# Basic Information

## 1. Why is this Notice being provided?

A court authorized this Notice because you have the right to know about the Settlement of this class action lawsuit, and about all of your rights and options, before the Court decides whether to grant final approval to the Settlement. This Notice explains the lawsuit, the Settlement, your legal rights, what Settlement benefits are available, who is eligible for them, and how to get them.

The Honorable Lindsay C. Jenkins of the United States District Court for the Northern District of Illinois is overseeing this class action. The lawsuit is known as *Grivetti et al. v. Dental Intelligence, Inc.*, Case No. 1:25-cv-02464. The people who filed this lawsuit are called the "Plaintiffs," and the company they sued, Dental Intelligence, Inc., is called the "Defendant."

## 2. What is this lawsuit about?

The Plaintiffs filed this lawsuit against Defendant on behalf of themselves and all others similarly situated alleging that information individuals shared when using the LocalMed Portal to schedule, modify, or re-schedule an appointment between March 2022 and June 2025 was disclosed to third parties without their consent. In particular, the lawsuit alleges that the LocalMed Portal collected information provided by individuals who used it and allegedly transmitted this information to Google and other unauthorized third parties without individuals' consent. If you have received this notice, Dental Intelligence, Inc.'s records indicate that you used the LocalMed Portal to schedule an appointment with one of your medical providers.

Defendant denies all allegations and denies any wrongdoing or liability and maintains that its practices are consistent with industry standards and the disclosures set forth on its platform. The Court has not made any determination regarding the allegations of wrongdoing by Defendant or whether any law has been violated. Instead, the Plaintiffs and Defendant have agreed to a settlement to avoid the risk, cost, and time of continuing the lawsuit.

## 3. Why is the lawsuit a class action?

In a class action, one or more people called Class Representatives sue on behalf of other people who have similar legal claims. Together, the people are a class or class members. One court resolves the issues for all class members, except for those class members who timely exclude themselves (opt-out) from the class.

## 4. Why is there a Settlement?

The Plaintiffs and Defendant do not agree on the merit of the legal claims made in this lawsuit. The lawsuit has not gone to trial, and the Court has not decided in favor of the Plaintiffs or Defendant. Instead, the Plaintiffs and Defendant have agreed to settle the lawsuit. The Class Representatives and their lawyers believe the Settlement is best for Settlement Class Members because of the Settlement benefits available and the risks and uncertainty associated with continuing the lawsuit.

# Who is Included in the Settlement?

## 5. How do I know if I am part of the Settlement?

You are a Settlement Class Member if you are a person in the United States who used the LocalMed Portal to schedule, modify, or re-schedule an appointment between March 2022 and June 2025 and you shared

information that was allegedly disclosed or transmitted to a third party as set forth in the Complaint. The Complaint is available at www.DISettlement.com.

## The Settlement Benefits – What You Get If You Qualify

### 8. What does the Settlement provide?

If you are a Settlement Class Member, you may submit a timely and valid Claim Form to receive a *pro rata* cash payment.

Defendant has implemented additional measures to prevent any future disclosure of information shared with the LocalMed Portal to Google.

### 9. What am I giving up to receive a cash payment or stay in the Settlement Class?

Unless you exclude yourself (opt-out), you will remain in the Settlement Class. You will not be able to sue, continue to sue, or be part of any other lawsuit against the Defendant and Released Parties about the legal claims in this lawsuit that are released by the Settlement Agreement. The rights you are giving up are called "Released Claims."

### 10. What are the Released Claims?

Section X (titled "Releases") of the Settlement Agreement describes the Release, Released Parties, and Released Claims in necessary legal terminology. Please read this section carefully. The Released Claims include legal claims relating to the alleged disclosure to third parties of any information you shared when you used the LocalMed Portal.

The Settlement Agreement is available at www.DISettlement.com. This includes claims relating to the alleged disclosure of information you shared when using the LocalMed Portal. You will be bound by all of the terms of the Settlement, proceedings, orders, and judgments in this lawsuit.

# Objecting to the Settlement

To object, you must file your timely written objection with the Court as provided below by **December 28, 2026**, and send by U.S. first class mail to Settlement Class Counsel and Defendant's Counsel postmarked by **December 28, 2026**, stating you object to the Settlement in *Grivetti et al. v. ## 20. What is the difference between objecting and asking to be excluded?

Objecting is simply telling the Court you do not like something about the Settlement. You can object only if you stay in the Settlement Class. Requesting exclusion (opting out) is telling the Court you do not want to be part of the Settlement Class or the Settlement. If you exclude yourself, you cannot object to the Settlement because you are no longer part of the Settlement Class.

# The Final Approval Hearing

The Court will hold a "Final Approval Hearing" to decide whether to approve the Settlement and Attorneys' Fees and Expenses, and Service Awards. You may attend and you may ask to speak if you file an objection by the deadline, but you do not have to.

## 21. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing on **March 25, 2027**, at **9:15 a.m. CT** before The Honorable Lindsay C. Jenkins of the United States District Court for the Northern District of Illinois, Eastern Division, 219 South Dearborn Street, Chicago, IL 60604. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate, and decide whether to approve the Settlement, Attorneys' Fees and Expenses and the Service Awards.

If there are objections that were filed by the deadline, the Court will consider them. If you file a timely objection, and you (or your lawyer) ask to speak at the hearing, the Court may hear objections at the hearing.

**Note:** The date and time of the Final Approval Hearing are subject to change without further notice to the Settlement Class. The Court may also decide to hold the hearing via video conference or by telephone. You should check the Settlement Website www.DISettlement.com to confirm the date and time of the Final Approval Hearing have not changed.

## 22. Do I have to attend the Final Approval Hearing?

No. Settlement Class Counsel will answer any questions the Court may have. However, you are welcome to attend at your own expense. If you file an objection, you do not have to attend the Final Approval Hearing to talk about it. As long as you file your written objection by the deadline, the Court will consider it.

## 23. May I speak at the Final Approval Hearing?

If there are objections that were filed by the deadline, the Court will consider them. If you file a timely objection, and you (or your lawyer) ask to speak at the hearing, the Court may hear objections at the hearing.

# If You Do Nothing

## 24. What happens if I do nothing at all?

If you are a Settlement Class Member and you do nothing, you will not receive a cash payment. You will give up your right to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against the Defendant and the Released Parties about the legal claims that are released by the Settlement. This includes claims relating to the alleged disclosure of information you shared when using the LocalMed Portal.
