KELLY KINGSBURY and ERIN YATES, individually
and on behalf of all others similarly situated,

Plaintiffs,

v.

EVERNORTH HEALTH, INC. and MDLIVE, INC.,

Defendants.

Case No.: 26-CA-006880

CLASS REPRESENTATION

CLASS ACTION SETTLEMENT AGREEMENT

This Agreement (“Agreement” or “Settlement Agreement”) is entered into by and among (i) Plaintiffs Kelly Kingsbury and Erin Yates (the “Plaintiffs”); (ii) the Settlement Class (as defined herein); and (iii) Defendants, Evernorth Health, Inc. and MDLIVE, Inc. (“Defendants”). Plaintiffs and the Defendants are collectively referred to herein as the “Parties.” This Agreement is intended by the Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims (as defined herein), upon and subject to the terms and conditions of this Agreement, and subject to the final approval of the Court.

RECITALS

A. On May 30, 2025, Plaintiff Yates, a Pennsylvania resident, filed a complaint against Defendants in the United States District Court for the Eastern District of Pennsylvania alleging violation of the Electronic Communications Privacy Act (“ECPA”), 18 U.S.C. 2511(1), *et seq.*, and the Pennsylvania Wiretapping and Electronic Surveillance Control Act (“WESCA”), 18 Pa. Cons. Stat. § 5701, *et seq.*, in connection with Defendants’ alleged use of tracking technology on Defendants’ website, mdlive.com, patient portals accessible through Cigna, and

subpages thereof, and the alleged collection, disclosure, interception, and transmission of information to third parties through such technologies. *See Yates v. Evernorth Health, Inc., et al.*, Case No. 2:25-cv-02773 (E.D. Pa.) (the “Federal Court Action”)

B. From the outset of the litigation, in accordance with their obligations under applicable rules of civil procedure, the Parties began informal discussions as to the potential for early resolution. Towards that end, the parties exchanged letters, documents, and other information necessary to engage in early resolution.

C. These discussions led to an agreement between the Parties to engage in mediation, which the Parties agreed would take place before Marc Isserles, Esq. of JAMS New York, an experienced neutral with decades of relevant experience.

D. As part of the mediation, and in order to competently assess their relative negotiating positions, the Parties exchanged additional informal discovery, including on issues such as the size and scope of the putative class, and certain facts related to the strength of Defendants’ defenses. Given that the information exchanged was similar to the information that would have been provided in formal discovery related to the issues of class certification and summary judgment, the Parties had sufficient information to assess the strengths and weaknesses of the claims and defenses.

E. The mediation took place on May 6, 2026. The Parties engaged in good faith negotiations, which at all times were at arms’ length. After a full day of negotiation, the Parties were able to agree on the material terms of a settlement and ultimately executed a binding term sheet on May 27, 2026.

F. On June 23, 2026, Plaintiff Kingsbury, a Florida resident, filed the instant action in this Court along with Plaintiff Yates, alleging violations of the Florida Security of Communications Act (“FSCA”), Fla. Stat. § 934.03, ECPA, and WESCA. *See Kingsbury v.*

Evernorth Health, Inc., et al., Case No. 26-CA-006880 (Fla. Cir. Ct., Hillsborough Cnty.) (the “Florida Action” and, together with the Federal Court Action, the “Actions”).

G. At all times, Defendants have denied and continue to deny any wrongdoing whatsoever and have denied and continue to deny that they committed, or threatened or attempted to commit, any wrongful act or violation of law or duty alleged in the Actions. Defendants believe that the claims asserted in the Actions lack merit and Defendants would have defeated class certification and/or prevailed at summary judgment or trial. Nonetheless, taking into account the costs, uncertainty, and risks inherent in any litigation, Defendants have concluded it is desirable and beneficial that the Actions be fully and finally settled and terminated in the manner and upon the terms and conditions set forth in this Agreement. This Agreement is a compromise, and the Agreement, any related documents, and any negotiations resulting in it shall not be construed as or deemed to be evidence of or an admission or concession of liability or wrongdoing on the part of Defendants, or any of the Released Parties (defined below), with respect to any claim of any fault or liability or wrongdoing or damage whatsoever.

H. Plaintiffs believe that the claims asserted in the Actions against Defendants have merit and that they would have prevailed at summary judgment and/or trial. Nonetheless, Plaintiffs and Class Counsel recognize that Defendants have raised factual and legal defenses that present a risk that Plaintiffs may not prevail. Plaintiffs and Class Counsel also recognize the expense and delay associated with prosecution of the Actions against Defendants through class certification, summary judgment, trial, and any subsequent appeals. Plaintiffs and Class Counsel have also taken into account the uncertain outcome and risks of litigation, especially in complex class actions, as well as the difficulties inherent in such litigation. Therefore, Plaintiffs believe it is desirable that the Released Claims be fully and finally compromised, settled, and resolved with

prejudice. Based on their evaluation, Class Counsel have concluded that the terms and conditions of this Agreement are fair, reasonable, and adequate to the Settlement Class, and that it is in the best interests of the Settlement Class to settle the claims raised in the Actions pursuant to the terms and provisions of this Agreement.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among Plaintiffs, the Settlement Class, and each of them, and Defendants, by and through their respective undersigned counsel that, subject to final approval of the Court after a hearing or hearings as provided for in this Settlement Agreement, in consideration of the benefits flowing to the Parties from the Agreement set forth herein, that the Florida Action and the Released Claims shall be finally and fully compromised, settled, and released, and the Florida Action shall be dismissed with prejudice, upon and subject to the terms and conditions of this Agreement.

If Defendants are unable to provide a valid email address for a Class Member, the Settlement Administrator shall send Notice via US Mail substantially in the form attached as Exhibit B, to all Settlement Class Members for whom a valid mailing address is available in the Class List. In the event transmission of e-mail notice results in any “bounce-backs,” the Settlement Administrator shall, where reasonable correct any issues that may have caused the “bounce-back” to occur and make a second attempt to re-send the email notice.

(c) *Settlement Website.* Within thirty (30) days after entry of the Preliminary Approval Order, Notice shall be provided on a website which shall be administered and maintained by the Settlement Administrator and shall include the ability to file Claim Forms online. 4.4 The Parties may take limited discovery of any objector and Objecting Attorneys regarding the basis for the objection and their history of objections in other class action settlements. Any objection that does not comply with the requirements of this Section or that is not timely filed and served in accordance with the deadlines set forth herein shall be deemed waived and shall not be considered by the Court.

4.5 If a Settlement Class Member or any of the Objecting Attorneys has objected to any class action settlement where the objector or the Objecting Attorneys asked for or received any payment in exchange for dismissal of the objection, or any related appeal, without any modification to the settlement, then the objection must include a statement identifying each such case by full case caption and amount of payment received.

4.6 A Settlement Class Member may request to be excluded from the Settlement Class by sending a written request postmarked on or before the Objection/Exclusion Deadline approved by the Court and specified in the Notice. To exercise the right to be excluded, a Person in the Settlement Class must timely send a written request for exclusion to the Settlement Administrator as specified in the Notice, providing his/her name and address, a signature, the name of the case, and a statement that he or she wishes to be excluded from the Settlement Class for purposes of this Settlement. A request to be excluded that does not include all of this information, or that is sent to an address other than that designated in the Notice, or that is not postmarked within the time specified, shall be invalid, and the Person(s) serving such a request shall be a member(s) of the Settlement Class and shall be bound as a Settlement Class Member by this Agreement, if approved. Any member of the Settlement Class who validly elects to be excluded from this Agreement shall not: (i) be bound by any orders or the Final Judgment; (ii) be entitled to relief under this Settlement Agreement; (iii) gain any rights by virtue of this Agreement; or (iv) be entitled to object to any aspect of this Agreement. The request for exclusion must be personally signed by the Person requesting exclusion. So-called “mass” or “class” opt-outs shall not be allowed. To be valid, a request for exclusion must be postmarked or received by the date specified in the Notice.

4.7 The Final Approval Hearing shall be no earlier than eighty-five (85) days after the Notice Date described in Paragraph 4.1(b) is provided.

4.8 Only Settlement Class Members who timely file a valid Claim Form shall be entitled to receive any payment or benefits pursuant to this Agreement. The Settlement Administrator may contact any Person who has submitted a Claim Form to obtain additional information necessary to verify the Claim Form.

5.3 Defendants' Counsel and Class Counsel shall have the right to challenge the acceptance or rejection of a Claim Form submitted by Settlement Class Members and to obtain and review supporting documentation relating to such Claim Form. The Settlement Administrator shall follow any agreed decisions of Class Counsel and Defendants' Counsel as to the validity of any disputed submitted Claim Form.

6.3 The Parties agree that the Court’s failure to approve, in whole or in part, the Fee Award payment to Class Counsel and/or the incentive award set forth in Section 8 below shall not prevent the Agreement from becoming effective, nor shall it be grounds for termination. The procedures for any application for approval of attorneys’ fees, expenses, or Incentive awards are to be considered by the Court separately from the Court’s consideration of the fairness, reasonableness and adequacy of the Settlement.

7. PRELIMINARY APPROVAL ORDER AND FINAL APPROVAL ORDER.

7.1 Promptly after the execution of this Settlement Agreement, Class Counsel shall submit this Agreement together with its Exhibits to the Court and shall move the Court for Preliminary Approval of the settlement set forth in this Agreement; certification of the Settlement Class for settlement purposes only; appointment of Class Counsel and the Class Representatives; and entry of a Preliminary Approval Order, which order shall set a Final Approval Hearing date and approve the Notice and Claim Form for dissemination substantially in the form of Exhibits A, B, C, and D hereto. The Preliminary Approval Order shall also authorize the Parties, without further approval from the Court, to agree to and adopt such amendments, modifications and expansions of the Settlement Agreement and its implementing documents (including all exhibits to this Agreement) so long as they are consistent in all material respects with the terms of the Settlement Agreement and do not limit or impair the rights of the Settlement Class.

7.2 Defendants' agreement as to certification of the Settlement Class is solely for purposes of effectuating the Settlement and no other purpose. Defendants retain all of their objections, arguments, and defenses with respect to class certification and any other issue, and reserve all rights to contest class certification and any other issue if the Settlement set out in this Agreement does not result in entry of the Final Approval Order and Final Judgment, if the Court's approval is reversed or vacated on appeal, if this Settlement is terminated as provided herein, or if the Settlement set forth in this Settlement otherwise fails to become effective. The Parties acknowledge that there has been no stipulation to any classes or certification of any classes for any purpose other than effectuating the Settlement, and that if the Settlement set forth in this Settlement Agreement is not finally approved, if the Court's approval is reversed or vacated on appeal, if this Settlement Agreement is terminated as provided herein, or if the

Settlement set forth in this Settlement Agreement otherwise fails to become effective, this agreement as to certification of the Settlement Class becomes null and void *ab initio*, and this Settlement Agreement or any other settlement-related statement may not be cited regarding certification of the Class, or in support of an argument for certifying any class for any purpose related to the Actions or any other proceeding.

7.3 At the time of the submission of this Agreement to the Court as described above, Class Counsel shall request that, after Notice is given, the Court hold a Final Approval Hearing and approve the settlement of the Florida Action as set forth herein.

7.4 After Notice is given, the Parties shall request and seek to obtain from the Court a Final Judgment, which will (among other things):

(a) find that the Court has personal jurisdiction over all Settlement Class Members and that the Court has subject matter jurisdiction to approve the Agreement, including all exhibits thereto;

(b) approve the Settlement Agreement and the proposed settlement as fair, reasonable, and adequate as to, and in the best interests of, the Settlement Class Members; direct the Parties and their counsel to implement and consummate the Agreement according to its terms and provisions; and declare the Agreement to be binding on, and have *res judicata* and preclusive effect in all pending and future lawsuits or other proceedings maintained by or on behalf of Plaintiffs and Releasing Parties;

(c) find that the Notice implemented pursuant to the Agreement (1) constitutes the best practicable notice under the circumstances; (2) constitutes notice that is reasonably calculated, under the circumstances, to apprise the Settlement Class of the pendency of the Actions, their right to object to or exclude themselves from the proposed Agreement, and to appear at the Final Approval Hearing; (3) is reasonable and constitutes due, adequate, and

sufficient notice to all persons entitled to receive notice; and (4) meets all applicable requirements of the Florida Rules of Civil Procedure, the Due Process Clause of the United States Constitution, and the rules of the Court;

(d) find that the Class Representatives and Class Counsel adequately represent the Settlement Class for purposes of entering into and implementing the Agreement;

(e) dismiss the Florida Action (including all individual claims and Settlement Class Claims presented thereby) on the merits and with prejudice, without fees or costs to any party except as provided in the Settlement Agreement;

(f) incorporate the Release set forth above, make the Release effective as of the date of the Effective Date, and forever discharge the Released Parties as set forth herein;

(g) permanently bar and enjoin all Settlement Class Members who have not been properly excluded from the respective Settlement Class from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in, any lawsuit or other action in any jurisdiction based on the Released Claims;

(h) without affecting the finality of the Final Judgment for purposes of appeal, retain jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and the Final Judgment, and for any other necessary purpose; and

(i) incorporate any other provisions, as the Court deems necessary and just, consistent with the terms of this Agreement.

8. CLASS COUNSEL'S ATTORNEYS' FEES AND REIMBURSEMENT OF EXPENSES; INCENTIVE AWARD.

8.1 Class Counsel intends to move the Court for an award of reasonable attorneys' fees out of the Settlement Amount, as well as reasonable litigation costs and expenses. The amount awarded by the Court is known as the Fee Award. Class Counsel will limit its petition

for attorneys' fees to no more than one-third of the Settlement Amount, or \$1,116,666.67, and Class Counsel will limit its request for reimbursement of costs and expenses to no more than \$15,000. Provided that Class Counsel limits its request for a Fee Award to this amount, Defendants shall not oppose or undermine Class Counsel's request for the Fee Award.

8.2 The Fee Award shall be payable within thirty (30) days after entry of the Court's Order granting Final Approval, subject to Class Counsel providing a signed stipulated undertaking in the form attached hereto as Exhibit E. Notwithstanding the foregoing, if for any reason the Final Judgment is reversed or rendered void as a result of an appeal(s) then Class Counsel shall return such funds to the Settlement Amount.

8.3 Class Counsel intends to file a motion for Court approval of incentive awards for the Class Representatives, to be paid out of the Settlement Amount, in addition to any funds the Class Representatives stand to otherwise receive from the Settlement. The Class Representatives will seek no more than \$5,000 each as a service award. Such awards shall be paid in the form of a check to the Class Representatives within thirty (30) days after the Effective Date.

9. CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION OR TERMINATION.

9.1 The Effective Date of this Settlement Agreement shall not occur unless and until each of the following events occurs and shall be the date upon which the last (in time) of the following events occurs:

- (a) The Parties and Class Counsel have executed this Agreement;
- (b) The Court has entered the Preliminary Approval Order;
- (c) The Court has entered an order finally approving the Agreement,

following Notice to the Settlement Class and a Final Approval Hearing, and has entered the Final Judgment, or a judgment consistent with this Agreement in all material respects; and

(d) The Final Judgment has become Final, as defined above, or, in the event that the Court enters an order and final judgment in a form other than that provided above (“Alternative Judgment”) and that has the consent of the Parties, such Alternative Judgment becomes Final.

9.2 If some or all of the conditions specified in Paragraph 9.1 are not met, or in the event that this Agreement is not approved by the Court, or the settlement set forth in this Agreement is terminated or fails to become effective in accordance with its terms, then this Settlement Agreement shall be canceled and terminated subject to Paragraph 6.1 unless Plaintiffs and Defendants, through their respective counsel, mutually agree in writing to proceed with this Agreement. If any Party is in material breach of the terms hereof, and fails to cure such material breach within 30 days of notice, any other Party, provided that it is in substantial compliance with the terms of this Agreement, may terminate this Agreement on notice to all of the Parties.

9.3 If this Agreement is terminated or fails to become effective for any reason, including pursuant to Section 6 or 9.1-9.2 above, the Parties shall be restored to their respective positions in the Actions as of the date of the signing of this Agreement. In such event, any Final Judgment or other order entered by the Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*, and the Parties shall be returned to the *status quo ante* with respect to the Actions as if this Agreement had never been entered into. For the avoidance of doubt, the repayment obligations set forth in Exhibit E shall survive any termination of this Agreement.

10. MISCELLANEOUS PROVISIONS.

10.1 The Parties (a) acknowledge that it is their intent to consummate this Settlement Agreement; and (b) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this

Agreement, to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Agreement, to secure final approval, and to defend the Final Judgment through any and all appeals. Class Counsel and Defendants' Counsel agree to cooperate with one another in seeking Court approval of the Settlement Agreement, entry of the Preliminary Approval Order, and the Final Judgment, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Agreement.

10.2 The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiffs, the Settlement Class, and each or any of them, on the one hand, against the Released Parties, and each or any of the Released Parties, on the other hand. Accordingly, the Parties agree not to assert in any forum that the Actions were brought by Plaintiffs or defended by Defendants, or each or any of them, in bad faith or on a frivolous basis.

10.3 The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully the above and foregoing agreement and have been fully advised as to the legal effect thereof by counsel of their own selection and intend to be legally bound by the same.

10.4 Whether or not the Effective Date occurs or the Settlement Agreement is terminated, neither this Agreement nor the settlement contained herein, nor any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement:

(a) is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them, as an admission, concession or evidence of, the validity of any Released Claims, the truth of any fact alleged by the Plaintiffs, the deficiency of any defense that has been or could have been asserted in the Actions, the violation of any law or

statute, the reasonableness of the settlement amount or the Fee Award, or of any alleged wrongdoing, liability, negligence, or fault of the Released Parties, or any of them;

(b) is, may be deemed, or shall be used, offered or received against Defendants, as an admission, concession or evidence of any fault, misrepresentation or omission with respect to any statement or written document approved or made by the Released Parties, or any of them;

(c) is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them, as an admission or concession with respect to any liability, negligence, fault or wrongdoing as against any Released Parties, in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. However, the settlement, this Agreement, and any acts performed and/or documents executed in furtherance of or pursuant to this Agreement and/or Settlement may be used in any proceedings as may be necessary to effectuate the provisions of this Agreement. Further, if this Settlement Agreement is approved by the Court, any Party or any of the Released Parties may file this Agreement and/or the Final Judgment in any action that may be brought against such Party or Parties in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim;

(d) is, may be deemed, or shall be construed against Plaintiffs, the Settlement Class, the Releasing Parties, or each or any of them, or against the Released Parties, or each or any of them, as an admission or concession that the consideration to be given hereunder represents an amount equal to, less than or greater than that amount that could have or would have been recovered after trial; and

(e) is, may be deemed, or shall be construed as or received in evidence as an admission or concession against Plaintiffs, the Settlement Class, the Releasing Parties, or each and any of them, or against the Released Parties, or each or any of them, that any of Plaintiffs' claims are with or without merit or that damages recoverable in the Actions would have exceeded or would have been less than any particular amount.

10.5 The headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

10.6 The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any other prior or subsequent breaches of this Agreement.

10.7 All of the Exhibits to this Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

10.8 This Agreement and its Exhibits set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein, and supersede all prior negotiations, agreements, arrangements, and undertakings with respect to the matters set forth herein. No representations, warranties or inducements have been made to any Party concerning this Settlement Agreement or its Exhibits other than the representations, warranties and covenants contained and memorialized in such documents. This Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

10.9 If any provision of this Agreement is found by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions shall continue in full force and effect, and the invalid or unenforceable provision shall be modified to the minimum extent necessary to make it valid and enforceable while preserving the Parties' original intent.

10.10 Except as otherwise provided herein, each Party shall bear its own costs.

10.11 Plaintiffs represent and warrant that they have not assigned any claim or right or interest therein as against the Released Parties to any other Person or Party and that they are fully entitled to release the same.

10.12 Each counsel or other Person executing this Settlement Agreement, any of its Exhibits, or any related settlement documents on behalf of any Party hereto, hereby warrants and represents that such Person has the full authority to do so and has the authority to take appropriate action required or permitted to be taken pursuant to the Agreement to effectuate its terms. Class Counsel in particular warrants that they are authorized to execute this Settlement Agreement on behalf of Plaintiffs and the Settlement Class (subject to final approval by the Court after notice to all Settlement Class Members), and that all actions necessary for the execution of this Settlement Agreement have been taken.

10.13 This Agreement may be executed in one or more counterparts. Signature by digital means, facsimile, or in PDF format will constitute sufficient execution of this Agreement. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court if the Court so requests.

10.14 This Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto and the Released Parties.

10.15 Each Released Party who is not a signatory to this Agreement is an intended third-party beneficiary of this Agreement and is entitled to enforce the terms of the Release set forth herein.

10.16 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Agreement, and all Parties hereto submit to the jurisdiction of

the Court for purposes of implementing and enforcing the settlement embodied in this Agreement.

10.17 No Released Party, Settlement Class Member, or any other person bound by this Agreement may bring a collateral attack on the Final Approval Order, the Final Judgment, or this Agreement in any other court or proceeding.

10.18 Before filing any motion raising a dispute arising under this Agreement, the moving party shall first consult with opposing counsel and the Parties shall meet and confer in good faith to attempt to resolve the dispute without court intervention. The moving party shall certify in any such motion that this meet-and-confer requirement has been satisfied.

10.19 This Settlement Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

10.20 This Agreement is deemed to have been prepared by counsel for all Parties, as a result of arm's-length negotiations among the Parties. Because all Parties have contributed substantially and materially to the preparation of this Agreement, it shall not be construed more strictly against one Party than another.

10.21 Where this Agreement requires notice to the Parties, such notice shall be sent by email and/or overnight mail to the undersigned counsel: Stephen Beck, Bursor & Fisher, P.A., 701 Brickell Avenue, Suite 2100, Miami, FL 33131 (sbeck@bursor.com); Tiffany Cheung, Morrison & Foerster LLP, 425 Market Street, San Francisco, CA 94105 (tcheung@mofo.com).

10.22 Plaintiffs and/or Class Counsel shall not, at any time, issue press releases or make other public statements regarding the Settlement or the Actions (apart from filings with the Court as necessary to obtain Preliminary or Final Approval of the Settlement) unless Defendants agree to such press releases or public statements in advance; provided that Class Counsel may post Court orders regarding the Actions on their website(s) without permission from Defendants, so

long as any reference in such order(s) to materials subject to any confidentiality obligations are properly redacted. This provision shall not prohibit Class Counsel from communicating with any person in the Settlement Class regarding the Settlement (subject to compliance with any and all applicable confidentiality obligations).

10.23 Class Counsel and the Class Representatives shall not disparage Defendants, the Released Parties, or their products, services, or business practices in any communications, marketing materials, public statements, or other publications, whether written or oral. This obligation shall survive the termination or completion of this Settlement Agreement. For the avoidance of doubt, this provision does not prohibit Class Counsel or the Class Representatives from (a) making truthful statements required by law, regulation, or court order, or (b) accurately describing the terms of the Settlement Agreement in connection with seeking Court approval. Any violation of this provision shall constitute a material breach of this Agreement, and in addition to any other remedies available at law or in equity, Defendants shall be entitled to seek injunctive relief, including temporary, preliminary, and permanent injunctive relief, in any court of competent jurisdiction to enforce this provision without the necessity of proving actual damages or posting a bond. The Parties acknowledge that any breach of this Section would cause irreparable harm to Defendants for which monetary damages would be an inadequate remedy.

10.24 The Parties, Class Counsel, and the Class Representatives agree to keep confidential and not disclose to any third party: (a) the term sheet executed on May 27, 2026; (b) the Parties' settlement discussions and negotiations; (c) the mediation proceedings; and (d) the Class List and any non-public data provided by Defendants pursuant to Section 4.1(a). This confidentiality obligation shall not apply to disclosures necessary to obtain Court approval of this Settlement, to administer the Settlement, or as otherwise required by law or court order. Neither Class Counsel nor the Class Representatives shall issue any press release or affirmatively

publicize the Settlement without the prior written consent of Defendants' Counsel, which shall not be unreasonably withheld. Any violation of this provision shall constitute a material breach of this Agreement, and Defendants shall be entitled to seek injunctive relief in any court of competent jurisdiction without the necessity of proving actual damages or posting a bond. The Parties acknowledge that any breach of this Section would cause irreparable harm for which monetary damages would be an inadequate remedy. This confidentiality obligation shall survive the termination or completion of this Settlement Agreement.

10.25 The identity of Settlement Class Members and all information obtained through the claims administration process shall be used solely for purposes of administering this Settlement. Class Counsel and their agents shall not use any information obtained through the administration of this Settlement, including Settlement Class Member identities and contact information, to solicit participation in any other litigation or legal proceeding. Class Counsel and their agents shall not encourage, solicit, or induce Settlement Class Members to request exclusion from the Settlement Class. All Settlement Class Member identities, contact information, claim information, and other information obtained through the administration of this Settlement shall be destroyed or returned within ninety (90) days after completion of settlement administration, except as otherwise required by law or court order.
