**IN THE CIRCUIT COURT OF THE FOURTH JUDICIAL CIRCUIT  
IN AND FOR DUVAL COUNTY, FLORIDA**

CASE NO.

LAUREN HOLDEN, *individually and on  
behalf of all others similarly situated,*

**CLASS ACTION**

Plaintiff,

vs.

**JURY TRIAL DEMANDED**

NORTONLIFELOCK INC.,

Defendant.

\_\_\_\_\_ /

**CLASS ACTION COMPLAINT**

Plaintiff Lauren Holden brings this class action against Defendant NortonLifeLock Inc., and alleges as follows upon personal knowledge as to Plaintiff and Plaintiff’s own acts and experiences, and, as to all other matters, upon information and belief, including investigation conducted by Plaintiff’s attorneys.

**NATURE OF THE ACTION**

1. This is a class action under the Florida Security of Communications Act, Fla. Stat. Ann. § 934.01, *et seq.* (“FSCA”), arising from Defendant’s unlawful interception of electronic communications. Specifically, this case stems from Defendant’s use of tracking, recording, and/or “session replay” software to intercept Plaintiff’s and the class members’ electronic communications with Defendant’s website, including how they interact with the website, their mouse movements and clicks, information inputted into the website, and/or pages and content viewed on the website.

2. Defendant intercepted the electronic communications at issue without the knowledge or prior consent of Plaintiff and the Class members. Defendant did so for its own

financial gain and in violation of Plaintiff's and the Class members' privacy rights under the FSCA. Such clandestine monitoring and recording of an individual's electronic communications has long been held a violation of the FSCA. *See, e.g., O'Brien v. O'Brien*, 899 So. 2d 1133 (Fla. 5th DCA 2005).

3. Defendant has intercepted the electronic communications involving Plaintiff and the Class members' visits to its website, causing them injuries, including invasion of their privacy and/or exposure of their private information.

4. Through this action, Plaintiff seeks injunctive relief to halt Defendant's unlawful interceptions. Plaintiff also seeks damages authorized by the FSCA on behalf of Plaintiff and the Class members, defined below, and any other available legal or equitable remedies resulting from the actions of Defendant described herein.

#### **PARTIES**

5. Plaintiff is, and at all times relevant hereto was, a citizen and resident of Duval County, Florida.

6. Defendant is, and at all times relevant hereto was, a corporation that maintains its primary place of business at 60 East Rio Salado Parkway, Suite 1000, Tempe, Arizona 85281.

#### **JURISDICTION AND VENUE**

7. This Court has subject matter jurisdiction pursuant to Florida Rule of Civil Procedure 1.220 and Fla. Stat. § 26.012(2). The matter in controversy exceeds the sum or value of \$30,000 exclusive of interest, costs, and attorney's fees.

8. Defendant is subject to personal jurisdiction in Florida because this suit arises out of and relates to Defendant's contacts with this state. Defendant intercepted electronic communications from and to Florida without the consent of Plaintiff and the Class members.

Plaintiff and the Class members were in Florida when Defendant's unlawful interceptions occurred, and were injured while residing in and physically present in Florida.

9. Venue for this action is proper in this Court because all facts giving rise to this action occurred in this circuit.

### **FACTS**

10. Defendant owns and operates the following website: [www.us.norton.com](http://www.us.norton.com).

11. Over the past year, Plaintiff visited Defendant's website approximately 20 times.

12. Plaintiff most recently visited Defendant's website on or about December 2020.

13. Plaintiff was in Florida during each visit to Defendant's website.

14. Upon information and belief, during one or more of these visits, Defendant utilized tracking, recording and/or "session replay" software to contemporaneously intercept Plaintiff's use and interaction with the website, including mouse clicks and movements, information inputted by Plaintiff, and/or pages and content viewed by Plaintiff. Defendant also recorded Plaintiff's location during the visits, as well as the time and dates of each visit.

15. Plaintiff never consented to interception of her electronic communications by Defendant or anyone else.

16. At no point in time did Plaintiff provide Defendant, its employees, or agents with consent to intercept Plaintiff's electronic communications.

17. Plaintiff and the putative Class members did not have a reasonable opportunity to discover Defendant's unlawful interceptions because Defendant did not disclose or seek their consent to intercept the communications.

18. Upon information and belief, Defendant similarly intercepted the electronic communications of other individuals located in Florida who visited Defendant's website.

19. Defendant's surreptitious interception Plaintiff's electronic communications caused Plaintiff harm, including invasion of her privacy and/or the exposure of private information.

### CLASS ALLEGATIONS

#### PROPOSED CLASS

20. Plaintiff brings this lawsuit as a class action on behalf of all other similarly situated persons pursuant to Florida Rule of Civil Procedure 1.220(b)(2) and (b)(3). The "Class" that Plaintiff seeks to represent is defined as:

**All persons residing within the State of Florida (1) who visited Defendant's website and (2) whose electronic communications were intercepted by Defendant or on Defendant's behalf (3) without their prior consent.**

21. Defendant and its employees or agents are excluded from the Class. Plaintiff reserves the right to modify or amend the Class definitions, as appropriate, during the course of this litigation.

#### NUMEROSITY

22. The Class members are so numerous and geographically dispersed that individual joinder of all Class members is impracticable. The precise number of Class members is unknown to Plaintiff, but may be readily ascertained from Defendant's records and is believed to be no less than 100 individuals. Class members may be notified of the pendency of this action by recognized, Court-approved notice dissemination methods, which may include U.S. Mail, electronic mail, Internet postings, and/or published notice

23. The identities of the Class members are unknown at this time and can be ascertained only through discovery. Identification of the Class members is a matter capable of ministerial determination from Defendant's records kept in connection with its unlawful interceptions.

#### COMMON QUESTIONS OF LAW AND FACT

24. There are numerous questions of law and fact common to the Class which predominate over any questions affecting only individual members of the Class. Among the questions of law and fact common to the Class are:

- (1) Whether Defendant violated the FSCA;
- (2) Whether Defendant intercepted Plaintiff's and the Class members' electronic communications;
- (3) Whether Defendant disclosed to Plaintiff and the Class Members that it was intercepting their electronic communications;
- (4) Whether Defendant secured prior consent before intercepting Plaintiff's and the Class members' electronic communications;
- (5) Whether Defendant is liable for damages, and the amount of such damages; and
- (6) Whether Defendant should be enjoined from such conduct in the future.

25. The common questions in this case are capable of having common answers. If Plaintiff's claim that Defendants routinely intercepts electronic communications without securing prior consent is accurate, Plaintiff and the Class members will have identical claims capable of being efficiently adjudicated and administered in this case.

**TYPICALITY**

26. Plaintiff's claims are typical of the claims of the Class members, as they are all based on the same factual and legal theories.

**PROTECTING THE INTERESTS OF THE CLASS MEMBERS**

27. Plaintiff is a representative who will fully and adequately assert and protect the interests of the Class and has retained competent counsel. Accordingly, Plaintiff is an adequate representative and will fairly and adequately protect the interests of the Class.

**SUPERIORITY**

28. A class action is superior to all other available methods for the fair and efficient adjudication of this lawsuit because individual litigation of the claims of all members of the Class is economically unfeasible and procedurally impracticable. While the aggregate damages sustained by the Class are potentially in the millions of dollars, the individual damages incurred by each member of the Class resulting from Defendant's wrongful conduct are too small to warrant the expense of individual lawsuits. The likelihood of individual Class members prosecuting their own separate claims is remote, and, even if every member of the Class could afford individual litigation, the court system would be unduly burdened by individual litigation of such cases.

29. The prosecution of separate actions by members of the Class would create a risk of establishing inconsistent rulings and/or incompatible standards of conduct for Defendant. For example, one court might enjoin Defendant from performing the challenged acts, whereas another may not. Additionally, individual actions may be dispositive of the interests of the Class, although certain class members are not parties to such actions.

**COUNT I**  
**Violations of the FSCA, Fla. Stat. Ann. § 934.03**  
**(On Behalf of Plaintiff and the Class)**

c. An award of actual, liquidated damages, and/or punitive statutory damages;

d. Reasonable attorney's fees and costs; and

e. Such further and other relief the Court deems reasonable and just.

**JURY DEMAND**

Plaintiff and Class Members hereby demand a trial by jury.

**DOCUMENT PRESERVATION DEMAND**

Plaintiff demands that Defendant take affirmative steps to preserve all records, lists, electronic databases or other itemizations associated with the allegations herein, including all records, lists, electronic databases or other itemizations in the possession of any vendors,

individuals, and/or companies contracted, hired, or directed by Defendant to assist in sending the alleged communications.
