

## SETTLEMENT AGREEMENT

This Settlement Agreement is made and entered into by and among the following Settling Parties (as defined below): Winters Pork on behalf of her minor child, K.J.<sup>1</sup>, Crystal Richardson on behalf of her minor child, K.M., Andrew Mathiesen on behalf of his three minor children, L.M., K.M., and N.M., and Vinny Stephens (collectively, “Plaintiffs”), individually and on behalf of the Settlement Class (as defined below), by and through their counsel of record (Proposed Settlement Class Counsel, as defined below), and Fraser Child and Family Center (“Fraser” or “Defendant”) (together with Plaintiffs, the “Settling Parties” or “Parties”), by and through its counsel of record, Paulyne A. Gardner of Mullen Coughlin, LLC. The Settlement Agreement (as defined below) is subject to Court approval and is intended by the Settling Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims (as defined below), upon and subject to the terms and conditions hereof.

### **I. THE LITIGATION**

Plaintiffs allege that between May 30, 2024 and June 2, 2024, cybercriminals breached Fraser’s computer and information systems and accessed or may have accessed current and former patients’ highly personal information, including names, Social Security numbers, dates of birth, and address, (“personally identifying information” or “PII”), as well as medical information (“protected health information” or “PHI”) (the “Data Incident”).

---

<sup>1</sup> As Plaintiffs K.J., K.M., L.M., K.M., and N.M. are minors, Plaintiffs’ counsel will separately share their identities and certain agreed upon information for purposes of identifying them with Fraser’s counsel. Should they bring a future claim or take any other action in contravention of the terms of this Agreement, Fraser shall be entitled to utilize this Agreement and the information received regarding their identity(s) provided by Plaintiff’s counsel to seek all relief Fraser is entitled to under this Agreement. In such an instance Fraser shall not be required to protect the minor Plaintiffs’ identity(s).

Fraser discovered this intrusion on June 2, 2024. On or about September 26, 2024, Fraser sent written notice of the Data Incident to affected individuals, which Fraser estimates to be 64,127 individuals.

On August 22, 2024, Plaintiff Winters Pork on behalf of her minor child, K.J. (“Pork”) filed a putative class action complaint against Fraser concerning the Data Incident. Shortly after, Plaintiffs Crystal Richardson on behalf of her minor child, K.M., Andrew Mathiesen on behalf of his three minor children, L.M., K.M., and N.M., and Vinny Stephens filed their respective complaints and on October 8, 2024 the Court consolidated these matters into the instant action.

On January 17, 2025 Defendant filed its Motion to Dismiss, and shortly thereafter the Parties began to explore the possibility of early resolution of this matter. The Parties agreed to attend a full-day mediation on May 6, 2025, before Hon. David E. Jones (Ret.) of Resolute Systems, LLC. Prior to the mediation, the parties engaged, in an informal exchange of information and documents, information relating to the Settlement Class Members’ state of residence, the facts and circumstances of the Data Incident and Fraser’s response thereto, and the changes and improvements that have been made or are being made to further protect Settlement Class Members’ Private Information. The parties also presented their positions and arguments in confidential submissions to the mediator. At the end of a full day mediation, the Parties were eventually able to reach agreement on a settlement. This accepted settlement is memorialized in this agreement (“Settlement Agreement”).

Pursuant to the terms set out below, this Settlement Agreement provides for the resolution of all claims and causes of action asserted, or that could have been asserted, against Fraser and the Released Persons (as defined below) relating to the Data Incident, by and on behalf of Representative Plaintiffs and the Settlement Class (as defined below).

## **II. CLAIMS OF REPRESENTATIVE PLAINTIFFS AND BENEFITS OF SETTLING**

Plaintiffs believe the claims asserted in the Litigation, as set forth in their complaints, have merit. Plaintiffs and Proposed Settlement Class Counsel recognize and acknowledge, however, the expense and length of continued proceedings necessary to prosecute the Litigation against Fraser through motions practice, trial, and potential appeals. Plaintiffs have also considered the uncertain outcome and risk of further litigation, as well as the difficulties and delays inherent in such litigation, especially in complex class actions. Proposed Settlement Class Counsel are highly experienced in class action litigation and knowledgeable regarding the relevant claims, remedies, and defenses at issue generally in such litigation and in this Litigation. Proposed Settlement Class Counsel have determined that the settlement set forth in this Settlement Agreement is fair, reasonable, and adequate, and in the best interests of the Settlement Class.

## **III. DENIAL OF WRONGDOING AND LIABILITY**

Fraser denies each and all of the claims and contentions alleged against it in the Litigation. Fraser denies all charges of wrongdoing or liability as alleged, or which could be alleged, in the Litigation. Nonetheless, Fraser has concluded that further conduct of the Litigation would be protracted and expensive, and that it is desirable that the Litigation be fully and finally settled in the manner and upon the terms and conditions set forth in this Settlement Agreement. Fraser has considered the uncertainty and risks inherent in any litigation. Fraser has, therefore, determined that it is desirable and beneficial that the Litigation be settled in the manner and upon the terms and conditions set forth in this Settlement Agreement.
