JURISDICTION AND VENUE

1. This is an action arising under the Copyright Act, 17 U.S.C. § 501.
2. This Court has subject matter jurisdiction over these claims pursuant to 28 U.S.C. §§ 1331, 1338(a), and 1367.
3. Defendants are subject to specific personal jurisdiction in Florida under Florida's long-arm statute, Fla. Stat. § 48.193 because defendants personally or through an agent committed tortious acts within Florida and the defendants' contacts with Florida are sufficient to satisfy the Due Process Clause so that maintenance of this suit against the defendants does not offend traditional notions of fair play and substantial justice. Alternatively, defendants are subject to general jurisdiction in Florida because defendants are engaged in substantial and not isolated activity within Florida, whether such activity is wholly interstate, intrastate, or otherwise, and the claims herein arise from that activity, or defendants maintain continuous and systematic contacts with Florida irrespective of the claim asserted herein.
4. Venue is proper in this district under 28 U.S.C. § 1391(b) and (c) and 1400(a) because the events giving rise to the claims occurred in this district, Defendants engaged in infringement in this district, Defendants reside in this district, and Defendants are subject to personal jurisdiction in this district.

THE PLAINTIFF

5. Plaintiff COMPULIFE SOFTWARE, INC. ("Compulife") brings this action for violations of Compulife's exclusive rights under the Copyright Act, 17 U.S.C. § 106, to copy, display, make available, use, distribute and make derivative works of Compulife's original copyrighted software and for a declaratory judgment that defendants infringe.

6. Compulife is a Delaware corporation with its principal place of business in Harrodsburg, Kentucky.

7. Compulife has over 25 years of experience in the term life insurance software market. Compulife is the creator of the Compulife Quotation System, a life insurance comparison software program. Compulife is not in the business of selling life insurance. Compulife does not compete with insurance agents to sell life insurance. As a result, Compulife is able to provide its customers the most objective and unbiased term life insurance rate comparison software available in the marketplace.

8. Compulife licenses its software in several different ways. Compulife licenses a version of its software that operates on a personal computer that can be used to provide quotes to an individual agent. Compulife also licenses a version of its software that runs on a server that can provide quotes to multiple agents affiliated in the same group or company. Compulife also operates a service on the internet at www.term4sale.com that allows visitors to obtain quotes for insurance and receive referrals to agents who pay Compulife for this service.

9. Compulife licenses its software in several different ways. Compulife licenses a version of its software that operates on a personal computer that can be used to provide quotes to an individual agent. Compulife also licenses a version of its software called the Compulife Internet Engine that runs on a server that can provide quotes to multiple visitors to the Compulife customer's website, typically consumers if the customer retails life insurance to the public, or multiple agents if the customer is acting as a distributor of life insurance products. Compulife also operates a service on the internet at www.term4sale.com that allows visitors to obtain quotes for insurance and receive referrals to agents who pay Compulife for this service in a fashion similar to Yellow Pages listings.

10. Compulife's software includes a database concerning the term life insurance market including information such as term life products, term life rates, and associated data. Compulife database was organized by Compulife in an original and unique fashion. The data included in the Compulife database was carefully selected and chosen. Compulife coordinated, classified, categorized, ordered and grouped the data in the Compulife database in new and creative ways, arranged the data within the database as a whole in original and unique ways, and created certain of the data that appears within the database in original and unique ways.

11. Compulife's software is protected by copyright and is the property of Compulife.

12. Compulife's software is a highly valuable asset of Compulife.

13. Compulife has registered Compulife's software with the Copyright Office and has obtained the following registrations:

Reg. Number	Reg. Date	Title	Year Completed
TX 8-106-360	05/29/15	2001 HTML Source Code	2001
TX 8-106-364	05/29/15	2010 HTML Source Code	2010
Txu 1-962-793	05/29/15	Main Source Code 2001	2001
Txu 1-962-792	05/29/15	Main Source Code 2010	2010

Compulife's software and database that are the subject of the registrations listed above will be referred to herein as the "Compulife Software."

14. The Compulife Software is licensed to users pursuant to a license agreement. At all relevant times, the license agreement that accompanied the Compulife Software provided, among other things, that:

- a) the Compulife Software constitutes Compulife's valuable trade secrets and contains confidential and trade secret material;
- b) the user will not duplicate the Compulife Software except for back-up purposes;
- c) the user will not reverse compile or reverse engineer the Compulife Software;
- d) that the user will not provide internet web quoting service to sub-users without Compulife's permission;
- e) that the Compulife Software displays life insurance quotations on the internet through a proprietary system of template files originally created by Compulife, and that the user will not permit sub-users to re-format a quotation on another computer;
- f) that the Compulife Software includes names of variables and lists of variables which are proprietary to Compulife and subject to Compulife's copyright; and
- g) that the user's license for Compulife Software is not transferable without the written consent of Compulife.

15. Compulife has invested substantial time, effort, and financial resources creating the Compulife Software and promoting the Compulife Software in interstate commerce to life insurance agents and brokers.

16. The industry recognizes that Compulife provides high quality, accurate and comprehensive term life insurance rate comparison software, and insurance agents and brokers associate the Compulife Software with Compulife.

**NATIONAL ASSOCIATION OF ACCREDITED INSURANCE PROFESSIONALS
(NAAIP)**

17. The "National Association of Accredited Insurance Professionals" or "NAAIP" is a website on the internet located at the domain name www.naaip.org. NAAIP is not a real entity.

It is not incorporated anywhere. NAAIP is not a charity, not-for-profit, or trade association. The NAAIP does not issue credentials or accreditation.

18. According to www.naaip.org, the business of NAAIP is creating “free” websites for life insurance agents. The key benefit offered by a “free” NAAIP website is access to NAAIP’s “Life Insurance Quote Engine.” The “Life Insurance Quote Engine” allows internet visitors to a free NAAIP website to enter certain basic information about their age, insurance rating and type of policy, as well as name telephone number and email address and receive a list of quotes for term life insurance policies.

19. The “Life Insurance Quote Engine” is a marketing and advertising tool to generate leads from NAAIP agent websites for sales of term life insurance policies. The visitor who obtains free quotes then becomes a lead for the NAAIP agent. If a visitor to an NAAIP website purchases an insurance policy through the life insurance agent whose free NAAIP website was used to generate the insurance quotes, then NAAIP frequently arranges for the placement of the insurance policy and Binyomin receives a split of the commission on the sale of that insurance policy with the NAAIP agent. NAAIP acts as the producer of life insurance policies and those policies are placed under Binyomin’s insurance licenses through the insurance companies for which Binyomin has been appointed as an agent.

20. NAAIP was founded in 2010 by David Rutstein a/k/a David Gordon a/k/a Bob Gordon a/k/a Nate Golden a/k/a Aaron Levy (“David”). David currently resides in Jerusalem, Israel and has resided in Israel since 2004. At one time David had insurance licenses in 40 different states. Beginning in 2010 insurance regulators began to terminate and/or stop renewing David’s insurance licenses because he was found to be selling and assisting in the distribution of fraudulent health insurance policies to consumers. On April 19, 2012, in the *Matter of David*

Brian Rutstein, Case No. 115256-11-AG, a Consent Order was entered revoking the license to sell insurance previously issued to David, and David was immediately and permanently removed and permanently barred from any and all direct or indirect participation in and/or affiliation with, any entity which is licensed or regulated under the Florida Insurance Code, and any individual or entity which is otherwise involved in the business or transaction of insurance.

21. Binyomin Rutstein a/k/a Ben Rutstein (“Binyomin”), the son of David Rutstein, is a legal resident of Jerusalem, Israel where he has lived for the past 7 years. Binyomin is licensed by the Florida Department of Financial Services as a Florida resident insurance agent, Lic. No. W027873, to sell life insurance including annuities and variable health insurance in the state of Florida. Binyomin is currently appointed as an agent by approximately 19 different insurance companies. Binyomin’s resident agent address and place of business is 11618 Briarwood Circle, #1, Boynton Beach, Florida, however Binyomin does not live or work at that address, and that address is actually the home of Binyomin’s grandmother Arleen Rutstein.

22. NAAIP is operated and owned by David Rutstein.

23. David created all the NAAIP member websites for the defendants.

24. David copied Compulife’s copyrighted HTML source code from Compulife’s www.term4sale.com website and reproduced Compulife’s source code for all NAAIP members to generate life insurance quotations on their NAAIP member websites using the NAAIP “Life Insurance Quote Engine.”

25. David copied Compulife’s compilation of information contained within the Compulife Software concerning the term life insurance market, term life products, and term life rates, and reproduced Compulife’s compilation for all NAAIP members to generate life

insurance quotations on their NAAIP member websites using the NAAIP “Life Insurance Quote Engine.”

26. The “Life Insurance Quote Engine” on all NAAIP websites is an unauthorized copy of the Compulife Software that infringes on Compulife’s copyrights in the Compulife Software.

27. The “Life Insurance Quote Engine” on all NAAIP websites contains Compulife’s compilation of information concerning the term life insurance market, term life products, and term life rates.

28. David never had permission or authority to copy, use, display, make available, distribute or make derivative works of the Compulife Software.

29. David never had permission or authority to obtain, attempt to obtain, acquire, appropriate, or misappropriate the compilation of information contained within the Compulife Software concerning the term life insurance market, term life products, and term life rates.

30. Compulife has demanded on numerous occasions that David cease and desist from their infringing activities but David has consistently refused or ignored Compulife’s requests.

31. On May 23, 2016, Compulife filed an action in this judicial district entitled *Compulife Software, Inc. v. Binyomin Rutstein a/k/a Ben Rutstein, and John Does 1 to 10*, Case No. 1:16-cv-21847, currently pending before Honorable Robin Rosenbaum. On May 26, 2016, Compulife filed an Amended Complaint adding David Rutstein as a defendant under his real name and several of David’s known aliases David Gordon, Bob Gordon, and Nate Golden. That action is currently pending.

DEFENDANT CLASS

42. The Defendant Class is defined as all members of the National Association of Accredited Insurance Professionals who reproduced, displayed, and distributed the Compulife Software and Compulife's compilation of information concerning the term life insurance market, term life products, and term life rates in violation of Compulife's registered copyrights on their NAAIP websites created for them by NAAIP for purposes of advertising and marketing insurance policies and services.

43. The Defendant Class includes the individuals listed on Schedule A who were previously notified of their infringement by Compulife.

44. The Defendant Class includes other individuals to be identified in discovery.

45. The Defendant Class does not include individuals who settled with Compulife prior to the filing of this action who are listed on Schedule B.

46. The Defendant Class does not include individuals whose NAAIP websites never reproduced, displayed, or distributed the Compulife Software and Compulife's compilation of information concerning the term life insurance market, term life products, and term life rates.

47. The Defendant Class is so numerous that joinder of all members is impracticable. Schedule A lists over four hundred (400) members of the Defendant Class. As of the filing of this complaint the www.naaip.com website discloses that NAAIP has created over 6,770 websites for NAAIP members.

48. Defendants Brown, Bryant, Donohoo, Drummond, Goldman, Klozow, Leznevich, O'Shea, Vasquez and Vazquez-Fernandez are sued individually and as representatives of the Defendant Class that reproduced, displayed, and distributed the Compulife Software and Compulife's compilation of information concerning the term life insurance market, term life products, and term life rates in violation of Compulife's registered copyrights on their NAAIP websites created for them by NAAIP for purposes of advertising and marketing insurance policies and services.

49. The following questions of law and fact are common to the Defendant Class:

- a. Whether Compulife owns valid copyrights to the works alleged herein;
- b. Whether the members of the Defendant Class infringed Compulife's copyrights when they reproduced, displayed, and distributed the Compulife Software and Compulife's compilation of information concerning the term life insurance market, term life products, and term life rates in violation of

Compulife's registered copyrights on their NAAIP websites created for them by NAAIP;

- c. Compulife's actual damages from the infringement by members of the Defendant Class;
- d. Compulife's statutory damages from the infringement by members of the Defendant Class;
- e. Whether the members of the Defendant Class profited from their infringement of Compulife's copyrights;
- f. What categories of deductible expenses under 17 U.S.C. §504(b) are allowed to the Defendant Class in establishing the profits of the Defendant Class from the infringement of Compulife's copyrights.

50. The claims and defenses of representative defendants Brown, Bryant, Donohoo, Drummond, Goldman, Klozow, Lezneovich, O'Shea, Vasquez and Vazquez-Fernandez are typical of the claims and defenses of the Defendant Class.

51. Representative Defendants Brown, Bryant, Donohoo, Drummond, Goldman, Klozow, Lezneovich, O'Shea, Vasquez and Vazquez-Fernandez are all NAAIP members who reproduced, displayed, and distributed the Compulife Software and Compulife's compilation of information concerning the term life insurance market, term life products, and term life rates in violation of Compulife's registered copyrights on their NAAIP websites created for them by NAAIP for purposes of advertising and marketing insurance policies and services.

52. Representative Defendants Brown, Bryant, Donohoo, Drummond, Goldman, Klozow, Lezneovich, O'Shea, Vasquez and Vazquez-Fernandez are all NAAIP members who

owned, operated, controlled, maintained, or benefited from an NAAIP website that incorporated NAAIP's infringing "Life Insurance Quote Engine."

53. Representative Defendants Brown, Bryant, Donohoo, Drummond, Goldman, Klozow, Leznevich, O'Shea, Vasquez and Vazquez-Fernandez will fairly and adequately protect the interests of the Defendant Class.

54. On information and belief, Representative Defendants Brown, Bryant, Donohoo, Drummond, Goldman, Klozow, Leznevich, O'Shea, Vasquez and Vazquez-Fernandez have no disabling conflicts with the other members of the Defendant Class.

55. On information and belief, Representative Defendants Brown, Bryant, Donohoo, Drummond, Goldman, Klozow, Leznevich, O'Shea, Vasquez and Vazquez-Fernandez will be defended by attorneys who are experienced with respect to the claims and defenses at issue.

56. Certification is proper pursuant to Fed. R. Civ. Proc. 23(b)(1)(A) with respect to liability on Compulife's claims for copyright infringement and declaratory relief because inconsistent or varying adjudications with respect to individual class members would establish incompatible standards of conduct for parties opposing the class.

57. Certification is proper pursuant to Fed. R. Civ. Proc. 23(b)(1)(A) with respect to liability on Compulife's claims for copyright infringement and declaratory relief because prosecuting separate actions by or against individual Defendant Class members would create a risk of adjudications with respect to individual Defendant Class members that, as a practical matter, would be dispositive of the interests of the other Defendant Class members not parties to the individual adjudications or would substantially impair or impede their ability to protect their interests.

58. Certification is proper pursuant to Fed. R. Civ. Proc. 23(b)(2) with respect to liability on Compulife's claim for declaratory relief and the entry of permanent injunctive relief because the Defendant Class has acted or refused to act on grounds that apply generally to the class, so that final injunctive relief or corresponding declaratory relief is appropriate.

59. Certification is proper pursuant to Fed. R. Civ. Proc. 23(b)(2) with respect to Compulife's damages for Compulife's claim of copyright infringement because questions of law and fact common to the Defendant Class predominate over any questions affecting only individual members, and a class action is superior to other available methods for fairly and efficiently adjudicating the controversy.

60. The Defendant Class members' interests in individually controlling the defense of separate actions is outweighed by the efficiencies afforded by adjudication of Compulife's claims by class action and any member of the Defendant Class who disagrees may choose to opt out. Discovery in *Compulife Software, Inc. v. Binyomin Rutstein a/k/a Ben Rutstein, and John Does 1 to 10*, Case No. 1:16-cv-21847 currently pending before Honorable Robin Rosenbaum has revealed that the controversy over the infringement of Compulife's copyrights by NAAIP and its members will not be resolved in its entirety in that litigation. It is desirable to concentrate the litigation of Compulife's claims against the Defendant Class in this forum because this forum is already familiar with them due to the pending litigation against the Rutsteins. The difficulties in managing a class action such as this against the Defendant Class are few as compared to prosecuting separate actions against individual Defendant Class members which would create a risk of adjudications with respect to individual Defendant Class members that, as a practical matter, would be dispositive of the interests of the other Defendant Class members not parties to

the individual adjudications or could substantially impair or impede their ability to protect their interests.

61. A defendant class action is superior to other available methods for fairly and efficiently adjudicating this controversy. The parties and the court would be unduly and unnecessarily burdened if forced to litigate thousands of separate copyright infringement actions. Copyright infringement has no intent or knowledge requirement and therefore questions of law or fact common to the Defendant Class will predominate over any individual questions, if any.

62. No notice to the Defendant Class is necessary to bind the Defendant Class as to issues of liability for Compulife's claims for copyright infringement and declaratory relief.

63. Opt-out notice to the Defendant Class is required with respect to any individual issues concerning damages or any unique defenses.

64. Plaintiff has engaged the undersigned attorneys and has agreed to pay them a reasonable fee.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44**Authority For Civil Cover Sheet**

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I. (a) Plaintiffs-Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.C.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.

United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.

Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; federal question actions take precedence over diversity cases.)

III. Residence (citizenship) of Principal Parties. This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. Nature of Suit. Place an "X" in the appropriate box. If the nature of suit cannot be determined, be sure the cause of action, in Section VI below, is sufficient to enable the deputy clerk or the statistical clerks in the Administrative Office to determine the nature of suit. If the cause fits more than one nature of suit, select the most definitive.

V. Origin. Place an "X" in one of the seven boxes.

Original Proceedings. (1) Cases which originate in the United States district courts.

Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.

Refiled (3) Attach copy of Order for Dismissal of Previous case. Also complete VI.

Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.

Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

Multidistrict Litigation. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407. When this box is checked, do not check (5) above.

Appeal to District Judge from Magistrate Judgment. (7) Check this box for an appeal from a magistrate judge's decision.

Remanded from Appellate Court. (8) Check this box if remanded from Appellate Court.

VI. Related/Refiled Cases. This section of the JS 44 is used to reference related pending cases or re-filed cases. Insert the docket numbers and the corresponding judges name for such cases.

VII. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.**

Example: U.S. Civil Statute: 47 USC 553

Brief Description: Unauthorized reception of cable service

VIII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.

Demand. In this space enter the dollar amount (in thousands of dollars) being demanded or indicate other demand such as a preliminary injunction.

Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

Date and Attorney Signature. Date and sign the civil cover sheet.
