1. Before and after photographs showing the damage to Claimant's hair and/or scalp. Each photo submitted must be dated and labeled as either a "before" or "after" photo.
2. Video testimony of the Claimant describing the claimed injury.
3. Medical records, doctor's notes, test results, and/or a statement from a licensed medical professional indicating damage to the Claimant's hair or scalp after using the Products as well as any pre-existing conditions that may have caused the alleged hair loss.
4. Written or video statement from the Claimant's hair stylist(s) indicating the amount of hair loss suffered and any lasting effects. If written, this statement must be dated and signed by the hair stylist(s).
5. Written or video statements from other witnesses that can testify about the damage to Claimant's hair or scalp and its effect on Claimant (e.g., spouse, family, friends). Any statement must include the witness's name, address and their relationship to the Claimant. If written, these statements must be dated and signed by the witness.

D. Proof of Out-of-Pocket Expense Claims. Claimant may make a Claim for documented out-of-pocket expenses. The following forms of Supporting Documentation shall be received by the Settlement Administrator in support of a claim for reimbursement of actual and documented out-of-pocket expenses incurred to redress injury purportedly caused by the Products, up to a maximum of \$1,000:

1. Dated medical bills evidencing payments made by the Claimant related to the Claimant's claimed injury along with medical records indicating the visit related to damage alleged to be caused by use of the Products;
2. Dated receipts for out-of-pocket expenses; dated credit card statements evidencing

payment by the Claimant related to the Claimant's claimed injury;

3. Dated bank statements evidencing payment of out-of-pocket expenses related to the Class Member's claimed injury;
4. Dated receipts and/or declarations supplied by, for example, a medical provider or hair stylist, evidencing amount spent to redress a claimed injury will also be considered.

The Supporting Documentation described above is not intended to provide an exclusive list of the supporting evidence that may be submitted in support of a Tier 2 Claim. The Settlement Administrator shall have discretion to accept forms of evidence in addition to or in place of the examples set forth above.

E. Verification and Investigation. Each Claimant filing a Tier 2 Claim will authorize the Administrator, consistent with HIPAA and other applicable privacy laws, to verify facts and details of any aspect of the Claim and/or the existence and amounts, if any, of any Liens. The Administrator, at its sole discretion, may request additional documentation or authorizations, which each Claimant agrees to provide in order to claim a Tier 2 Claim Award. No Claim will be considered complete and eligible for payment of any Tier 2 Claim Award until such time that any additional documentation requested by the Administrator is provided and/or deficiencies are cured. The Administrator will have the discretion to undertake or cause to be undertaken further verification and investigation, including into the nature and sufficiency of any Claim documentation.

F. Administrator's Determination of Tier 2 Claims. The amount of any claim payment will be determined by the Settlement Administrator, who has significant experience in the claims process, using an objective point system agreed upon by the Parties. The Settlement Administrator

will determine the value of all Tier 2 claims, and award points based upon, without limitation, the sufficiency and credibility of the evidence; the severity of the hair loss, balding, thinning and/or scalp irritation; the duration of the hair loss, balding, thinning, and/or scalp irritation; and the amount of documented out-of-pocket expenses. The intent of the settlement is to pay Tier 2 Claimants for any and all injuries they may have allegedly suffered as a result of their use of the Products. As directed by the Parties, the Settlement Administrator shall have authority to assign points by determining the validity, or lack thereof, of any Tier 2 Claims submitted, including the sufficiency of the Class Member's evidence of his or her claimed injury, and any other documentation submitted in support of the Tier 2 Claim. This includes the authority to evaluate, and assign points, if any, on the basis of whether a Claimant suffered hair loss that is clearly attributable to another cause or suffered from another condition that is linked to hair loss.

If necessary, to evaluate a claim, the Settlement Administrator may issue a one-time request to the Claimant to provide any information that is missing or improperly submitted on the Tier 2 Claim Form. The Settlement Administrator shall review any revised Tier 2 Claims and adjust the points assigned, if warranted. The Settlement Administrator shall have full and final authority to award points to a Tier 2 Claim, or no points at all. A Class Member whose Tier 2 Claim is awarded no points shall be considered to have submitted a Tier 1 Claim to be determined under the applicable criteria.

G. Credits for Amounts Previously Paid by Defendants. Claimants who have previously received compensation from Defendant will have the amount of such payments credited against their recovery, if any, in this Settlement. Defendant will provide the Administrator with a database of amounts paid by Defendant to Class Members. To the extent it is determined that a Claimant has previously received payment from Defendant, the Administrator shall determine the

point equivalent of the amount to be credited and reduce the Claimants points awarded. To determine the amount of point reduction, the Administrator shall make a preliminary determination of the value of a point by taking the Net Settlement Amount divided by the total points preliminarily awarded to get the Preliminary Point Value. The Administrator shall then take the amount previously paid by Defendant to a Claimant divided by the Preliminary Point Value to arrive at the Claimant's Point Reduction.

H. Final Award Allocation. The final determination of all points awarded shall be subject to final review by Co-Lead Counsel and counsel for Defendant, either of whom may propose additional adjustments to points awarded. The Special Master will review all claims and points allotted by the Settlement Administrator, the proposed changes by the Parties, if any, and approve a final allocation of points that shall be binding and non-appealable. Each Claimant's final award allocation will be based upon the point value obtained by dividing the Net Settlement Amount by the total number of points allotted.

I. Deadline to Submit Claims. Class Members will have ninety (90) days from the Notice Date of the Settlement to submit either Tier 1 or Tier 2 claims ("Claims Period"). Claims may be reviewed and evaluated throughout the Claims Period. Payments will be made only after the conclusion of the Claims Period and when all claims have been submitted to and evaluated by the Settlement Administrator.

J. Within 30 days after the Court enters the Final Judgment and Order, or as soon thereafter as the Settlement Administrator has completed its evaluation of all submitted claims (hereinafter "Claims Completion Date"), the Settlement Administrator shall calculate the Net Settlement Amount by subtracting from the Gross Settlement Amount (i) all current and anticipated Class Notice and Administration Costs; (ii) any Attorneys' Fees and Costs awarded by

the Court; (iii) any Service Award approved by the Court; (iv) any necessary taxes and tax expenses, and (v) any other costs of administering the Settlement.

K. Within 30 days following the later of the Claims Completion Date or the Effective Date, the Settlement Administrator will send settlement benefit checks by mail or electronically if selected by Claimant, to eligible Claimants (i.e., Claimants the claims for which the Settlement Administrator has accepted and, if a Tier 2 claim, for which all liens have been resolved.).

L. With respect to any amount remaining from the Net Settlement Amount after distribution of (i) any Court-approved Notice and Administration Costs; (ii) any Attorneys' Fees and Costs awarded by the Court; (iii) any Service Award approved by the Court; (iv) any necessary taxes and tax expenses; and (v) settlement benefits to Claimants, the Administrator shall pay any such remaining amount as a *cy pres* fund payment to the National Alopecia Areata Foundation.

M. Under no circumstances shall any portion of the Gross Settlement Amount or the Net Settlement Amount be returned to Defendant unless the Agreement is terminated in accordance with this Agreement.

VIII. FINAL APPROVAL

A. Motion for Final Approval. Plaintiffs must apply for Court approval of the Final Order and Judgment no later than the date set forth in the Preliminary Approval Order, which application shall request final approval of the Settlement Agreement. Unless otherwise agreed to by the Parties in writing, Co-Lead Counsel shall provide Defendant's Counsel with drafts of the moving papers requesting final approval for review at least five (5) business days before the motion is filed.

B. Among other terms mutually agreed by the Parties and approved by the Court, the Final Order and Judgment shall enter a final judgment:

1. determining that the Settlement is fair, reasonable, and adequate;

2. certifying the Litigation as a settlement class action under Rule 23(b)(3) and (e) of the Federal Rules of Civil Procedure;
3. determining that the Class Notice provided through the Settlement Administrator, satisfied due process and Rule 23 of the Federal Rules of Civil Procedure so as to bind the Class Members and fully and finally resolve the Litigation;
4. permanently enjoining Class Members from commencing or prosecuting, either directly or indirectly, any action asserting any of the Released Claims as defined in Sections I and IX; and
5. retaining exclusive jurisdiction over the Parties, the Administrative Account, the Class Members who do not request exclusion pursuant to Section XI of this Agreement, and all objectors to enforce the Settlement Agreement and Final Order and Judgment according to their terms.

C. Litigation Status if Settlement Not Approved. This Settlement Agreement is being entered into for settlement purposes only. If the Court conditions its approval of the Final Order and Judgment on any material modifications of this Settlement Agreement that are not acceptable to Defendant and/or to Plaintiffs, if the Court does not approve the Settlement or enter the Final Order and Judgment, or if the Effective Date does not occur for any reason (including any reversal of the Final Order and Judgment by an appellate court or remand wherein the material terms herein are not reinstated), then this Settlement Agreement and the Settlement will be deemed null and void *ab initio*. In that event: (a) the Preliminary Approval Order, Final Order and Judgment, and any other order post-dating preliminary approval of the Settlement and all of their provisions will be vacated (“Denial Date”), including, but not limited to, the conditional certification of the Class, conditional appointment of Plaintiffs as Class Representatives, and conditional appointment of Co-

Lead Counsel as Settlement Counsel; (b) the Litigation will revert to the status that existed before the Settlement Agreement's execution date and the Parties shall not have waived any of their claims or defenses; (c) no term or draft of this Settlement Agreement or any part of the Parties' settlement discussions, negotiations, or documentation will have any effect, be admissible into evidence, or be subject to discovery for any purpose in the Litigation or any other proceeding; (d) Defendant shall retain all of its rights to object to the maintenance of the Litigation as a class action; and (e) all amounts paid by Defendant into the Administration Account will be returned to Defendant within five (5) calendar days of the Denial Date, subject to the provisions of Section XV of this Agreement.

IX. RELEASES AND ACKNOWLEDGMENTS

A. Releases. As of the entry of the Final Judgment and Order, Plaintiffs and the Class Members release Defendant and the Released Parties from any and all claims, demands, actions, causes of actions, individual actions, class actions, damages, obligations, liabilities, appeals, reimbursements, penalties, costs, expenses, attorneys' fees, liens, interest, injunctive or equitable claims and/or administrative claims, whether known or unknown, filed or unfiled, asserted or unasserted, regardless of the legal theories involved, that were brought or could have been brought in the Litigation that relate in any manner to the subject matter of the Litigation, including, but not limited to, design, manufacture, distribution, sale, and use in any way of the Products by any Class Member ("Releases").

B. Acknowledgements. Plaintiffs, on behalf of themselves and the Class Members, hereby:

1. acknowledge, represent, covenant, and warrant that the obligations imposed by Releases shall be forever binding, and that the Releases may not be modified, amended, annulled, rescinded, or otherwise changed unless in writing signed and

notarized by duly authorized representative of Defendant to which the modification, amendment, annulment, rescission, or change applies, and which writing expressly refers to the Releases and this Settlement Agreement;

2. acknowledge, represent, covenant, and warrant that they have not made any assignment of any right, claim, or cause of action covered by the Releases to any individual, corporation, or any other legal entity whatsoever;
3. acknowledge, represent, covenant, and warrant that they have full power, competence, and authority to execute and deliver the Releases;
4. acknowledge, represent, covenant, and warrant, to the extent the Releases may be deemed a general release, that Plaintiffs and the Class Members waive and release any and all provisions, rights, and benefits conferred by Section 1542 of the California Civil Code which provides that “A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, AND THAT IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY” or any other similar federal or state law;
5. acknowledge, represent, covenant, and warrant that (i) they fully understand the facts on which the Settlement Agreement is executed may be different from the facts now believed by them and their counsel to be true and expressly accept and assume the risk of this possible difference in facts and agree that this Settlement Agreement remains effective despite any difference in facts that later may be discovered; and (ii) they hereby waive any right or ability to challenge the Settlement upon the discovery

of any new facts, any additional claims, or a change in the law regardless of why or how such facts, claims, or law was/were not otherwise known to them prior to executing and agreeing to this Settlement Agreement;

6. acknowledge, represent, covenant, and warrant that the Releases and acknowledgments above were bargained for and are an essential and material element of this Agreement.

X. MEDICAL LIENS AND OTHER RIGHTS FOR REIMBURSEMENT

A. The Medicare Program, Medicaid Program, Tricare and Other Insurers reimbursement obligations including, without limitation, all subrogation claims, liens, or other rights to payment, that have been or may be asserted by any governmental entity (hereinafter collectively “Government Liens”) for payment of medical costs or expenses related to treatment for hair loss, balding, and significant scalp irritation from use of the Products, shall be resolved by Claimants with the assistance of their counsel, who will provide proof of satisfaction of said Governmental Lien(s) to Defendant and the Settlement Administrator. Claimants are responsible for all valid, legally enforceable medical, healthcare provider, insurance, employer or attorney liens, including the Government Liens. The Parties will work together to ensure that the interests of Medicare are protected and that all statutory and regulatory requirements are met to ensure compliance with, among other statutes, the MSP Laws. Released Parties are not responsible for any Lien. Co-Lead Counsel shall retain a Lien Administrator to ascertain and resolve the Government Liens or Government subrogation interest obligations, or any other lien obligations, pursuant to this Agreement. Claimant may satisfy the Government Liens or Government subrogation interest obligations of this section with an appropriate holdback amount determined by the Lien Administrator pending final determination by CMS.

- B. Each Claimant and Co-Lead Counsel agree and acknowledge that should there be

any Liens for payment of medical costs and expenses arising out of the Claims for hair loss, balding, and/or scalp irritation from use of the Products, whether by statute or contract, Claimants and Co-Lead Counsel will alone reimburse the lienholder, which may be accomplished through the Lien Administrator, from the proceeds of this Settlement for the amounts of said Liens. Claimants and Co-Lead Counsel agree to indemnify, hold harmless and defend the Released Parties in any suit brought by a lienholder that is related to the Claims, the Litigation, or the surrounding circumstances. Claimants and Co-Lead Counsel further warrant that any outstanding medical bills for treatment related to or arising out of the Claims for hair loss, balding, and/or scalp irritation allegedly from use of the Subject Products, including bills for mental health treatment, will be paid from the proceeds of this Settlement, even if those amounts equal the full Claim Award to the Claimant.

XI. REQUEST FOR EXCLUSION BY CLASS MEMBERS

A. Any Class Member may make a request to be excluded from the Settlement (“Request for Exclusion”) by mailing or delivering such request in writing signed by the individual Class Member to the Settlement Administrator.

B. Any Request for Exclusion must be postmarked or actually delivered not later than sixty (60) days after the Notice Date (the “Exclusion Date”). The Request for Exclusion shall (1) state the Class Member’s full name and current address; (2) specifically state the Class Member’s desire to be excluded from the Class; and (3) be signed personally by the Class Member. Failure to comply with these requirements and to timely submit the Request for Exclusion will result in the Class Member being bound by the terms of this Agreement.

C. Any Class Member who submits a timely Request for Exclusion may not file an Objection and shall be deemed to have waived any rights or benefits under this Agreement.

D. The Settlement Administrator shall provide a copy of any Request for Exclusion to

Co-Lead Counsel and Defendant's Counsel within ten (10) days after receipt of such Request for Exclusion.

E. Co-Lead Counsel shall provide the names and addresses of those Class Members seeking exclusion to the Court within 15 days of the Exclusion Date.

F. In the event that more than a confidential number of Class Members submit a proper and timely Request for Exclusion, Defendant shall have the option to void this Agreement by providing written notice to Co-Lead Counsel within fifteen (15) days of the final date by which such exclusions forms are due. In such event, subject to the provisions regarding termination of the Agreement in Section XV, each Party shall return to its respective pre-settlement posture without prejudice or waiver to any Party's pre-settlement position on any legal or factual issue. The actual number of opt outs triggering Defendant's right to withdraw shall be considered Highly Confidential and shall not be disclosed to anyone other than Co-Lead Counsel who are signatories to the Settlement Agreement and the Court. If disclosure to the Court is necessary, all efforts should be made to submit this information under seal.

G. Revocation of Request for Exclusion. Prior to entry of the Final Order and Judgment, any Settlement Class Member may seek to revoke his or her Request for Exclusion from the Class and thereby receive the benefits of the Settlement Agreement by submitting a request to the Administrator by email, mail, or through the Settlement Website (who will forward these to Co-Lead Counsel and Defendant's Counsel) stating "I wish to revoke my request to be excluded from the Settlement Class" (or substantially similar clear and unambiguous language), and also containing the Settlement Class Member's printed name, address, phone number, and date of birth. Such revocation shall be effective only with the express written consent of the Defendant (in its sole discretion).

XII. OBJECTIONS BY CLASS MEMBERS

A. As set forth in the Class Notice, any Class Member who wishes to object to any provision of this Agreement must file a written notice of Objection (an “Objection”) with the Court no later than sixty (60) days after the Notice Date (“Objection Date”), or any other date set by the Court in the Preliminary Approval Order and must serve the Objection on Co-Lead Counsel and Defendant’s Counsel.

B. To state a valid Objection, a Class Member must include the following information in the Objection: (1) full name, current address, and current telephone number; (2) documentation sufficient to establish membership in the Class; (3) a statement as to whether the Objection applies only to the objector, to a specific subset of the class, or to the entire class; (4) a statement of the basis for the Objection, including the factual and legal grounds for the position; (5) copies of any documents supporting the Objection; (6) the identity of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the Objection to the Settlement or fee application; (7) any and all agreements that relate to the Objection or the process of objecting—whether written or oral—between objector or objector’s counsel and any other person or entity; and (8) the number of times the objector, the objector’s counsel and/or counsel’s law firm have objected to a class action settlement within the five years preceding the date that the objector files the Objection, the caption of each case in which such prior objections have been made, and a copy of any orders related to or bearing upon such prior objections that were issued by the trial and appellate courts in each listed case. The Class Member must personally sign the Objection (an attorney’s signature is not sufficient).

C. Subject to the approval of the Court, any Class Member filing an Objection may appear, in person or by counsel, at the hearing on the Final Judgment and Order. However, to be eligible for appearance at the hearing, such Class Member must file with the Court and serve upon

all counsel designated in the Class Notice, a notice of intention to appear at the hearing on the Final Judgment and Order (“Notice of Intention to Appear”) by the Objection Date. The Notice of Intention to Appear must include copies of any papers, exhibits, or other evidence that the Class Member or counsel will present to the Court. Any Class Member who does not provide a Notice of Intention to Appear in complete accordance with these specifications, subject to approval by the Court, may be deemed to have waived any objections to the Agreement and may be barred from speaking or otherwise presenting any views at the hearing on the Final Judgment and Order.

D. Co-Lead Counsel agree that they will be solely responsible for defending this Agreement and the Final Judgment and Order in the event of an appeal or challenge by a Class Member or any other individual or entity. Defendant will make a filing either joining and/or not opposing Co-Lead Counsel’s defense.

XIII. EXCLUSIVE REMEDY

A. This Agreement shall provide the sole and exclusive remedy for any and all Released Claims of Class Members who do not request exclusion pursuant to Section XI of this Agreement. Upon entry of the Final Judgment and Order, each Class Member who does not request exclusion pursuant to Section XI of this Agreement shall be barred from initiating, asserting, or prosecuting against any of the Released Parties any Released Claims.

B. The Court shall retain exclusive and continuing jurisdiction over the Action, over all Parties to the Action, and over Class Members who do not request exclusion pursuant to Section XI of this Agreement to interpret and enforce the terms, conditions, and obligations of the Final Judgment and Order and this Agreement.

XIV. REPRESENTATIONS AND WARRANTIES

A. Co-Lead Counsel represent and warrant that they have the authority, on behalf of Plaintiffs, to execute, deliver, and perform this Agreement and to consummate all of the

transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by Co-Lead Counsel and Plaintiffs and constitutes their legal, valid, and binding obligation.

B. Defendant, through its undersigned attorneys, represents and warrants that it has the authority to execute, deliver, and perform this Agreement and to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by Defendant and constitutes its legal, valid, and binding obligation.

XV. TERMINATION

A. In addition to the circumstances outlined above that entitle the Parties to terminate this Agreement, either Party shall have the right to terminate this Agreement in the event that the Court or any appellate court rejects, denies approval, or modifies the Agreement or any portion of the Agreement in a material way.

B. If any Party elects to terminate the Agreement under this provision, the Party shall provide the other Party with notice of the termination fifteen (15) days after the event or action that gives rise to the termination. In such event, each Party shall return to its respective pre-settlement posture without prejudice or waiver to any Party's pre-settlement position on any legal or factual issue. No portion of the Gross Settlement Amount that has already been incurred for Notice and Administrative Costs or necessary taxes and expenses in connection with the maintenance of the Administration Account will be returned to Defendant even if the Court does not grant Final Approval or the Effective Date does not occur. Any amount expended prior to termination of this Settlement shall be considered a taxable cost allowed to the prevailing party.

XVI. BEST EFFORTS

A. The Parties and their counsel agree to cooperate fully with one another and to use their best efforts to effectuate the Settlement and administration of the claims hereunder, including,

without limitation, by seeking or not objecting to preliminary and final Court approval of this Settlement Agreement and the Settlement embodied herein, by carrying out the terms of this Settlement Agreement, and by promptly agreeing upon and executing all such other documentation as may be reasonably required to obtain final approval by the Court of the Settlement.

B. The Parties and their counsel understand and agree that the administration of a class action lawsuit can be complex and that, from time to time after the entry of the Final Order and Judgment, unique, non-material issues with respect to individual Class Members may arise that are not directly covered by the terms of this Settlement Agreement. In the event any such non-material issues arise, the Parties and their counsel agree to cooperate fully with one another and to use their respective best efforts to come to agreement, which agreement shall not be unreasonably withheld.

C. Any requests for cooperation shall be narrowly tailored and reasonably necessary for the requesting party to recommend the Settlement to the Court and to carry out its terms.

XVII. MISCELLANEOUS PROVISIONS

A. This Settlement Agreement reflects the Parties' compromise and settlement of disputed claims. Its provisions and all related drafts, communications, discussions, and any material provided by Defendant during the Parties' negotiations cannot be construed as or deemed to be evidence of an admission or concession of any point of fact or law (including, but not limited to, matters respecting class certification) by any person or entity and cannot be offered or received into evidence in any other action or proceeding as evidence of an admission or concession, except as necessary to enforce the Settlement Agreement. Defendant expressly denies (a) any and all liability, culpability, and wrongdoing with respect to the Litigation and matters alleged therein and (b) that the Litigation could be certified and maintained as a class action under Federal Rule of Civil Procedure 23 or other state rule of procedure or law other than by way of settlement.

B. The Recitals are incorporated by this reference and are part of the Settlement Agreement.

C. The headings of the sections and paragraphs of this Agreement are included for convenience only and shall not be deemed to constitute part of this Agreement or to affect its construction.

D. Capitalized words, terms, and phrases are used as defined in Section I, above, or elsewhere in this Agreement.

E. This Agreement may not be modified or amended except in writing and signed by all of the Parties.

F. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

G. Except as otherwise provided in this Agreement, each Party bears his, her, or its own attorneys' fees, costs and expenses of the Litigation and in connection with this Agreement.

H. The Parties to this Agreement reserve the right to correct any inadvertent, non-substantive mistakes or typographical errors contained in the Agreement or the Exhibits.

I. The Parties execute this Agreement voluntarily and without duress or undue influence. All of the Parties warrant and represent that they are agreeing to the terms of this Settlement Agreement based upon the legal advice of their respective counsel, that they have been afforded the opportunity to discuss the contents of this Agreement with their counsel, and that the terms and conditions of this document are fully understood and voluntarily accepted.

J. To the extent permitted by law, this Agreement may be pled as a full and complete defense to, and may be used as the basis for an injunction against, any action, suit, or other proceedings that may be instituted, prosecuted, or attempted in breach of or contrary to this

Agreement or the Final Order and Judgment entered in the Litigation. The administration and consummation of the Settlement embodied in this Agreement shall be under the authority of the Court. The Court shall retain jurisdiction to protect, preserve, and implement the Agreement, including but not limited to, the Release. The Court expressly retains jurisdiction to enter such further orders as may be necessary or appropriate in administering and implementing the terms and provisions of this Agreement. The Parties do not intend by this provision to give the Court authority to change any term or condition of this Agreement over the objection of any Party.

K. The determination of the terms of, and the drafting of, this Agreement has been by mutual agreement after negotiation, with consideration by and participation of all Parties and their counsel. Since this Agreement was drafted with the participation of all Parties and their counsel, the presumption that ambiguities shall be construed against the drafter does not apply. The Parties were represented by competent and effective counsel throughout the course of settlement negotiations and in the drafting and execution of this Agreement, and there was no disparity in bargaining power among the Parties to this Agreement.

L. This Agreement constitutes the entire, fully integrated agreement among the Parties and cancels and supersedes all prior written and unwritten agreements and understandings pertaining to the settlement of the Litigation.

M. Except where time periods set forth herein explicitly reference “business days,” all time periods set forth herein shall be computed in calendar days, inclusive of any weekends and holidays. In computing any period of time prescribed or allowed by this Agreement, the day of the act, or default, from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, Sunday, or Court holiday, in which event the period shall run until the end of the next day that is not one of the

aforementioned days. Each of the Parties reserves the right, subject to the Court's approval, to seek any reasonable extensions of time that might be necessary to carry out any of the provisions of this Agreement, and to modify or supplement any notice contemplated hereunder.

N. Any failure by any of the Parties to insist upon the strict performance by any of the other Parties of any of the provisions of this Agreement shall not be deemed a waiver of any provision of this Agreement, and such Party, notwithstanding such failure, shall have the right thereafter to insist upon the specific performance of any and all of the provisions herein.

O. All notices to the Parties or counsel required by this Agreement shall be made in writing and communicated by electronic and regular mail to the following addresses (unless one of the Parties subsequently designates one or more other designees):

2. If yes, and even **if you are already included** with the Claim Form as requested above, please identify what form of proof you are including:
 - a. Photos: Before and after photos of the damage to your hair and/or scalp. Each photo must be dated and labeled as either “before” or “after” photos. ☐ Yes ☐ No
 - b. Medical records: Copies of medical records, doctor’s notes, test results and/or a statement from your doctor indicating damage to your hair or scalp after using DevaCurl Products. ☐ Yes ☐ No
 - c. Statement from your hair stylist(s): Written or video statements from your hair stylist(s) indicating the amount of hair loss suffered and any lasting effects. ☐ Yes ☐ No
 - d. Statements from other witnesses: Written or video statements that can testify about the damage to your hair and its effect on you (e.g. spouse, family friends). Please be sure to include any witnesses’ names and their relationship to you. ☐ Yes ☐ No

**[PROPOSED] ORDER
GRANTING FINAL APPROVAL OF CLASS SETTLEMENT**

Before the Court is Plaintiffs' Motion requesting that the Court enter an Order granting Final Approval of the Class Action Settlement involving Plaintiffs and Defendant Deva Concepts, LLC ("Defendant" or "DevaCurl"), as fair, reasonable, and adequate.

Having reviewed and considered the Settlement Agreement and the Motion for Final Approval of the Settlement, and having conducted a Final Approval Hearing, the Court makes the findings and grants the relief set forth below approving the Settlement upon the terms and conditions set forth in this Final Order and Judgment.

THE COURT not being required to conduct a trial on the merits of the case or determine with certainty the factual and legal issues in dispute when determining whether to approve a proposed class action settlement; and

THE COURT makes the findings and conclusions hereinafter set forth for the limited purpose of determining whether the Settlement should be approved as being fair, reasonable, adequate and in the best interests of the Settlement Class;

IT IS ON THIS _____ day of _____, 2021,

ORDERED that:

1. The Settlement involves allegations in Plaintiffs' Consolidated Class Action Complaint that Defendant designed, formulated, manufactured, distributed and sold haircare products that are falsely and misleadingly labeled and sold as well as caused adverse reactions resulting in personal injuries to Plaintiffs and the Class.

2. The Settlement does not constitute an admission of liability by DevaCurl, and the Court expressly does not make any finding of liability or wrongdoing by DevaCurl.

3. Unless otherwise noted, words spelled in this Order with initial capital letters have the same meaning as set forth in the Settlement Agreement.

4. On _____ the Court entered an Order which among other things: (a) approved the Notice to the Settlement Class, including approval of the form and manner of notice under the Notice program set forth in the Settlement Agreement; (b) provisionally certified a class in this matter, including defining the Class, appointing Plaintiffs as the Settlement Class Representatives, and appointing Settlement Class Counsel; (c) preliminarily approved the Settlement; (d); set deadlines for opt-outs and objections; (e) approved and appointed the Claims Administrator; and (f) set the date for the Final Approval Hearing.

5. In the Order Granting the Motion for Preliminary Approval of Class Settlement Agreement, pursuant to Rule 23(b)(3) and 23(e), for settlement purposes only, the Court certified the Settlement Class, defined as follows:

All persons who purchased and/or used any of the Products in the United States between February 8, 2008 and such date that is thirty (30) days after the Preliminary Approval Date, excluding (a) any officers, directors or employees, or immediate family members of the officers, directors or employees, of Defendant or any entity in which Defendant has a controlling interest, (b) any legal counsel or employee of legal counsel for Defendant, (c) the presiding Judge in the Lawsuit, as well as the

Judge's staff and their immediate family members, and (d) all persons who timely and properly exclude themselves from the Class as provided in the Settlement.

6. The Court, having reviewed the terms of the Settlement Agreement submitted by the Parties pursuant to Rule 23(e), grants Final Approval of the Settlement Agreement and defines the Settlement Class as defined therein and in the Preliminary Approval Order, and finds that the Settlement is fair, reasonable, and adequate and meets the requirements of Rule 23.

7. The Settlement Agreement provides, in part, and subject to a more detailed description of the Settlement terms in the Settlement Agreement, for:

- a. A process for Settlement Class Members to submit claims for compensation that will be evaluated by a Claims Administrator mutually agreed upon by Settlement Class Counsel and Defendant's Counsel;
- b. Labeling changes to Defendant's Products;
- c. Defendant to pay all Notice and Claims Administration costs from the Common Fund.;
- d. Defendant to pay a Court-approved amount for Attorneys' Fees and Costs of Settlement Class Counsel and other Plaintiffs' Counsel from the Common Fund not to exceed \$1,733,160, constituting 33 and 1/3% of the Common Fund; and
- e. Defendant to pay a Service Award not to exceed \$600 to each of the Class Representatives from the Common Fund.

8. The terms of the Settlement Agreement are fair, reasonable, and adequate and are hereby approved, adopted, and incorporated by the Court. The Parties, their respective attorneys, and the Claims Administrator are hereby directed to consummate the Settlement in accordance with this Order and the terms of the Settlement Agreement.

9. Notice of the Final Approval Hearing, the proposed motion for Attorneys' Fees and Costs, and the proposed Service Award payment to Class Representatives have been provided to Settlement Class Members as directed by this Court's Orders, and an affidavit or declaration of the Settlement Administrator's compliance with the Notice program has been filed with the Court.

10. The Court finds that such Notice, as therein ordered, constitutes the best possible notice practicable under the circumstances and constitutes valid, due, and sufficient notice to all Settlement Class Members in compliance with the requirements of Rule 23(c)(2).

11. As of the final date of the Opt-Out Period, ____ potential Settlement Class Members have submitted a valid Opt-Out Request to be excluded from the Settlement. The names of those persons are set forth in Exhibit A to this Order. Those persons are not bound by this Final Order and Judgment, as set forth in the Settlement Agreement.

12. The Court has considered all the documents filed in support of the Settlement, and has fully considered all matters raised, all exhibits and affidavits filed, all evidence received at the Final Approval Hearing, all other papers and documents comprising the record herein, and all oral arguments presented to the Court.

13. Pursuant to the Settlement Agreement, Defendant and the Settlement Administrator shall implement the Settlement in the manner and time frame as set forth therein.

14. Pursuant to the Settlement Agreement, Plaintiff and the Settlement Class Members release claims against Defendants and all Released Parties, as defined in the Settlement Agreement, as follows: As of the entry of the Final Judgment and Order, Plaintiffs and the Class Members release Defendant and the Released Parties from any and all claims, demands, actions, causes of actions, individual actions, class actions, damages, obligations, liabilities, appeals, reimbursements, penalties, costs, expenses, attorneys' fees, liens, interest, injunctive or equitable claims and/or administrative claims, whether known or unknown, filed or unfiled, asserted or unasserted, regardless of the legal theories involved, that were brought or could have been brought in the Litigation that relate in any manner to the subject matter of the Litigation, including, but not

limited to, design, manufacture, distribution, sale, and use of the Subject Products by any Class Member.

15. Released Claims shall not include the right of any Settlement Class Member or any of the Released Parties to enforce the terms of the Settlement contained in the Settlement Agreement and shall not include the claims of those persons identified in Exhibit A to this Order who have timely and validly requested exclusion from the Settlement Class.

16. On the Effective Date and in consideration of the promises and covenants set forth in the Settlement Agreement, (i) Plaintiffs and each Settlement Class Member, and each of their respective spouses and children with claims on behalf of the Settlement Class Member, executors, representatives, guardians, wards, heirs, estates, successors, predecessors, next friends, co-borrowers, co-obligors, co-debtors, legal representatives, attorneys, agents, and assigns, and all those who claim through them or who assert claims (or could assert claims) on their behalf (including the government in the capacity as *parens patriae* or on behalf of creditors or estates of the releasors), and each of them (collectively and individually, the “Releasing Persons”), and (ii) Settlement Class Counsel, other plaintiff’s counsel who have asserted claims in the Litigation, and each of their past and present law firms, partners, or other employers, employees, agents, representatives, successors, or assigns will be deemed to have, and by operation of the Final Order and Judgment shall have, fully, finally, completely, and forever released and discharged the Released Parties from the Released Claims.

17. The matter is hereby dismissed with prejudice and without costs except that the Court reserves jurisdiction over the consummation and enforcement of the Settlement.

18. In accordance with Rule 23, this Final Order and Judgment resolves all claims against all Parties in this Action and is a final order. There is no just reason to delay the entry of

final judgment in this matter, and the Clerk is directed to file this Order as the Final Judgment in this matter.

**[PROPOSED] ORDER PRELIMINARILY APPROVING CLASS ACTION
SETTLEMENT, PROVISIONALLY CERTIFYING A NATIONWIDE CLASS,
APPROVING PROPOSED NOTICE, AND SCHEDULING FAIRNESS HEARING**

Upon review and consideration of the Settlement and all Exhibits thereto that have been filed with the Court, pursuant to Rule 23 of the Federal Rules of Civil Procedure, it is HEREBY ORDERED, ADJUDGED and DECREED as follows:

1. The Court has carefully reviewed the Settlement, as well as the files, records, and proceedings to date in this matter. The definitions in the Settlement are hereby incorporated as though fully set forth in this Order, and capitalized terms shall have the meanings attributed to them in the Settlement.

2. The Parties have agreed to settle the Litigation upon the terms and conditions set forth in the Settlement that has been filed with the Court. The Settlement, including all Exhibits thereto, is preliminarily approved as fair, reasonable, and adequate. Plaintiffs, by and through their counsel, conducted a robust investigation into the facts and law relating to the matters alleged in their Complaints, including into marketing, advertising, and labeling of the products, as well as legal research as to the strength and sufficiency of the claims and defenses thereto, and

appropriateness of class certification. The Settlement provides meaningful relief to the Class including potentially substantial cash payments for those who allege to have suffered significant injuries (up to \$19,000 cumulatively), equitable relief, and compensation for even those with modest damages that Plaintiffs and Class Counsel believe are potentially recoverable or provable at trial without the costs, uncertainties, delays, and other risks associated with continued litigation, trial, and/or appeal.

3. The Court provisionally certifies, for settlement purposes only, a Class of:

All persons who purchased and/or used any of the Products in the United States between February 8, 2008 and such date that is thirty (30) days after the Preliminary Approval Date, excluding (a) any officers, directors or employees, or immediate family members of the officers, directors or employees, of Defendant or any entity in which Defendant has a controlling interest, (b) any legal counsel or employee of legal counsel for Defendant, (c) the presiding Judge in the Lawsuit, as well as the Judge's staff and their immediate family members, and (d) all persons who timely and properly exclude themselves from the Class as provided in the Settlement.

4. The Court provisionally finds, for settlement purposes only and conditioned upon the entry of this Order and subject to final findings and ratification in the Final Order and Judgment, and the occurrence of the Effective Date, that the prerequisites for a class action under Rule 23 of the Federal Rules of Civil Procedure have been satisfied in that: (a) the number of Class Members is so numerous that joinder of all Members thereof is impracticable; (b) there are questions of law and fact common to the Class; (c) the claims of the Plaintiffs are typical of the claims of the Class they seek to represent; (d) the Plaintiffs have fairly and adequately represented the interests of the Class and will continue to do so, and the Plaintiffs have retained experienced counsel to represent them; (e) the questions of law and fact common to the Class Members predominate over any questions affecting any individual Class Member; and (f) a class action is

superior to the other available methods for the fair and efficient adjudication of the controversy. All of these findings are made for settlement purposes only.

5. The Court appoints Gary E. Mason of Mason, Lietz, and Klinger LLP and Charles E. Schaffer of Levin Sedran & Berman LLP as counsel for the Class (“Class Counsel”). For purposes of these settlement approval proceedings, the Court finds that these attorneys are competent and capable of exercising their responsibilities as Class Counsel.

6. The Court designates named Plaintiffs Wendy Baldyga, Marisa Cohen, Tami Nunez, Stephanie Williams, Erika Martinez-Villa, Tahira Shaikh, Marcy McCreary, Lauren Petersen, Jody Shewmaker, Diana Hall, and Alanna Hall as the representatives of the Class.

7. The Fairness Hearing shall be held before this Court on _____, 2021, at _____, to determine whether the Settlement is fair, reasonable, and adequate, and whether it should receive final approval. The Court will also address Class Counsel’s application for an award of Attorneys’ Fees and Costs and Service Awards for the Plaintiffs (collectively, the “Fee Application”) at that time. Papers in support of final approval of the Settlement and the Fee Application shall be filed with the Court according to the schedule set forth in Paragraph 18 below. The Fairness Hearing may be postponed, adjourned, or continued by order of the Court without further notice to the Class. After the Fairness Hearing, the Court may enter a Final Order and Judgment in accordance with the Settlement that will adjudicate the rights of the Class Members (as defined in the Settlement) with respect to the claims being settled.

8. Pending the Fairness Hearing, all proceedings in the Litigation, other than proceedings necessary to carry out or enforce the terms and conditions of the Settlement and this Order, are stayed.

9. The Court approves, as to form and content, the Long-Form Notice (“Long Form Notice”) and the Short-Form Notice (“Short Form Notice”), attached as Exhibits 5 and 6, respectively, to the Settlement Agreement. The Court further approves the Notice Plan set forth in the Settlement and the Declaration of Carla Peak in Support of Settlement Notice Program (“Peak Decl.”), filed with Plaintiffs’ Motion for Preliminary Approval of the Settlement.

10. The Court finds that the Long Form Notice, Short Form Notice, and Notice Plan are reasonable, that they constitute due, adequate, and sufficient notice to all persons entitled to receive notice, and that they meet the requirements of due process and Federal Rule of Civil Procedure 23(e). Specifically, the Court finds that the manner of dissemination of the individual notice and media campaign described in the Declaration of Carla A. Peak complies with Rule 23(e), as it is also the best practicable notice under the circumstances, given the manner in which Defendant sells the Products, and is reasonably calculated, under all the circumstances, to apprise members of the class of the pendency of this Action, the terms of the Settlement, and their right to object to the Settlement or exclude themselves from the Class. Notice shall be issued as soon as practicable after this Preliminary Approval Order (the “Notice Date”).

11. Class Members will have ninety (90) days total, from the Notice Date, to submit their Claim Forms, which the Court finds is adequate and sufficient time.

12. Each member of the Class who wishes to be excluded from (*i.e.*, opt out of) the Class and follows the procedures set forth in this Paragraph shall be excluded. Members of the Class wishing to exclude themselves from the Settlement must send to the Settlement Administrator by U.S. mail (to the address described in the Notice) a personally signed letter including (a) their full name (individuals only); (b) current address; (c) a clear statement communicating that they elect to be excluded from the Class, do not wish to be a Class Member,

understand that they will not receive any monetary benefit under the Settlement, and that they elect to be excluded from any judgment entered pursuant to the Settlement; (d) their original signature; and (e) the case name and case number (*In Re: Deva Concepts Products Liability Litigation*, No: 1:20-cv-01234-GHW). Any request for exclusion (*i.e.*, to opt out) must be postmarked no later than sixty (60) days from the Notice Date. All persons who properly elect to opt out of the Settlement shall not be Class Members and shall relinquish their rights and eligibility for Benefits under the Settlement, should it be finally approved, and may not file an objection to the Settlement or appear at the Fairness Hearing.

13. Any member of the Class who fails to submit a valid and timely request for exclusion shall be bound by all terms of the Settlement and the Final Order and Final Judgment.

14. Class Members may object to the terms and conditions of the Settlement, the certification of the Class, the entry of the Final Order and Judgment, the amount of Attorney's Fees and Costs requested by Class Counsel, and/or the amount of the Service Awards requested by the Plaintiffs, by filing a written objection with the Court and serving the written objection upon Class Counsel and Defense Counsel (as defined in the Settlement) in the manner set forth in paragraph 5. Class Members who fail to file with the Court and serve upon Class Counsel and Defense Counsel timely written objections in the manner specified in the Settlement, the Long Form Notice, and the Summary Notice shall be deemed to have waived all objections and shall be foreclosed from making any objection (whether by appeal or otherwise) to the Settlement. The Court will not consider written objections that are mailed to the Court and not filed, or objections that are served on the Parties but not filed with the Court.

15. Class Members who object must set forth (a) their full name (individuals only); (b) current address; (c) a written statement of their objection(s) and the reasons for each objection;

(d) a statement of whether they intend to appear at the Fairness Hearing (e) their signature; (f) the case name and case number (*In Re: Deva Concepts Products Liability Litigation*, No: 1:20-cv-01234-GHW); and (g) a detailed list of any other objections submitted by the Class Member, or his/her counsel, to any class actions submitted in any court, whether state, federal, or otherwise, in the United States in the previous five (5) years. If the Class Member or his/her counsel has not objected to any other class action settlement in any court in the United States in the previous five (5) years, he/she shall affirmatively state so in the written materials provided in connection with the Objection to this Settlement. No Class Member shall be entitled to be heard at the Fairness Hearing (whether individually or through separate counsel) or to object to the Settlement, and no written objections or briefs submitted by any Class Member shall be received or considered by the Court at the Fairness Hearing, unless copies of any written objections and/or briefs, along with the Class Member's statement of intent to appear at the Fairness Hearing, have been filed with the Court and served via U.S. mail on the Settlement Administrator, as well as emailed to Class Counsel and Defense Counsel at the addresses set forth below no later than sixty (60) days from the Notice Date. Class Members who intend to appear but do not object to the Settlement shall file a Notice of Appearance no later than sixty (60) days from the Notice Date. Objections must be served as follows:

23. 24. In the event the Court does not grant final approval to the Settlement, or if for any reason the Parties fail to obtain a Final Order and Judgment as contemplated in the Settlement, or the Settlement is terminated pursuant to its terms for any reason, or the Effective Date does not occur for any reason, then the following shall apply:

a. All orders and findings entered in connection with the Settlement shall become null and void and have no force and effect whatsoever, shall not be used or referred to for any purposes whatsoever, and shall not be admissible or discoverable in this or any other proceeding;

b. The provisional certification of the Class for settlement purposes pursuant to this Order shall be vacated automatically, and the Litigation shall proceed as though the Class had never been certified pursuant to this Settlement and the related findings had never been made;

c. d. Nothing in this Order or pertaining to the Settlement, including any of the documents or statements generated or received pursuant to the claims process, shall be used as evidence in any further proceeding in this Action, including, but not limited to, motions or proceedings seeking treatment of the Litigation as a class action; and

e. All of the Court's prior Orders having nothing whatsoever to do with the Settlement shall, subject to this Order, remain in force and effect.

EXHIBIT 5

UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK

If you purchased or used a DevaCurl Haircare Product, you may be entitled to receive payment from a class action settlement.

A court authorized this Notice. This is not a solicitation from a lawyer.

READ THIS NOTICE CAREFULLY. YOUR LEGAL RIGHTS ARE AFFECTED WHETHER YOU ACT OR DO NOT ACT.

- The Settlement will provide a total of \$5,200,000 to fully settle and release claims of all persons who purchased and/or used any DevaCurl haircare products (“DevaCurl” or the “Products,” as defined below) in the United States and its territories between February 8, 2008, and [such date that is thirty (30) days after the Preliminary Approval Date.]
- A settlement has been reached in a lawsuit against Deva Concepts, LLC (“Defendant”). The lawsuit alleges that Defendant designed, manufactured and sold DevaCurl haircare products that allegedly caused certain users to suffer personal injury including hair loss, hair damage or scalp irritation. Plaintiffs also asserted that statements made in connection with the marketing of DevaCurl were untrue and misleading. Defendant vigorously denies these allegations and contends that there is no link between hair loss, hair damage or scalp irritation and DevaCurl, and that Defendant did not make any untrue or misleading statements. Liability is disputed in this matter, and DevaCurl has not been proven to cause any damage to users or consumers, nor has it been determined that any advertising of the Products was false or misleading. The makers of DevaCurl stand behind the quality, safety, and formulation of the Products, all of which meet or exceed all applicable safety and quality standards set by the cosmetics industry and confirmed by its independent experts. However, to avoid the cost of a trial, and potential risks for both sides, the Parties have reached a Class Action Settlement, which was preliminarily approved by the United States District Court for the Southern District of New York on __, 2021.
- Your legal rights are affected whether you act or not. **Read this Notice carefully.**

- These rights and options—**and the deadlines to exercise them**—are explained in this Notice. The deadlines may be moved, cancelled or otherwise modified. Consult the Settlement Website at www.curlyhairsettlement.com regularly for updates and further details.
- The Court in charge of this case still has to decide whether to approve the Settlement. Payments will be made only after the Settlement is approved by the Court and after any appeals are resolved. For Claimants with medical bills for their alleged injuries, payments cannot be made until all liens are resolved. Please be patient.

INFORMATION.....12

BASIC INFORMATION

1. What is this Lawsuit about?

A lawsuit is pending in the United States District Court for the Southern District of New York claiming that Deva Concepts, LLC (the “Defendant”) designed, manufactured and sold DevaCurl Haircare Products (“DevaCurl” or the “Products”) which allegedly caused certain users to suffer personal injury including hair loss, hair damage or scalp irritation and also claiming that statements made in connection with the marketing of the Products were false and misleading (the “Lawsuit”). Defendant vigorously denies these allegations and contends that there is no link between hair damage and DevaCurl, and that Defendant did not make any untrue or misleading statements.

2. Why is this a class action?

In a class action, one or more people called “Named Plaintiffs” sue on behalf of themselves and other people. Together, all of these people are referred to as the “Class.” A court resolves the claims of the entire Class in a class action, except for those who exclude themselves from the Class (see Question 15). The Court then resolves the claims asserted for all Class Members at one time. Here, the Court has preliminarily certified a Class for settlement purposes only. United States District Court Judge Gregory H. Woods is in charge of this class action.

3. Why is there a settlement?

The Court has not decided in favor of the Plaintiffs or Defendant. Instead, both sides have agreed to the Settlement. By agreeing to the Settlement, and if the Settlement is approved by the Court, the Parties avoid the costs and uncertainty of class certification and a trial, and the Class Members who timely submit a claim supported by appropriate documentation (see Question 12) will get compensation without having to commit to a full trial. The Named Plaintiffs and counsel for the Class (“Class Counsel”) believe the Settlement is best for all Class Members considering the risks of going forward to trial.

WHO IS IN THE SETTLEMENT?

To be eligible to submit a claim for a payment from the Settlement, between February 8, 2008 and [30 days after Preliminary Approval] you must have purchased, used, or had used on you at least one Devacurl cleanser, conditioner, styling or treatment product, including the following: Arc AnGEL, Beautiful Mess, B’Leave In, Buildup Buster, The Curl Maker, Deep Sea Repair, DevaFresh, DevaCare Low-Poo, DevaCare No-Poo, DevaCare One Condition, DevaCare Arc AnGEL, DevaCare Detangling Spray, Flexible Hold Hair Spray, Frizz Free Volumizing Foam, Heaven in Hair, High Shine, Leave in-Decadence, Light Defining Gel, Low Poo Delight, Low Poo Original, Melt into Moisture, MirrorCurls, Mist-er Right, No Comb Detangling Spray, No Poo Original, No Poo Blue, No Poo Decadence, No-Poo Quick Cleanser Spray, One Condition Decadence, One Condition Delight, One Condition Original, Set it Free, Set Up and Above, Shine Spray, Spray Gel, Styling Cream, Super Cream, Super Mousse, Super Stretch, Ultra Defining Gel, Wash Day Wonder, and Wave Maker (“DevaCurl” or the “Products”).

4. How do I know if I am part of the Settlement?

You are a Class Member for purposes of the Settlement if you fit this description:

All persons who purchased and/or used any of the Products in the United States between February 8, 2008 and such date that is thirty (30) days after the Preliminary Approval Date, excluding (a) any officers, directors or employees, or immediate family members of the officers, directors or employees, of Defendant or any entity in which Defendant has a controlling interest, (b) any legal counsel or employee of legal counsel for Defendant, (c) the presiding Judge in the Lawsuit, as well as the Judge's staff and their immediate family members, and (d) all persons who timely and properly exclude themselves from the Class as provided in the Settlement.

5. If I purchased DevaCurl but did not suffer any personal injury, am I included?

Any person who purchased and/or used DevaCurl in the United States and its territories after February 8, 2008 and on or before [30 days after Preliminary Approval], is a Class Member unless such person is within one of the excluded categories or properly excludes himself or herself from the Class, even if such person does not claim to have suffered personal injury from using DevaCurl. Class Members who purchased DevaCurl but did not suffer personal injury are still eligible for a one-time payment of up to \$20.

6. Are there exceptions to being included?

The following categories of people are not included in the Class even if they purchased or used DevaCurl in the United States and its territories between February 8, 2008 and [30 days after the date of the Preliminary Approval Date]:

- Officers, directors or employees, or immediate family member of officers, directors, or employees, of Defendant or any entity in which Defendant has a controlling interest;
- Any legal counsel or employee of legal counsel for Defendant;
- The presiding judge in the class action Lawsuit and his immediate family members and staff members; and
- All persons who timely and properly exclude themselves from the Class as provided in the Settlement.

7. I'm still not sure if I am included.

If you are still not sure whether you are eligible to submit a claim, you can call the toll-free number, [NUMBER]. Or visit www.curlyhairsettlement.com for more information.

THE SETTLEMENT BENEFITS – WHAT YOU CAN GET

8. What does the Settlement provide?

While vigorously denying any liability, Defendant has agreed to settle this matter through the creation of a non-reversionary Settlement Fund of \$5,200,000 which will be used to pay valid claims, as well as for the costs of notice and administration of the Settlement, Service Awards to the Named Plaintiffs and Attorneys' Fees and Costs. In addition, Defendant has agreed to implement label changes to the Products.

\$750,000 of the Fund will be set aside to pay Tier 1 Claims. Any person who purchased DevaCurl, used DevaCurl, or had DevaCurl used on them between February 8, 2008, and [30 days after Preliminary Approval], can file a Tier 1 Claim for a one-time cash payment of up to \$20 as compensation for claims of minor personal injury after using DevaCurl or for alleged false statements regarding DevaCurl. If Tier 1 Claims exceed the \$750,000 allocated to pay Tier 1 Claims, the payments made to each Class Member who submit a valid Tier 1 Claim will be reduced on a *pro rata* basis.

The remainder of the Fund, after payment of costs of notice and administration, Service Awards, Attorneys' Fees and Costs and Tier 1 Claims, will be used to pay Tier 2 Adverse Reaction Claims of up to \$19,000 per Class Member, consisting of up to \$18,000 per Claimant for injuries and up to \$1,000 for provable expenses, to compensate Class Members for claimed adverse reactions causing personal injuries such as hair loss, hair damage, scalp irritation and emotional distress that accompanied such alleged injuries and any claims of misleading marketing.

Class Members can submit only one claim, either a Tier 1 Claim or a Tier 2 Claim. However, Class Members whose Tier 2 Claims are denied shall be automatically considered to have made and be eligible for a Tier 1 Claim as long as they provided sufficient information to make them eligible for a Tier 1 claim.

9. Tier 1 Claims (Up To \$20)

If you purchased, used or had used on you any of the Products listed in response to Question 3 and submit a timely and valid Claim Form, you may be entitled to a payment up to \$20 as compensation for claims of personal injury after using DevaCurl or for alleged false statements regarding DevaCurl. If Tier 1 Claims exceed the \$750,000 allocated to pay Tier 1 Claims, the payments made to each Class Member who submits a valid Tier 1 Claim will be reduced on a *pro rata* basis.

10. Tier 2 Claims – Payments for Significant Adverse Reaction Claims

If you purchased any of the Products listed in response to Question 3, submit a timely and valid Claim Form, and provide sufficient documentation regarding your injuries and expenses incurred because of those injuries, you may receive up to \$18,000 per Claimant for injuries and up to \$1,000 for provable expenses as set forth below. In order to make a Tier 2 Claim, the Class Member must submit a valid and complete Claim Form, along with Supporting Documentation as described therein.

Any claims made and monies recovered under Tier 2 may be subject to lien subrogation payments. As with any personal injury settlement, if you visited a medical professional, an insurance carrier that paid for any portion of your medical bill is entitled to a portion of your settlement. While in most states the amount owed to the insurance carrier is governed by statute, it is possible that the insurance carrier could hold you liable for the amount it paid, up to the total value of your settlement.

HOW TO RECEIVE A PAYMENT – SUBMITTING A CLAIM

11. How can I get a payment?

If you are a member of the Class and want to receive a payment under the Settlement, you must submit a Claim Form. A Claim Form and directions are attached as **Appendix A** to this Class Notice. You may also obtain and print a Claim Form and other relevant documents by visiting www.curlyhairsettlement.com. Please read the instructions carefully and fill out the form completely and accurately. Claim Forms can be submitted two ways: electronically or by mail.

Your Claim Form must be submitted electronically at www.curlyhairsettlement.com no later than 11:59 p.m. Pacific Time on **[CLAIMS FORM DEADLINE]** or by mail postmarked no later than **[CLAIMS FORM DEADLINE]** and addressed to:

12. What supporting documents am I required to submit with a Tier 2 Claim?

To be eligible for a payment from the Common Fund for a Tier 2 Significant Adverse Reaction Claim, Claimant must submit to the Settlement Administrator, in addition to a completed Tier 2 Claim Form, appropriate evidence documenting the injuries alleged to be suffered after using the Products listed in response to Question 3. Without limitation, the following forms of documents will be considered “Supporting Documentation” and shall be received by the Settlement Administrator in support of a Tier 2 Claim:

1. Before and after photographs showing the damage to Claimant's hair and/or scalp. Each photo submitted must be dated and labeled as either a "before" or "after" photo.
2. Video testimony of the Claimant describing the claimed injury.
3. Medical records, doctor's notes, test results, and/or a statement from a licensed medical professional indicating damage to the Claimant's hair or scalp after using the Products as well as any pre-existing conditions that may have caused the alleged hair loss.
4. Written or video statement from the Claimant's hair stylist(s) indicating the amount of hair loss suffered and any lasting effects. If written, this statement must be dated and signed by the hair stylist(s).
5. Written or video statements from other witnesses that can testify about the damage to Claimant's hair or scalp and its effect on Claimant (i.e., spouse, family, friends). Any statement must include the witnesses' name, address and their relationship to the Claimant. If written, these statements must be dated and signed by the witnesses.

Claimant may make a Claim for documented out-of-pocket expenses. The following forms of Supporting Documentation shall be received by the Settlement Administrator in support of a claim for reimbursement of actual and documented out-of-pocket expenses incurred to redress injury purportedly caused by the Subject Products, up to a maximum of \$1,000:

1. Dated medical bills evidencing payments made by the Claimant related to the Claimant's claimed injury along with medical records indicating the visit related to damage alleged to be caused by use of the Products;
2. Dated receipts for out-of-pocket expenses; dated credit card statements evidencing payment by the Claimant related to the Claimant's claimed injury;
3. Dated bank statements evidencing payment of out-of-pocket expenses related to the Claimant's claimed injury.
4. Dated receipts and/or declarations supplied by, for example, a medical provider or hair stylist, evidencing the amount spent to redress a claimed injury will also be considered.

The Supporting Documentation described above is not intended to provide an exclusive list of the supporting evidence that may be submitted in support of a Tier 2 Claim. The Settlement Administrator shall have discretion to accept forms of evidence in addition to or in place of the examples set forth above.

Each Claimant filing a Tier 2 Claim will authorize the Administrator, consistent with HIPAA and other applicable privacy laws, to verify facts and details of any aspect of the Claim and/or the existence and amounts, if any, of any Liens. The Administrator, at its sole discretion, may request additional documentation or authorizations, which each Claimant agrees to provide in order to claim a Tier 2 Claim Award. No Claim will be considered complete and eligible for payment of any Tier 2 Claim Award until such time that any additional documentation requested by the Administrator is provided and/or deficiencies are cured. The Administrator will have the discretion to undertake or cause to be undertaken further verification and investigation, including into the nature and sufficiency of any Claim documentation.

The amount of any Claim payment will be determined by the Settlement Administrator, who has significant experience in the claims process, using an objective point system agreed upon by the Parties. The Settlement Administrator will determine the value of all Tier 2 Claims, and award points based upon, without limitation, the sufficiency and credibility of the evidence, the severity of the hair loss or thinning, duration of the hair loss or thinning and amount of documented out-of-pocket expenses. The intent of the Settlement is to pay Tier 2 Claimants for any and all hair loss, hair damage, scalp irritation, or other such injuries consistent with the allegations in the Lawsuit, as well as for any alleged untrue or misleading marketing. As directed by the Parties, the Settlement Administrator shall have authority to assign points by determining the validity, or lack thereof, of any Tier 2 Claims submitted, including the sufficiency of the Claimant's evidence of his or her claimed injury, and any other documentation submitted in support of the Tier 2 Claim. This includes the authority to evaluate, and assign points, if any, on the basis of whether a Claimant suffered hair loss, hair damage, or scalp irritation that is clearly attributable to another cause or suffered from another condition that is linked to hair loss, hair damage, or scalp irritation. Payments may be reduced if the Claimant already received payment from Defendant.

13. When will I get my payment?

The Court will hold a hearing at the Daniel Patrick Moynihan United States Courthouse, 500 Pearl Street, Courtroom 12C, New York, NY 10007 on _____, 2021 to decide whether to grant final approval to the Settlement. If Judge Woods approves the Settlement, any objecting Class Member has the right to file an appeal. Payments under the Settlement will be made only after any appeals have been resolved in favor of the Settlement. Payments to eligible Class Members who submit valid and timely Claims will be distributed only after the Settlement Administrator

evaluates all Tier 2 Claims and (for certain individuals) when liens are fully resolved. Please be patient.

14. What am I giving up if I stay in the Class?

Unless you exclude yourself, you are a member of the Settlement Class, and that means that you cannot sue, continue to sue, or be part of any other lawsuit concerning DevaCurl. The Released Parties are Deva Concepts, LLC, as well as any individual or entity involved in the design, development, manufacture, distribution, or sale of any of the Products, as well as all of its/their past, present and current respective parents, subsidiaries, affiliates, predecessors, successors, officers, employees, directors, shareholders, attorneys, and insurers, as well as all salons, hair care professionals, stylists, distributors, retailers, sellers, resellers, and wholesalers of the Products ("Released Parties"). Staying in the Class means that you will have the right to submit a Claim Form, and will also mean that you release all claims against the Released Parties arising out of or relating in any way to the purchase and/or use of DevaCurl Products, regardless of whether such claim is known or unknown, asserted or as yet unasserted. Staying in the Class also means that all of the Court's orders will apply to you and legally bind you.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want to submit a claim for payment from the Settlement, and you want to keep the right to sue or continue to sue the Defendant (or any of the other Released Parties) in the future about DevaCurl, then you must take steps to remove yourself from the Class. This process is sometimes called "opting out" of the Settlement Class.

15. How can I opt out of the Settlement?

To exclude yourself from the Settlement, you must "opt out" or exclude yourself by mailing a note signed by you that lists your full name, current address, the case name and number (*In Re: Deva Concepts Products Liability Litigation*, No: 1:20-cv-01234-GHW), and the statement: "I wish to be excluded from the DevaCurl Class Action Settlement and do not wish to be a Class Member. I understand that I will not receive any monetary benefit under the Settlement, and I elect to be excluded from any judgment entered pursuant to the Settlement.". You must mail your exclusion request postmarked no later than ___, 2021, to the Settlement Administrator at DevaCurl Class Settlement Exclusions, Claims Administrator, XXXXX, XXXXXX, XX, XXXXX.

Requests for exclusion must be exercised individually, not as or on behalf of a group, class or subclass. You cannot exclude yourself by phone or by email. If you ask to be excluded, you will not get any settlement payment, and you cannot object to the Settlement. You will not be legally bound by anything that happens in this Lawsuit. You may be able to sue (or continue to sue) Defendant (or the other Released Parties) in the future, after the Settlement is finally approved. Do not submit both a Claim Form and a request for exclusion. If you submit both, the Court may disregard your request for exclusion.

16. If I don't exclude myself, can I sue Defendant for the same thing later?

No. Unless you exclude yourself, you give up any right to sue the Defendant or other Released Parties for claims about any injury or misrepresentation regarding DevaCurl. If you have a pending

lawsuit, speak to your lawyer in that lawsuit immediately. You must exclude yourself from *this* Class to continue with your own lawsuit. Remember, the exclusion deadline is ____, 2021.

17. If I exclude myself, can I get money from the Settlement?

No. If you exclude yourself, you cannot submit a Claim form to ask for any benefits from this Settlement. However, you may be able to sue, continue to sue, or be part of a different individual lawsuit against the Defendant in the future.

OBJECTING TO THE SETTLEMENT

If you are a Class Member and do not exclude yourself, you can tell the Court that you don't agree with the Settlement, or some part of it, and request that the Settlement not be approved.

18. How can I tell the Court if I have grounds to object to the Settlement?

If you are a Class Member and do not exclude yourself, you can object to the Settlement. You can provide the Court with the reasons why you think the Court should not approve it. The Court will consider your views. Your written objection must include: (1) your full name (individuals only); (2) your current address; (3) a written statement of your objection(s) to the Settlement and the reasons for each objection; (4) a statement of whether you intend to appear at the Fairness Hearing; (5) your signature; (6) the case name and case number: *In Re: Deva Concepts Products Liability Litigation*, No: 1:20-cv-01234-GHW; and (7) a detailed list of any other objections submitted by you or your counsel to any class actions in any court, whether state or otherwise, in the United States in the previous five (5) years. If you or your counsel has not objected to any other class action settlement in any court in the United States in the previous five (5) years, you shall affirmatively so state.

If you are not represented by your own lawyer you must mail your Written Notice of Objection to the Settlement Administrator at _____, postmarked no later than ____, 2021.

If you are represented by your own lawyer (*i.e.*, not Class Counsel) then your lawyer must file an appearance and your Written Notice of Objection with the Clerk of the Court in which the Lawsuit, *In Re: Deva Concepts Products Liability Litigation*, No: 1:20-cv-01234-GHW, is pending by _____, 2021, and must also mail these materials to the Settlement Administrator at Deva Concepts Class Settlement Objections, c/o Settlement Administrator, XXXXXXXXXX, received by the Court, Class Counsel and Defendant's Counsel no later than ____, 2021.

The right to object to the Settlement must be exercised individually by a Class Member or through his or her attorney, and not as a member of a group, class or subclass.

19. What is the difference between objecting and asking to be excluded?

Objecting is simply a way of telling the Court that you don't like something about the Settlement. You can object only if you stay in the Class. You will also be bound by any subsequent rulings in this case and you will not be able to file or participate in any other lawsuit based upon or relating to the claims of this Lawsuit. If you object to the Settlement, you still remain a Class Member and you will still be eligible to submit a Claim Form. Excluding yourself (*i.e.*, opting out) is telling the Court that you don't want to be a part of the Class. If you exclude yourself, you have no basis to object to the Settlement and appear at the Fairness Hearing because it no longer affects you.

THE LAWYERS REPRESENTING YOU

20. Do I have a lawyer in this case?

The Court has appointed Gary E. Mason of Mason Lietz & Klinger LLP and Charles E. Schaffer of Levin Sedran & Berman LLP (“Class Counsel”) to represent you and the other Class Members in this Lawsuit. You will not be charged for these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

21. How will the lawyers and other expenses be paid?

Class Counsel have worked on this case since 2020 and have not been paid anything to date for their work on this case. Class Counsel will request Attorneys’ Fees and Expenses of up to 33% of the Settlement. The Court has to approve any Attorneys’ Fees and Expenses awarded in this case.

Class Counsel will also ask the Court to approve Service Awards of no more than \$600 to each of the eleven (11) Class Representatives for their work on behalf of the Class. Any such payment to these individuals also must be approved by the Court. These payments are incentive payments intended to compensate the putative class representatives for bringing the Lawsuit, and in consideration of the time and effort they expended in prosecuting this Lawsuit.

These amounts and the cost of administering the Settlement will be deducted from the Settlement Fund.

THE COURT’S FINAL APPROVAL HEARING

The Court will hold a final hearing (called a Fairness Hearing) to decide whether to grant final approval of the Settlement. You may attend and ask to speak, but you don’t have to.

22. When and where will the Court decide whether to approve the Settlement?

On [DATE], at [TIME] the Court will hold a Fairness Hearing at the United States District Court for the Southern District of New York in Courtroom 12C of the Daniel Patrick Moynihan, United States Courthouse, 500 Pearl St. New York, NY 10007-1312. At this hearing the Court will consider whether the Settlement is fair, reasonable and adequate. If there are objections, the Court will consider them. Judge Woods will listen to people who have asked to speak at the hearing and who have complied with the requirements for submitting objections set forth in Question 20 above. After the hearing, the Court will decide whether to approve the Settlement. It is unknown how long that decision will take.

The hearing may be moved to a different date or time, so it is a good idea to check www.curlyhairsettlement.com for updates.

23. Do I have to come to the hearing?

No. Class Counsel will answer any questions the Court may have. However, you are welcome to come at your own expense. If you submit an objection, you do not have to come to Court to talk about it. As long as you submitted your objection on time in accordance with the procedures set forth in Question 20 above, the Court will consider it. You may also pay your own lawyer to attend, but it's not necessary.

24. May I speak at the hearing?

Yes. You may ask the Court for permission to speak at the Fairness Hearing, but only in connection with an objection that you have timely submitted in accordance with the procedure set forth in Question 20 above. You cannot speak at the Final Approval Hearing if you have excluded yourself.

IF YOU DO NOTHING

If you do nothing, you will get no money from this Settlement. If you do not submit a Claim Form, your claim will not be considered. If you do not exclude yourself, you will not be able to start a new lawsuit, continue with a lawsuit, or be part of any other lawsuit against the Defendant (or the other Released Parties) concerning DevaCurl and the claims brought in the Lawsuit.

EXHIBIT 6

If you purchased or used DevaCurl haircare products, you may be entitled to receive payment from a Class Action Settlement.

A settlement has been reached in a lawsuit against Deva Concepts, LLC (“Defendant”). The lawsuit alleges that Defendant designed, manufactured, and sold DevaCurl haircare products (“Products”) that allegedly caused certain users to suffer personal injury including hair loss, hair damage or scalp irritation. Plaintiffs also asserted that statements made in connection with the marketing of the Products were untrue and misleading. Defendant vigorously denies these allegations and contends that there is no link between hair loss, hair damage or scalp irritation and the Products, and that it made no untrue or misleading statements. Liability is disputed in this matter, and the Products have not been proven to cause hair loss, hair damage or scalp irritation to consumers, nor has it been determined that any advertising of the Products was false or misleading. Defendant stands behind the quality, safety, and formulation of the Products, all of which meet or exceed all safety and quality standards set by the cosmetics industry and confirmed by its independent experts. However, to avoid the cost of a trial, and potential risks for both sides, the Parties have reached a Class Action Settlement, which was preliminarily approved by the United States District Court for the Southern District of New York on __, 2021.

Under the terms of the Settlement, you may be entitled to compensation if you purchased, used, or had the Products used on you in the United States or its territories between February 8, 2008 and [30 days after the date of the Preliminary Approval] (the “Class Period”). Excluded from the Class are (a) any officers, directors or employees, or immediate family members of the officers, directors or employees, of Defendant or any entity in which Defendant has a controlling interest, (c) any legal counsel or employee of legal counsel for Defendant, (d) the presiding Judge in the Lawsuit, as well as the Judge’s staff and their immediate family members, and (e) all persons who timely and properly exclude themselves from the Class as provided in the Settlement.

What Does the Settlement Provide?

Defendant has agreed to settle this matter through the creation of a non-reversionary Settlement Fund of \$5,200,000.00, which will be used to pay valid claims, as well as for the costs of notice and administration of the Settlement, Service Awards to the Class Representatives and Attorneys’ Fees and Costs. In addition, Defendant has agreed to implement label changes to the Products. \$750,000 of the Fund will be set aside to pay Tier 1 Claims. Any person who purchased, used or had the Products used on them during the Class Period can file a Tier 1 Claim for a one-time cash payment up to \$20 as compensation for claims of alleged minor personal injury after using the Products or for alleged false statements regarding the Products. If Tier 1 Claims exceed the \$750,000 allocated to pay Tier 1 Claims, the payments made to each Class Member who submit a valid Tier 1 Claims will be reduced on a *pro rata* basis.

The remainder of the Fund, after payment of costs of notice and administration, Service Awards, Attorneys’ Fees and Costs, and Tier 1 Claims, will be used to pay Tier 2 Adverse Reaction Claims of up to \$19,000 per Class Member, consisting of up to \$18,000 per Claimant for injuries and up to \$1,000 for provable expenses, to compensate consumers for claimed adverse reactions causing

personal injuries such as hair loss, hair damage, scalp irritation and emotional distress that accompanied such alleged injuries and any claims of misleading marketing.

More information regarding the potential value of your specific claim can be found at www.curlyhairsettlement.com.

Class Members can submit only one claim, either a Tier 1 Claim or a Tier 2 Claim. However, Class Members whose Tier 2 Claims are denied shall be automatically considered to have made and be eligible for a Tier 1 Claim.

How Do You Submit A Claim?

To qualify for payment, you must complete and submit a Claim Form, signed by you under penalty of perjury, along with any required supporting documents by __, 2021. Online Claim Forms and instructions for submitting claims are available at www.curlyhairsettlement.com. Claim Forms and instructions can also be obtained by calling 1-888-XXX-XXXX.

What Are Your Other options?

If you don't want to be legally bound by the Settlement, you must "opt out" or exclude yourself by mailing a note signed by you that lists your full name, current address, the case name and number (*In Re: Deva Concepts Products Liability Litigation*, No: 1:20-cv-01234-GHW), and the statement: "I wish to be excluded from the DevaCurl Class Action Settlement and do not wish to be a Class Member. I understand that I will not receive any monetary benefit under the Settlement, and I elect to be excluded from any judgment entered pursuant to the Settlement." Opt-Out statements must be postmarked no later than ____, 2021. If you properly exclude yourself, you will not get any Settlement payment and you cannot object to the Settlement. However, you will retain any legal claims you may have against the Defendant and may be able to sue on your own in the future.

If you are a Class Member, you can object to any part of the Settlement you don't like, and the Court will consider your views. Your objection must be timely, in writing, and contain certain specific information as described at www.curlyhairsettlement.com or available by calling 1-888-XXX-XXXX. Objections must be received by the Court, Class Counsel and Defendant's Counsel by ____, [insert 60 days after Notice Date]].

The Court will hold a Final Approval Hearing at the United States District Court for the Southern District of New York on [DATE] at [TIME]. At this hearing, the Court will consider whether the Settlement is fair, reasonable and adequate and whether to approve the Class Representatives Service Awards and the Attorneys' Fees and Costs requested by Class Counsel. You may attend the hearing, and you may hire your own lawyer at your expense, but you are not required to do either. The Court will consider timely written objections and will listen to objectors who request to speak at the hearing.
