including the Notice Program, finding that the proposed Settlement is sufficiently fair, reasonable, and adequate to warrant providing Notice to the Settlement Class, but such finding is not to be deemed as an admission of fault or liability by Defendant or a finding of the validity of any claims asserted in the Action or of any wrongdoing or of any violation of law by Defendant. Defendant shall maintain all rights to assert that, but for settlement purposes, the Action should not be certified as a class.

4. For purposes of determining whether the terms of the Settlement should be finally approved as fair, reasonable, and adequate, the following Settlement Class is preliminarily certified for settlement purposes only:

All living individuals residing in the United States who were sent notice of the Data Incident indicating their Private Information may have been impacted in the Data Incident.

5. Excluded from the Settlement Class are (a) all persons who are directors, officers, and agents of Defendant, or its respective subsidiaries and affiliated companies; (b) governmental entities; (c) attorneys representing the Parties in the Action; (d) any Settlement Class Member who timely opts-out of the Settlement Class in accordance with the Agreement; (e) the Judge assigned to the Action, that

Judge's immediate family, and Court staff; and (f) any person found by a court of competent jurisdiction to be guilty under criminal law of initiating, causing, aiding, or abetting the Data Incident, or who pleads *nolo contendere* to any such charge.

6. The Court preliminarily finds that the terms of the Settlement are fair, adequate, and reasonable. In so finding, the Court has considered several factors, including: (1) the complexity and duration of the litigation; (2) the reaction of the class to the settlement; (3) the stage of the proceedings; (4) the risk of establishing liability; (5) the risk of establishing damages; (6) the risk of maintaining a class action; (7) the ability of the Defendant to withstand a greater judgment; (8) the reasonableness of the settlement in light of the best recovery; and (9) the range of reasonableness of the settlement in light of all the attendant risks of litigation.

7. The Court finds that, for purposes of settlement: the number of members of the Settlement Class is so numerous that joinder is impracticable; there are questions of law and fact common to the members of the Settlement Class; the claims of the Plaintiffs are typical of the claims of the members of the Settlement Class; the Plaintiffs are adequate representative for the Settlement Class, and have retained experienced and adequate Class Counsel; the questions of law and fact common to the members of the Settlement Class predominate over any questions affecting any individual member of the Settlement Class; and a class action is superior to the other available methods for the fair and efficient adjudication of the controversy.

8. For purposes of settlement only, the Court finds and determines that Plaintiffs will fairly and adequately represent the interests of the Settlement Class in enforcing their rights in the Action, and appoints them as Class Representatives, and the following attorneys are preliminarily appointed as Class Counsel for the Settlement Class: Jeff Ostrow of Kopelowitz Ostrow P.A., Mariya Weekes of Milberg PLLC, Rachel Dapeer of Dapeer Law, P.A., and Manuel Hiraldo of Hiraldo P.A.

9. The Parties have selected Simpluris, Inc. to serve as the Settlement Administrator. The Court hereby approves of and appoints Simpluris and directs it to commence the Notice Program and initiate the Claims Process and to otherwise comply with all obligations of the Settlement Administrator as

outlined in the Agreement.

10. The Parties have prepared the Notices, which are attached to the Agreement. The Court preliminarily finds that the Notice provided to members of the Settlement Class is the most practicable notice; is reasonably calculated, under the circumstances, to apprise the Settlement Class of the pendency of the Action and of their right to object or to exclude themselves from the Settlement; and is reasonable and constitutes due, adequate, and sufficient notice to all members of the Settlement Class entitled to receive notice.

11. The Court has carefully reviewed and hereby approves the Notices as to the form and content and directs that they be without material alteration unless otherwise modified by agreement of the Parties and approved by the Court. The Court directs that the Notice Program be implemented as outlined in the Agreement.

12. Any Settlement Class Member who wishes to opt-out of the Settlement and exclude himself or herself from participation may do so by submitting timely and valid requests at any time before the Opt-Out Deadline (60 days following the Notice Deadline). The process to opt-out is set forth in the Agreement and in the Notices. Any Settlement Class Member who opts-out shall have no rights under the Settlement, shall not share in any Settlement Class Member Benefits, and shall not be bound by the Settlement or by the Final Approval Order. “Mass” or “class” requests for exclusion filed by third parties on behalf of a “mass” or “class” of members of the Settlement Class or multiple members of the Settlement Class will not be allowed.

13. Any Settlement Class Member who does not submit a timely, written request for exclusion in the manner set forth in the Notice and Agreement shall be bound by any Final Approval Order and Final Judgment entered, even if such member never received actual notice of this Action or the Settlement. If Final Approval of the Settlement is granted, they shall be barred, now and in the future, from asserting any of the Released Claims and Unknown Claims, as defined in the Agreement, against any Released Parties, as defined in the Agreement. A Settlement Class Member who submits a valid Claim Form is not eligible for exclusion, and any subsequent request to opt-out will be invalid.

14. Each Settlement Class Member who does not timely request to be excluded from the Settlement Class may appear in person or through counsel, at their own expense, at the Final Approval Hearing to present any relevant evidence or argument.

15. Any Settlement Class Member who wishes to object to the Settlement and/or to Class Counsel's Application for Attorneys' Fees, Costs and Service Awards shall file any objections pursuant to the requirements of this paragraph. To be considered, the objection must include: (a) the objector's full name, mailing address, telephone number, and email address (if any); (b) a statement as to whether the objection applies only to the objector, to a specific subset of the class, or to the entire class; (c) all grounds for the objection, accompanied by any legal support for the objection known to the objector or objector's counsel; (d) the number of times the objector has objected to a class action settlement within the five (5) years preceding the date that the objector files the objection, the caption of each case in which the objector has made such objection, and a copy of any orders related to or ruling upon the objector's prior objections that were issued by the trial and appellate courts in each listed case; (e) the identity of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement and/or Application for Attorneys' Fees, Costs, and Service Awards; (f) the number of times in which the objector's counsel and/or counsel's law firm have objected to a class action settlement within the five (5) years preceding the date of the filed objection, the caption of each case in which counsel or the firm has made such objection and a copy of any orders related to or ruling upon counsel's or the counsel's law firm's prior objections that were issued by the trial and appellate courts in each listed case in which the objector's counsel and/or counsel's law firm have objected to a class action settlement within the preceding five years; (g) the identity of all counsel (if any) representing the objector, and whether they will appear at the Final Approval Hearing; (h) a list of all persons who will be called to testify at the Final Approval Hearing in support of the objection (if any); (i) a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and (j) the objector's signature (an attorney's signature is not sufficient). Class Counsel and/or Defendant's Counsel may conduct limited

discovery on any objector or objector's counsel, including taking depositions and propounding written document requests.

16. Objections to the Settlement and/or the Application for Attorneys' Fees, Costs and Service Awards must be filed with the Court, and sent by U.S. Mail to Class Counsel, Defendant's Counsel, and the Settlement Administrator. For an objection to be considered by the Court, the objection must be submitted no later than the Objection Deadline (60 days following the Notice Deadline), as specified in the Notices. If submitted by mail, an objection shall be deemed to have been submitted on the date the mail is postmarked. If submitted by private courier, an objection shall be deemed to have been submitted on the shipping date reflected on the shipping label. Any Settlement Class Member who does not make an objection in the manner provided herein shall be deemed to have waived the right to object to any aspect of the Settlement and/or to the Application for Attorneys' Fees and Costs and, if Final Judgment is entered, shall forever be barred and foreclosed from raising such objections in this or any other proceeding and from challenging or opposing, or seeking to reverse, vacate, or modify, the Final Judgment or any aspect thereof.

17. In advance of the Final Approval Hearing, the Settlement Administrator shall prepare a declaration for the Parties confirming that the Notice Program was completed in accordance with the terms of the Agreement and this Preliminary Approval Order, describing how the Notice Program was completed, indicating the number of Claim Forms received, providing the names of each Settlement Class Member who timely and properly requested to opt out from the Settlement Class, indicating the number of objections received, and other information as may be necessary to allow the Parties to seek and obtain Final Approval.

18. The Court will hold a Final Approval Hearing to consider the fairness, reasonableness, and adequacy of the Settlement. The Court will advise the Parties in advance of the Final Approval Hearing whether the hearing will be held in person at the Broward County Courthouse, 201 SE 6th St, Fort Lauderdale, Florida 33301, or virtually by video. The date and time of the Final Approval Hearing will be set forth in the Notice and published on the Settlement Website. During the Final Approval Hearing,

the Court will consider whether the Settlement should be approved as fair, reasonable, and adequate, and whether the Court should enter the proposed Final Approval Order and Final Judgment approving the Settlement and dismissing this Action on the merits, with prejudice. The Court will also consider the amount of any attorneys' fees and costs to be awarded to Class Counsel and whether to approve the amount of any Service Award to the Class Representative. The Final Approval Hearing may be postponed, adjourned, or rescheduled by order of the Court without further notice to members of the Settlement Class other than on the Settlement Website and the Court's docket.

19. The Court confirms the following schedule (which the court, upon showing of good cause by the Parties, may extend any of the deadlines):

Deadline to commence Notice Program	30 days following entry of Preliminary Approval Order
Deadline to complete Notice Program	60 days before the initially scheduled Final Approval Hearing
Deadline for filing Motion for Final Approval, including Class Counsel's Application for Attorneys' Fees, Costs, and Service Awards	45 days before the initially scheduled Final Approval Hearing
Opt-Out Deadline	60 days following the Notice Deadline
Objection Deadline	60 days following the Notice Deadline
Claim Form Deadline	15 days before the initial scheduled Final Approval Hearing
Final Approval Hearing	To be noticed separately (at least 120 days from Preliminary Approval Order)

20. If the Settlement is terminated, not approved, canceled, fails to become effective for any reason, or the Effective Date does not occur, this Order, the Settlement, and the conditional certification of the Settlement Class for settlement purposes, shall become null and void. The Action shall proceed as though the Settlement Class had never been conditionally certified for settlement purposes only, with no admission of liability or merit as to any issue, with no prejudice or impact as to any of the Parties' positions on the issues in the matter, and shall be without prejudice to the rights of Plaintiffs, the Settlement Class, and Defendant, all of whom shall be restored to their respective positions in the Action as provided in the Agreement.

21. The Court stays all proceedings in this Action until further Order of the Court, except that the Parties may conduct such limited proceedings as may be necessary to implement the Settlement or to effectuate the term of the Agreement. Upon the entry of this Order, with the exception of Class Counsel, Defendant's Counsel, Defendant, and the Class Representatives implementation of the Settlement and the approval process in this Action, all members of the Settlement Class shall be provisionally enjoined and barred from asserting any claims or continuing any litigation against the Defendant and the Released Parties arising out of, relating to, or in connection with the Released Claims prior to the Court's decision as to whether to grant Final Approval of the Settlement. For the benefit of the Settlement Class and to protect this Court's jurisdiction, this Court retains continuing jurisdiction over the Settlement proceedings to ensure the effectuation thereof in accordance with the Settlement preliminarily approved herein and the related orders of this Court.

DONE AND ORDERED in Chambers at Broward County, Florida on 6th day of May, 2026.
