Case No. 2025CH000014

CLASS ACTION SETTLEMENT AGREEMENT

This Class Action Settlement Agreement (“Agreement” or “Settlement Agreement”) is entered into by and among (i) Plaintiffs Kate Hoffower, Dru Dominici, Wilton Alderman, Tammy McAlpine Brown, Reid Cooper, Mark Sessa, and Gary Hall (collectively, “Plaintiffs”), for themselves individually and on behalf of the Settlement Classes, and Defendants Demandbase, Inc. and Insideview Technologies, Inc. (“Defendants”). Plaintiffs and Defendants are collectively referred to as the “Parties.” This Settlement Agreement is intended by the Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims upon and subject to the terms and conditions of this Settlement Agreement, and subject to the final approval of the Court.

RECITALS

A. Prior plaintiff Amos Gbeintor filed a putative class action in the United States District Court for the Northern District of California on December 8, 2021, alleging violations of

the California Right of Publicity Act, Cal. Civ. Code § 3344, California common law prohibiting misappropriation of a name or likeness, and California’s Unfair Competition Law, Cal. Bus. & Prof. Code § 17200 *et seq.* *Gbeintor v. Demandbase, Inc. et al.*, Case No. 4:21-cv-09470-TLT, Dkt. 1 (N.D. Cal.). On April 1, 2022, Plaintiffs Wilton Alderman and Dru Dominici (with Mr. Gbeintor, the “N.D. Cal. Plaintiffs”) filed an amended complaint, adding alleged violations of the Ohio Right of Publicity Statute, Ohio Rev. Code § 2741, and Ohio’s tort of appropriation of a name or likeness. *Id.*, Dkt. 30. Specifically, the amended complaint alleged that Defendants’ use of the N.D. Cal. Plaintiffs’ and other consumers’ identities to encourage individuals to purchase subscriptions to Defendants’ database violated California and Ohio right-of-publicity statutes. *Id.*

B. On May 13, 2022, Defendants moved to dismiss, or in the alternative, to strike under California’s Anti-SLAPP statute; Defendants also moved to stay. Dkts. 31, 32. On June 10, 2022, Plaintiffs filed their oppositions to the motions to dismiss, to strike, and to stay. Dkts. 38, 39. Defendants replied on July 8, 2022. Dkts. 42, 43.

C. On December 5, 2022, the Court granted Defendants’ motion to stay but declined to stay discovery upon concluding that the anti-SLAPP motion was untimely. Dkt. 59. Defendants moved for leave to file a motion for reconsideration, Dkt. 60, and filed a protective, interlocutory appeal to the Ninth Circuit of the anti-SLAPP denial. Dkts. 61, 62. On January 5, 2023, the Court granted Defendants leave to file their reconsideration motion, which was filed on January 24, 2023. *See* Dkts. 64, 65, 67. On February 17, 2023, the Court granted Defendants’ motion for reconsideration after concluding that Defendants’ anti-SLAPP motion was timely, and stayed the case in its entirety pending resolution of the Ninth Circuit appeal in *Martinez v. ZoomInfo, Inc.*—a similar right-of-publicity class action—as Defendants had requested. Dkts. 68, 71.

D. On September 21, 2023, a three-judge panel of the Ninth Circuit affirmed the

and the N.D. Cal. case was terminated that same day.

I. On May 1, 2025, all Plaintiffs filed a class action complaint in this Court (the “Action”), asserting right of publicity claims on behalf of seven Classes for residents of Ohio, Nevada, South Dakota, California, Alabama, Indiana, and Illinois.

J. Over the next several weeks, the parties continued to cooperatively negotiate this Settlement Agreement.

K. Plaintiffs and Class Counsel believe that the claims asserted in this action have merit, and that they would have ultimately succeeded in certifying a class, at trial or summary judgment, and on any subsequent appeal. But Plaintiffs and Class Counsel recognize that Defendants have raised relevant factual and legal defenses that pose risks to the Settlement Classes. Class Counsel have also taken into account the uncertain outcome and risks of any litigation, especially in complex actions, as well as the difficulty and delay inherent in such litigation and the appeals that would follow any judgment in favor of the Settlement Classes. Class Counsel believe that this Agreement eliminates uncertainty in the outcome and presents an exceptional result for the Settlement Classes, and one that will be provided without delay. Therefore, Plaintiffs believe that it is in the best interest of the Settlement Classes to settle the Action and that the Released Claims be fully and finally compromised, settled, and resolved with prejudice, pursuant to the terms and conditions set forth in this Settlement Agreement.

L. Defendants deny all allegations of wrongdoing and liability, deny all material allegations in the N.D. Cal. case and this Action, and believe that they would prevail in defeating class certification, on summary judgment, at any trial on the merits, and on any subsequent appeal, but have similarly concluded that this Settlement Agreement is desirable to avoid the time, risk, and expense of defending protracted litigation, and to avoid the risk posed by the Settlement

Classes' claims for damages. Defendants thus desire to resolve finally and completely the pending claims of Plaintiffs and the Settlement Classes.

M. NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among Plaintiffs on behalf of the Settlement Classes, and Defendants that, subject to Court approval after a hearing as provided for in this Settlement Agreement, and in consideration of the benefits flowing to the Parties from the settlement set forth herein, the Released Claims shall be fully and finally compromised, settled, and released, and the Action shall be dismissed with prejudice, upon and subject to the terms and conditions set forth in this Settlement Agreement.

In the event transmission of email notice results in any “bounce-backs,” the Settlement Administrator shall, where reasonable, correct any issues that may have caused the “bounce-back” to occur and make a second attempt to re-send the email notice.

(b) *Direct Notice via U.S. Mail.* No later than the Notice date, the Settlement

Administrator shall send Notice in the form of Exhibit B based on the Settlement Class to which such person belongs. Prior to sending Notice via U.S. Mail, the Settlement Administrator shall take reasonable steps to identify and/or update Settlement Class Members' U.S. Mail addresses, including updating any addresses on the Class List through the National Change of Address database, performing a "skip trace" to attempt to identify addresses missing from the Class List, and utilizing other available resources deemed suitable by the Settlement Administrator. The Settlement Administrator shall take all reasonable steps to obtain the correct address of any Settlement Class Members for whom Notice is returned by the U.S. Postal Service as undeliverable and shall attempt re-mailings.

(c) *Publication Notice.* The Settlement Administrator shall design and implement a publication notice plan directed at reaching any Settlement Class Members for whom direct notice via email or U.S. mail is impracticable or impossible.

(d) *Reminder Notice.* Thirty (30) days prior to the Claims Deadline, the Settlement Administrator shall again send Notice via email along with an electronic link to the Claim Form, to all Settlement Class Members who have not yet submitted a Claim Form and for whom a valid email address is available in the Settlement Class List and no "bounce-back" was received. The reminder emails shall be substantially in the form of Exhibit E, with minor, non-material modifications to indicate that it is a reminder email rather than an initial notice. If the number of Claim Forms submitted by Settlement Class Members does not equal at least ten percent (10%) of each respective class, then the Settlement Administrator shall send a final reminder notice two (2) days before the Claims Deadline substantially in the form of Exhibit E, with minor, non-material modifications to indicate that it is a final notice.

grounds for the objection; (f) all documents or writings that the person desires the Court to consider; (g) the name and contact information of any and all attorneys representing, advising, or in any way assisting the objector in connection with the preparation or submission of the objection or who may profit from the pursuit of the objection; and (h) a statement indicating whether the objector intends to appear at the Final Approval Hearing (either personally or through counsel, who must file an appearance or seek *pro hac vice* admission). All written objections must be (i) filed with the Court, or (ii) postmarked, emailed, or delivered to the Settlement Administrator, no later than the Objection/Exclusion Deadline. Any Settlement Class Member who fails to timely file a written objection with the Court and notice of his or her intent to appear at the Final Approval Hearing in accordance with the terms of this Section as detailed in the Notice, and at the same time provide copies to designated counsel for the Parties, shall not be permitted to object to this Settlement Agreement at the Final Approval Hearing, shall be foreclosed from seeking any review of this Settlement Agreement or the Final Approval Order by appeal or other means, and shall be deemed to have waived his or her objections and be forever barred from making any such objections in the Action or in any other action or proceeding.

4.5. **Right to Request Exclusion.** Any Settlement Class Member may submit a request for exclusion from the Settlement on or before the Objection/Exclusion Deadline. To be valid, any request for exclusion must (a) be in writing; (b) identify the case name *Hoffower et al. v. DemandBase, Inc. et al.*, Case No. 2025CH000014 (Circuit Court of LaSalle County, Illinois); (c) identify if the person seeking exclusion is a member of the Alabama Settlement Class, the California Settlement Class, the Illinois Settlement Class, the Indiana Settlement Class, the Ohio Settlement Class, the South Dakota Settlement Class, or the Nevada Settlement Class; (d) state the full name and current address of the person seeking exclusion; (e) be signed by the person(s)

seeking exclusion; and (f) be postmarked or received by the Settlement Administrator on or before the Objection/Exclusion Deadline. The Settlement Administrator shall create a dedicated email address to receive exclusion requests electronically. Each request for exclusion must also contain a statement to the effect that “I hereby request to be excluded from the settlement in *Hoffower et al. v. DemandBase, Inc. et al.*, Case No. 2025CH000014 (Circuit Court of LaSalle County, Illinois).” A request for exclusion that does not include all of the foregoing information, that is sent to an address or email address other than that designated in the Notice, or that is not postmarked or electronically delivered to the Settlement Administrator within the time specified, shall be invalid and the persons serving such a request shall be deemed to remain a Settlement Class Member and shall be bound by this Settlement Agreement, if approved. Any person who elects to request exclusion from a Settlement Class shall not (a) be bound by any orders or the Final Approval Order, (b) receive a settlement payment under this Agreement, (c) gain any rights by virtue of this Agreement, or (d) be entitled to object to any aspect of this Settlement Agreement or the Final Approval Order or Alternative Approval Order. No person may request to be excluded from a Settlement Class through “mass” or “class” opt-outs, meaning that each individual who seeks to opt out must send an individual, separate request to the Settlement Administrator that complies with all requirements of this paragraph.

5. SETTLEMENT ADMINISTRATION.

5.1. The Settlement Administrator shall, under the supervision of the Court, administer the relief provided by this Settlement Agreement by processing Claim Forms in a rational, responsive, cost-effective, and timely manner. The Settlement Administrator shall maintain reasonably detailed records of its activities under this Settlement Agreement. The Settlement Administrator shall maintain all such records as are required by applicable law in accordance with

its normal business practices and such records will be made available to Class Counsel and Defendants' Counsel upon request. The Settlement Administrator shall also provide reports and other information to the Court as the Court may require. The Settlement Administrator shall provide Class Counsel and Defendants' Counsel with information concerning Notice, administration, and implementation of the Settlement Agreement. Should the Court request, the Parties, in conjunction with the Settlement Administrator, shall submit a timely report to the Court summarizing the work performed by the Settlement Administrator, including a report of all amounts from the State-Specific Settlement Funds paid on account of Approved Claims. Without limiting the foregoing, the Settlement Administrator shall:

(a) receive exclusion forms and other requests from Settlement Class Members and promptly provide a copy of such requests to Class Counsel and Defendants' Counsel upon receipt. If the Settlement Administrator receives any exclusion forms or other requests from the Settlement Class after the Objection/Exclusion Deadline, the Settlement Administrator shall promptly provide copies thereof to Class Counsel and Defendants' Counsel;

(b) provide weekly reports to Class Counsel and Defendants' Counsel, including, without limitation, reports regarding the number of Claim Forms received, the current number approved by the Settlement Administrator at that time from each of the Settlement Classes, and the number of opt-outs received;

(c) make available for inspection by Class Counsel or Defendants' Counsel the Claim Forms, any documentation submitted in support thereof, and any correspondence received by the Settlement Administrator at any time upon reasonable notice;

(d) pay all Approved Claims according to the terms of this Settlement Agreement;

(e) make all tax filings related to the Escrow Accounts, including making any required “information returns” as that term is used in 26 U.S.C. § 1, *et seq.* Neither Class Counsel nor Defendants nor Defendants’ Counsel make any representations regarding the tax treatment of the Escrow Account, State-Specific Settlement Funds or any portion thereof; and

(f) respond to questions about the Settlement from Settlement Class Members.

5.2. The Settlement Administrator shall employ reasonable procedures to screen claims for abuse or fraud. The Settlement Administrator, after consultation with Class Counsel, shall reject Claim Forms where there is evidence of abuse or fraud.

5.3. The Settlement Administrator shall reject any Claim Form that does not contain all requested information. The Settlement Administrator shall provide the individual with an opportunity to cure any deficient Claim Form within twenty-one (21) days after notice to such individual. If the individual fails to cure within the required time, the claim shall be rejected.

5.4. In the exercise of their duties outlined in this Agreement, the Settlement Administrator shall have the right to reasonably request additional information from the Parties or any Settlement Class Member.

6. TERMINATION OF SETTLEMENT, CONFIRMATORY DISCOVERY, AND POTENTIAL UPWARD ADJUSTMENT OF STATE-SPECIFIC SETTLEMENT FUNDS.

6.1. **Termination.** Subject to Paragraph 9 below, the Class Representatives (on behalf of any Settlement Class) or Defendants shall have the right to terminate this Settlement Agreement by providing written notice of the election to do so to all other Parties within ten (10) days of any

of the following events: (i) the Court's refusal to grant Preliminary Approval of this Agreement in any material respect; (ii) the Court's refusal to grant final approval of this Agreement in any material respect; (iii) the Court's refusal to enter the Final Approval Order in any material respect; (iv) the date upon which the Final Approval Order is modified or reversed in any material respect by the Court of Appeals or the Supreme Court; or (v) the date upon which an Alternative Approval Order, as defined in Paragraph 9.1(d) of this Agreement, is modified or reversed in any material respect by the Court of Appeals or the Supreme Court.

6.2. **Confirmatory Discovery.** Defendants will determine class size estimates to identify membership in the final Settlement Classes, applied across the time periods in the respective definitions of each of the Settlement Classes.

7. **PRELIMINARY APPROVAL ORDER AND FINAL APPROVAL ORDER.**

7.1. **Preliminary Approval.** Following the execution of this Settlement Agreement, Class Counsel shall submit this Agreement together with its exhibits to the Court and shall move the Court for entry of Preliminary Approval of the settlement set forth in this Agreement, which shall include, among other provisions, a request that the Court:

- (a) appoint Class Counsel and the Class Representatives;
- (b) certify the Settlement Classes for settlement purposes only and/or find that the Settlement Classes are likely to be certified for purposes of entering the Final Approval Order under 735 ILCS 5/2-801;
- (c) preliminarily approve this Agreement for purposes of disseminating Notice to the Settlement Class Members;
- (d) approve the form and contents of the Notice, the Claim Form, as well as the method of dissemination;

(e) schedule a Final Approval Hearing to review any comments and/or objections regarding this Agreement; to consider its fairness, reasonableness, and adequacy; to consider the application for an award of attorneys' fees, service awards to the Class Representatives, and reimbursement of expenses; and to consider whether the Court shall issue a Final Approval Order approving this Agreement, confirming the certification of the Settlement Classes, and dismissing the Action with prejudice.

7.2. **Final Approval.** After Notice is given, and at least fourteen (14) days before the Final Approval Hearing, Class Counsel shall move the Court for a Final Approval Order, which shall include, among other provisions, a request that the Court:

(a) find that it has subject matter jurisdiction to approve this Settlement Agreement, including all attached exhibits;

(b) approve the Settlement Agreement as fair, reasonable, and adequate as to, and in the best interests of, the Settlement Class Members;

(c) direct the Parties and their counsel to implement and consummate the Settlement Agreement according to its terms and conditions;

(d) find that the Notice implemented pursuant to the Settlement Agreement:

(i) constitutes the best practicable notice under the circumstances; (ii) constitutes notice that is reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the Settlement and their rights to object to or in the case of Settlement Class Members to exclude themselves from this Settlement Agreement and to appear at the Final Approval Hearing; (iii) is reasonable and constitutes due, adequate and sufficient notice to all persons entitled to receive notice; and (iv) meets all applicable requirements of the Illinois Code of Civil Procedure, the Due Process Clause of the United

States Constitution, and the rules of the Court;

(e) finally certify or confirm certification of the Settlement Classes under 735 ILCS 5/2-801, finding that the Class Representatives and Class Counsel adequately represented the Settlement Classes for purposes of entering into and implementing the Agreement;

(f) dismiss this Action on the merits and with prejudice, without fees or costs to any party except as provided in this Settlement Agreement;

(g) incorporate the Release set forth above in Paragraph 3.1, make the Release effective as of the date of the Final Approval Order, and forever discharge the Released Parties as set forth herein;

(h) authorize the Parties, without further approval from the Court, to agree to and adopt such amendments, modifications and expansions of the Settlement Agreement and its implementing documents (including all exhibits to this Agreement) that shall be consistent in all material respects with the Final Approval Order; and

(i) without affecting the finality of the Final Approval Order, stating that the Parties will submit to the jurisdiction of the Court as to all matters relating to the administration, consummation, enforcement, and interpretation of the Settlement Agreement and the Final Approval Order.

7.3. **Cooperation.** The Parties shall, in good faith, cooperate, assist, and undertake all reasonable actions and steps in order to accomplish these required events on the schedule set by the Court, subject to the terms of this Settlement Agreement.

8. CLASS COUNSEL'S ATTORNEYS' FEES, REIMBURSEMENT OF EXPENSES AND SERVICE AWARD.

8.1 Defendants agree that Class Counsel is entitled to reasonable attorneys' fees and unreimbursed expenses incurred as the Fee Award from the State-Specific Settlement Funds. The amount of the Fee Award shall be determined by the Court based on a petition from Class Counsel. Class Counsel has agreed, with no consideration from Defendant, to limit their request for attorneys' fees and unreimbursed costs to thirty-five percent (35%) of each State-Specific Settlement Fund, after proportional Settlement Administration Expenses and service awards are deducted from each. Should the Court award less than the amount sought by Class Counsel, the difference in the amount sought and the amount ultimately awarded pursuant to this Section shall remain in the State-Specific Settlement Funds and be distributed to class members as settlement payments.

8.2 The Fee Award shall be payable within seven (7) days of the Effective Date to Class Counsel by the Settlement Administrator from the Settlement Funds. If for any reason the Final Approval Order is reversed or rendered void as a result of an appeal(s), then any persons or firms who shall have received such funds shall be jointly and severally liable for payments made pursuant to this subparagraph, and shall return such funds to the Settlement Fund(s).

8.3 In addition to any payment to which they may be entitled under this Agreement, and in recognition of the time and effort they expended on behalf of the Settlement Classes, the Parties agree that, subject to the Court's approval, the Plaintiffs shall each be entitled to a service award as follows: five thousand dollars (\$5,000) each to the two California Settlement Class Representatives; five thousand dollars (\$5,000) to the Ohio Settlement Class Representative; five thousand dollars (\$5,000) to the Alabama Settlement Class Representative; five thousand dollars (\$5,000) to the Illinois Settlement Class Representative; five thousand dollars (\$5,000) to the Indiana Settlement Class Representative; five thousand dollars (\$5,000) to the South Dakota

Settlement Class Representative; and five thousand dollars (\$5,000) to the Nevada Settlement Class Representative. Each service award, as determined by the Court, shall be paid from their respective State-Specific Settlement Fund within seven (7) days after the Effective Date. Payment of the service awards shall be made via check made out to each Class Representative, sent in care of Class Counsel.

9. CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION, OR TERMINATION.

9.1. The Effective Date of this Settlement Agreement shall not occur unless and until each and every one of the following events occurs:

- (a) this Agreement has been signed by the Parties and Class Counsel;
- (b) the Court has entered an order granting Preliminary Approval of the Agreement;
- (c) the Court has entered a Final Approval Order finally approving the Agreement, or a judgment substantially consistent with this Settlement Agreement that has become final and unappealable, following Notice and a Final Approval Hearing, as provided in the Illinois Code of Civil Procedure; and
- (d) in the event that the Court enters an approval order and final judgment in a form other than that provided above (“Alternative Approval Order”) to which the Parties have consented, that Alternative Approval Order has become final and unappealable.

9.2. If some or all of the conditions specified in Paragraph 9.1 are not met, or in the event that this Settlement Agreement is not approved by the Court, or the settlement set forth in this Agreement is terminated or fails to become effective in accordance with its terms, then this Settlement Agreement shall be canceled and terminated subject to Paragraph 9.3, unless Class Counsel and Defendants' Counsel mutually agree in writing to proceed with this Agreement. If

any Party is in material breach of the terms hereof, any other Party, provided that it is in substantial compliance with the terms of this Agreement, may terminate this Agreement on notice to all other Parties. Notwithstanding anything herein, the Parties agree that the Court's decision as to the amount of the Fee Award to Class Counsel set forth above or the service award to the Class Representatives, regardless of the amounts awarded, shall not prevent the Agreement from becoming effective, nor shall it be grounds for termination of the Agreement.

9.3. If this Agreement is terminated or fails to become effective for the reasons set forth in Paragraphs 6.1, 9.1, or 9.2, the Parties shall be restored to their respective positions in the Action as of the date this Agreement is fully executed. In such event, any Final Approval Order or other order entered by the Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*, as if this Agreement had never been entered into.

9.4. In the event the Settlement is terminated or fails to become effective for any reason, the Settlement Fund(s), together with any earnings thereon at the same rate as earned, less any taxes paid or due, and less Settlement Administration Expenses actually incurred and paid or payable from the Settlement Fund(s), shall be returned to Defendants within thirty (30) calendar days after written notification of such event, in accordance with instructions provided by Defendants' Counsel to the Settlement Administrator.

10. MISCELLANEOUS PROVISIONS.

10.1. The Parties: (a) acknowledge that it is their intent to consummate this Agreement; and (b) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement and to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Settlement Agreement. Class Counsel and Defendants' Counsel agree to cooperate with one

another in seeking entry of Preliminary Approval and the Final Approval Order, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Settlement Agreement.

10.2. Each signatory to this Agreement represents and warrants (a) that he, she, or it has all requisite power and authority to execute, deliver, and perform this Settlement Agreement and to consummate the transactions contemplated herein, (b) that the execution, delivery, and performance of this Settlement Agreement and the consummation by it of the actions contemplated herein have been duly authorized by all necessary corporate action on the part of each signatory, and (c) that this Settlement Agreement has been duly and validly executed and delivered by each signatory and constitutes its legal, valid, and binding obligation.

10.3. The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiffs and each or any of them, on the one hand, against the Released Parties, and each or any of the Released Parties, on the other hand. Accordingly, the Parties agree not to assert in any forum that the Action were brought by Plaintiffs or defended by Defendants, or each or any of them, in bad faith or without a reasonable basis.

10.4. The Parties have relied upon the advice and representation of their respective counsel, selected by them, concerning the claims hereby released. The Parties have read and understand fully this Settlement Agreement and have been fully advised as to the legal effect hereof by counsel of their own selection and intend to be legally bound by the same.

10.5. Whether the Effective Date occurs or this Settlement Agreement is terminated, neither this Settlement Agreement nor the terms contained herein, nor any court order, communication, act performed, or document executed pursuant to or in furtherance of this

Settlement Agreement or the Settlement:

(a) is, may be deemed, or shall be used, offered, or received against the Released Parties, or each or any of them as an admission, concession, or evidence of the validity of any Released Claims, the appropriateness of class certification, the truth of any fact alleged by Plaintiff, the deficiency of any defense that has been or could have been asserted in the Action, the violation of any law or statute, the reasonableness of any of the State-Specific Settlement Funds or the Fee Award, or of any alleged wrongdoing, liability, negligence, or fault of the Released Parties, or any of them;

(b) is, may be deemed, or shall be used, offered, or received against Defendants as an admission, concession, or evidence of any fault, misrepresentation, or omission with respect to any statement or written document approved or made by the Released Parties, or any of them;

(c) is, may be deemed, or shall be used, offered, or received against Plaintiffs or the Settlement Classes, or each or any of them as an admission, concession, or evidence of the infirmity or strength of any claims asserted in the Action, the truth or falsity of any fact alleged by Defendants, or the availability or lack of availability of meritorious defenses to the claims raised in the Action;

(d) is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them as an admission or concession with respect to any liability, negligence, fault, or wrongdoing as against any Released Parties, in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. However, the Settlement, this Settlement Agreement, and any acts performed and/or documents executed in furtherance of or pursuant to this Settlement Agreement and/or Settlement may

be used in any proceedings as may be necessary to effectuate the provisions of this Settlement Agreement. Moreover, if this Settlement Agreement is approved by the Court, any of the Released Parties may file this Settlement Agreement and/or the Final Approval Order in any action that may be brought against such parties in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion, or similar defense or counterclaim;

(e) is, may be deemed, or shall be construed against Plaintiffs and the Settlement Classes, or each or any of them, or against the Released Parties, or each or any of them, as an admission or concession that the consideration to be given hereunder represents an amount equal to, less than, or greater than that amount that could have or would have been recovered after trial; and

(f) is, may be deemed, or shall be construed as or received in evidence as an admission or concession against Plaintiffs and the Settlement Classes, or each and any of them, or against the Released Parties, or each or any of them, that any of Plaintiffs' claims are with or without merit or that damages recoverable in the Action would have exceeded or would have been less than any particular amount.

10.6. The headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

10.7. The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any other prior or subsequent breaches of this Agreement.

10.8. All of the exhibits to this Settlement Agreement are material and integral parts hereof and are fully incorporated herein by reference.

purposes of implementing and enforcing the settlement embodied in this Agreement.

10.15. This Settlement Agreement shall be governed by and construed in accordance with the laws of the State of Illinois without reference to the conflicts of laws provisions thereof.

10.16. This Settlement Agreement is deemed to have been prepared by counsel for all Parties, as a result of arm's-length negotiations among the Parties. Whereas all Parties have contributed substantially and materially to the preparation of this Agreement, it shall not be construed more strictly against one party than another.

10.17. Where this Settlement Agreement requires notice to the Parties, such notice shall be sent to the undersigned counsel:

Class Counsel will also ask the Court to approve service awards for the Class Representatives of \$5,000 each for their efforts in achieving the Settlement. Each service award, as determined by the Court, shall be paid from their respective State-Specific Settlement Fund. The Court may award less than these amounts.

OPTING OUT FROM THE SETTLEMENT

If you are a Settlement Class Member and want to keep any right you may have to sue or continue to sue the Defendants or any of the Released Parties on your own based about the legal claims in this lawsuit or released by the Released Claims, then you must take steps to get out of the Settlement. This is called excluding yourself from—or “opting out” of—the Settlement.

16. How do I opt-out of the Settlement?

If you are a Settlement Class Member and you want to exclude yourself from the Settlement, you must mail a written request for exclusion, which includes the following:

- 1) The name of the case: *Hoffower et al. v. DemandBase, Inc. et al.*, Case No. 2025CH000014 (Circuit Court of LaSalle County, Illinois);
- 2) The State-specific Settlement Class you are seeking exclusion from (the Alabama Settlement Class, the California Settlement Class, the Illinois Settlement Class, the Indiana Settlement Class, the Ohio Settlement Class, the South Dakota Settlement Class, or the Nevada Settlement Class);
- 3) Your full name and current address;
- 4) Your personal physical signature; and
- 5) A statement that you want to be excluded from the Settlement Class, such as “I hereby request to be excluded from the Settlement in the *Insideview Right-to-Publicity Settlement*.”

The exclusion request must be mailed or emailed (as a signed attachment) to the Settlement Administrator.

If mailed, the exclusion request must be sent to the following address and be **postmarked** by **[DEADLINE]**:

Insideview Right-to-Publicity Settlement
Settlement Administrator
[PO BOX NUMBER]
Portland, OR 972[xx-xxxx]

If emailed, the exclusion request must be physically signed (digital signatures will not be accepted) and sent as an attachment to exclusions@xxxxxxxxxxx.com no later than **[DEADLINE]**.

No person may request to be excluded from a Settlement Class through “mass” or “class” opt-outs, meaning that each individual who seeks to opt out must send an individual, separate request to the Settlement Administrator that complies with all requirements listed above.

17. If I opt-out, can I still get anything from the Settlement?

Questions? Go to [www.xxxxxxxxxx.com] or call 1-[xxx-xxx-xxxx]

If you opt-out, you will not be entitled to receive a Settlement payment, and you will not be bound by the Settlement or any judgments in this lawsuit

18. If I do not opt-out, can I sue the Defendants for the same thing later?

No. Unless you opt-out, you give up any right to sue any of the Released Parties for the legal claims this Settlement resolves.

OBJECTING TO THE SETTLEMENT

19. How do I tell the Court that I do not like the Settlement?

If you are a Settlement Class Member, you can tell the Court you do not agree with all or any part of the Settlement.

To object, you must send timely written notice as provided below no later than **[DATE]**, by U.S. mail to the Clerk of the Court, Class Counsel, Defendants' Counsel and the Settlement Administrator postmarked by **[DATE]**, stating you object to the Settlement in *Hoffower et al. v. DemandBase, Inc. et al.*, Case No. 2025CH000014 (Circuit Court of LaSalle County, Illinois).

To file an objection, you cannot exclude yourself from the Settlement Class. Your objection must include all of the following information:

- 2) The case name *Hoffower et al. v. DemandBase, Inc. et al.*, Case No. 2025CH000014 (Circuit Court of LaSalle County, Illinois);
- 3) A statement that you believe yourself to be a member of the Alabama Settlement Class, the California Settlement Class, the Illinois Settlement Class, the Indiana Settlement Class, the Ohio Settlement Class, the South Dakota Settlement Class, or the Nevada Settlement Class;
- 4) Whether the objection applies only to you, to a specific subset of your respective class, or to the entirety of your class;
- 5) The specific grounds for the objection;
- 6) All documents or writings that you want the Court to consider;
- 7) The name and contact information of any and all attorneys representing, advising, or in any way assisting you in connection with the preparation or submission of the objection or who may profit from the pursuit of the objection;
- 8) A statement indicating whether you intend to appear at the Final Approval Hearing (either personally or through counsel, who must file an appearance or seek *pro hac vice* admission); and
- 9) Your signature as the objector (an attorney's signature is not sufficient).

To be timely, written notice of an objection including all of the information above must be mailed to the Clerk of Court, Class Counsel, Defendants' Counsel, and the Settlement Administrator **postmarked by [DATE]**, at the following addresses:

COURT	CLASS COUNSEL	DEFENDANTS' COUNSEL	SETTLEMENT ADMINISTRATOR
-------	---------------	---------------------	--------------------------

Questions? Go to [www.xxxxxxxx.com] or call 1-[xxx-xxx-xxxx]

Yes, as long as you do not exclude yourself (opt-out) and you file a timely written objection requesting to speak at the hearing, you can (but do not have to) participate and speak for yourself at the Final Approval Hearing. This is called making an appearance. You also can have your own lawyer speak for you, but you will have to pay for the lawyer yourself.

If you want to appear, or if you want your own lawyer instead of Class Counsel to speak for you at the hearing, you must follow all of the procedures for objecting to the Settlement listed in Question 19 above—and specifically include a statement as to whether you and your counsel will appear at the Final Approval Hearing.

IF YOU DO NOTHING

24. What happens if I do nothing at all?

If you are a Settlement Class Member and you do nothing, you will not receive Settlement payment, and you will give up rights explained in the “Opting Out from the Settlement” section of this Notice, including your right to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against any of the Released Parties about the legal issues in this lawsuit that are released by the Settlement.
