Re: Incident Notification

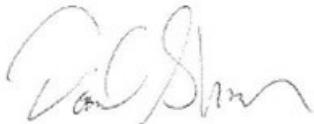

Dear Sir or Madam:

We are writing on behalf of our client, Delaware North, to notify you of an incident involving New Hampshire residents.

On January 28, 2026, Delaware North detected unusual activity in an employee's Microsoft account. Delaware North promptly secured the account and began an investigation. Through the investigation, Delaware North discovered that, on January 27, 2026, an unauthorized actor took copies of certain files. On May 28, 2026, Delaware North's review of the files determined that one or more contained the name and driver's license number or state issued identification number of 1,133 New Hampshire residents.

On June 5, 2026, Delaware North mailed a notification letter via U.S. First-Class mail to the New Hampshire residents. A copy of the notification is enclosed. Delaware North is offering one year of complimentary credit monitoring and identity theft protection services to the notified individuals. Delaware North has also established a toll-free call center to answer any questions the notified individuals may have.

Sincerely,

David B. Sherman
