Case 1:25-CV-107

Class Action

Judge Curtis L. Collier

SETTLEMENT AGREEMENT

This Settlement Agreement¹ is entered into between Plaintiffs, on behalf of themselves and the Settlement Class, and Defendant. The Parties hereby agree to the following terms in full settlement of the Action, subject to a Final Approval Order entered by the Court.

I. Procedural History

1. Defendant Lee University is a private Christian university based in Cleveland, Tennessee.

2. As part of its business, Defendant required Plaintiffs and Settlement Class Members to submit non-public personal information to Defendant. Defendant collected and stored this data on its computer systems in order to provide services to Plaintiffs and Class Members.

3. On or about March 22, 2024, an unknown threat actor gained access to Defendant's systems and obtained and exfiltrated the Private Information belonging to approximately 136,928 individuals.

¹ All capitalized terms herein shall have the same meanings as those defined in Section II herein.

4. In April of 2024, notorious ransomware gang “Medusa” claimed that it exfiltrated the Private Information of Plaintiffs and the Settlement Class Members from Defendant, stealing nearly 388 GB of data from Defendant and demanding \$1 million in ransom.

5. On March 25, 2025, Defendant began notifying the impacted individuals that their Private Information may have been impacted by the Data Breach.

6. On April 1, 2025, Plaintiff Michael Harris filed a complaint in this Court on behalf of a national class of people allegedly impacted in the Data Breach.

7. Thereafter, Defendant was named in six additional related putative class actions that were materially and substantively identical, that had overlapping claims, sought to represent the same putative class members, and arose out of the same Data Breach.

8. Thereafter, all Parties agreed to consolidate their actions and file applications for leadership.

9. The Court ultimately consolidated all actions into this Action and granted Plaintiffs’ counsels’ applications for leadership on July 24, 2025, appointing Andrew J. Shamis and J. Gerard Stranch, IV as Class Counsel.

10. On August 25, 2025, Plaintiffs filed their Consolidated Complaint alleging negligence, unjust enrichment, breach of implied contract, invasion of privacy, and declaratory/injunctive relief.

11. The Parties now agree to settle the Action (including all allegations made in the Related Actions) entirely, without any admission of liability or wrongdoing, with respect to all Released Claims of the Releasing Parties. Defendant has entered into this Agreement to resolve all controversies and disputes arising out of or relating to the allegations made in the Complaint, and to avoid the litigation costs and expenses, distractions, burden, expense, and disruption to their

business operations associated with further litigation. Defendant does not in any way acknowledge, admit to, or concede any of the allegations made in the Complaint, and expressly disclaims and denies any fault or liability, or any charges of wrongdoing that have been or could have been asserted in the Complaint. Nothing contained in this Agreement shall be used or construed as an admission of liability, and this Agreement shall not be offered or received in evidence in any action or proceeding in any court or other forum as an admission or concession of liability or wrongdoing of any nature or for any other purpose other than to enforce the terms of this Agreement. Plaintiffs have entered into this Agreement to recover on the claims asserted in the Complaint, and to avoid the risk, delay, and uncertainty of continued litigation. Plaintiffs do not in any way concede that the claims alleged in the Complaint lack merit or are subject to any defenses. The Parties intend this Agreement to bind Plaintiffs, Defendant, and all Settlement Class Members.

NOW, THEREFORE, in light of the foregoing, for good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree, subject to approval by the Court, as follows.

and is thus a Valid Claim. The Settlement Administrator shall examine the Claim Form before designating the Claim as a Valid Claim to determine that the information on the Claim Form is reasonably complete. The Settlement Administrator shall have the sole authority to determine whether a Claim by any Claimant is a Valid Claim.

93. The Settlement Administrator shall use all reasonable efforts and means to identify and reject duplicate claims. No Settlement Class Member may submit more than one Claim Form. The Settlement Administrator may, in its discretion, deny in whole or in part any Claim Form to prevent actual or possible fraud or abuse. By agreement, the Parties can instruct the Settlement Administrator to take whatever steps it deems appropriate if the Settlement Administrator identifies actual or possible fraud or abuse relating to the submission of claims, including, but not limited to, denying in whole or in part any Claim to prevent actual or possible fraud or abuse. If any fraud is detected or reasonably suspected, the Settlement Administrator and Parties may require information from Claimants or deny Claims, subject to the supervision of the Parties and ultimate oversight by the Court.

95. Claim Forms that do not meet the terms and conditions of this Settlement shall be promptly rejected by the Settlement Administrator and the Settlement Administrator shall advise the Claimant or Settlement Class Member of the reason(s) why the Claim Form was rejected.

However, if the Claim Form is rejected for containing incomplete or inaccurate information, and/or omitting required information, the Settlement Administrator may send a Notice of Deficiency explaining what information is missing or inaccurate and needed to validate the Claim and have it submitted for consideration. The Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. The additional information and/or documentation can include, for example, answers to questions regarding the validity of the Claimant's physical or e-signature. A Claimant shall have until the Claim Form Deadline, or 15 days from the date the Notice of Deficiency is sent to the Claimant via mail and postmarked or via email, whichever is later, to reply to the Notice of Deficiency and provide the required information. If the Claimant timely and adequately provides the requested information and/or documentation, the Claim shall be deemed a Valid Claim and processed by the Settlement Administrator. If the Claimant does not timely and completely provide the requested information and/or documentation, the Settlement Administrator shall reduce or deny the Claim unless Defendant and Class Counsel otherwise agree.

96. Where a good faith basis exists, the Settlement Administrator may reduce or reject a Claim for, among other reasons, the following:

- a. Failure to fully complete and/or sign the Claim Form;
- b. Illegible Claim Form;
- c. The Claim Form is fraudulent;
- d. The Claim Form is duplicative of another Claim Form;
- e. The Claimant is not a Settlement Class Member;
- f. The Claimant submitted a timely and valid request to opt out of the Settlement Class;
- g. The person submitting the Claim Form requests that payment be made to a

person or entity other than the Claimant for whom the Claim Form is submitted;

h. Failure to submit a Claim Form by the Claim Form Deadline; and/or

i. The Claim Form otherwise does not comply with the requirements of this

Settlement.

97. The Settlement Administrator's reduction or denial of a Claim is final, subject to the following dispute resolution procedures:

a. The Settlement Administrator shall have 30 days from the Claim Form Deadline to approve or reject Claims;

b. A request for additional information by sending a Notice of Deficiency shall not be considered a denial for purposes of this Paragraph;

c. If a Claim is rejected, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel and Defendant's Counsel shall be provided with copies of all such notifications to Claimants; and

d. The Settlement Administrator's determination as to whether to approve, deny, or reduce a Claim shall be final and binding.

98. The Settlement Administrator shall provide all information gathered in investigating Claims, including, but not limited to, copies of all correspondence and email and all notes of the Settlement Administrator, the decision reached, and all reasons supporting the decision, if requested by Class Counsel. Additionally, Class Counsel shall have the right to inspect the Claim Forms and supporting documentation received by the Settlement Administrator at any time upon reasonable notice.

99. No person or entity shall have any claim against Defendant, Defendant's Counsel, Plaintiffs, the Settlement Class, Class Counsel, and/or the Settlement Administrator based on any

eligibility determinations, distributions, or awards made in accordance with this Settlement.

100. Defendant and Defendant's Counsel shall have no responsibility for, interest in, or liability whatsoever with respect to: (i) any act, omission, or determination by Class Counsel, or the Settlement Administrator, or any of their respective designees or agents, in connection with the administration of the settlement or otherwise; (ii) the management, investment, or distribution of the Settlement Fund; (iii) the allocation of Cash Payments to Settlement Class Members or the implementation, administration, calculation or interpretation thereof; (iv) the determination, administration, calculation, or payment of any claims asserted against the Settlement Fund; (v) any losses suffered by, or fluctuations in value of, the Settlement Fund; or (vi) the payment, reporting, or withholding of any taxes, tax expenses, or costs incurred in connection with the taxation of the Settlement Fund or the filing of any federal, state, or local returns

101. The Settlement Administrator shall distribute the Settlement Class Member Benefits no later than 45 days after the Effective Date.

102. Cash Payments to Settlement Class Members will be made by electronic payment or by paper check, by sending Settlement Class Members with Valid Claims an email to select from alternative forms of electronic payment or by paper check. Settlement Class Members will have a period of 180 days to select their electronic payment. In the event of any complications arising in connection with the issuance of an electronic payment, the Settlement Administrator shall provide written notice to Class Counsel and Defendant's Counsel. Absent specific instructions from Class Counsel and Defendant's Counsel, the Settlement Administrator shall proceed to resolve the dispute using its best practices and procedures to ensure that the funds are fairly and properly distributed to the person or persons who are entitled to receive them. In the event the Settlement Administrator is unable to distribute funds to the person or persons entitled

to receive them due to incorrect or incomplete information provided to the Settlement Administrator, the funds shall become residual funds, and the Settlement Class Member shall forfeit their entitlement right to the funds.

103. The Settlement Administrator is responsible for ensuring that Settlement Class Members with Valid Claims for Credit Monitoring receive instructions on how to enroll in the Credit Monitoring.

X. Final Approval Order and Final Judgment

104. Plaintiffs shall file their Motion for Final Approval of the Settlement, inclusive of the Application for Attorneys' Fees, Costs, and Service Awards, no later than 45 days before the initial scheduled Final Approval Hearing. At the Final Approval Hearing, the Court will hear arguments on Plaintiffs' Motion for Final Approval of the Settlement and Application for Attorneys' Fees, Costs, and Service Awards. In the Court's discretion, the Court will also hear arguments at the Final Approval Hearing from any Settlement Class Members (or their counsel) who object to the Settlement and/or to the Application for Attorneys' Fees, Costs, and Service Awards, provided the objectors submitted timely objections that meet all of the requirements listed in this Agreement.

105. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order and final judgment thereon, and whether to grant the Application for Attorneys' Fees, Costs, and Service Awards. Such proposed Final Approval Order shall, among other things:

- a. Determine that the Settlement is fair, adequate and reasonable;
- b. Finally certify the Settlement Class for settlement purposes only;
- c. Determine that the Notice Program satisfies Due Process requirements;

d. Bar and enjoin all Releasing Parties from asserting or otherwise pursuing any of the Released Claims at any time and in any jurisdiction, including during any appeal from the Final Approval Order; and retain jurisdiction over the enforcement of the Court's injunctions;

e. Release Defendant and the other Released Parties from the Released Claims; and

f. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Agreement, including Defendant, Plaintiffs, all Settlement Class Members, and all objectors, to administer, supervise, construe, and enforce this Agreement in accordance with its terms.

XI. Service Awards, Attorneys' Fees and Costs

106. ***Service Awards*** – The Class Representatives may seek Service Awards of up to \$2,500.00 each, not to exceed \$17,500 in total for the seven (7) Class Representatives, subject to Court approval. The Service Awards approved by the Court shall be paid by the Settlement Administrator to Class Counsel on behalf of the Class Representatives out of the Escrow Account by wire transfer to an account designated by Class Counsel within 10 days of Final Approval.

107. ***Attorneys' Fees and Costs*** - Class Counsel shall apply to the Court for an award of attorneys' fees and costs in an amount not to exceed \$583,333.33 of the Settlement Fund. The attorneys' fees and cost awards approved by the Court shall be paid by the Settlement Administrator out of the Escrow Account by wire transfer to an account designated by Class Counsel within 10 days of Final Approval. Defendant agrees not to oppose Plaintiffs' Application for Attorneys' Fees, Costs, and Service Awards.

108. This Settlement is not contingent on approval of the request for attorneys' fees, costs or Service Awards, and if the Court denies the requests or grants amounts less than what were

requested, the remaining provisions of the Agreement shall remain in force. The provision for attorneys' fees and costs was negotiated after all material terms of the Settlement.

109. The award of attorneys' fees and costs shall be paid to Class Counsel from the Settlement Fund. Interim Class Counsel, in their sole discretion, and based on their good faith judgment as to the relative contributions of any other law firm representing one or more Plaintiffs in this Action, shall allocate and distribute the attorneys' fees and costs among themselves and any other Plaintiffs' counsel.

XII. Disposition of Residual Funds

110. In the event there are funds remaining in the Settlement Fund 20 days following a 180-day period to cash checks or for Settlement Class Members to select the form of electronic payment, following payment of Settlement Class Member Payments, any residual funds shall be distributed to an appropriate mutually agreeable *cy pres* recipient approved by the Court. The Parties agree to propose Legal Aid of East Tennessee as the *cy pres* recipient.

XIII. Releases

111. Upon the Effective Date, and in consideration of the settlement relief and other consideration described herein, the Releasing Parties shall be deemed to have, and by operation of the Final Approval Order shall have, fully, finally, completely, and unconditionally released, discharged, and acquitted Defendant and any of its past, present, and future affiliates, assigns, predecessors, subsidiaries, and successors, and its past, present, and future advisors, agents, attorneys, trustees, consultants, directors, employees, independent contractors, insurers, joint venturers, officers, owners, shareholders, partners, representatives, and trustees, and the assigns, predecessors, subsidiaries, and successors of each of them from any and all claims for relief that have been asserted, or could have been asserted, by any Settlement Class Member based on,

relating to, concerning, or arising out of the Data Breach and the allegations, circumstances, or facts described in the operative Complaint and the Action.

112. Settlement Class Members who opt-out of the Settlement prior to the Opt-Out Deadline do not release their claims and will not obtain any benefits, including any Settlement Class Member Benefit, under the Settlement.

113. Upon the Effective Date: (a) this Settlement shall be the exclusive remedy for any and all Released Claims of Plaintiffs and Settlement Class Members; and (b) Plaintiffs and Settlement Class Members stipulate to be and shall be permanently barred and enjoined by Court order from initiating, asserting, or prosecuting any Released Claim against the Released Parties, whether on behalf of Plaintiffs, any Settlement Class Member or others, in any jurisdiction, including in any federal, state, or local court or tribunal.

XIV. Termination of Settlement

114. This Agreement shall be subject to and is expressly conditioned on the occurrence of all of the following events:

- a. Court approval of the Settlement consideration set forth in Section V and the Releases set forth in Section XIII of this Agreement;
- b. The Court has entered the Preliminary Approval Order;
- c. The Court has entered the Final Approval Order, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and
- d. The Effective Date has occurred.

115. If any of the conditions specified in the preceding paragraph are not met, or if the Court otherwise imposes any modification to or condition to approval of the Settlement to which

the Parties do not consent, then this Agreement shall be cancelled and terminated, except that no order of the Court or modification or reversal or appeal of any order of the Court concerning the amounts of the service award payments or attorneys' fees and costs shall constitute grounds for cancellation or termination of the Agreement.

116. If, prior to the filing of the Final Approval Motion, Persons who otherwise would be members of the Settlement Class have timely requested exclusion from the Settlement Class in accordance with the provisions of the Notice, and such Persons in the aggregate constitute more than half of a percent (.5%) of the Settlement Class, Defendant shall have, in its sole and absolute discretion, the option to terminate this settlement by giving notice as set forth below.

117. In the event this Agreement is terminated or fails to become effective, all funds in the Settlement Fund shall be promptly returned to Defendant. However, Defendant shall have no right to seek from Plaintiffs, Class Counsel, or the Settlement Administrator the Settlement Administration Costs paid. After payment of any Settlement Administration Costs that have been incurred and are due to be paid from the Settlement Fund, the Settlement Administrator shall return the balance of the Settlement Fund to Defendant within 20 days of termination.

XV. Effect of Termination

118. The grounds upon which this Agreement may be terminated are set forth in Section XIV. In the event of a termination, this Agreement shall be considered null and void; all of Plaintiffs', Class Counsel's, Defendant's, and Defendant's Counsel's obligations under the Settlement shall cease to be of any force and effect; and the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement. In addition, in the event of such a termination, all of the Parties' respective pre-Settlement rights, claims, and defenses will be retained and preserved, and any order entered by this Court in accordance with the terms of this

Agreement shall be treated as vacated, *nunc pro tunc*.

119. In the event the Settlement is terminated in accordance with the provisions of this Agreement, any discussions, offers, or negotiations associated with this Settlement shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court.

XVI. No Admission of Liability

120. This Agreement reflects the Parties' compromise and settlement of disputed claims. This Agreement shall not be construed as or deemed to be evidence of an admission or concession of any point of fact or law. Defendant has denied and continues to deny each of the claims and contentions alleged in the Complaint. Defendant specifically denies that a class could or should be certified in the Action for litigation purposes. Defendant does not admit any liability or wrongdoing of any kind, by this Agreement or otherwise. Defendant has agreed to enter into this Agreement to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to be completely free of any further claims that were asserted or could possibly have been asserted in the Action.

121. Class Counsel believe the claims asserted in the Action have merit, and they have examined and considered the benefits to be obtained under the proposed Settlement set forth in this Agreement, the risks associated with the continued prosecution of this complex, costly, and time-consuming litigation, and the likelihood of success on the merits of the Action. Class Counsel have investigated the facts and law relevant to the merits of the claims, conducted informal discovery, and conducted independent investigation of the alleged claims. Class Counsel concluded that the proposed Settlement set forth in this Agreement is fair, adequate, reasonable,

and in the best interests of the Settlement Class Members.

122. This Agreement constitutes a compromise and settlement of disputed claims.

123. Neither the Settlement, nor any act performed or document executed pursuant to or in furtherance of the Settlement (a) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by the Plaintiffs or Settlement Class Members, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal.

124. In addition to any other defenses Defendant or the Released Parties may have at law, in equity, or otherwise, to the extent permitted by law, this Agreement may be pleaded as a full and complete defense to and may be used as the basis for an injunction against, any action, suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of this Agreement or the Releases contained herein.

XVII. Miscellaneous Provisions

125. ***Confidentiality.*** To the extent permitted by ethics rules, the Parties and their counsel shall keep confidential all settlement communications, including communications regarding the negotiation and drafting of this Agreement. The Parties will not make any public statement about the settlement that has not been approved by the other side, except as required or authorized by law. Approval of any proposed public statement of the other side will not be unreasonably withheld. The Parties will cooperate with each other regarding public statements about the settlement and may issue a joint statement/press release if they mutually agree to do so. This paragraph shall not be construed to limit or impede the Notice requirements contained in this Agreement, nor shall this paragraph be construed to prevent Class Counsel or Defendant's Counsel

from notifying or explaining that the Action has settled or limit the representations that the Parties or their counsel may make to the Court to assist in the Court's evaluation of the Settlement, Preliminary Approval, Final Approval, and any objection to the Settlement's terms. Defendant may also provide information about the Settlement to their attorneys, members, partners, insurers, brokers, agents, and other persons or entities as required by securities laws or other applicable laws and regulations.

126. ***Gender and Plurals.*** As used in this Agreement, the masculine, feminine or neuter gender, and the singular or plural number, shall each be deemed to include the others whenever the context so indicates.

127. ***Binding Effect.*** This Agreement shall be binding upon, and inure to and for the benefit of, the successors and assigns of the Releasing Parties and the Released Parties.

128. ***Cooperation of Parties.*** The Parties to this Agreement agree to cooperate in good faith to prepare and execute all documents, seek Court approval, uphold Court approval, and do all things reasonably necessary to complete and effectuate the Settlement described in this Agreement.

129. ***Obligation to Meet and Confer.*** Before filing any motion in the Court raising a dispute arising out of or related to this Agreement, the Parties shall consult with each other and certify to the Court that they have met and conferred in an attempt to resolve the dispute.

130. ***Integration and No Reliance.*** This Agreement constitutes a single, integrated written contract expressing the entire agreement of the Parties relative to the subject matter hereof. This Agreement is executed without reliance on any covenant, agreement, representation, or warranty by any Party or any Party's representative other than those expressly set forth in this

Agreement. No covenants, agreements, representations, or warranties of any kind whatsoever have been made by any Party hereto, except as provided for herein.

131. **No Conflict Intended.** Any inconsistency between the headings used in this Agreement and the text of the paragraphs of this Agreement shall be resolved in favor of the text.

132. **Governing Law.** Except as otherwise provided herein, the Agreement shall be construed in accordance with, and be governed by, the laws of the state of Tennessee, without regard to the principles thereof regarding choice of law.

133. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, even though all Parties do not sign the same counterparts. Original signatures are not required.

134. **Jurisdiction.** The Court shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Agreement that cannot be resolved by negotiation and agreement by counsel for the Parties. The Court shall also retain jurisdiction over all questions and/or disputes related to the Notice Program and the Settlement Administrator. As part of the agreement to render services in connection with this Settlement, the Settlement Administrator shall consent to the jurisdiction of the Court for this purpose. The Court shall retain jurisdiction over the enforcement of the Court's injunction barring and enjoining all Releasing Parties from asserting any of the Released Claims and from pursuing any Released Claims against the Released Parties at any time and in any jurisdiction, including during any appeal from the Final Approval Order.

137. **No Waiver.** The waiver by any Party of any breach of this Agreement by another Party shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, of this Agreement.

138. **Authority.** Class Counsel (for the Plaintiffs and the Settlement Class Members), and Defendant's Counsel, represent and warrant that the persons signing this Agreement on their behalf have full power and authority to bind every person, partnership, corporation, or entity included within the definitions of Plaintiffs and Defendant respectively to all terms of this Agreement. Any person executing this Agreement in a representative capacity represents and warrants that he or she is fully authorized to do so and to bind the Party on whose behalf he or she signs this Agreement to all of the terms and provisions of this Agreement.

139. **Agreement Mutually Prepared.** Neither Plaintiffs nor Defendant shall be considered to be the drafter of this Agreement or any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement.

140. **Independent Investigation and Decision to Settle.** The Parties understand and acknowledge they: (a) have performed an independent investigation of the allegations of fact and law made in connection with this Action; and (b) that even if they may hereafter discover facts in addition to, or different from, those that they now know or believe to be true with respect to the subject matter of the Action as reflected in this Agreement, that will not affect or in any respect limit the binding nature of this Agreement. All Parties recognize and acknowledge they reviewed and analyzed data that they and their experts used to make certain determinations, arguments, and settlement positions. The Parties agree this Settlement is fair, reasonable, and adequate, and will not attempt to renegotiate or otherwise void or invalidate the Settlement irrespective of what any

unexamined data later shows. It is the Parties' intention to resolve their disputes in pursuant to the terms of this Agreement now. Thus, in furtherance of their intentions, the Agreement shall remain in full force and effect notwithstanding the discovery of any additional facts or law, or changes in law, and this Agreement shall not be subject to rescission or modification by reason of any changes or differences in facts or law, subsequently occurring or otherwise.

141. ***Receipt of Advice of Counsel.*** Each Party acknowledges, agrees, and specifically warrants that he, she, or it has fully read this Agreement and the Releases contained herein, received independent legal advice with respect to the advisability of entering into this Agreement and the Releases, and the legal effects of this Agreement and the Releases, and fully understands the effect of this Agreement and the Releases.

EXHIBIT 1

To:
From:
Subject: Lee University Data Breach Settlement

Were you notified that your Private Information may have been compromised in a Data Breach that Lee University experienced on or around March 22, 2024? A proposed class action settlement may affect your rights.

A Settlement has been reached with Lee University, the Defendant in a class action lawsuit about a cybersecurity incident that occurred on or around March 22, 2024 (the “Data Breach.”) Defendant denies all Plaintiffs’ claims and maintains that it did not do anything wrong.

Am I included? You are receiving this Notice because Defendant’s records identify you are included in the Settlement Class. The Settlement Class consists of all persons whose Private Information may have been compromised in the Data Breach that was discovered on or around March 22, 2024, including those who received notice of the Data Breach from Defendant.

What does the Settlement provide? If approved by the Court, Defendants will pay \$1,750,000 to resolve the Settlement.

The Settlement will provide one (1) year of one-bureau Credit Monitoring Services to all Settlement Class Members who submit a timely and Valid Claim for Credit Monitoring Services. Even if Settlement Class Members previously accepted the Defendant’s offer of complimentary Credit Monitoring Services, they may still claim this benefit.

The Settlement will also provide Cash Payments to people who submit timely and Valid Claim.

There are two types of payments that are available to Settlement Class Members:

- (1) Cash Payment A – Documented Losses which provides reimbursement of up to \$5,000 in out-of-pocket losses per claimant, subject to a *pro rata* (proportional) adjustment depending upon the number of Valid Claims; and
- (2) Cash Payment B – Cash Payment which consists of an estimated \$100 payment subject to a *pro rata* (proportional) adjustment depending upon the number of Valid Claims.

How do I get the Settlement Class Member Benefits? You must file a Claim Form online at [www.\[website\].com](http://www.[website].com), or print a Claim Form from the Settlement Website and mail it to the address on the form by **Month XX, 202X**.

What are my other options? If you do nothing, you will not receive any Settlement Class Member Benefits, you will remain a member of the Settlement Class and you will give up your rights to sue the Defendant for the claims resolved by this Settlement. If you do not want any Settlement Class Member Benefits but you want to keep your right to sue the Defendants for the claims resolved by this Settlement, you must opt out of the Settlement. If you do not opt out of the Settlement, you may object to it and ask the Court for permission to speak at the Final Approval Hearing. The Opt-Out and Objection Deadline under the Settlement is **Month XX, 202X**.

The Court's Final Approval Hearing. The Court will hold a hearing on **Month XX, 202X** << time ET>> to decide whether to approve the Settlement, up to \$583,333.33 in attorneys' fees and expenses and \$2,500 Service Award payments to each of the Class Representatives. If approved, these amounts will be paid from the Settlement Fund before calculating and distributing Settlement Class Member Benefits to Settlement Class Members who submit Valid Claims.

Want more information? Visit [www.\[website\].com](http://www.[website].com) for complete details about the Settlement and how to act on your rights and options, including how to file a Claim Form, object, and opt-out of the Settlement. You may also call **(xxx) xxx-xxxx** for more information.
