SETTLEMENT AGREEMENT

This Settlement Agreement¹ is entered into between Plaintiffs, individually and on behalf of the Settlement Class, and Defendant, as of the date last signed below. The Parties hereby agree that in consideration of the promises and covenants set forth in this Agreement and upon entry by the Court of a Final Approval Order and judgment, all claims of the Settlement Class against Defendant in connection with the Data Incident in the Action shall be fully settled and compromised upon the terms and conditions contained herein.

I. BACKGROUND

1. Defendant is a creditors’ rights law firm that provides legal and debt collection services to financial institutions, lenders, and other commercial clients in Missouri and other states.

2. In the course of operating its business, Defendant collects, maintains, and stores Private Information pertaining to individuals who transacted with Defendant’s clients.

¹ All capitalized terms herein shall have the same meanings as those defined in Section II herein.

3. In July 2024, Defendant detected unauthorized access to certain of its information technology systems. Defendant subsequently determined that the Private Information of approximately 151,944 individuals may have been impacted in the Data Incident.

4. In or around January 2025, Defendant began notifying those individuals that their Private Information was potentially impacted in the Data Incident.

5. Thereafter, five putative class action lawsuits arising from the Data Incident were filed in the United States District Court for the District of Kansas, asserting similar claims on behalf of overlapping putative classes. The related lawsuits were consolidated into a single proceeding by order of the District of Kansas court on March 12, 2025.

6. In addition to consolidating the respective actions arising from the Data Incident, the District of Kansas court appointed interim co-lead class counsel pursuant to Federal Rule of Civil Procedure 23(g).

7. On May 12, 2025, Plaintiffs filed their consolidated class action complaint in the District of Kansas proceeding, asserting claims against Defendant for negligence/negligence *per se*, breach of third-party beneficiary contract, unjust enrichment, invasion of privacy, and declaratory judgment.

8. On December 18, 2025, Defendant filed a motion to dismiss Plaintiffs' consolidated class action complaint in the District of Kansas proceeding.

9. Considering the risk, expense, and delay of continued litigation, the Parties began discussing early resolution of the Action and jointly requested a stay of the District of Kansas case pending the outcome of settlement negotiations. The District of Kansas court entered an order staying the proceedings on August 11, 2025, and entered an order extending the stay on November 19, 2025.

10. To aid in settlement discussions, Plaintiffs requested, and Defendant produced informal discovery regarding the nature and cause of the Data Incident, the identity of the impacted individuals, issues related to damages, and available financial resources.

11. The Parties' negotiations were arms-length and took place over several months. They ultimately agreed to the material terms of the Settlement. During their discussions, they determined that jurisdiction was proper in state court. Consequently, Plaintiffs dismissed the federal case and re-filed the Action in state court.

12. The Parties now agree to settle the Action entirely, without any admission by Defendant of liability or wrongdoing, with respect to all Released Claims of the Releasing Parties. Defendant has entered into this Agreement to resolve all controversies and disputes arising out of or relating to the allegations made in Plaintiffs' complaints and the Data Incident as it relates to Defendant, and to avoid the litigation costs and expenses, distractions, burden, expense, and disruption to its business operations associated with further litigation. Defendant does not in any way acknowledge, admit to, or concede any of the allegations made in the Action, and expressly disclaims and denies any fault or liability, or any charges of wrongdoing that have been or could have been asserted related to the Data Incident. Nothing contained in this Agreement shall be used or construed as an admission of liability, and this Agreement shall not be offered or received in evidence in any action or proceeding in any court or other forum as an admission or concession of liability or wrongdoing of any nature or for any other purpose other than to enforce the terms of this Agreement. Plaintiffs enter into this Agreement to recover on the claims asserted in the Action, and to avoid the risk, delay, and uncertainty of continued litigation. Plaintiffs do not in any way concede that the claims alleged in the Action lack merit or are subject to any defenses. The Parties intend this Agreement to bind Plaintiffs, Defendant, and all Settlement Class Members.

NOW, THEREFORE, in light of the foregoing, for good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree, subject to approval by the Court, as follows.

III. CERTIFICATION OF THE SETTLEMENT CLASS

70. In the Motion for Preliminary Approval, Plaintiffs shall propose and request that the Court certify the Settlement Class for Settlement purposes only. Defendant agrees solely for purposes of the Settlement provided for in this Agreement, and the implementation of such Settlement, that this case shall proceed as a class action; provided however, that if a Final Approval Order is not issued, then any certification shall be null and void and, for the avoidance of doubt, Defendant shall retain all rights to object to any future requests to certify a class. Plaintiffs and Class Counsel shall not reference this Agreement in support of any subsequent motion for class certification of any class in the Action in such event.

71. For purposes of determining membership in the Settlement Class, the Parties conditionally stipulate that Defendant has identified approximately 151,944 individuals who are Settlement Class Members who were sent a notice of the Data Incident.

IV. SETTLEMENT FUND

72. The Settlement Administrator shall provide its estimate of the preliminary Settlement Administration Costs, wiring instructions, mailing address, and a properly completed and duly executed IRS Form W-9 to Defendant's Counsel within five days of Preliminary Approval. In no event will Defendant pay more than the \$980,000.00 Settlement Fund amount under this Agreement. Following Defendant's payment of the Settlement Fund monies as described in this paragraph, Defendant shall have no responsibility, financial obligation, or liability whatsoever with respect to the selection of the Settlement Fund account, investment of Settlement Fund account funds, payment of federal, state, and local income, employment, unemployment, excise, and any other taxes or tax-related expenses imposed on the Settlement Fund account or its distributions, or payment of the administrative, legal, accounting, or other costs occasioned by the use or administration of the Settlement Fund. In the event there is no Final Approval, with the exception of any outstanding invoices that may be due to the Settlement Administrator, all monies remaining in the Settlement Fund shall revert to Defendant.

73. Provided the Final Approval Order is entered by the Court without material change, material amendment, or material modification, the Settlement Fund will be used to pay all Valid Claims for Settlement Class Member Benefits, provided however, that the aforementioned

changes, amendments, or modifications do not alter the Release language in this Agreement, including any related definitions , and dismissal of the Action with prejudice.

74. The Settlement Fund shall be distributed in the following order: (a) payment of all Settlement Administration Costs; (b) payment of Service Awards to the Class Representatives approved by the Court; (c) payment of attorneys' fees and costs awarded by the Court to Class Counsel; and (d) payment of all Settlement Class Member Benefits to Settlement Class Members who submit Valid Claims.

75. The portion of the Settlement Fund used to pay Settlement Class Member Benefits to Settlement Class Members who submit Valid Claims shall be distributed in the following order: (a) Valid Claims for Credit Monitoring; (b) Valid Claims for Cash Payment A – Unreimbursed Documented Losses; (c) Valid Claims for Cash Payment B – Alternate Cash. In the event the aggregate amount claimed for Credit Monitoring and Cash Payment A – Unreimbursed Documented Losses exceeds the remaining amount of the Settlement Fund following payment or allocation for payment of Settlement Administration Costs, Service Awards, and attorneys' fees and costs, then Valid Claims for Cash Payment A – Unreimbursed Documented Losses shall be proportionately reduced on a *pro rata* basis. All *pro rata* determinations required by this Agreement shall be performed by the Settlement Administrator.

76. No amounts may be withdrawn from the Settlement Fund unless expressly authorized by this Agreement or approved by the Court. Responsibility for effectuating payments from the Settlement Fund pursuant to this Agreement shall rest solely with the Settlement Administrator and neither Defendant nor Defendant's agents shall have any responsibility whatsoever with respect to effectuating such payments.

77. The Settlement Fund shall be deemed to be in the custody of the Court and shall remain subject to the jurisdiction of the Court until such time as the entirety of the Settlement Fund is distributed pursuant to this Settlement Agreement and the Final Approval Order is rendered Final or the balance returned to those who paid the Settlement Fund in the event this Settlement Agreement is terminated in accordance with this Agreement.

78. The Parties agree that the Settlement Fund is intended to be maintained as a qualified settlement fund within the meaning of Treasury Regulation § 1.468 B-1, and that the Settlement Administrator, within the meaning of Treasury Regulation § 1.468 B-2(k)(3), shall be responsible for filing tax returns and any other tax reporting for or in respect of the Settlement Fund and paying from the Settlement Fund any taxes and tax-related expenses owed with respect to the Settlement Fund. The Parties agree that the Settlement Fund shall be treated as a qualified settlement fund from the earliest date possible and agree to any relation-back election required to treat the Settlement Fund as a qualified settlement fund from the earliest date possible. Any and all funds held in the Settlement Fund shall be held in an interest-bearing account insured by the Federal Deposit Insurance Corporation. Funds may be placed in a non-interest-bearing account as may be reasonably necessary during the check clearing process. The Settlement Administrator shall provide an accounting of any and all funds in the Settlement Fund, including any interest accrued thereon and payments made pursuant to this Agreement, upon request of any of the Parties.

79. Taxes and tax-related expenses relating to the Settlement Fund, if any, shall be considered Settlement Administration Costs and shall be timely paid by the Settlement Administrator out of the Settlement Fund without prior order of the Court. Further, the Settlement Fund shall indemnify and hold harmless the Parties and their counsel for taxes and tax-related expenses (including, without limitation, taxes payable by reason of any such indemnification

payments). The Parties and their respective counsel have made no representation or warranty, and have no responsibility, with respect to the tax treatment by any Settlement Class Representative or any Settlement Class Member of any payment or transfer made pursuant to this Agreement or derived from or made pursuant to the Settlement Fund. Each Class Representative and Settlement Class Member shall be solely responsible for the federal, state, and local tax consequences to him, her, or it of the receipt of funds from the Settlement Fund pursuant to this Agreement. However, where a Settlement Class Member who is entitled to more than \$1,999.00 fails to submit an IRS Form W-9 (or equivalent tax document), the Settlement Administrator shall consult with counsel to determine how to remit payment to the Settlement Class Member (*i.e.*, capped at \$1,999.00 or withholding necessary taxes and sending the remainder to the Settlement Class Member).

V. SETTLEMENT CONSIDERATION

80. The following Settlement Class Member Benefits are available to Settlement Class Members who submit Valid Claims.

81. When submitting a Claim, Settlement Class Members must choose either Cash Payment A – Documented Unreimbursed Losses or Cash Payment B – Alternate Cash. Settlement Class Members may also elect to receive Credit Monitoring in accordance with the terms of this paragraph. If a Settlement Class Member does not submit a Valid Claim, the Settlement Class Member will have released his or her claims against the Released Parties without receiving a Settlement Class Member Benefit. For the avoidance of doubt, in no event shall Defendant's obligations exceed the Settlement Fund as described in paragraphs 65 and 72 of this Agreement.

a. Cash Payment A – Documented Unreimbursed Losses

Settlement Class Members may submit a claim for a Cash Payment under this section for a maximum of \$3,500.00 per Claimant upon presentment of documented unreimbursed losses

resulting from fraud and/or identity theft related to the Data Incident. To receive payment for documented losses, a Settlement Class Member must elect Cash Payment A on the Claim Form and submit reasonable third-party documentation supporting the losses. This can include receipts or other documentation not “self-prepared” by the Claimant that document the costs incurred. “Self-prepared” documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support other submitted documentation. Non-exhaustive examples of reasonable documentation include telephone records, correspondence including emails, or receipts. Settlement Class Members shall not be reimbursed for expenses if they have been reimbursed for the same expenses by another source, including compensation provided in connection with the credit monitoring and identity theft protection product offered as part of the notification letter provided by Defendant or otherwise. The Settlement Administrator shall have the sole discretion and authority to determine whether and to what extent documentation for Cash Payment A – Unreimbursed Documented Losses reflect valid unreimbursed economic losses actually incurred that are fairly traceable to the Data Incident, but may consult with both Class Counsel and Defendant’s Counsel in making individual determinations. In assessing what qualifies as fairly traceable, the Parties agree to instruct the Settlement Administrator to consider whether the timing of the loss occurred on or after the date of the Data Incident. If a Settlement Class Member does not submit reasonable documentation supporting a loss, or if the Settlement Class Member’s Claim is rejected by the Settlement Administrator for any other reason and the Settlement Class Member fails to cure, the Claim will be rejected and the Settlement Class Member’s Claim will be as if he or she elected Cash Payment B – Alternate Cash.

b. Cash Payment B – Alternate Cash

As an alternative to Cash Payment A above, a Settlement Class Member may elect to receive Cash Payment B – Alternate Cash, which is a *pro rata* cash payment from the Net Settlement Fund, calculated by dividing the amount of the Net Settlement Fund by the number of Valid Claims for Cash Payment B – Alternate Cash. To receive this Settlement Class Member Benefit, Settlement Class Members must submit a Valid Claim electing Cash Payment B, and no documentation supporting the Claim is required.

c. Credit Monitoring

In addition to Cash Payment A or Cash Payment B, all Settlement Class Members may also submit a Claim to receive to enroll in two years of Credit Monitoring, regardless of whether the Settlement Class Member submits a Claim for a Cash Payment. To make a Valid Claim for Credit Monitoring, the Claimant must provide a valid email address where he or she can receive the Credit Monitoring activation code. Within 30 days of the Effective Date, the Settlement Administrator shall send a Credit Monitoring activation code via email to each Settlement Class Member who submits a Valid Claim for Credit Monitoring. Credit Monitoring activation codes will be active for 180 days after the date of emailing, and may be used to activate the full term if used at any time during that 180-day period.

82. Provided that Final Approval of this Settlement Agreement is granted by the Court without material change, material amendment, or material modification, the Settlement Fund will be used to satisfy Approved Claims for Settlement Class Members in exchange for a full, fair, and complete release of all Released Parties from Released Claims, and dismissal of the Action with prejudice.

83. The Settlement Fund represents the total extent of Defendants' monetary obligations under the Settlement Agreement. Defendants' contribution to the Settlement Fund shall be fixed

under this Section and shall be final. Defendants shall have no obligation to make further payments into the Settlement Fund and shall have no financial responsibility or obligation relating to the Settlement beyond payment of monies into the Settlement Fund in the amount set forth in this Agreement.

84. The Settlement Administrator shall indemnify and hold harmless the Parties, Class Counsel, and Defendant's Counsel for (a) any act or omission or determination of the Settlement Administrator, or any of Settlement Administrator's designees or agents, in connection with the Notice Program and the administration of the Settlement; (b) the management, investment or distribution of the Settlement Fund; (c) the formulation, design or terms of the disbursement of the Settlement Fund; (d) the determination, administration, calculation or payment of any claims asserted against the Settlement Fund; (v) any losses suffered by, or fluctuations in the value of the Settlement Fund; or (vi) the payment or withholding of any Taxes and Tax-Related Expenses.

VI. SETTLEMENT APPROVAL

85. Class Counsel will use best efforts to submit the Motion for Preliminary Approval to the Court within five days of the execution of this Agreement.

86. The Motion for Preliminary Approval shall, among other things, request the Court (a) preliminarily approve the terms of the Settlement as being within the range of fair, adequate, and reasonable; (b) provisionally certify the Settlement Class for settlement purposes; (c) approve the Notice Program set forth herein and approve the form and content of the Notices of the Settlement; (d) approve the Claim Process and the Claim Form; (e) approve the procedures for Settlement Class Members to opt-out of the Settlement or for Settlement Class Members to object to the Settlement; (f) appoint Jeff Ostrow, Mariya Weekes, Leanna A. Loginov, John Heenan, and Maureen Brady as Class Counsel for Settlement purposes; (g) appoint Plaintiffs as Class

Representatives; (h) appoint Simpluris as the Settlement Administrator; (i) stay the Action pending Final Approval of the Settlement; and (j) schedule a Final Approval Hearing for a time and date mutually convenient for the Court, the Parties, Class Counsel, and Defendant's Counsel.

VII. SETTLEMENT ADMINISTRATOR

87. The Parties agree that, subject to Court approval, Simpluris shall be the Settlement Administrator. The Parties shall jointly oversee the Settlement Administrator. The Settlement Administrator shall fulfill the requirements set forth in the Preliminary Approval Order and the Agreement and comply with all applicable laws, including, but not limited to, the Due Process Clause of the United States Constitution and the state of Missouri.

88. The Settlement Administrator shall administer various aspects of the Settlement as described in the following paragraph and perform such other functions as are specified for the Settlement Administrator elsewhere in this Agreement, including, but not limited to, effectuating the Notice Program, handling the Claim Process, administering the Settlement Fund, and distributing the Settlement Class Member Benefits to those who submit Valid Claims.

89. The Settlement Administrator's duties include the following:

101. The Notice Program shall be completed in its entirety no later than 45 days before the initial scheduled Final Approval Hearing.

IX. CLAIM PROCESS AND DISBURSEMENT OF SETTLEMENT CLASS MEMBER BENEFITS

102. The Notice and the Settlement Website will explain to Settlement Class Members that they may be entitled to a Settlement Class Member Benefit and how to submit a Claim Form.

103. Claim Forms may be submitted online through the Settlement Website or through U.S. Mail by sending them to the Settlement Administrator at the address designated on the Claim Form.

104. The Settlement Administrator shall collect, review, and evaluate each Claim Form received to determine whether the Claim Form meets the requirements set forth in this Settlement and is thus a Valid Claim. The Settlement Administrator shall examine the Claim Form before designating the Claim as a Valid Claim to determine that the information on the Claim Form is reasonably complete. The Settlement Administrator shall further verify that each person who submits a Claim Form is a Settlement Class Member. 106. The Settlement Administrator shall exercise, in its discretion, all usual and customary steps to prevent fraud and abuse and take any reasonable steps to prevent fraud and abuse in the Claim Process. The Settlement Administrator may, in its discretion, deny in whole or in part any Claim Form to prevent actual or possible fraud or abuse. If any fraud is detected or reasonably suspected, the Settlement Administrator and Parties may require information from the Claimant or deny the Claim, subject to the supervision of the Parties and ultimate oversight by the Court.

107. Claim Forms that do not meet the terms and conditions of this Settlement shall be promptly rejected by the Settlement Administrator and the Settlement Administrator shall advise the Settlement Class Member of the reason(s) why the Claim Form was rejected. However, if the Claim Form is rejected for containing incomplete or inaccurate information, and/or omitting

required information, the Settlement Administrator may send a Notice of Deficiency explaining what information is missing or inaccurate and needed to validate the Claim and have it submitted for consideration. The Settlement Administrator shall notify the Settlement Class Member using the contact information provided in the Claim Form. The additional information and/or documentation can include, for example, answers to questions regarding the validity of the Claimant's physical or e-signature. A Settlement Class Member shall have until the Claim Form Deadline, or 21 days from the date the Notice of Deficiency is sent via mail and postmarked or sent via email, whichever is later, to reply to the Notice of Deficiency and provide the required information. If the Settlement Class Member timely and adequately provides the requested information and/or documentation, the Claim shall be deemed a Valid Claim and processed by the Settlement Administrator. If the Settlement Class Member does not timely and completely provide the requested information and/or documentation, or otherwise fails to cure the deficiency at the Settlement Administrator's sole discretion, the Settlement Administrator shall reduce or deny the Claim unless Defendant's Counsel and Class Counsel otherwise agree.

- a. The Settlement Administrator shall have 30 days from the Claim Form Deadline to approve or reject Claims based on findings of fraud or duplication.
- b. A request for additional information by sending a Notice of Deficiency shall not be considered a denial for purposes of this paragraph.
- c. If a Claim is rejected for fraud or duplication, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel and Defendant's Counsel shall be provided with copies of all such notifications to Claimants.
- d. The Settlement Administrator's determination as to whether to approve, deny, or reduce a Claim shall be final and binding.

110. The Settlement Administrator shall provide all information gathered in investigating Claims, including, but not limited to, copies of all correspondence and all notes of the Settlement Administrator, the decision reached, and all reasons supporting the decision, if requested by Class Counsel or Defendant's Counsel. Additionally, Class Counsel and Defendant's Counsel shall have the right to inspect the Claim Forms and supporting documentation received by the Settlement Administrator at any time upon reasonable notice.

111. No person or entity shall have any claim against Defendant, Defendant's Counsel, Plaintiffs, the Settlement Class, Class Counsel, and/or the Settlement Administrator based on any eligibility determinations, distributions, or awards made in accordance with this Settlement.

113. Cash Payments to Settlement Class Members will be made by electronic payment or by paper check. Settlement Class Members will choose their form of payment on the Claim Form. In the event a Settlement Class Member does not make an election or there is a problem with issuance of an electronic payment, a paper check will be sent to the Settlement Class Member's last known address. Paper checks must be negotiated within 90 days of issuance. To the extent that a Settlement Check is not cashed within 90 days after the date of issue, the Settlement Administrator shall undertake the following actions: (a) attempt to contact the Settlement Class Member by e-mail and/or telephone to discuss how to obtain a reissued check; (b) if those efforts are unsuccessful, make reasonable efforts to locate an updated address for the Settlement Class Member using advanced address searches or other reasonable methods; and (c) reissuing a check or mailing the Settlement Class Member a postcard (either to an updated address if located or the original address if not) providing information regarding how to obtain a reissued check. Any Settlement checks reissued pursuant to this paragraph shall remain valid and negotiable for 60 days from the date of their issuance, and will become Remainder Funds if not cashed by the Settlement Class Members within that time.

114. If the Settlement Administrator is notified that a Settlement Class Member is deceased, the Settlement Administrator shall reissue the Settlement check to the Settlement Class

Member's estate upon receiving proof the Settlement Class Member is deceased and consulting with Class Counsel.

115. In the event the Settlement Administrator is unable to distribute funds to the person or persons entitled to receive them due to incorrect or incomplete information provided to the Settlement Administrator, the funds shall become Remainder Funds, and the Settlement Class Member shall forfeit their right to the funds.

116. The Settlement is designed to exhaust the Settlement Fund. However, in the event there are funds remaining in the Settlement Fund 150 days after the distribution of Cash Payments, or 30 days after all reissued Settlement checks are no longer negotiable, whichever occurs later or as otherwise agreed to by the Parties, said funds attributable to unclaimed and undeliverable funds shall be treated as Remainder Funds and distributed to an appropriate mutually agreeable *cy pres* recipient to be approved by the Court.

X. FINAL APPROVAL ORDER AND FINAL JUDGMENT

117. Plaintiffs shall file their Motion for Final Approval, inclusive of the Application for Attorneys' Fees, Costs, and Service Awards, 45 days before the initial scheduled Final Approval Hearing. At the Final Approval Hearing, the Court will hear argument on Plaintiffs' Motion for Final Approval and the Application for Attorneys' Fees, Costs, and Service Awards. In the Court's discretion, the Court will also hear arguments at the Final Approval Hearing from any Settlement Class Member (or their counsel) who objects to the Settlement and/or to the Application for Attorneys' Fees, Costs, and Service Awards, provided the objectors submitted timely objections that meet all of the requirements listed in this Agreement.

118. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order and final judgment thereon, and whether to grant the Application

for Attorneys' Fees, Costs, and Service Awards. Such proposed Final Approval Order shall effectuate the following, among other things:

- a. Determine that the Settlement is fair, adequate and reasonable;

XI. SERVICE AWARDS, ATTORNEYS' FEES AND COSTS

119. **Service Awards.** In recognition of the time and effort the Class Representatives expended in pursuing this Action and in fulfilling their obligations and responsibilities as Class Representatives, and of the relief conferred on all Settlement Class Members by the Settlement, Class Counsel shall request a Service Award for the Class Representatives in the amount not to exceed \$2,000.00 each. If approved, the Service Awards shall be paid by the Settlement Administrator via wire transfer out of the Settlement Fund to Class Counsel within 30 days of the Effective Date. The Service Award payments to the Class Representatives shall be separate and apart from their entitlement to Settlement Class Member Benefits.

120. **Attorneys' Fees.** Class Counsel shall apply to the Court for an award of attorneys' fees of up to exceed 33.33% of the Settlement Fund (\$326,666.00), plus reimbursement of reasonable litigation costs. The attorneys' fees and costs awarded by the Court shall be paid out of the Settlement Fund to Class Counsel within 30 days of the Effective Date. Prior to the disbursement or payment of attorneys' fees and costs to Class Counsel, Class Counsel shall provide the Settlement Administrator a properly completed and duly executed IRS Form W-9.

121. This Settlement is not contingent on approval of Application for Attorneys' Fees, Costs, and Service Awards, and if the Court denies the request or grants amounts less than what was requested, the remaining provisions of the Agreement shall remain in force. The provisions for attorneys' fees, costs, and Service Awards were not negotiated until after the Parties reached agreement on all material terms of the Settlement. No decision by the Court, or modification or reversal or appeal of any decision by the Court concerning the amount of the Attorneys' Fees, Costs, and Service Awards shall constitute grounds for termination of this Agreement.

122. Upon the Effective Date, and in consideration of the Settlement relief and other consideration described herein, the Releasing Parties shall be deemed to have, and by operation of the Final Approval Order shall have, fully, finally, and forever released, acquitted, relinquished, and completely discharged the Released Parties from any and all Released Claims, including but not limited to any federal or state statutory or common law claims arising out of or relating to the Data Incident that the Releasing Parties may have or had Each Party expressly waives all rights under California Civil Code section 1542, which provides as follows:

Basic Information

1. Why was this Notice issued?

The Circuit Court of Jackson County, Missouri at Independence, authorized this Notice. You have a right to know about the proposed Settlement of this class action lawsuit, and about all of your options, before the Court decides whether to grant final approval of the Settlement. This Notice explains the lawsuit, your legal rights, what benefits are available, and who can receive them.

The lawsuit is called *Burton, et al. v. Berman & Rabin, P.A.*, Case No. 2616-CV00873. It is pending in the Circuit Court of Jackson County, Missouri at Independence. The people that filed this lawsuit are called the “Plaintiffs” (or “Class Representatives”) and the company they sued, Berman & Rabin, P.A., is called the “Defendant.”

2. What is this lawsuit about?

This lawsuit alleges that during the July 2024 cyberattack on Berman & Rabin's computer systems, certain files that potentially contained Private Information were accessed. These files may have contained personal information such as names; Social Security numbers; drivers’ license numbers; financial information; medical information; and/or health insurance information.

3. What is a class action?

In a class action, one or more individuals sue on behalf of other people with similar claims. These individuals are called the “Plaintiffs” or “Class Representatives.” Together, the people included in the class action are called a “Class” or “Class Members.” One court resolves the lawsuit for all Class Members, except for those who opt out from the settlement. In this proposed Settlement, the Class Representatives are Teresa Burton; Stacey Carlington; Stephen Deitsch; Robin Steward; and Breanna Phillips. Everyone included in this Action are the Settlement Class Members.

4. Why is there a Settlement?

The Court did not decide whether the Plaintiffs or the Defendant are right. Both sides have agreed to a Settlement to avoid the costs and risks of a trial, and to allow the Settlement Class Members to receive benefits from the Settlement. The Plaintiffs and their attorneys think the Settlement is best for all Settlement Class Members.

Who is in the Settlement?

5. Who is included in the Settlement?

The court has defined the Settlement Class this way: “All living individuals in the United States who were sent a notice that their Private Information was potentially compromised in the Data Incident.”

You cannot claim a payment for expenses that have already been reimbursed by a third party.

**[PROPOSED] ORDER GRANTING PLAINTIFFS’ UNOPPOSED MOTION FOR
PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT**

This case comes before the Court for hearing on Plaintiffs’ Unopposed Motion for Preliminary Approval of Class Action Settlement, which is subject to approval by the Court.

WHEREAS, after full consideration of the Parties’ Settlement Agreement and Plaintiffs’ Motion for Preliminary Approval, along with its supporting documents, and good cause appearing therefor pursuant to Missouri Rule of Civil Procedure 52.08,

IT IS HEREBY ORDERED as follows:

1. Capitalized terms herein shall have the same meaning as those defined in Section II of the Settlement Agreement, attached as Exhibit A to the Motion for Preliminary Approval.
2. The Court has jurisdiction over the subject matter of this action, Plaintiffs, the Settlement Class, and Defendant.
3. The Court orders that to effectuate the proposed Settlement and for settlement purposes only, this Action shall be maintained as a class action under Rule 52.08, subject to Final Approval of the Settlement, on behalf of the following Settlement Class:

All living individuals in the United States who were sent a notice that their Private Information was potentially compromised in the Data Incident.

Excluded from the Settlement Class are (a) all persons who are directors and officers of Defendant, or its respective subsidiaries and affiliated companies; (b) governmental entities; (c) the Judge(s) assigned to the Action, the Judge's immediate family, and Court staff; and (d) any Settlement Class Member who properly and timely opts-out of the Settlement.

4. The Court appoints Teresa Burton, Stacy Carlington, Stephen Deitsch, Robin Steward, and Breanna Phillips as Class Representatives.

5. The Court appoints Jeff Ostrow of Kopelowitz Ostrow P.A., Mariya Weekes of Milberg PLLC, Leanna A. Loginov of Shamis & Gentile, P.A., John Heenan of Heenan & Cook, and Maureen Brady of McShane & Brady, LLC as Class Counsel.

6. The Court appoints Simpluris, Inc. as Settlement Administrator.

7. The Court recognizes that, pursuant to the Agreement, should the Settlement not be finally approved, Defendant retains all rights to object to any future requests to certify a class. Therefore, as more fully set forth below, if the Settlement is not finally approved, and litigation resumes, this Court's preliminary findings regarding the propriety of class certification shall be of no further force or effect.

8. The Court preliminarily approves the Settlement of this Action as set forth in the Agreement as being fair, just, reasonable and adequate, subject to further consideration at the Final Approval Hearing described below. The Court further finds the likelihood of Final Approval of the Settlement is sufficient to warrant notice to the Settlement Class as specified in the Agreement. There is good cause to find that the Settlement was negotiated with the assistance of an experienced

mediator and at arms-length between the Parties, who were each represented by experienced counsel.

9. For settlement purposes only, the Court finds that the Settlement Class as defined herein meets the requirements of Rule 52.08 as follows:

- a. The Settlement Class is sufficiently ascertainable;
- b. All Settlement Class Members have standing as the Petition alleges a sufficient concrete harm;
- c. Though not adopted by the Missouri Supreme Court, Fed. R. Civ. P. 23(e)(2) considers the following additional factors a court should consider when evaluating a class action settlement. *Cf. State ex rel. Union Planters Bank, N.A. v. Kendrick*, 142 S.W.3d 729, 735 n.5 (Mo. banc 2004) (interpretations of Fed. R. Civ. P. 23 may be considered in interpreting Rule 52.08). The relief proposed to be provided to the Settlement Class preliminarily appears adequate taking into account the factors stated in federal Rule 23(e)(2)(c), in that:
 - (1) it appears that continued litigation would entail significant costs, risks, and delay as compared to the proposed Settlement as the Settlement was reached relatively early in the litigation process and before the expenditure of much more significant costs in time and money by the Parties;
 - (2) the Settlement provides meaningful Cash Payments and other consideration to Settlement Class Members who submit Valid Claims;
 - (3) the terms of the proposed Application for Attorneys' Fees, Costs, and Service Awards appear reasonable; and
 - (4) there are no "side-deals" as part of this Settlement.

d. There are approximately 151,944 Settlement Class Members which is sufficiently numerous for purposes of Rule 52.08(a) and joining all of these parties into a single action would be impractical;

e. The Settlement Class Members assert common claims challenging Defendant's acts and omissions concerning the Data Incident through the same legal theories under Missouri law;

f. Plaintiffs' and Settlement Class Members' claims are typical of one another in that they seek the same sorts of relief for the same alleged wrongs;

g. The Class Representatives have adequately represented the Settlement Class in that they have taken the steps necessary to achieve this Settlement, including, but not limited to, by hiring competent counsel who have no conflicts of interest with the class and by vigorously litigating this case to its proposed conclusion;

h. The common questions related to Defendant's acts and omissions concerning the Data Incident predominate over any individual questions that might arise; and,

i. Class certification is superior to individual adjudication of the claims asserted here due to the similarities between the Settlement Class Members' claims and that managing those claims together would be significantly more efficient than litigating them separately.

10. The Court approves the Notice Program and Claim Process, including the Postcard Notice, Long Form Notice, and Claim Form (substantially in the form as Exhibits 1 through 3 to the Agreement), and finds the Notice accurately reflects the nature of the claims and the proposed Settlement, states the opt-out and objection procedures in clear language, and is reasonably and

practicably calculated to inform the Settlement Class of the pendency of the Action and their rights, among other things, to opt-out or object to the Settlement, and to attend the Final Approval Hearing. The Notice meets the requirements of Rule 52.08 and the requirements of due process. The Court further finds the procedure for dissemination of Notice in the manner described in the Agreement has a reasonable chance of reaching a substantial percentage of the Settlement Class and constitutes the best notice practicable under the circumstances. In addition, the Court finds that no notice other than that specifically identified in the Agreement is necessary in this Action. The Parties, by agreement, may revise the Notices and Claim Form in ways that are not material or are appropriate to update those documents for purposes of accuracy or formatting for publication.

11. The mailing and distribution of Notice as set forth in the Settlement Agreement shall proceed. The Settlement Administrator is authorized to mail the Postcard Notice, after the Notice is updated with the appropriate dates and deadlines consistent with the Agreement, to the applicable Settlement Class Members as provided in the Settlement.

12. The Settlement Class shall be bound by all determinations and orders pertaining to the Settlement, including the release of all claims to the extent set forth in the Settlement, whether favorable or unfavorable, unless such persons validly opt-out of the Settlement Class in a timely and proper manner, as hereinafter provided. Settlement Class Members who do not timely and validly opt-out of the Settlement shall be bound by the terms of the Agreement.

13. As explained in the Long Form Notice attached to the Agreement as Exhibit 3, Settlement Class Members shall be entitled to exclude themselves at any time prior to the Opt-Out Deadline by mailing a request to opt-out to the Settlement Administrator postmarked on or before the Opt-Out Deadline. The opt-out request must be personally signed by the Settlement Class

Member and contain the requestor's name, address, telephone number, and email address (if any), the title of the Action, and a statement indicating a request to be excluded from the Settlement Class. Requests to opt out may only be done on an individual basis, and no person may request to be excluded from the Settlement Class through "mass" or "class" opt outs. Any Settlement Class Member who does not timely and validly request to opt-out shall be bound by the terms of this Agreement even if that Settlement Class Member does not submit a Valid Claim.

14. Any Settlement Class Member who has not requested to opt-out of the Settlement Class and who wishes to object to any aspect of the Settlement, including the amount of the attorney's fees and costs that Class Counsel intends to seek or the payment of Service Awards to the Class Representatives, may do so, either personally or through an attorney, by filing a written objection, together with any supporting documentation, as set forth in the Settlement Agreement and this Preliminary Approval Order. Objections must be filed with the Court, and sent by U.S. Mail to Class Counsel, Defendant's Counsel, and the Settlement Administrator. For an objection to be considered by the Court, the objection must be submitted on or before the Objection Deadline, as specified in the Notice, and the Settlement Class Member must not have excluded him/herself from the Settlement Class. If submitted by mail, an objection shall be deemed to have been submitted when posted if received with a postmark date indicated on the envelope if mailed first-class postage prepaid and addressed in accordance with the instructions. If submitted by private courier (e.g., Federal Express), an objection shall be deemed to have been submitted on the shipping date reflected on the shipping label. Objections not filed and served in accordance with this Preliminary Approval Order shall not be received or considered by the Court.

15. To be valid, the objection must also set forth the following:

- a. the objector's full name, mailing address, telephone number, and email address (if any);
- b. all grounds for the objection, accompanied by any legal support for the objection known to the objector or objector's counsel;
- c. the number of times the objector has objected to a class action settlement within the five years preceding the date that the objector files the objection, the caption of each case in which the objector has made such objection, and a copy of any orders related to or ruling upon the objector's prior objections that were issued by the trial and appellate courts in each listed case;
- d. the identity of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement and/or the Application for Attorneys' Fees, Costs, and Service Awards, and whether they will appear at the Final Approval Hearing;
- e. the number of times in which the objector's counsel and/or the objector's counsel's law firm have objected to a class action settlement within the five years preceding the date of the filed objection, the caption of each case in which counsel or the firm has made such objection and a copy of any orders related to or ruling on the objection issued by the trial and appellate courts in each such listed case;
- f. a list of all persons who will be called to testify at the Final Approval Hearing in support of the objection (if any);
- g. a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and
- h. the objector's signature (an attorney's signature is not sufficient).

16. Failure to fully and strictly comply with the requirements herein will result in the Court overruling an objection.

17. Only Settlement Class Members may object to the Settlement. Class Counsel and/or Defendant's Counsel may conduct discovery on any objector or objector's counsel, including the taking of depositions and requesting documentation. The Parties may file with the Court written responses to any filed objections at or prior to the Final Approval Hearing.

18. The Court hereby adopts the Settlement approval process as set forth in the Settlement.

19. In the event the Effective Date as defined in the Settlement does not occur, the Agreement, and this Preliminary Approval Order shall be deemed null and void and shall have no effect whatsoever. In such case, nothing in the Agreement or this Preliminary Approval Order shall be relied upon, cited as, constitute evidence of, or constitute an admission of liability or that class action certification is or may be appropriate in this action or any other matter.

20. All pretrial proceedings in this Action are stayed and suspended until further order of this Court, except such actions as may be necessary to implement the Agreement and this Preliminary Approval Order.

21. Pending the Court's final determination of the fairness, reasonableness, and adequacy of the proposed Settlement, Plaintiffs and all Settlement Class Members and anyone acting on behalf of any Settlement Class Member are barred and enjoined from: (a) further litigation in this Action; (b) instituting, filing, or taking any action directly or indirectly, to commence, prosecute, pursue or participate on an individual or a class or collective action basis any action, claim or proceeding against Defendant or the Released Parties in any forum in which any of the claims subject to the Settlement are asserted, or which in any way would prevent any

such claims from being extinguished; and/or, (c) seeking, whether on a conditional basis or not, certification of a class or collective action that involves any such claims.

22. The Final Approval Hearing is hereby scheduled to be held before the Court on _____, 2026, at _____. The purpose of the Final Approval Hearing will be as follows:

- a. To determine whether the proposed Settlement of this Action, as set forth in the Motion for Preliminary Approval, should be approved as fair, reasonable, and adequate to the Settlement Class, and whether a Final Approval Order approving of the Settlement should be entered;
- b. To consider Class Counsel’s Application for Attorneys’ Fees, Costs, and Service Awards; and
- d. To rule upon such other matters as the Court may deem appropriate.

23. The Final Approval Hearing may be switched to Zoom, or another virtual platform, postponed, adjourned, or continued by order of the Court. Notice of the postponement, adjournment or continuance of the hearing shall be posted on the Settlement Website. At or following the Final Approval Hearing, the Court may enter a Final Judgment that approves the Settlement and, in accordance with the Settlement, adjudicates the rights of all Settlement Class Members.

24. The Court hereby sets the following schedule of events:

[PROPOSED]
ORDER GRANTING FINAL APPROVAL OF CLASS ACTION SETTLEMENT AND
APPLICATION FOR ATTORNEYS’ FEES, COSTS, AND SERVICE AWARDS

This case comes before the Court for hearing on Plaintiffs’ Motion for Final Approval of Class Action Settlement, which is subject to approval by the Court, due and adequate Notice having been given to the Settlement Class and the Court having considered the papers filed and proceedings in this matter and being fully advised.

WHEREAS, the Court preliminarily approved the Settlement Agreement on _____, 2026, finding the Settlement sufficient to warrant Notice to the Settlement Class;

WHEREAS, the Court conducted a Final Approval Hearing on _____, 2026.

WHEREAS, having duly considered the Motion for Final Approval and supporting memorandum of law and other materials presented with respect to the Settlement addressing the claims asserted in the Action under Missouri law,

The Court hereby finds that the Settlement is a fair, adequate, and reasonable resolution of a bona fide dispute in contested litigation.

NOW THEREFORE, after due deliberation, IT IS HEREBY ORDERED as follows:

1. Unless otherwise defined herein, all terms used in this Final Approval Order have the same meanings as those defined in Section II of the Settlement Agreement, which is attached as Exhibit A to the Motion for Final Approval. The terms of the Settlement are hereby incorporated by reference into this Final Approval Order.

2. This Court has jurisdiction over the subject matter of this Action and personal jurisdiction over all Parties to the Action, including all Settlement Class Members.

3. This Final Approval Order is binding on the Settlement Class as defined in the Settlement.

4. The Settlement was negotiated at arm's length and is fair, reasonable, and adequate; is in the best interests of the Settlement Class; provides adequate relief to the Settlement Class; treats Settlement Class Members equitably; and should be, and hereby is, approved, especially in the light of the benefits to the class accruing therefrom the discovery, investigation, and litigation conducted by Class Counsel prior to the proposed Settlement, and the complexity, expense, risks and probable protracted duration of further litigation.

5. Likewise, the Settlement has the support of Class Counsel and Defendant's Counsel, both of whom have significant experience representing parties in the complex class actions.

6. The Court finally approves the Settlement Agreement and the Settlement claims brought in the above-captioned Action under the terms of that Agreement.

7. The Claim Process and formula for allocation of Settlement Class Member Benefits as set forth in the Settlement is approved as fair, equitable, and reasonable measures for calculating and distributing Settlement payments to the Class Representatives and the Settlement Class.

8. The Court finds adequate Notice of the Settlement was given to the Settlement Class Members pursuant to the terms of the Preliminary Approval Order. The Notice that was disseminated to the Settlement Class adequately informed the Settlement Class of the terms of the Settlement, the type of relief available, the process available to them to submit a Claim, their right to request exclusion from the Settlement and pursue their own remedies, and their opportunity to submit objections and appear and be heard at the Final Approval Hearing. The Notice also adequately informed Settlement Class Members of additional resources available to obtain further information, including the identity of Class Counsel and how to contact the Court-approved Settlement Administrator. The Court finds the Notice Program satisfied the requirements of Missouri Rules of Civil Procedure 52.08(c)(2) and 52.08(e).

9. The Court held a Final Approval Hearing at which time the Parties and all other interested persons were afforded the opportunity to be heard in support of and in opposition to the Settlement.

10. The Court finally certifies, for settlement purposes only, the Settlement Class:

All living individuals in the United States who were sent a notice that their Private Information was potentially compromised in the Data Incident.

Excluded from the Settlement Class are (a) all persons who are directors and officers of Defendant, or its respective subsidiaries and affiliated companies; (b) governmental entities; (c) the Judge(s) assigned to the Action, the Judge's immediate family, and Court staff, and counsel for the Parties; and (d) any Settlement Class Member who properly and timely opts-out of the Settlement.

11. The individuals who are listed on *Exhibit A* to this Final Approval Order have made timely and valid requests for exclusion and are excluded from the Settlement Class and are not bound by this Final Approval Order.

12. The Court finds that no Settlement Class Member objected to the Settlement. The absence of any objections to the Settlement by Class Members supports approval of the Settlement.

13. For settlement purposes only, the Court confirms the appointment of Teresa Burton, Stacy Carlington, Stephen Deitsch, Robin Steward, and Breanna Phillips as Class Representatives.

14. For settlement purposes only, the Court confirms the appointment of the following counsel as Class Counsel and finds that they are experienced in class action litigation and have adequately represented the Settlement Class: Jeff Ostrow of Kopelowitz Ostrow P.A., Mariya Weekes of Milberg PLLC, Leanna A. Loginov of Shamis & Gentile, P.A., John Heenan of Heenan & Cook, and Maureen Brady of McShane & Brady, LLC.

15. With respect to the Settlement Class, the Court finds, for settlement purposes only, that: (a) the Settlement Class defined above is so numerous that joinder of all members is impracticable; (b) there are questions of law or fact common to the Settlement Class, and those common questions predominate over any questions affecting only individual members; (c) the Class Representatives and Class Counsel have fairly and adequately protected, and will continue to fairly and adequately protect, the interests of the Settlement Class; and (d) certification of the Settlement Class is an appropriate method for the fair and efficient adjudication of this controversy.

16. The Court orders the Parties to the Settlement to perform their obligations thereunder. The terms of the Settlement shall be deemed incorporated herein as if explicitly set forth and shall have the full force of an order of this Court.

17. The Court dismisses the Action with prejudice and without costs (except as otherwise provided herein and in the Settlement Agreement) as to Plaintiffs' and all Settlement Class Members' claims against Defendant. The Court adjudges that the Released Claims and all of the claims described in the Settlement are released against Defendant and the Released Parties.

18. The Court adjudges that Plaintiffs and all Settlement Class Members who have not opted-out of the Settlement Class shall be deemed to have fully, finally, and forever released, relinquished, and discharged all Released Claims against Defendant and the Released Parties, as defined under the Settlement Agreement. The Released Claims specifically extend to claims that Plaintiffs and the Settlement Class Members do not know or suspect to exist in their favor at the time that the Settlement Agreement, and the releases contained therein, become effective.

19. The Court further adjudges that, upon entry of this Final Approval Order, the Agreement and the above-described Release of the Released Claims will be binding on, and have res judicata preclusive effect in, all pending and future lawsuits or other proceedings maintained by or on behalf of Plaintiffs and all other Settlement Class Members who did not validly and timely exclude themselves from the Settlement, and their respective affiliates, assigns, heirs, executors, administrators, successors, and agents, as set forth in the Settlement Agreement. The Released Parties may file the Agreement and/or this Final Approval order in any action or proceeding that may be brought against them in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

20. Plaintiffs and all Settlement Class Members who did not validly and timely request exclusion from the Settlement are, for all purposes, conclusively and permanently barred and enjoined from commencing, prosecuting, asserting, filing, pursuing, continuing, seeking to reopen, and/or otherwise maintaining in any court or forum any of the Released Claims or any of the claims described in the Settlement against any of the Released Parties.

21. The Application for Service Awards in the amount of \$2,000.00 to each of the Class Representatives, who have adequately represented the Settlement Class, is hereby approved. The

Court specifically finds such amount to be reasonable in light of the services performed by the Class Representatives for the Settlement Class, including taking on the risks of litigation, participating in factual investigations and Settlement negotiations, and helping achieve the results to be made available to the Settlement Class. This amount shall be paid from the Common Settlement Fund in accordance with the terms of the Settlement.

22. The Court approves payment of attorney's fees to Class Counsel in the amount of \$_____, which is equal to ___ percent of the Settlement Fund. including reimbursement of reasonable litigation costs. This amount shall be paid from the Settlement Fund accordance with the terms of the Settlement. Class Counsel has adequately represented the Settlement Class and has applied for an attorneys' fee award, based on a contingency fee from the common benefit created to settle this Action. A common benefit contingency fee of ___ % is reasonable in class action cases like the Action and is reasonable in this Action.

23. Neither this Final Approval Order, nor the Settlement, nor the payment of any consideration in connection with the Settlement shall be construed or used as an admission or concession by or against Defendant or any of the Released Parties of any fault, omission, liability, or wrongdoing, or of the validity of any of the Released Claims. This Final Approval Order is not a finding of the validity or invalidity of any claims in this Action or a determination of any wrongdoing by Defendant or any of the Released Parties. The Final Approval of the Settlement does not constitute any position, opinion, or determination of this Court, one way or another, as to the merits of the claims or defenses of Plaintiffs, the Settlement Class Members, or Defendant.

24. The Court finds that no reason exists for delay in entering this Final Approval Order. Accordingly, the Clerk is hereby directed forthwith to enter this Final Judgment of Dismissal.

25. The Parties, without further approval from the Court, are hereby permitted to agree to and adopt such amendments, modifications, and expansions of the Settlement Agreement and its implementing documents (including all exhibits to the Settlement Agreement) so long as they are consistent in all material respects with the Final Approval Order and do not limit the rights of the Class Members.
