Dear <<First_Name>>,

Lennar Mortgage, LLC is writing to notify you about an event that may have impacted some of your sensitive personal information. This notice provides details about the event, measures we have taken in response, and additional steps you can take to help protect your sensitive personal information, if you feel it is necessary to do so.

What Happened? On June 1, 2026, we became aware of a potential issue involving a limited portion of our information systems. We immediately took steps to secure our systems and, with the assistance of a third-party forensics team, investigate the extent of this activity. We then determined that an unauthorized party used sophisticated social engineering tactics to access some of our systems between May 26, 2026 and June 1, 2026.

What Information Was Involved? As part of our investigation, we assessed what sensitive personal information may have been impacted in connection with the event. We concluded this assessment on August 4, 2026 and determined that the sensitive personal information of certain individuals, including you, may have been affected. Such sensitive personal information may include your <<b2b_text_2 (name, contact information, + Data Elements)>><<.
