10. After arms-length negotiations between experienced counsel, the Parties were ultimately able to reach an agreement on the materials terms of the Settlement on December 11, 2025.

90. The Settlement Administrator shall exercise, in its discretion, all usual and customary steps to prevent fraud and abuse and take any reasonable steps to prevent fraud and abuse in the Claim process. A Claimant shall have until the Claim Form Deadline, or 15 days from the date the Notice of Deficiency is sent to the Claimant via mail and postmarked or via email, whichever is later, to reply to the Notice of Deficiency and provide the required information. If the Claimant timely and adequately provides the requested information and/or documentation, the Claim shall

be deemed a Valid Claim and processed by the Settlement Administrator. If the Claimant does not timely and completely provide the requested information and/or documentation, the Settlement Administrator shall reduce or deny the Claim unless Defendant and Class Counsel otherwise agree.

- f. The Claimant submitted a timely and valid request to opt-out;
- g. The person submitting the Claim Form requests that payment be made to a person or entity other than the Claimant for whom the Claim Form is submitted;
- h. Failure to submit a Claim Form by the Claim Form Deadline; and/or
- i. The Claim Form otherwise does not comply with this Settlement.

93. The Settlement Administrator's reduction or denial of a Claim is final, subject to the following dispute resolution procedures:

- a. The Settlement Administrator shall have 30 days from the Claim Form Deadline to approve or reject Claims.
- b. A request for additional information by sending a Notice of Deficiency shall not be considered a denial for purposes of this paragraph.
- c. If a Claim is rejected, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel and Defendant's

Counsel shall be provided with copies of all such notifications to Claimants.

d. The Settlement Administrator's determination as to whether to approve, deny, or reduce a Claim shall be final and binding.

94. The Settlement Administrator shall provide all information gathered in investigating Claims, including, but not limited to, copies of all correspondence and email and all notes of the Settlement Administrator, the decision reached, and all reasons supporting the decision, if requested by Class Counsel or Defendant's Counsel. Additionally, Class Counsel and Defendant's Counsel shall have the right to inspect the Claim Forms and supporting documentation received by the Settlement Administrator at any time upon reasonable notice.

95. No person or entity shall have any claim against Defendant, Defendant's Counsel, Plaintiffs, the Settlement Class, Class Counsel, and/or the Settlement Administrator based on any eligibility determinations, distributions, or awards made in accordance with this Settlement.

96. The Settlement Administrator must submit an invoice to Defendant for payment of all Valid Claims within five days of the Effective Date or as soon as all Claim deficiencies are resolved via the process set forth herein. Defendant shall pay or cause to be paid to the Settlement Administrator the invoiced amount of all Valid Claims within 30 days of the invoice.

97. No later than 60 days after the Claim Form Deadline, the Settlement Administrator shall distribute the Settlement Class Member Benefits.

98. Cash Payments to Settlement Class Members will be made by electronic payment or by paper check, by sending Settlement Class Members with Valid Claims an email to select from alternative forms of electronic payment or by paper check. Settlement Class Members will have a period of 90 days to select their form of payment following such email from the Settlement Administrator. Paper checks must be negotiated within 90 days of issuance. In the event of any

complications arising in connection with the issuance of an electronic payment, the Settlement Administrator shall provide written notice to Class Counsel and Defendant's Counsel. Absent specific instructions from Class Counsel and Defendant's Counsel, the Settlement Administrator shall proceed to resolve the dispute using its best practices and procedures to ensure that the funds are fairly and properly distributed to the person or persons who are entitled to receive them. In the event the Settlement Administrator is unable to distribute funds to the person or persons entitled to receive them due to incorrect or incomplete information provided to the Settlement Administrator, the funds shall revert to Defendant, and the Settlement Class Member shall forfeit their right to the funds.

**IX. Final Approval Order and Final Judgment**

99. Plaintiffs shall file the Motion for Final Approval of the Settlement, inclusive of the Application for Attorneys' Fees, Costs, and Service Award, no later than 45 days before the initial date set for the Final Approval Hearing. At the Final Approval Hearing, the Court will hear argument on Plaintiffs' Motion for Final Approval of the Settlement and Application for Attorneys' Fees, Costs and Service Award. In the Court's discretion, the Court will also hear argument at the Final Approval Hearing from any Settlement Class Members (or their counsel) who object to the Settlement and/or to the Application for Attorneys' Fees, Costs, and Service Award, provided the objectors submitted timely objections that meet all of the requirements listed in this Agreement.

100. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order and final judgment thereon, and whether to grant the Application for Attorneys' Fees, Costs, and Service Awards. Such proposed Final Approval Order shall, among other things:

- a. Determine that the Settlement is fair, adequate and reasonable;

- b. Finally certify the Settlement Class for settlement purposes only;
- c. Determine that the Notice Program satisfies Due Process requirements;
- d. Bar and enjoin all Releasing Parties from asserting or otherwise pursuing any of the Released Claims at any time and in any jurisdiction, including during any appeal from the Final Approval Order; and retain jurisdiction over the enforcement of the Court's injunctions;
- e. Release Defendant and the other Released Parties from the Released Claims; and
- f. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Agreement, including Defendant, Plaintiffs, all Settlement Class Members, and all objectors, to administer, supervise, construe, and enforce this Agreement in accordance with its terms.

**X. Service Awards, Attorneys' Fees, and Costs**

101. **Service Awards.** Class Counsel, on behalf of the Class Representatives, may seek Service Awards of up to \$4,000.00 each, subject to Court approval. The Service Award shall be payable separate from the Settlement Class Member Benefits. Defendant shall pay or cause to be paid the Court-approved Service Awards by check or wire transfer to an account designated by Class Counsel within 21 days of the Effective Date.

102. **Attorneys' Fees and Costs.** Class Counsel shall apply to the Court for an award of attorneys' fees and costs in the amount of \$185,000.00, to be paid by or on behalf of Defendant separate from Defendant's obligation to pay Settlement Administration Costs and the Settlement Class Member Benefits to Settlement Class Members. Defendant shall pay or cause to be paid the Court-approved Attorneys' Fees and Costs Payment by check or wire transfer to an account designated by Class Counsel within 21 days of the Effective Date.

103. This Settlement is not contingent on approval of the requests for the Attorneys' Fees and Costs Payment or Service Awards, and if the Court denies the request or grants amounts less than what was requested, the remaining provisions of the Agreement shall remain in force. The provisions for the Attorneys' Fees and Costs Payment and the Service Awards were not negotiated until after all material terms of the Settlement. Defendant agrees not to oppose the amounts requested for attorneys' fees and costs and Service Awards up to the amounts stated above.

#### **XI. Releases**

104. Upon the Effective Date, and in consideration of the settlement relief and other consideration described herein, the Releasing Parties shall be deemed to have, and by operation of the Final Approval Order shall have, fully, finally, and forever released, acquitted, relinquished, and completely discharged the Released Parties from any and all Released Claims, including but not limited to any state law or common law claims arising out of or relating to the Data Incident that the Releasing Parties may have or had, such as under California's Consumer Privacy Act, California Civil Code section 1798.100, *et seq.* and/or California's Unfair Competition Law, California Civil Code section 17200 *et seq.* Each Party expressly waives all rights under California Civil Code section 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Releasing Parties also waive the provisions and rights of any law(s) that are comparable in effect to California Civil Code section 1542 (including, without limitation, California Civil Code § 1798.80, *et seq.*, Montana Code Ann. § 28- 1-1602; North Dakota Cent. Code § 9-13-02; and South Dakota Codified Laws § 20-7-11). The Releasing Parties agree that, once this Agreement is

executed, they will not, directly or indirectly, individually or in concert with another, maintain, cause to be maintained, or voluntarily assist in maintaining any further demand, action, claim, lawsuit, arbitration, or similar proceeding, in any capacity whatsoever, against any of the Released Parties based on any of the Released Claims.

105. Settlement Class Members who opt-out of the Settlement prior to the Opt-Out Deadline do not release their individual claims and will not obtain any benefits, including any Settlement Class Member Benefit, under the Settlement.

106. Upon the Effective Date: (a) this Settlement shall be the exclusive remedy for any and all Released Claims of Plaintiffs and Settlement Class Members; and (b) Plaintiffs and Settlement Class Members stipulate to be and shall be permanently barred and enjoined by Court order from initiating, asserting, or prosecuting any Released Claim against the Released Parties, whether on behalf of Plaintiffs, any Settlement Class Member or others, in any jurisdiction, including in any federal, state, or local court or tribunal.

## **XII. Termination of Settlement**

107. This Agreement shall be subject to and is expressly conditioned on the occurrence of all of the following events:

- a. Court approval of the Settlement consideration and releases set forth herein;
- b. The Court has entered the Preliminary Approval Order;
- c. The Court has entered the Final Approval Order, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and
- d. The Effective Date has occurred.

108. If any of the conditions specified in the preceding paragraph are not met, or if the

Court otherwise imposes any modification to or condition to approval of the Settlement to which the Parties do not consent, then this Agreement shall be cancelled and terminated.

109. In the event this Agreement is terminated or fails to become effective, then the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement, and the Parties shall jointly file a status report in the Court seeking to reopen the Action and all papers filed. In such event, the terms and provisions of this Agreement shall have no further force and effect with respect to the Parties and shall not be used in this Action or in any other action or proceeding for any other purpose, and any order entered by this Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*.

### **XIII. Effect of Termination**

110. The grounds upon which this Agreement may be terminated are set forth in Section XII. In the event of a termination, this Agreement shall be considered null and void; all of Plaintiffs', Class Counsel's, Defendant's, and Defendant's Counsel's obligations under the Settlement shall cease to be of any force and effect; and the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement. In addition, in the event of such a termination, all of the Parties' respective pre-Settlement rights, claims, and defenses will be retained and preserved.

111. In the event the Settlement is terminated in accordance with the provisions of this Agreement, any discussions, offers, or negotiations associated with this Settlement shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court.

#### **XIV. No Admission of Liability**

112. This Agreement reflects the Parties' compromise and settlement of disputed claims. This Agreement shall not be construed as or deemed to be evidence of an admission or concession of any point of fact or law. Defendant has denied and continues to deny each of the claims and contentions alleged in the Complaint. Defendant specifically denies that a class could or should be certified in the Action for litigation purposes. Defendant does not admit any liability or wrongdoing of any kind, by this Agreement or otherwise. Defendant has agreed to enter into this Agreement to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to be completely free of any further claims that were asserted or could possibly have been asserted in the Action.

113. Class Counsel believe the claims asserted in the Action have merit, and they have examined and considered the benefits to be obtained under the proposed Settlement set forth in this Agreement, the risks associated with the continued prosecution of this complex, costly, and time-consuming litigation, and the likelihood of success on the merits of the Action. Class Counsel have investigated the facts and law relevant to the merits of the claims, conducted informal discovery, and conducted an independent investigation of the alleged claims. Class Counsel concluded that the proposed Settlement set forth in this Agreement is fair, adequate, reasonable, and in the best interests of the Settlement Class Members.

114. This Agreement constitutes a compromise and settlement of disputed claims. No action taken by the Parties in connection with the negotiations of this Agreement shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made, or an acknowledgment or admission by any Party of any fault, liability, or wrongdoing of any kind whatsoever.

115. Neither the Settlement, nor any act performed or document executed pursuant to or in furtherance of the Settlement (a) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by Plaintiffs or Settlement Class Members, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal.

116. In addition to any other defenses Defendant or the Released Parties may have at law, in equity, or otherwise, to the extent permitted by law, this Agreement may be pleaded as a full and complete defense to and may be used as the basis for an injunction against, any action, suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of this Agreement or the Releases contained herein.

125. ***Jurisdiction.*** The Court shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Agreement that cannot be resolved by negotiation and agreement by counsel for the Parties. The Court shall also retain jurisdiction over all questions and/or disputes related to the Notice Program and the Settlement Administrator. As part of the agreement to render services in connection with this Settlement, the Settlement Administrator shall consent to the jurisdiction of the Court for this purpose. The Court

## **BASIC INFORMATION**

### **1. Why was this Notice issued?**

A Court authorized this Notice because you have a right to know about the proposed Settlement of this class action and about all of your options before the Court decides whether to grant Final Approval of the Settlement. This Notice explains the Action, your legal rights, what benefits are available, and who can receive them.

The Action is called *Lencola Roberts v. Hire Velocity, LLC*, Case No. 26EV000358 pending in the State Court of Fulton County, Georgia. The people who filed this Action are called the “Plaintiffs” and the company they sued, Hire Velocity, LLC, is called the “Defendant.”

### **2. What is this Action about?**

On or about February 17, 2025, the Defendant became aware of a cybersecurity incident in which suspicious activity on its computer systems and network disrupted access to certain systems (the “Data Incident”). On or about April 15, 2025, the Defendant became aware that a third party may have unlawfully accessed certain files containing Private Information belonging to certain employees, contractors, and clients. This Private Information included first and last names and Social Security numbers. On or about May 16, 2025, the Defendant sent out notice letters to those individuals impacted by the Data Incident. The Action alleges claims of negligence, negligence *per se*, breach of implied contract, unjust enrichment, breach of confidence, and declaratory relief. The Defendant denies all of the Plaintiffs’ claims and maintains that it did not do anything wrong.

### **3. What is a class action?**

In a class action, one or more individuals sue on behalf of other people with similar claims. These individuals who sue are known as “Class Representatives” or Plaintiffs. Together, the people included in the class action are called a “Settlement Class” or “Settlement Class Members.” One court resolves the lawsuit for all Settlement Class Members, except for those who exclude themselves (sometimes called, “opting out”) from a settlement. In this Action, the Class Representatives are Lencola Roberts, Celestino Sanchez II, and Ginger Wagner.

### **4. Why is there a Settlement?**

The Court did not decide in favor of the Plaintiffs or the Defendant. The Defendant denies all claims and contends that it has not violated any laws. The Plaintiffs and the Defendant agreed to a Settlement to avoid the costs and risks of a trial, and, through the Settlement, Settlement Class Members are eligible to claim benefits. The Plaintiffs and their attorneys, who also represent Settlement Class Members as “Class Counsel,” think the Settlement is best for all Settlement Class Members.

## **WHO IS IN THE SETTLEMENT?**

### **5. Who is included in the Settlement?**

The Settlement Class consists of all living individuals residing in the United States who were sent a written notice from the Defendant that their Private Information may have been compromised in the Data Incident affecting the Defendant in approximately February 2025.

### **6. Are there exceptions to being included?**

Yes. Excluded from the Settlement Class are: (a) all persons who are directors and officers of the Defendant; (b) governmental entities; (c) the Judge assigned to the Action, that Judge’s immediate family, and Court staff; and Settlement Class Members who timely and validly opt-out of the Settlement.

## **THE SETTLEMENT BENEFITS**

### **7. What can I get from this Settlement?**

Under the proposed Settlement, the Defendant will pay all Settlement Class Member Benefits, including Cash Payments and Credit Monitoring for Settlement Class Members, Settlement Administration Costs, and any Court-awarded Attorneys' Fees, Costs, and Service Awards.

Settlement Class Members may choose to receive one (1) of the following Cash Payments:

- (1) **Cash Payment A – Out-of-Pocket Losses:** Reimbursement of up to \$2,000 for documented out-of-pocket losses arising from the Data Incident; or
- (2) **Cash Payment B – Alternate Cash:** An alternate cash payment of \$40.

In addition to Cash Payment A or Cash Payment B, you may also make a claim for two years of **Credit Monitoring**.

### **8. Tell me more about Cash Payment A – Out-of-Pocket Losses.**

Settlement Class Members may choose to receive up to \$2,000 for reimbursement for Out-of-Pocket Losses arising from the Data Incident. Reasonable documentation must be provided. Losses include, but are not limited to:

- Losses associated with fraud or identity theft;
- Professional fees including attorneys' fees, accountants' fees, and fees for credit repair services;
- Costs associated with freezing or unfreezing credit with any credit reporting agency;
- Credit monitoring costs that were incurred on or after May 16, 2025 through **Month XX**, 2026; and
- Miscellaneous expenses such as notary, fax, postage, copying, mileage, and long-distance telephone charges.

Examples of "reasonable documentation" include telephone records, correspondence including emails, or receipts. Personal certifications, declarations, or affidavits from the Settlement Class Member do not constitute reasonable documentation but may be included to provide clarification, context, or support for other submitted reasonable documentation. If you do not provide sufficient reasonable documentation and fail to cure your Claim for Out-of-Pocket Losses, it will be denied.

You cannot be reimbursed for expenses under this Settlement if you have been reimbursed for the same expenses by another source, including compensation provided in connection with any credit monitoring and identity theft protection product.

### **9. Tell me more about Cash Payment B – Alternate Cash.**

Instead of Cash Payment A, Settlement Class Members may choose to receive an alternate cash payment of \$40 (Cash Payment B). No documentation is required for Cash Payment B.

### **10. Tell me more about Credit Monitoring.**

In addition to Cash Payment A or Cash Payment B above, Settlement Class Members may choose to receive two years of Credit Monitoring which provides three bureau credit monitoring, single bureau credit report, comprehensive dark web monitoring, Social Security Number scan, high risk transaction monitoring, with real-time alerts, security freeze, and \$1 million in insurance coverage.

#### **11. What claims am I releasing if I stay in the Settlement Class?**

Unless you opt-out of the Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against the Defendant or other Released Parties about any of the legal claims this Settlement resolves. The Releases section in the Settlement Agreement describes the legal claims relating to the Data Incident that you give up if you remain in the Settlement Class. The Settlement Agreement can be found at [www.\[website\].com](http://www.[website].com).

### **HOW TO GET SETTLEMENT BENEFITS – MAKING A CLAIM**

#### **12. How do I submit a Claim Form to get Settlement Class Member Benefits?**

To receive Settlement Class Member Benefits, you must submit a Claim Form, with any necessary documentation, online by **Month XX, 2026 at 11:59 p.m. ET** at [www.\[website\].com](http://www.[website].com), or by mail, postmarked by **Month XX, 2026**, to:

*Lencola Roberts v. Hire Velocity, LLC*  
c/o Kroll Settlement Administration LLC  
P.O. Box **XXXX**  
New York, NY 10150-**XXXX**

#### **13. When will I get my Settlement Class Member Benefits?**

The short answer is – after the Settlement is “finally approved” and any challenges to that approval are finally resolved. The Court is scheduled to hold a Final Approval Hearing on **Month XX, 2026, at X:XX x.m. ET**, to decide whether to approve the Settlement, the Attorneys’ Fees and Costs Payment for Class Counsel for representing the Settlement Class, and Service Awards to the three Class Representatives who brought this Action on behalf of the Settlement Class.

If the Court approves the Settlement, there may be appeals. It is always uncertain whether appeals will be filed and, if so, how long it will take to resolve them. Settlement Class Member Benefits will be distributed as soon as possible, if and when the Court grants Final Approval of the Settlement and after any appeals are resolved.

### **THE LAWYERS REPRESENTING YOU**

#### **14. Do I have a lawyer in this case?**

Yes, the Court appointed Raina C. Borrelli of Strauss Borrelli PLLC, Casandra Turner of Milberg, PLLC, and Jonathan M. Streisfeld of Kopelowitz Ostrow P.A as Class Counsel. You will not be charged directly for these lawyers; instead, they will receive compensation from the Defendant (subject to Court approval). If you want to be represented by your own lawyer, you may hire one at your own expense.

#### **15. Should I get my own lawyer?**

It is not necessary for you to hire your own lawyer because Class Counsel works for you. If you want to be represented by your own lawyer, you may hire one at your own expense.

#### **16. How will the lawyers be paid?**

Class Counsel will ask the Court to approve an Application for Attorneys’ Fees and Costs of \$185,000 as well as a \$4,000 Service Award payment to each of the three Class Representatives. If approved, these amounts will be separately paid from Settlement Class Member Benefits.

## **EXCLUDE YOURSELF FROM THE SETTLEMENT**

### **17. How do I opt-out of the Settlement?**

If you do not want to receive any benefits from the Settlement, and you want to keep your right to separately sue the Defendant about the legal issues in this case, you must take steps to exclude yourself from the Settlement Class. This is called “opting out” of the Settlement Class. The deadline to opt-out of the Settlement by submitting a “request to opt-out” is **Month XX, 2026**.

To opt-out from the Settlement, you must submit a written request to opt-out that includes:

- A statement indicating that you want to be excluded from the Settlement Class, such as, “I hereby request to be excluded from the proposed Settlement Class in *Lencola Roberts v. Hire Velocity, LLC*, Case No. 26EV000358”;
- Your full name, address, telephone number, and email address (if any);
- Your personal signature.

Your request to opt-out must be mailed to the Settlement Administrator at the address below, postmarked no later than **Month XX, 2026**.

## **OBJECT TO THE SETTLEMENT**

### **18. How do I tell the Court if I do not like the Settlement?**

If you are a Settlement Class Member, you can choose (but are not required) to object to the Settlement if you do not like it or a portion of it, whether that be to the Settlement Class Member Benefits, the Attorneys’ Fees and Costs Payment amount, the Service Award payments, the Releases provided to the Defendant, or some other aspect of the Settlement. Through an objection, you give reasons why you think the Court should not approve the Settlement. Objections must be submitted in writing and must include:

- Your full name, mailing address, telephone number, and email address (if any);
- All grounds for the objection, accompanied by any legal support for the objection known to you or your counsel;
- The number of times the objector has objected to a class action settlement within the five years preceding the date that the objector files the objection, the caption of each case in which the objector has made such objection, and a copy of any orders related to or ruling upon the objector’s prior objections that were issued by the trial and appellate courts in each listed case
- The identity of all counsel (if any) representing you, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement and/or Application for Attorneys’ Fees, Costs, and Service Awards;
- The number of times in which the objector’s counsel and/or counsel’s law firm have objected to a class action settlement within the five years preceding the date of the filed objection, the caption of each case in which counsel or the firm has made such objection and a copy of any orders related to or ruling upon counsel’s or the counsel’s law firm’s prior objections that were issued by the trial and appellate courts

in each listed case in which the objector's counsel and/or counsel's law firm have objected to a class action settlement within the preceding five years;

- the identity of all counsel (if any) representing the objector that will appear at the Final Approval Hearing;
- A list of all persons who will be called to testify at the Final Approval Hearing in support of your objection (if any);

#### 19. What is the difference between objecting and opting out?

Objecting is telling the Court that you do not like something about the Settlement. You can object to the Settlement only if you do not opt-out from it. Opting out from the Settlement means telling the Court you do not want to be part of the Settlement. If you opt-out of the Settlement, you cannot object to it because the Settlement no longer affects you.

## **THE COURT'S FINAL APPROVAL HEARING**

### **20. When is the Court's Final Approval Hearing?**

The Court is scheduled to hold a Final Approval Hearing on **Month XX, 2026 at XX:XX x.m. ### **21. Do I have to come to the Final Approval Hearing?**

If you file an objection, you may, but you do not have to come to the Final Approval Hearing to talk about it. If you file your written objection on time and in accordance with the requirements above, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.

## **IF YOU DO NOTHING**

### **22. What happens if I do nothing at all?**

If you are a Settlement Class Member and you do nothing, you will give up your right to start a lawsuit, continue a lawsuit, or be part of any other lawsuit against the Defendant and the Released Parties, as defined in the Settlement Agreement, about the legal issues resolved by this Settlement. Before the Court is Plaintiffs<sup>1</sup> Motion for Preliminary Approval of Class Action Settlement (**Doc. No. \_\_**), the terms of which are set forth in a Settlement Agreement between Plaintiffs and Defendant Hire Velocity, LLC.

Having fully considered the issue, the Court hereby **GRANTS** the Preliminary Approval to the Settlement and **ORDERS** as follows:

1. **Jurisdiction.** The Court has subject matter jurisdiction pursuant to O.C.G.A. § 15-6-8 and personal jurisdiction over the Parties before it. Additionally, venue is proper in this District pursuant to O.C.G.A. § 9-10-93.

2. **Class Certification for Settlement Purposes Only.** The Settlement Agreement provides for a Settlement Class defined as follows:

All living individuals residing in the United States who were sent written notice from Defendant that their Private Information may have been compromised in the

---

<sup>1</sup> All defined terms have the same meaning as set forth in Section II of the Settlement Agreement attached as Exhibit A to the Motion for Preliminary Approval, unless otherwise indicated.

Data Incident affecting Defendant in approximately February 2025.

Excluded from the Settlement Class are (a) all persons who are directors and officers of Defendant; (b) governmental entities; (c) the Judge assigned to the Action, that Judge's immediate family, and Court staff; and (d) all Settlement Class Members who timely and validly opt-out of the Settlement.

The Court finds that it will likely be able to certify the Settlement Class for purposes of judgment on the Settlement because it meets all of the requirements of O.C.G.A. § 9-11-23(a)-(b). Specifically, the Court finds for settlement purposes only that: (a) the Settlement Class is so numerous that joinder of all Settlement Class Members would be impracticable; (b) there are questions of law and fact that are common to the Settlement Class; (c) the claims of the Settlement Class Representatives are typical, and the Plaintiffs seek the same relief as the claims of the Settlement Class Members; (d) the Class Representatives and Class Counsel will fairly and adequately protect the interests of the Settlement Class; (e) questions of law or fact common to Settlement Class Members predominate over any questions affecting only individual members; and (f) a class action and class settlement is superior to other methods available for a fair and efficient resolution of this Litigation.

3. **Appointment of Class Representatives and Class Counsel.** The Court finds that Plaintiffs Lencola Roberts, Celestino Sanchez II, and Ginger Wagner will likely satisfy the requirements of O.C.G.A. § 9-11-23(a)(4) and appoints them as the Class Representative. Additionally, the Court finds that Raina C. Borrelli of Strauss Borrelli PLLC, Casandra Turner of Milberg, PLLC, and Jonathan M. Streisfeld of Kopelowitz Ostrow P.A. will likely satisfy the requirements of O.C.G.A. § 9-11-23(a)(4) and appoints them as Class Counsel.

4. **Preliminary Settlement Approval.** Pursuant to O.C.G.A. § 9-11-23, the Court finds that it will likely be able to approve the proposed Settlement as fair, reasonable, and adequate

and that Notice to the Settlement Class is warranted. Accordingly, the Settlement is preliminarily approved. In making this determination, the Court has considered the monetary and non-monetary benefits provided to the Settlement Class through the Settlement, the specific risks faced by the Settlement Class in prevailing on their claims, the good faith, arm's length negotiations between the Parties and absence of any collusion in the Settlement, the effectiveness of the proposed method for distributing relief to the Settlement Class, the proposed manner of allocating benefits to Settlement Class Members, the equitable treatment of the Settlement Class Members under the Settlement, and all of the other factors required by O.C.G.A. § 9-11-23 and relevant case law.

5. **Final Approval Hearing.** A Final Approval Hearing shall be held on \_\_\_\_\_, 202\_\_\_\_, at \_\_:\_\_\_.m. [address/via zoom], where the Court will determine, among other things, whether: (a) the Settlement Class should be finally certified for settlement purposes; (b) the Settlement should be finally approved as fair, reasonable, and adequate; (c) this Action should be dismissed with prejudice pursuant to the terms of the Settlement Agreement; (d) Settlement Class Members (who have not timely and validly opted-out from the Settlement) should be bound by the Releases set forth in the Settlement Agreement; (e) the application of Settlement Class Counsel for an Attorneys' Fees and Costs Payment should be granted; and (f) the application for Service Awards to the Class Representatives should be granted.

6. **Settlement Administrator.** The Court appoints Kroll Settlement Administration LLC as the Settlement Administrator, with responsibility for Notice Program and Settlement Administration. The Settlement Administrator is directed to perform all tasks the Settlement Agreement requires. The Settlement Administration Costs shall be paid by Defendant pursuant to the terms of the Settlement Agreement.

7. **Notice Program.** The proposed Notice Program set forth in the Settlement

Agreement and the Notices and Claim Form attached to the Settlement Agreement as Exhibits 1-3 are approved. Non-material modifications to the Notices and Claim Form may be made by the Settlement Administrator in consultation and agreement with the Parties, but without further order of the Court.

8. **Findings Concerning Notice.** The Court finds that the proposed form, content, and method of giving Notice to the Settlement Class as described in the Settlement Agreement and its exhibits: (a) will constitute the best practicable notice to the Settlement Class; (b) are reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the Action, the terms of the proposed Settlement, and their rights under the proposed Settlement, including, but not limited to, their rights to object to or opt-out from the proposed Settlement and other rights under the terms of the Settlement Agreement; (c) are reasonable and constitute due, adequate, and sufficient notice to all Settlement Class Members and other persons entitled to receive notice; (d) meet all applicable requirements of law, including O.C.G.A. § 9-11-23; and (e) and meet the requirements of the Due Process Clause(s) of the United States and Georgia Constitutions. The Court further finds that the Notice provided for in the Settlement Agreement is written in plain language, uses simple terminology, and is designed to be readily understandable by Settlement Class Members. Therefore, the Settlement Administrator is directed to carry out the Notice Program in conformance with the Settlement Agreement.

9. **Exclusion from Settlement Class.** A Settlement Class Member may opt-out of the Settlement Class by mailing a request to opt-out to the Settlement Administrator postmarked no later than the Opt-Out Deadline. The opt-out request must be personally signed by the Settlement Class Member and contain the requestor's name, address, telephone number, and email address (if any), and include a statement indicating a request to be excluded from the Settlement Class.

If a Final Approval Order and Judgment is entered, all Settlement Class Members who do not timely and validly request to opt-out from the Settlement Class shall be bound by the terms of this Settlement Agreement and the Final Approval Order and Judgment. All Settlement Class Members who submit valid and timely opt-out requests shall not receive any Settlement Class Member Benefits or be bound by the terms of the Settlement Agreement.

10. **Objections and Appearances.** A Settlement Class Member (who does not submit a timely written opt-out request) desiring to object to the Settlement Agreement may submit a timely written objection by the Objection Deadline and as stated in the Notice. Objections must be filed with the Court, and a copy sent by U.S. Mail to Class Counsel, Defendant's Counsel, and the Settlement Administrator. If a Settlement Class Member submits both a timely and complete opt-out request and an objection, the opt-out request shall control and the objection will be deemed invalid and not considered by the Court. If submitted by mail, an objection shall be deemed to have been submitted when posted if received with a postmark date indicated on the envelope if mailed first-class postage prepaid and addressed in accordance with the instructions. If submitted by private courier (e.g., Federal Express), an objection shall be deemed to have been submitted on the shipping date reflected on the shipping label.

For an objection to be considered by the Court, the objection must also set forth:

- a. the objector's full name, mailing address, telephone number, and email address (if any);
- b. all grounds for the objection, accompanied by any legal support for the objection known to the objector or objector's counsel;
- c. the number of times the objector has objected to a class action settlement within the five years preceding the date that the objector files the objection, the caption of each

case in which the objector has made such objection, and a copy of any orders related to or ruling upon the objector's prior objections that were issued by the trial and appellate courts in each listed case;

d. the identity of all counsel (if any) who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement and/or Application for Attorneys' Fees, Costs, and Service Award;

e. the number of times in which the objector's counsel and/or counsel's law firm have objected to a class action settlement within the five years preceding the date of the filed objection, the caption of each case in which counsel or the firm has made such objection and a copy of any orders related to or ruling upon counsel's or the counsel's law firm's prior objections that were issued by the trial and appellate courts in each listed case in which the objector's counsel and/or counsel's law firm have objected to a class action settlement within the preceding five years;

f. the identity of all counsel (if any) representing the objector that will appear at the Final Approval Hearing;

g. a list of all persons who will be called to testify at the Final Approval Hearing in support of the objection (if any);

h. a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and

i. the objector's signature (an attorney's signature is not sufficient).

Class Counsel and/or Defendant's Counsel may conduct limited discovery on any objector or objector's counsel, including taking depositions and propounding document requests.

Any Settlement Class Member who fails to comply with the requirements for objecting

shall waive and forfeit any and all rights he or she may have to appear separately and/or to object to the Settlement Agreement, shall be bound by all the terms of the Settlement Agreement and by all proceedings, orders, and judgments in the Action, and shall be precluded from seeking any review of the Settlement Agreement and/or Final Approval Order by appeal or other means. The provisions stated in the Settlement Agreement shall be the exclusive means for any challenge to the Settlement Agreement. Any challenge to the Settlement Agreement, the Final Approval Order, or judgment to be entered upon Final Approval shall be pursuant to appeal under the Georgia Rules of Appellate Procedure and not through a collateral attack.

11. **Claim Process.** The Settlement Administrator will be responsible for effectuating the Claim Process. The Settlement creates a process for Settlement Class Members to claim Settlement Class Member Benefits under the Settlement. The Court preliminarily approves this process and directs the Settlement Administrator to make the Claim Form available to Settlement Class Members in the manner specified in the Notices.

Settlement Class Members who qualify for and wish to submit a Claim Form shall do so in accordance with the requirement and procedures specified in the Notice and the Claim Form. If the Final Order and Judgment is entered, all Settlement Class Members who qualify for any benefit under the Settlement but fail to submit a claim in accordance with the requirements and procedures specified in the Notice and the Claim Form shall be forever barred from receiving any such benefit, but will in all other respects be subject to and bound by the provisions in the Final Order and Judgment, including the releases contained therein.

42. **Termination of Settlement.** This Agreement shall be subject to and is expressly conditioned on the occurrence of all of the following events:

- a. Court approval of the Settlement consideration and Releases set forth

therein;

b. The Court has entered the Preliminary Approval Order;

c. The Court has entered the Final Approval Order, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and

d. The Effective Date has occurred.

12. This Preliminary Approval Order shall become null and void and shall be without prejudice to the rights of the Parties, all of which shall be restored to their respective positions existing immediately before this Court entered this Preliminary Approval Order, if the Settlement is not finally approved by the Court, the Settlement is terminated in accordance with its terms, or there is no Effective Date. In such event, the Settlement shall become null and void and be of no further force and effect, and neither the Settlement (including any Settlement-related filings) nor the Court's orders, including this Preliminary Approval Order, relating to the Settlement shall be used or referred to for any purpose whatsoever.

13. If the Settlement is not finally approved by the Court, the Settlement is terminated in accordance with its terms, or there is no Effective Date, then this Preliminary Approval Order shall be of no force or effect; shall not be construed or used as an admission, concession, or declaration by or against Defendant of any fault, wrongdoing, breach, or liability; shall not be construed or used as an admission, concession, or declaration by or against any Class Representative or any other Settlement Class Member that his or her claims lack merit or that the relief requested is inappropriate, improper, unavailable; and shall not constitute a waiver by any party of any defense (including without limitation any defense to class certification) or claims he or she may have in this Action or in any other lawsuit.

14. **Use of Order.** This Preliminary Approval Order shall be of no force or effect if the Final Approval Order is not entered or there is no Effective Date, and it shall not be construed or used as an admission, concession, or declaration by or against Defendant of any fault, wrongdoing, breach, liability, or propriety of certifying any class. Nor shall this Preliminary Approval Order be construed or used as an admission, concession, or declaration by or against the Class Representative or any other Settlement Class Member that his or her claims lack merit or that the relief requested is inappropriate, improper, unavailable, or as a waiver by any Party of any defense or claims they may have in this Action or in any other lawsuit.

15. **Adjournment or Continuance of Hearing.** The Court reserves the right to adjourn or continue the Final Approval Hearing without further written notice to the Settlement Class. If the Court does so, the new date and time shall be posted on the Settlement Website maintained by the Settlement Administrator. The Court may elect to hold the Final Approval Hearing virtually by Zoom or some other application, and if it does, the instructions on how to attend shall be posted by the Settlement Administrator on the Settlement Website.

16. **Stay of Action.** All proceedings in the Action, other than those related to approval of the Settlement Agreement, are hereby stayed. Further, with the exception of Class Counsel's, Defendant's Counsel's, Defendant's, and the Class Representatives' implementation of the Settlement and the approval process in this Action, all Settlement Class Members are provisionally enjoined and barred from asserting any claims or continuing any litigation against Defendant and the Released Parties arising out of, relating to, or in connection with the Released Claims prior to the Court's decision as to whether to grant Final Approval of the Settlement.

17. **Jurisdiction Pending Settlement Approval.** For the benefit of the Settlement Class and to protect this Court's jurisdiction, this Court retains continuing jurisdiction over the

proceedings to ensure the effectuation thereof in accordance with the Settlement preliminarily approved herein and the related orders of this Court.

18. **Schedule and Deadlines.** The Court orders the following schedule of dates for the specified actions and Final Approval Hearing:

|                                                                                                          |                                                              |

**[PROPOSED] ORDER GRANTING FINAL APPROVAL OF  
CLASS ACTION SETTLEMENT AND APPLICATION FOR  
ATTORNEYS' FEES, COSTS, AND SERVICE AWARDS**

Before the Court is Plaintiffs' Unopposed Motion for Final Approval of Class Action Settlement and Application for Attorneys' Fees, Costs, and Service Awards.

Having reviewed and considered the Settlement Agreement, Unopposed Motion for Final Approval and Application for Attorneys' Fees, Costs, and Service Awards, and having conducted a Final Approval Hearing, the Court makes the findings and grants the relief set forth below approving the Settlement upon the terms and conditions set forth in this Order.

**WHEREAS**, on [DATE], the Court entered its Order Granting Unopposed Motion for Preliminary Approval of Class Action Settlement (**Doc. No. \_\_**) which, among other things: (a) conditionally certified this Action as a class action, including defining the Settlement Class, (b) appointed Plaintiffs Lencola Roberts, Celestino Sanchez II, and Ginger Wagner as the Settlement Class Representatives and appointed Raina C. Borrelli of Strauss Borrelli PLLC, Casondra Turner of Milberg, PLLC, and Jonathan M. Streisfeld of Kopelowitz Ostrow P.A. as Class Counsel; (c)

preliminarily approved the Settlement Agreement; (d) approved the Notice Program and form and manner of Notice to the Settlement Class and the Claim Process; (d) set deadlines for opt-outs, objections, and Claims; (e) approved and appointed the Settlement Administrator; and (f) set the date for the Final Approval Hearing;

**WHEREAS**, pursuant to the Notice Program set forth in the Settlement Agreement and approved in the Preliminary Approval Order, the Settlement Class was notified of the terms of the proposed Settlement, of the right of Settlement Class Members to opt-out, and the right of Settlement Class Members to object to the Settlement Agreement and to be heard at a Final Approval Hearing;

**WHEREAS**, on [DATE], the Court held a Final Approval Hearing to determine, *inter alia*: (1) whether the terms and conditions of the Settlement Agreement are fair, reasonable, and adequate for the release of the claims contemplated by the Settlement Agreement; (2) whether the Settlement Class should be finally certified; and (3) whether judgment should be entered dismissing this action with prejudice;

**WHEREAS**, the Court not being required to conduct a trial on the merits of the case or determine with certainty the factual and legal issues in dispute when determining whether to approve a proposed class action settlement; and

**WHEREAS**, the Court being required under O.C.G.A. § 9-11-23(e) to make the findings and conclusions hereinafter set forth for the limited purpose of determining whether the Settlement should be approved as being fair, reasonable, adequate and in the best interests of the Settlement Class; and

**WHEREAS**, having given an opportunity to be heard to all requesting persons in accordance with the Preliminary Approval Order; having heard the presentation of Class Counsel

and Defendant's Counsel; having reviewed all of the submissions presented with respect to the proposed Settlement, having determined that the Settlement is fair, adequate, and reasonable; having considered the application made by Class Counsel for attorneys' fees and costs and Service Awards to the Class Representatives; and having reviewed the materials in support thereof, and good cause appearing:

**IT IS ORDERED** that:

1. The Court has jurisdiction over the subject matter of this action and over all claims raised therein and all Parties thereto, including the Settlement Class Members.

2. The Settlement involves allegations in Plaintiffs' Class Action Complaint against Defendant for purported failure to implement or maintain adequate data security measures and safeguards to protect Private Information, which Plaintiffs allege directly and proximately caused injuries to Plaintiffs and Settlement Class Members.

3. The Settlement does not constitute an admission of liability by Defendant, and the Court expressly does not make any finding of liability or wrongdoing by Defendant.

4. This Final Approval Order incorporates herein the definitions from Section II of the Settlement Agreement, attached as Exhibit A to the Motion for Final Approval.

5. The Court, having reviewed the terms of the Settlement Agreement submitted by the Parties, grants Final Approval of the Settlement, and for purposes of the Settlement Agreement and this Final Approval Order and judgment only, the Court hereby finally certifies the following Settlement Class:

All living individuals residing in the United States who were sent written notice from Defendant that their Private Information may have been compromised in the Data Incident affecting Defendant in approximately February 2025.

Excluded from the Settlement Class are (a) all persons who are directors and officers of Defendant;

(b) governmental entities; (c) the Judge assigned to the Action, that Judge's immediate family, and Court staff; and (d) all Settlement Class Members who timely and validly opted-out of the Settlement.

6. The Settlement was entered into in good faith following arm's length negotiations and is non-collusive. The Settlement is in the best interests of the Settlement Class and is therefore approved. The Court finds that the Parties faced significant risks, expenses, delays, and uncertainties, including as to the outcome, including on appeal, of continued litigation of this complex matter, which further supports the Court's finding that the Settlement Agreement is fair, reasonable, adequate, and in the best interests of the Settlement Class Members. The Court finds that the uncertainties of continued litigation in both the trial and appellate courts, as well as the expense associated with it, weigh in favor of approval of the Settlement.

7. The Settlement Agreement provides, in part, and subject to a more detailed description of the Settlement terms, for:

- a. Settlement Class Members to be able to submit Claims that will be evaluated by the Settlement Administrator.
- b. Defendant to pay all Settlement Administration Costs, including the cost of the Settlement Administrator instituting Notice, processing and administering Claims, and preparing and mailing checks.
- c. Defendant to pay, subject to the approval and award of the Court, the reasonable Attorneys' Fees and Costs Payment to Class Counsel and Service Awards to the Class Representatives.

8. The Court readopts and incorporates herein by reference its preliminary conclusions as to the satisfaction of O.C.G.A. § 9-11-23 set forth in the Preliminary Approval

Order and notes that because this certification of the Settlement Class is in connection with the Settlement Agreement rather than litigation, the Court need not address any issues of manageability that may be presented by certification of the Settlement Class proposed in the Settlement Agreement.

9. The Court affirms the appointment of Plaintiffs as the Class Representatives. The Court concludes the Class Representatives have fairly and adequately represented the Settlement Class and will continue to do so.

10. The Court affirms the appointment of Raina C. Borrelli of Strauss Borrelli PLLC, Casandra Turner of Milberg, PLLC, and Jonathan M. Streisfeld of Kopelowitz Ostrow P.A. as Class Counsel. The Court concludes Class Counsel has adequately represented the Settlement Class and will continue to do so.

11. The terms of the Settlement Agreement are fair, adequate, and reasonable and are hereby approved, adopted, and incorporated by the Court. Notice of the terms of the Settlement, the rights of Settlement Class Members under the Settlement, the Final Approval Hearing, the Application for Attorneys' Fees, Costs, and Service Awards have been provided to Settlement Class Members as directed by this Court's Preliminary Approval Order, and proof of Notice has been filed with the Court.

12. The Court finds the Notice, set forth in the Settlement Agreement and effectuated pursuant to the Preliminary Approval Order, was the best notice practicable under the circumstances; was reasonably calculated to provide and did provide due and sufficient notice to the Settlement Class of the pendency of the Action, certification of the Settlement Class for settlement purposes only, the existence and terms of the Settlement Agreement, and their right to opt-out of the Settlement or object to the Settlement and/or Application For Attorneys' Fees, Cost,

and Service Awards and to appear at the Final Approval Hearing; and satisfied the requirements of the Georgia Rules of Civil Procedure, the Georgia Constitution, the United States Constitution, and other applicable law.

13. As of the Opt-Out Deadline, [REDACTED] potential Settlement Class Members have timely and validly requested to be excluded from the Settlement and are identified on attached *Exhibit A*. Those individuals will not be bound by the Settlement Agreement and Releases contained therein.

14. All Settlement Class Members who have not validly opted-out from the Settlement Class are bound by this Final Approval Order.

15. [REDACTED] objections were filed by Settlement Class Members. The Court has considered all objections and finds the objections do not counsel against Settlement Agreement approval, and the objections are hereby overruled in all respects.

16. All Settlement Class Members who have not objected to the Settlement Agreement in the manner provided in the Settlement Agreement are deemed to have waived any objections by appeal, collateral attack, or otherwise.

17. The Court has considered all the documents filed in support of the Settlement, and has fully considered all matters raised, all exhibits and declarations filed, all evidence received at the Final Approval Hearing, all other papers and documents comprising the record herein, and all oral arguments presented to the Court.

18. The Parties, their respective counsel, and the Settlement Administrator are hereby directed to consummate and implement the Settlement in accordance with this Final Approval Order and the terms of the Settlement Agreement in the manner and timeframes as set forth therein.

19. Based on the information presented to the Court, the Claim Process has proceeded consistent with the Settlement Agreement and the Preliminary Approval Order. All Settlement Class

Members who submitted Valid Claims shall receive their Settlement Class Member Benefits pursuant to the Settlement's terms. All Settlement Class Members who did not submit a Claim, or for whom the Claim is determined to be invalid, shall still be bound by the terms of the Settlement and Releases therein.

20. Pursuant to and as further described in the Settlement Agreement, Settlement Class Representatives and the Settlement Class Members release the Released Claims as follows: Upon the Effective Date, and in consideration of the settlement relief and other consideration described herein, the Releasing Parties shall be deemed to have, and by operation of the Final Approval Order shall have, fully, finally, and forever released, acquitted, relinquished, and completely discharged the Released Parties from any and all Released Claims, including but not limited to any state law or common law claims arising out of or relating to the Data Incident that the Releasing Parties may have or had, such as under California's Consumer Privacy Act, California Civil Code section 1798.100, *et seq.* and/or California's Unfair Competition Law, California Civil Code section 17200 *et seq.* Each Party expressly waives all rights under California Civil Code section 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Releasing Parties also waive the provisions and rights of any law(s) that are comparable in effect to California Civil Code section 1542 (including, without limitation, California Civil Code § 1798.80, *et seq.*, Montana Code Ann. § 28-1-1602; North Dakota Cent. Code § 9-13-02; and South Dakota Codified Laws § 20-7-11). The Releasing Parties agree that, once this Agreement is executed, they will not, directly or indirectly, individually or in concert with another, maintain,

cause to be maintained, or voluntarily assist in maintaining any further demand, action, claim, lawsuit, arbitration, or similar proceeding, in any capacity whatsoever, against any of the Released Parties based on any of the Released Claims.

21. None of the Releases in the Settlement Agreement shall preclude any action to enforce the terms of the Settlement Agreement by the Settlement Class Representatives, Settlement Class Members, Class Counsel, or Defendant.

22. Upon entry of this Order, the Class Representatives and other Settlement Class Members shall be enjoined from initiating, asserting, or prosecuting any and all Released Claims, including Unknown Claims, in any proceeding against any of the Released Parties or based on any actions taken by any of the Released Parties that are authorized or required by the Settlement Agreement or by this Order. The Settlement may be pleaded as a complete defense to any proceeding subject to this provision

23. Pursuant to the Settlement Agreement, and in recognition of their efforts on behalf of the Settlement Class, the Court approves a payment to the Settlement Class Representatives in the amount of \$\_\_\_\_\_ each. Defendant shall make such payments in accordance with the terms of the Settlement Agreement.

24. The Court, after careful review of the application for attorneys' fees and costs filed by Class Counsel, and after applying the appropriate standards required by relevant case law, hereby awards Class Counsel the Attorneys' Fees and Costs Payment in the amount of \$\_\_\_\_\_. Defendant shall make such payment in accordance with the terms of the Settlement Agreement.

25. This Final Approval Order and the Settlement Agreement, and all acts, statements, documents, or proceedings relating to the Settlement Agreement are not, and shall not be construed

as, used as, or deemed to be evidence of, an admission by or against Defendant of any claim, any fact alleged in the Action, any fault, any wrongdoing, any violation of law, or any liability of any kind on the part of Defendant or of the validity or certifiability for litigation the Settlement Class or any claims that have been, or could have been, asserted in the Action. This Final Approval Order, the Settlement Agreement, and all acts, statements, documents, or proceedings relating to the Settlement Agreement shall not be offered or received or be admissible in evidence in any action or proceeding, nor shall they be used in any way as an admission or concession or evidence of any liability or wrongdoing of any nature or that the Class Representatives, any Settlement Class Member, or any other person has suffered any damage; provided, however, that the Settlement Agreement and this Final Approval Order may be filed in any action by Defendant, Class Counsel, or Settlement Class Members seeking to enforce the Settlement Agreement or the Final Approval Order (including, but not limited to, enforcing the Releases contained herein).

26. The Settlement Agreement and Final Approval Order shall not be construed or admissible as an admission by Defendant that the Class Representatives' claims or any similar claims are suitable for class treatment. The Settlement Agreement's terms shall be forever binding on, and shall have maximum *res judicata*, collateral estoppel, and all other preclusive effect in, all pending and future lawsuits, claims, suits, demands, petitions, causes of action, or other proceedings as to Released Claims and other prohibitions set forth in this Final Approval Order that are maintained by, or on behalf of, any Settlement Class Member or any other person subject to the provisions of this Final Approval Order.

27. If the Effective Date, as defined in the Settlement Agreement, does not occur for any reason, this Final Approval Order and the Preliminary Approval Order shall be deemed vacated, and shall have no force and effect whatsoever; the Settlement Agreement shall be

considered null and void; all of the Parties' obligations under the Settlement Agreement, the Preliminary Approval Order, and this Final Approval Order shall have no further force and effect with respect to the Parties and shall not be used in the Action or in any other proceeding for any purpose; any judgment or order entered by the Court in accordance with the terms of the Settlement Agreement shall be treated as vacated *nunc pro tunc*; and the Parties shall be restored to their respective positions in the Action, as if the Parties never entered into the Settlement Agreement (without prejudice to any of the Parties' respective positions on the issue of class certification or any other issue). In such event, the Parties will jointly request that all scheduled deadlines be reasonably extended by the Court so as to avoid prejudice to any Party or Party's counsel.
