SETTLEMENT AGREEMENT

This Settlement Agreement¹ is entered into between Plaintiffs, on behalf of themselves and the Settlement Class, and Defendants, as of the date last signed below. The Parties hereby agree to the following terms in full settlement of the Action, subject to a Final Approval Order entered by the Court.

I. Procedural History

1. Defendants Central Maine Healthcare Corporation d/b/a Central Maine Healthcare (“CMHC”) and Central Maine Medical Center (“CMMC”) (collectively, “CMH”) are Maine non-profit corporations located in Lewiston, Maine. CMH is a healthcare provider that operates CMMC, the Central Maine Heart and Vascular Institute, the Central Maine Comprehensive Cancer Center, the Neonatal Intermediate Care Unit, Bridgton Hospital, Rumford Hospital, Central Maine Ambulatory Surgery, Maine Urgent Care, and certain long term care facilities and.

2. In the course of its ordinary business practices, CMH collects, retains, and stores personally identifiable information (“PII”) and protected health information (“PHI” and collectively with PII, “Private Information”).

¹ All capitalized terms herein shall have the same meanings as those defined in Section II below.

3. On or around June 1, 2025, CMH detected unauthorized activity in its network environment that resulted in a shutdown of its information technology applications, hardware, network servers, and phone systems (“Data Incident”).

4. In response, CMH an internal investigation, notified law enforcement, and engaged a third-party forensic firm to determine the nature and scope of the Data Incident. CMH’s investigation determined that between March 19, 2025, and June 1, 2025, an unauthorized third-party accessed its IT Network and certain information contained within its IT Network.

5. On July 31, 2025, CMH posted a “Notice of Data Security Incident” on its website and began sending letters to impacted individuals. Thereafter, it mailed written notification letters to approximately 218,884 individuals whose information may have been impacted by the Data Incident.

6. Beginning in June of 2025, six (6) putative class actions were filed in Maine state court on behalf of individuals regarding the Data Incident. Counsel for these cases filed a Motion to Consolidate the cases on July 10, 2025, which was granted on July 31, 2025.

7. On July 21, 2025, Counsel for Defendant filed an application to transfer all of the pending actions to the Business and Consumer Docket, which was also granted on July 31, 2025. On September 30, 2025, Plaintiffs filed a Consolidated Complaint.

8. Shortly thereafter, to conserve resources for the benefit of those who may have been impacted in the Data Incident, the Parties began discussing mediation and settlement. In January 2026, the parties agreed to stay the case until after mediation.

9. In connection with their settlement discussions and mediation, Defendants provided Plaintiffs with informal discovery, including information related to, among other things, the nature and cause of the Data Incident, the number and geographic location of individuals potentially

impacted by the Data Incident, and the specific type of information potentially accessed.

10. The Parties engaged experienced data security mediator, Bruce A Friedman Esq. of JAMS. On April 7, 2026, after a lengthy mediation of arms-length negotiations between experienced counsel, the Parties were unable to reach an agreement in principle to settle the matter on a class wide basis.

11. Thereafter, the Parties provided a report to the Court on the mediation, and the Court entered the Parties agreed-upon briefing schedule on April 22, 2026.

12. Nevertheless, the Parties continued negotiating toward a settlement and eventually reached an agreement in principle on May 19, 2026.

13. The materials terms of this class-wide Settlement are now codified in this Settlement Agreement.

14. The Parties' counsel, who are experienced in class actions and specifically data security litigation, have negotiated the terms of a class-wide settlement at arms-length and through multiple discussions conducted over more than a month.

15. The Parties now agree to settle the Action entirely, without any admission of liability or wrongdoing, with respect to all Released Claims of the Releasing Parties. Defendants have entered into this Agreement to resolve all controversies and disputes arising out of or relating to the allegations made in the Consolidated Complaint, and to avoid the litigation costs and expenses, distractions, burden, expense, and disruption to its business operations associated with further litigation. Defendants do not in any way acknowledge, admit to, or concede any of the allegations made in any of the complaints or in the Consolidated Complaint, and disclaim and deny any fault or liability, or any charges of wrongdoing that have been or could have been asserted in the Consolidated Complaint. Nothing contained in this Agreement shall be used or construed as an

admission of liability, and this Agreement shall not be offered or received in evidence in any action or proceeding in any court or other forum as an admission or concession of liability or wrongdoing of any nature or for any other purpose other than to enforce the terms of this Agreement. Plaintiffs have entered into this Agreement to recover on the claims asserted in the Consolidated Complaint, and to avoid the risk, delay, and uncertainty of continued litigation. Plaintiffs do not in any way concede that the claims alleged in the Consolidated Complaint lack merit or are subject to any defenses. The Parties intend this Agreement to bind Plaintiffs, Defendants, and all Settlement Class Members.

NOW, THEREFORE, in light of the foregoing, for good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree, subject to approval by the Court, as follows.

The Settlement Administrator shall collect, review, and address each Claim Form received to determine whether the Claim Form meets the requirements set forth in this Settlement and is thus a Valid Claim. The Settlement Administrator shall examine the Claim Form before designating the Claim as a Valid Claim to determine that the information on the Claim Form is reasonably complete. The Settlement Administrator shall have the sole authority to determine whether a Claim by any Claimant is a Valid Claim.

80. The Settlement Administrator shall use all reasonable efforts and means to identify and reject duplicate claims. No Settlement Class Member may submit more than one Claim Form. The Settlement Administrator shall identify any Claim Forms that appear to seek relief on behalf of the same Settlement Class Member. If the Settlement Administrator identifies any Claim Form that appears to be a duplication, the Settlement Administrator shall contact the Settlement Class Member in an effort to determine which Claim Form is the appropriate one for consideration.

81. The Settlement Administrator shall exercise, in its discretion, all usual and customary steps to prevent fraud and abuse and take any reasonable steps to prevent fraud and abuse in the Claim process. The Settlement Administrator may, in its discretion, deny in whole or in part any Claim Form to prevent actual or possible fraud or abuse. By agreement, the Parties can instruct the Settlement Administrator to take whatever steps it deems appropriate if the Settlement Administrator identifies actual or possible fraud or abuse relating to the submission of claims, including, but not limited to, denying in whole or in part any Claim to prevent actual or possible fraud or abuse. If any fraud is detected or reasonably suspected, the Settlement Administrator and

Parties may require information from Claimants or deny Claims, subject to the supervision of the Parties and ultimate oversight by the Court.

82. Claim Forms that do not meet the terms and conditions of this Settlement shall be promptly rejected by the Settlement Administrator and the Settlement Administrator shall advise the Claimant or Settlement Class Member of the reason(s) why the Claim Form was rejected. However, if the Claim Form is rejected for containing incomplete or inaccurate information, and/or omitting required information, the Settlement Administrator may send a Notice of Deficiency explaining what information is missing or inaccurate and needed to validate the Claim and have it submitted for consideration. The Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. The additional information and/or documentation can include, for example, answers to questions regarding the validity of the Claimant's physical or e-signature. A Claimant shall have until the Claim Form Deadline, or 15 days from the date the Notice of Deficiency is sent to the Claimant via mail and postmarked or via email, whichever is later, to reply to the Notice of Deficiency and provide the required information. If the Claimant timely and adequately provides the requested information and/or documentation, the Claim shall be deemed a Valid Claim and processed by the Settlement Administrator. If the Claimant does not timely and completely provide the requested information and/or documentation, the Settlement Administrator shall reduce or deny the Claim unless Defendants and Class Counsel otherwise agree.

83. Where a good faith basis exists, the Settlement Administrator may reduce or reject a Claim for, among other reasons, the following:

- a. Failure to fully complete and/or sign the Claim Form;
- b. Illegible Claim Form;

- c. The Claim Form is fraudulent;
- d. The Claim Form is duplicative of another Claim Form;
- e. The Claimant is not a Settlement Class Member;
- f. The Claimant submitted a timely and valid request to opt out of the Settlement Class.

- g. The person submitting the Claim Form requests that payment be made to a person or entity other than the Claimant for whom the Claim Form is submitted;

- h. Failure to submit a Claim Form by the Claim Form Deadline; and/or

- i. The Claim Form otherwise does not comply with the requirements of this Settlement.

84. The Settlement Administrator's reduction or denial of a Claim is final, subject to the following dispute resolution procedures:

- a. The Settlement Administrator shall have 30 days from the Claim Form Deadline to approve or reject Claims.

- b. A request for additional information by sending a Notice of Deficiency shall not be considered a denial for purposes of this paragraph.

- c. If a Claim is rejected, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel and Defendants' Counsel shall be provided with copies of all such notifications to Claimants.

- d. The Settlement Administrator's determination as to whether to approve, deny, or reduce a Claim shall be final and binding.

85. The Settlement Administrator shall provide all information gathered in investigating Claims, including, but not limited to, copies of all correspondence and email and all

notes of the Settlement Administrator, the decision reached, and all reasons supporting the decision, if requested by Class Counsel or Defendants' Counsel. Additionally, Class Counsel and Defendants' Counsel shall have the right to inspect the Claim Forms and supporting documentation received by the Settlement Administrator at any time upon reasonable notice.

86. No person or entity shall have any claim against Defendants, Defendants' Counsel, Plaintiffs, the Settlement Class, Class Counsel, and/or the Settlement Administrator based on any eligibility determinations, distributions, or awards made in accordance with this Settlement.

87. The Settlement Administrator shall distribute the Settlement Class Member Benefits no later than 45 days after the Effective Date.

88. No later than 60 days after the Effective Date, or as soon as all Claim deficiencies are resolved via the process set forth herein, whichever is later, the Settlement Administrator shall distribute the Cash Payment Settlement Class Member Benefits.

89. Cash Payments to Settlement Class Members will be made by electronic payment or by paper check based upon the payment selection made by each Settlement Class Members on their Claim Form. Paper checks must be negotiated within 120 days of issuance. In the event of any complications arising in connection with the issuance of an electronic payment, the Settlement Administrator shall provide written notice to Class Counsel and Defendants' Counsel. Absent specific instructions from Class Counsel and Defendants' Counsel, the Settlement Administrator shall proceed to resolve the dispute using its best practices and procedures to ensure that the funds are fairly and properly distributed to the person or persons who are entitled to receive them.

90. In the event the Settlement Administrator is unable to distribute funds to the person or persons entitled to receive them due to incorrect or incomplete information provided to the Settlement Administrator, the Settlement Class Member shall forfeit their entitlement right to the

funds but shall remain bound by the terms of this Agreement. All remaining funds shall be distributed to an appropriate mutually agreeable *cy pres* recipient, to be approved by the Court. The Parties agree to propose [Central Maine Community College Applied Science in Cybersecurity-Digital Forensics Program.]

X. Final Approval Order and Final Judgment

92. Plaintiffs shall file their Motion for Final Approval of the Settlement, inclusive of the Application for Attorneys' Fees, Costs, and Service Awards, no later than 60 days before the initial date set for the Final Approval Hearing. At the Final Approval Hearing, the Court will hear argument on Plaintiffs' Motion for Final Approval of the Settlement and Application for Attorneys' Fees, Costs and Service Awards. In the Court's discretion, the Court will also hear argument at the Final Approval Hearing from any Settlement Class Members (or their counsel) who object to the Settlement and/or to the Application for Attorneys' Fees, Costs, and Service Awards, provided the objectors submitted timely objections that meet all the requirements listed in this Agreement.

93. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order and final judgment thereon, and whether to grant the Application for Attorneys' Fees, Costs, and Service Awards. Such proposed Final Approval Order shall, among other things:

- a. Determine that the Settlement is fair, adequate and reasonable;
- b. Finally certify the Settlement Class for settlement purposes only;
- c. Determine that the Notice Program satisfies Due Process requirements;

f. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Agreement, including Defendants, Plaintiffs, all Settlement Class Members, and all objectors, to administer, supervise, construe, and enforce this Agreement in accordance with its terms.

XI. Service Awards, Attorneys' Fees, and Costs

93. **Service Awards.** Class Counsel, on behalf of the Class Representatives, may seek Service Awards of up to \$2,500.00 each, subject to Court approval. The Service Awards approved by the Court shall be paid by the Settlement Administrator to Class Counsel on behalf of the Class Representative out of the Escrow Account by wire transfer to an account designated by Class Counsel within 10 days of the Effective Date.

94. **Attorneys' Fees and Costs.** Class Counsel shall apply to the Court for an award of attorneys' fees of up to one-third of the Settlement Fund, plus reimbursement of reasonable costs. The attorneys' fees and costs approved by the Court shall be paid by the Settlement Administrator out of the Escrow Account by wire transfer to an account designated by Class Counsel within 5 days of Effective Date.

95. This Settlement is not contingent on approval of the request for attorneys' fees and costs or Service Awards, and if the Court denies the request or grants amounts less than what was

requested, the remaining provisions of the Agreement shall remain in force. The provisions for attorneys' fees and costs and the Service Awards were not negotiated until after all material terms of the Settlement.

96. The award of attorneys' fees and costs shall be paid to Class Counsel from the Settlement Fund.

XII. Releases

97. Upon the Effective Date, and in consideration of the settlement relief and other consideration described herein, the Releasing Parties shall be deemed to have, and by operation of the Final Approval Order shall have, fully, finally, and forever released, acquitted, relinquished, and completely discharged the Released Parties from any and all Released Claims, including but not limited to any state law or common law claims arising out of or relating to the Data Incident that the Releasing Parties may have or had, such as under California's Consumer Privacy Act, California Civil Code section 1798.100, *et seq.* and/or California's Unfair Competition Law, California Business and Professions Code section 17200 *et seq.* Each Party expressly waives all rights under California Civil Code section 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Releasing Parties also waive the provisions and rights of any law(s) that are comparable in effect to California Civil Code section 1542 (including, without limitation, Montana Code Ann. § 28- 1-1602; North Dakota Cent. Code § 9-13-02; and South Dakota Codified Laws § 20-7-11). The Releasing Parties agree that, once this Agreement is executed, they will not, directly or indirectly, individually or in concert with another, maintain, cause to be maintained, or voluntarily

assist in maintaining any further demand, action, claim, lawsuit, arbitration, or similar proceeding, in any capacity whatsoever, against any of the Released Parties based on any of the Released Claims.

98. Settlement Class Members who opt-out of the Settlement prior to the Opt-Out Deadline do not release their individual claims and will not obtain any benefits, including any Settlement Class Member Benefit, under the Settlement.

99. Upon the Effective Date: (a) this Settlement shall be the exclusive remedy for any and all Released Claims of Plaintiffs and Settlement Class Members; and (b) Plaintiffs and Settlement Class Members stipulate to be and shall be permanently barred and enjoined by Court order from initiating, asserting, or prosecuting any Released Claim against the Released Parties, whether on behalf of Plaintiffs, any Settlement Class Member or others, in any jurisdiction, including in any federal, state, or local court or tribunal.

XIII. Termination of Settlement

- a. Court approval of the Settlement consideration and releases set forth herein;
- b. The Court has entered the Preliminary Approval Order;
- c. The Court has entered the Final Approval Order, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and
- d. The Effective Date has occurred.

101. If any of the conditions specified in the preceding paragraph are not met, or if the Court otherwise imposes any modification to or condition to approval of the Settlement to which

the Parties do not consent, then this Agreement shall be cancelled and terminated.

102. In the event this Agreement is terminated or fails to become effective, then the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement, and the Parties shall jointly file a status report in the Court seeking to reopen the Action and all papers filed. In such event, the terms and provisions of this Agreement shall have no further force and effect with respect to the Parties and shall not be used in this Action or in any other action or proceeding for any other purpose, and any order entered by this Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*.

XIV. Effect of Termination

103. The grounds upon which this Agreement may be terminated are set forth in Section XIII. In the event of a termination, this Agreement shall be considered null and void; all of Plaintiffs', Class Counsel's, Defendants', and Defendants' Counsel's obligations under the Settlement shall cease to be of any force and effect; and the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement. In addition, in the event of such a termination, all the Parties' respective pre-Settlement rights, claims, and defenses will be retained and preserved.

104. In the event the Settlement is terminated in accordance with the provisions of this Agreement, any discussions, offers, or negotiations associated with this Settlement shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court.

Class Counsel investigated the facts and law relevant to the merits of the claims, conducted informal discovery, and conducted an independent investigation of the alleged claims. Class Counsel concluded that the proposed Settlement set forth in this Agreement is fair, adequate, reasonable, and in the best interests of the Settlement Class Members.

107. This Agreement constitutes a compromise and settlement of disputed claims.

108. Neither the Settlement, nor any act performed or document executed pursuant to or in furtherance of the Settlement (a) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by Plaintiffs or Settlement Class Members, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal.
