**You can file your Claim Form [here](#).**

A settlement has been reached in a class action lawsuit against LastPass US LP (“LastPass”) relating to the data security incident that occurred between August 2022 and November 2022, in which a threat actor accessed certain LastPass systems and copied both encrypted and unencrypted data from LastPass’s cloud-based backup storage environment (the “2022 LastPass Data Security Incident” or “Incident”). LastPass provides subscription-based password management services for individuals and companies in the United States. LastPass denies any wrongdoing.

LastPass has reached a settlement in the lawsuit.
