Statement of Facts

Background

10. River Towers Condominium Unit Owners Association, Inc. is the condominium unit owners’ association for River Towers Condominium, which includes three separate condominium buildings located at 6621, 6631 and 6641 Wakefield Drive, Alexandria, VA 22307, including Plaintiffs’ Units. It is a “unit owners association” subject to the Virginia Condominium Act, Va. Code Ann. § 55-79.39 *et seq.*

11. On or about Sunday, October 2, 2016, one of the three condo buildings of Rivers Tower Condominium – 6631 Wakefield Drive -- partially collapsed, the structure sank and shifted several inches, damaging approximately 180 condominium units. The building was evacuated and the unit owners were displaced.

12. Plaintiff Margaret Crowley was forced to find temporary housing by the collapse.

13. The Minkoff Company, Inc. (“Minkoff”) appeared at the site to perform property stabilization and restoration services following the collapse.

14. River Towers and its insurer Travelers had a payment dispute with Minkoff.

15. On August 11, 2017, Defendant Law Firm caused to be recorded a Memorandum of Mechanic’s Lien Claimed by General Contractor (the “Memorandum of Mechanic’s Lien”), on behalf of the Minkoff, in the land records of Fairfax County, Virginia. A true and accurate copy of the Memorandum of Mechanic’s Lien is attached hereto as EXHIBIT 1.

16. The Memorandum of Mechanic’s Lien asserts a mechanic’s lien against Defendant River Towers as well as on over 500 unit owners of the condominium individually, including Ms. Crowley, the Jupiters, and Ms. Jonas.

17. The Memorandum includes an attachment, EXHIBIT 1 Exhibit A, which purportedly “apportions the amount of this lien (\$272,936.39) by condominium unit. All amounts include overhead and profit.” The Memorandum further asserts that, “The lien is sought on the listed unit owners’ interest in their units and the common elements appurtenant to all three buildings.” *See* EXHIBIT 1 at p.2.

18. The individual unit owners, including Plaintiffs, have no contract with the Minkoff. There is no privity of contract between the Minkoff and the individual owners, including Plaintiffs.

19. Mr. Jupiter faxed a letter to Defendant Law Firm requesting validation and backup information regarding the alleged lien.

20. Defendant Law Firm never responded to Mr. Jupiter's request.

Offit Kurman Defendants' FDCPA Violations

21. The Memorandum of Mechanic's Lien and each service and mailing of such document are "communications" in connection with the collection of "debts" as defined and governed by the FDCPA, as such terms are defined in 15 USC § 1692(a). *See, e.g., Randall v. Paul*, 2017 Minn. App. LEXIS 80, *15 (Minn. Ct. App. June 19, 2017).

22. Defendant Law Firm violated 15 U.S.C. § 1692g(a) by failing to provide Plaintiffs a written notice within 5 days after their initial communication containing the disclosures required by 15 U.S.C. § 1692g(a) *et seq.*

23. Defendant Law Firm violated the FDCPA, 15 U.S.C. § 1692e(2, 5, 10) and 1692f(1), by making false, deceptive, and/or misleading representations in connection with the collection of debt, including without limitation:

- a. That Plaintiffs are indebted to the Minkoff;
- b. That Minkoff furnished materials and labor relating to scaffolding (rental equipment) for Plaintiffs;
- c. That the work "thus benefitted the common elements and units in all three buildings commonly known as 6621, 6631 and 6641 Wakefield Drive, Alexandria, VA 22307," including Plaintiffs;
- d. That the Minkoff is entitled to a mechanic's lien against Plaintiffs for a proportionate share of such amount; and
- e. That the mechanic's lien is enforceable against Plaintiffs' units.

24. The Defendant Law Firm's misrepresentations with respect to the amount owed, and the above collection actions taken were part of a pattern and practice of attempting to collect amounts in excess of the amount actually due, or not legally authorized, in violation of Virginia law. Upon information and belief the same mechanics lien was sent to all unit owners of River Towers. Each such instance that the Defendant Law Firm's misrepresented the debt and/or failed to give the required 15 U.S.C. § 1692g(a) disclosures violated the FDCPA.

25. Defendant Law Firm's actions cost Plaintiffs substantial time, imposed a cloud on the title of their homes, and caused them emotional distress.

Class Action Allegations

26. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, Plaintiffs brings this action for themselves and on behalf of a "River Towers Class" initially defined as follows:

All natural persons who are unit owners of a condominium unit within River Towers Condominium, in Alexandria, Virginia, to whom on or after August 11, 2017 the Defendant Law Firm mailed a memorandum of mechanic's lien, on behalf of Minkoff.

27. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, Plaintiffs bring this action for themselves and on behalf of a "Memorandum of Mechanic's Lien" Class initially defined as follows:

All natural persons who are unit owners of a condominium unit within River Towers Condominium, in Alexandria, Virginia, to whom on or after August 11, 2017 the Defendant Law Firm mailed a memorandum of mechanic's lien, on behalf of Minkoff.

28. **Numerosity. Fed. R. Civ. P. 23(a)(1).** Upon information and belief, Plaintiffs allege that the class members are so numerous that joinder of all is impractical. The names and addresses of the class members are identifiable through the internal business records maintained by the Defendant, as well as through the public records of the land records of Circuit Courts in

the Commonwealth of Virginia, and the class members may be notified of the pendency of this action by published and/or mailed notice.

29. **Predominance of Common Questions of Law and Fact. Fed. R. Civ. P. 23(a)(2).** Common questions of law and fact exist as to all members of the putative class, and there are no complex factual issues, and no legal issues, that differ between the putative class members. These questions predominate over the questions affecting only individual class members. Predominant legal questions include, by example only and without limitation: whether the initial correspondences sent to consumers complied with 15 U.S.C. § 1692g(a); whether Defendant's demand for collection costs, attorneys' fees and late fees were lawful in Virginia; and whether the amounts claimed were misrepresented.

30. **Actual Damages.** Actual damages in this case are uniformly determined as the amount of money collected by the Defendant in collection costs, attorneys' fees and/or late fees that was greater than that permitted under Virginia law.

31. **Typicality. Fed. R. Civ. P. 23(a)(3).** Plaintiffs' claims are typical of the claims of each putative class member. In addition, Plaintiffs are entitled to relief under the same causes of action as the other members of the putative class.

32. **Adequacy of Representation. Fed. R. Civ. P. 23(a)(4).** Plaintiffs are adequate representatives of the putative class, because their interests coincide with, and are not antagonistic to, the interests of the members of the Class they seek to represent; they have retained counsel competent and experienced in such litigation; and they have and intend to continue to prosecute the action vigorously. Plaintiffs and their counsel will fairly and adequately protect the interests of the members of the Class.

33. **Superiority. Fed. R. Civ. P. 23(b)(3).** Questions of law and fact common to the Class members predominate over questions affecting only individual members, and a class action is superior to other available methods for fair and efficient adjudication of the controversy. The damages sought by each member are such that individual prosecution would prove burdensome and expensive, given the complex and extensive litigation necessitated by Defendant's conduct. It would be virtually impossible for members of the Class individually to effectively redress the wrongs done to them. Even if the members of the Class themselves could afford such individual litigation, it would be an unnecessary burden on the Courts. Furthermore, individualized litigation presents a potential for inconsistent or contradictory judgments and increases the delay and expense to all parties and to the court system presented by the complex legal and factual issues raised by the Defendant's conduct. By contrast, the class action device will result in substantial benefits to the litigants and the Court by allowing the Court to resolve numerous individual claims based upon a single set of proof in a case.

34. **Injunctive Relief Appropriate for the Class. Fed. R. Civ. P. 23(b)(2).** Class certification is appropriate because the Defendant acted on grounds generally applicable to the Class, making appropriate equitable injunctive relief with respect to the Plaintiffs and the Class members.

(Class Claim, and On Behalf of Each Plaintiff On an Individual Basis)**

50. The Defendant Law Firm violated 15 U.S.C. § 1692e(5) by threatening to take any action that cannot legally be taken or that is not intended to be taken.

57. Plaintiffs and the putative class members are therefore entitled to actual and statutory damages against Defendant Law Firm, as well as their reasonable attorney's fees and costs, pursuant to 15 U.S.C. § 1692k.

**COUNT VIII – ABUSE OF PROCESS
(On Behalf of Each Plaintiff On an Individual Basis)**

58. Plaintiffs restate each of the allegations in the preceding paragraphs as if set forth at length herein.

59. Under Virginia Common Law, process is maliciously abused when it is used oppressively, e.g., as "a whip to force the payment of an alleged indebtedness," or as a means of extortion.

60. Defendant Law Firm violated Virginia Common Law by filing and serving the Memorandum of Mechanic's Lien and mailing it to Plaintiffs and the putative class members.

Defendant Law Firm and the Minkoff Company were not entitled to file a memorandum of mechanic's lien against Plaintiffs and the putative class members, individually. Upon information and belief, the Defendant Law Firm filed and served the Memorandum with an ulterior purpose or motive different from which such a procedure (i.e., a memoranda of mechanic's lien) is intended, and thereby committed an act in the use of the legal process not proper in the regular prosecution of the proceedings.

61. The filing and mailing of the Memorandum of Mechanic's Lien constitutes abuse of process, and was done as a whip to force the payment of the alleged indebtedness and/or as a means of extortion.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
 United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
 United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
 Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
 Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)
- III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: [Nature of Suit Code Descriptions](#).
- V. Origin.** Place an "X" in one of the seven boxes.
 Original Proceedings. (1) Cases which originate in the United States district courts.
 Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.
 Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
 Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
 Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
 Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.
 Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.
PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7. Origin Code 7 was used for historical records and is no longer relevant due to changes in statute.
- VI. Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service
- VII. Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
 Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
 Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.
- Date and Attorney Signature.** Date and sign the civil cover sheet.
