

SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release (“Settlement Agreement” or “Agreement”) is entered into by and between Andrew Hibbard and Jennifer Nelson (“Plaintiffs” or “Settlement Class Representatives”), individually and on behalf of the Settlement Class Members (as defined *infra*), and Electronics for Imaging, Inc. (“EFI” or “Defendant”) (together, the “Parties”), in the action *Hibbard, Nelson v. Electronics for Imaging, Inc.* (Case No. 217-2025-CV-00528) filed on or about July 23, 2025, in Merrimack Superior Court, New Hampshire (the “Action”). The Settlement Agreement is intended by the Parties to fully, finally, and forever resolve, discharge, and settle the Action and the Released Claims (as defined *infra*), upon and subject to the terms and conditions below.

I. FACTUAL BACKGROUND AND RECITALS

1. On July 23, 2025, Plaintiff Hibbard filed a class action complaint against Defendant in the Merrimack Superior Court, New Hampshire titled *Hibbard v. Electronics for Imaging, Inc.*, Case No. 217-2025-CV-00528, related to a cybersecurity incident that began on or around September 17, 2024 (the “Data Incident”) affecting Defendant. Plaintiff Hibbard brought the following claims: (1) negligence; (2) breach of implied contract; (3) breach of fiduciary duty; and (4) unjust enrichment.

2. On August 12, 2025, Plaintiff Nelson filed a related class action complaint against Defendant in the United States District Court for the District of New Hampshire for claims arising out of the Data Incident. Plaintiff Nelson brought the following claims: (1) negligence; (2) negligence per se; (3) breach of implied contract; (4) unjust enrichment; (5) invasion of privacy; and (6) breach of fiduciary duty.

3. To conserve resources, the Parties began discussing the possibility of early resolution and agreed to exchange informal discovery regarding the scope of the Data Incident; the number of Settlement Class Members; the geographic locations of Settlement Class Members; and the types of information potentially impacted. By exchanging informal discovery, the Parties obtained an objective understanding of the underlying facts. Thus, the Parties were able to carefully evaluate the strengths and weaknesses of the claims and defenses.

4. For several weeks, the Parties engaged in arms’-length negotiations—wherein the Parties evaluated and discussed the relevant facts and law and carefully weighed the risks and uncertainties of continued litigation. Throughout the entire process, the Parties agreed to not negotiate attorney fees or service awards until the class benefits of the settlement were finalized. After numerous rounds of back-and-forth negotiations, the Parties eventually reached an agreement on all the core terms of the Settlement on February 11, 2026.

5. On February 12, 2026, Plaintiff Nelson voluntarily dismissed without prejudice the putative class action filed against Defendant in the District of New Hampshire. On April 2, 2026, Plaintiff Hibbard filed an amended complaint adding Plaintiff Nelson. Plaintiffs Hibbard and Nelson brought the following claims: (1) negligence; (2) breach of implied contract; (3) breach of fiduciary duty; and (4) unjust enrichment.

6. Thereafter, the Parties continued to negotiate the finer terms of the Settlement memorialized in this agreement.

7. Defendant denies the allegations and causes of action pled in the Action and otherwise denies any liability to Plaintiffs and Settlement Class Members in any way. This Agreement is for settlement purposes only, and nothing in this Agreement shall constitute, be construed as, or be admissible in evidence as any admission of the validity of any claim or fact alleged by Plaintiffs in this Action or in any other pending or subsequently filed action, or of any wrongdoing, fault, violation of law, or liability of any kind on the part of Released Parties or admission of the validity or lack thereof of any claim, allegation, or defense asserted or that could have been asserted in this Action or any other action.

8. The Parties have agreed to settle the Action on the terms and conditions set forth herein in recognition that the outcome of the Action is uncertain and that achieving a final result through litigation would require substantial additional risk, uncertainty, discovery, time, and expense for the Parties. Considering the risks and uncertainties of continued litigation and all factors bearing on the merits of settlement, the Parties are satisfied that the terms and conditions of this Settlement Agreement are fair, reasonable, adequate, and in their respective best interests.

9. Therefore, in exchange for the mutual promises and valuable consideration provided for in this Agreement, the Parties agree to a full, complete, and final settlement and resolution of the Action and any and all Released Claims (including Unknown Claims), subject to Court approval, on the following terms and conditions:

71. **The Objection Procedure.** The Notice shall explain the procedure for Settlement Class Members to object to the Settlement or Application for Attorney Fees, Costs, and Service Awards by filing written objections with the Court no later than the Objection Deadline. The written objection must include (i) the name of the Action; (ii) the Settlement Class Member's full name and current mailing address; (iii) a statement that states with specificity the grounds for the objection, as well as any documents supporting the objection; (iv) the identity of any attorneys representing the objector; (v) a statement regarding whether the Settlement Class Member (or his/her attorney) intends to appear at the Final Approval Hearing; (vi) information identifying the objector as a Settlement Class Member, including proof that the objector is within the Settlement Class (*e.g.*, copy of the Notice or copy of original notice of the Data Incident); and (vii) the signature of the Settlement Class Member and their attorney. The exclusive means for any challenge to the Agreement shall be through the provisions of this paragraph. Within seven (7) days after the Objection Deadline, the Settlement Administrator shall provide the Parties with all objections submitted.

VIII. PRELIMINARY APPROVAL, FINAL APPROVAL, AND JURISDICTION

73. **Certification of the Settlement Class.** For purposes of this Settlement only, and in the context of this Agreement only, the Parties stipulate to the certification of the Settlement Class, which is contingent upon the Court entering the Final Approval Order and Judgment of this Settlement and the occurrence of the Effective Date. Should: (1) the Settlement not receive final approval from the Court, (2) the Effective Date not occur, or (3) the Agreement is otherwise terminated, the certification of the Settlement Class shall be void, and neither the Agreement nor any order or other action relating to the agreement shall be offered by any person as evidence or cited in support of a motion to certify a class for any purpose other than this Settlement. Defendant reserves the right to contest class certification for all other purposes. The Parties further stipulate to designate the Plaintiffs as the representatives for the Settlement Class.

74. **Preliminary Approval.** Following execution of this Agreement, Settlement Class Counsel shall file a motion for preliminary approval of this Settlement with the Court. Settlement Class Counsel shall provide Defendant's Counsel with a draft of the motion for preliminary approval within a reasonable time frame prior to filing to ensure that any requested revisions from Defendant are addressed. The proposed Preliminary Approval Order shall be in the form attached hereto as **Exhibit F**.

75. **Final Approval.** Settlement Class Counsel shall file their Motion for Final Approval of the Settlement, incorporating the previously filed application for Attorney Fees, Costs and Service Awards, no later than fifteen (15) days before the Court will hear argument on Plaintiffs' Motion for Final Approval of the Settlement and Application for Attorney Fees, Costs, and Service Awards. In the Court's discretion, the Court also will hear argument at the Final Approval Hearing from any Settlement Class Members (or their counsel) who objected to the Settlement and/or to the Application for Attorney Fees, Costs, and Service Awards, provided the objector(s) submitted timely objections that meet all the requirements of paragraph 71. Counsel for the Parties shall request that the Court set a date for the Final Approval Hearing no earlier than one-hundred and twenty (120) days after entry of the Preliminary Approval Order. Settlement Class Counsel shall provide Defendant's Counsel with a draft of the Motion for Final Approval of the Settlement and Application for Attorney Fees, Costs, and Service Awards within a reasonable time frame prior to filing same to ensure that any requested revisions from Defendant are addressed.

76. **Jurisdiction.** The Court shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding or dispute between the Parties arising out of or relating to this Agreement that cannot be resolved by negotiation and agreement by counsel for the Parties. The Court shall retain jurisdiction with respect to the administration, consummation, and enforcement of the Agreement and shall retain jurisdiction for the purpose of enforcing all terms of the Agreement. The Court shall also retain jurisdiction over all questions and/or disputes related to the Notice and the Settlement Administrator. As part of its agreement to render services in connection with this Settlement, the Settlement Administrator consents to the jurisdiction of the Court for this purpose and any dispute between or among the Settlement Administrator, Plaintiffs, and/or Defendant.

IX. MODIFICATION AND TERMINATION

77. **Modification.** The terms and provisions of this Agreement may be amended, modified, or expanded by written agreement of the Parties and approval of the Court; provided, however, that, after entry of the Preliminary Approval Order, the Parties may, by written agreement, effect such amendments, modifications, or expansions of this Agreement and its implementing documents (including all exhibits hereto) without further notice to the Settlement Class or approval by the Court if such changes are consistent with the Court's Preliminary Approval Order and do not materially alter, reduce, or limit the rights of Settlement Class Members or Defendant under this Agreement.

78. **Effect of Termination.** In the event of a termination as provided in this Section, this Agreement shall be considered null and void, all of the Parties' obligations under the Agreement shall cease to be of any force and effect, and the Parties shall return to the status quo ante in the Action as if the Parties had not entered into this Agreement. In addition, in the event of such a termination, the certification of the Settlement Class shall be void. Defendant reserves the right to contest class certification for all purposes other than this Settlement. All of the Parties' respective pre-Settlement claims and defenses will be preserved. Any Court orders preliminarily or finally approving certification of the Settlement Class and any other orders entered pursuant to the Agreement shall be deemed null and void and vacated and shall not be used or cited thereafter by any person or entity in support of claims or defenses or in support or in opposition to a class certification motion. In addition, the fact that Defendant did not oppose certification of a class under the Settlement shall not be used or cited thereafter by any person or entity, including in a contested proceeding relating to class certification.

79. **Termination.** If: (1) the Court does not issue the Preliminary Approval Order or Final Approval Order; (2) the Effective Date does not occur; or (3) the Final Approval Order is modified or reversed in any material respect by any appellate or other court, the Parties shall have 60 days from the date of such occurrence or non-occurrence during which the Parties shall work together in good faith in considering, drafting, and submitting reasonable modifications to this Agreement to address any issues identified by the Court or that otherwise caused the Preliminary Approval Order or Final Approval Order not to issue or the Effective Date not to occur. If such efforts are unsuccessful, either Party may at their sole discretion terminate this Agreement on seven (7) days written notice to the other Party. For avoidance of any doubt, neither Party may terminate the Agreement while an appeal from an order granting approval of the Settlement is pending.

X. RELEASES

80. **The Release.** Upon the Effective Date, and in consideration of the Settlement benefits described herein, each Releasing Party shall be deemed to have completely and unconditionally released, acquitted, and forever discharged Defendant and each of the Released Parties from any and all Released Claims, including Unknown Claims.

81. **Unknown Claims.** The Released Claims include the release of Unknown Claims. "Unknown Claims" means claims that could have been raised in the Action and claims Releasing Parties do not know or suspect to exist, which, if known by him, her or it, might affect his, her or its agreement to release the Released Parties or the Released Claims or might affect his, her or its decision to agree, object or not to object to the Settlement. Upon the Effective Date, the Releasing

Parties shall be deemed to have, and shall have, expressly waived and relinquished, to the fullest extent permitted by law, the provisions, rights and benefits of Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Upon the Effective Date, each-Releasing Party shall be deemed to have, and shall have, waived any and all provisions, rights, and benefits conferred by any law of any state, the District of Columbia or territory of the United States, by federal law, or principle of common law, or the law of any jurisdiction outside of the United States, which is similar, comparable or equivalent to Section 1542 of the California Civil Code. The Releasing Parties acknowledge that they may discover facts in addition to or different from those that they now know or believe to be true with respect to the subject matter of the Released Claims or relation of the Released Parties thereto, but that it is their intention to finally and forever settle and release the Released Claims, including but not limited to any Unknown Claims they may have, as that term is defined in this Paragraph. The Parties acknowledge, and the Releasing Parties shall be deemed by operation of the Agreement to have acknowledged, that the foregoing waiver is a material term of the Agreement.

82. Each Releasing Party waives any and all defenses, rights, and benefits that may be derived from the provisions of applicable law in any jurisdiction that, absent such waiver, may limit the extent or effect of the release contained in this Settlement Agreement.

83. **Bar to Future Suits.** Upon entry of the Final Approval Order and Judgment, the Settlement Class Representatives and other Participating Settlement Class Members, and all Releasing Parties, shall be enjoined from initiating, asserting, or prosecuting any and all Released Claims, including Unknown Claims, in any proceeding against any of the Released Parties or based on any actions taken by any of the Released Parties that are authorized or required by this Agreement or by the Final Approval Order and Judgment. It is further agreed that the Settlement may be pleaded as a complete defense to any proceeding subject to this Section. It is further agreed that the Settlement may be pleaded as a complete defense to any proceeding subject to this Section.

XI. NO ADMISSION OF LIABILITY

84. **No Admission of Liability.** The Parties understand and acknowledge that this Agreement constitutes a compromise and settlement of disputed claims. No action taken by the Parties either previously or in connection with the negotiations or proceedings connected with this Agreement shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made or that could have been made, or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind whatsoever.

85. **No Use of Agreement.** Neither the Settlement Agreement, nor any act performed or document executed pursuant to or in furtherance of the Settlement: (i) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by Plaintiffs or any Settlement Class Member, including any Settlement Class Member who opts out of the Settlement; or (ii) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission by the Released Parties in the Action, or any Settlement Class Member who opts out of the Settlement, or in any proceeding in any court, administrative agency or other tribunal.

XII. SERVICE AWARDS AND ATTORNEY FEES

86. **Service Awards.** No later than fifteen (15) days before the Objection and Opt-Out Deadlines, Settlement Class Counsel will file a motion seeking Service Awards for the Settlement Class Representatives in recognition of their contributions to this Action not to exceed Two Thousand and Five Hundred Dollars and Zero Cents (\$2,500.00) per representative. If more than \$2,500.00 per Plaintiff is requested as a service award, Defendant shall have the option to terminate the Settlement in accordance with Section IX. Prior to the disbursement or payment of the Service Awards, the Settlement Class Representatives shall provide a properly completed and duly executed IRS Form W-9. Defendant shall pay the Court-approved Service Awards to an account established by or on behalf of Settlement Class Counsel within thirty (30) days after the Effective Date and Settlement Class Counsel's provision of its properly completed and duly executed IRS Form W-9, whichever is later. Settlement Class Counsel will ensure payment instructions are provided through secure processes. Settlement Class Counsel will then distribute the Service Awards. Defendant's obligations with respect to the Court-approved Service Awards shall be fully satisfied upon transmission of the funds into the account established by or on behalf of Settlement Class Counsel. Defendant shall have no responsibility for, interest in, or liability whatsoever with respect to any distribution or allocation of Service Awards. Nor shall Defendant be responsible for any tax obligations or payments associated with the amount paid into the account established by Settlement Class Counsel. To the extent the Effective Date does not occur, Defendant shall have no obligation to pay any Service Awards. This amount was negotiated after the benefits to the Settlement Class were negotiated.

87. **No Effect on Agreement.** The finality or effectiveness of the Settlement, including the Final Approval Order and Judgement, shall not depend on the amount or timing of Service Awards approved and awarded by the Court or any appeal thereof. The amount and timing of Service Awards is intended to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement. No decision by the Court, or modification or reversal or appeal of any decision by the Court, concerning the amount of the Service Awards shall constitute grounds for termination of this Agreement.

88. **Attorney Fees and Costs and Expenses.** No later than fifteen (15) days before the Objection and Opt-Out Deadlines, Settlement Class Counsel will file a motion for Fee Award and Costs to be paid by Defendant in an amount which shall not exceed One Hundred and Sixty-Five Thousand Dollars (\$165,000.00). If more than \$165,000.00 is requested as a Fee Award and Costs, Defendant shall have the option to terminate the Settlement in accordance with Section IX. Settlement Class Counsel shall provide to Defendant a properly completed and duly executed IRS Form W-9. Defendant shall pay the Court-approved Fee Award and Costs to an account established

by or on behalf of Settlement Class Counsel within thirty (30) days after the Effective Date and Settlement Class Counsel's provision of its properly completed and duly executed IRS Form W-9, whichever is later. The Fee Award and Costs will be allocated by Settlement Class Counsel. Defendant's obligations with respect to the Court-approved Fee Award and Costs shall be fully satisfied upon transmission of the funds into the account established by or on behalf of Settlement Class Counsel. Defendant shall have no responsibility for, interest in, or liability whatsoever with respect to any distribution or allocation of the Fee Award and Costs. Nor shall Defendant be responsible for any tax obligations or payments associated with the amount paid into the account established by or on behalf of Settlement Class Counsel. To the extent the Effective Date does not occur, Defendant shall have no obligation to pay any Fee Award and Costs. The amount of the Fee Award and Costs was negotiated after the benefits to the Settlement Class were negotiated.

89. **No Effect on Agreement.** The finality or effectiveness of the Parties' Settlement shall not depend on the amount or timing of the Fee Award and Costs approved and awarded by the Court or any appeal thereof. The amount and timing of the Fee Award and Costs are intended to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement. No decision by the Court, or modification or reversal or appeal of any decision by the Court, concerning the amount or timing of the Fee Award and Costs shall constitute grounds for termination of this Agreement.

XIII. EFFECTIVE DATE

90. **Effective Date.** The Effective Date of the settlement shall be ten (10) days after the date when each and of all of the following conditions have occurred:

- a. This Settlement Agreement has been fully executed by all Settling Parties and their counsel;
- b. the Court has entered the Preliminary Approval Order as required by Section XII, without material change;

- e. The Court has entered the Final Approval Order and judgment granting final approval to the Settlement as set forth herein; and
- f. The Final Approval Order is entered and there are no objections to the Settlement, or if there are objections, the later of: (a) 30 days after entry of the Final Approval Order if no appeals are taken from the Final Approval Order; or (b) if appeals are taken from the Final Approval Order, then the earlier of 30 days after the last appellate court ruling affirming the Final Approval Order or 30 days after the entry of a dismissal of the appeal.

91. **If Effective Date Fails to Occur.** If all conditions specified in Paragraph 90 are not satisfied, the Settlement Agreement may be canceled and terminated as set forth in Section IX.

XIV. MISCELLANEOUS

92. **Publicity.** The Parties agree that they shall not publicize this Settlement, the amount or sum of individual Settlement Class Representatives' or Participating Settlement Class Members' shares or the events and negotiations surrounding this Agreement in any way except by joint pleadings or unopposed motions filed with the Court, if required, and as otherwise permitted within this Agreement for the purpose of effectuating the Notice program (including the Settlement Website).
