WHEREAS, this Settlement Agreement is the result of vigorous and extensive arm's-length negotiations of highly disputed claims, with adequate knowledge of the facts, issues and the strengths and weaknesses of the Parties' respective positions, is fair, reasonable, and adequate, and complies in all respects with Fed. II. SETTLEMENT CONSIDERATION

In consideration for the full and complete Release of all Released Claims against all Released Parties, and the dismissal of the Action with prejudice, Defendant agrees to provide the following consideration to the Settlement Class:

A. Hood Replacement Warranty Extension for Current Owners or Lessees of Settlement Class Vehicles and Transportation

1. Hood Replacement Warranty Extension and TSB Amendment. MMNA agrees to perform a hood replacement on all Settlement Class Vehicles for customers that express concerns with hood fluttering, as follows. Effective on the Notice Date, MMNA will extend the New Vehicle Limited Warranty (“NVLW”) for all Settlement Class Vehicles to cover 100% of the cost of the hood replacement repair set forth in TSB-21-42A-011REV2 (“MODIFIED HOOD FOR HOOD FLUTTER – 2022 OUTLANDER – REVISED”), by an authorized Mitsubishi dealer, for all U.S.

owners or lessees of Settlement Class Vehicles that express concerns with hood fluttering in their Settlement Class Vehicles, for a period of eighteen (18) months commencing on the Notice Date. This Warranty Extension shall apply regardless of whether the Settlement Class Vehicle (i) is currently within the NVLW's 5-years/60,000-miles coverage period, or (ii) previously received a hood repair pursuant to TSB-21-42A-011, TSB-21-42A-011REV or TSB-21-42A-011REV2. MMNA shall revise TSB-21-42A-011REV2 to explicitly provide authorized Mitsubishi dealerships with authorization to perform the hood replacement repair (including necessary paint) on all eligible Settlement Class Vehicles pursuant to this Warranty Extension.

2. Vehicles with Previously Repaired Hoods. Effective on the Notice Date, for any U.S. owner or lessee of a Settlement Class Vehicle that received a hood repair prior to the Notice Date through TSB-21-42A-011, TSB-21-42A-011REV or TSB-21-42A-011REV2, MMNA will extend the NVLW to cover 100% of the cost of repair or replacement (including necessary paint), by an authorized Mitsubishi dealer, of a Settlement Class Vehicle presenting with concerns of hood fluttering, during a period of eighteen (18) months from the date that the prior hood repair was performed on said vehicle, regardless of mileage at time of repair. For Settlement Class Vehicles that received a hood repair more than 18 months prior to the Notice Date, this Warranty Extension will apply for six (6) months, commencing on the Notice Date.

3. Transportation. Without cost to and upon request from Settlement Class Members whose hoods are being repaired or replaced pursuant to this Warranty Extension, Mitsubishi dealers will provide a complimentary loaner vehicle or rental car during the time the Settlement Class Vehicle is being repaired.

4. Excluded from the Warranty Extension is any failure of the hood resulting from damage, abuse, alteration, modification, collision or crash, vandalism, and/or other impact or

outside sources. The Warranty Extension will be subject to the same terms and conditions as the original NVLW, and is fully transferable to subsequent owners to the extent that the time limitation of the Warranty Extension has not expired.

B. Reimbursement of Certain Past Paid (and Unreimbursed) Out-of-Pocket Expenses

1. Reimbursement:

Settlement Class Members who submit to the Claim Administrator (by mail or online through the Settlement Website) a timely and complete Claim for Reimbursement shall be eligible for 100% reimbursement of (i) the past paid (and unreimbursed) cost (parts and labor) of repair or replacement of the hood of a Settlement Class Vehicle incurred prior to the Notice Date, and (ii) past paid (and unreimbursed) rental car costs related to past hood repairs incurred while the Settlement Class Vehicle was undergoing repair and prior to the Notice Date. If the hood repair or replacement was performed by an authorized Mitsubishi dealer, the Settlement Class Member must provide proof (by sworn declaration) that they requested and were not provided a substitute vehicle such as a loaner or rental car from the dealer during the time in which the rental car was obtained because the Settlement Class Vehicle was at the dealer for a hood repair or replacement. A form Declaration will be agreed by counsel and made available and can be submitted on the Settlement Website.

If the past paid repair or replacement occurred within the original NVLW period but was not performed by an authorized Mitsubishi dealer, then the Settlement Class Member must submit records (or a sworn declaration if records are not available after a good faith effort to obtain them) confirming that he/she first tried to have the repair or replacement performed by an authorized Mitsubishi dealer but the dealer declined or was unable to perform the repair or replacement. A

form Declaration will be agreed by counsel and made available and can be submitted on the Settlement Website.

Reimbursement for a past paid repair or replacement performed by a service entity or facility that is not an authorized Mitsubishi dealer shall not exceed a maximum reimbursement amount (parts and labor) of \$4,595.

2. Limitations and Exclusions:

a. Excluded from reimbursement is any hood issue resulting from damage, abuse, alteration, modification, collision or crash, vandalism, and/or other impact or damage from outside sources.

b. Any reimbursement shall be reduced by goodwill or other monies or concessions previously paid by an authorized Mitsubishi dealer, any other entity (including insurers and providers of extended warranties or service contracts), or from any other source, for repair or replacement of any hood or hood-related repairs. If the Settlement Class Member received a free replacement or repair, or was otherwise reimbursed the full amount for the repair or replacement, then they will not be entitled to any reimbursement.

c. MMNA shall not be responsible for, and shall not warrant, repair/replacement work performed at any service center or facility that is not an authorized Mitsubishi dealer.

3. Required Proof:

In order to obtain the benefits provided for in this Section, the Settlement Class Member must timely provide, together with a fully completed, signed and dated Claim Form, all required Proof of Repair Expense and any necessary declaration(s).

III. REQUIREMENTS FOR SUBMISSION OF A CLAIM FOR REIMBURSEMENT UNDER SECTION II.B. OF THIS AGREEMENT:

A. The Claim must be mailed and post-marked to the Claim Administrator, or submitted online through the Settlement Website, no later than ninety (90) days after the Notice Date;

B. The Claim, as timely submitted, must contain a fully completed, signed, and dated Claim Form, together with all required Proof of Repair Expense;

C. If the claimant is not a person to whom the Claim Form was addressed, and/or the vehicle with respect to which a Claim is made is not the vehicle identified by VIN number on the mailed Claim Form, the Claim must contain proof that the claimant is a Settlement Class Member and that the vehicle that is the subject of the Claim is a Settlement Class Vehicle; and the Claim Form and supporting documentation must demonstrate the Settlement Class Member's right to reimbursement, for the amount requested, under the terms and conditions of this Settlement Agreement.

IV. CLAIMS ADMINISTRATION

A. Costs of Administration and Notice

As between the Parties herein, Defendant shall be responsible for the reasonable cost of the Claim Administrator's dissemination of the Class Notice and claim administration. The Parties retain the right to audit and review the Claims-handling by the Claim Administrator, and the Claim Administrator shall report to both parties jointly.

B. Claim Administration

1. Only timely Claims that are complete and satisfy the Settlement criteria for reimbursement can be approved for payment. For each approved reimbursement claim, the Claim Administrator, on behalf of Defendant, shall mail to the Settlement Class Member, at the address listed on the Claim Form, a reimbursement check to be sent within one hundred fifty (150) days

of the date of receipt of the Claim, or within one hundred fifty (150) days of the Effective Date, whichever is later. Checks shall remain valid for 180 days.

2. The Claim Administrator may deny any Claim that does not include the required information, documentation, and certification specified in Sections II.B & III. Any such denial of any Claim in whole or in part shall be binding and non-appealable, except that Class Counsel and Defense Counsel shall confer and attempt to resolve in good faith any disputed denial by the Claim Administrator.

3. If the Claim Administrator initially determines that the Claim Form is incomplete, deficient or otherwise not fully completed, signed and/or dated, and/or that supporting documentation is missing, deficient, or otherwise incomplete, then the Claim Administrator will send the Settlement Class Member a letter or notice by first class mail advising of the deficiency(ies) in the Claim Form and/or the documentation. The Settlement Class Member will then have thirty (30) days after the date of said letter/notice to mail a response to the Claim Administrator, curing all said deficiencies and supplying all missing information and documentation, or the claim will be denied.

4. If the Claim is denied in whole or in part, either for not being timely, not meeting the Settlement criteria for reimbursement, and/or for failure to timely cure any deficiencies or missing or incomplete information/documentation, the Claim Administrator will so notify the Settlement Class Member by sending a letter or notice of the denial by first class mail. Any Settlement Class Member whose claim is denied shall have twenty (20) days from the date of the Claim Administrator's letter/notice of denial to request an "attorney review" of the denial, after which time Class Counsel and Defense Counsel shall meet and confer to determine whether said denial, based upon the Claim Form and documentation previously was correct under

the terms of the Settlement, whether the denial should be modified, and/or whether any disputed issues can amicably be resolved. The Claim Administrator will thereafter advise the Settlement Class Member of the attorney review determination, which shall be binding and not appealable.

V. NOTICE

A. To Attorneys General: In compliance with the Attorney General notification provision of the Class Action Fairness Act, 28 U.S.C. § 1715, the Claim Administrator shall provide notice of this proposed Settlement to the Attorney General of the United States, and the Attorneys General of each state in which a known Settlement Class Member resides. The Claim Administrator shall also provide contemporaneous notice to the Parties.

B. To Authorized Mitsubishi Dealers: Prior to the Notice Date, Defendant shall advise each of its authorized Mitsubishi dealers of the basic terms of the Settlement Agreement relating to the Warranty Extension providing for Hood Replacement and Transportation, so that they may effectively communicate with Settlement Class Members and repair Settlement Class Vehicles, if needed, pursuant to the terms of the Extended Warranty. This notification may take place through the revised Technical Service Bulletin referenced in Section II.A above.

A longer form Class Notice, substantially in the form attached hereto as Exhibit 3, will be made available on the Settlement Website. The

Claim Administrator may format the Class Notice in such a way as to minimize the cost of the mailing, so long as Settlement Class Members can reasonably read it and the Parties approve all changes and formatting. The Claim Administrator shall be responsible for mailing of the Class Notice.

2. For purposes of identifying Settlement Class Members, the Claim Administrator shall obtain from Polk/IHS Markit or an equivalent company (such as Experian) the names and current or last known addresses of Settlement Class Vehicle owners and lessees that can reasonably be obtained, based upon the VINs of Settlement Class Vehicles to be provided by Defendant.

3. Prior to mailing the Class Notice, the Claim Administrator shall conduct an address search through the United States Postal Service's National Change of Address database to update the address information for Settlement Class Vehicle owners and lessees. For each individual Class Notice that is returned as undeliverable, the Claim Administrator shall re-mail all Class Notices where a forwarding address has been provided. For the remaining undeliverable notice packets where no forwarding address is provided, the Claim Administrator shall perform an advanced address search (*e.g.*, a skip trace) and re-mail any undeliverable to the extent any new and current addresses are located.

4. The Claim Administrator shall diligently, and/or as reasonably requested by Class Counsel or Defense Counsel, report to Class Counsel and Defense Counsel the number of individual Class Notices originally mailed to Settlement Class Members, the number of individual Class Notices initially returned as undeliverable, the number of additional individual Class Notices mailed after receipt of a forwarding address, and the number of those additional individual Class Notices returned as undeliverable.

5. The Claim Administrator shall, upon request, provide Class Counsel and Defense Counsel with the names and addresses of all Settlement Class Members to whom the Claim Administrator mailed a Class Notice pursuant to this section.

6. The Claim Administrator shall implement a Settlement Website that contains the following information:

- (i) instructions on how to submit a Claim for Reimbursement by mail or online;
- (ii) instructions on how to contact the Claim Administrator, Class Counsel, and/or Defense Counsel for assistance;
- (iii) a copy of the Claim Form, Class Notice and this Settlement Agreement, the Preliminary Approval Order, the motion for Final Approval, the Class Counsel Fee and Expenses Application, and other pertinent orders and documents to be agreed upon by counsel for the Parties; and
- (iv) the deadlines for any objections, requests for exclusion and mailing of Claims, the date, time, and location of the final fairness hearing, and any other relevant information agreed upon by counsel for the Parties.

7. No later than ten (10) days after the Notice Date, the Claim Administrator shall provide an affidavit or declaration to Class Counsel and Defense Counsel, attesting that the Class Notice was disseminated in a manner consistent with the terms of this Agreement or those required by the Court.

To be effective, the Request for Exclusion must be sent to the specified addresses and:

(a) include the Settlement Class Member’s full name, address and telephone number;

(b) identify the model, model year and VIN of the Settlement Class Vehicle; and

(c) specifically and unambiguously state his/her/its desire to be excluded from the Settlement Class.

2. Any request for exclusion must be postmarked on or before the deadline set by the Court, which date shall be approximately forty-five (45) days after the Notice Date, and mailed to each of the following: Verita Global, at an address to be provided; Sergei Lemberg, Esq., Lemberg Law LLC, 43 Danbury Road, Wilton, CT 06897; and Amir Nassihi, Esq., Shook, Hardy & Bacon L.L.P., 555 Mission Street, Suite 2300, San Francisco, CA 94105. Any Settlement Class Member who fails to submit a timely and complete Request for Exclusion mailed to the proper addresses shall be subject to and bound by this Settlement Agreement, the Release, and every order or judgment entered relating to this Settlement Agreement.

3. Class Counsel and Defense Counsel will review the purported Requests for Exclusion and determine whether they meet the requirements of a valid Request for Exclusion. Any communications from Settlement Class Members (whether styled as an exclusion request, an objection or a comment) as to which it is not readily apparent whether the Settlement Class Member meant to exclude himself/herself/itself from the Settlement Class will be evaluated jointly by counsel for the Parties, who will make a good faith evaluation, if possible. Any uncertainties about whether a Settlement Class Member is requesting exclusion from the Settlement Class will be submitted to the Court for resolution. The Claim Administrator will maintain a database of all Requests for Exclusion, and will send written communications memorializing those Requests for Exclusion to Class Counsel and Defense Counsel. The Claim Administrator shall report the names of all such persons and entities requesting exclusion, and the VINs of the Settlement Class Vehicles owned or leased by the persons and entities requesting exclusion, to the Court, Class Counsel and Defense Counsel at least eighteen (18) days prior to the Final Fairness Hearing, and the list of persons and entities deemed by the Court to have timely and properly excluded themselves from the Settlement Class will be attached as an exhibit to the Final Order and Judgment.

VII. WITHDRAWAL FROM SETTLEMENT

Plaintiffs or Defendant shall have the option to withdraw from this Settlement Agreement, and to render it null and void, if any of the following occurs:

1. Any objection to the proposed Settlement is sustained and such objection results in changes to this Agreement that the withdrawing party deems in good faith to be material (*e.g.*, because it materially increases the costs of the Settlement, materially alters the Settlement, or deprives the withdrawing party of a material benefit of the Settlement; a mere delay of the approval and/or implementation of the Settlement including a delay due to an appeal procedure, if any, shall not be deemed material); or

2. The preliminary or final approval of this Settlement Agreement is not obtained without modification, and any modification required by the Court for approval is not agreed to by both parties, and the withdrawing party deems in good faith any required modification to be material (*e.g.*, because it increases materially the cost of the Settlement, materially alters the Settlement, or deprives the withdrawing party of a material benefit of the Settlement; a mere delay of the approval and/or implementation of the Settlement including a delay due to an appeal procedure, if any, shall not be deemed material); or

3. Entry of the Final Order and Judgment described in this Agreement is vacated by the Court or reversed or substantially modified by an appellate court, except that a reversal or modification of an order awarding reasonable attorneys' fees and expenses, if any, shall not be a basis for withdrawal; or

4. In addition to the above grounds, the Defendant shall have the option to withdraw from this Settlement Agreement, and to render it null and void, if more than ten percent (10%) of the persons and entities identified as being members of the Settlement Class exclude themselves from the Settlement Class.

5. To withdraw from this Settlement Agreement under this paragraph, the withdrawing Party must provide written notice to the other Party's counsel and to the Court within ten (10) business days of receipt of any order or notice of the Court modifying, adding or altering any of the material terms or conditions of this Agreement. In the event either Party withdraws from the Settlement, this Settlement Agreement shall be null and void, shall have no further force and effect with respect to any party in the Action, and shall not be offered in evidence or used in the Action or any other litigation for any purpose, including the existence, certification, or maintenance of any purported class. In the event of such withdrawal, this Settlement Agreement and all negotiations, proceedings, documents prepared, and statements made in connection herewith shall be inadmissible as evidence and without prejudice to the Defendant and Plaintiffs, and shall not be deemed or construed to be an admission or confession by any party of any fact, matter or proposition of law, and shall not be used in any manner for any purpose, and all parties to the Action shall stand in the same position as if this Settlement Agreement had not been negotiated, made or filed with the Court. Upon withdrawal, either party may elect to move the Court to vacate any and all orders entered pursuant to the provisions of this Settlement Agreement.

6. A change in law, or change of interpretation of present law, that affects this Settlement shall not be grounds for withdrawal from the Settlement.

VIII. ADMINISTRATIVE OBLIGATIONS

A. In connection with the administration of the Settlement, the Claim Administrator shall maintain a record of all contacts from Settlement Class Members regarding the Settlement, any claims submitted pursuant to the Settlement and any responses thereto. The Claim Administrator, on a monthly basis, shall provide to Class Counsel and Defense Counsel summary information concerning the number of claims made, number of claims approved, the number of

claims denied, the number of claims determined to be deficient, and total dollar amount of payouts on claims made, such that Class Counsel and Defense Counsel may inspect and monitor the claims process.

B. Except as otherwise stated in this Agreement, all reasonable expenses of the Claim Administrator incurred in administering this Settlement Agreement, including the Claim Administrator's cost of disseminating the Class Notice and of distributing and administering the benefits of the Settlement Agreement, shall be paid by Defendant.

IX. SETTLEMENT APPROVAL PROCESS

A. Preliminary Approval of Settlement

Promptly after the execution of this Settlement Agreement, Class Counsel shall present this Settlement Agreement to the Court, along with a motion requesting that the Court issue a Preliminary Approval Order substantially in the form attached as Exhibit 4.

B. Final Approval of Settlement

1. If this Settlement Agreement is preliminarily approved by the Court, and pursuant to a schedule set forth in the Preliminary Approval Order or otherwise agreed to by the Parties, Class Counsel shall present a motion requesting that the Court grant final approval of the Settlement and issue a Final Order and Judgment approving the Settlement, dismissing the Action with prejudice, and directing the entry of judgment pursuant to Fed. R. Civ. P. 54(b) substantially in a form to be agreed by the Parties.

2. The Parties agree to fully cooperate with each other to accomplish the terms of this Settlement Agreement, including but not limited to, execution of such documents and to take such other action as may reasonably be necessary to implement the terms of this Settlement Agreement. The Parties shall use their best efforts, including all efforts contemplated by this Settlement

Agreement and any other efforts that may become necessary by order of the Court, or otherwise, to effectuate this Settlement Agreement and the terms set forth herein. Such best efforts shall include taking all reasonable steps to secure entry of a Final Order and Judgment, as well as supporting the Settlement and the terms of this Settlement Agreement through any appeal.

C. Plaintiffs' Application for Attorney Fees, Expenses, and Incentive Awards

1. After the parties executed a term sheet reflecting their agreement on the material terms of this Settlement, the Parties began to discuss the issue of reasonable Class Counsel Fees and Expenses and Class Representative service awards. As a result of adversarial arm's length negotiations thereafter, the Parties hereby agree that Class Counsel may apply to the Court ("Fee and Expense Application") for a combined award of reasonable attorneys' fees, costs, and expenses (hereinafter, collectively, "Class Counsel Fees and Expenses") in an amount up to, but not exceeding, the total combined sum of \$1,750,000.00 for all Class Counsel and all fees, costs and expenses collectively.

2. Class Counsel may apply for such an award, up to that total combined sum, on or before thirty (30) days prior to the deadline in the Preliminary Approval Order for objections and/or requests for exclusion, or as otherwise directed by the Court. Class Counsel shall not accept any amount of Class Counsel Fees and Expenses exceeding said total combined and collective sum. The award of reasonable Class Counsel Fees and Expenses, to the extent consistent with this Agreement, shall be paid by Defendant as set forth below, and shall not reduce or in any way affect any benefits available to the Settlement Class pursuant to this Agreement.

3. The Parties agree that Class Counsel may also, as part of the Fee and Expense Application, apply to the Court for a reasonable service award of up to, but not exceeding, \$5,000.00 each to the following named Plaintiffs: Oral Damocles; Joseph Everly; Everett Fields; Jessica Gentry; Sarah Greendale and Vincent Viner (to receive only one award of \$5,000.00

collectively); Brittony Guillen; Justin Haller; Brett Halliday; Deborah Paraday; Jesse Rezendes; Rocco Russo; Rachael Teras; Courtney Wade; Michelle Welch; Suzanne Westcott; and Latoya Young, who are seeking to serve as class representatives in the Action (“Settlement Class Representatives”).

4. The Class Counsel Fees and Expenses and Settlement Class Representative Service Awards, to the extent consistent with this Agreement, shall be paid as directed by the Court by wire transfer to Lemberg Law LLC (“Lemberg Law”) within thirty (30) days after the later of the Effective Date of the Settlement or the date of entry of the Final Order and Judgment for attorney fees, expenses, and service awards, including final termination or disposition of any appeals relating thereto. Said payment to Lemberg Law shall fully satisfy and discharge all obligations of Defendant and the Released Parties with respect to payment of the Class Counsel Fees and Expenses, any attorneys’ fees in connection with this Action, and Settlement Class Representative service awards, and Lemberg Law shall thereafter have sole responsibility to distribute the appropriate portions of said payment to other Class Counsel (if any) and the Settlement Class Representatives.

5. Any order or proceedings relating solely to the Fee and Expense Application, or any appeal from any order related thereto or reversal or modification thereof, will not operate to terminate or cancel this Agreement, or affect or delay the Effective Date of the Settlement if it is granted final approval by the Court. Payment of Class Counsel Fees and Expenses and the Settlement Class Representatives’ service awards will not reduce the benefits to which Settlement Class Members may be eligible under the Settlement terms, and the Settlement Class Members will not be required to pay any portion of the Settlement Class Representatives’ service awards or Class Counsel Fees and Expenses.

D. Release of Plaintiffs' and Settlement Class Members' Claims

1. Upon the Effective Date, the Plaintiffs and each Settlement Class Member shall be deemed to have, and by operation of the Final Order and Judgment shall have, fully, completely and forever released, acquitted and discharged the Released Parties from all Released Claims.

2. Upon the Effective Date, with respect to the Released Claims, the Plaintiffs and all Settlement Class Members expressly waive and relinquish, to the fullest extent permitted by law, the provisions, rights, and benefits of § 1542 of the California Civil Code, which provides: "A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

3. Upon the Effective Date, the Action will be deemed dismissed with prejudice.

NOTICE OF PROPOSED CLASS ACTION SETTLEMENT

A federal court authorized this notice. This is not a solicitation from a lawyer.

UNITED STATES DISTRICT COURT MIDDLE DISTRICT OF TENNESSEE

A settlement has been reached in a class action alleging issues with certain 2022 model year Mitsubishi Outlander vehicles which causes their hoods to flutter. If you currently or previously owned or leased a certain 2022 model year Mitsubishi Outlander vehicle in the United States, you may be entitled to benefits under a class action settlement:

- **If you have a concern with your Outlander hood fluttering, you can get the hood repaired and replaced free of charge.**
- **Even if you have had your Outlander hood repaired or replaced but still have a hood fluttering concern, you can get it repair or replaced.**
- **You can get reimbursement of certain past paid out-of-pocket repair and rental expenses related to hood fluttering in certain 2022 model year Outlander vehicles.**

These benefits have certain time limitations so read this notice carefully.

This proposed class action, pending in the United States District Court for the Middle District of Tennessee, is captioned *Oral Damocles, et al. v. Mitsubishi Motors North America, Inc.*, Civil Action No. 3:22-cv-00401 (the “Action” or “Lawsuit”). The parties have agreed to a class settlement of the Action, which the Court has preliminarily approved, and have asked the Court to grant final approval of the proposed Settlement. As a Settlement Class Member, you have various options that you may exercise before the Court decides whether to approve the Settlement.

This Notice explains the Action, the proposed Settlement, your legal rights and options, available benefits, who is eligible for and how to obtain the benefits, and applicable dates, time deadlines, and procedures.

Your legal rights are affected whether you act or do not act. Read this Notice carefully.

The Court in charge of this case still has to decide whether to approve the Settlement. Payments will be made only if the Court approves the Settlement and after appeals, if any, are resolved.

BASIC INFORMATION

1. Why you received this notice, and what the Lawsuit and settlement benefits are.

According to records, you are a current or past owner or lessee of a certain specific 2022 model year Mitsubishi Outlander vehicle that was distributed by Mitsubishi Motors North America, Inc. (“MMNA”) in the United States (hereinafter, collectively, “Settlement Class Vehicles”), identified in a VIN list attached as Exhibit 5 to the Settlement Agreement:

*Not every 2022 model year Mitsubishi Outlander vehicle is covered by this Settlement (i.e., a Settlement Class Vehicle). The specific Settlement Class Vehicles are determined by Vehicle Identification Numbers (VINs). You can look up whether your vehicle is a Settlement Class Vehicle by typing your vehicle’s VIN where indicated in the VIN Lookup Portal on the Settlement website, www.████████.com.

A Settlement Class Member is defined as a current or past owner or lessee of a Settlement Class Vehicle, subject to exclusions listed in section 3 below.

The Lawsuit claims that the putative class vehicles’ hoods are defective and may flutter and bounce while driving. MMNA has denied the claims and maintains that the hoods are not defective, were properly designed, manufactured,

marketed, and sold, and that no applicable warranties were breached nor any applicable statutes violated. The Court has not decided in favor of either party. Instead, the Lawsuit has been resolved through a Settlement under which the benefits set forth below will be provided:

I. Hood Replacement Warranty Extension for Current Owners or Lessees of Settlement Class Vehicles and Transportation

MMNA agrees to perform a hood replacement on all Settlement Class Vehicles for customers that express concerns with hood fluttering, as follows. Effective [Notice Date], MMNA will extend the New Vehicle Limited Warranty (“NVLW”) for all Settlement Class Vehicles to cover 100% of the cost of the hood replacement repair set forth in TSB-21-42A011REV2 (“MODIFIED HOOD FOR HOOD FLUTTER – 2022 OUTLANDER – REVISED”), by an authorized Mitsubishi dealer, for all U.S. owners or lessees of Settlement Class Vehicles that express concerns with hood fluttering in their Settlement Class Vehicles, for a period of eighteen (18) months commencing on [Notice Date]. This Warranty Extension shall apply regardless of whether the Settlement Class Vehicle (i) is currently within the NVLW’s 5-years/60,000-miles coverage period, or (ii) previously received a hood repair pursuant to TSB-21-42A-011, TSB-21-42A-011REV or TSB-21-42A-011REV2. MMNA shall revise TSB-21-42A-011REV2 to explicitly provide authorized Mitsubishi dealerships with authorization to perform the hood replacement repair (including necessary paint) on all eligible Settlement Class Vehicles pursuant to this Warranty Extension.

Also effective [Notice Date], for any U.S. owner or lessee of a Settlement Class Vehicle that received a hood repair prior to [Notice Date] through TSB-21-42A-011, TSB-21-42A-011REV or TSB-21-42A-011REV2, MMNA will extend the NVLW to cover 100% of the cost of repair or replacement (including necessary paint), by an authorized Mitsubishi dealer, of a Settlement Class Vehicle presenting with concerns of hood fluttering, during a period of eighteen (18) months from the date that the prior hood repair was performed on said vehicle, regardless of mileage at time of repair. For Settlement Class Vehicles that received a hood repair more than 18 months prior to the [Notice Date], this Warranty Extension will apply for six (6) months, commencing on the [Notice Date].

Without cost to and upon request from Settlement Class Members whose hoods are being repaired or replaced pursuant to this Warranty Extension, Mitsubishi dealers will provide a complimentary loaner vehicle or rental car during the time the Settlement Class Vehicle is being repaired.

The Warranty Extension will be subject to the same terms and conditions as the original NVLW, and is fully transferable to subsequent owners to the extent that the time limitation of the Warranty Extension has not expired.

Excluded from the Warranty Extension is any failure of the hood resulting from damage, abuse, alteration, modification, collision or crash, vandalism, and/or other impact or outside sources.

II. Reimbursement of Certain Past Paid (and Unreimbursed) Out-of-Pocket Expenses for Repairs or Rentals

Settlement Class Members who submit to the Claim Administrator (by mail or online through the Settlement Website) a timely and complete Claim for Reimbursement shall be eligible for (i) 100% reimbursement of the past paid (and unreimbursed) cost (parts and labor) of repair or replacement of the hood of a Settlement Class Vehicle incurred prior to the Notice Date, and (ii) past paid (and unreimbursed) rental car costs related to past hood repairs incurred while the Settlement Class Vehicle was undergoing repair and prior to the Notice Date.

If the past paid repair or replacement occurred within the original NVLW period but was not performed by an authorized Mitsubishi dealer, then the Settlement Class Member must submit records (or a sworn declaration if records are not available after a good faith effort to obtain them) confirming that he/she first tried to have the repair or replacement performed by an authorized Mitsubishi dealer but the dealer declined or was unable to perform the repair or replacement. A form Declaration is available and can be submitted on the Settlement website at www._____.com.

For reimbursement of rental car expenses if the hood repair or replacement was performed by an authorized Mitsubishi dealer, the Settlement Class Member must provide proof (by sworn declaration) that they requested and were not provided a substitute vehicle such as a loaner or rental car from the dealer during the time in which the rental

car was obtained because the Settlement Class Vehicle was at the dealer for a hood repair or replacement. A form Declaration is available and can be submitted on the Settlement website at www._____.com.

The above relief is subject to certain limitations and proof requirements which are set forth below and in the Settlement Agreement which can be found on the Settlement website at www._____.com.

A. Required Claim Form and Supporting Documentation:

In order to submit a valid Claim for Reimbursement under this Settlement, you must either mail to the Claims Administrator, by first-class mail **post-marked no later than _____ [90 days after Notice Date]**, or submit to the Claims Administrator online through the Settlement Website **no later than _____ [90 days after Notice Date]**, a fully completed, signed and dated Claim Form, a copy of which is also available at www._____.com, together with all required documentation listed below.

(1) an original or legible copy of a repair invoice(s) or record(s) for the repair covered under the Settlement containing claimant's name, the make, model and vehicle identification number ("VIN") of the Settlement Class Vehicle, the name and address of the authorized Mitsubishi dealer or non-dealer service center that performed the covered repair, the date of the covered repair, a description of the repair work performed including the parts repaired/replaced which may include a breakdown of parts and labor costs, and the amount charged (parts and labor) for the covered repair;

(2) proof of the Settlement Class Member's payment for the covered repair; and

(3) if the person/entity seeking reimbursement is different from the one to whom the Class Notice was mailed, then proof of the Settlement Class Member's ownership or lease of the Settlement Class Vehicle at the time of the covered repair.

B. Limitations:

Any reimbursement shall be reduced by goodwill or other monies or concessions previously paid by an authorized Mitsubishi dealer, any other entity (including insurers and providers of extended warranties or service contracts), or from any other source, for repair or replacement of any hood or hood-related repairs. If the Settlement Class Member received a free replacement or repair, or was otherwise reimbursed the full amount for the repair or replacement, then they will not be entitled to any reimbursement.

MMNA will not be responsible for, and shall not warrant, any repair or replacement work that is not performed by an authorized Mitsubishi dealer.

Excluded from reimbursement is any hood issue resulting from damage, abuse, alteration, modification, collision or crash, vandalism, and/or other impact or damage from outside sources.

Reimbursement for a past paid repair or replacement performed by a service entity or facility that is not an authorized Mitsubishi dealer shall not exceed a maximum reimbursement amount (parts and labor) of \$4,595.

2. Why is this a class action settlement?

In a class action lawsuit, one or more persons, called Plaintiffs and Class Representatives, sue on behalf of other people who have similar claims. All of these people are Class Members or Settlement Class Members. The company they sued is called the Defendant. One court resolves the issues for all Settlement Class Members, except for those who exclude themselves from the Class.

The Court has not decided in favor of the Plaintiffs or Defendant. Instead, both sides agreed to a Settlement with no decision or admission of who is right or wrong. That way, all parties avoid the risks, delays, and costs of a trial, and the people affected (the Settlement Class Members) will receive benefits quickly. The Class Representatives and the attorneys believe the Settlement is best for the Settlement Class.

WHO IS PART OF THE SETTLEMENT?

3. Am I in this Settlement Class?

The Court has conditionally approved the following definition of a Settlement Class: “All present and former U.S. owners and lessees of Settlement Class Vehicles, certain model year 2022 Mitsubishi Outlander vehicles as defined in Section I.V. of the Settlement Agreement.”

You can look up whether your vehicle is a Settlement Class Vehicle by typing your vehicle’s VIN where indicated in the VIN Lookup Portal on the Settlement website, www._____.com.

Excluded from the Settlement Class are (a) all Judges who have presided over the Action and their spouses; (b) all current employees, officers, directors, agents and representatives of Defendant, and their family members; (c) any affiliate, parent or subsidiary of Defendant and any entity in which Defendant has a controlling interest; (d) anyone acting as a used car dealer; (e) anyone who purchased a Settlement Class Vehicle for the purpose of commercial resale; (f) anyone who purchased a Settlement Class Vehicle with salvaged title and/or any insurance company who acquired a Settlement Class Vehicle as a result of a total loss; (g) any insurer of a Settlement Class Vehicle; (h) issuers of extended vehicle warranties and service contracts; (i) any Settlement Class Member who, prior to the date of the Settlement Agreement, settled with and released Defendant or any Released Parties from any Released Claims, and (k) any Settlement Class Member that files a timely and proper Request for Exclusion from the Settlement Class (see Section 10 below).

4. I’m still not sure if I am included in this Settlement.

If you are still not sure whether you are included in this Settlement, you can get more information. You can enter your VIN in the VIN Lookup Portal at www._____.com to determine if your vehicle is a Settlement Class Vehicle. You can also call the Claim Administrator at 1-_____-_____-_____ or visit www._____.com for more information.

SETTLEMENT BENEFITS – WHAT YOU GET

5. What does the Settlement provide?

The benefits afforded by the Settlement are described in Section 1. Additional details are provided in the next three sections.

6. Who can send in a Claim for reimbursement?

Any resident of the United States or its territories or possessions who purchased or leased a Settlement Class Vehicle can send in a timely Claim for reimbursement for money spent prior to _____ [the Notice Date] if the Claim satisfies the parameters and criteria required for reimbursement as described in Section 1.

7. How do I send in a Claim for reimbursement?

To submit a Claim for reimbursement, you must do the following no later than _____:

- A. Complete a Claim Form. This is the only way to submit a claim. You can submit a claim form online at www._____ or download a claim form and mail it in.
- B. Online. Go to www._____ to complete an online claim form. Your completed signed, and dated Claim Form, together with your supporting documentation (i.e., repair record[s], receipts, proof of payment, etc.) must be submitted no later than _____. The information that must be reflected in your records is described on the Claim Form.
- C. Mail. Or you can submit a claim by mail. Your completed, signed, and dated Claim Form, together with your supporting documentation (i.e., repair record[s], receipts, proof of payment, etc.) must be submitted by First-Class mail, post-marked no later than _____, to the Claim Administrator at the address provided on the Claim Form. The information that must be reflected in your records is described on the Claim Form.

Questions? Call 1-_____-_____-_____ or visit www._____.com

If you are eligible for reimbursement benefits under the Settlement but fail to submit the completed Claim Form and supporting documents by the required deadline, you will not receive a reimbursement.

8. When do I get my reimbursement or learn whether I will receive a payment?

If the Claims Administrator determines your Claim is valid, your reimbursement will be mailed to you within one hundred (150) days of either (i) the date of receipt of the completed Claim (with all required proof), or (ii) the date that the Settlement becomes final (the “Effective Date”), whichever is later. The Court will hold a Final Fairness Hearing on [REDACTED], to decide whether to approve the Settlement as fair, reasonable, and adequate. Information about the progress of the case will be available at www.[REDACTED].com.

If the Claims Administrator determines your Claim should not be paid, you will be mailed a letter telling you this. If the reason for rejecting your Claim is due to a deficiency in your Claim Form and/or supporting proof, the letter will notify you of the deficiency in your Claim, and what needs to be submitted, and by when, to correct the deficiency. To check on the status of your Claim, you can call 1-[REDACTED].

9. What am I giving up to participate in the Settlement and stay in the Class?

Unless you exclude yourself by taking the steps described in Section 10 below, you will remain in the Class, and that means that you will be bound by the release of claims and cannot sue, continue to sue, or be part of any other lawsuit which arise from the hoods and their associated parts and hood flutter in Settlement Class Vehicles, that were or could have been asserted in this case, and the Released Claims set forth in the Settlement Agreement. It also means that all of the Court’s orders and judgments will apply to you and legally bind you. The specific claims and parties you will be releasing are set forth in sections I.S and I.T of the Settlement Agreement, a copy of which is available for review on the settlement website, www.[REDACTED].com.

EXCLUDING YOURSELF FROM THE SETTLEMENT

10. How do I Exclude Myself from this Settlement?

You have a right, if you so desire, to exclude yourself from this Settlement. To exclude yourself from the Settlement, you must send a written Request for Exclusion by U.S. mail **post-marked no later than [REDACTED], [45-days after the “Notice Date”]**, stating clearly that you want to be excluded from the Settlement. You must include in the Request for Exclusion your full name, address, telephone number; the model, model year and VIN of the Settlement Class Vehicle; and specifically and unambiguously state your desire to be excluded from the Settlement Class. You must mail your exclusion request, **post-marked no later than [REDACTED], [45-days after “Notice Date”]**, to each of the following:

CLAIM ADMINISTRATOR	CLASS COUNSEL	DEFENSE COUNSEL
[CLAIM ADMINISTRATOR] [ADDRESS]	SERGEI LEMBERG, ESQ. LEMBERG LAW, LLC 43 DANBURY ROAD WILTON, CT 06897	AMIR NASSIHI, ESQ. SHOOK, HARDY & BACON L.L.P. 555 MISSION STREET, SUITE 2300 SAN FRANCISCO, CA 94105

You cannot exclude yourself on the phone or by email. If you timely submit your request to be excluded by U.S. mail, you will not receive any benefits of the Settlement and you cannot object to the Settlement. You will not be legally bound by anything that happens in this Lawsuit.

11. If I don’t exclude myself, can I sue later?

No, not for the same matters and legal claims that were or could have been asserted in the Action or the Released Claims, unless your claim is for personal injury or property damage (other than damage to the Settlement Class Vehicle itself).

12. If I exclude myself, can I get the benefits of this Settlement?

No, if you exclude yourself from the Settlement Class, you will not receive any money or benefits from this Settlement, and you should not submit a Claim Form. You cannot do both.

13. Do I have a lawyer in this case?

The Court has appointed the law firm of Lemberg Law LLC to represent Settlement Class Members. This law firm is called “Class Counsel.”

14. Should I get my own lawyer?

You do not need to hire your own lawyer to participate in the Settlement because Class Counsel will be representing you and the Settlement Class. But, if you want your own lawyer, you may hire one at your own cost.

15. How will the lawyers be paid, and will the Plaintiff Settlement Class Representative receive a service award?

Class Counsel have prosecuted this case on a contingency basis. They have not received any fees or reimbursement for costs and expenses associated with this case. Class Counsel will file an application with the Court requesting an award of reasonable attorney fees and reasonable costs and expenses (“Fees and Expenses”) in an amount not exceeding a combined total sum of \$1,750,000.

Class Counsel will also apply to the Court for service awards to the named Plaintiffs, Oral Damocles; Joseph Everly; Everett Fields; Jessica Gentry; Sarah Greendale and Vincent Viner (to receive only one award collectively); Brittony Guillen; Justin Haller; Brett Halliday; Deborah Paraday; Jesse Rezendes; Rocco Russo; Rachael Teras; Courtney Wade; Michelle Welch; Suzanne Westcott; and Latoya Young, who have conditionally been approved as Settlement Class Representatives, in the amount of \$5,000 each for their efforts in pursuing this litigation for the benefit of the Settlement Class.

Any award for Class Counsel Fees and Expenses, and any service awards to Settlement Class Representatives, will be paid separately by Defendant and will not reduce any benefits available to you or the rest of the Settlement Class under the Settlement. You won’t have to pay these Fees and Expenses.

Class Counsel’s motion for fees and expenses and Settlement Class Representative service awards will be filed by [REDACTED], and a copy will be made available for review at www.[REDACTED].com.

SUPPORTING OR OBJECTING TO THE SETTLEMENT

16. How do I tell the Court that I like or dislike the Settlement?

If you are a member of the Settlement Class and do not request to be excluded, you can tell the Court you like the Settlement and it should be approved, or you can ask the Court to deny approval by filing a written objection. You can object to the Settlement and/or to Class Counsel’s requests for Fees and Expenses and Settlement Class Representative service awards. You are not required to submit anything to the Court unless you are objecting or wish to be excluded from the Settlement.

To object to or comment on the Settlement, you must do either of the following:

- (i) File your written objection or comment, and any supporting papers or materials, on the Court’s docket for this case, *Oral Damocles, et al. v. Mitsubishi Motors North America, Inc.*, United States District Court for the Middle District of Tennessee, Civil Action No. 3:22-cv-00401, via its electronic filing system, no later than [REDACTED] **[45-days after “Notice Date”], or**
- (ii) File your written objection or comment, and any supporting papers or materials, with the Court in person at the Clerk’s Office of the United States District Court for the District of Tennessee, located at Fred D. Thompson U.S. Courthouse and Federal Building 719 Church Street, Nashville, TN 37203, Suite 1300, no later than [REDACTED] **[45-days after “Notice Date”], or**

Questions? Call 1-[REDACTED] or visit www.[REDACTED].com

(iii) Mail your written objection or comment, and any supporting papers or materials, to each of the following, by U.S. first-class mail, post-marked no later than [redacted] [45-days after “Notice Date”]:

COURT	CLASS COUNSEL	DEFENSE COUNSEL
UNITED STATES DISTRICT COURT FOR THE MIDDLE DISTRICT OF TENNESSEE FRED D. THOMPSON U.S. COURTHOUSE AND FEDERAL BUILDING 719 CHURCH STREET, SUITE 1300 NASHVILLE, TN 37203	SERGEI LEMBERG, ESQ. LEMBERG LAW, LLC 43 DANBURY ROAD WILTON, CT 06897	AMIR NASSIHI, ESQ. SHOOK, HARDY & BACON L.L.P. 555 MISSION STREET, SUITE 2300 SAN FRANCISCO, CA 94105

Regardless of the above method you choose, your written objection must state clearly that you are objecting to the Settlement or the request for Class Counsel Fees and Expenses and/or Class Representative Service Awards, in *Oral Damocles, et al. v. Mitsubishi Motors North America, Inc.*, United States District Court for the Middle District of Tennessee, Civil Action No. 3:22-cv-00401, and must include your full name, current address and telephone number; the model, model year and VIN of your Settlement Class Vehicle, along with proof that you own(ed) or lease(d) the Settlement Class Vehicle (i.e., a true copy of a vehicle title, registration or license receipt); a written statement of all grounds for the objection accompanied by any legal support for such objection; the name and address of any counsel representing you; and a statement of whether the objecting Settlement Class Member intends to appear at the Final Fairness Hearing, either with or without counsel, and the identity(ies) of any counsel who will appear on behalf of the Settlement Class Member objection at the Final Fairness Hearing. Any Settlement Class Member objecting to the Settlement must also provide a list of all other objections submitted by the objector, or the objector’s counsel, to any class action settlements in any court in the United States in the previous five (5) years, including the full case name with jurisdiction in which it was filed and the docket number, or affirmatively state that the Settlement Class Member or his/her counsel has not objected to any other class action settlement in the United States in the previous five (5) years, in the written materials provided with the objection.

Subject to the approval of the Court, any timely and properly objecting Settlement Class Member may appear, in person or by counsel, at the Final Fairness Hearing. In order to appear, the objecting Settlement Class Member must, by the objection deadline of [redacted] [45-days after “Notice Date”], file with the Clerk of the Court and serve upon all counsel designated in the Class Notice (see above), a Notice of Intention to Appear at the Fairness Hearing. The Notice of Intention to Appear must include copies of any papers, exhibits or other evidence and identity of witnesses that the objecting Settlement Class Member (or his/her counsel) intends to present to the Court in connection with the Fairness Hearing.

Any Settlement Class Member who has not timely and properly filed an objection in accordance with the deadlines and requirements set forth in the Settlement Agreement shall be deemed to have waived and relinquished his/her/its right to object to any aspect of the Settlement, or any adjudication or review of the Settlement, by appeal or otherwise.

Any Settlement Class Member who does not provide a Notice of Intention to Appear in accordance with the deadline and other requirements set forth in this Settlement Agreement and Class Notice shall be deemed to have waived any right to appear, in person or by counsel, at the Final Fairness Hearing.

17. What is the difference between objecting and excluding myself?

Objecting is simply telling the Court that you do not like something about the Settlement. You can object only if you stay in the Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class and the Settlement. If you exclude yourself, you have no basis to object because the case no longer affects you.

FINAL FAIRNESS HEARING

18. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Fairness Hearing at **a.m. on** _____, before the Honorable Eli J. Richardson, United States District Judge, United States District Court for the Middle District of Tennessee, Martin Luther King Jr. Federal Building and United States Courthouse, Fred D. Thompson U.S. Courthouse and Federal Building, 719 Church Street, Courtroom 5C, Nashville, TN 37203, to determine whether the Settlement should be finally approved. At this Fairness Hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. The Court will also consider Class Counsel's application for Fees and Expenses and service awards to the Settlement Class Representatives. The date of the Final Fairness Hearing may change without further notice to the Settlement Class. You should check the Settlement Website or the Court's PACER site to confirm that the date has not changed.

19. Do I have to come to the Fairness Hearing?

No. Class Counsel will answer any questions the Court may have. But you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. You may also pay your own lawyer to attend. Your objection will be considered by the Court whether you or your lawyer attend or not.

20. May I speak at the Fairness Hearing?

If you do not exclude yourself, you may ask the Court's permission to speak at the Fairness Hearing concerning the proposed Settlement or the application of Class Counsel for Fees and Expenses and Settlement Class Representative service awards. To do so, you must file with the Clerk of the Court, and serve upon all counsel identified in Section 16 of this Class Notice, a Notice of Intention to Appear at the Fairness Hearing, saying that it is your intention to appear at the Fairness Hearing in *Oral Damocles, et al. v. Mitsubishi Motors North America, Inc.*, United States District Court for the Middle District of Tennessee, Civil Action No. 3:22-cv-00401. The Notice of Intention to Appear must include copies of any papers, exhibits or other evidence and the identity of witnesses that the objecting Settlement Class Member (or the objecting Settlement Class Member's counsel) intends to present to the Court in connection with the Fairness Hearing.

You must file your Notice of Intention to Appear with the Clerk of the Court and serve upon all counsel designated in the Class Notice, by the objection deadline of _____ [45-days after "Notice Date"]. You cannot speak at the Fairness Hearing if you excluded yourself from the Settlement.

IF YOU DO NOTHING

21. What happens if I do nothing at all?

If you do nothing, you will be bound by the Settlement if the Court approves it, including all orders, judgments and the release of claims set forth in the Settlement.

UNITED STATES DISTRICT COURT
FOR THE MIDDLE DISTRICT OF TENNESSEE
NASHVILLE DIVISION

Oral Damocles *et al.*, *on behalf of themselves*
and all others similarly situated

Plaintiffs,

v.

Mitsubishi Motors North America, Inc.,

Defendant.

Case No. 3:22-cv-00401 consolidated with
Case No. 3:23-cv-00488, and
Case No. 3:23-cv-00839

Judge Eli J. Richardson
Magistrate Judge Alistair E. Newbern

**ORDER GRANTING PRELIMINARY APPROVAL OF
CLASS ACTION SETTLEMENT**

WHEREAS, pursuant to Rules 23(a) and 23(b)(3) of the Federal Rules of Civil Procedure, the parties in this consolidated action seek entry of an order preliminarily approving the settlement of this action pursuant to their settlement agreement (the “Settlement Agreement” or “Settlement”), which, together with its attached exhibits, sets forth the terms and conditions for a proposed settlement of the Action and dismissal of the Action with prejudice; and

WHEREAS, the Court has read and considered the Settlement and its exhibits, and Plaintiffs’ Unopposed Motion for Preliminary Approval;

NOW, THEREFORE, IT IS ON THIS ___ DAY OF _____, 2026,

ORDERED THAT:

1. This Order incorporates by reference the definitions in the Settlement Agreement, and all terms used in this Order shall have the same meanings as set forth in the Settlement Agreement.

2. The Court has jurisdiction over the subject matter and parties to this proceeding pursuant to 28 U.S.C. §§ 1331 and 1332 and the Class Action Fairness Act.

3. Venue is proper in this District.

4. Having considered the requirements of Fed. R. Civ. P. 23(e)(2) and the considerations set forth in *Int'l Union, United Auto., Aerospace & Agric. Implement Workers v. Gen. Motors Corp.*, 497 F.3d 615, 631 (6th Cir. 2007), the Court grants preliminary approval of the Settlement as fair, reasonable and adequate under Rule 23. The Court finds that the Settlement was reached in the absence of collusion, and is the product of informed, good faith, arm's-length negotiations between the parties and their capable and experienced counsel, and with the assistance of an experienced and neutral Mediator. The Court further finds that the Settlement, including the exhibits attached thereto, is sufficiently fair, reasonable and adequate to justify preliminary approval of the Settlement, preliminary certification of the proposed Settlement Class, dissemination of notice to the Settlement Class, as set forth below and in the Settlement, and to schedule a Final Fairness Hearing to determine whether to grant final approval of the Settlement and enter a final approval order and judgment.

5. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court certifies, solely for purposes of effectuating the Settlement, the Settlement Class as follows:

All present and former U.S. owners and lessees of Settlement Class Vehicles, certain model year 2022 Mitsubishi Outlander vehicles as defined in Section I.V. of the Settlement Agreement

6. "Settlement Class Vehicles" are defined as certain model year 2022 Mitsubishi Outlander vehicles, distributed by MMNA for sale or lease in the United States, which are specifically identified by Vehicle Identification Number ("VIN") in Exhibit 5 to the Agreement..

7. Excluded from the Settlement Class (a) all Judges who have presided over the Action and their spouses; (b) all current employees, officers, directors, agents and representatives

of Defendant, and their family members; (c) any affiliate, parent or subsidiary of Defendant and any entity in which Defendant has a controlling interest; (d) anyone acting as a used car dealer; (e) anyone who purchased a Settlement Class Vehicle for the purpose of commercial resale; (f) anyone who purchased a Settlement Class Vehicle with salvaged title and/or any insurance company who acquired a Settlement Class Vehicle as a result of a total loss; (g) any insurer of a Settlement Class Vehicle; (h) issuers of extended vehicle warranties and service contracts; (i) any Settlement Class Member who, prior to the date of this Agreement, settled with and released Defendant or any Released Parties from any Released Claims, and (k) any Settlement Class Member that files a timely and proper Request for Exclusion from the Settlement Class.

8. The Court preliminarily appoints Lemberg Law as Settlement Class Counsel.

9. The Court preliminarily appoints Plaintiffs Oral Damocles, Joseph Everly, Everett Fields, Jessica Gentry, Sarah Greendale, Brittony Guillen, Justin Haller, Brett Halliday, Deborah Paraday, Jesse Rezendes, Rocco Russo, Rachael Teras, Vincent Viner, Courtney Wade, Michelle Welch, Suzanne Westcott, and Latoya Young as Settlement Class Representatives.

10. The Court preliminarily finds, solely for purposes of the Settlement, that the Settlement satisfies the requirements of Rule 23 such that preliminary certification of the Settlement Class and dissemination of the class notice pursuant to the Settlement's notice program are appropriate. The Court further finds, for Settlement purposes, that: (a) the Settlement Class is so numerous that joinder of all Settlement Class Members in the Action is impracticable; (b) there are questions of law and fact common to the Settlement Class that predominate over any individual questions; (c) the claims of the Settlement Class Representatives are typical of the claims of the Settlement Class; (d) the Settlement Class Representatives and Settlement Class Counsel have and will continue to fairly and adequately

represent and protect the interests of the Settlement Class; and (e) a class action is superior to all other available methods for the fair and efficient adjudication of the controversy. The Court also preliminarily finds that certification of the Settlement Class is appropriate when balanced against the risks of continued litigation.

11. The Court finds that extensive and costly investigation, research, and discovery has been conducted to a sufficient extent that counsel for the parties are reasonably able to evaluate their claims and defenses, the risks of further litigation, and the benefits of settlement which will avoid substantial additional costs to the parties and reduce delay and risks associated with litigating this action to conclusion. It further appears that the Settlement has been reached as a result of intensive, arm's-length negotiations of vigorously disputed claims, with the assistance of an experienced and a third-party neutral Mediator.

12. The Court preliminarily approves the Settlement Agreement and its content and exhibits, including the form and content of the Claim Forms (Exhibit 1 to the Settlement Agreement) and the form and content of the Settlement Class Notice (Exhibits 2 and 3 to the Settlement Agreement). The Court finds that the mailing of the Settlement Class Notice in the manner set forth in the Settlement Agreement, as well as the establishment of a settlement website, satisfy Rule 23 and due process. The foregoing is the best notice practicable under the circumstances and is reasonably calculated to apprise the Settlement Class of the pendency of the Action, the class certification for settlement purposes only, the terms of the Settlement and benefits afforded, the Settlement Class Members' rights including the right to opt-out of or object to the Settlement and the deadlines and procedures for doing so, the deadline, procedures and requirements for submitting a reimbursement claim pursuant to the Settlement, Class Counsel's application for fees and expenses, the request for service awards for the named

Plaintiffs, and other pertinent information. The Settlement Class Notice and notice plan constitute due and sufficient notice to the Settlement Class. The Court authorizes the Parties to make non-material modifications to the Settlement Class Notice and Claim Form prior to publication if they jointly agree that any such changes are appropriate.

13. Accordingly, the Court directs that the aforementioned Class Notice be mailed to the Settlement Class Members, pursuant to the terms of the Settlement.

14. The Settlement Claim Administrator is directed to perform all settlement administration duties set out in the Settlement Agreement, including establishing, maintaining, and administering a website dedicated to the Settlement which (i) will provide information about the Settlement including all relevant documents and deadlines and (ii) will instruct on how to submit a Claim for reimbursement. At least fourteen (14) days before the Final Approval Hearing, the Settlement Claim Administrator shall provide an affidavit or declaration to the Court attesting that Settlement Class Notice was disseminated in a manner consistent with the terms of the Settlement.

15. The Departments of Motor Vehicles within the United States and its territories are ordered to provide approval to Polk/IHS Markit, or any other company so retained by the parties and/or the Settlement Claim Administrator, to release the names and addresses of Settlement Class Members in this action associated with the titles of the Vehicle Identification Numbers at issue in this action for the purposes of disseminating the Settlement Class Notice to the Settlement Class Members. Polk/IHS Markit, or any other company so retained by the parties and/or the Settlement Claim Administrator, is ordered to license, pursuant to agreement between Defendant and such company, and/or the Settlement Claims Administrator and such company,

the Settlement Class Members' contact information to Defendant solely for the use of providing Settlement Class Notice in this action and for no other purpose.

16. Any Settlement Class Members that wish to exclude themselves from the Settlement must submit a Request for Exclusion, in writing, to the Settlement Claim Administrator, Class Counsel, and Defense Counsel at the addresses to be specified in the Class Notice. All Requests for Exclusion must be postmarked no within forty-five (45) days after the Notice Date) (the "Exclusion Deadline"), and must include/state the following:

- (a) the Settlement Class Member's full name, address and telephone number;
- (b) the model, model year and VIN of the Settlement Class Vehicle; and
- (c) specifically and unambiguously state his/her/its desire to be excluded from the Settlement Class.

17. Any Settlement Class Member who fails to submit a timely and complete Request for Exclusion mailed to the proper addresses shall remain in the Settlement Class and shall be subject to and bound by all determinations and judgments in the Action concerning the Settlement, including but not limited to the Release set forth in the Settlement Agreement.

18. Any Settlement Class Member who has not submitted a Request for Exclusion may object to the fairness of this Settlement Agreement, the request for Settlement Class Counsel fees and expenses and/or the request for Settlement Class Representative service awards. Any objection and supporting documents must be filed within forty-five (45) days after the Notice Date (the "Objection Deadline"), in person with the Court or via the Court's electronic filing system, or if not filed in person with the Court or via the Court's electronic system, the objection and supporting documents must be mailed to all of the following persons by first-class mail postmarked no later than the Objection Deadline:

- (a) Clerk of the Court, Fred D. Thompson U.S. Courthouse and Federal Building, 719 Church Street, Suite 1300, Nashville, TN 37203; and

- (b) Sergei Lemberg, Lemberg Law, LLC, 43 Danbury Road, 3rd Floor, Wilton, CT 06897; and
- (c) Amir Nassihi, Esq., Shook, Hardy & Bacon L.L.P., 555 Mission Street, Suite 2300, San Francisco, CA 94105; and

19. For an objection to be considered by the Court, the objection must contain the following:

- (a) the objector's full name, address, and telephone number;
- (b) the model, model year and Vehicle Identification Number of the Settlement Class Vehicle, along with proof that the objector has owned or leased the Settlement Class Vehicle (i.e., a true copy of a vehicle title, registration, or license receipt);
- (c) a written statement of all grounds for the objection accompanied by any legal support for such objection;
- (d) copies of any papers, briefs, or other documents upon which the objection is based and are pertinent to the objection;
- (e) the name and address of the lawyer(s), if any, who is representing the objecting Settlement Class Member in making the objection;
- (f) a statement of whether the objecting Settlement Class Member intends to appear at the Final Fairness Hearing, either with or without counsel, and the identity(ies) of any counsel who will appear on behalf of the Settlement Class Member objection at the Final Fairness Hearing; and

If the Settlement Class Member or his/her/its counsel has not objected to any other class action settlement in the United States in the previous five years, he/she/it shall affirmatively so state in the objection.

20. Any objection that fails to satisfy all of these requirements is not valid and shall not be considered by the Court. Any Settlement Class Member who has not timely and properly filed an objection in accordance with the deadlines and requirements set forth herein shall be deemed to have waived and relinquished his/her/its right to object to any aspect of the Settlement, or any adjudication or review of the Settlement, by appeal or otherwise.

21. Subject to the approval of the Court, any timely and properly objecting Settlement Class Member may appear, in person by counsel, at the final fairness hearing to explain the bases for his/her/its objection. In order to appear, the objecting Settlement Class Member must, by the Objection Deadline, file with the Clerk of the Court and serve upon all counsel designated in the Class Notice, a notice of intention to appear at the fairness hearing. The notice of intention to appear must include copies of any papers, exhibits, or other evidence and identity of witnesses that the objecting Settlement Class Member (or the objecting Settlement Class Member's counsel) intends to present to the Court in connection with the fairness hearing.

22. Any Settlement Class Member who does not provide a Notice of Intention to Appear in accordance with the deadline and other specifications set forth in the Class Notice, or who has not filed an objection in accordance with the deadline and other requirements set forth in the Settlement Agreement and Class Notice, shall be deemed to have waived and relinquished any right to appear, in person or by counsel, at the Final Fairness Hearing..

23. The Court hereby schedules the Final Fairness Hearing for _____ at _____, and will take place in Courtroom 5C of the United States District Court for the Middle District of Tennessee, Fred D. Thompson U.S. Courthouse and Federal Building, 719 Church Street, Suite 1300, Nashville, TN 37203. The Final Fairness Hearing will assist the Court in determining whether the proposed Settlement should receive final approval as fair, reasonable, and adequate, the Settlement Class should be certified, a final order and judgment should be entered approving the Settlement, and whether Settlement Class Counsel's applications for reasonable attorneys' fees and expenses and service awards to the Settlement Class Representatives should be approved.

24. Settlement Class Counsel shall file their motion for reasonable attorneys' fees and expenses and service awards for the Settlement Class Representative Plaintiffs, no later than fifteen (15) days after the Notice Date. In addition, Class Counsel will cause the motion for reasonable attorneys' fees and expenses and service awards to be posted on the settlement website.

25. In the event the Settlement is not approved by the Court, or for any reason the parties fail to obtain a Final Order and Judgment as contemplated in the Settlement, or the Settlement is terminated pursuant to its terms for any reason, then the following shall apply:

- (a) All orders and findings entered in connection with the Settlement shall become null and void and have no further force and effect, shall not be used or referred to for any purposes whatsoever, and shall not be admissible or discoverable in this or any other proceeding, judicial or otherwise;
- (b) All of the Parties' respective pre-Settlement claims, defenses and procedural rights will be preserved, and the parties will be restored to their positions *status quo ante*;
- (c) Nothing contained in this order is, or may be construed as, any admission or concession by or against Defendant, Released Party or Plaintiffs on any claim, defense, or point of fact or law;
- (d) Neither the Settlement terms nor any publicly disseminated information regarding the Settlement, including, without limitation, the Class Notice, court filings, orders and public statements, may be used as evidence in this or any other proceeding, judicial or otherwise;
- (e) Neither the fact of, nor any documents relating to, either party's withdrawal from the Settlement, any failure of the Court to approve the Settlement, and/or any objections or interventions may be used as evidence;
- (f) The preliminary certification of the Settlement Class pursuant to this order shall be vacated automatically, and the Action shall proceed as though the Settlement Class had never been preliminarily certified; and

26. Pending the Final Fairness Hearing and the Court's decision whether to finally approve the Settlement, no Settlement Class Member, either directly, representatively, or in any

other capacity (including those Settlement Class Members who filed Requests for Exclusion from the Settlement which have not yet been approved by the Court at the Final Fairness Hearing), shall commence, continue, prosecute or participate in, against any of the Released Parties (as that term is defined in the Settlement Agreement), any action or proceeding in any court or tribunal asserting any of the matters, claims or causes of action that are to be released in the Settlement Agreement. Pursuant to 28 U.S.C. § 1651(a) and 2283, the Court finds that issuance of this preliminary injunction is necessary and appropriate in aid of the Court's continuing jurisdiction and authority over the Action.

27. Upon final approval of the Settlement, all Settlement Class Members who have not been determined to have timely and validly excluded themselves from the Settlement Class, shall be forever enjoined and barred from asserting any of the matters, Released Claims or causes of action released pursuant to the Settlement Agreement against any of the Released Parties, and any such Settlement Class Member shall be deemed to have forever released any and all such matters, Released Claims, and causes of action against any of the Released Parties as provided in the Settlement Agreement.

28. Settlement Class Counsel and Defendant's Counsel are hereby authorized to use all reasonable procedures in connection with approval of the Settlement that are not materially inconsistent with this order or the Settlement Agreement, including making, without further approval of the Court, agreed minor changes to the form or content of the Class Notice or to any other exhibits that the parties jointly agree are reasonable or necessary.

29. This Court shall maintain continuing jurisdiction over these settlement proceedings to assure the effectuation of the Settlement terms.

30. Based on the foregoing, the Court sets the following schedule for the Fairness
