What Happened? On or around November 15, 2025, we experienced a network disruption that impacted certain systems. Upon discovery, we immediately took action to address and investigate the event, which included contacting law enforcement and engaging third-party computer forensic specialists to assist with determining the nature and scope of the event. Once this review was completed, we began working to obtain up-to-date address information in order to provide you with this notice. That process was completed on July 9, 2026, and we worked to provide you with this notification as soon as possible.
