

shareholders of ARI will receive \$7.10 per share in cash.

3. On July 17, 2017, defendants filed a Preliminary Proxy Statement (the “Proxy Statement”) with the United States Securities and Exchange Commission (“SEC”) in connection with the Proposed Transaction.

4. The Proxy Statement omits material information with respect to the Proposed Transaction, which renders the Proxy Statement false and misleading. Accordingly, plaintiff alleges herein that defendants violated Sections 14(a) and 20(a) of the Securities Exchange Act of 1934 (the “1934 Act”) in connection with the Proxy Statement.

JURISDICTION AND VENUE

5. This Court has jurisdiction over the claims asserted herein pursuant to Section 27 of the 1934 Act because the claims asserted herein arise under Sections 14(a) and 20(a) of the 1934 Act and Rule 14a-9.

6. This Court has jurisdiction over defendants because each defendant is either a corporation that conducts business in and maintains operations within this District, or is an individual with sufficient minimum contacts with this District so as to make the exercise of jurisdiction by this Court permissible under traditional notions of fair play and substantial justice.

7. Venue is proper under 28 U.S.C. § 1391(b) because a substantial portion of the transactions and wrongs complained of herein occurred in this District.

PARTIES

8. Plaintiff is, and has been continuously throughout all times relevant hereto, the owner of ARI common stock.

9. Defendant ARI is a Wisconsin corporation and maintains its headquarters at 10850 W. Park Place, Suite 1200, Milwaukee, Wisconsin 53224. ARI’s common stock is traded

on the NasdaqCM under the ticker symbol “ARIS.”

10. Defendant William H. Luden, III (“Luden”) is a director of ARI and has served as Chairman of the Board since March 2014.

11. Defendant Roy W. Olivier (“Olivier”) has served as a director of ARI since 2008.

12. Defendant Chad J. Cooper (“Cooper”) is a director of ARI.

13. Defendant William C. Mortimore (“Mortimore”) has served as a director of ARI since 2004

14. Defendant Robert Y. Newell, IV (“Newell”) has served as a director of ARI since November 2012.

15. Defendant P. Lee Poseidon (“Poseidon”) has served as a director of ARI since June 2008.

16. The defendants identified in paragraphs 10 through 15 are collectively referred to herein as the “Individual Defendants.”

17. Defendant Parent is Delaware limited liability company and a party to the Merger Agreement.

18. Defendant Merger Sub is a Wisconsin corporation, a wholly-owned subsidiary of Parent, and a party to the Merger Agreement.

19. Defendant TWC is an affiliate of Parent and Merger Sub.

CLASS ACTION ALLEGATIONS

20. Plaintiff brings this action as a class action on behalf of himself and the other public stockholders of ARI (the “Class”). Excluded from the Class are defendants herein and any person, firm, trust, corporation, or other entity related to or affiliated with any defendant.

21. This action is properly maintainable as a class action.

22. The Class is so numerous that joinder of all members is impracticable. As of June 20, 2017, there were approximately 16,812,533 shares of ARI common stock outstanding, held by hundreds, if not thousands, of individuals and entities scattered throughout the country.

23. Questions of law and fact are common to the Class, including, among others: (i) whether defendants violated the 1934 Act; and (ii) whether defendants will irreparably harm plaintiff and the other members of the Class if defendants' conduct complained of herein continues.

24. Plaintiff is committed to prosecuting this action and has retained competent counsel experienced in litigation of this nature. Plaintiff's claims are typical of the claims of the other members of the Class and plaintiff has the same interests as the other members of the Class. Accordingly, plaintiff is an adequate representative of the Class and will fairly and adequately protect the interests of the Class.

25. The prosecution of separate actions by individual members of the Class would create the risk of inconsistent or varying adjudications that would establish incompatible standards of conduct for defendants, or adjudications that would, as a practical matter, be dispositive of the interests of individual members of the Class who are not parties to the adjudications or would substantially impair or impede those non-party Class members' ability to protect their interests.

26. Defendants have acted, or refused to act, on grounds generally applicable to the Class as a whole, and are causing injury to the entire Class. Therefore, final injunctive relief on behalf of the Class is appropriate.

SUBSTANTIVE ALLEGATIONS

Background of the Company and the Proposed Transaction

27. ARI offers an award-winning suite of SaaS, software tools, and marketing services to help dealers, equipment manufacturers, and distributors in selected vertical markets “Sell More Stuff!”™ – online and in-store.

28. The Company’s innovative products are powered by a proprietary data repository of enriched original equipment and aftermarket electronic content spanning more than 17 million active part and accessory SKUs and 750,000 equipment models.

29. ARI removes the complexity of selling and servicing new and used vehicle inventory, parts, garments, and accessories (“PG&A”) for customers in the automotive tire and wheel aftermarket, powersports, outdoor power equipment, marine, home medical equipment, recreational vehicles, and appliance industries.

30. More than 23,500 equipment dealers, 195 distributors, and 3,360 brands worldwide leverage the Company’s web and eCatalog platforms to Sell More Stuff!™

31. On June 8, 2017, ARI issued a press release wherein it reported its financial results for its fiscal 2017 third quarter ended April 30, 2017. The Company reported that revenue increased for the thirteenth consecutive quarter to \$13.4 million, which compared to \$12.0 million for the same period last year, a 12.0% increase. Recurring revenue increased 11.6% to \$12.3 million, compared to \$11.1 million for the same period last year. Operating income increased 61.5% to \$1.5 million, compared to \$0.9 million in the prior year. Net income was \$1.4 million or \$0.08 per diluted share, an increase of over 200% compared to \$0.4 million or \$0.03 per diluted share in the same period last year. Adjusted EBITDA was up 38.9% to a record \$3.0 million, or 22.5% of revenue, compared to \$2.2 million, or 18.2% of revenue, in the

same period last year. Cash generated from operations increased 24.1% to \$3.2 million compared to \$2.6 million in the same period last year. With respect to the results, Individual Defendant Olivier commented:

Our third quarter results exceeded our expectations and place us well on the path to achieving our goals for fiscal 2017[.] We had strong bookings in the quarter which were aided by a large business management software sale, and although churn runs seasonally high in Q3, we were able to post a year over year improvement for the fourth consecutive quarter. On a trailing twelve-month basis, we have now recorded over \$51 million in revenue and approximately \$9.5 million in adjusted EBITDA. As we head into the fourth quarter of our fiscal 2017, we are well positioned to improve on those numbers and report another record year for ARI.

32. Nevertheless, the Individual Defendants caused the Company to enter into the Merger Agreement, pursuant to which the Company will be acquired for inadequate consideration.

33. The Individual Defendants have all but ensured that another entity will not emerge with a competing proposal by agreeing to a “no solicitation” provision in the Merger Agreement that prohibits the Individual Defendants from soliciting alternative proposals and severely constrains their ability to communicate and negotiate with potential buyers who wish to submit or have submitted unsolicited alternative proposals.

34. Further, the Company must promptly advise True Wind of any proposals or inquiries received from other parties.

35. Moreover, the Merger Agreement contains a highly restrictive “fiduciary out” provision permitting the Board to withdraw its approval of the Proposed Transaction under extremely limited circumstances, and grants True Wind a “matching right” with respect to any “Superior Proposal” made to the Company.

36. Further locking up control of the Company in favor of True Wind, the Merger Agreement provides for a “termination fee” of \$4.8 million payable by the Company to True Wind if the Individual Defendants cause the Company to terminate the Merger Agreement.

37. By agreeing to all of the deal protection devices, the Individual Defendants have locked up the Proposed Transaction and have precluded other bidders from making successful competing offers for the Company.

38. The consideration to be paid to plaintiff and the Class in the Proposed Transaction is inadequate.

39. Among other things, the intrinsic value of the Company is materially in excess of the amount offered in the Proposed Transaction.

40. Accordingly, the Proposed Transaction will deny Class members their right to share proportionately and equitably in the true value of the Company’s valuable and profitable business, and future growth in profits and earnings.

The Proxy Statement Omits Material Information, Rendering It False and Misleading

41. Defendants filed the Proxy Statement with the SEC in connection with the Proposed Transaction.

42. The Proxy Statement omits material information with respect to the Proposed Transaction, which renders the Proxy Statement false and misleading.

43. First, the Proxy Statement omits material information regarding the analyses performed by the Company’s financial advisor, Pacific Crest Securities (“Pacific Crest”).

44. With respect to Pacific Crest’s *Illustrative Discounted Cash Flow Analysis*, the Proxy Statement fails to disclose: (i) the future free cash flows of ARI as used by Pacific Crest in the analysis; (ii) the terminal value of ARI; (iii) the inputs and assumptions underlying the

discount rate of 13.6%; and (iv) the projected net debt of ARI.

45. With respect to Pacific Crest's *Selected Companies Analysis*, the Proxy Statement fails to disclose the individual multiples and financial metrics for the companies observed by Pacific Crest in the analysis.

46. With respect to Pacific Crest's *Premiums Paid Analysis*, the Proxy Statement fails to disclose the acquisitions observed by Pacific Crest in the analysis and the premiums paid in such acquisitions.

47. With respect to Pacific Crest's *Illustrative Leveraged Buyout Analysis*, the Proxy Statement fails to disclose the inputs and assumptions underlying the leverage multiple, exit multiple, and target internal rate of return used by Pacific Crest in the analysis.

48. When a banker's endorsement of the fairness of a transaction is touted to shareholders, the valuation methods used to arrive at that opinion as well as the key inputs and range of ultimate values generated by those analyses must also be fairly disclosed.

49. The omission of this material information renders the Proxy Statement false and misleading, including, *inter alia*, the following sections of the Proxy Statement: (i) "Background of the Merger"; (ii) "Recommendation of the Board of Directors and Reasons for the Merger"; (iii) "Opinion of ARI's Financial Advisor"; and (iv) "Certain Financial Projections."

50. Second, the Proxy Statement omits material information regarding potential conflicts of interest of the Company's officers and directors.

51. Specifically, the Proxy Statement fails to disclose the timing and nature of all communications regarding future employment and directorship of ARI's officers and directors, including who participated in all such communications.

52. Communications regarding post-transaction employment during the negotiation of the underlying transaction must be disclosed to stockholders. This information is necessary for stockholders to understand potential conflicts of interest of management and the Board, as that information provides illumination concerning motivations that would prevent fiduciaries from acting solely in the best interests of the Company's stockholders.

53. The Proxy Statement further fails to disclose the status of negotiations with respect to, and the terms of any, rollover agreements between Company insiders and True Wind.

54. The omission of this material information renders the Proxy Statement false and misleading, including, *inter alia*, the following sections of the Proxy Statement: (i) "Background of the Merger"; (ii) "Recommendation of the Board of Directors and Reasons for the Merger"; and (iii) "Interests of ARI's Directors and Named Executive Officers in the Merger."

55. Third, the Proxy Statement fails to disclose whether any confidentiality agreements executed by ARI and the prospective bidders contained standstill and/or "don't ask, don't waive" provisions that are or were preventing those counterparties from submitting superior offers to acquire the Company.

56. Without this information, stockholders may have the mistaken belief that, if these potentially interested parties wished to come forward with a superior offer, they are or were permitted to do so, when in fact they are or were contractually prohibited from doing so.

57. The omission of this material information renders the Proxy Statement false and misleading, including, *inter alia*, the following sections of the Proxy Statement: (i) "Background of the Merger"; and (ii) "Recommendation of the Board of Directors and Reasons for the Merger."

58. Fourth, the Proxy Statement omits material information regarding potential

conflicts of interest of Pacific Crest and its co-financial advisor, Houlihan Lokey Capital, Inc. (“Houlihan”).

59. For example, the Proxy Statement fails to disclose any past services provided by Pacific Crest to ARI, True Wind, or their affiliates, and the amount of compensation received by Pacific Crest for such services.

60. Similarly, the Proxy Statement fails to disclose any past services provided by Houlihan to ARI, True Wind, or their affiliates, and the amount of compensation received by Houlihan for such services.

61. The omission of this material information renders the Proxy Statement false and misleading, including, *inter alia*, the following sections of the Proxy Statement: (i) “Background of the Merger”; (ii) “Recommendation of the Board of Directors and Reasons for the Merger”; and (iii) “Opinion of ARI’s Financial Advisor.”

62. Fifth, the Proxy Statement omits material information regarding the background of the Proposed Transaction. The Company’s stockholders are entitled to an accurate description of the “process” the directors used in coming to their decision to support the Proposed Transaction.

63. For example, the Proxy Statement fails to disclose the terms and value of all proposals and indications of interest received by the Company during the process leading up to the Merger Agreement, as well as the Individual Defendants’ responses to all such proposals and indications of interest.

64. The omission of this material information renders the Proxy Statement false and misleading, including, *inter alia*, the following sections of the Proxy Statement: (i) “Background of the Merger”; and (ii) “Recommendation of the Board of Directors and Reasons for the

Merger.”

65. The above-referenced omitted information, if disclosed, would significantly alter the total mix of information available to ARI’s stockholders.

COUNT I

Claim for Violation of Section 14(a) of the 1934 Act and Rule 14a-9 Promulgated Thereunder Against the Individual Defendants and ARI

66. Plaintiff repeats and realleges the preceding allegations as if fully set forth herein.

67. The Individual Defendants disseminated the false and misleading Proxy Statement, which contained statements that, in violation of Section 14(a) of the 1934 Act and Rule 14a-9, in light of the circumstances under which they were made, omitted to state material facts necessary to make the statements therein not materially false or misleading. ARI is liable as the issuer of these statements.

68. The Proxy Statement was prepared, reviewed, and/or disseminated by the Individual Defendants. By virtue of their positions within the Company, the Individual Defendants were aware of this information and their duty to disclose this information in the Proxy Statement.

69. The Individual Defendants were at least negligent in filing the Proxy Statement with these materially false and misleading statements.

70. The omissions and false and misleading statements in the Proxy Statement are material in that a reasonable stockholder will consider them important in deciding how to vote on the Proposed Transaction. In addition, a reasonable investor will view a full and accurate disclosure as significantly altering the total mix of information made available in the Proxy Statement and in other information reasonably available to stockholders.

71. The Proxy Statement is an essential link in causing plaintiff and the Company’s

stockholders to approve the Proposed Transaction.

72. By reason of the foregoing, defendants violated Section 14(a) of the 1934 Act and Rule 14a-9 promulgated thereunder.

73. Because of the false and misleading statements in the Proxy Statement, plaintiff and the Class are threatened with irreparable harm.

COUNT II

Claim for Violation of Section 20(a) of the 1934 Act Against the Individual Defendants and True Wind

74. Plaintiff repeats and realleges the preceding allegations as if fully set forth herein.

75. The Individual Defendants and True Wind acted as controlling persons of ARI within the meaning of Section 20(a) of the 1934 Act as alleged herein. By virtue of their positions as officers and/or directors of ARI and participation in and/or awareness of the Company's operations and/or intimate knowledge of the false statements contained in the Proxy Statement, they had the power to influence and control and did influence and control, directly or indirectly, the decision making of the Company, including the content and dissemination of the various statements that plaintiff contends are false and misleading.

76. Each of the Individual Defendants and True Wind was provided with or had unlimited access to copies of the Proxy Statement alleged by plaintiff to be misleading prior to and/or shortly after these statements were issued and had the ability to prevent the issuance of the statements or cause them to be corrected.

77. In particular, each of the Individual Defendants had direct and supervisory involvement in the day-to-day operations of the Company, and, therefore, is presumed to have had the power to control and influence the particular transactions giving rise to the violations as alleged herein, and exercised the same. The Proxy Statement contains the unanimous

recommendation of the Individual Defendants to approve the Proposed Transaction. They were thus directly in the making of the Proxy Statement.

78. True Wind also had direct supervisory control over the composition of the Proxy Statement and the information disclosed therein, as well as the information that was omitted and/or misrepresented in the Proxy Statement.

79. By virtue of the foregoing, the Individual Defendants and True Wind violated Section 20(a) of the 1934 Act.

80. As set forth above, the Individual Defendants and True Wind had the ability to exercise control over and did control a person or persons who have each violated Section 14(a) of the 1934 Act and Rule 14a-9, by their acts and omissions as alleged herein. By virtue of their positions as controlling persons, these defendants are liable pursuant to Section 20(a) of the 1934 Act. As a direct and proximate result of defendants' conduct, plaintiff and the Class are threatened with irreparable harm.

PRAYER FOR RELIEF

WHEREFORE, plaintiff prays for judgment and relief as follows:

- A. Preliminarily and permanently enjoining defendants and all persons acting in concert with them from proceeding with, consummating, or closing the Proposed Transaction;
- B. In the event defendants consummate the Proposed Transaction, rescinding it and setting it aside or awarding rescissory damages;
- C. Directing the Individual Defendants to disseminate a Proxy Statement that does not contain any untrue statements of material fact and that states all material facts required in it or necessary to make the statements contained therein not misleading;
- D. Declaring that defendants violated Sections 14(a) and/or 20(a) of the 1934 Act, as

well as Rule 14a-9 promulgated thereunder;

E. Awarding plaintiff the costs of this action, including reasonable allowance for plaintiff's attorneys' and experts' fees; and

F. Granting such other and further relief as this Court may deem just and proper.

JURY DEMAND

Plaintiff respectfully requests a trial by jury on all issues so triable.

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I. (a) Plaintiffs-Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.C.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.

United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.

Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; federal question actions take precedence over diversity cases.)

III. Residence (citizenship) of Principal Parties. This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. Nature of Suit. Place an "X" in the appropriate box. If the nature of suit cannot be determined, be sure the cause of action, in Section VI below, is sufficient to enable the deputy clerk or the statistical clerks in the Administrative Office to determine the nature of suit. If the cause fits more than one nature of suit, select the most definitive.

V. Origin. Place an "X" in one of the seven boxes.

Original Proceedings. (1) Cases which originate in the United States district courts.

Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.

Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.

Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.

Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

Multidistrict Litigation. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407. When this box is checked, do not check (5) above.

Appeal to District Judge from Magistrate Judgment. (7) Check this box for an appeal from a magistrate judge's decision.

VI. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553

Brief Description: Unauthorized reception of cable service

VII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.

Demand. In this space enter the dollar amount (in thousands of dollars) being demanded or indicate other demand such as a preliminary injunction.

Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

VIII. Related Cases. This section of the JS 44 is used to reference related pending cases if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.
