CLASS ACTION SETTLEMENT AGREEMENT

This Agreement (“Agreement” or “Settlement Agreement”) is entered into by and among: (i) Plaintiffs, Jennifer Fleece and Sherry A. Jenkins (“Plaintiffs”); (ii) the Settlement Class (as defined herein); and (iii) Defendant, Board of Trustees of the Hancock Regional Hospital d/b/a Hancock Health (“Defendant”). The Settlement Class and Plaintiffs are collectively referred to as the “Plaintiffs” unless otherwise noted. The Plaintiffs and the Defendant are collectively referred to herein as the “Parties.” This Agreement is intended by the Parties to fully, finally and forever resolve, discharge, and settle the Released Claims (as defined herein), upon and subject to the terms and conditions of this Agreement, and subject to the final approval of the Court.

RECITALS

A. This putative class action was originally filed by Plaintiff Fleece on May 23, 2023, in the Marion County Superior Court, Indiana. The material allegations of the operative Complaint center on Defendant’s alleged disclosure of its patients’ personally identifiable information to Meta, formerly known as Facebook, and other third-party technologies without permission. Plaintiff asserted claims against Defendant for: (1) negligence; (2) negligence *per se*; (3) invasion

of privacy; (4) breach of implied contract; (5) unjust enrichment; (6) breach of fiduciary duty; and (7) violations of the Indiana Deceptive Consumer Sales Act.

B. The Parties engaged in settlement discussions and, to that end, agreed to participate in a private mediation with Bruce Friedman of Judicial Arbitration and Mediation Services (“JAMS”), a well-respected class action mediator.

C. As part of the mediation, and in order to competently assess their relative positions, the Parties exchanged formal discovery and mediation briefing, including issues such as the size and scope of the putative class, and certain facts related to the strength of Defendant’s defenses. The Parties had sufficient information to assess the strengths and weaknesses of their respective claims and defenses.

D. The mediation took place in person on March 25, 2025. The Parties failed to reach agreement during mediation but continued negotiating in good faith and have now reached agreement on all material terms of a class action settlement.

E. Defendant denies any wrongdoing whatsoever and disputes that it committed, or threatened or attempted to commit, any wrongful act, omission, or violation of law or duty alleged in the Action and believes it would have prevailed at summary judgment and/or trial. Nonetheless, considering the uncertainty, risks, and expense inherent in any litigation, Defendant has concluded it is desirable and beneficial that the Action be fully and finally settled and terminated in the manner and upon the terms and conditions set forth in this Agreement. This Agreement is a compromise, and the Agreement, any related documents, and any negotiations resulting in it shall not be construed as or deemed to be evidence of or an admission or concession of liability or wrongdoing on the part of Defendant, or any of the Released Parties (defined below), with respect to any claim of any fault or liability or wrongdoing or damage whatsoever.

F. Plaintiffs and Class Counsel recognize that Defendant has raised factual and legal defenses that, if successful, could prevent or limit any recovery. Plaintiffs and Class Counsel also recognize the expense and delay associated with continued prosecution of the Action against Defendant through class certification, summary judgment, trial, and any subsequent appeals. Plaintiffs and Class Counsel have also considered the uncertain outcome and risks of litigation, especially in complex class actions, as well as the difficulties inherent in such litigation. Therefore, Plaintiffs believe it is desirable that the Released Claims be fully and finally compromised, settled, and resolved with prejudice. Based on their evaluation, Class Counsel have concluded that the terms and conditions of this Agreement are fair, reasonable, and adequate to the Settlement Class, and that it is in the best interests of the Settlement Class to settle the claims raised in the Action pursuant to the terms and provisions of this Agreement.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among Plaintiffs, the Settlement Class, and Defendant, by and through its undersigned counsel that, subject to final approval of the Court after a hearing or hearings as provided for in this Settlement Agreement, in consideration of the benefits flowing to the Parties from the Agreement set forth herein, that the Action and the Released Claims shall be finally and fully compromised, settled, and released, and the Action shall be dismissed with prejudice, upon and subject to the terms and conditions of this Agreement.

Upon the Effective Date, Plaintiffs expressly shall have, and all other Releasing Parties also shall be deemed to have, and by operation of the Judgment shall have, waived any and all provisions, rights and benefits conferred by any law of any state or territory of the United States (including, without limitation, Montana Code Ann. § 28-1-1602; North Dakota Cent. The Settling Parties acknowledge, and the Releasing Parties shall be deemed by

operation of the Judgment to have acknowledged, that the foregoing waiver is a material element of the Settlement Agreement of which this release is a part.

4.1 The Notice Plan shall consist of the following:

the Settlement Class to solicit Class members to retain Class Counsel for any other matters or disputes.

If more than 30% of Settlement Class Members’ emails are unable to be sent or bounce back, the Parties and Settlement Administrator will confer on a process for supplemental notice

(c) *Settlement Website.* Within ten (10) days from entry of the Preliminary Approval Order, Notice shall be provided on a website at a URL approved by Class Counsel and Defendant’s Counsel, which shall be administered and maintained by the Settlement Administrator and shall include the ability to file Claim Forms on-line. The Notice shall specify that any objection to the Settlement Agreement, and any papers submitted in support of said objection, shall be considered by the Court at the Final Approval Hearing only

if, on or before the Objection Deadline approved by the Court and specified in the Notice, the Person making the objection files notice of an intention to do so and at the same time (a) files copies of such papers he or she proposes to be submitted at the Final Approval Hearing with the Clerk of the Court, or alternatively, if the objection is from a Class Member represented by counsel, files any objection through the Court's electronic filing system, and (b) sends copies of such papers by mail, hand, or overnight delivery service to Class Counsel and Defendant's Counsel.

Any challenge to the Settlement

Agreement, the Final Order, or the Final Judgment shall be pursuant to appeal under the applicable rules of appellate procedure and not through a collateral attack.

4.5 A Settlement Class Member may request to be excluded from the Settlement Class by sending a written request postmarked on or before the Exclusion Deadline approved by the Court and specified in the Notice. To exercise the right to be excluded, a Person in the Settlement Class must timely send a written request for exclusion to the Settlement Administrator as specified in the Notice, which must include: (1) his/her name, current address, telephone number, and unique ID; 2) a signature; 3) the name and number of the case; and 4) a statement that he or she wishes to be excluded from the Settlement Class for purposes of this Settlement. but will otherwise be bound by all of the terms of this Agreement, including the terms of the Final Judgment to be entered in the Action and the Releases provided for in the Agreement, and will be barred from bringing any action against any of the Released Parties concerning the Released Claims.

4.8 No Person shall have any claim against the Settlement Administrator, Defendant, Defendant's Counsel, Plaintiffs' Counsel and/or the Representative Plaintiffs based on distributions of benefits to Settlement Class Members.

4.9 No public out-of-court statements will be made about the Settlement by Class Counsel, the Class Representative, Defendant or Defendant's Counsel other than through the agreed content to be posted on the Settlement Website. (a) Forward to Defendant's Counsel, with copies to Class Counsel, all original documents and other materials received in connection with the administration of the Settlement, and all copies thereof, within thirty (30) days after the date on which all Claim Forms have been finally approved or disallowed in accordance with the terms of this Agreement;

(b) Receive requests to be excluded from the Settlement Class and other requests and promptly provide to Class Counsel and Defendant's Counsel copies thereof. If the Settlement Administrator receives any exclusion forms or other requests after the deadline for the submission of such forms and requests, the Settlement Administrator shall promptly provide copies thereof to Class Counsel and Defendant's Counsel with the final listing to be provided no later than seven (7) days following the Exclusion Deadline;

5.2 The Settlement Administrator shall be obliged to employ reasonable procedures to screen claims for abuse or fraud and deny Claim Forms where there is evidence of abuse or fraud. The Settlement Administrator will reject any claim that does not comply in any material respect with the instructions on the Claim Form or the terms of Paragraphs 2.3 and/or 2.4, above, or is submitted after the Claims Deadline. Each claimant who submits an invalid Claim Form to the Settlement Administrator must be given a notice of the Claim Form's deficiency and an opportunity to cure the deficiency within twenty-one (21) days of the date of the notice. The Settlement Administrator may contact any Person who has submitted a Claim Form to obtain additional information necessary to verify the Claim Form.

5.3 Defendant's Counsel and Class Counsel shall have the right to challenge the acceptance or rejection of a Claim Form submitted by Settlement Class Members and to obtain and review supporting documentation relating to such Claim Form. The Settlement Administrator shall follow any agreed decisions of Class Counsel and Defendant's Counsel as to the validity of any disputed submitted Claim Form. To the extent Class Counsel and Defendant's Counsel are not able to agree on the disposition of a challenge, the Settlement Administrator shall decide.

5.4 In the exercise of its duties outlined in this Agreement, the Settlement Administrator shall have the right to reasonably request additional information from the Parties or any Settlement Class Member.

6. TERMINATION OF SETTLEMENT.

6.1 Subject to Paragraphs 9.1-9.3 below, Defendant or the Class Representatives on behalf of the Settlement Class, shall have the right to terminate this Agreement by providing written notice of the election to do so ("Termination Notice") to all other Parties hereto within twenty-one (21) days of any of the following events: (i) the Court's refusal to grant Preliminary Approval of this Agreement in any material respect; (ii) the Court's refusal to grant final approval

of this Agreement in any material respect; (iii) the Court's refusal to enter the Final Judgment in this Action in any material respect; (iv) the date upon which the Final Judgment is modified or reversed in any material respect by the Appellate Court or the Supreme Court; or (v) the date upon which an Alternative Judgment, as defined in Paragraph 9.1(d) of this Agreement is modified or reversed in any material respect by the Appellate Court or the Supreme Court.

6.2 Subject to Paragraphs 9.1-9.3 below, Defendant shall have the right, but not the obligation, in its sole discretion, to terminate this Agreement by providing written notice to Class Counsel within ten (10) days after the last day on which Settlement Class Members may submit a Request for Exclusion if more than one hundred (100) people of the total Settlement Class Members exercise their right to opt out of the Settlement.

6.3 The Parties agree that the Court's failure to approve, in whole or in part, the attorneys' fees payment to Class Counsel and/or the Incentive Award set forth in Paragraph 8 below shall not prevent the Agreement from becoming effective, nor shall it be grounds for termination. The procedures for any application for approval of attorneys' fees, expenses, or Incentive Award are to be considered by the Court separately from the Court's consideration of the fairness, reasonableness and adequacy of the Settlement.

7. PRELIMINARY APPROVAL ORDER AND FINAL APPROVAL ORDER.

7.1 Promptly after the execution of this Settlement Agreement, Class Counsel shall submit this Agreement together with its Exhibits to the Court and shall move the Court for Preliminary Approval of the settlement set forth in this Agreement; certification of the Settlement Class for settlement purposes only; appointment of Class Counsel and the Class Representatives; and entry of a Preliminary Approval Order, which order shall set a Final Approval Hearing date and approve the Notice and Claim Form for dissemination substantially in the form of **Exhibits A, B, C, and D** hereto. The Preliminary Approval Order shall also authorize the Parties, without

further approval from the Court, to agree to and adopt such amendments, modifications and expansions of the Settlement Agreement and its implementing documents (including all exhibits to this Agreement) so long as they are consistent in all material respects with the terms of the Settlement Agreement and do not limit or impair the rights of the Settlement Class.

7.2 Defendant's agreement to certification of the Settlement Class is solely for purposes of effectuating the Settlement and no other purpose. Defendant retains all of its objections, arguments, and defenses with respect to class certification and any other issue, and reserve all rights to contest class certification and any other issue if the Settlement set out in this Agreement does not result in entry of the Final Approval Order and Final Judgment, if the Court's approval is reversed or vacated on appeal, if this Settlement is terminated as provided herein, or if the Settlement set forth in this Settlement Agreement otherwise fails to become effective. The Parties acknowledge that there has been no stipulation to any classes or certification of any classes for any purpose other than effectuating the Settlement, and that if the Settlement set forth in this Settlement Agreement is not finally approved, if the Court's approval is reversed or vacated on appeal, if this Settlement Agreement is terminated as provided herein, or if the Settlement set forth in this Settlement Agreement otherwise fails to become effective, this agreement as to certification of the Settlement Class becomes null and void ab initio, and this Settlement Agreement or any other settlement-related statement may not be cited regarding certification of the Settlement Class, or in support of an argument for certifying any class for any purpose related to this Action or any other proceeding.

7.3 At the time of the submission of this Agreement to the Court as described above, Class Counsel shall request that, after Notice is given, the Court hold a Final Approval Hearing and approve the settlement of the Action as set forth herein.

7.4 After Notice is given, the Parties shall request and seek to obtain from the Court a Final Judgment, which will (among other things):

(a) find that the Court has personal jurisdiction over all Settlement Class Members and that the Court has subject matter jurisdiction to approve the Agreement, including all exhibits thereto;

(b) approve the Settlement Agreement and the proposed settlement as fair, reasonable, and adequate as to, and in the best interests of, the Settlement Class Members; direct the Parties and their counsel to implement and consummate the Agreement according to its terms and provisions; and declare the Agreement to be binding on, and have *res judicata* and preclusive effect in all pending and future lawsuits or other proceedings maintained by or on behalf of Plaintiffs, the Settlement Class, and Releasing Parties;

(c) find that the Notice implemented pursuant to the Agreement (1) constitutes the best practicable notice under the circumstances; (2) constitutes notice that is reasonably calculated, under the circumstances, to apprise the Settlement Class of the pendency of the Action, their right to object to or exclude themselves from the proposed Agreement, and to appear at the Final Approval Hearing; (3) is reasonable and constitutes due, adequate, and sufficient notice to all persons entitled to receive notice; and (4) meets all applicable requirements of the Indiana Rules of Civil Procedure, the Due Process Clause of the United States and Indiana Constitutions, and the rules of the Court;

(d) find that the Class Representatives and Class Counsel adequately represent the Settlement Class for purposes of entering into and implementing the Agreement;

(e) dismiss the Action (including all individual claims and Settlement Class Claims presented thereby) on the merits and with prejudice, without fees or costs to any party except as provided in the Settlement Agreement;

(f) incorporate the Release set forth above, make the Release effective as of the date of the Effective Date, and forever discharge the Released Parties as set forth herein;

(g) permanently bar and enjoin all Settlement Class Members who have not been properly excluded from the respective Settlement Class from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in, any lawsuit or other action in any jurisdiction based on the Released Claims;

(h) without affecting the finality of the Final Judgment for purposes of appeal, retain jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and the Final Judgment, and for any other necessary purpose; and

(i) incorporate any other provisions, as the Court deems necessary and just.

8. CLASS COUNSEL’S ATTORNEYS’ FEES AND REIMBURSEMENT OF EXPENSES; INCENTIVE AWARD.

8.1 Class Counsel may receive, subject to Court approval, attorneys’ fees, costs, and expenses not to exceed five hundred and seven thousand, four hundred and ninety-three dollars and ten cents (\$507,493.10). Class Counsel will petition the Court for an award of such attorneys’ fees no later than fourteen (14) days before the Objection Deadline, and Defendant agrees to not object to or otherwise challenge, directly or indirectly, Class Counsel’s petition for reasonable attorneys’ fees and for reimbursement of costs and expenses if limited to the amount set forth in this Paragraph. Class Counsel, in turn, agrees to seek no more than the amount set forth in this Paragraph from the Court in attorneys’ fees and for reimbursement of costs and expenses.

8.2 The Fee Award shall be payable within fourteen (14) days after the Final Approval Order is signed by the Court. At least thirty (30) days prior to the Final Approval Hearing, Class Counsel will provide all payment routing information and tax I.D. numbers for Class Counsel. Payment of the Fee Award shall be made by the Defendant by wire transfer to Class Counsel in

accordance with the instructions to be jointly provided by Class Counsel, after completion of necessary forms by Class Counsel, including but not limited to properly completed and duly executed IRS Form W-9, along with any other necessary forms. Notwithstanding the foregoing, if for any reason the Final Judgment is reversed or rendered void as a result of an appeal(s), then any Persons or firms who shall have received the funds shall be severally liable for payments made pursuant to this subparagraph, and shall return such funds to the Defendant.

8.3 Subject to Court approval, the Plaintiffs may be paid an Incentive Award by the Defendant, in addition to any settlement payment as a result of an Approved Claim pursuant to this Agreement, and in recognition of their efforts on behalf of the Settlement Class. Plaintiff may request an incentive award of \$3,500.00. Defendant will not object to or otherwise challenge, directly or indirectly, Class Counsel's application for the Incentive Award to the Class Representatives if limited to this amount. Class Counsel, in turn, agrees to seek no more than this amount from the Court as an Incentive Award for the Class Representatives. Such award will be paid by Defendant (in the form of a check to the Class Representatives that is sent in care of Class Counsel) within fourteen (14) days after the Final Approval Order is signed by the Court.

9. CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION OR TERMINATION.

9.1 The Effective Date of this Settlement Agreement shall not occur unless and until each of the following events occurs and shall be the date upon which the last (in time) of the following events occurs:

- (a) The Parties and their counsel have executed this Agreement;
- (b) The Court has entered the Preliminary Approval Order;
- (c) The Court has entered an order finally approving the Agreement, following Notice to the Settlement Class, and has entered the Final Judgment, or a judgment consistent with this Agreement in all material respects; and

(d) The time to appeal has been exhausted and Judgment has become Final, as defined above, or, in the event that the Court enters an order and final judgment in a form other than that provided above (“Alternative Judgment”) and that has the consent of the Parties, such Alternative Judgment becomes Final.

9.2 If some or all of the conditions specified in Paragraph 9.1 are not met, or in the event that this Agreement is not approved by the Court, or the settlement set forth in this Agreement is terminated or fails to become effective in accordance with its terms, then this Settlement Agreement shall be canceled and terminated subject to Paragraph 6.1 unless Class Counsel and Defendant’s Counsel mutually agree in writing to proceed with this Agreement. If any Party is in material breach of the terms hereof, and fails to cure such material breach within thirty (30) days of notice, any other Party, provided that it is in substantial compliance with the terms of this Agreement, may terminate this Agreement on notice to all of the Settling Parties.

9.3 If this Agreement is terminated or fails to become effective for the reasons set forth in Paragraphs 6.1 and 9.1-9.2 above, the Parties shall be restored to their respective positions in the Action as of the date of the signing of this Agreement. In such event, any Final Judgment or other order entered by the Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*, and the Parties shall be returned to the *status quo ante* with respect to the Action as if this Agreement had never been entered into.

10. MISCELLANEOUS PROVISIONS.

10.1 The Parties (a) acknowledge that it is their intent to consummate this Settlement Agreement; and (b) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement, to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Agreement, to secure final approval, and to defend the Final Judgment through

any and all appeals. Class Counsel and Defendant's Counsel agree to cooperate with one another in seeking Court approval of the Settlement Agreement, entry of the Preliminary Approval Order, and the Final Judgment, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Agreement.

10.2 The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiffs, the Settlement Class and each or any of them against the Released Parties.

10.3 The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully the above and foregoing agreement and have been fully advised as to the legal effect thereof by counsel of their own selection and intend to be legally bound by the same.

10.4 Whether or not the Effective Date occurs or the Settlement Agreement is terminated, neither this Agreement nor the Settlement contained herein, nor any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement:

(a) is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them, as an admission, concession or evidence of, the validity of any Released Claims, the truth of any fact alleged by the Plaintiff, the deficiency of any defense that has been or could have been asserted in the Action, the violation of any law or statute, the reasonableness of the settlement amount or the Fee Award, or of any alleged wrongdoing, liability, negligence, or fault of the Released Parties, or any of them;

(b) is, may be deemed, or shall be used, offered or received against Defendant, as an admission, concession or evidence of any fault, misrepresentation or omission with respect to any statement or written document approved or made by the Released Parties, or any of them;

(c) is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them, as an admission or concession with respect to any liability, negligence, fault or wrongdoing as against any Released Parties, in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. However, the Settlement, this Agreement, and any acts performed and/or documents executed in furtherance of or pursuant to this Agreement and/or Settlement may be used in any proceedings as may be necessary to effectuate the provisions of this Agreement. Further, if this Settlement Agreement is approved by the Court, any Party or any of the Released Parties may file this Agreement and/or the Final Judgment in any action that may be brought against such Party or Parties in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim;

(d) is, may be deemed, or shall be construed against Plaintiffs, the Settlement Class, the Releasing Parties, or each or any of them, or against the Released Parties, or each or any of them, as an admission or concession that the consideration to be given hereunder represents an amount equal to, less than or greater than that amount that could have or would have been recovered after trial; and

(e) is, may be deemed, or shall be construed as or received in evidence as an admission or concession against Plaintiffs, the Settlement Class, the Releasing Parties, or each and any of them, or against the Released Parties, or each or any of them, that any of Plaintiffs' claims are with or without merit or that damages recoverable in the Action would have exceeded or would have been less than any particular amount.

10.5 The headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

10.6 The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any other prior or subsequent breaches of this Agreement.

10.7 All of the Exhibits to this Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

10.8 This Agreement and its Exhibits set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein, and supersede all prior negotiations, agreements, arrangements and undertakings with respect to the matters set forth herein. No representations, warranties or inducements have been made to any Party concerning this Settlement Agreement or its Exhibits other than the representations, warranties and covenants contained and memorialized in such documents. This Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

10.9 Except as otherwise provided herein, each Party shall bear its own costs.

10.10 Plaintiffs represent and warrant that they have not assigned any claim or right or interest therein as against the Released Parties to any other Person or Party and that they are fully entitled to release the same.

10.11 Each counsel or other Person executing this Settlement Agreement, any of its Exhibits, or any related settlement documents on behalf of any Party hereto, hereby warrants and represents that such Person has the full authority to do so and has the authority to take appropriate action required or permitted to be taken pursuant to the Agreement to effectuate its terms. Class Counsel in particular warrants that they are authorized to execute this Settlement Agreement on behalf of Plaintiffs and the Settlement Class (subject to final approval by the Court after notice to all Settlement Class Members), and that all actions necessary for the execution of this Settlement Agreement have been taken.

10.12 This Agreement may be executed in one or more counterparts. Signature by digital means, facsimile, or in PDF format will constitute sufficient execution of this Agreement. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court if the Court so requests.

10.13 This Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto and the Released Parties.

10.14 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Agreement, and all Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the Settlement embodied in this Agreement.

10.15 This Settlement Agreement shall be governed by and construed in accordance with the laws of the State of Indiana.

10.16 This Agreement is deemed to have been prepared by counsel for all Parties, as a result of arm's-length negotiations among the Parties. Because all Parties have contributed substantially and materially to the preparation of this Agreement, it shall not be construed more strictly against one Party than another.

10.17 Where this Agreement requires notice to the Parties, such notice shall be sent to the undersigned counsel: Lynn Toops and Amina Thomas, CohenMalad, LLP, One Indiana Square, Suite 1400, Indianapolis, Indiana, 46204, J.
