Basic Information

1. Why was this Notice issued?

The 17th Judicial Circuit in and for Broward County, Florida, authorized this Notice. You have a right to know about the proposed Settlement of this class action lawsuit, and about all of your options, before the Court decides whether to grant final approval of the Settlement. This Notice explains the lawsuit, your legal rights, what benefits are available, and who can receive them.

The lawsuit is called *Nicole Bass v. DataMaxx Applied Technologies, Inc.*, Case No. CACE-25-016383. It is pending in the 17th Judicial Circuit in and for Broward County, Florida. The people that filed this lawsuit are called the “Plaintiffs” (or “Class Representatives”) and the company they sued, DataMaxx Applied Technologies, Inc., is called the “Defendant.”

2. What is this lawsuit about?

This lawsuit alleges that during a December 2023 cybersecurity incident involving DataMaxx's computer systems, certain files that contained Private Information may have been accessed. These files may have contained personal information such as names; Social Security numbers; driver’s license numbers; and medical information. DataMaxx maintains that there is no evidence of the misuse, or attempted misuse, of any potentially impacted information.

3. What is a class action?

In a class action, one or more individuals sue on behalf of other people with similar claims. These individuals are called the “Plaintiffs” or “Class Representatives.” Together, the people included in the class action are called a “Class” or “Class Members.” One court resolves the lawsuit for all Class Members, except for those who opt-out from the settlement. In this proposed Settlement, the Class Representatives are Nicole Bass; James Archey; Nadeja Hinds; James Berg; Stephen Kunze; and Isaiah Soto. Everyone included in this Action are the Settlement Class Members.

4. Why is there a Settlement?

The Court did not decide whether the Plaintiffs or the Defendant are right. Both sides have agreed to a Settlement to avoid the costs and risks of a trial, and to allow the Settlement Class Members to receive benefits from the Settlement. The Plaintiffs and their attorneys think the Settlement is best for all Settlement Class Members.

Who is in the Settlement?

5. Who is included in the Settlement?

The court has defined the Settlement Class this way: “All individuals residing in the United States whose Private Information was accessed and/or acquired by an unauthorized party as a result of the Data Incidentt.”

6. Are there exceptions to being included?

Yes. Excluded from the Class are: (a) all persons who are directors and officers of Defendant; (b) governmental entities; and (c) the Judge assigned to the Action, that Judge’s immediate family, and Court staff.

The Settlement Benefits

7. What does the Settlement provide?

All Settlement Class Members may claim **Credit Monitoring** and one of two **Cash Payment** options (Cash Payment A – Documented Losses or Cash Payment B – Alternate Cash). The benefits are explained in more detail below.

Credit Monitoring. All Settlement Class Members are eligible to enroll in three years of Credit Monitoring by a credit bureau. This benefit includes:

- real time monitoring of your credit file
- dark web scanning
- comprehensive public records monitoring
- \$1 million in identity theft insurance coverage

If anything suspicious happens, you will be able to talk to a fraud resolution agent to help fix any problems.

CASH PAYMENTS:

Settlement Class Members who have documented losses related to fraud and/or identity theft may claim **Cash Payment A – Documented Losses**.

Alternatively, Settlement Class Members may claim **Cash Payment B – Alternate Cash**, which is a one time payment of cash in the amount of \$50.00.

You may claim only one payment from these options.

Cash Payment A – Documented Losses. If you incurred actual, documented out-of-pocket losses related to fraud and/or identity theft due to the Data Incident, you can get back up to **\$2,500.00**. The losses must have occurred between December 1, 2023, and April 6, 2026.

This benefit covers out-of-pocket expenses like:

- losses because of identity theft or fraud
- fees for credit reports, credit monitoring, or freezing and unfreezing your credit
- cost to replace your IDs
- postage to contact banks by mail

You need to send proof, like receipts, to show how much you spent or lost. Your personal certifications, declarations, or affidavits do not constitute reasonable documentation to make a valid claim, but you may include that to provide clarification, context, or support for other submitted reasonable documentation showing that your expenses were because of the Data Incident.

You cannot claim a payment for expenses that have already been reimbursed by a third party.

-OR-

Cash Payment B – Alternate Cash. Instead of Cash Payment A, you may claim a one-time **\$50.00** cash payment. You do not have to provide any proof or any documentation to claim this payment, however, the Settlement Administrator reserves the right to verify your identity and class membership to prevent fraud.

If you have questions about these benefits, you can ask for free help any time by contacting the Settlement Administrator at:

- Email: info@DataMaxxSettlement.com

8. What claims am I releasing if I stay in the Settlement Class?

If you stay in the Settlement Class, you won't be able to be part of any other lawsuit against DataMaxx about the issues that this Settlement covers. The Settlement Agreement is available at www.DataMaxxSettlement.com.

Settlement Class Member Benefits will be distributed if the Court grants Final Approval, and after any appeals are resolved.

Please be patient.

The Lawyers Representing You

12. Do I have a lawyer in the case?

Yes, the Court has appointed attorneys Jeff Ostrow of Kopelowitz Ostrow P.A and Mariya Weekes of Milberg Coleman Bryson Phillips Grossman PLLC, to represent you and other Settlement Class Members ("Class Counsel").

13. Should I get my own lawyer?

You will not be charged for Class Counsel's services. If you want your own lawyer, you may hire one at your expense.

Opting Out from the Settlement

15. How do I opt out of the Settlement?

If you do not want to be part of the Settlement, you must formally exclude yourself from the Settlement. This is called an Opt-Out Request.

If you opt-out, you are telling the Court that you do not want to be part of the Settlement. You will not be eligible to receive any Settlement benefits if you opt-out. However, you will keep any rights you may have to sue DataMaxx on your own about the legal issues in this case.

The deadline to opt-out from the Settlement is **March 21, 2026**.

Commenting on or Objecting to the Settlement

16. How do I tell the Court if I like or do not like the Settlement?

If you are a Settlement Class Member and do not like part or all of the Settlement, you can object to it. Objecting means telling the Court your reasons for why you think the Court should not approve the Settlement. The Court will consider your views.

You cannot object if you have opted-out from the Settlement (**see Question 15**)

You must provide the following information for the Court to consider your objection:

- (1) the name of the Litigation: *Nicole Bass v. DataMaxx Applied Technologies, Inc.*, Case No. CACE-25-016383, pending in the 17th Judicial Circuit in and for Broward County, Florida;

17. What is the difference between objecting and excluding?

Objecting is telling the Court that you do not like something about the Settlement. You can object to the Settlement only if you do not opt-out from the Settlement. Opting out from the Settlement is stating to the Court that you do not want to be part of the Settlement. If you opt-out of the Settlement, you cannot object to it because the Settlement no longer affects you.

The Court's Final Approval Hearing

18. When is the Court's Final Approval Hearing?

The Court will hold a final approval on **April 21, 2026 at 8:45 AM Eastern Time**, in Room **WW16175** of the 17th Judicial Circuit in and for Broward County, Florida, at **201 SE 6th Street, Fort Lauderdale, FL 33301**.

Join Zoom Meeting: <https://17thflcourts.zoom.us/j/232523414> **Meeting ID:** 232 523 414

The Court will also consider any timely objections to the Settlement.

If you are a Settlement Class Member, you or your lawyer may ask permission to speak at the hearing at your own cost (**See Question 16**).

The date and time of this hearing may change without further notice. Please check **www.DataMaxxSettlement.com** for updates.

19. Do I have to come to the Final Approval Hearing?

No. Class Counsel will answer any questions the Court may have. You may attend at your own expense if you wish, but you do not have to.

If you file an objection, you do not have to come to the Final Approval Hearing to talk about it; the Court will consider it as long as it was filed on time. You may also pay your own lawyer to attend, but you do not have to.

If I Do Nothing

20. What happens if I do nothing at all?
