¹ All capitalized terms are defined in Section 1 below.

Customer Data Security Breach Litig., MDL No. 1:23-md-03083-ADB, pending in the U.S. District Court for the District of Massachusetts as set forth herein (“the Action”).

RECITALS

WHEREAS, Plaintiff has alleged in the Action that in May 2023, cybercriminals exploited a vulnerability in Progress Software Corporation’s (“Progress”) MOVEit Transfer software, which enabled the cybercriminals to access and exfiltrate personal information stored in the databases of Progress’s MOVEit Transfer customers, including that of EY, which included personal information concerning BOA’s customers that BOA entrusted to EY.

WHEREAS, After the announcement of the exploitation of the MOVEit vulnerability, multiple putative class action lawsuits were filed against Progress and various users of its MOVEit Transfer software, alleging that Progress and users of its MOVEit Transfer software had failed to properly secure personal information and asserting claims arising from the data Security Incident.

WHEREAS, EY notified certain individuals that their personally identifiable information provided to EY by BOA may have been impacted in the Security Incident.

WHEREAS, On October 4, 2023, the United States Judicial Panel on Multidistrict Litigation transferred the first putative class action lawsuits related to the MOVEit data security incident to the Honorable Allison D. Burroughs of the U.S. District Court for the District of Massachusetts for coordinated or consolidated pre-trial proceedings. *In re: MOVEit Customer Data Security Breach Litig.*, MDL No. 1:23-md-03083-ADB (D. Mass.) (ECF No. 2).

WHEREAS, On July 15, 2024, the Settlement Class Representative filed a class action complaint that was coordinated with *In re: MOVEit Customer Data Security Breach Litig.*, MDL No. 1:23-md-03083-ADB, proceeding in the District of Massachusetts, asserting claims for negligence, breach of implied contract, breach of third-party beneficiary contract, unjust

enrichment, declaratory judgment, invasion of privacy—intrusion upon seclusion, invasion of privacy—public disclosure of private facts, and breach of confidence, seeking remedies (including damages and injunctive relief) for the impact and harm caused by the Security Incident. *See Morris v. Progress Software Corporation, et al.*, Case No. 1:24-cv-11807) (D. Mass.) (ECF No 1.).

WHEREAS, On January 19, 2024, the Court appointed Co-Lead Counsel, Liaison & Coordinating Counsel, and Committee Chairs and authorized Co-Lead Counsel to litigate all pre-trial proceedings and to conduct settlement negotiations on behalf of Plaintiff and absent putative class members that now comprise the Settlement Class (ECF No. 649).

WHEREAS, The Parties' Counsel are experienced litigators in the data breach field. After the appointment of Co-Lead Counsel, the Settlement Committee and Defendants' Counsel discussed the possible early resolution of the Litigation, which culminated in the Parties participating in an arm's length settlement negotiation on May 13, 2024.² During the settlement negotiations, the Parties reached an impasse and thereafter agreed to continue their settlement discussions via the mediation process. The Parties then engaged in a full-day mediation session conducted on March 20, 2025 by the Honorable Diane M. Welsh (Ret.), a retired federal magistrate judge now with JAMS in Philadelphia, Pennsylvania. In preparation for the mediation, Defendants provided confidential information related to the issues in the lawsuit and the Settlement Class Representative that allowed the Parties to assess the case and meaningfully engage in arm's length settlement discussions.

WHEREAS, During the mediation, the Parties reached an agreement in principle regarding the material terms of a classwide settlement, which if approved by the Court, will resolve all claims

² The May 13, 2024 settlement negotiation concerned *Jacobs v. Ernst & Young Investment Advisers LLP et al.*, No. 1:23-cv-13021-ADB (D. Mass.)—which was filed by a different plaintiff but raised similar allegations against EY and BOA and was coordinated with the *MOVEit* MDL. The *Jacobs* plaintiff voluntarily dismissed his lawsuit on July 2, 2024. *In re: MOVEit* MDL Dkt. 1027.

against Defendants in the Litigation. Thereafter, the Parties drafted this Agreement.

WHEREAS, The Parties recognize the expense and length of proceedings that would be required to continue litigation of the Action through further motions practice, discovery, trial, and any possible appeals. The Parties have taken into account the uncertainty and risk of the outcome of further litigation, and the expense, difficulties, and delays inherent in such litigation. The Parties are also aware of the burdens of proof necessary to establish liability and damages for the claims alleged in the Action and the defenses thereto. Based upon their investigation and the exchange of information, as set forth above, the Parties have determined that the settlement set forth in this Agreement is in their respective best interests, and that the Agreement is fair, reasonable, and adequate. The Parties therefore agree to settle the claims asserted against Defendants in the Action pursuant to the terms and provisions of this Agreement, subject to the Court's approval.

WHEREAS, The Parties now agree to settle the Litigation in its entirety as to Defendants, without any admission of liability, with respect to all Released Claims of the Settlement Class Representative and Settlement Class Members who do not timely and validly exclude themselves from the Settlement Class. The Parties intend this Agreement to bind the Settlement Class Representative, Defendants, and all Settlement Class Members that do not timely and validly exclude themselves from the Agreement.

THEREFORE, In light of the foregoing, for good and valuable consideration, the receipt of which is hereby mutually acknowledged, it is hereby stipulated and agreed by the Parties that the Litigation be settled, compromised, and dismissed on the merits and with prejudice with respect to Defendants, subject to preliminary and final Court approval, as required by Fed. R. Civ. P. 23, on the following terms and conditions:

By no later than ten (10) days prior to the Final Approval Hearing, responses shall be filed, if any, to any filings by objectors, and any replies in support of final approval of the Settlement or Class Counsel’s application for Attorneys’ Fee and Expenses and Service Award. In the Court’s discretion, the Court also may hear argument at the Final Approval Hearing from any Settlement Class Members (or their counsel), who object to the Settlement and/or Class Counsel’s request for attorneys’ fees and expenses and Service Awards, provided the objectors filed timely objections that meet all the requirements listed in this Agreement.

7.4 At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order, and whether to approve Class Counsel’s Application for attorney’s fees and expenses and Service Awards. The proposed Final Approval Order that will be filed with the Final Approval Motion shall be in a form agreed upon by Class Counsel and Defendants as set forth in Exhibit B attached hereto. Such proposed Final Approval Order shall, among other things:

- a. Determine that the Settlement is fair, adequate, and reasonable;
- b. Finally certify the Settlement Class for settlement purposes only;
- c. Determine that the Notice provided satisfied the Federal Rules of Civil

Procedure and due process requirements;

- d. Dismiss all claims in the Litigation as to the Defendant Released Parties with prejudice;
- e. Bar and enjoin the Plaintiff Released Parties from asserting any of the Released Claims, including during the pendency of any appeal from Final Approval;
- f. Release and forever discharge the Defendant Released Parties from the Released Claims as provided in this Settlement; and
- g. Reserve the Court's continuing and exclusive jurisdiction over Defendants and all Settlement Class Members (including all objectors) to administer, supervise, construe, and enforce this Settlement in accordance with its terms.

8. Duties of Settlement Administrator.

- 8.1 Class Counsel has retained, subject to Court-approval—and Defendants' approval, which shall not be unreasonably withheld—an independent Settlement Administrator.
- 8.2 The Settlement Administrator shall perform the functions and duties necessary to effectuate the Settlement and as specified in this Agreement or the Settlement Benefits Plan after Court approval, and any other functions approved by the Court, including, but not limited to, the following:
 - a. Obtaining the Class List for the purpose of disseminating Notice to Settlement Class Members;
 - b. Providing Notice to Settlement Class Members;

- c. Establishing and maintaining the Settlement Website;
- d. Establishing and maintaining a toll-free telephone line for Settlement Class Members to call with Settlement-related inquiries, and answering the questions of Settlement Class Members who call with or otherwise communicate such inquiries timely;
- e. Responding to any Settlement Class Member inquiries in a timely manner;
- f. Reviewing, determining the validity of, and processing all claims submitted by Settlement Class Members;
- g. Receiving requests to opt out and objections from Settlement Class Members and providing Class Counsel and Defendants' Counsel a copy thereof no later than fifteen (15) days following the deadline for submission of the same. If the Settlement Administrator receives any requests to opt out, objections, or other requests from Settlement Class Members after the Opt-Out and Objection Deadlines, the Settlement Administrator shall promptly provide copies thereof to Class and Defendants' Counsel;
- h. After the Effective Date, processing and transmitting Settlement Payments to Settlement Class Members and the approved Attorneys' Fee and Expenses to Class Counsel;
- i. Providing weekly or other periodic reports to Class Counsel and Defendants' Counsel that include information regarding the number of Claims and later, settlement payments sent and delivered, payments accepted and cashed, undeliverable information, and any other requested information relating to filed Claim Forms and Settlement Payments. The

Settlement Administrator shall also, as requested by Class Counsel or Defendants' Counsel and from time to time, provide the amounts remaining from any funds paid by Defendants.

- j. In advance of the Final Approval Hearing, preparing an affidavit upon request to submit to the Court that: (i) attests to implementation of Notice in accordance with the Preliminary Approval Order; and (ii) identifies each Settlement Class Member who timely and properly submitted a request for exclusion;
- k. Filing and paying any required taxes that may be due and payable; and
- l. Performing any function related to settlement administration at the agreed-upon instruction of Class Counsel or Defendants' Counsel, including, but not limited to, verifying that Settlement Payments have been distributed.

8.3 Neither the Parties nor the Parties' Counsel shall have any liability whatsoever with respect to any act or omission of the Settlement Administrator, or any of its designees or agents, in connection with its performance of its duties under this Agreement or the Settlement Benefits Plan, once approved by the Court.

8.4 The Settlement Administrator shall indemnify and hold harmless the Parties and the Parties' Counsel for any liability arising from any act or omission of the Settlement Administrator, or any of its designees or agents, in connection with its performance of its duties under this Agreement or the Settlement Benefits Plan, once approved by the Court.

9. Notice to Settlement Class Members.

9.1 Within ten (10) days after the entry of the Preliminary Approval Order, Defendants

shall provide the Settlement Administrator with the Class List.

9.2 Following Defendants' provision of the Class List to the Settlement Administrator, Notice to the Settlement Class shall be provided in the following manner by the Notice Deadline:

- a. A Notice consistent with Exhibit D (the "Short Form Notice") shall be emailed or mailed by U.S. Mail (where email addresses have not been provided) by the Settlement Administrator. The Notice will advise Settlement Class Members of the allegations asserted in the Litigation, how to file a claim, how to exclude themselves from the Settlement, how to object to the Settlement, and provide a URL for the Settlement Website. If at any time, the Parties have reason to believe that certain Settlement Class Members have not received mailed Notice, they may work in good faith to identify alternative means of contact.
- b. Before mailing the Notice, the Settlement Administrator will update each Settlement Class Member's address through a reliable service of the Settlement Administrator's choosing that is consistent with its customary business practices. If any mail or email Notice is returned to the Settlement Administrator as undelivered and a forwarding address is provided, the Settlement Administrator will re-mail one additional time to the new addresses. For those Notices returned to the Settlement Administrator as undeliverable with no forwarding address, the Settlement Administrator will perform a skip trace search and/or make other reasonable efforts to locate an updated address, and, where such an address is found, will re-mail

the notice to the updated address. For the avoidance of doubt, any individual (other than custodians, in their capacity as such) on the Class List provided by Defendants to the Settlement Administrator shall be deemed a Settlement Class Member despite the inability of the Settlement Administrator to locate a current mailing address or otherwise provide notice to the individual.

- c. The Settlement Administrator shall post the Notice consistent with Exhibit E (“the Long Form Notice”) and Claim Form consistent with Exhibit A on the Settlement Website established by the Settlement Administrator. The Settlement Administrator shall also provide Settlement Class Members the ability to submit the information for the Claim Form electronically via the Settlement Website.

- 9.3 The Settlement Administrator shall send a reminder Notice consistent with Exhibit F (the “Reminder Notice”) by email to Settlement Class Members who had previously received notice by emails, which emails shall be sent no sooner than forty (40) days before, and no later than twenty-five (25) days before, the end of the Claims Period. The Settlement Administrator shall also post the Reminder Notice on the Settlement Website.

10. CAFA Notice.

- 10.1 Defendants will serve or cause to be served the CAFA Notice, no later than ten (10) days after this Agreement is filed with the Court.

11. Opt-Outs.

- 11.1 The Notice shall include a procedure for Settlement Class Members to opt out from the Settlement by notifying, in writing, the Settlement Administrator of their intent

to exclude themselves from the Settlement. Such written requests for exclusion must be postmarked no later than the Opt Out Deadline. The written request for exclusion must include:

- a. The name of this Litigation or a decipherable approximation (Morris v. Progress Software Corporation et al., Case No. 1:24-cv-11807-ADB (D. Mass.));
- b. The full name, address, and telephone number of a Settlement Class Member; or the full name, address, telephone number, relationship, and signature of the Settlement Class Member or of any individual acting on behalf of a Settlement Class Member;
- c. And the words “Opt-Out” or “Request for Exclusion” at the top of the document or a statement in the body of the document requesting exclusion from the Settlement.

11.2 Opt-out requests seeking exclusion on behalf of more than one individual shall be deemed invalid by the Settlement Administrator.

11.3 Any individual who submits a valid and timely request for exclusion in the matter described herein shall not: (i) be bound by any orders or judgments entered in connection with the Settlement; (ii) be entitled to any relief under, or be affected by, the Settlement; (iii) gain any rights by virtue of the Settlement; or (iv) be entitled to object to any aspect of the Settlement.

11.4 Any Settlement Class Member who does not provide a timely request for exclusion, or who does not provide all information required by this Settlement to exclude himself or herself, shall be bound by the terms of the Settlement, including all

releases in the Settlement.

12. Objections.

12.1 The Notice shall include a procedure for Settlement Class Members to object to the Settlement, Class Counsel's request for attorneys' fees, and expenses, and/or the application for Service Award. Objections to the Settlement, Class Counsel's request for attorneys' fees and expenses and/or to the application for Service Award must be filed electronically with the Court or mailed to the Clerk of the Court. For an objection to be considered by the Court, the objection must be: (a) filed by the Objection Deadline; or (b) mailed via USPS First Class Mail prepaid to the Clerk of Court at the address listed in the Notice and postmarked by no later than the Objection Deadline, as specified in the Notice. Each Settlement Class Member desiring to object to the settlement shall submit a timely written notice of his or her objection.

12.2 Any objection must be in writing and must:

- a. Clearly identify the case name and number or a decipherable approximation (Morris v. Progress Software Corporation et al., Case No. 1:24-cv-11807-ADB (D. Mass.));
- b. Include the full name, address, telephone number, and email address of the person objecting;
- c. Include the full name, address, telephone number, and email address of the objector's counsel (if the objector is represented by counsel);
- d. State whether the objection applies only to the objector, to a specific subset of the Settlement Class, or to the entire Settlement Class, and also state with

specificity the grounds for the objection;

- e. Confirm whether the objector or counsel on the objector's behalf will personally appear and/or testify at the Final Approval Hearing; and
- f. Provide the objector's signature and the signature of the objector's duly authorized counsel or other duly authorized representative.

12.3 Settlement Class Members who fail to file and serve timely written objections in the manner specified above shall be deemed to have waived any objections and shall be foreclosed from making any objection (whether by appeal or otherwise) to the Settlement.

12.4 Any Settlement Class Member who both objects to the Settlement and opts out will be deemed to have opted out and the objection shall be deemed null and void.

13. Representations and Warranties.

13.1 Each Party represents that:

- a. Such Party has the full legal right, power, and authority to enter into and perform this Agreement, subject to Court approval;
- b. Such Party is voluntarily entering into this Agreement as a result of arm's-length negotiations conducted by its counsel;
- c. Such Party is relying upon its own judgment, belief, and knowledge, and the advice and recommendations of its own independently selected counsel, concerning the nature, extent, and duration of its rights and claims hereunder and regarding all matters that relate in any way to the subject matter hereof;
- d. Such Party has been represented by, and consulted with, the counsel of its

choice regarding the provisions, obligations, rights, risks, and legal effects of this Agreement and has been given the opportunity to review independently this Agreement with such counsel and agree to the language of the provisions herein;

- e. The execution and delivery of this Agreement by such Party and the consummation by such Party of the transactions contemplated by this Agreement have been duly authorized by such Party;
- f. Except as provided herein, such Party has not been influenced to any extent in executing the Agreement by representations, statements, or omissions pertaining to any of the foregoing matters by any Party or by any person representing any Party to the Agreement;
- g. Each Party assumes the risk of mistake as to fact or law;
- h. This Agreement constitutes a valid, binding, and enforceable agreement; and
- i. No consent or approval of any person or entity is necessary for such Party to enter into this Agreement.

13.2 The Settlement Class Representative represents and warrants that he has not assigned or otherwise transferred any interest in any of the Released Claims against any of the Defendant Released Parties, and further covenants that he will not assign or otherwise transfer any interest in any of the Released Claims against any of the Defendant Released Parties.

13.3 The Settlement Class Representative represents and warrants that he has no surviving claim or cause of action against any of the Defendant Released Parties

with respect to any of the Released Claims.

14. Releases.

14.1 As of the Effective Date, all Plaintiff Released Parties, on behalf of themselves, their heirs, assigns, beneficiaries, executors, administrators, predecessors, and successors, and any other person purporting to claim on their behalf, hereby expressly, generally, absolutely, unconditionally, and forever release and discharge any and all Released Claims against the Defendant Released Parties, except for claims relating to the enforcement of the Settlement or this Agreement.

14.2 Except for Settlement Class members who have validly and timely elected to exclude themselves from or opt-out of the Settlement Class, each member of the Settlement Class is barred and permanently enjoined from bringing on behalf of themselves, or through any person purporting to act on their behalf or purporting to assert a claim under or through them, any of the Released Claims against the Defendant Released Parties in any forum, action, or proceeding of any kind.

14.3 With respect to all Released Claims, Plaintiff and each of the other Settlement Class Members agree that they are expressly waiving and relinquishing to the fullest extent permitted by law (a) the provisions, rights, and benefits conferred by Section 1542 of the California Civil Code, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

and (b) any law of any state or territory of the United States, federal law or principle of common law, or of international or foreign law, that is similar, comparable or

equivalent to Section 1542 of the California Civil Code.

14.4 As of the Effective Date, Defendants will release and discharge the Plaintiff Released Parties from any claims that arise out of or relate in any way to the institution, prosecution, or settlement of the Action, except for claims relating to the enforcement of the Settlement or this Agreement or claims for breach of this Agreement.

14.5 The Parties understand that if the facts upon which this Agreement is based are found hereafter to be different from the facts now believed to be true, each Party expressly assumes the risk of such possible difference in facts, and agrees that this Agreement, including the releases contained herein, shall remain effective notwithstanding such difference in facts. The Parties agree that in entering this Agreement, it is understood and agreed that each Party relies wholly upon its own judgment, belief, and knowledge and that each Party does not rely on inducements, promises, or representations made by anyone other than those embodied herein. Notwithstanding any other provision of this Agreement (including, without limitation, this Section), nothing in this Agreement shall be deemed to in any way impair, limit, or preclude the Parties' rights to enforce any provision of this Agreement, or any court order implementing this Agreement, in a manner consistent with the terms of this Agreement.

15. Termination.

15.1 This Agreement may be terminated by either the Settlement Class Representative or Defendants by serving on counsel for the opposing party and filing with the Court, a notice of termination within ten (10) days (or such longer time as may be

agreed between Class Counsel and Defendants) after any of the following occurrences:

- a. Class Counsel and Defendants mutually agree to termination before the Effective Date;
- b. The Court rejects, materially modifies, materially amends or changes, or declines to preliminarily or finally approve the Settlement as set forth in this Agreement;
- c. An appellate court reverses the Final Approval Order, and the Settlement is not reinstated and finally approved without material change by the Court on remand;
- d. The Court or any reviewing appellate court incorporates different material items or provisions into, or deletes or strikes material terms or provisions from, or materially modifies, amends, or changes, the proposed Preliminary Approval Order, the proposed Final Approval Order, or the Settlement; or
- e. The Effective Date does not occur.

15.2 Notwithstanding Section 15.1, if the Parties fail to obtain Preliminary Approval or Final Approval of the Settlement, or if the Final Approval Order is not upheld on appeal, the Parties shall negotiate in good faith in an attempt to modify the Settlement in a manner to effectuate the terms of this Agreement to obtain Preliminary Approval and Final Approval. If the Parties are unable to reach an agreement to modify the Settlement, then either Party may terminate this Agreement by providing notice of termination as provided above.

15.3 If this Agreement is terminated pursuant to Section 15.1(a)-(e) above, the following

shall occur:

- a. Within ten (10) days of receiving notice of a termination event from Defendants' Counsel, the Settlement Administrator shall pay to Defendants an amount equal to the Settlement Fund, together with any interest or other income earned thereon, less (i) any Taxes paid or due with respect to such income and (ii) any reasonable and necessary Costs of Notice and Administration already actually incurred and paid or payable from the Settlement Fund pursuant to the terms of this Agreement;
- b. The Parties shall return to the status quo in the Action as if the Parties had not entered into this Agreement;
- c. Any Court orders approving certification of the Settlement Class and any other orders entered pursuant to this Agreement shall be null and void and vacated, and neither those orders nor any statements made in connection with seeking approval of the Agreement may be used in or cited by any person or entity in support of claims or defenses or in support or in opposition to a future class certification motion in connection with any further proceedings in the Action or in any other action, lawsuit, arbitration, or other proceeding involving a Released Claim; and
- d. This Agreement shall become null and void, and the fact of this Settlement and that Defendants did not oppose certification of the Settlement Class shall not be used or cited by any person or entity in support of claims or defenses or in support of or in opposition to a future class certification motion in connection with any further proceedings in the Action or in any

other action, lawsuit, arbitration, or other proceeding involving a Released Claim.

16. No Admission of Wrongdoing.

16.1 Defendants deny each and every claim and contention alleged against them in the Litigation and all charges of wrongdoing or liability alleged against them. Nonetheless, Defendants and their counsel have concluded that further continuation of the Litigation would be protracted and expensive, and that it is desirable that the Litigation be fully and finally settled in the manner and upon the terms and conditions set forth in this Settlement Agreement.

16.2 Neither the Settlement Agreement, nor the Settlement contained herein, nor any act performed or document executed pursuant to or in furtherance of the Settlement Agreement or the settlement: (i) is, or may be deemed to be, or may be used as, an admission or evidence of the validity, or lack thereof, of any Released Claims, wrongdoing, or liability of the Defendant Released Parties; or (ii) is, or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission, in any civil, criminal, or administrative proceeding in any court, administrative agency, and/or other tribunal or proceeding. Any of the Defendant Released Parties may file the Settlement Agreement or the Judgment in any action that may be brought against them in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion, or similar defense or counterclaim.

18. Miscellaneous Provisions.

- 18.1 Further Steps. The Parties agree that they each shall undertake any further required steps to effectuate the purposes and intent of this Agreement.

- 18.2 Cooperation. The Parties: (i) acknowledge that it is their intent to consummate this Settlement Agreement and (ii) agree to cooperate to the extent reasonably necessary to effect and implement all terms and conditions of the Settlement Agreement and to exercise their best efforts to accomplish the foregoing terms and conditions of the Settlement Agreement.
- 18.3 Settlement Class Member Communications. Defendants shall not authorize any communication that is intended or reasonably likely to encourage Settlement Class Members to exclude themselves from the Settlement or to object to the Settlement. Defendants may, however, continue any and all ordinary-course-of-business communications with Settlement Class Members. Defendants may further, in their discretion, authorize communications referring all questions from Settlement Class Members regarding the Settlement to the Notice, Class Counsel, the Settlement Administrator, and the Settlement Website.
- 18.4 Authority. The signatories hereto hereby represent that they are fully authorized to enter into this Settlement and to bind the applicable Party to the terms and conditions hereof. Any person executing this Settlement in a representative capacity represents and warrants that he or she is fully authorized to do so and to bind the Party on whose behalf he or she signs this Settlement to all of the terms and provisions of this Settlement.
- 18.5 Recitals. The recitals set forth above shall be and hereby are terms of this Agreement as if set forth herein.
- 18.6 Headings. Any headings contained herein are for informational purposes only and do not constitute a substantive part of this Agreement. In the event of a dispute

concerning the terms and conditions of this Agreement, the headings shall be disregarded.

- 18.7 Integration. This Agreement (along with any exhibits attached hereto) constitutes a single, integrated written contract expressing the entire agreement of the Parties relative to the subject matter hereof. No covenants, agreements, representations, or warranties of any kind whatsoever have been made by any Party, except as provided for herein.
- 18.8 Exhibits. The exhibits to this Agreement are expressly incorporated by reference and made part of the terms and conditions set forth herein.
- 18.9 Drafting. The Parties agree that no single Party shall be deemed to have drafted this Agreement, or any portion thereof, for purposes of the invocation of the doctrine of contra proferentem. This Agreement is a collaborative effort of the Parties and their attorneys.
- 18.10 Singular and Plurals. As used in this Agreement, all references to the plural shall also mean the singular and all references to the singular shall also mean the plural whenever the context so indicates.
- 18.11 Modification or Amendment. The Settlement Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest. Modification of the Settlement Agreement following Preliminary Approval will require approval of the Court.
- 18.12 Waiver. The waiver by one Party of any breach of the Settlement by any other Party shall not be deemed a waiver, by that Party or by any other Party to the Settlement, of any other prior or subsequent breach of the Settlement.

- 18.13 Severability. Should any part, term, or provision of this Agreement be declared or determined by any court or tribunal to be illegal or invalid, the Parties agree that the Court may modify such provision to the extent necessary to make it valid, legal, and enforceable. In any event, such provision shall be separable and shall not limit or affect the validity, legality, or enforceability of any other provision hereunder.
- 18.14 Counterparts. The Settlement Agreement may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court.
- 18.15 Electronic Mail. Transmission of a signed Agreement by electronic mail shall constitute receipt of an original signed Agreement by mail.
- 18.16 Successors and Assigns. The Settlement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties to the Settlement.
- 18.17 Governing Law. The construction, interpretation, operation, effect, and validity of the Agreement and the exhibits hereto shall be governed by and interpreted according to the laws of the Commonwealth of Massachusetts, without regard to conflicts of laws, except to the extent federal law requires that federal law govern.
- 18.18 Retention of Jurisdiction. The administration and consummation of the Settlement as embodied in this Agreement shall be under the authority of the Court, and the Court shall retain jurisdiction over the Settlement and the Parties for the purpose of enforcing the terms of this Agreement. The Court also shall retain exclusive jurisdiction over any determination of whether any subsequent suit is released by the Settlement Agreement.

18.19 Arm's-Length Negotiation. The Parties agree that the amounts paid and the other terms of the Settlement were negotiated at arm's length and in good faith by the Parties, and reflect the Settlement that was reached voluntarily after extensive negotiations and consultation with experienced legal counsel, who were fully competent to assess the strengths and weaknesses of their respective clients' claims or defenses.

18.20 No Collateral Attack. The Settlement Agreement shall not be subject to collateral attack, including by any Settlement Class Member or any recipient of notices of the Settlement after the Judgment is entered.

18.21 Representations/Warranties Regarding Other Potential Plaintiffs or Legal Claims. Class Counsel represent and warrant that they do not represent any clients, or have knowledge of any potential clients, with claims or potential claims against Defendants or Defendant Released Parties aside from the Released Claims. Plaintiff and Class Counsel each represent and warrant that neither of them is aware of any potential plaintiff, or any attorney other than Class Counsel, who intends to make demands or bring litigation against Defendants or Defendant Released Parties. Plaintiff and Class Counsel each further represent and warrant that neither of them has been notified or otherwise informed of any such intention or consideration thereof. Plaintiff and Class Counsel each further represent and warrant that neither of them has been referred to any other attorney or any other individual alleging to have, asserting, pursuing, or seeking to pursue any claims against Defendants or Defendant Released Parties. Class Counsel represent and warrant that they have removed all advertisements, including social media posts, soliciting potential

clients to pursue claims against Defendants or Defendant Released Parties. Class Counsel further represent and warrant that they have removed any other publications, including social media posts, announcing, publicizing, or describing the Released Claims, to the extent published by Class Counsel.

18.22 Bar to Future Suits. Upon entry of the Final Approval Order, Plaintiff Released Parties shall be enjoined from prosecuting any Released Claim in any proceeding against Defendant Released Parties or based on any actions taken by any of the Released Parties that are authorized or required by this Agreement or by the Final Approval Order. It is further agreed that the Settlement may be pleaded as a complete defense to any proceeding subject to this Section.

18.23 Non-Disparagement. The Settlement Class Representative, Class Counsel, Defendants, and Defendants' Counsel agree not to make any statements, written or verbal, or to cause or encourage any other person to make any statements, written or verbal, that defame, disparage or in any way criticize the personal or business reputation, practices, or conduct of the Parties and their respective counsel concerning all Released Claims, as well as this Litigation, the Settlement, this Agreement, and any discussions, interactions, or negotiations of the Settlement by the Parties and their counsel.

If you are a U.S. resident and were notified by Ernst & Young LLP (“EY”) that your Personally Identifying Information was impacted by the MOVEit Security Incident that resulted from an alleged vulnerability in the third-party file transfer software, MOVEit Transfer (the “Security Incident”), you may be a member of the Settlement Class and eligible to complete this Claim Form to request two (2) years of identity protection and credit monitoring services free of charge and **either**: (1) compensation for documented unreimbursed out-of-pocket expenses of up to \$2,500 (“Ordinary Losses”), including up to four (4) hours of lost time at \$25 per hour and monetary losses up to a total of \$10,000 (“Extraordinarily Losses”); **or** (2) an alternative cash payment of \$100 (subject to *pro rata* reduction or increase based on total claim submission) without the need to prove any loss.

Ordinary Losses include the following:

1. Out-of-pocket expenses incurred as a result of the Security Incident, including bank fees, long distance phone charges, cell phone charges (only if charged by the minute), data charges (only if charged based on the amount of data used), postage, or gasoline for local travel;
2. Fees for credit reports, credit monitoring, or other identity theft insurance product purchased on or after May 31, 2023 through [insert end of Claims Period]; and
3. Lost Time spent dealing with the Security Incident compensated at a rate of \$25 per hour for up to four (4) hours.

Extraordinary Losses include compensation for proven monetary losses, professional fees including attorneys’ fees, accountants’ fees, and fees for credit repair services incurred as a result of the Security Incident.

Compensation for the above losses (except lost time) will only be paid if:

- The loss is an actual, documented, and unreimbursed monetary loss;
- The loss was more likely than not caused by the Security Incident;
- The loss occurred between May 31, 2023 and [insert end of Claims Period]; and
- Documentation of the claimed losses is not “self-prepared.” Self-prepared documents, such as handwritten receipts, are, by themselves, insufficient to receive reimbursement.

Alternative Cash Payment. In lieu of claiming compensation for Ordinary Losses or Extraordinary Losses, members of the Settlement Class may elect to receive a one-time payment of \$100 (subject to *pro rata* reduction or increase based on total claim submission) as a result of the Security Incident.

Claims for the Alternative Cash Payment are subject to potential proration, depending on the number and amount of claims received.

CORPORATION,

DEFENDANTS.

[PROPOSED] FINAL APPROVAL ORDER

WHEREAS, a Settlement Agreement, dated as of ____ (the “Settlement Agreement”), was made and entered into by and among the following Parties: (i) Plaintiff Ben Morris (the “Settlement Class Representative”), individually and on behalf of the Settlement Class Members, by and through E. Michelle Drake of Berger Montague, PC, Gary F. Lynch of Lynch Carpenter, LLP, Douglas J. McNamara of Cohen Milstein Sellers & Toll PLLC, Karen H. Riebel of Lockridge Grindal Nauen PLLP, Charles E. Schaffer of Levin Sedran & Berman LLP, and Kristen A. Johnson of Hagens Berman Sobol Shapiro LLP (collectively, “Class Counsel”); (ii) Ernst & Young LLP (“EY”), for the benefit of all Defendant Released Parties related to EY, by and through EY’s counsel of record, Sean W. Gallagher, Abby M. Mollen, and Dawson K. Robinson of Bartlit Beck LLP (“EY’s Counsel”); and (iii) Bank of America Corporation (“BOA”, collectively with EY, “Defendants”), for the benefit of all Defendant Released Parties, related to BOA by and through BOA’s counsel of record, Randall W. Edwards, Pamela A. Miller, and Shruti Kannan of O’Melveny & Myers LLP (“BOA’s Counsel”, collectively with EY’s Counsel, “Defendants’ Counsel”); and

WHEREAS, on _____ 2025, the Court entered a Preliminary Approval Order (“Preliminary Approval Order”) that, among other things, (a) preliminarily certified, pursuant to Federal Rule of Civil Procedure 23, a class for the purposes of settlement only; (b)

approved the form of Notice to Settlement Class Members, and the method of dissemination thereof; (c) directed that the Notice of the Settlement be disseminated to the Settlement Class; and (d) set a hearing date for final approval of the Settlement; and

WHEREAS, the Notice to the Settlement Class ordered by the Court has been disseminated as ordered, according to the declaration of the Settlement Administrator filed with the Court on _____; and

WHEREAS, the Notice pursuant to the Class Action Fairness Act (“CAFA Notice”) ordered by the Court has been provided, according to the Notice of Filing filed with the Court on _____; and

WHEREAS, on _____, a final approval hearing was held on whether the settlement set forth in the Settlement Agreement was fair, reasonable, adequate, and in the best interests of the Settlement Class, such hearing date being an appropriate number of days after Notice to the Settlement Class and CAFA Notice were issued; and

NOW THEREFORE, having reviewed and considered the submissions presented with respect to the settlement set forth in the Settlement Agreement and the record in these proceedings, having heard and considered the evidence presented by the parties and any non-party objectors, as well as the arguments of counsel, and having determined that the settlement set forth in the Settlement Agreement is fair, reasonable, adequate, and in the best interests of the Settlement Class;

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED:

1. The Court incorporates by reference the definitions set forth in the Settlement Agreement and the Preliminary Approval Order.

2. The Court finds it has personal and subject-matter jurisdiction over this matter, the Parties, and all Settlement Class Members.

3. The Settlement was entered into in good faith following arm’s length negotiations and is non-collusive.

4. The Settlement is, in all respects, fair, reasonable, and adequate, and is in the best interests of the Settlement Class, and is therefore approved. The Court finds that the Parties faced significant risks, expenses, delays and uncertainties, including as to the outcome, of continued litigation of this complex matter, which further supports the Court’s finding that the Settlement is fair, reasonable, adequate and in the best interests of the Settlement Class Members. The Court finds that the uncertainties of continued litigation in both the trial and appellate courts, as well as the expense associated with it, weigh in favor of approval of the Settlement.

5. This Court grants final approval of the Settlement, including but not limited to the releases in the Settlement and the plans for distribution of the settlement relief, including the Settlement Benefits Plan. The Court finds that the Settlement is in all respects fair, adequate and

reasonable, including with respect to its opt-out provisions, and in the best interest of the Settlement Class. Therefore, all Settlement Class Members who have not opted out are bound by the Settlement and this Final Approval Order.

6. The Settlement Agreement, and each and every term and provision thereof, shall be deemed incorporated herein as if explicitly set forth herein and shall have the full force and effect of an order of this Court.

7. Settlement Representative, Defendants, the Settlement Administrator, and Settlement Class Members shall consummate the Settlement according to the terms of the Settlement Agreement.

Objections and Opt-Outs

8. — objections were filed by Settlement Class Members. The Court has considered all objections and finds the objections do not counsel against Settlement approval and the objections are hereby overruled in all respects.

9. All persons who have not objected to the Settlement in the manner provided in the Settlement are deemed to have waived any objections to the Settlement, including but not limited to by appeal, collateral attack, or otherwise.

10. A list of those Settlement Class Members who have timely and validly elected to opt out of the Settlement and the Settlement Class in accordance with the requirements in the Settlement (the “Opt-Out Members”) has been submitted to the Court in the Declaration of _____, filed in advance of the final approval hearing. That list is attached as Exhibit A to this Final Approval Order. The persons listed in Exhibit A are not bound by the Settlement or this Final Approval Order, and are not entitled to any of the benefits under the Settlement. Opt-Out Members listed in Exhibit A shall be deemed not to be Plaintiff Released Parties.

Class Certification

11. For purposes of the Settlement and this Final Approval Order, the Court hereby finally certifies for settlement purposes only the following Settlement Class:

All living persons in the United States whose Personally Identifying Information (“PII”) was included in the files affected by the Security Incident.

Excluded from the Settlement Class are: (i) Defendants, any entity in which Defendants have a controlling interest, and Defendants’ officers, directors, legal representatives, successors, subsidiaries, and assigns; (ii) any judge, justice, or judicial officer presiding over the Litigation and the members of their immediate families and judicial staff; and (iii) any individual who timely and validly opts out of the Settlement.

12. The Court determines that, for settlement purposes only, the Settlement Class meets all of the requirements of Federal Rule of Civil Procedure 23(a), (b)(2), and (b)(3), namely that the Settlement Class is so numerous that joinder of all members is impractical; that there are common issues of law and fact; that the claims of the Settlement Class Representative are typical of absent Settlement Class Members; that the Settlement Class Representative has and will fairly and adequately protect the interests of the Settlement Class as he has no interests antagonistic to or in conflict with the Settlement Class and has retained experienced and competent counsel to prosecute this matter; that common issues predominate over any individual issues; and that a class action is the superior means of adjudicating the controversy.

13. For settlement purposes only, the Court grants final approval to the appointment of Plaintiff Ben Morris as the Settlement Class Representative. The Court concludes that the Settlement Class Representative has fairly and adequately represented the Settlement Class and will continue to do so.

14. For settlement purposes only, the Court grants final approval to the appointment, pursuant to Rule 23(g), of E. Michelle Drake of Berger Montague, PC, Gary F. Lynch of Lynch Carpenter, LLP, Douglas J. McNamara of Cohen Milstein Sellers & Toll PLLC, Karen H. Riebel of Lockridge Grindal Nauen PLLP, Charles E. Schaffer of Levin Sedran & Berman LLP, and Kristen A. Johnson of Hagens Berman Sobol Shapiro LLP as Class Counsel for the Settlement Class.

Notice to the Settlement Class

15. The form, content, and method of dissemination of the Notice given to the Settlement Class were adequate and reasonable, and constituted the best Notice practicable under the circumstances. The Notice, as given, provided valid, due, and sufficient Notice of the proposed settlement, the terms and conditions set forth in the Settlement Agreement, their right to exclude themselves, their right to object to the Settlement and appear at the Final Approval Hearing, and of these proceedings to all persons entitled to such Notice, and said Notice fully satisfied the requirements of Federal Rule of Civil Procedure 23, constitutional due process, and any other legal requirements.

16. The CAFA Notice provided by the Settlement Administrator met all requirements of the Act.

17. The Settlement Class Representative and Class Counsel fairly and adequately represented the interests of Settlement Class Members in connection with the settlement set forth in the Settlement Agreement.

18. [All objections to the settlement set forth in the Settlement Agreement having been considered and having been found either to be mooted by the settlement or not supported by credible evidence, the settlement set forth in the Settlement Agreement is in all respects, fair, adequate, reasonable, proper, and in the best interests of the Settlement Class, and is hereby approved.]

19. Every Settlement Class Member who exercised their right to opt out of the Settlement is hereby excluded from the Settlement Class.

20. Each Released Claim of each Plaintiff Released Party is hereby extinguished as against the Defendant Released Parties.

Award of Attorneys' Fees and Service Awards

21. The Court having considered Plaintiff's Motion for Attorneys' Fees and Expenses hereby grants the Motion and awards Class Counsel (as well as any agents, vendors or experts with which they may have worked on this matter) \$_____ for their fees and expenses in the case, hereby extinguishing any claims for any such fees, costs or expenses as against the Defendant Released Parties. Class Counsel's fee and expense award shall be paid in accordance with the Settlement Agreement. The Court finds the amount of fees and expenses to be fair and reasonable.

22. The Court grants Settlement Class Representative the Service Award in the amount of \$2,500. The Service Award shall be paid in accordance with the Settlement Agreement. The Court finds that this payment is justified by his service to the Settlement Class.

23. This award of attorneys' fees and costs, and Service Award is independent of the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement.

Other Provisions

24. The Parties to the Settlement shall carry out their respective obligations thereunder.

25. Within the time period set forth in the Settlement, the relief provided for in the Settlement shall be made available to the Settlement Class Members submitting valid Claim Forms, pursuant to the terms and conditions of the Settlement.

26. As of the Effective Date, the Plaintiff Released Parties release any and all Released Claims, defined as: any and all liabilities, rights, claims, actions, causes of action, damages, penalties, costs, attorneys' fees, losses or demands, whether known or unknown, liquidated or unliquidated, existing or potential, suspected or unsuspected, legal, statutory, or equitable, based on contract, tort, or any other theory, that result from, arise out of, are based upon, or relate to the conduct, omissions, duties, or matters that were or reasonably could have been asserted against Defendant Released Parties related to BOA's provision of PII to EY that was compromised or potentially compromised in the Security Incident or to Defendants' conduct alleged in the Complaint. However, the Settlement Agreement is not intended to and does not prohibit a Settlement Class Member from responding to inquiries posited by federal, state, or local agencies and/or law enforcement, even if the inquiries relate to the Released Claims. Similarly, the Settlement Agreement is not intended to and does not prohibit a Settlement Class Member from bringing their concerns to federal, state, or local agencies and/or law enforcement, even if those inquiries relate to the Released Claims. Excluded from the Released Claims are any claims against

Progress.

27. As of the Effective Date, the Defendant Released Parties will be deemed to have been completely released and forever discharged from the Released Claims.

28. The Settlement Class Representative and Settlement Class Members are enjoined from prosecuting any Released Claims in any proceeding against any of the Defendant Released Parties or prosecuting any claim based on any actions taken by any of the Defendant Released Parties that are authorized or required by the Settlement or by the Final Approval Order. The Settlement and/or this Final Approval Order may be pleaded as a complete defense to any proceeding subject to this section.

29. This Final Approval Order, the Settlement, and all acts, statements, documents, and proceedings relating to the Settlement are not, and shall not be construed as, used as, or deemed to be evidence of, an admission by or against Defendants of any claim, any fact alleged in the Litigation, any fault, any wrongdoing, any violation of law, or any liability of any kind on the part of Defendants or of the validity or certifiability as a class for litigation of any claims that have been, or could have been, asserted in the Litigation.

30. This Final Approval Order, the Settlement, and all acts, statements, documents, and proceedings relating to the Settlement shall not be offered, received, or admissible in evidence in any action or proceeding, or be used in any way as an admission, concession or evidence of any liability or wrongdoing of any nature or that Plaintiff or any Settlement Class Member has suffered any damage; *provided, however*, that nothing in the foregoing, the Settlement, or this Final Approval Order shall be interpreted to prohibit the use of the Settlement or this Final Approval Order in a proceeding to consummate or enforce the Settlement or this Final Approval Order (including all releases in the Settlement and Final Approval Order), or to defend against the assertion of any Released Claims in any other proceeding, or as otherwise required by law.

31. The Settlement's terms shall be forever binding on, and shall have *res judicata* and preclusive effect in, all pending and future lawsuits or other proceedings as to Released Claims (and other prohibitions set forth in this Final Approval Order) that are brought, initiated, or maintained by, or on behalf of, any Settlement Class Member who has not opted out or any other Person subject to the provisions of this Final Approval Order.

32. The Court hereby dismisses the Litigation and all claims therein on the merits and with prejudice as to the Defendants, without fees or costs to any Party except as provided in this Final Approval Order.

33. Consistent with the Settlement, in the event the Effective Date does not occur, this Final Approval Order shall be rendered null and void and shall be vacated and, in such event, as provided in the Settlement Agreement; this Final Approval Order and all orders entered in connection herewith shall be vacated and null and void. All of the Parties' obligations under the Settlement, the Preliminary Approval Order, and this Final Approval Order shall cease to be of any force and effect, and the Parties shall return to the status quo ante in the Litigation as if the Parties had not entered into the Settlement. In such an event, the Parties shall be restored to their

respective positions in the Litigation as if the Settlement Agreement had never been entered into (and without prejudice to any of the Parties' respective positions on the issue of class certification or any other issue).

34. Without affecting the finality of this Final Approval Order in any way, this Court retains continuing jurisdiction over the Parties and the Settlement Class for the administration, consummation, and enforcement of the terms of the Settlement Agreement as set forth in the Settlement Agreement.

IT IS SO ORDERED.

[PROPOSED] ORDER OF PRELIMINARY APPROVAL

WHEREAS, a Settlement Agreement, dated as of _____ (the “Settlement Agreement”), was made and entered into by and among the following Parties: (i) Plaintiff Ben Morris (the “Settlement Class Representative”), individually and on behalf of the Settlement Class Members, by and through E. Michelle Drake of Berger Montague, PC, Gary F. Lynch of Lynch Carpenter, LLP, Douglas J. McNamara of Cohen Milstein Sellers & Toll PLLC, Karen H. Riebel of Lockridge Grindal Nauen PLLP, Charles E. Schaffer of Levin Sedran & Berman LLP, and Kristen A. Johnson of Hagens Berman Sobol Shapiro LLP (collectively, “Class Counsel”); (ii) Ernst & Young LLP (“EY”), for the benefit of all Defendant Released Parties, by and through EY’s counsel of record, Sean W. Gallagher, Abby M. Mollen, and Dawson K. Robinson of Bartlit Beck LLP (“EY’s Counsel”); and (iii) Bank of America Corporation (“BOA”, collectively with EY, “Defendants”), for the benefit of all Defendant Released Parties, by and through BOA’s counsel of record, Randall W. Edwards, Pamela A. Miller, and Shruti Kannan of O’Melveny & Myers LLP (“BOA’s Counsel”, collectively with EY’s Counsel, “Defendants’ Counsel”) ; and

NOW THEREFORE, having reviewed and considered the submissions presented with respect to the settlement set forth in the Settlement Agreement and the record in these proceedings, having heard and considered the evidence presented by the parties and the arguments of counsel, having determined preliminarily that the settlement set forth in the Settlement Agreement

is fair, reasonable, adequate, and in the best interests of the Class;

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED:

1. The Court incorporates by reference the definitions set forth in the Settlement Agreement.
2. The Court finds it has personal and subject-matter jurisdiction over this matter, the Parties, and all Settlement Class Members.

Preliminary Settlement Class Certification

3. The Court certifies, for settlement purposes only, the following Settlement Class pursuant to Fed. R. Civ. P. 23:

All living persons in the United States whose Personally Identifying Information (“PII”) was included in the files affected by the Security Incident.

Excluded from the Settlement Class are: (i) Defendants, any entity in which Defendants have a controlling interest, and Defendants’ officers, directors, legal representatives, successors, subsidiaries, and assigns; (ii) any judge, justice, or judicial officer presiding over the Litigation and the members of their immediate families and judicial staff; and (iii) any individual who timely and validly opts out of the Settlement.

4. The Court determines that for settlement purposes only, the proposed Settlement Class likely meets all the requirements of Federal Rules of Civil Procedure (“Rules”) 23(a) and (b)(3), namely that the Settlement Class is so numerous that joinder of all members is impractical; that there are common issues of law and fact; that the claims of the Settlement Class Representative are typical of absent Settlement Class Members; that the Settlement Class Representative will fairly and adequately protect the interests of the Settlement Class as he has no interests antagonistic to or in conflict with the Settlement Class and has retained experienced and competent counsel to prosecute this matter; that common issues predominate over any individual issues; and that a class action is the superior means of adjudicating the controversy.

5. For purposes of settlement only, Plaintiff Ben Morris is preliminarily appointed as the Settlement Class Representative.

6. For purposes of settlement only, the Court preliminarily appoints, pursuant to Rule 23(g), E. Michelle Drake of Berger Montague, PC, Gary F. Lynch of Lynch Carpenter, LLP, Douglas J. McNamara of Cohen Milstein Sellers & Toll PLLC, Karen H. Riebel of Lockridge Grindal Nauen PLLP, Charles E. Schaffer of Levin Sedran & Berman LLP, and Kristen A. Johnson of Hagens Berman Sobol Shapiro LLP as Class Counsel for the Settlement Class.

Reasonableness of the Proposed Settlement

7. The Court finds that: (i) the proposed Settlement resulted from extensive and good-faith negotiations at arms' length overseen by an experienced mediator, Judge Diane M. Welsh (Ret.); (ii) the proposed Settlement is in the best interests of the Settlement Class Members; and (iii) the terms of the proposed Settlement as evidenced by the Settlement Agreement appear to be sufficiently fair, reasonable, and adequate in light of the risks, delays, and expenses of further litigation, warranting notice of the Settlement Agreement to Settlement Class Members, and the scheduling of a final fairness hearing.

8. The Court finds that the proposed Settlement creates an equitable claims process that will allow Settlement Class Members an opportunity to obtain reimbursement for certain types of harm they may have suffered as a result of events alleged in the Litigation. This consideration appears to be within the range of reasonableness and an adequate exchange for the Settlement Class's release of claims as described in the Settlement Agreement.

9. Accordingly, the Court grants preliminary approval of the Settlement, subject to final approval, and directs the Parties to conduct their plan for Notice as described in the Settlement Agreement.

Notice to the Settlement Class

10. The Court finds that the Notice proposed in the Settlement Agreement, including in form, content, and method: (a) constitutes the best practicable notice to the Settlement Class; (b) is reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the Litigation, the terms of the proposed Settlement, and their rights under the proposed Settlement; (c) is reasonable and constitutes due, adequate, and sufficient notice to those persons entitled to receive notice; and (d) satisfies the requirements of Rule 23, the constitutional requirement of due process, and any other legal requirements. The Court further finds that the notices are written in plain language, use simple terminology, and are designed to be readily understandable by Settlement Class Members.

11. The Parties and Settlement Administrator are authorized to make non-material modifications to the Notices and Claim Form, such as proofing and formatting alterations, without further order from this Court.

12. The Court appoints RG2 Claims Administration, LLC as the Settlement Administrator and orders it to provide Notice to the Settlement Class Members and perform services as set forth in the Settlement Agreement.

13. The Court orders Defendants to preliminarily fund the Settlement Fund to pay for the Costs of Notice and Administration pursuant to the Settlement Agreement and, to the extent CAFA Notice has not yet occurred by the date this Order issues, further orders Defendants to provide the requisite CAFA Notice as set forth in the Settlement Agreement.

14. Within ten (10) days after the entry of this Order, Defendants shall provide the

Settlement Administrator with the Class List containing Settlement Class Members' names, last known addresses, and email addresses, if either or both are available, as reflected in Defendants' records.

15. Within sixty (60) days after receipt of the Class List, the Settlement Administrator shall send, via email to persons listed on the Class List for whom email address are included, the Short Form Notice substantially in the form submitted to the Court; and if an email address is not listed for a Settlement Class Member on the Class List, such Short Form Notice shall be sent by the Settlement Administrator to the Settlement Class Member's last known mailing address via U.S. mail. The Long Form Notice as well as the Claim Form shall be posted on a Settlement Website to be created by the Settlement Administrator. The Settlement Administrator shall also establish a toll-free phone line for Settlement Class Members to call in order to receive information about the Settlement. Finally, before the end of the Claims Period, the Settlement Administrator shall send the Reminder Notice to all Settlement Class Members for whom an email address can be found.

Claims Process and Distribution Plan

16. The Settlement establishes a process for assessing and determining the validity of four types of claims (Credit Monitoring and Identity Theft Protection Services, Reimbursement for Ordinary Losses, Reimbursement for Extraordinary Losses, and an Alternative Cash Payment), and a methodology for paying Settlement Class Members who submit a timely, valid Claim Form. The Court preliminarily approves this process and the proposed Settlement Benefits Plan.

17. Settlement Class Members who qualify for and wish to submit a Claim Form shall do so in accordance with the requirements and procedures specified in the Notice and the Claim Form.

Exclusions from the Class

18. Any Settlement Class Member who wishes to be excluded from the Settlement Class must mail a written notification of the intent to exclude themselves to the Settlement Administrator, at the address provided in the Notice, postmarked no later than sixty (60) days after the Notice Deadline (the "Opt-Out Deadline") and sent via first class postage pre-paid United States mail. The written request for exclusion must include the name of this Litigation or a decipherable approximation (*Morris v. Progress Software Corporation, et al.*, Case No. 1:24-cv-11807-ADB (D. Mass.)); the full name, address, and telephone number of the Settlement Class Member or the name, address, telephone number, relationship, and signature of any individual who is acting on behalf of a deceased or incapacitated Settlement Class Member; and the words "Opt Out Request" or "Request for Exclusion" at the top of the document or a statement in the body of the document requesting exclusion from the Settlement.

19. All Settlement Class Members who submit valid and timely notices of their intent to be excluded from the Settlement shall not receive any benefits of or be bound by the terms of the Settlement. Any Settlement Class Member who does not timely and validly exclude himself or herself from the Settlement shall be bound by the terms of the Settlement. If final judgment is

entered, any Settlement Class Member who has not submitted a timely, valid written notice of exclusion from the Settlement (in accordance with the requirements of the Settlement) shall be bound by all subsequent proceedings, orders, and judgments in this matter, the Settlement including but not limited to the releases set forth in the Settlement Agreement, and the Final Approval Order.

Objections to the Settlement

20. A Settlement Class Member who complies with the requirements of this Order may object to the Settlement, the request of Settlement Class Counsel for an award of attorneys' fees, and expenses, and/or the request for a Service Award.

21. No Settlement Class Member shall be heard and no papers, briefs, pleadings, or other documents submitted by any Settlement Class Member shall be received and considered by the Court unless the objection is (a) filed with the Court by the Objection Deadline; or (b) mailed via USPS First Class Mail prepaid to the Clerk of Court at the address listed in the Notice, and postmarked no later than the Objection Deadline, which shall be sixty (60) days after the Notice Deadline, as specified in the Notice. For the objection to be considered by the Court, the objection shall set forth:

a. Clearly identify the case name and number (*Morris v. Progress Software Corporation, et al.*, Case No. 1:24-cv-11807-ADB (D. Mass.);

b. the full name, address, telephone number, and email address of the person objecting;

c. the full name, address, telephone number, and email address of the objector's counsel (if the objector is represented by counsel);

d. state whether the objection applies only to the objector, to a specific subset of the Settlement Class, or to the entire Settlement Class, and also state with specificity the grounds for the objection;

e. confirm whether the objector or counsel on the objector's behalf will personally appear and/or testify at the Final Approval Hearing; and

f. provide the objector's signature and the signature of the objector's duly authorized counsel or other duly authorized representative.

22. Any Settlement Class Member who fails to comply with the provisions in this Order will waive and forfeit any and all rights he or she may have to object, and shall be bound by all the terms of the Settlement Agreement, this Order, and by all proceedings, orders, and judgments, including, but not limited to, the releases in the Settlement Agreement, if finally approved. Any Settlement Class Member who both objects to the Settlement and opts out will be deemed to have opted out and the objection shall be deemed null and void.

Stay of Proceedings

23. Except as necessary to effectuate this Order, this matter and any deadlines set by the Court in this matter are stayed and suspended pending the Final Approval Hearing and issuance of the Final Approval Order, or until further order of this Court.

Termination of Settlement

24. This Preliminary Approval Order shall become null and void and shall be without prejudice to the rights of the Parties, all of whom shall be restored to their respective positions existing before the Court entered this Preliminary Approval Order and before they entered the Settlement Agreement, if: (a) Settlement is not finally approved by the Court or is terminated in accordance with the Settlement Agreement; or (b) there is no Effective Date. In such event, (i) the Parties shall be restored to their respective positions in the Litigation and shall jointly request that all scheduled Litigation deadlines be reasonably extended by the Court so as to avoid prejudice to any Party or Party's counsel; (ii) the terms and provisions of the Settlement Agreement shall have no further force and effect with respect to the Parties and shall not be used in the Litigation or in any other proceeding for any purpose other than as necessary to enforce the terms of the Settlement Agreement that survive termination, and (iii) any judgment or order entered by the Court in accordance with the terms of the Settlement Agreement shall be treated as vacated, *nunc pro tunc*.

25. This Preliminary Approval Order shall be of no force or effect if the Final Approval Order is not entered and there is no Effective Date, and shall not be construed or used as an admission, concession, or declaration by or against Defendants of any fault, wrongdoing, breach, or liability. Nor shall this Preliminary Approval Order be construed or used as an admission, concession, or declaration by or against the Settlement Class Representative or any other Settlement Class Member that his or her claims lack merit or that the relief requested is inappropriate, improper, unavailable, or as a waiver by any Party of any defense or claims, including with respect to the certification of a class, they may have in this Litigation or in any other lawsuit.

Continuance of Final Approval Hearing

26. The Court reserves the right to adjourn or continue the Final Approval Hearing and related deadlines without further written notice to the Settlement Class. If the Court alters any of those dates or times, the revised dates and times shall be posted on the Settlement Website maintained by the Settlement Administrator.

Actions by Settlement Class Members

27. The Court stays and enjoins, pending Final Approval, any actions, lawsuits, or other proceedings brought by Settlement Class Members against Defendants related to the Security Incident.

Final Approval Hearing

28. Final Approval Hearing shall take place before the Court on _____, 2025 at _____ a.m./p.m. in Courtroom ____ before Judge Allison D. Burroughs of the United States District Court for the District of Massachusetts, John Joseph Moakley U.S. Courthouse 1 Courthouse Way, Boston, Massachusetts 02210, to determine, among other things, whether: (a) the Settlement should be finally approved as fair, reasonable, and adequate and, in accordance with the Settlement Agreement’s terms, all claims in the Litigation should be dismissed with prejudice as to the Defendant Released Parties; (b) Settlement Class Members should be bound by the releases set forth in the Settlement Agreement; (c) the proposed Final Approval Order should be entered; (d) the application of Class Counsel for an award of attorneys’ fees and expenses should be approved; and (e) the application for a Service Award to the Settlement Class Representative should be approved. Any other matters that the Court deems necessary and appropriate will also be addressed at the hearing.

Objectors, if any, shall file any response to Class Counsel’s motions no later than seventeen (17) days prior to the Final Approval Hearing. Responses to any filings by objectors, and any replies in support of final approval of the Settlement Agreement and/or Class Counsel’s application for attorneys’ fees, expenses, and Service Award, shall be filed no later than ten (10) days prior to the Final Approval Hearing.

30. Any Settlement Class Member who has submitted a timely objection (confirming his or her in-person appearance) and who has not timely and properly excluded himself or herself from the Settlement Class in the manner described above, may appear at the Final Approval Hearing in person or by counsel and be heard, to the extent allowed by the Court, regarding the proposed Settlement; provided, however, that no Settlement Class Member who has elected to exclude himself or herself from the Class shall be entitled to object or otherwise appear, and, further provided, that no Settlement Class Member shall be heard in opposition to the Settlement unless the Settlement Class Member complies with the requirements of this Order pertaining to objections, which are described above and in the Notice.

A Settlement has been proposed in a class action lawsuit against Ernst & Young LLP (“EY”) and Bank of America Corporation (“BOA”, collectively with EY, “Defendants”). The Settlement resolves claims brought by an individual impacted by the MOVEit Security Incident which occurred in May 2023 and resulted in the potential compromise of individuals’ Personally Identifying Information (“PII”). Defendants deny any allegation of wrongdoing.

Who’s Included? You are included in the Settlement as a “Settlement Class Member” because you have been identified as a person whose PII may have been accessed or exposed during the MOVEit Security Incident.

What does the Settlement provide? Under the Settlement, Defendants will pay \$2,500,000 into a Settlement Fund which will be used to pay all valid claims made by Settlement Class Members, notice and administration costs, service award, and attorneys’ fees and costs. Settlement Class Members may file a claim to receive **either**: (1) reimbursement of qualifying documented ordinary losses up to \$2,500 and extraordinary losses up to \$10,000; **or** (2) an alternative cash payment of \$100 (subject to *pro rata* reduction or increase based on total claim submissions). All Settlement Class Members may also file a claim to receive two (2) years of identity theft protection services.

How do I get a Payment? You must complete and submit a Claim Form by **[Month XX, XXXX]**. Claim Forms may also be submitted online **[insert]** or printed from the website and mailed to the address on the form.

What are my other options? If you do nothing, your rights will be affected, and you won’t get a payment. If you don’t want to be legally bound by the Settlement, you must exclude yourself from it by **[Month XX, XXXX]**. Unless you exclude yourself, you won’t be able to sue or continue to sue Defendants or other released parties as defined in the Settlement Agreement for any claim made in this lawsuit or released by the Settlement Agreement. If you stay in the settlement (*i.e.*, don’t exclude yourself), you may object to it or ask for permission for you or your lawyer to appear and speak at the hearing—at your own cost—but you don’t have to. Objections and requests to appear are due by **[Month XX, XXXX]**. More information about these options is available at **[insert website]**.

The Court’s hearing. The Court will hold a Final Approval Hearing in this case (*Morris v. Progress Software Corporation, et al.*, Case No. 1:24-cv-11807-ADB (D. Mass.)) on **[Month XX, XXXX]**. At the hearing, the Court will decide whether to approve the Settlement; Class Counsel’s request for attorneys’ fees and costs, and a service award to the Settlement Class Representative (up to \$2,500 total). You or your lawyer may appear at the hearing at your own expense.

Questions? This Notice provides only a high level summary of the Settlement. More details, including the Settlement Agreement, are provided at **[insert website]** or you can call the Settlement Administrator at **[phone number]**.

Exhibit E

Notice of Ernst & Young LLP and Bank of America Corporation Data Breach Class Action Settlement

If you received notice from Ernst & Young LLP that your personally identifying information was potentially compromised in the 2023 MOVEit Security Incident, you may be entitled to a payment from a class action settlement.

A federal court has authorized this Notice. This is not a solicitation from a lawyer.

Please read this Notice carefully and completely, as your legal rights are affected whether you act or don't act.

THIS NOTICE MAY AFFECT YOUR RIGHTS. PLEASE READ IT CAREFULLY.

- A Settlement has been proposed in a class action lawsuit against Ernst & Young LLP (“EY”) and Bank of America Corporation (“BOA”, collectively with EY, “Defendants”). The Settlement resolves claims against Defendants brought by an individual impacted by the MOVEit Security Incident as it relates to Personally Identifying Information (“PII”) provided by BOA to EY. The MOVEit Security Incident occurred between May 27 and May 31, 2023 and resulted from an alleged vulnerability in the third-party file transfer software, MOVEit Transfer, that EY used in its ordinary course of business to handle certain BOA data that included PII belonging to some of BOA’s customers. Claims against Progress Software Corporation (“Progress”) the licensor of the MOVEit software, have not been resolved and the litigation will continue against Progress.
- Under the proposed Settlement, you may be eligible to receive two (2) years of credit monitoring and identity theft protection services in addition to reimbursement of qualifying documented ordinary losses up to \$2,500; reimbursement of qualifying documented extraordinary losses up to \$10,000; or an alternative cash payment of up to \$100 (subject to *pro rata* reduction or increase pending total claim submission). To receive a cash payment and/or credit monitoring services, you must complete and timely submit a Claim Form, subject to approval by the Settlement Administrator.
- Please read this notice carefully. Your legal rights will be affected, and you have a choice to make now.

GETTING MORE INFORMATION13

26. Are more details about the Settlement Available?

27. How do I get more information?

BASIC INFORMATION

1. Why did I get this notice?

You received this notice because you have been identified as a person whose PII may have been accessed or compromised during the 2023 MOVEit Security Incident as it relates to PII provided by data owners to Defendants. A similarly situated individual brought a proposed class action lawsuit against Defendants in 2024, alleging that Defendants were negligent due to their data security practices. Defendants deny the allegations and deny that they would be found liable. The parties have now reached a proposed settlement of the lawsuit.

A court authorized this notice to inform you about your rights under the proposed class action Settlement before the Court decides whether to approve the Settlement. If the Court approves the Settlement, and after objections and appeals are resolved, a Settlement Administrator appointed by the Court will make the payments that the Settlement allows, and the pending legal claims against Defendants and certain others, will be released and dismissed.

This package explains the lawsuit, the Settlement, your rights, what benefits may be available, who is eligible for them, and how to receive them. Judge Allison D. Burroughs of the United States District Court for the District of Massachusetts is in charge of this case. The case is *Morris v. Progress Software Corporation et al.*, Case No. 1:24-cv-11807-ADB (D. Mass.), which has been coordinated with *In re: MOVEit Customer Data Security Breach Litig.*, MDL No. 1:23-md-03083-ABD (D. Mass.).

2. What is this lawsuit about?

This matter is a putative class action (the “Litigation”) arising from the MOVEit Security Incident whereby between May 28, 2023, and May 31, 2023, cybercriminals gained unauthorized access to the MOVEit file transfer software that was used by, among many others, EY, resulting in potential access to certain PII that was provided to EY by BOA. The lawsuit asserts claims against Defendants for alleged negligent data security practices.

Defendants deny any allegation of wrongdoing and deny that Plaintiff would prevail or be entitled to any relief should this matter proceed to be litigated.

3. What is a class action?

In a class action, one or more people called “Class Representative(s)” sue on behalf of themselves and other people who have similar claims. This group of people is called the “class,” and the people in the class are called “Settlement Class Members” or the “Settlement Class.” One court resolves the issues for all Settlement Class Members, except for people who exclude themselves from the class. The person or persons who sue are called the Plaintiff(s). The entities sued—EY and BOA—are called the Defendants.

4. Why is there a Settlement?

The Court did not decide in favor of Plaintiff or Defendants. Instead, both sides agreed to a settlement. That way, they avoid the costs and risks of a trial, and Settlement Class Members can get benefits or compensation. The Settlement Class Representative and Class Counsel think the Settlement is in the best interest of the Settlement Class.

WHO IS IN THE SETTLEMENT?

5. Who is in the Settlement?

The Settlement Class is defined as: “all living persons in the United States whose PII was included in the files affected by the Security Incident,” subject to the exceptions in #6 immediately below.

The “Security Incident” means the MOVEit data security incident occurring in May 2023 that resulted from a vulnerability of Progress’s MOVEit Transfer software, but for the purposes of this Agreement only to the extent in which it related to services provided by EY to BOA, including PII in documents provided by BOA to EY.

6. Are there exceptions to being included?

Yes, the following are not included in the Settlement Class: (i) Defendants, any entity in which Defendants have a controlling interest, and Defendants’ officers, directors, legal representatives, successors, subsidiaries, and assigns; (ii) any judge, justice, or judicial officer presiding over the Litigation and the members of their immediate families and judicial staff; and (iii) any individual who timely and validly opts out of the Settlement.

7. What should I do if I am not sure whether I am included?

If you are not sure whether you are included in the Settlement Class, you can ask for free help by calling the Settlement Administrator, RG2 Claims Administration, LLC (“RG2”), at [phone number] or you can visit [insert website] for more information.

THE SETTLEMENT BENEFITS

8. What does the Settlement Provide?

Under the Settlement, Defendants will pay \$2,500,000 into a Settlement Fund which will be used to pay all valid claims made by Settlement Class Members, notice and administration costs, a service award to the Settlement Class Representative, and Class Counsel’s attorneys’ fees and expenses. Settlement Class Members may file a claim to receive either: (1) reimbursement of qualifying documented ordinary losses up to \$2,500 and reimbursement of qualifying documented extraordinary losses up to \$10,000; or (2) an alternative cash payment of \$100, all of which are subject to *pro rata* reduction or increase pending total claim submission. All Settlement Class Members may also file a claim to receive two (2) years of credit monitoring and identity theft

protection services.

If the total value of all valid claims exceeds the Net Settlement Fund (the monies remaining in the Settlement Fund after the notice and administration costs, service award, and attorneys' fees and expense are deducted), the reimbursements will be reduced *pro rata*. In the event all valid claims do not exhaust the Net Settlement Fund, the alternative cash payments will be increased *pro rata*, up to \$1,000. If any money remains in the Net Settlement Fund 180 days after the Settlement's Effective Date, any remaining monies will be used to extend the credit monitoring and identity theft protection services claimed by Settlement Class Members. No part of the Settlement Fund will revert back to Defendants.

9. What can I get from the Settlement?

Settlement Class Members may file a claim for one or more of the following settlement benefits:

Credit Monitoring and Identity Theft Protection Services: settlement Class Members may file a claim to receive (2) years of three-bureau credit monitoring and identity theft protection services that will include: (i) dark web monitoring with user notification if potentially unauthorized use of a Settlement Class Member's personally identifiable information is detected; (ii) identity theft insurance of up to \$1 million United States Dollars; (iii) real-time credit monitoring with Equifax, Experian, and TransUnion; and (iv) access to fraud resolution and identity theft restoration agents.

In addition to credit monitoring and identity theft protection services, Settlement Class Members may file claims for:

Reimbursement of Ordinary Losses: Settlement Class Members may file a claim for reimbursement of ordinary losses up to \$2,500 (inclusive of up to four (4) hours of lost time at \$25 per hour (up to \$100 total)) incurred as a result of the MOVEit Security Incident. Such ordinary losses include, but are not limited to, bank fees, long distance phone calls, cell phone charges (only if charged by the minute), data charges (only if based on the amount of data used), postage, or gasoline for local travel.

Reimbursement of Extraordinary Losses: Settlement Class Members may file a claim for reimbursement of up to \$10,000 in compensation for proven monetary losses. In order to receive reimbursement of extraordinary losses, the loss must: (1) be an actual, documented, and unreimbursed monetary loss; (2) the loss was more likely than not caused by the MOVEit Security Incident; (3) the loss occurred between May 31, 2023, and the close of the Claims Period; and (4) the loss is not covered by one or more of the reimbursement for ordinary losses categories.

Alternative Cash Payment: in lieu of filing claims for reimbursement of ordinary or extraordinary losses, Settlement Class Members may elect to file a claim to receive an \$100 cash payment (subject to the potential *pro rata* reduction or increase described above) without the need to document losses or attest to time spent as a result of the MOVEit Security Incident.

10. What am I giving up if I stay in the Class?

If you are a Settlement Class Member and you do not exclude yourself from the Settlement, you

will give up your right to sue, continue to sue, or be part of any other lawsuit against Defendants and other released parties concerning the claims released by this Settlement. The “Releases” section in the Settlement Agreement describes the legal claims that you give up if you remain in the Settlement Class. The entire text of the Settlement Agreement can be viewed at [\[insert website\]](#).

How to Get a Payment – Making A Claim

11. How can I get a payment?

You must complete and submit a Claim Form by [\[Month XX, XXXX\]](#). Claim Forms may be submitted online at [\[insert website\]](#) or printed from the website and mailed to the address on the form.

Be sure to read the Claim Form instructions carefully, include all required information, and your signature.

The Settlement Administrator will review your claim to determine the validity and amount of your payment.

12. How much will my payment be?

The amount of your payment will depend on the approved amount of your claim and the total value of all approved claims.

If you are seeking reimbursement for ordinary and/or extraordinary expenses under the Settlement, you must describe the expenses, their amount, and when and why you incurred them. You must also attest that you incurred those losses in response to the MOVEit Security Incident in this case.

Your claim must be reasonably documented – you must enclose or upload documentation sufficient to show (1) the amount of unreimbursed loss that you suffered, and (2) why you believe that the loss is reasonably attributable to the MOVEit Security Incident in the case. Documents for financial expenses may include credit card or bank statements, emails, invoices, receipts, or telephone records, including photographs of the same. Personal statements or declarations are not considered reasonable documentation, but they may be used to provide clarification, context, or support for other documentation.

13. When will I get my payment?

The Court will hold a Final Approval Hearing on [\[\]](#) at [\[\]](#) a.m., to decide whether to approve the Settlement. Payments will be made after the Settlement is approved and becomes final (meaning there is no appeal from the order approving the Settlement or all appeals have been rejected). Updates regarding the Settlement will be posted on the Settlement Website, [\[insert website\]](#).

THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer in this case?

The Court appointed E. Michelle Drake of Berger Montague, PC, Gary F. Lynch of Lynch Carpenter, LLP, Douglas J. McNamara of Cohen Milstein Sellers & Toll PLLC, Karen H. Riebel of Lockridge Grindal Nauen PLLP, Charles E. Schaffer of Levin Sedran & Berman LLP, and Kristen A. Johnson of Hagens Berman Sobol Shapiro LLP as attorneys to represent the Settlement Class. These lawyers are called Class Counsel. You will not be charged for their services.

15. Should I get my own lawyer?

If you want your own lawyer, you may hire one, but you will be responsible for any payment for that lawyer's services. For example, you can ask your own lawyer to appear in court for you if you want someone other than Class Counsel to speak for you. You may also appear for yourself without a lawyer.

16. How will the lawyers be paid?

The attorneys representing the Settlement Class have not yet received any payment for their legal services or any reimbursement of the costs or out-of-pocket expenses they have incurred. Class Counsel plans to ask the Court for an award of attorneys' fees of up to one-third of the Settlement and reimbursement of reasonable expenses. Class Counsel will file their request for attorneys' fees and expenses as a percentage of the Settlement Fund.

The Settlement Class is represented by one named individual (the "Settlement Class Representative"). In addition to the benefits that the Settlement Class Representative will receive as member of the Settlement Class – and subject to the approval of the Court – Class Counsel will request a service award, not to exceed \$2,500, to the Settlement Class Representative for the efforts he has expended on behalf of the Settlement Class. Any Court-approved service award will be paid from the Settlement Fund.

The Court will determine whether to approve the amount of attorneys' fees and expenses requested by Class Counsel and the proposed service award to the Class Representative. Class Counsel will file an application for attorneys' fees and expenses, and service award no later than [Month xx, xxxx]. The application will be available on the Settlement Website, [insert website], or you can request a copy by contacting the Settlement Administrator.

EXCLUDING YOURSELF FROM THE SETTLEMENT

17. How do I get out of the Settlement?

If you are a Settlement Class Member and you do not want the benefits from the Settlement, and you want to keep your right, if any, to sue Defendants on your own about the legal issues in this case, then you must take steps to get out of the Settlement. This is called excluding yourself from—or "opting out" of—the Settlement Class.

You may opt out of the Settlement by [Month xx, xxxx]. To opt out, you must send a letter or postcard via U.S. mail to the address below. You must include the following in your letter or postcard:

- The name of this Litigation, or a decipherable approximation (*Morris v. Progress Software Corporation et al.*, Case No. 1:24-cv-11807-ADB (D. Mass.));
- Your full name, address, telephone number, and signature;
- The words “Opt-Out” or “Requests for Exclusion” at the top of the document or a statement that you want to opt out of the settlement; and
- If you are filing a request for exclusion on behalf of an incapacitated or deceased Settlement Class Member for whom you are legally authorized to act, you must include your name, address, phone number, signature, and relationship to the Settlement Class Member, as well as that person’s name and address.

You must mail your opt-out request via First-Class postage prepaid U.S. Mail, postmarked no later than [Month xx, xxxx] to:

[Insert Settlement Administrator Address]

If you fail to include the required information, your request will be deemed invalid and you will remain a Settlement Class Members and be bound by the Settlement, including all releases.

18. If I am a Settlement Class Member and don’t opt out, can I sue the Defendants for the same thing later?

No. You must opt out of the Settlement to keep your right to sue Defendants or other released parties for any of the claims resolved by the Settlement.

19. What happens if I opt out?

If you opt out of the Settlement, you will not have any rights as a member of the Settlement Class. You cannot submit a Claim and you will not receive a payment as part of the Settlement. You will not be bound by the Settlement, releases or by any further orders or judgments in this case. You will keep the right, if any, to sue on the claims alleged in the case at your own expense.

In addition, if you opt out of the Settlement, you cannot object to this Settlement because the Settlement no longer affects you. If you object to the Settlement and request to exclude yourself, your objection will be voided and you will be deemed to have excluded yourself.

COMMENTING ON OR OBJECTING TO THE SETTLEMENT

20. How do I tell the Court if I don’t like the Settlement?

If you are a Settlement Class Member and you do not opt out of the Settlement, you can object to

the Settlement if you do not think it is fair, reasonable, or adequate. You can give reasons why you think the Court should not approve it. You cannot ask the Court to change or order a different settlement; the Court can only approve or deny this Settlement. If the Court denies approval, no settlement payments will be sent out and the lawsuit will continue. If that is what you want to happen, you must object.

You may object to any part of the proposed Settlement in writing. If you submit a timely objection confirming your in-person appearance, you may also appear at the Final Approval Hearing, either in person or through your own attorney. If you appear through your own attorney, you are responsible for paying that attorney.

Your objection must be in writing and must:

- Clearly identify the name and case number of this Litigation or a decipherable approximation (*Morris v. Progress Software Corporation et al.*, Case No. 1:24-cv-11807-ADB (D. Mass.));
- Include your full name, address, telephone number, and email address;
- Include the full name, address, telephone number, and email address of your counsel (if you are represented by counsel);
- State whether the objection applies only to you, to a specific subset of the Class, or to the entire Class, and also state with specificity the grounds for the objection;
- Confirm whether you intend to personally appear and/or testify at the Final Approval Hearing and if so, whether you are or will be represented by counsel; and
- Provide your signature and the signature of your duly authorized counsel or other duly authorized representative.

Any objection must be either filed electronically with the Court or mailed to the Clerk of Court, at the address set forth below. The objection must be filed with the Court – or if mailed it must be postmarked – no later than [Month xx, xxxx].

United States District Court for the District of Massachusetts
Clerk of Court
John Joseph Moakley U.S. Courthouse
1 Courthouse Way, Suite 2300
Boston, Massachusetts 02210

21. What's the difference between objecting and opting out?

Objecting is telling the Court that you don't like something about the Settlement. You can object to the Settlement only if you are a Settlement Class Member and do not opt out of the Settlement. Opting out of the Settlement is telling the Court that you don't want to be part of the Settlement. If you opt out of the Settlement, you cannot object to it because it does not affect you.

THE COURT'S FINAL APPROVAL HEARING

22. When and where will the Court decide whether to approve the settlement?
