**ORDER GRANTING PLAINTIFF'S UNOPPOSED MOTION FOR
PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT**

Before the Court is Plaintiffs' and proposed Class Representatives' Jacob Cygan Gilmore, Jennifer Dyer, Joseph Earnhardt, Brynne Lander, and Monika Lavigne ("Class Representatives"), Unopposed Motion for Preliminary Approval of Class Action Settlement (the "Motion"), the terms of which are set forth in a Settlement Agreement with accompanying exhibits attached to the Motion (the "Settlement Agreement").¹ Having fully considered the issue, the Court hereby GRANTS the Motion and ORDERS as follows:

1. **Class Certification for Settlement Purposes Only.** The Settlement Agreement provides for a Settlement Class defined as follows:

¹ All defined terms herein have the same meaning as set forth in the Settlement Agreement.

all individuals, or their respective successors or assigns, who reside in the United States and whose Private Information was impacted by the Security Incident.

Pursuant to Maine Rule of Civil Procedure 23(e), the Court finds that giving notice is justified. The Court finds that it will likely be able to approve the proposed Settlement as fair, reasonable, and adequate. The Court also finds that it will likely be able to certify the Settlement Class for purposes of judgment on the Settlement because they meet all of the requirements of Rule 23(a) and the requirements of Rule 23(b)(3). Specifically, the Court finds for settlement purposes that: a) the Settlement Class is so numerous that joinder of all Settlement Class Members would be impracticable; b) there are questions of law and fact that are common to the Settlement Class; c) the claims of the Class Representatives are typical of and arise from the same operative facts and the Class Representatives seek similar relief as the claims of the Settlement Class Members; d) the Class Representatives will fairly and adequately protect the interests of the Settlement Class as the Class Representatives have no interest antagonistic to or in conflict with the Settlement Class and have retained experienced and competent counsel to prosecute this Litigation on behalf of the Settlement Class; e) questions of law or fact common to Settlement Class Members predominate over any questions affecting only individual members; and f) a class action and class settlement is superior to other methods available for a fair and efficient resolution of this Litigation.

2. **Settlement Class Representatives and Settlement Class Counsel.** The Court finds that Jacob Cygan Gilmore, Jennifer Dyer, Joseph Earnhardt, Brynne Lander, and Monika Lavigne should be appointed as Settlement Class Representatives. Additionally, the Court finds that Milberg Coleman Bryson Phillips Grossman, PLLC, should be appointed as Class Counsel.

3. **Preliminary Settlement Approval.** Upon preliminary review, the Court finds the Settlement is fair, reasonable, and adequate to warrant providing Notice of Settlement to the

Settlement Class and accordingly is preliminarily approved. In making this determination, the Court has considered the monetary and non-monetary benefits provided to the Settlement Class through the Settlement, the specific risks faced by the Settlement Class in prevailing on their claims, the stage of the proceedings at which the Settlement was reached and the discovery that was conducted, the effectiveness of the proposed method for distributing relief to the Settlement Class, the proposed manner of allocating benefits to Settlement Class Members, and all of the other factors required by Rule 23.

5. **Final Approval Hearing.** A Final Approval Hearing shall be held on Mar 20th 2026, 2025, at the Superior Court of Cumberland County, Maine, Courtroom TBD [or via telephone or videoconference] at 1:00 pm to determine, among other things, whether: (a) this Litigation should be finally certified as a class action for settlement purposes pursuant to Maine Rule 23(a) and (b)(3); (b) the Settlement should be approved as fair, reasonable and adequate, and finally approved; (c) this Litigation should be dismissed with prejudice pursuant to the terms of the Settlement Agreement; (d) Settlement Class Members should be bound by the releases set forth in the Settlement Agreement; (e) the application of Settlement Class Counsel for an award of Attorneys' Fees, Costs, and Expenses should be approved; and (f) the application of the Settlement Class Representatives for Service Awards should be approved.

6. **Settlement Administrator.** The Court appoints Atticus Administration, LLC as the Settlement Administrator, with responsibility for class notice and claims administration. The Settlement Administrator is directed to perform all tasks the Settlement Agreement requires. The Settlement Administrator's fees will be paid pursuant to the terms of the Settlement Agreement.

7. **Notice.** The proposed Notice Plan set forth in the Settlement Agreement and the Notices and Claim Form attached to the Settlement Agreement as Exhibits are hereby approved.

Non-material modifications to these Exhibits may be made with approval by the parties but without further order of the Court.

8. **Findings Concerning Notice.** The Court finds that the proposed form, content, and method of giving Notice to the Settlement Class as described in the Notice Plan and the Settlement Agreement and its Exhibits: (a) will constitute the best practicable notice to the Settlement Class; (b) are reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the Litigation, the terms of the proposed Settlement, and their rights under the proposed Settlement, including but not limited to their rights to object to or exclude themselves from the proposed Settlement and other rights under the terms of the Settlement Agreement; (c) are reasonable and constitute due, adequate, and sufficient notice to all Settlement Class Members and other persons entitled to receive notice; (d) meet all applicable requirements of law, including Maine Rule 23, and the Due Process Clause(s) of the United States Constitution and the Maine Constitution. The Court further finds that the Notice is written in plain language, uses simple terminology, and is designed to be readily understandable by Settlement Class Members.

The Settlement Administrator is directed to carry out the Notice in conformance with the Settlement Agreement.

10. **Exclusion from Class.** Any Settlement Class Member who wishes to be excluded from the Settlement Class must sign and timely submit written notice of such intent to the Settlement Administrator. The Request for Exclusion must include the name of the proceeding, the individual's full name, current address, personal signature, and the words "Request for Exclusion" or a comparable statement that the individual does not wish to participate in the Settlement at the top of the communication. Such opt-out Requests for Exclusion must meet the Opt-Out Deadline established by this Order and stated in the Notice.

Within 7 days after the Opt-Out Deadline, the Settlement Administrator shall provide the Settling Parties with a complete and final list of all Opt-Outs who have timely and validly excluded themselves from the Settlement Class and, upon request, copies of all completed Requests for Exclusions.

If the final Judgment and Order of Dismissal is entered, any Settlement Class Member who has not submitted a timely, valid written Opt-Out Request for Exclusion from the Settlement Class shall be bound by all subsequent proceedings, orders, and judgments in this Litigation, including but not limited to the release set forth in the Final Judgment and Order of Dismissal. Settlement Class Members who submit valid and timely Opt-Out Requests for Exclusion shall not be entitled to receive any benefits from the Settlement.

11. **Objections and Appearances.** A Settlement Class Member who does not file a valid and timely Request for Exclusion may file with the Court and mail to the Settlement Administrator a notice of intent to object to the Class Settlement Agreement. The Long Notice shall instruct Settlement Class Members who wish to object to the Agreement to file their objection with the Court. The Notice shall make clear that the Court can only approve or deny the Class Settlement Agreement and cannot change the terms. The Notice shall advise Settlement Class Members of the deadline for submission of any objections. Any such notices of an intent to object to the Class Settlement Agreement must be written and must include all of the following: (i) the name of the proceedings; (ii) the Settlement Class Member's full name, current mailing address, and telephone number; (iii) a statement that states with specificity the grounds for the objection, as well as any documents supporting the objection; (iv) a statement as to whether the objection applies only to the objector, to a specific subset of the Settlement Class, or to the entire Settlement Class; (v) the identity of any attorneys representing the objector; (vi) a statement regarding whether the

Settlement Class Member (or his/her attorney) intends to appear at the Final Approval Hearing; (vii) a list of all other matters in which the objecting Settlement Class Member and/or his/her attorney has lodged an objection to a class action settlement; and (viii) the signature of the Settlement Class Member or the Settlement Class Member's attorney. To be timely, written notice of an objection in the appropriate form must be filed or postmarked no later than the Objection Deadline.

Any Settlement Class Member who fails to comply with the provisions in this Order will waive and forfeit any and all rights they may have to object, will have their objection stricken from the record, and will lose their rights to appeal from approval of the Settlement. Any such Settlement Class Member also shall be bound by all subsequent proceedings, orders, and judgments in this Litigation, including but not limited to the release set forth in the Final Judgment and Order of Dismissal if entered.

12. **Claims Process.** Settlement Class Counsel and Defendant have created a process for Settlement Class Members to claim benefits under the Settlement. The Court preliminarily approves this process and directs the Settlement Administrator to make the Claim Form or its substantial equivalent available to Settlement Class Members in the manner specified in the Notice.

The Settlement Administrator will be responsible for effectuating the claims process.

Settlement Class Members who qualify for and wish to submit a Claim Form shall do so in accordance with the requirement and procedures specified in the Notice and the Claim Form. If the Final Judgment and Order of Dismissal is entered, all Settlement Class Members who qualify for any benefit under the Settlement but fail to submit a claim in accordance with the requirements and procedures specified in the Notice and the Claim Form shall be forever barred from receiving

any such benefit, but will in all other respects be subject to and bound by the provisions in the Final Judgment and Order of Dismissal, including the release.

13. **Termination of Settlement.** This Order shall become null and void and shall be without prejudice to the rights of the parties, all of whom shall be restored to their respective positions existing before the Court entered this Order and before they entered the Settlement Agreement, if: (a) the Court does not enter this Preliminary Approval Order; (b) Settlement is not finally approved by the Court or is terminated in accordance with the Settlement Agreement; or (c) there is no Effective Date. In such event, the Settlement and Settlement Agreement shall become null and void and be of no further force and effect, and neither the Settlement Agreement nor the Court's orders, including this Order, relating to the Settlement shall be used or referred to for any purpose whatsoever.

14. **Use of Order.** This Order shall be of no force or effect if the Final Judgment and Order of Dismissal is not entered or there is no Effective Date and shall not be construed or used as an admission, concession, or declaration by or against Defendant of any fault, wrongdoing, breach, or liability. Nor shall this Order be construed or used as an admission, concession, or declaration by or against the Representative Plaintiffs or any other Settlement Class Member that his or her claims lack merit or that the relief requested is inappropriate, improper, unavailable, or as a waiver by any party of any defense or claims they may have in this Litigation or in any other lawsuit.

15. **Continuance of Hearing.** The Court reserves the right to adjourn or continue the Final Approval Hearing and related deadlines without further written notice to the Settlement Class. If the Court alters any of those dates or times, the revised dates and times shall be posted on the Settlement Website maintained by the Settlement Administrator. The Court may approve the

Settlement, with such modifications as may be agreed upon by the parties, if appropriate, without further notice to the Settlement Class.

17. **Stay of Litigation.** All proceedings in the Litigation other than those related to approval of the Class Settlement Agreement are hereby stayed. Further, any actions brought by Settlement Class Members concerning the Released Claims are hereby enjoined and stayed pending Final Approval of the Class Settlement Agreement.
