4. Statement of Claims

(State here as briefly as possible the facts of your case. Describe how each defendant violated your rights, giving dates and places. If you do not specify how each defendant violated your rights and the date(s) and place of the violations, your complaint may be dismissed. Include also the names of other persons who are involved, including dates and places. Do not give any legal arguments or cite any cases or statutes. If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. Use as much space as you need. Attach separate sheet if necessary).

On or around July 2016, the EMCF prison officials enforced a rule change without notice to the inmate population to discontinue use of the tablet adaptor or USB-cord. This forced the inmate population to purchase AA batteries at \$4.00 per pack. The Employees-Vendor/Contractor have been overcharging for the batteries and/or selling the inmate population batteries that only last for 4 hours to 2 days since 2016 approx. This violates the APA & the UCC.⁽¹⁾

On or around July 2016, prison officials and their employees-vendor/contractor began extorting money from the inmate populations to make money by excessive, arbitrary and unnecessarily requiring the purchase of a \$0.79 product by raising the cost to \$4.00. The adaptor, ^{or USB} cords pose no security threat and there are already multiple cords currently being used. (ie: Portable Radio, Cable, T.V., Headphone Cords, Flat Iron Cords) Indigent inmates have no funds to purchase batteries or music. No notice was given of the defects of the product or defects with the batteries.

On or around July 2016, the defendants abused their authority and enforced a new rule or policy allowing families to purchase the tablet, but denying the purchase of the music by the family.

The above acts are done through commissary purchases.

⁽¹⁾ APA= Administrative Procedures Act - Due Process and Rule making.

UCC=Uniform Commercial Code - Chapter 2 Sales.

CERTIFICATION IN SUPPORT OF

TO AUTHORIZE THE PETITION

The undersigned deponent, Golda D. Harris, Pro Se, being of full age, does appear and state in lieu of formal oath the following:

- (1) I am filing the complaint on behalf of myself and all others similarly situated for ^{the} relief stated in the complaint and listed on the petition.
- (2) The attached affidavit in support of the motion to file as within time and the circumstances involved are in support of the adversely affected class members.
- (3) The attached exhibit (a) is proof of the intent of the inmate population to sign the complaint and petition to join as members of the class action.
- (4) On 12/7/17, the EMCF administrator, Ms. Sarah Davis, denied the members permission to join the suit by denying the PRC's access to collect the signatures.
- (5) Even though the claims do not expire for some members, other members were delayed and/or were

Re: Certification In Support of Motion to File As Within Time

prevented from assembling to prepare the petition & complaint.

(6) This is beyond their control. The complaint and petition are being filed to protect their right to file the complaint prior to the 2 year expiration of their claims.

(7) The existing claims are directly related to all members of the class and the current claims are identical and relate back to the claims of all members.

(8) No other claims and/or relief are being requested in the complaint other than those listed, and to compel defendants to authorize the petitions signatures. (1a)

(9) The interest of justice would not be served if all those members affected adversely were not allowed an extension to file their claims as within time.

(10) The attached exhibit is a note sent to me by two or more anonymous members and is redacted for their protection against institutional disciplinary action. (1a)

AFFIDAVIT OF GOLDA D. HARRIS

I, Golda D. Harris, Pro Se, being duly sworn according to the law depose and say:

1. I am a plaintiff, pro se in the above captioned matter filing on behalf of myself and all others similarly situated.

2. That the underlying policy to bring a class-action suit is to make it possible for individuals with small claims to aggregate those claims in order to vindicate their rights for constitutional violation for relief, damages, reimbursement and/or injunctions against individuals, officials, private persons, entities and/or private parties contracted with the state to perform services for:

- i. the deprivation of rights and privileges secured by the U. S. Constitution and laws.
- ii. the creation of policy or customs that allowed a wrong to occur.
- iii. having knowledge of the wrong and did not stop it from occurring.
- iv. directly participated in the wrong.
- v. had reasonableness and foreseeability of the wrong/failed to take precautions.
- vi. were negligent, failed in their duty of care, breached of fiduciary duty and breach of contract.

Amchem Products, Inc. v. Windsor, 521 U.S. 591, 617, 117 S. Ct. 2231, 2246, 138 L. Ed. 2d. 689, 709 (1997)

3. On December 7, 2017, I met with Ms. Sarah Davis, Administrator at E.M.C.F. and she denied my request to have the enclosed complaint and petition signed by 1/3 of the inmate population. Her reason was that she wanted to check with others to see if there could be a resolution to the problems. The signature pages of the complaint and the signature petition pages are signed by me for myself and all others similarly situated of the entire inmate population to protect those whose claims will/would become time barred by the two (2) year deadline to file civil suit.

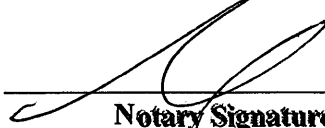

CERTIFICATION

I certify the statements made by me in my application for class-action certification are true. If the statements made by me are willfully false, I am subject to punishment.

NOTICE

(Evid. 8233)

Duty to Avoid Unnecessary Expenses of Serving a Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain defendants to cooperate in saving unnecessary expenses of serving a summons and complaint. A defendant who is located in the United States and who fails to return a signed waiver of service requested by a plaintiff located in the United States will be required to pay the expenses of service, unless the defendant shows good cause for the failure.

"Good cause" does not include a belief that the lawsuit is groundless, or that it has been brought in an improper venue, or that the court has no jurisdiction over this matter or over the defendant or the defendant's property.

If the waiver is signed and returned, you can still make these and all other defenses and objections, but you cannot object to the absence of a summons or of service.

If you waive service, then you must, within the time specified on the waiver form, serve an answer or a motion under Rule 12 on the plaintiff and file a copy with the court. By signing and returning the waiver form, you are allowed more time to respond than if a summons had been served.
