IT IS THIS 21st day of April, 2026

ORDERED as follows:

I. Preliminary Approval of the Settlement

1. Upon review of the record, the Court finds that the Settlement Agreement resulted from arm's-length negotiations between highly experienced counsel under the auspices of a neutral mediator and that the Court is likely to grant final approval of the Settlement. Therefore, the Settlement Agreement is hereby preliminarily approved, subject to further consideration thereof at the Fairness Hearing described below. The Court preliminarily finds that the Settlement set forth in the Settlement Agreement raises no obvious reasons to doubt its fairness and raises a reasonable basis for presuming that it satisfies the requirements under Rule 23 of the Federal Rules of Civil Procedure and due process so that notice of the Settlement should be given as provided in this Order.

2. At or after the Fairness Hearing, the Court shall determine, among other matters, whether the Settlement warrants final approval.

II. Provisional Certification of the Settlement Class for Settlement Purposes Only

3. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, and solely for the purpose of effectuating the Settlement, this Court provisionally certifies a Settlement Class defined as "all individuals for whom Labcorp transmitted personal information to Retrieval-Masters Creditor's Bureau, Inc. d/b/a American Medical Collection Agency ("AMCA"), and whose information was contained in the computer systems implicated by the cybersecurity incident at AMCA that occurred between approximately August 2018 and March 2019." The following entities and individuals are excluded from the definition of "Settlement Class Members":

- a. Defendant and its respective officers and directors;
- b. the Judge and/or Magistrate assigned to evaluate the fairness of this settlement;
- c. any other Person found by a court of competent jurisdiction to be guilty under criminal law of initiating, causing, aiding, or abetting the Security Incident or who pleads nolo contendere to any such charge; and
- d. All Persons who would otherwise be Settlement Class Members but who timely and validly request exclusion from the Settlement Class.

The provisional certification of the Settlement Class for settlement purposes shall be vacated and have no force or effect if the Settlement is terminated or not approved by the Court.

4. Solely for purposes of effectuating the proposed Settlement, the Court preliminarily finds that the prerequisites for class action certification under Rule 23 of the Federal Rules of Civil Procedure are satisfied as: (a) the members of the Settlement Class are so numerous that joinder of all Settlement Class Members in the Action is impracticable; (b) there are questions of law and fact common to the Settlement Class; (c) the claims of Plaintiffs are typical of the claims of the Settlement Class; (d) the interests of all Settlement Class Members are adequately represented by Plaintiffs and Plaintiffs' Counsel; (e) the issues common to Settlement Class Members predominate over any individualized issues; and (f) a class action is superior to other available methods for the fair and efficient adjudication of the controversy. These preliminary findings shall be vacated and have no force or effect if the Settlement is terminated or not approved by the Court.

5. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, and solely for the purposes of effectuating the Settlement, Plaintiffs Aleksander Nazemnikov, Cameron Spencer, Carol Kaplan, Debra Wrenn, Edith Thrower, George Rothwell, Holly Laufenberg, Justin Nelson-Carter, Khristopher Thomas, Martha Cuvillier, Melanie Vazquez, Rosaria Gadero, Sandra Lassiter, Sheera Harris, Sherrie Palmer, Timothy Judelsohn, Tracy Buhr, Valerie Scott, Tatyana Shulman, David Finch, Gina Allende, and Wendy Wallach are appointed as Settlement Class

Representatives for the Settlement Class and Plaintiffs' Counsel are appointed as counsel for the Settlement Class. These designations shall be vacated if the Settlement is terminated or not approved by the Court.

III. Notice to the Settlement Class

6. The Court approves the appointment of Kroll as Settlement Administrator for the Settlement.

7. The Court finds the proposed form of notice to Settlement Class Members of the proposed Settlement ("Notice"), the proposed summary form of notice ("Short Form Notice"), and the proposed methods of dissemination thereof, as set forth herein, satisfy the requirements under Rule 23 of the Federal Rules of Civil Procedure and due process, and therefore are approved.

8. Within five (5) days after entry of this Order, the Settlement Administrator will be provided the Settlement Class Data that includes the Settlement Class Members' full names and current or last known mailing addresses, to the extent reasonably available.

9. The Settlement Administrator shall cause the Short Form Notice, substantially in the form attached as Exhibit B to the Settlement Agreement, to be disseminated no later than forty-five (45) calendar days following the date of the entry of this Order (the "Notice Date") via email, if known, or first class mail, postage prepaid to each potential Settlement Class Member who is readily and reasonably identified.

10. On or before the Notice Date, the Settlement Administrator shall create a website for the Settlement (the Settlement Website) and establish a settlement-specific toll-free telephone number.

11. The Settlement Administrator shall cause the Long Form Notice, substantially in the form attached to the Settlement Agreement as Exhibit C, and the Claim Form, substantially in

the form attached to the Settlement Agreement as Exhibit A, to be posted on the Settlement Website as soon as practicable.

12. On or before the Notice Date, the Settlement Administrator shall establish a post office box where Settlement Class Members can send completed Claim Forms, requests for exclusion, and other correspondence relating to the Settlement.
