Notice of Data Security Incident

Dear [REDACTED],

Indico Data Solutions (“Indico”) recently experienced a data security incident that may have impacted some of your personal information. Indico is a vendor that provides data ingestion and workflow organization services to companies in various industries and would have your information if provided by a customer. We take the security and privacy of all information seriously and sincerely apologize for any inconvenience this incident may cause you. This letter contains information about steps you can take to protect your information and resources we are making available to help you.

What Happened? On May 7, 2026, Indico determined that it had suffered a cybersecurity incident which may have involved unauthorized access to various online repositories containing customer information. We immediately implemented our incident response protocols, took steps to secure our environment, and worked with external cybersecurity specialists to investigate. On June 17, 2026, we determined that some of your personal information was present in documents stored in the online repositories.

What Information Was Involved? Information that may have been present includes your name, address, and Social Security number.

What We Are Doing: We have taken steps to help prevent a similar incident in the future, including, but not limited to, rotating access credentials, implementing additional monitoring tools, and tightening access controls.

In addition, although there has been no evidence that your information was misused, we are offering you **Single Bureau Credit Monitoring/Single Bureau Credit Report/Single Bureau Credit Score** services at no charge. These services provide you with alerts for 12 months from the date of enrollment when changes occur to your credit file. This notification is sent to you the same day that the change or update takes place with the bureau.

Finally, we are providing you with proactive fraud assistance to help with any questions that you might have or in event that you become a victim of fraud. These services will be provided by Cyberscout, a TransUnion company specializing in fraud assistance and remediation services.

How do I enroll for the free services? To enroll in Credit Monitoring services at no charge, please log on to <https://bfs.cyberscout.com/activate> and follow the instructions provided. When prompted please provide the following unique code to receive services: [REDACTED]. In order for you to receive the monitoring services described above, you must enroll within 90 days from the date of this letter. The enrollment requires an internet connection and e-mail account and may not be available to minors under the age of 18 years of age. Please note that when signing up for monitoring services, you may be asked to verify personal information for your own protection to confirm your identity.

What You Can Do: We encourage you to remain vigilant by reviewing your account statements and credit reports for any unauthorized activity over the next 12 months. If you see any suspicious activity, you should immediately contact your financial institution. Additional information about protecting your identity is included in this letter, including recommendations by the Federal Trade Commission regarding identity theft protection and details on how to place a fraud alert or a security freeze on your credit file. We also encourage you to take full advantage of the service offering through Cyberscout.

For More Information: Representatives are available for 90 days from the date of this letter to assist you with questions regarding this incident, between the hours of 8:00 a.m. to 8:00 p.m. Eastern Time, Monday through Friday, excluding holidays. Please call 1-800-405-6108 and supply the fraud specialist with your unique code listed above.

Protecting all information in our control is important to us, and we sincerely apologize for any concern this incident may cause you.

Sincerely,

Indico Data Solutions
