

IN THE SUPERIOR COURT FOR MARICOPA COUNTY, ARIZONA

PENNIE ROLLER, *individually and on behalf of all others similarly situated,*

Plaintiff,

v.

CONSTAR FINANCIAL SERVICES, LLC and EMPEREON MARKETING LLC,

Defendants.

Case No. CV2025-024604

SETTLEMENT AGREEMENT

This Settlement Agreement (“Agreement”) is entered into between Plaintiff,¹ individually and on behalf of the Settlement Class, on the one hand, and Constar Financial Services, LLC (“Constar”) and Empereon Marketing LLC (“Empereon”) (Constar and Empereon, collectively, “Defendants”) on the other, (Plaintiff and Defendants, together the “Parties”). The Parties hereby agree to the following terms in full settlement of the Action, subject to a Final Approval Order entered by the Court.

I. Background

1. Defendant Constar Financial Services, LLC is a financial services company.
2. Defendant Empereon Marketing LLC is an affiliated company with Constar, and previously employed Plaintiff Roller.
3. On or about September 27, 2024, Defendants became aware of unauthorized activity on their information systems (the “Data Incident”) with respect to certain files containing personally identifiable information, including names, Social Security numbers, mailing and email

¹ All capitalized terms herein shall have the same meanings as those defined in Section II herein.

addresses, telephone numbers, employment information, and information regarding income, expenses, and assets (“PII”).

4. Following the Data Incident, Plaintiff Roller filed a putative class action against Constar, Case Number 2:24-cv-02740-DJH (District of Arizona).

5. Plaintiff later voluntarily dismissed her federal action without prejudice and filed a complaint in the Superior Court for Maricopa County, Arizona, against both Constar and Empereon.

6. Given the risk, expense, and delay of continued litigation, the Parties agreed to formal mediation before Bruce Friedman, of JAMS, a mediator with deep experience resolving data incident class actions such as this one.

7. On June 23, 2025, the Parties engaged in mediation. Although the Parties were initially unable to resolve the matter, Mr. Friedman offered a mediator’s proposal, which the Parties accepted.

8. Prior to mediation, Plaintiff obtained informal discovery from Defendants related to, among other things, the nature and cause of the Data Incident, the class size, and the specific type of information potentially accessed.

9. The Parties now agree to fully, finally, and forever solve, discharge, and settle the Action entirely, without any admission by Defendants of liability or wrongdoing, with respect to all Released Claims of the Releasing Parties. Defendants have entered into this Agreement to resolve all controversies and disputes arising out of or relating to the allegations made in the Complaint and the Data Incident as it relates to Defendants and the Released Parties, and to avoid the litigation costs and expenses, distractions, burden, expense, and disruption to its business operations associated with further litigation. Defendants do not in any way acknowledge, admit to,

or concede any of the allegations made in the Complaint, and expressly disclaim and deny any fault or liability, or any charges of wrongdoing that have been or could have been asserted in the Complaint. Nothing contained in this Agreement shall be used or construed as an admission of liability, and this Agreement shall not be offered or received in evidence in any action or proceeding in any court or other forum as an admission or concession of liability or wrongdoing of any nature or for any other purpose other than to enforce the terms of this Agreement. Plaintiff enters into this Agreement to recover on the claims asserted in the Complaint, and to avoid the risk, delay, and uncertainty of continued litigation. Plaintiff does not in any way concede that the claims alleged in the Complaint lack merit or are subject to any defenses. The Parties intend this Agreement to bind Plaintiffs, Defendant, and all Settlement Class Members.

10. Plaintiff, Plaintiff's counsel, Defendants, and Defendants' counsel all believe strongly in the merits of their respective positions but have nonetheless agreed to settle this matter because of the complexity, expense, and risk of continued litigation and because they believe the proposed Settlement is in their best interests and the best interests of their respective clients.

NOW, THEREFORE, in light of the foregoing, for good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree, subject to approval by the Court, as follows.

The Settlement Administrator may, in its discretion, deny in whole or in part any Claim Form to prevent actual or possible fraud or abuse.

85. By agreement, the Parties can instruct the Settlement Administrator to take whatever steps it deems appropriate if the Settlement Administrator identifies actual or possible fraud or abuse relating to the submission of claims, including, but not limited to, denying in whole or in part any Claim to prevent actual or possible fraud or abuse. If any fraud is detected or reasonably suspected, the Settlement Administrator and Parties may require information from the

Claimant or deny the Claim, subject to the supervision of the Parties and ultimate oversight by the Court.

86. Claim Forms that do not meet the terms and conditions of this Settlement shall be promptly rejected by the Settlement Administrator and the Settlement Administrator shall advise the Participating Settlement Class Member of the reason(s) why the Claim Form was rejected. However, if the Claim Form is rejected for containing incomplete or inaccurate information, and/or omitting required information, the Settlement Administrator may send a Notice of Deficiency explaining what information is missing or inaccurate and needed to validate the Claim and have it submitted for consideration. The Settlement Administrator shall notify the Participating Settlement Class Member using the contact information provided in the Claim Form. The additional information and/or documentation can include, for example, answers to questions regarding the validity of the Claimant's physical or e-signature. A Participating Settlement Class Member shall have until the Claim Form Deadline, or fifteen (15) days from the date the Notice of Deficiency is sent via mail and postmarked or sent via email, whichever is later, to reply to the Notice of Deficiency and provide the required information. If the Participating Settlement Class Member timely and adequately provides the requested information and/or documentation, the Claim shall be deemed a Valid Claim and processed by the Settlement Administrator. If the Participating Settlement Class Member does not timely and completely provide the requested information and/or documentation, the Settlement Administrator shall reduce or deny the Claim unless Defendants' Counsel and Class Counsel otherwise agree.

87. When a good faith basis exists, the Settlement Administrator may reduce or reject a Claim for the following reasons, among others:

- a. Failure to fully complete and/or sign the Claim Form;

- b. Illegible Claim Form;
- c. The Claim Form is fraudulent;
- d. The Claim Form is duplicative of another Claim Form;
- e. The Claimant is not a Participating Settlement Class Member;
- f. The Claimant submitted a timely and valid request to opt-out of the Settlement Class;
- g. The person submitting the Claim Form requests that payment be made to a person or entity other than the Claimant for whom the Claim Form is submitted;
- h. Failure to submit a Claim Form by the Claim Form Deadline; and/or
- i. The Claim Form otherwise does not comply with the requirements of this Settlement.

88. The Settlement Administrator's reduction or denial of a Claim is final, subject to the following dispute resolution procedures:

- a. The Settlement Administrator shall have thirty (30) days from the Claim Form Deadline to approve or reject Claims based on findings of fraud or duplication.
- b. A request for additional information by sending a Notice of Deficiency shall not be considered a denial for purposes of this paragraph.
- c. If a Claim is rejected for fraud or duplication, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel and Defendants' Counsel shall be provided with copies of all such notifications to Claimants.
- d. The Settlement Administrator's determination as to whether to approve, deny, or reduce a Claim shall be final and binding.

89. The Settlement Administrator shall provide all information gathered in investigating Claims, including but not limited to copies of all correspondence and all notes of the Settlement Administrator, the decision reached, and all reasons supporting the decision, if requested by Class Counsel or Defendants' Counsel. Additionally, Class Counsel and Defendants' Counsel shall have the right to inspect the Claim Forms and supporting documentation received by the Settlement Administrator at any time upon reasonable notice.

90. No person or entity shall have any claim against Defendant, Defendants' Counsel, Plaintiffs, the Settlement Class, Class Counsel, and/or the Settlement Administrator based on any eligibility determinations, distributions, or awards made in accordance with this Settlement.

91. The Settlement Administrator must submit an invoice to Defendants for payment of all Valid Claims within fifteen (15) days of the Claim Form Deadline or as soon as all Claim deficiencies are resolved via the Dispute Resolution process set forth herein, whichever occurs later. Defendants shall pay or cause to be paid to the Settlement Administrator the invoiced amount of all Valid Claims within fifteen (15) days of the invoice.

92. No later than thirty (30) days after the Effective Date, the Settlement Administrator shall distribute the Participating Settlement Class Member Benefits.

93. Cash Payments to Settlement Class Members will be made by electronic payment or by paper check. The Claim Form shall give Participating Settlement Class Members the option to select electronic payment. In the event a Participating Settlement Class Member does not make an election or there is a problem with issuance of an electronic payment, a paper check will be sent to the Settlement Class Member's last known address. Participating Settlement Class Members shall have ninety (90) days to select their form of payment following such email from the Settlement Administrator. Paper checks must be negotiated within ninety (90) days of issuance. In

the event the Settlement Administrator is unable to distribute funds to the person or persons entitled to receive them due to incorrect or incomplete information provided to the Settlement Administrator, the funds shall revert to Defendant, and the Participating Settlement Class Member shall forfeit their right to the funds.

94. Settlement Class Members who make claims for Credit Monitoring shall include an email address in their claim. The Settlement Administrator will send an email to Participating Settlement Class Members with Valid Claims that include an election for Credit Monitoring with information on how to enroll in the Credit Monitoring, including the Credit Monitoring redemption code. Participating Settlement Class Members shall have ninety (90) days to activate the credit monitoring services following such email from the Settlement Administrator. In the event the Settlement Administrator is unable to distribute the codes for credit monitoring services to the person or persons entitled to receive them due to incorrect or incomplete information provided to the Settlement Administrator, the Settlement Administrator shall contact the Class Member to attempt to cure the Class Member. If the Class Member fails to respond to such deficiency communication within fourteen (14) days, the funds paid for such credit monitoring services shall revert to Defendant, and the Participating Settlement Class Member shall forfeit their right to the funds.

IX. Final Approval Order and Final Judgment

95. Plaintiff shall file their Motion for Final Approval of the Settlement, inclusive of the Application for Attorneys' Fees, Costs, and Service Awards, no later than fourteen (14) days before the Opt-Out and Objection Deadline. At the Final Approval Hearing, the Court may hear argument on Plaintiff's Application for Final Approval and Application for Attorneys' Fees, Costs, and Service Awards. In the Court's discretion, the Court will also hear argument at the Final

Approval Hearing from any Participating Settlement Class Member (or their counsel) who objects to the Settlement and/or to the Application for Attorneys' Fees, Costs, and Service Awards, provided the objectors submitted timely objections that meet all the requirements listed in this Agreement.

96. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order and final judgment thereon, and whether to grant Plaintiff's Application for Attorneys' Fees, Costs, and Service Awards. Such proposed Final Approval Order shall effectuate the following, among other things:

- a. Determine that the Settlement is fair, adequate and reasonable;
- b. Finally certify the Settlement Class for settlement purposes only;
- c. Determine that the Notice Program satisfies Due Process requirements;
- d. Affirm its appointment of Class Representative and Class Counsel;
- e. Determine whether to grant Plaintiff's Application for Attorneys' Fees and Service Awards;
- f. Bar and enjoin all Releasing Parties from asserting or otherwise pursuing any of the Released Claims at any time and in any jurisdiction, including during any appeal from the Final Approval Order; and retain jurisdiction over the enforcement of the Court's injunctions;
- g. Release Defendants and the Released Parties from the Released Claims; and
- h. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Agreement, including Defendant, Plaintiffs, all Settlement Class Members, and all objectors, to administer, supervise, construe, and enforce this Agreement in accordance with its terms.

X. Attorneys' Fees and Costs; Service Awards

97. *Service Awards* – In recognition of the time and effort Class Representative expended in pursuing this Action and in fulfilling her obligations and responsibilities to the Class, and of the relief conferred on all Settlement Class Members by the Settlement, Class Counsel shall request a Service Award to the Class Representative in the amount not to exceed \$3,000.00. Defendants will not oppose Plaintiff's request for Service Awards to the extent it does not exceed this amount. Defendants moreover will not object to Plaintiff's appointment as Class Representative. Class counsel shall provide W-9 forms on behalf of the Class Representative to the Administrator prior to the issuance of the Service Award unless Class Counsel handles distribution of the Service Award to the Class Representative directly and maintains Class Representative's W9 in Class Counsel's files.

98. The Parties did not discuss Plaintiff's request for her Service Award until after the substantive terms of the Settlement had been agreed upon.

99. Within ten (10) days of the Effective Date and receipt of a W-9 by Defendants' Counsel, Defendants shall pay or cause to be paid the Court-approved amount of the Service Award to the IOLTA account of Class Counsel.

100. *Attorneys' Fees and Costs* – Plaintiff will move the Court for an order awarding reasonable attorneys' fees and litigation costs, up to a total of \$200,000.00. Defendants will not oppose Plaintiff's Application for Attorneys' Fees and Costs to the extent it does not exceed that amount.

101. Within ten (10) days of the Effective Date and receipt of a W-9 by Defendants' Counsel, Defendants shall pay or cause to be paid the Court-approved amount of attorneys' fees and costs to Class Counsel.

102. The Parties did not discuss the payment of attorneys' fees, costs, and/or expenses until after the substantive terms of the Settlement had been agreed upon.

103. This Settlement is not contingent on approval of the Application for Attorneys' Fees, Costs, and Service Awards, and if the Court denies the request or grants amounts less than what was requested, the remaining provisions of the Agreement shall remain in force. No order of the Court or modification or reversal or appeal of any order of the Court concerning the amounts of the attorneys' fees and costs and/or Service Awards shall constitute grounds for cancellation or termination of the Settlement.

XI. Releases

104. Upon the Effective Date, and in consideration of the Settlement relief and other consideration described herein, the Releasing Parties shall be deemed to have, and by operation of the Final Approval Order shall have, fully, finally, and forever released, acquitted, relinquished, and completely discharged the Released Parties from any and all Released Claims, including but not limited to any federal or state statutory or common law claims arising out of or relating to the Data Incident that the Releasing Parties may have or had.

105. The Release Claims include the release of Unknown Claims. It is further agreed that this Agreement and the Final Approval Order may be pleaded as a complete defense to any proceeding subject to this Paragraph.

106. The Releasing Parties agree that, once this Agreement is executed, they will not, directly or indirectly, individually or in concert with another, maintain, cause to be maintained, or voluntarily assist in maintaining any further demand, action, claim, lawsuit, arbitration, or similar proceeding, in any capacity whatsoever, against any of the Released Parties based on any of the Released Claims.

107. Upon the Effective Date, (a) this Settlement shall be the exclusive remedy for any and all Released Claims of the Releasing Parties; and (b) the Releasing Parties stipulate to be and shall be permanently barred and enjoined by Court order from initiating, asserting, or prosecuting any Released Claim against the Released Parties, whether on behalf of the Releasing Parties or others, in any jurisdiction, including in any federal, state, or local court or tribunal.

108. The power to enforce any term of this Settlement is not affected by the releases in this section.

XII. Termination of Settlement

109. This Agreement shall be subject to, and is expressly conditioned on, the occurrence of all the following events:

- a. Court approval of the Settlement consideration set forth in Section IV and the Releases set forth in Section XI of this Agreement;
- b. The Court's entry of the Preliminary Approval Order;
- c. The Court has entered the Final Approval Order, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and
- d. The Effective Date has occurred.

110. If any of the conditions specified in the preceding paragraph are not met, or if the Court otherwise imposes any modification to or condition of approval of the Settlement to which the Parties do not consent, then this Agreement shall be cancelled and terminated.

111. Within ten (10) days after the deadline to opt-out of the Settlement, the Settlement Administrator shall provide Defendant's Counsel and Class Counsel with a list of all Settlement Class Members who timely and validly requested to be excluded from the Settlement. If the

Settlement Administrator has received more than twenty-five (25) valid and timely opt outs, then Defendants collectively shall have the right to terminate this Agreement by notifying Class Counsel in writing of Defendants decision. If Defendant's elect to terminate this Agreement, Defendant shall pay all costs and expenses incurred by the Settlement Administrator.

112. In the event this Agreement is terminated or fails to become effective, then the Parties shall return to the *status quo ante* as if the Parties had not entered into this Agreement. In such event, the terms and provisions of this Agreement shall have no further force and effect with respect to the Parties and shall not be used in this Action or in any other action or proceeding for any other purpose, and any order entered by this Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*.

113. In the event this Agreement is terminated or fails to become effective, Defendants shall have no right to seek from Plaintiffs, Class Counsel, or the Settlement Administrator the Settlement Administration Costs already paid, excluding any attorneys' fees, costs, and expenses of Class Counsel and service awards.

XIII. Effect of Termination

114. The grounds upon which this Agreement may be terminated are set forth in Section XII. In the event of a termination, this Agreement shall be considered null and void; all of Plaintiff's, Class Counsel's, Defendants', and Defendants' Counsel's obligations under the Settlement shall cease to be of any force and effect; and the Parties shall return to the *status quo ante* as if the Parties had not entered into this Agreement. In the event of such a termination, all the Parties' respective pre-Settlement rights, claims, and defenses will be retained and preserved.

115. In the event the Settlement is terminated in accordance with the provisions of this Agreement, any discussions, offers, or negotiations associated with this Settlement shall not be

discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court.

117. Class Counsel believe the claims asserted in the Action have merit, and they have examined and considered the benefits to be obtained under the proposed Settlement set forth in this Agreement, the risks associated with the continued prosecution of this complex, costly, and time-consuming litigation, and the likelihood of success on the merits of the Action. Class Counsel fully investigated the facts and law relevant to the merits of the claims, conducted discovery, and conducted independent investigation of the alleged claims. Class Counsel concluded that the proposed Settlement set forth in this Agreement is fair, adequate, reasonable, and in the best interests of the Settlement Class Members.

118. This Agreement constitutes a compromise and settlement of disputed claims. No action taken by the Parties in connection with the negotiations of this Agreement shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made,

or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind whatsoever.

119. Neither the Settlement, nor any act performed or document executed pursuant to or in furtherance of the Settlement (a) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by the Plaintiff or Settlement Class Members, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal.

120. In addition to any other defenses Defendants or the Released Parties may have at law, in equity, or otherwise, to the extent permitted by law, this Agreement may be pleaded as a full and complete defense to and may be used as the basis for an injunction against, any action, suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of this Agreement or the Releases contained herein.

The parties have agreed to settle the lawsuit ("Settlement") to avoid the risks, disruption, and uncertainties of continued litigation. A copy of the Settlement is available online.

Who is included in the Settlement?

The Court has defined the class as: "All persons whose PII was potentially compromised in the Data Incident, including all individuals to whom Defendants sent an individual notification letter to regarding the Data Incident."

What if I don't want to participate in the Settlement?

If you do not want to be part of the Settlement, you must exclude yourself by **[Opt-Out Deadline]** or you will not be able to sue Defendants for the claims made in *this* lawsuit. If you exclude yourself, you cannot get benefits from this Settlement. If you want to object to the Settlement, you may file an objection by **[Objection Deadline]**. The Settlement Agreement, available online, explains how to exclude yourself or object.

When will the Court approve the Settlement?

The Court will hold a hearing in this case on **[FA Hearing Date]** at the **[Court Address]**, to consider whether to approve the Settlement. The Court will also consider Class Counsel's request for attorneys' fees and costs of up to \$200,000, and \$3,000 for the Plaintiff. Basic Information

1. Why was this Notice issued?

The Superior Court for Maricopa County, Arizona, authorized this Notice. You have a right to know about the proposed Settlement of this class action lawsuit, and about all of your options, before the Court decides whether to grant final approval of the Settlement. This Notice explains the lawsuit, your legal rights, what benefits are available, and who can receive them.

The lawsuit is called *Roller v. Constar Financial Services, LLC et al.*, Case No. CV2025-024604. It is pending in the Superior Court for Maricopa County, Arizona. The person that filed this lawsuit is called the “Plaintiff” (or “Class Representative”) and the companies they sued, Constar Financial Services, LLC and Empereon Marketing LLC, are called the “Defendants.”

2. What is this lawsuit about?

This lawsuit alleges that, during the September 2024 cyberattack on Defendants’ computer systems, certain files that contained private information were accessed. These files may have contained personal information such as names; Social Security numbers; mailing and email addresses; telephone numbers; employment information; and information regarding income, expenses, and assets. Defendants deny the allegations asserted against them in the lawsuit and any allegations of wrongdoing.

3. What is a class action?

In a class action, one or more individuals sue on behalf of other people with similar claims. These individuals are called the “Plaintiffs” or “Class Representatives.” Together, the people included in the class action are called a “Class” or “Class Members.” One court resolves the lawsuit for all Class Members, except for those who opt out from the settlement. In this Settlement, the Class Representative is Pennie Roller. Everyone included in this Action are the Class Members.

4. Why is there a Settlement?

The Court did not decide whether the Plaintiff or the Defendants are right. Both sides have agreed to a Settlement to avoid the costs and risks of a trial, and to allow the Class Members to receive benefits from the Settlement. The Plaintiff and their attorneys think the Settlement is best for all Class Members.

Who is in the Settlement?

5. Who is included in the Settlement?

The court has defined the Class as: “All persons whose PII was potentially compromised in the Data Incident, including all individuals to whom Defendants sent an individual notification letter to regarding the Data Incident.” In this sentence, “PII” means Personally Identifiable Information.

6. Are there exceptions to being included?

Yes. Excluded from the Class are: (1) the Judge in this case, and the Judge’s family and staff; (2) Defendants and officers, and directors; (3) governmental entities; and (4) anyone who validly excludes themselves from the Settlement.

If you are not sure whether you are a Class Member, you can ask for free help any time by contacting the Settlement Administrator at:

8. What claims am I releasing if I stay in the Class?

If you stay in the class, you won't be able to be part of any other lawsuit against Defendants about the issues that this Settlement covers. The "Releases" section of the Settlement Agreement (Section XI) describes the legal claims that you give up if you remain in the Class. The Settlement Agreement is available at [www.\[SettlementWebsite\].com](http://www.[SettlementWebsite].com).

Submitting a Claim Form for a Settlement Payment

9. How do I submit a claim for a Settlement benefit?

The fastest way to submit your Claim Form is online at [www.\[SettlementWebsite\].com](http://www.[SettlementWebsite].com). If you prefer, you can download a printable Claim Form from the website and mail it to the Settlement Administrator at:

Constar Data Incident Settlement
c/o Settlement Administrator
[PO Box Number]
Santa Ana, CA 92799-9958

You may also contact the Settlement Administrator to request a Claim Form by telephone, toll free, 1-XXX-XXX-XXXX, by email [info@\[SettlementWebsite\].com](mailto:info@[SettlementWebsite].com), or by U.S. mail at the address above.

10. Are there any important Settlement payment deadlines?

If you are submitting a Claim Form online, you must do so by [Claims Deadline]. If you are submitting a claim by U.S. mail, the completed and signed Claim Form, including supporting documentation, must be postmarked no later than [Claims Deadline].

11. When will the Settlement benefits be issued?

The Court will hold a final approval hearing on [FA Hearing Date] (see Question 18). If the Court approves the Settlement, there may be appeals. We do not know if appeals will be filed, or how long it will take to resolve them if they are filed.

Settlement payments will be distributed if the Court grants final approval, and after any appeals are resolved.

The Lawyers Representing You

12. Do I have a lawyer in the case?

Yes, the Court has appointed attorneys J. Gerard Stranch, IV and Grayson Wells of Stranch, Jennings & Garvey, PLLC to represent you and other Class Members ("Class Counsel").

13. Should I get my own lawyer?

You will not be charged for Class Counsel's services. If you want your own lawyer, you may hire one at your expense.

14. How will Class Counsel be paid?

Class Counsel will ask the court to approve \$200,000.00 as reasonable attorneys' fees and costs of litigation. This amount will be paid by the Defendants.

Class Counsel will also ask for a Service Award Payment of \$3,000.00 for the Class Representative. The Service Award Payment will also be paid by the Defendants.

Excluding Yourself from the Settlement

15. How do I opt out of the Settlement?

If you do not want to be part of the Settlement, you must formally exclude yourself from the Settlement. This is called a Request for Exclusion, and is sometimes also called “opting out.” If you opt out, you will not receive Settlement benefits or payment. However, you will keep any rights you may have to sue Defendants on your own about the legal issues in this case.

If you exclude yourself, you are telling the Court that you do not want to be part of the Settlement. You will not be eligible to receive any Settlement benefits if you exclude yourself.

The deadline to exclude yourself from the Settlement is **[Opt-Out Deadline]**.

To be valid, your Request for Exclusion must have the following information:

- (1) the name of the Litigation: *Roller v. Constar Financial Services, LLC*, Case No. CV2025-XXXXXX, pending in the Superior Court for Maricopa County, Arizona;
- (2) your full name, mailing address, telephone number, and email address;
- (3) personal signature; and
- (4) the words “Request for Exclusion” or a clear and similar statement that you do not want to participate in the Settlement.

You may only exclude yourself—not any other person.

Mail your Request for Exclusion to the Settlement Administrator at:

Empereon Constar Data Incident Settlement
ATTN: Exclusion Request
[PO Box Number]
Santa Ana, CA 92799-9958

Your Request for Exclusion must be submitted, postmarked, or emailed by **[Opt-Out Deadline]**.

Commenting on or Objecting to the Settlement

16. How do I tell the Court if I like or do not like the Settlement?

If you are a Class Member and do not like part or all of the Settlement, you can object to it. Objecting means telling the Court your reasons for why you think the Court should not approve the Settlement. The Court will consider your views.

You cannot object if you have excluded yourself from the Settlement (**see Question 15**)

You must provide the following information for the Court to consider your objection:

- (1) the name of the Litigation: *Roller v. Constar Financial Services, LLC et al.*, Case No. CV2025-024604, pending in the Superior Court for Maricopa County, Arizona;
- (2) your full name, mailing address, telephone number, and email address;
- (3) a clear description of all the reasons you object; include any legal support, such as documents, you may have for your objection;
- (4) if you have hired your own lawyer to represent you for this objection, provide their name, bar number, and contact information;
- (5) if you or your lawyer have objected in any other cases in the past five years, list the names, courts, the orders ruling on your objections, and civil action numbers for each of those cases;
- (6) whether or not you or your lawyer would like to speak at the Final Approval Hearing;
- (7) if you plan on calling witnesses or submitting documents at the Final Approval Hearing, provide a full list of both;
- (8) your signature (if you have hired your own lawyer, their signature is not sufficient).

For your objection to be valid, it must meet each of these requirements.

To be considered by the Court, you must file your complete objection with the Clerk of Court by **[OBJECTION DATE]**. You must also send a copy of the objection to the Settlement Administrator, Class Counsel, and counsel for Defendants.

17. What is the difference between objecting and excluding?

Objecting is telling the Court that you do not like something about the Settlement. You can object to the Settlement only if you do not exclude yourself from the Settlement. Excluding yourself from the Settlement is opting out and stating to the Court that you do not want to be part of the Settlement. If you opt out of the Settlement, you cannot object to it because the Settlement no longer affects you.

The Court's Final Approval Hearing

18. When is the Court's Final Approval Hearing?

The Court will hold a final approval on **[FA Hearing Date]** at **[Hearing Time]** Mountain Time, in Room **[Court Room]** of the Superior Court for Maricopa County, Arizona, at **[Court Address]**.

At the final approval hearing, the Court will decide whether to approve the Settlement. The court will also decide how Class Counsel should be paid, and whether to award a Service Award Payment to the Class Representative. The Court will also consider any objections to the Settlement.

If you are a Class Member, you or your lawyer may ask permission to speak at the hearing at your own cost (**See Question 16**).

The date and time of this hearing may change without further notice. Please check **www.[SettlementWebsite].com** for updates.

19. Do I have to come to the Final Approval Hearing?

No. Class Counsel will answer any questions the Court may have. You may attend at your own expense if you wish, but you do not have to.

If you file an objection, you do not have to come to the Final Approval Hearing to talk about it; the Court will consider it as long as it was filed on time. You may also pay your own lawyer to attend, but you do not have to.

If I Do Nothing

20. What happens if I do nothing at all?

If you do nothing, you will not receive a benefit from this Settlement.

You will also give up the rights described in **Question 8**.

EXHIBIT 4

IN THE SUPERIOR COURT FOR MARICOPA COUNTY, ARIZONA

PENNIE ROLLER, *individually and on behalf of all others similarly situated*,

Plaintiff,

v.

CONSTAR FINANCIAL
SERVICES, LLC and EMPEREON
MARKETING LLC,

Defendants.

Case No. CV2025-024604

**[PROPOSED] ORDER OF PRELIMINARY APPROVAL
OF CLASS ACTION SETTLEMENT**

Before the Court is Plaintiff's Unopposed Motion for Preliminary Approval of a Class Action Settlement. Having considered the motion, settlement agreement and exhibits attached thereto, the motion is hereby **GRANTED**.

The Settlement Proposal satisfies the criteria for preliminary approval. The Proposed Settlement (1) appears to be the product of serious, informed, non-collusive negotiations, (2) has no obvious deficiency, (3) does not improperly grant preferential treatment to class representatives or segments of the class, and (4) falls within the range of possible approval. *Doyle v. Pekin Ins. Co.*, 2025 WL 1192752, at *3 (D. Ariz. Apr. 24, 2025) (citing *Horton v. USAA Cas. Ins. Co.*, 266 F.R.D. 360, 363 (D. Ariz. 2009)). The parties have shown the Settlement Class will likely be certified upon final hearing and the Settlement Proposal approved. Notice to the Settlement Class Members is therefore justified. Ariz. R. Civ. P. 23(e)(1). Accordingly, it is hereby **ORDERED, ADJUDGED,**

and DECREED:

(1) The Court finds it will likely be able to approve the Settlement Proposal under Rule 23(e)(2) upon final hearing. Ariz. R. Civ. P. 23(e)(1)(B)(i).

(2) The Settlement Proposal is fair, adequate and reasonable, and the proposed Notice Program protects the due process rights of Settlement Class Members.

(3) The Court further finds it will likely be able to certify the Settlement Class for purposes of judgment on the proposal. Ariz. R. Civ. P. 23(e)(1)(B)(ii).

(4) The proposed Settlement Class, as indicated below, is hereby provisionally certified for purposes of settlement:

All persons whose PII was potentially compromised in the Data Incident, including all individuals to whom Defendants sent an individual notification letter to regarding the Data Incident.

(5) The Court conditionally determines that for settlement purposes the proposed Settlement Class meets all the requirements of Arizona Rule of Civil Procedure 23(a) and (b)(3), namely that the class is so numerous that joinder of all Class Members is impractical; that there are common issues of law and fact; that the claims of the Class Representatives are typical of absent Class Members; that the Class Representatives will fairly and adequately protect the interests of the Class as they have no interests antagonistic to or in conflict with the Class and have retained experienced and competent counsel to prosecute this matter; that common issues predominate over any individual issues; and that a class action is the superior means of adjudicating the controversy.

Class Representation

(6) Plaintiff Pennie Roller is hereby provisionally appointed the Class Representative.

(7) J. Gerard Stranch, IV, and Grayson Wells of Stranch, Jennings & Garvey, PLLC are hereby provisionally appointed Class Counsel. The Court finds Mr. Stranch and Mr. Wells are experienced and will adequately protect the interests of the Settlement Class. Ariz. R. Civ. P. 23(g).

(8) A Final Approval Hearing shall take place before the Court on _____, 2025, at ___ a.m./p.m., to determine, among other things, whether: (a) the proposed Settlement Class should be finally certified for settlement purposes pursuant to Arizona Rule of Civil Procedure 23; (b) the Settlement Agreement should be finally approved as fair, reasonable and adequate and, in accordance with the Settlement's terms, all claims in the Class Action Complaint should be dismissed with prejudice; (c) Settlement Class Members should be bound by the releases set forth in the Settlement Agreement; (d) the proposed Final Approval Order and Judgment should be entered; and (e) the Application for Attorney's Fees, Costs, and Service Awards should be approved. Any other matters the Court deems necessary and appropriate will also be addressed at the hearing. The hearing may be re-scheduled without further notice to the Class.

(9) Class Counsel shall file and serve their Application for Attorney's Fees, Costs, and Service Awards by the deadline indicated below.

Settlement Administrator

(10) Simpluris is hereby appointed the Settlement Administrator, with responsibility for reviewing, determining the validity of, and processing all claims submitted by Settlement Class Members, and all other obligations of the Settlement Administrator as set forth in the Settlement Agreement. All Administration and Notice Costs incurred by the Settlement Administrator will be paid by Defendants, as provided in the Settlement Agreement.

Notice Plan

(11) The Notice Plan – including the Short-Form Postcard Notice, Long-Form Notice, and Claim Form, attached to the Settlement Agreement as Exhibits A, B, and C, along with the proposed Settlement Website – satisfy the requirements of Arizona Rule of Civil Procedure 23 and due process, and it is hereby preliminarily approved. Non-material modifications to these exhibits may be made without further order of the Court. The Settlement Administrator is directed to carry out the Notice Plan and perform all other tasks the Settlement Agreement requires.

(12) The Court finds that the form, content, and method of giving notice to the Settlement Class as described in the Notice Plan: (a) constitute the best practicable notice to the Settlement Class; (b) are reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the action, the terms of the proposed Settlement Agreement, and their rights under the proposed Settlement Agreement; (c) are reasonable and constitute due, adequate, and sufficient notice to those persons entitled to receive notice; and (d) satisfy the requirements of Arizona Rule of Civil Procedure 23 and

the constitutional requirement of due process. The Court further finds the notice is written in plain language, uses simple terminology, and is designed to be readily understandable by Settlement Class Members.

Opting Out of the Settlement

(13) Any Settlement Class Member may opt-out of the Settlement Class at any time during the Opt-Out Period by mailing a request to opt-out to the Settlement Administrator, as indicated below, postmarked no later than the last day of the Opt-Out Period, as defined below. The opt-out request must be personally signed by the Settlement Class Member and contain the requestor's name, address, telephone number, and email address (if any), and a statement indicating a request to be excluded from the Settlement Class. Any Settlement Class Member who does not timely and validly request to opt out shall be bound by the terms of Settlement, even if that Settlement Class Member does not submit a Valid Claim.

Objecting to the Settlement

(14) Any Settlement Class Member can object to the Settlement Proposal or forthcoming Application for Attorney's Fees, Costs, and Service Awards. Objections must be filed with the Court, and sent by U.S. Mail to Class Counsel, Defense Counsel, and the Settlement Administrator, as indicated below. For an objection to be considered by the Court, the objection must be submitted no later than the last day of the Objection Period, as defined below, and the Settlement Class Member must not have excluded him/herself from the Settlement Class.

(15) For an objection to be considered by the Court, the objection must also set

forth the following:

- a. the objector's full name, mailing address, telephone number, and email address (if any);
- b. all grounds for the objection, accompanied by any legal support for the objection known to the objector or objector's counsel;
- c. the number of times the objector has objected to a class action settlement within the five years preceding the date that the objector files the objection, the caption of each case in which the objector has made such objection, and a copy of any orders related to or ruling upon the objector's prior objections that were issued by the trial and appellate courts in each listed case;
- d. the identity of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement and/or the Application for Attorneys' Fees, Costs, and Service Awards, and whether they will appear at the Final Approval Hearing;
- e. the number of times in which the objector's counsel and/or the objector's counsel's law firm have objected to a class action settlement within the five years preceding the date of the filed objection, the caption of each case in which counsel or the firm has made such objection and a copy of any orders related to or ruling on the objection issued by the trial and appellate courts in each such listed case;
- f. a list of all persons who will be called to testify at the Final Approval Hearing

- in support of the objection (if any);
- g. a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and
- h. the objector's signature (an attorney's signature is not sufficient).

Claims Process

(16) The Settlement Agreement establishes a process for assessing and determining the validity and value of claims and a methodology for paying Settlement Class Members that submit a timely, valid Claim Form. The Court preliminarily approves this process.

(17) Settlement Class Members that qualify for and wish to submit a Claim Form shall do so in accordance with the requirements and procedures specified in the Settlement Agreement, including the Claim Form. If the Settlement Agreement is finally approved, all Settlement Class Members who qualify for any benefit under the Settlement Agreement, but who fail to submit a claim in accordance with the requirements and procedures specified in the Settlement Agreement, including the Claim Form, shall be forever barred from receiving any such benefit. Such Settlement Class Members, however, will in all other respects be subject to and bound by the provisions of the Settlement Agreement, including the releases included in the Settlement Agreement, and the Final Approval Order and Judgment.

Termination of Settlement Agreement and Continuing Jurisdiction

(18) In the event the Settlement Proposal is not approved upon final hearing, or upon any other terminating event as contemplated in the Settlement Agreement, all

obligations of Plaintiff, Class Counsel, Defendants, and Defendants' Counsel under the Settlement shall cease to be of any force and effect; and the Parties shall return to the *status quo ante* as if the Parties had not entered into the Settlement Agreement or filed related motions with the Court. In the event of such a termination, the Parties' respective pre-Settlement rights, claims, and defenses will be retained and preserved.

(19) In the event the Settlement is terminated in accordance with the provisions of the Settlement Agreement, any discussions, offers, or negotiations associated with the Settlement Proposal shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if the Settlement Proposal had not been negotiated, made, or filed with the Court.

(20) Before filing any motion in the Court raising a dispute arising out of or related to the Settlement Proposal, the Parties shall consult with each other and certify to the Court that they have met and conferred in an attempt to resolve the dispute.

(21) The Court shall retain jurisdiction over the implementation, enforcement, and performance of the Settlement Proposal, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to the Settlement Proposal that cannot be resolved by negotiation and agreement by counsel for the Parties. The Court shall also retain jurisdiction over all questions or disputes related to the Notice Program and the Settlement Administrator. As part of the agreement to render services in connection with this Settlement, the Settlement Administrator shall consent to the jurisdiction of the Court for this purpose.

(22) The Court shall retain jurisdiction over the enforcement of the Court's injunction barring and enjoining all Releasing Parties from asserting any of the Released Claims and from pursuing any Released Claims against the Released Parties at any time and in any jurisdiction, including during any appeal from the Final Approval Order.

Stay of Proceedings and Future Actions

(23) Except as necessary to effectuate this Order, this matter and any deadlines set by the Court in this matter are stayed and suspended pending the Final Approval Hearing and issuance of the Final Approval Order and Judgment, or until further order of this Court.

(24) Upon entry of this Order, with the exception of Class Counsel, Defense Counsel, and the Class Representatives' implementation of the Settlement Proposal and the approval process in this Action, all Releasing Parties shall be provisionally enjoined and barred from asserting any claims or continuing any litigation arising out of, relating to or in connection with the Released Claims against the Released Parties prior to the Court's decision as to whether to grant Final Approval of the Settlement Proposal.
