I. RECITALS

1.1 WHEREAS, as detailed in the Second Amended Complaint filed in the Physician Class Action, Physician Plaintiffs allege that Defendants breached contracts, were negligent in the maintenance of data, committed fraud, defamed Physician Plaintiffs, and engaged in unfair and deceptive trade practices stemming from a series of data breaches Defendants experienced up to December 31, 2021 (the “Data Breaches”), which impacted the Physician Plaintiffs’ practices and potentially exposed sensitive data, including their patients’ protected health information and the Physician Plaintiffs incurred damages as a result.

1.2 WHEREAS, as detailed in the Amended Complaint filed in the Patient Class Action, the Patient Plaintiffs allege, among other things, that Defendants were negligent in the maintenance of data, which resulted in Defendants experiencing the Data Breaches that potentially exposed the Patient Plaintiffs’ personal health information and invaded their privacy and the Patient Plaintiffs incurred damages as a result.

1.3 WHEREAS, Defendants have asserted defenses to Plaintiffs’ claims.

1.4 WHEREAS, arm’s-length settlement negotiations have taken place between counsel for Plaintiffs and the Defendants, and between counsel for the Physician Plaintiffs and Patient Plaintiffs, including with the assistance of a judicial settlement conference mediated by The Honorable Patrick Auld, and this Agreement, which embodies all of the terms and conditions of the settlement between Defendants and Plaintiffs, and between Physician Plaintiffs and Patient Plaintiffs, both individually and on behalf of the Settlement Classes (the “Settlement”), has been reached, subject to the final approval by the Court.

For Settlement Purposes Only

1.5 WHEREAS, the undersigned counsel for Physician Plaintiffs and the Physician Settlement Class, Womble Bond Dickinson (US) LLP (“Physician Class Counsel”) and the undersigned Interim Lead Counsel for Patient Plaintiffs and the Patient Settlement Class, Gary M. Klinger of Milberg Coleman Bryson Phillips Grossman, PLLC, Jean S. Martin of Morgan & Morgan Complex Litigation Group and Gary E. Mason of Mason LLP (“Patient Class Counsel”) (Physician Class Counsel and Patient Class Counsel together, “Class Counsel”), have concluded, after motion practice, exchange of initial disclosures, extensive investigation of the underlying facts, and after carefully considering the circumstances of the Physician Class Action and the Patient Class Action, including the claims asserted, the potential damages at issue, the potential recovery if successful, the available assets of Defendants now and in the future, and the possible legal and factual defenses thereto, that it would be in the best interests of the Settlement Classes to enter into this Agreement in order to avoid the uncertainties of litigation, particularly complex litigation such as this, and to assure the benefits described herein to the Settlement Classes, and, further, that Class Counsel consider the Settlement set forth herein to be fair, reasonable, and adequate compensation, and in the best interests of the Settlement Class.

1.6 WHEREAS, Defendants have limited funds and have concluded that it would be in their best interests to enter into this Agreement to avoid the uncertainties of litigation, particularly complex litigation such as this.

1.7 WHEREAS, the Parties, to avoid the costs, disruption, and distraction of further litigation and having participated in a judicial settlement conference, have concluded that it is desirable that the claims be settled and dismissed on the terms reflected in this Agreement.

For Settlement Purposes Only

1.8 WHEREAS, the undersigned Parties agree, subject to approval by the Court, that the litigation between Plaintiffs, on the one hand, and Defendants, on the other hand, and the potential of litigation between members of the Patient Settlement Class, on the one hand, and members of the Physician Settlement Class, on the other hand, shall be fully and finally compromised, settled, released, and dismissed on the terms and conditions set forth in this Agreement.

1.9 WHEREAS, Defendants hereby consent, solely for the purposes of the Settlement set forth herein, to the certification of the Settlement Classes and appointment of Class Counsel for the Settlement Classes and Plaintiffs as Class Representatives of the Settlement Classes provided, however, that if this Agreement fails to receive Court approval or otherwise fails to become effective, then Defendants retain all rights and defenses they had immediately preceding the execution of this Agreement to object to the propriety of class certification in all other contexts and for all other purposes, and the litigation of the ECL Class Actions will continue as if the Settlement Classes had never been certified. The fact that Defendants conditionally consented herein to certification of the Settlement Classes shall not be used against Defendants by any Party or non-party for any purpose in the ECL Class Actions or any other action, lawsuit, or proceeding of any kind whatsoever.

1.10 WHEREAS, this Agreement is contingent upon the issuance by the Court of both the Preliminary Approval Order and Final Approval Order, and, should the Court not issue the Preliminary Approval Order and Final Approval Order, no Party waives, and instead expressly reserves, all rights to bring or defend the claims in the ECL Class Actions.

For Settlement Purposes Only

Thus, the total potential value of the credits is \$5,739,500 (“Credit Amount”) (the Credit Amount and Physician Settlement Fund amount together, “Physician Class Settlement Amount”).

Defendants shall also not collect, and shall cease all collection efforts related to, any unpaid invoice for a month in which there was an Outage as alleged under the Second Amended Complaint in the Physician Class Action. Moreover, all members of the Physician Settlement Class may terminate their contracts with Defendants without any penalty and, in the event of such termination, Defendants will provide the licensee with any data of the licensee held by Defendants and provide reasonable efforts to provide such data in a useful format, and provide reasonable efforts to assist any licensee in transitioning to a new vendor.

For Settlement Purposes Only

3.6 Subject to the rights and limitations set forth in this Agreement, every Class Member shall have the right to submit a Claim for a Settlement Benefit. Submission of a Claim, regardless of whether it is determined to be a Valid Claim, shall confer no rights or obligations on any Party, any Class Member, or any other Person, except as expressly provided herein. All checks shall be subject to a 120-day void period, after which the checks shall no longer be negotiable. If a Benefit Payment is not negotiated, the Class Member shall not be entitled to any further payment under this Agreement. If the Benefit Payment is returned as undeliverable, the Settlement Administrator shall send an email to the Claimant, if an email address was provided with the Claim, to attempt to obtain a better address, and if obtained, shall mail the Benefit Payment to the new address, but shall have no other obligation to skip-trace or obtain an updated address. The return or failure to cash checks or, for those Class Members that elected to receive electronic payment, to provide the information required to issue a payment, shall have no effect on a Class Member's release of claims, obligations, representations, or warranties as provided herein, which shall remain in full effect.

3.12 No deductions for taxes will be taken from any Benefit at the time of distribution. Class Members are responsible for paying any taxes due on such Benefits. All Benefit Payments shall be deemed to be paid solely in the year in which payments are actually issued. In addition, no interest will accrue on such amounts at any time. Class Counsel, Plaintiffs, and Class Representative agree not to request, or to accept, any award inconsistent with these terms and conditions of this Agreement, including this Section 5.1.

Any such Objection must be submitted to the Settlement Administrator with a copy to Class Counsel and Defendants' counsel postmarked no later than the Objection Deadline. To be effective, any such Objection must be in writing and include the contents described below:

- (a) A reference at the beginning to this case;
- (b) The name, address, telephone number, and, if available, the email address of the Person objecting, and if represented by counsel, of his/her/its counsel;
- (c) A written statement of all grounds for the Objection, accompanied by any legal support for such Objection;
- (d) Whether he/she/it intends to appear at the Final Approval Hearing, either with or without counsel;
- (e) A statement of his/her/its membership in the Settlement Class, including all information required by the Claim Form;

For Settlement Purposes Only

- (f) A detailed list of any other objections submitted by the Class Member, or his/her/its counsel, to any class actions submitted in any court, whether state or otherwise, in the United States in the previous 5 years. If the Class Member or his/her/its counsel has not objected to any other class action settlement in any court in the United States in the previous 5 years, he/she/it shall affirmatively state so in the written materials provided in connection with the Objection to this Settlement; and
- (g) The objector's signature and the signature of the objector's duly authorized attorney or other duly authorized representative (along with documentation setting forth such representation).

Any Class Member who fails to timely submit a written Objection containing all of the information listed in the items (a) through (g) of the previous paragraph, including notice of his/her/its intent to appear at the Final Approval Hearing, shall not be permitted to object to the Settlement and shall be foreclosed from seeking any review of the Settlement or the terms of the Agreement by any means, including, but not limited to, an appeal.

Any Class Member who submits a timely written Objection shall consent to deposition at the request of Class Counsel or Defendants' counsel, to occur at least 5 days prior to the Final Approval Hearing.

If any Objection is received by the Settlement Administrator without copy to Class Counsel or Counsel for Defendants, the Settlement Administrator shall forward the Objection and all supporting documentation to counsel for the Parties. The failure of the Class Member to comply

For Settlement Purposes Only

with the filing requirements of Section 6.3 shall be grounds for striking and/or overruling the Objection.

The notice shall advise that a Class Member shall not be entitled to an extension to the Claim Form Deadline merely because the Class Member has also submitted an objection.

6.4 Effect if Settlement Not Approved, Agreement Is Terminated. This Agreement was entered into only for purposes of Settlement. In the event that preliminary or final approval of this Settlement and this Agreement do not occur for any reason, or if the Final Approval Order is reversed on appeal, or the Agreement is terminated pursuant to Section 11.1, then no term or condition of this Agreement, or any draft thereof, or discussion, negotiation, documentation, or other part or aspect of the Parties' Settlement discussions shall have any effect, nor shall any such matter be admissible in evidence for any purpose in the ECL Class Actions, or in any other proceeding (unless Class Counsel and Defendants mutually agree in writing to proceed with this Agreement); and the ECL Class Actions shall continue as if the Settlement had not occurred. The Parties agree that all drafts, discussions, negotiations, documentation, or other information prepared in relation to this Agreement, and the Parties' settlement discussions, shall be treated as strictly confidential and may not, absent a court order, be disclosed to any Person other than the Parties' counsel, and only for purposes of the ECL Class Actions.

6.5 Remedies for Defendants' Failure to Meet Its Obligations. If Defendants fail to make the payments required under this Agreement, Plaintiffs may elect to provide written notice of a default of such obligations to all Defendants, after which a 30-day Cure Period shall apply. Within the Cure Period, Defendants may elect to provide written notice to Plaintiffs that such unpaid sum is genuinely disputed, in which event the Parties may submit such dispute to the Court

For Settlement Purposes Only

for resolution. If Defendants do not provide written notice within the Cure Period that the unpaid sum is genuinely disputed, and if such default is not cured within the Cure Period, then Plaintiffs may, at their election and by further written notice to all Defendants, declare an Event of Default. Upon an Event of Default, Plaintiffs may elect to (a) request entry of a money judgment against the Defendants for any amounts that have not been paid; or (b) with respect to any Event of Default that is material, Declare the Agreement terminated and the underlying ECL Class Actions shall continue as if the Settlement had not occurred.

VII. RELEASES

7.1 Upon the entry of a Final Approval Order and Judgment and without any further action by the Court or by any Party to this Agreement, the Class Members and Plaintiffs, including any Person claiming rights derivative of any Class Member or Plaintiffs as their parent, child, heir, guardian, associate, co-owner, attorney, agent, administrator, executor, devisee, predecessor, successor, assignee, assigns, representative of any kind, shareholder, partner, director, employee or affiliate, shall be deemed to have, and by operation of the judgment shall have fully, finally, and forever released, relinquished, and discharged against the Released Parties all Released Claims (including, without limitation, any unknown claims), as well as any claims arising out of, relating to, or in connection with, the prosecution, defense, mediation, settlement, disposition, or resolution of the ECL Class Actions or the Released Claims.

7.2 For the avoidance of doubt, the above Release includes:

- a. A release by Physician Plaintiffs and Physician Settlement Class of Defendants;
- b. A release by Patient Plaintiffs and Patient Settlement Class of Defendants;

For Settlement Purposes Only

- c. A release by the Patient Plaintiffs and Patient Settlement Class of the Physician Plaintiffs and Physician Settlement Class; and,
- d. Subject to the limitations, definitions, and conditions of Sections 7.1, 2.30, and 2.31.

7.3 Without limiting the foregoing, the Releases specifically extend to any claims related to the Data Breaches that the Releasing Parties do not know or suspect to exist in their favor at the time that the Settlement, and the Releases contained herein, becomes effective. Plaintiffs understand and acknowledge the significance of these waivers. In connection with such waivers and relinquishment, the Releasing Parties acknowledge that they are aware that they may hereafter discover facts in addition to, or different from, those facts that they now know or believe to be true with respect to the subject matter of the Settlement, but that it is their intention to release fully, finally, and forever all Released Claims with respect to the Released Parties, and in furtherance of such intention, the release of the Released Claims will be and remain in effect notwithstanding the discovery or existence of any such additional or different facts.

7.4 The Parties shall be deemed to have agreed that the release set forth herein will be and may be raised as a complete defense to and will preclude any action or proceeding based on the Released Claims. The Final Approval Order shall further provide for and effect the release of all actions, causes of action, claims, administrative claims, demands, debts, damages, costs, attorneys' fees, obligations, judgments, expenses, compensation, or liabilities, in law or in equity, whether now known or unknown, suspected or unsuspected, contingent or absolute, whether existing now or arising in the future, whether asserted or that could or might have been asserted, that Releasing Parties now have or may have against the Released Parties by reason of any act, omission, harm, matter, cause, or event whatsoever arising out of the initiation, prosecution, or

For Settlement Purposes Only

settlement of the ECL Class Actions or the claims and defenses asserted in, or could have been asserted in, the ECL Class Actions related to the Data Breaches.

7.5 Notwithstanding the above, the Court shall retain exclusive jurisdiction over the Parties and the Agreement with respect to the future performance of the terms of the Agreement, and to assure that all payments and other actions required of any of the Parties by the Settlement are properly made or taken.

7.6 For the avoidance of doubt, neither the Releases nor anything else in this Agreement is intended to release or waive any right or claim to enforce the terms of this Agreement and the Settlement.

VIII. FINAL JUDGMENT AND SETTLEMENT APPROVAL

This Agreement is subject to and conditioned upon the issuance by the Court of the Final Approval Order that finally certifies the Settlement Class for the purposes of this Settlement, grants final approval of the Agreement, enters final judgment dismissing the ECL Class Actions with prejudice, and provides all other relief specified herein, which relief shall be subject to the terms and conditions of the Agreement and the Parties' performance of their continuing rights and obligations hereunder.

IX. REPRESENTATIONS AND WARRANTIES

Each Party represents and warrants to, and agrees with, the other Parties as follows:

9.1 Defendants shall provide a current profit and loss statement, a current balance sheet, tax filings for 2022, a copy of the order or other filings under which they claim their assets are subject to a lien and/or injunction by a North Carolina court, and other documentation sufficient

For Settlement Purposes Only

to prove to a reasonable certainty that they have no additional assets to provide the Settlement Class, and hereby warrant that they have no additional assets to do so.

9.2 Each Party has had the opportunity to receive, and has received, independent legal advice from his or her or its attorneys regarding the advisability of making the Settlement, the advisability of executing this Agreement, and the legal and income tax consequences of this Agreement, and fully understands and accepts the terms of this Agreement.

9.3 Defendants represent and warrant: (i) that they have the requisite corporate power and authority to execute, deliver, and perform the Agreement and to consummate the transactions contemplated hereby; (ii) that the execution, delivery, and performance of the Agreement and the consummation by them of the actions contemplated herein have been duly authorized by necessary corporate action on the part of Defendants; (iii) that Defendants have secured any court approvals necessary to bind Defendants regarding this agreement; (iv) that the Agreement has been duly and validly executed and delivered by Defendants and constitutes their legal, valid, and binding obligations and (v) Defendants will have sufficient resources to fulfill its obligations under this Agreement.

9.4 Plaintiffs represent and warrant that they are entering into the Agreement on behalf of themselves individually and as proposed representatives of the Class Members of their own free will and without the receipt of any consideration other than what is provided in the Agreement or disclosed to, and authorized by, the Court. Plaintiffs represent and warrant that they have reviewed the terms of the Agreement in consultation with Class Counsel and believe them to be fair and reasonable, and covenant that they will not object to the Agreement.

For Settlement Purposes Only

9.5 Plaintiffs represent and warrant that no portion of any claim, right, demand, action, or cause of action against any of the Released Parties that Plaintiffs have or may have arising out of the ECL Class Actions or pertaining to their fees paid as otherwise referred to in this Agreement, and no portion of any recovery or settlement to which Plaintiffs may be entitled, has been assigned, transferred, or conveyed by or for Plaintiffs in any manner; and no Person other than Plaintiffs has any legal or equitable interest in the claims, demands, actions, or causes of action referred to in this Agreement.

9.6 No Party relies or has relied on any statement, representation, omission, inducement, or promise of another Party (or any officer, agent, employee, representative, or attorney for any other party) in executing this Agreement or entering the Settlement provided for herein, except as expressly stated in this Agreement.

X. NO ADMISSIONS OF FAULT

This Agreement and every term contained in it is conditioned upon final approval of the Court and is made for settlement purposes only. Whether or not consummated, this Agreement shall not be construed as, offered in evidence as, received in evidence as, and/or deemed to be, evidence of a presumption, concession, or an admission by Plaintiffs, Defendants, any Class Member, or any Released Party, of the truth of any fact alleged or the validity of any claim or defense that has been, could have been, or in the future might be asserted in any litigation, or the deficiency of any claim or defense that has been, could have been, or in the future might be asserted in any litigation, or of any liability, fault, wrongdoing, or otherwise of such Party.

XI. MISCELLANEOUS PROVISIONS

11.1 Termination of Agreement. In addition to the provisions of Section 6.6, the Parties shall each have the right to terminate this Settlement (except with respect to subparagraph (c) of this section for which only Defendants, in the exercise of their sole discretion, shall have the right to terminate this Settlement; and subparagraphs (f)-(g) of this section for which only the Physician Plaintiffs and Physician Settlement Class, in the exercise of their sole discretion, shall have the right to terminate this Settlement as to Defendants but all releases and obligations between the Physician Plaintiffs and Physician Settlement Class and Patient Plaintiffs and Patient Settlement Class would survive) by providing written notice of their election to do so to the other within 30 days of:

- (a) The parties' failure to obtain and maintain preliminary approval of this Settlement in materially the same form as set forth herein;
- (b) Any court requiring a notice program in addition to or in any form materially different from that set forth herein;
- (c) The Court materially modifying this Settlement in any manner, including but without limitation, one that increases the financial costs to Defendants;
- (d) The Court failing to enter a final order and judgment consistent with this Settlement;
- (e) The Court's final order and judgment consistent with this Settlement is reversed or materially modified on appeal;
- (f) Defendants' failure to deposit at least \$1,460,449.50 into the Physician Settlement Fund;

For Settlement Purposes Only

- (g) Defendants' failure to effectuate a valid and enforceable assignment of rights as described in Sections 3.3 and 3.4; and/or
- (h) Defendants' failure to pay at least \$2,616,783 into the Patient Settlement Fund.

11.2 Entire Agreement. This Agreement constitutes the entire agreement between the Parties with respect to the subject matter of the Settlement and supersedes all prior negotiations, communications, memoranda, and agreements between the Parties. Neither Plaintiffs nor Defendants are entering into this Agreement in reliance upon any representations, warranties, or inducements other than those contained in this Agreement.

11.3 Execution Date. The Settlement Agreement shall be deemed executed as of the last date of signature by the Parties. However, it is not effective upon the Execution Date, and Effective Date is separately defined herein.

11.4 Change of Time Periods. The time periods and/or dates described in this Agreement with respect to the giving of notices and hearings are subject to approval and change by the Court or by the written agreement of Class Counsel and Defendants' counsel, without notice to Class Members except that such dates must be posted on the Settlement Website.

11.5 Extension of Time. The Parties reserve the right, by agreement and subject to the Court's approval, to grant any reasonable extension of time that might be needed to carry out any of the provisions of this Agreement.

11.6 Media and Contact of Class Members. Except as required by the Parties in accordance with applicable law, rule, or regulation (e.g., securities law, rules, or regulations),

For Settlement Purposes Only

or any other exception expressly provided herein, to avoid contradictory, incomplete, or confusing information about the Settlement, the Parties agree that if they want to make any written press releases, disclosures on their websites, or statements to the media about or promotional materials that reference the existence or terms of the Settlement or the ECL Class Actions before the Final Approval Hearing, such releases or statements must be approved by the Parties in advance and, where desired by the other Party, made jointly. Any party can respond to inquiries initiated by the media, and in doing so may decline to comment, but otherwise shall only refer to the Class Notice, a statement approved by the other Party, and/or defer to the court file in the ECL Class Actions, but shall not provide any further comment. Nothing provided herein shall prevent Defendants from communicating with their clients, investors, or lenders about the Settlement or the ECL Class Actions without the prior approval of Class Counsel. Except as noted herein and by mutual agreement of the Parties, the Class Notice shall constitute the only communication with Class Members regarding the Settlement prior to the Final Fairness Hearing. Notwithstanding, Class Counsel and Defense Counsel can answer any inquiries initiated by Class Members and Class Counsel may communicate freely with Plaintiffs.

11.7 Cooperation. Defendants, Plaintiffs, and their respective counsel agree to work cooperatively to prepare and execute any additional documents that may reasonably be necessary to effectuate the terms of this Agreement. The Parties shall cooperate with the Settlement Administrator to the extent reasonably necessary to assist and facilitate the Settlement Administrator in carrying out its duties and responsibilities. The Parties will also cooperate so that

For Settlement Purposes Only

Class Counsel may have such confirmatory discovery as is reasonably necessary in connection with this Agreement.

In addition, because Defendants have limited funds, the existence of insurance proceeds is material to this settlement. Therefore, Defendants, as the insured entities, agree to use their commercially reasonable best efforts to recover any insurance that covers or potentially covers the losses suffered by the Physician Settlement Class..

11.8 Plaintiffs' Authority. Class Counsel represents and warrants that it is authorized to take all appropriate actions required or permitted to be taken by or on behalf of the Plaintiffs and, subsequent to an appropriate Court Order, the Settlement Class in order to effectuate the terms of this Agreement and are also authorized to enter into appropriate modifications or amendments to this Agreement on behalf of the Plaintiffs and, subsequent to an appropriate Court Order, the Class Members.

11.9 Governing Law. This Agreement shall be construed and governed in accordance with the laws of the State of North Carolina, without regard to North Carolina's conflict-of-laws principles.

11.10 Stay Pending Court Approval. Class Counsel and Defendants' counsel agree to stay all deadlines, other than those proceedings necessary to carry out or enforce the terms and conditions of the Settlement, until the Effective Date of the Settlement has occurred. If, despite the Parties' best efforts, this Agreement should fail to become effective, the Parties will return to their prior positions in the ECL Class Actions, in accordance with Section 6.5 of this Agreement.

The Parties also agree to use their best efforts to seek the stay and dismissal of, and to oppose entry of any interim or final relief in favor of any Class Member in, any other proceedings

For Settlement Purposes Only

against any of the Released Parties that challenge the Settlement or otherwise assert or involve, directly or indirectly, a Released Claim.

11.11 Construing the Agreement. This Agreement shall not be construed more strictly against one Party than another merely by virtue of the fact that it may have been initially drafted by counsel for only one of the Parties. It is recognized that this Agreement is the result of arm's-length negotiations between the Parties and it is acknowledged that all Parties have contributed substantially to the preparation of this Agreement; accordingly, the doctrine of *contra proferentum* shall not apply in construing this Agreement, nor shall any other such similar doctrine apply.

11.12 Evidentiary Preclusion. The Parties agree that, to the fullest extent permitted by law, neither this Agreement nor the Settlement, nor any act performed nor document executed pursuant to or in furtherance of this Agreement or the Settlement: (i) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any claim or of any wrongdoing or liability of the Released Parties; or (ii) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any Released Party or the appropriateness of class certification in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. In addition, any failure of the Court to approve the Settlement and/or any objections or interventions may not be used as evidence in the ECL Class Actions or any other proceeding for any purpose whatsoever. However, the Released Parties may file the Agreement and/or the Final Approval Order in any action or proceeding that may be brought against them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement,

For Settlement Purposes Only

judgment bar, or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

11.13 Effect of Non-Approval. In the event that this Agreement is not approved by the Court in substantially its present form, any Objection to the Settlement is sustained by the Court, or the Settlement does not become final for any reason, including Termination pursuant to Section 11.1 above, the terms and provisions of this Agreement shall have no further force and effect with respect to the Parties or the Class Members, and shall not be used in the ECL Class Actions or in any other action or proceeding for any purpose, and any order or judgment entered by the Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*. In such event, this Agreement and all negotiations, proceedings, documents prepared, and statements made in connection with this Agreement shall be without prejudice to any Party or Class Member and shall not be admissible or offered into evidence in any action or proceeding, and shall not be deemed, asserted, or construed to be an admission or confession by any Party or any other Person or entity of any fact, matter, or proposition of law, and shall not be used or asserted in any other manner or for any purpose, and all Parties and Class Members shall stand in the same position as if this Agreement and Settlement had not been negotiated, made, or submitted to the Court.

11.14 Signatures. This Agreement may be executed in counterparts, and, when so executed, shall constitute a binding original; each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Facsimile signatures or signatures sent by email shall be deemed original signatures and shall be binding.

For Settlement Purposes Only

11.15 Good Faith. The Parties agree that they will act in good faith to promote the consummation of this Settlement and achievement of an Effective Date and will not engage in any conduct that will or may frustrate the purpose of this Agreement.

11.16 Binding on Successors. This Agreement shall be binding upon the heirs, executors, administrators, successors, and assigns of the Plaintiffs, Class Members, and Defendants.

11.17 Arm's-Length Negotiations. The determination of the terms and conditions contained herein and the drafting of the provisions of this Agreement have been by mutual understanding after negotiation, with consideration by, and participation of, the Parties hereto and their counsel.

11.18 Waiver. All parties to the Settlement Agreement will expressly waive any and all rights they may have under any statute or common law principle that would limit the effect of the Release herein to those claims relating to the putative class action that were actually known to exist, or that the parties should have known to exist, at the time of execution of this Agreement or that might have materially affected this Agreement.

11.19 Taxes. No opinion concerning the tax consequences of the Agreement to any Plaintiffs or Class Member is given or will be given by Defendants, Defendants' counsel, or Class Counsel; nor is any Party or their counsel providing any representation or guarantee regarding the tax consequences of the Agreement as to any Plaintiffs or Class Member. Each Plaintiffs (including Class Counsel) and Class Member is responsible for his/her/its tax reporting and other obligations respecting the Agreement, if any. Plaintiffs' counsel will furnish any required tax documents.

For Settlement Purposes Only

11.20 Retention of Jurisdiction. The Court shall retain exclusive jurisdiction with respect to the implementation and enforcement of the terms of this Agreement, and all Parties hereto submit to the jurisdiction of the Court only for purposes of implementing and enforcing the agreements embodied in this Agreement.

11.21 Attorneys' Fees. Notwithstanding any of the provisions herein, if any party finds it necessary to institute legal proceedings to enforce another party's obligation under this Agreement, the prevailing party in any such action shall be entitled to recover its reasonable attorneys' fees and costs.

11.22 Support from the Parties. After a full investigation, discovery and arm's-length negotiations, and after considering the risks and costs of further litigation, Plaintiffs and Class Counsel are satisfied that the terms and conditions of this Agreement are fair, reasonable, adequate, and equitable, and that this Settlement is in the best interest of the Class Members. Defendants and their counsel agree that the settlement is fair, adequate, and reasonable in light of the merits and risks of the case. While continuing to deny all allegations of wrongdoing and disclaiming any liability with respect to any and all claims, Defendants consider it desirable to resolve the controversy on the terms stated herein and have therefore determined that this Settlement is in their best interests. The Parties further agree that they shall support motions for entry of the Preliminary Approval Order and Final Approval Order.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed by their duly authorized representatives.
