FCA US LLC*, Case No. 2:22-cv-05521, which is currently pending in the United States District Court for the Central District of California. The lawsuit alleges Defendant FCA US LLC ("FCA US") did not provide the appropriate warranty coverage for certain valve train system components as "high-priced" warranted parts under the California Emissions Warranty (13 CCR §§ 1950, *et seq.*) for the model-year 2015-2020 Ram 1500; model-year 2015-2019 Dodge Journey; model-year 2015-2020 Jeep Wrangler; model-year 2015-2020 Dodge Challenger; model-year 2015-2020 Dodge Charger; model-year 2015-2020 Chrysler 300; model-year 2015-2020 Chrysler Town & Country or Dodge Grand Caravan; model-year 2015-2017 Chrysler 200; model-year 2015-2020 Ram Promaster; model-year 2015-2020 Dodge Durango; and model-year 2015-2020 Grand Cherokee vehicles identified above. You received this notice because you may be a member of the group of people affected, called the "class" (or the "Settlement Class"). This notice gives you a summary of the terms of the proposed agreement, explains what rights Settlement Class members have, and helps Settlement Class members make informed decisions about what action to take.

If the Settlement is approved and you are a member of the Settlement Class as defined above, you are automatically entitled to a warranty extension for certain valve train system components, and you will be entitled to submit a Claim for reimbursement for monies you previously paid to diagnose or repair a failed Valve Rocker Arm, Valve Stem Oil Seal, or Valve Tappet component, unless you opt out or exclude yourself from the Settlement.

If you are a member of the Settlement Class, the following options apply to you:

SUBMIT A CLAIM FORM	You must submit a valid Claim Form to be reimbursed for a past qualifying Valve Rocker Arm, Valve Stem Oil Seal, or Valve Tappet component diagnosis and/or repair.
OPT OUT OR EXCLUDE YOURSELF	You will receive no Settlement benefits, but you will retain any legal claim you have against FCA US.
OBJECT TO THE SETTLEMENT	Write to the Court about why you don't like the Settlement. You must remain in the Settlement Class and not exclude yourself in order to object to the Settlement.

FURTHER INFORMATION ABOUT THIS NOTICE

1. Why did I get this Notice?

You received this Notice because you may be a member of the Settlement Class and eligible to receive benefits under the proposed Settlement. The Court overseeing this case authorized this Notice to advise members of the Settlement Class about the proposed Settlement that will affect their legal rights. This Notice explains certain legal rights and options you have in connection with that Settlement.

2. What is this case about?

This case is a class action lawsuit premised on allegations that FCA US did not provide the appropriate warranty coverage for certain valve train system components as “high-priced” warranted parts under the California Emissions Warranty (13 CCR §§ 1950, *et seq.*) for the model-year 2015-2020 Ram 1500; model-year 2015-2019 Dodge Journey; model-year 2015-2020 Jeep Wrangler; model-year 2015-2020 Dodge Challenger; model-year 2015-2020 Dodge Charger; model-year 2015-2020 Chrysler 300; model-year 2015-2020 Chrysler Town & Country or Dodge Grand Caravan; model-year 2015-2017 Chrysler 200; model-year 2015-2020 Ram Promaster; model-year 2015-2020 Dodge Durango; and model-year 2015-2020 Grand Cherokee vehicles identified above.

3. Why is this case a class action?

In a class action, a representative plaintiff brings a lawsuit for others who are alleged to have similar claims. Together, these people make up the Class or Settlement Class and each person individually is a Class Member. In this case, there is one plaintiff, also known as a Class Representative: Kristal Regueiro.

4. Why is there a Settlement?

A class action settlement is an agreement between the parties to resolve and end the case. The Plaintiff, through her attorneys, investigated the facts and law relating to the claims and legal issues in this case. Plaintiff and her attorneys, also known as Class Counsel, believe that the Settlement is fair and reasonable, and that it will provide substantial benefits to the Settlement Class.

The Court has not yet decided whether Plaintiff’s claims or FCA US’s defenses have any merit. Put another way, the Court has not yet decided “who should win the case,” and it will not do so, if the proposed Settlement is approved. By agreeing to the proposed Settlement, both sides avoid the cost and risk of a trial, and the members of the Settlement Class can obtain the benefits of this Settlement, namely, a warranty extension for the Valve Rocker Arm, Valve Stem Oil Seal, or Valve Tappet and the right and ability to be reimbursed for past qualifying Valve Rocker Arm, Valve Stem Oil Seal, or Valve Tappet diagnostics and/or repairs they paid for. The Settlement does not mean that FCA US did anything wrong, nor does it mean the Plaintiff would not win the case if it were to go to trial.

TERMS OF THE PROPOSED SETTLEMENT

5. Who is in the Settlement Class?

The Settlement Class is defined as all individuals who, as confirmed by FCA US's records, purchased or leased one or more of the following vehicles equipped with a 3.6L engine in the states of California (the "California Class") and Connecticut, Delaware, Maine, Maryland, Massachusetts, Oregon, Pennsylvania, Rhode Island, Vermont, or Washington ("Reg. 177 States") (the "Reg. 177 Class"): model-year 2015-2020 Ram 1500; model-year 2015-2019 Dodge Journey; model-year 2015-2020 Jeep Wrangler; model-year 2015-2020 Dodge Challenger; model-year 2015-2020 Dodge Charger; model-year 2015-2020 Chrysler 300; model-year 2015-2020 Chrysler Town & Country or Dodge Grand Caravan; model-year 2015-2017 Chrysler 200; model-year 2015-2020 Ram Promaster; model-year 2015-2020 Dodge Durango; or model-year 2015-2020 Grand Cherokee. These vehicles are known as the Class Vehicles.

Excluded from the Settlement Class are FCA US; any affiliate, parent, or subsidiary of FCA US; any entity in which FCA US has a controlling interest; any FCA US officer, director, or employee; any FCA US successor or assign; consumers or businesses that have purchased or leased Class Vehicles previously deemed a total loss (*i.e.*, salvage or junkyard vehicles) (subject to verification through Carfax or other means); and any judge to whom this case is assigned, their spouse; and individuals and/or entities who validly and timely opt out of the settlement.

6. What are the benefits of the proposed Settlement?

FCA US has agreed to provide the following benefits to members of the Settlement Class.

Warranty Extension: FCA US has agreed to extend its existing warranty obligations for the Class Vehicles to cover the costs of all parts and labor for replacing a failed Valve Rocker Arm, Valve Stem Oil Seal, or Valve Tappet component for the earlier of seven years from the Class Vehicle's in-service date or 70,000 miles driven.

FCA US will cover the costs of all parts and labor for replacing a failed Valve Rocker Arm, Valve Stem Oil Seal, or Valve Tappet component under the Warranty Extension without the Settlement Class Member having to pay out-of-pocket and then having to seek reimbursement. As long as the diagnosis and/or repair is performed at an authorized FCA US dealership within the earlier of seven years from the Class Vehicle's in-service date or 70,000 miles driven, FCA US will not impose any fees or charges related to the diagnosis and/or repair.

Diagnosis and/or Repair Reimbursements: Any Class Member who previously paid for a diagnosis and/or repair of a failed Valve Rocker Arm, Valve Stem Oil Seal, or Valve Tappet component entitled to warranty coverage under this Settlement may submit a Claim to the Settlement Administrator for reimbursement upon proof of a paid qualifying diagnosis and/or repair.

The deadline for submission of Claims is **October 12, 2026**, which is forty-five (45) days after Notice to the Settlement Class.

To be valid, the Claim submission must include: (a) a completed Claim Form; (b) proof of payment (e.g., a paid invoice, receipt, or credit card statement showing amount paid and date of service); (c) documentation identifying the vehicle (including the Vehicle Identification Number or VIN), owner, the component diagnosed and/or repaired, and the name and contact information of the repair facility.

Claims submitted pursuant to this Settlement may be submitted, at the election of the Claimant, by U.S. mail, email, or through the dedicated Settlement Website. The mailing address and email address to which Claimants may submit Claims, as well as instructions for submitting Claims through the Settlement Website, can be found on the Settlement Website under “Claims For Reimbursement.”

Class Counsel and FCA US’s counsel will meet and confer in good faith to resolve any dispute regarding the Settlement Administrator’s final determination to deny a Claim. If the Parties reach agreement, the resolution will be binding and, if it involves a payment, FCA US will cause the payment to be made. If the Parties are unable to reach agreement within thirty (30) days of the meet-and-confer process, Class Counsel may submit the dispute to a mutually agreed-upon neutral third party for binding resolution.

7. What claims are Settlement Class members giving up?
--

Members of the Settlement Class who don’t exclude themselves from the Settlement will be bound by the Second Renewed Class Action Settlement Agreement and Release (“Settlement Agreement”) and any final judgment entered by the Court, and they will give up their right to sue FCA US for the claims the proposed Settlement resolves.

The claims that are being released, and the persons and entities being released from those claims are specifically described in the Settlement Agreement. Those claims include Plaintiff’s and California Class Members’ claims under Section 17200 of California’s Business & Professions Code (the “UCL”), and Plaintiff’s and Reg. 177 Class Members’ claims for breach of contract, as well as any and all claims, causes of action, demands, debts, suits, liabilities, obligations, claims for monetary reimbursement, rights of action, remedies of any kind and/or causes of action of every nature and description, whether known or unknown, asserted or unasserted, foreseen or unforeseen, regardless of any legal theory, existing now or arising in the future, by Plaintiff and any and all Class Members relating to the facts, acts, events, transactions, occurrences, courses of conduct, representations, omissions, circumstances, or other matters based on a malfunction of the Valve Rocker Arm, Valve Stem Oil Seal, or Valve Tappet component in the Class Vehicles as alleged in the Action. Plaintiff and the Reg. 177 Class Members also are releasing all claims and demands for damages, as limited by this paragraph. The Released Claims do not include claims for death, personal injuries, damage to tangible property other than a Class Vehicle, or subrogation. Nothing in this Settlement will be construed as a waiver, release and/or compromise of any pending automobile lemon law claim. YOUR OPTIONS AS A MEMBER OF THE SETTLEMENT CLASS

8. If I'm a member of the Settlement Class, what options do I have?

You have four options:

If you are a member of the Settlement Class and do not opt out, you need not do anything to receive the benefits of the warranty extension.

But, if you want to be reimbursed for a past qualifying diagnosis and/or repair of a Valve Rocker Arm, Valve Stem Oil Seal, or Valve Tappet component you paid for, you must submit a Claim for reimbursement.

If you don't want to give up your right to sue, you must exclude yourself, also known as "opting out," of the Settlement Class. See Question 11 below for instructions on how to exclude yourself.

If you object to the Settlement, you must remain part of the Settlement Class, *i.e.*, you may not also exclude yourself from the Settlement Class by opting out, and you must file a written objection with the Court. See Question 14 below for instructions on how to object.

9. What happens if I do nothing?

If you do nothing, you may still have the benefit of the warranty extension, but you will not receive any reimbursement for a past qualifying diagnosis and/or repair of a Valve Rocker Arm, Valve Stem Oil Seal, or Valve Tappet component you paid for.

Further, unless you exclude yourself, after the Court approves the proposed Settlement and the Court's judgment becomes final, you'll be bound by the judgment and unable to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against FCA US for claims that the Settlement resolves.

10. How do I submit a Claim?

The Claim Form and instructions for submission, eligibility for reimbursement, documentation required, rejected Claims, and payment information can be found on the Settlement Website at www.FCAwarrantysettlement.com.

All Claims must be submitted online by 11:59 PM PT on **October 12, 2026**, or postmarked by **October 12, 2026**.

No reimbursements under the Settlement will be issued until after the Court gives its final approval to the Settlement and after any appeals are resolved.

11. How do I exclude myself from the Settlement?

You must make a written request that (i) states your full name, address, and phone number; (ii) provides the model year and VIN of your vehicle and the approximate date of purchase or lease; (iii) is signed by you or a person authorized by law to sign on your behalf; and (iv) unequivocally states your desire to be excluded from the Settlement. You must send your request via first class U.S. mail by **October 12, 2026** to:

Regueiro, v. FCA US LLC
c/o Kroll Settlement Administration
P.O. Box 225391
New York, NY 10150-5391

Failure to comply with these requirements and to timely submit the request for exclusion will result in your being bound by the terms of the Settlement.

The form for excluding or opting out of the Settlement also is available online at www.FCAwarrantysettlement.com.

12. If I exclude myself, can I receive a benefit from this Settlement?

No. You may still receive the benefits of the warranty extension, but you will not be entitled to any other benefit under the Settlement.

13. If I don't exclude myself, can I sue FCA US for the same thing later?

No. Unless you exclude yourself, you give up any right to sue FCA US for the claims that this Settlement resolves. You must exclude yourself from the Settlement Class to start your own lawsuit or be part of a different lawsuit relating to the claims in this case. If you exclude yourself, you are ineligible to request a reimbursement under the Settlement.

14. How do I object to the settlement?

If you disagree with any part of the Settlement but don't want to opt out, you may object to some or all of the Settlement. You can ask the Court to deny approving the proposed Settlement by filing an objection. You can't ask the Court to order a different settlement, however. The Court can only approve or reject the proposed Settlement before it. If the Court denies approval, no Settlement benefit will be given and the lawsuit will continue.

Any objection to the proposed Settlement must be in writing, and it (along with any supporting papers) must (i) be submitted directly to the Court at United States Courthouse, 350 W. 1st Street, 5th floor, Courtroom 5C, Los Angeles, California 90012-4565 and (ii) have a copy mailed to Class Counsel and FCA US's counsel at the following addresses:

If you don't object in this manner, you will be deemed to have waived and forfeited your rights to appear separately or object to the Settlement, and you will be bound by the terms of the Settlement Agreement and by all related proceedings, orders, and judgments. The exclusive means for challenging the Settlement are as set forth herein.

COURT APPROVAL OF THE SETTLEMENT

15. How, when, and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing to decide whether to approve the proposed Settlement. That Final Approval Hearing is scheduled for **October 28, 2026, at 1:30 p.m. PT** at the United States District Court, Central District of California at 350 W. 1st Street, 5th floor, Courtroom 5C, in Los Angeles, California. There the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are timely objections, the Court will consider them and will listen to those who have properly requested to speak at the Final Approval Hearing. The Court may also consider Class Counsel's request for an award of fees, costs, and expenses, as well as a service award for the Class Representatives. At some point after the Final Approval Hearing has concluded, the Court will decide whether to approve the Settlement.

The Court could reschedule the Final Approval Hearing to a different date or time without notice, so it is a good idea before the Final Approval Hearing to check www.FCAwarrantysettlement.com to confirm the schedule if you'd like to attend.

16. Do I have to attend the Final Approval Hearing?

No. If you are objecting to the Settlement, it's not necessary to appear in person because the Court will consider any written objections that have been properly submitted pursuant to the instructions in Question 14. You or your own lawyer are welcome to attend the Final Approval Hearing at your expense, but you are not required to do so.

17. What happens if the Court approves the Settlement?

If the Court approves the Settlement, there may still be appeals. If there's an appeal, it's possible the Settlement could be disapproved on appeal. We don't know how long that process may take.

18. What happens if the Court does not approve the Settlement?

If the Court does not approve the Settlement, there will not be any Settlement benefits and the case will proceed as if no Settlement had been attempted.
