

**IN THE CIRCUIT COURT OF THE 17TH JUDICIAL CIRCUIT  
IN AND FOR BROWARD COUNTY, FLORIDA**

CASE NO. **CACE25002678** DIVISION: **12** JUDGE: **Frink, Keathan B (12)**

**Stephanie Fischer, et al**

Plaintiff(s) / Petitioner(s)

v.

**Byte Federal, Inc.**

Defendant(s) / Respondent(s)

**ORDER GRANTING PLAINTIFFS' UNOPPOSED MOTION FOR PRELIMINARY  
APPROVAL OF CLASS ACTION SETTLEMENT**

WHEREAS, Plaintiffs, individually, and on behalf of the Settlement Class, and Defendant have agreed, subject to Court approval, to settle this Action upon the terms and conditions stated in the Agreement:

NOW, THEREFORE, based on the Agreement, all the files, records, and proceedings herein, statements of counsel, and it appearing to the Court that a Final Approval Hearing should be held to determine whether the proposed settlement described in the Agreement should be finally approved as fair, reasonable, and adequate.

IT IS HEREBY ORDERED THAT:

1. All capitalized terms herein shall have the same meanings as those defined in the Agreement.
2. This Court has personal jurisdiction over the subject matter of this Action and the Parties, including Plaintiffs and all Settlement Class members.
3. The Court preliminarily approves of the Settlement, including the Notice Program, finding that the proposed settlement is sufficiently fair, reasonable, and adequate to warrant providing Notice to the Settlement Class, but such finding is not to be deemed as an admission of fault or liability by Defendant or a finding of the validity of any claims asserted in the Action or of any wrongdoing or of

any violation of law by Defendant. Defendant shall maintain all rights to assert that, but for settlement purposes, the Action should not be certified as a class.

4. For purposes of determining whether the terms of the Settlement should be finally approved as fair, reasonable, and adequate, the following Settlement Class is preliminarily certified for settlement purposes only:

All living individuals residing in the United States whose Private Information was impacted by the Data Incident.

5. Excluded from the Settlement Class are (a) all persons who are employees, directors, officers, and agents of Defendant, or its respective subsidiaries and affiliated companies; (b) governmental entities; and (c) the Judge(s) assigned to the Action and their immediate family, and Court staff.

6. The Court preliminarily finds that the terms of the settlement are fair, adequate, and reasonable. In so finding, the Court has considered several factors, including: (1) the complexity and duration of the litigation; (2) the reaction of the class to the settlement; (3) the stage of the proceedings; (4) the risk of establishing liability; (5) the risk of establishing damages; (6) the risk of maintaining a class action; (7) the ability of the defendant to withstand a greater judgment; (8) the reasonableness of the settlement in light of the best recovery; and (9) the range of reasonableness of the settlement in light of all the attendant risks of litigation.

7. The Court finds that, for purposes of settlement: the number of members of the Settlement Class is so numerous that joinder is impracticable; there are questions of law and fact common to the members of the Settlement Class; the claims of the Plaintiffs are typical of the claims of the members of the Settlement Class; the Plaintiffs are adequate representatives for the Settlement Class, and have retained experienced and adequate Class Counsel; the questions of law and fact common to the members of the Settlement Class predominate over any questions affecting any individual members of the Settlement Class; and a class action is superior to the other available methods for the fair and efficient adjudication of the controversy.

8. For purposes of settlement only, the Court finds and determines that Plaintiffs will fairly and

adequately represent the interests of the Settlement Class in enforcing their rights in the Action, and appoints them as Class Representatives, and the following attorneys are preliminarily appointed as Class Counsel for the Settlement Class: Jeff Ostrow of Kopelowitz Ostrow P.A.; Mariya Weeks of Milberg Coleman Bryson Phillips Grossman PLLC; Andrew Shamis of Shamis & Gentile, P.A.; and A. Brooke Murphy of the Murphy Law Firm.

9. The Parties have selected Simpluris to serve as the Settlement Administrator. The Court hereby approves of and appoints Simpluris as the Settlement Administrator and directs Simpluris to commence the Notice Program and to otherwise comply with all obligations of the Settlement Administrator as outlined in the Agreement.

10. The Parties have prepared the Notices, which are attached to the Agreement. The Court preliminarily finds that the Notice provided to Settlement Class members is the most practicable notice; reasonably calculated, under the circumstances, to apprise Settlement Class members of the pendency of the Action and of their right to object or to exclude themselves from the Settlement; and reasonable and constitutes due, adequate, and sufficient notice to all Settlement Class members entitled to receive notice.

11. The Court has carefully reviewed and hereby approves the Notice as to form and content and directs that they be distributed without material alteration unless otherwise modified by agreement of the Parties and approved by the Court. The Court directs that the Notice be sent to the Settlement Class in the manner outlined in the Agreement.

12. Settlement Class members who wish to opt-out of the Settlement and exclude themselves from participation may do so by submitting timely and valid requests at any time before the end of the Opt-Out Period (30 days before the original date of the Final Approval Hearing). The process to opt-out is set forth in the Agreement and in the Notice. Settlement Class members who opt-out shall have no rights under the Settlement, shall not share in any Settlement Class Member Benefits, and shall not be bound by the Settlement or by any Final Approval Order and Judgment approving the Settlement.

13. All Settlement Class Members who do not submit a timely, written request for exclusion in

the manner set forth in the Notice and Agreement shall be bound by any Final Approval Order and final judgment entered, even if such Settlement Class Members never received actual notice of this Action or the Settlement. If Final Approval of the Settlement is granted, they shall be barred, now and in the future, from asserting any of the Released Claims, as defined in the Agreement, against any Released Parties as defined in the Agreement.

Settlement Class Members who wish to object to the Settlement and/or to Class Counsel's Application for Attorneys' Fees, Costs and Service Awards shall file any objections pursuant to the requirements of this paragraph. To be considered, the objection must include: (a) the objector's full name, mailing address, telephone number, and email address (if any); (b) all grounds for the objection, accompanied by any legal support for the objection known to the objector or objector's counsel; (c) the number of times the objector has objected to a class action settlement within the 5 years preceding the date that the objector files the objection, the caption of each case in which the objector has made such objection, and a copy of any orders related to or ruling upon the objector's prior objections that were issued by the trial and appellate courts in each listed case; (d) the identity of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement and/or Application for Attorneys' Fees, Costs, and Service Awards, and whether they will appear at the Final Hearing; (e) the number of times in which the objector's counsel and/or the objector's counsel's law firm have objected to a class action settlement within the 5 years preceding the date of the filed objection, the caption of each case in which counsel or the firm has made such objection and a copy of any orders related to or ruling on the objection issued by the trial and appellate courts in each such listed case; (f) a list of all persons who will be called to testify at the Final Approval Hearing in support of the objection (if any); (g) a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and (h) the objector's signature (an attorney's signature is not sufficient).

14. Objections to the Settlement and/or the Application for Attorneys' Fees, Costs and Service Awards must be filed with the Court, and sent by U.S. Mail to Class Counsel, Defendant's Counsel, and

the Settlement Administrator. For an objection to be considered by the Court, the objection must be submitted no later than the last day of the Objection Period (30 days before the original date of the Final Approval Hearing), as specified in the Notice. If submitted by mail, an objection shall be deemed to have been submitted when posted if received with a postmark date indicated on the envelope if mailed first-class postage prepaid and addressed in accordance with the instructions. If submitted by private courier, an objection shall be deemed to have been submitted on the shipping date reflected on the shipping label.

15. In advance of the Final Approval Hearing, the Settlement Administrator shall prepare a declaration for the Parties confirming that the Notice Program was completed in accordance with the terms of the Agreement and this Preliminary Approval Order, describing how the Notice Program was completed, indicating the number of Claim Forms received, providing the names of each individual in the Settlement Class who timely and properly requested to opt out from the Settlement Class, indicating the number of objections received, and other information as may be necessary to allow the Parties to seek and obtain Final Approval.

16. The Court will hold a Final Approval Hearing to consider the fairness, reasonableness, and adequacy of the settlement on **September 3, 2025**, at **8:30 a.m.** The hearing will be held in person at the Broward County Courthouse, Courtroom 16155, 201 SE 6<sup>th</sup> Street, Fort Lauderdale Florida. The date and time of the Final Approval Hearing will be set forth in the Notice and published on the Settlement Website. During the Final Approval Hearing, the Court will consider whether the Settlement should be approved as fair, reasonable, and adequate, and whether the Court should enter the proposed Final Approval Order and final judgment approving the settlement and dismissing this Action on the merits, with prejudice. The Court will also consider the amount of any attorneys' fees and costs to be awarded to Class Counsel and whether to approve the amount of any Service Awards to the Class Representatives. The Final Approval Hearing may be postponed, adjourned, or rescheduled by order of the Court without further notice to Settlement Class members other than on the Settlement Website and the Court's docket.

17. The Court confirms the following schedule (which the court, upon showing of good cause by the Parties, may extend any of the deadlines):

Deadline to commence Notice Program	Within 30 days of Preliminary Approval Order
Deadline to complete Notice Program	At least 60 days before the original date of Final Approval Hearing

Claim Form Deadline	15 days before the original date of the Final Approval Hearing

18. The Court stays all proceedings in this Action until further Order of the Court, except that the Parties may conduct such limited proceedings as may be necessary to implement the Settlement or to effectuate the term of the Agreement.
