BASIC INFORMATION

1. Why is this Notice being provided?

A court authorized this Notice because you have the right to know about the Settlement of this class action lawsuit and about all of your rights and options before the Court decides whether to grant Final Approval to the Settlement. This Notice explains the lawsuit, the Settlement, your legal rights, what Settlement Class Member Benefits are available, who is eligible for the Settlement Class Member Benefits, and how to get them.

The Honorable Thomas McKeon of the Business and Consumer Court for Androscoggin County, Maine, is overseeing this class action. The lawsuit is known as *IN RE CENTRAL MAINE DATA SECURITY LITIGATION*, Docket No. ANDSC-CIV-2025-00083 (“lawsuit”). The individuals who filed this lawsuit are called the “Plaintiffs” and/or “Class Representatives”, and the companies sued, Central Maine Healthcare Corporation d/b/a Central Maine Healthcare and Central Maine Medical Center, are called the “Defendants.”

2. What is this lawsuit about?

Plaintiffs filed this lawsuit against the Defendants on behalf of themselves and all others similarly situated involving the potential unauthorized access to Settlement Class Members’ Private Information from approximately March to June of 2025. Private Information means information collected and/or maintained by Defendants, including names combined with any other type of private health information or non-public personally identifiable information.

Defendants deny the legal claims and deny any wrongdoing or liability. The Court has not made any determination regarding any wrongdoing by Defendants, or that any law has been violated. Instead, the Plaintiffs and Defendants have agreed to a settlement to avoid the risk, cost, and time of continuing the lawsuit.

3. Why is there a Settlement?

The Plaintiffs and Defendants do not agree about the legal claims made in this lawsuit. The lawsuit has not gone to trial, and the Court has not decided in favor of the Plaintiffs or Defendants. Instead, the Plaintiffs and Defendants have agreed to settle the lawsuit. The Class Representatives, Defendants, and their lawyers believe the Settlement is best for the Settlement Class because of the Settlement Class Member Benefits available and the risks and uncertainty associated with continuing the lawsuit.

4. Why is this lawsuit a class action?

In a class action, one or more people (called class representatives) sue on behalf of all people who have similar legal claims. Together, all these people are called a class or class members. One court resolves the issues for all class members, except for those class members who timely exclude themselves (opt out) from the class.

WHO IS INCLUDED IN THE SETTLEMENT?

5. How do I know if I am included in the Settlement?

You are included in the Settlement Class if you are an individual residing in the United States whose Private Information may have been impacted in the Data Incident and to whom Defendants sent an individual notification that you were affected by the Data Incident.

6. Are there exceptions to being included in the Settlement?

Yes. Excluding from the Settlement Class are (a) all persons who are directors and officers of Defendants; (b) governmental entities; and (c) the Judge assigned to the lawsuit, that Judge’s immediate family, and Court staff.

7. What if I am still not sure whether I am part of the Settlement?

If you are still not sure whether you are a Settlement Class Member, you may go to CMHDataSecuritySettlement.com or call toll-free 1-877-385-9773.

THE SETTLEMENT BENEFITS

8. What does this Settlement provide?

If you are a Settlement Class Member, you can submit a Claim Form for the following Settlement Class Member Benefits:

Cash Payment A – Documented Losses

You may submit a Claim Form with reasonable documentation for losses traceable to the Data Incident for up to \$5,000 per Settlement Class Member.

You will not be reimbursed for expenses if you have been reimbursed for the same expenses by another source.

If you do not submit reasonable documentation supporting a loss, or if your Claim Form is invalid as determined by the Settlement Administrator, and you do not cure your Claim Form, your Claim Form will be processed as if you elected Cash Payment B – Alternate Cash.

Cash Payment B – Alternate Cash

Instead of selecting Cash Payment A, without documentation, you may submit a Claim Form to receive a pro rata (a legal term meaning equal share) Cash Payment in the estimated amount of \$50.

Medical Records Monitoring

In addition to Cash Payment A (Documented Losses) *or* Cash Payment B (Alternate Cash), you may also submit a Claim Form to receive one year of free Medical Records Monitoring.

Your Cash Payment will be subject to a pro rata increase if the amount of Valid Claims does not use the entire Net Settlement Fund. Alternatively, if the amount of Valid Claims exceeds the amount of the Net Settlement Fund, your Cash Payment may be subject to a pro rata reduction.

Your Cash Payment may be subject to pro rata (a legal term meaning equal share) increase if the amount of Valid Claims does not use the entire Settlement Fund, calculated after payment for Medical Records Monitoring has been subtracted. Alternatively, if the amount of Valid Claims exceeds the amount of the Net Settlement Fund, calculated after payment for Medical Records Monitoring has been subtracted, your Cash Payment may be subject to a pro rata reduction.

For purposes of calculating the pro rata increase or decrease, the Settlement Administrator must distribute the funds in the Net Settlement Fund first for payment of Medical Records Monitoring and then for Cash Payments. Any pro rata increases or decreases to Cash Payments will be on an equal percentage basis.

Injunctive Relief

Defendants are implementing additional security measures following the Data Incident.

9. What am I giving up receiving Settlement Class Member Benefits or stay in the Settlement?

Unless you exclude yourself (opt out), you will remain in the Settlement Class. If the Settlement is approved and becomes final, all Court orders and any judgments will apply to you and legally bind you. You will not be able to sue, continue to sue, or be part of any other lawsuit against the Released Parties about the Released Claims in this lawsuit. The specific rights you are giving up are called “Released Claims.”

10. What are the Released Claims?

Section XII of the Settlement Agreement describes the Releases, Released Claims, and Released Parties, in necessary legal terminology, so please read this section carefully. The Settlement Agreement is available at **CMHDataSecuritySettlement.com**. For questions regarding the Releases, Released Claims, or Released Parties and what the language in the Settlement Agreement means, you can also contact Class Counsel listed below for free, or you can talk to your own lawyer at your own expense.

This is called excluding yourself from—or “opting out” of—the Settlement.

To exclude yourself from the Settlement, you must mail a written request for exclusion, which includes the following:

- 1) Your name, address, telephone number, and email address (if any)
- 2) Your personal physical signature
- 3) A statement that you want to be excluded from the Settlement Class, such as “I hereby request to be excluded from the Settlement Class in the *IN RE CENTRAL MAINE DATA SECURITY LITIGATION*.”

“Mass” or “class” requests for exclusion filed by third parties on behalf of a “mass” or “class” of Settlement Class Members or multiple Settlement Class Members where the opt out has not been signed by every individual Settlement Class Member will not be allowed.

Please note per the United States Postal Service, mail may *not* be postmarked the day it is deposited in a mailbox or at a local post office. Postmarks occur when mail reaches a processing facility. To meet a postmark deadline, **mail at least a week prior to a postmark deadline**, get a manual postmark in-person at any post office, or send via Certified Mail.

15. If I opt out, can I still get anything from the Settlement?

No. If you opt out, you will not be able to receive Settlement Class Member Benefits, and you will not be bound by the Settlement or any judgments in this lawsuit. You can only get Settlement Class Member Benefits if you stay in the Settlement and submit a timely and valid Claim Form.

16. If I do not opt out, can I sue the Defendants for the same thing later?

No. Unless you opt out, you give up any right to sue the Defendants and Released Parties for the legal claims this Settlement resolves and Releases, and you will be bound by all the terms of the Settlement, proceedings, orders, and judgments in the lawsuit. You must opt out of this lawsuit to start or continue your own lawsuit or be part of any other lawsuit against the Defendants and Released Parties about the Released Claims in this Settlement. If you have a pending lawsuit, speak to your lawyer in that lawsuit immediately.
