## **II. LITIGATION BACKGROUND**

A. Plaintiffs allege that, during the Class Period, Defendant deceptively advertised discounts of its products on its website, Evryjewels.com. Based on these allegations, Plaintiff Katie Beaver filed suit on September 3, 2024, in the Central District of California, alleging claims on behalf of herself and a class of others similarly situated (the "Claims"), primarily under California law. In February 2025, Plaintiffs Juliette Lundborg, and AnneMarie McQuillan sent demand letters to Defendant asserting similar claims under Oregon and Washington law.

B. Defendant expressly denies any liability or wrongdoing of any kind or that Plaintiffs or any putative Class member has been damaged in any amount or at all in connection with the claims alleged in the Action, and further contends that, for any purpose other than Settlement, this Action is not appropriate for class treatment. Defendant does not admit or concede any actual or potential fault, wrongdoing, or liability against it in the Action or any other actions. Defendant maintained during the entire pendency of the Action, and continues to maintain, that the challenged advertising practices are not deceptive or misleading as a matter of law.

C. The Parties began discussing settlement in September 2024, and engaged in negotiations regarding the Claims over an eight-month period. During the course of those negotiations, the Parties exchanged informal discovery, including financial and sales information relevant to the claims and alleged damages. Class Counsel spent significant time and effort analyzing that information to understand Defendant's liability and the potential damages models

available to Plaintiffs and the putative class. The Parties also participated in two mediations with Bruce Friedman of JAMS. In the lead-up to the first mediation, the Parties prepared substantive, detailed mediation briefs that addressed their respective claims. At each of the two mediations, the Parties did not reach a settlement but continued to engage in extensive negotiations, including through multiple communications with the mediator. While simultaneously engaging in negotiations, the Parties conducted a Rule 26(f) conference in the *Beaver* matter and conferred on and proposed a case schedule to the Court in case settlement discussions were not successful. As a result of these lengthy, substantive, and good faith negotiations, Class Counsel was able to assess thoroughly the claims of the Settlement Class Members and Defendant's marketing practices and Defendant's defenses.

D. After the second mediation, on March 21, 2025, the mediator issued a mediator's proposal. And on April 23, 2025, the mediator announced that both sides had accepted the mediator's proposal. Following the acceptance of the mediator's proposal, the Parties began to negotiate this Agreement, which involved several back-and-forth drafts.

E. Based on the above-outlined investigation and litigation, the current state of the law, the expense, burden and time necessary to prosecute the Claims through trial and possible appeals, the risks and uncertainty of further prosecution of the Claims considering the defenses at issue, the sharply contested legal and factual issues involved, and the relative benefits to be conferred upon the Settlement Class Members pursuant to this Agreement, Plaintiffs and Class Counsel have concluded that a Settlement with Defendant on the terms set forth in this Agreement is fair, reasonable, adequate, and in the best interests of the Settlement Class, given all known facts and circumstances.

### **III. TERMS OF SETTLEMENT**

In consideration of the mutual covenants and promises set forth herein, and subject to Court approval, the Parties agree as follows:

A. Consolidation of the Claims for Settlement Purposes: To conserve judicial and party resources, and to ensure that the court overseeing the approval of the Settlement has subject

matter jurisdiction over all Claims, the Parties agree that Plaintiff Beaver shall dismiss the *Beaver* action without prejudice and that Plaintiffs shall file a consolidated complaint in the Circuit Court for the State of Oregon. The consolidated complaint shall name all three Plaintiffs as Class Representatives and shall assert claims on behalf of California, Washington, and Oregon consumers. The Parties will seek approval of the settlement in this single, consolidated action. For Settlement purposes only, Defendant will not contest personal jurisdiction or venue in the Oregon case as to any Class Representative or Class Member. The claims dismissed without prejudice in *Beaver* in accordance with this Agreement shall be treated for all purposes as though they were filed as of the date of the *Beaver* complaint.

B. Conditional Certification of Class. For Settlement purposes only, and without any finding or admission of any wrongdoing or fault by Defendant, and solely pursuant to the terms of this Agreement, the Parties consent to and agree to the establishment of a conditional certification of the Settlement Class pursuant to the applicable rules governing class actions. This certification is conditional on the Court's approval of this Agreement. In the event the Court does not approve all material terms of the Agreement, or if the Agreement is voluntarily or involuntarily terminated for any reason, then certification of the Settlement Class shall be void and this Agreement and all orders entered in connection therewith, including but not limited to any order conditionally certifying the Settlement Class, shall become null and void and shall be of no further force and effect and shall not be used or referred to for any purposes whatsoever in the Action or in any other case or controversy. And, in such an event, this Agreement and all negotiations and proceedings related thereto shall be deemed to be without prejudice to the rights of any and all Parties, who shall be restored to their respective positions as of the date of this Agreement, and Defendant has not and shall not be deemed to have waived any opposition or defenses it has to any aspect of the claims asserted herein or to whether those claims are amenable to class-based treatment. In addition, in such an event, Plaintiff Beaver may re-file the *Beaver* action within **thirty (30) days**, and, if Plaintiff Beaver does so, the Parties agree that that re-filed action shall be treated as though it was filed as of the initial filing date of the *Beaver* action for all purposes, including for purposes

of any statute of limitation defense as to Plaintiffs' claims and as to the claims of any unnamed putative class members.

C. Relief for the Settlement Class.

1. Benefits to Settlement Class Members: Subject to the rights, terms, and conditions of this Agreement, each Settlement Class Member who submits a valid Claim Form will receive a cash payment (Cash Benefit) in the amount of \$14 per order placed on Defendant's website during the Class Period. Each Settlement Class Member who does not submit a valid Claim Form will automatically receive a credit voucher (Credit Benefit) in the amount of \$14 per order placed on Defendant's website during the Class Period. Defendant represents and warrants, based on its sales records, that Settlement Class Members placed approximately 250,000 orders on its website during the Class Period. Accordingly, the Parties estimate that the total value of the Cash and Credit Benefits that will be distributed to Class Members under this Settlement is approximately \$3,500,000.

2. Funding of Cash Benefit Fund. Within **fourteen calendar (14) days** of the Effective Date, Defendant shall pay to the Settlement Administrator an amount equal to the Cash Benefit Fund. The Cash Benefit Fund will be distributed to Settlement Class Members in accordance with the terms of this Agreement. In no circumstances will any of it revert back to Defendant.

3. Cash Benefit Election and Delivery: If a Settlement Class Member submits a valid Claim Form electing to receive a Cash Benefit, the Settlement Class Member will receive the payment they are due under this Agreement in the form of a Cash Benefit, to be paid out of the Cash Benefit Fund. Settlement Class Members who elect to receive a Cash Benefit will each receive \$14. The Settlement Administrator shall distribute Cash Benefits to each Settlement Class Member entitled to receive them out of the Cash Benefit Fund, via electronic payment or check, at the Class Member's election, within **fourteen (14) calendar days** of the Cash Benefit Fund being funded.

4. Credit Benefit Election and Delivery: Defendant will provide a \$14 Credit Benefit to each Settlement Class Member who does not submit a valid Claim Form electing to receive a Cash Benefit, without any requirement for the Settlement Class Member to fill out a claim form or take any other affirmative action. Defendant will deliver Credit Benefits to Settlement Class Members by email within **fourteen (14) calendar days** after the Effective Date. Wherever feasible, Defendant will send Credit Benefits to the most recent email address a Class Member used to make purchases from Defendant. To ensure that all Class Members who do not elect to receive a Cash Benefit receive a Credit Benefit, the distributed Mail Notice will direct Class Members whose Email Notice bounced back to provide a current email address to the Settlement Administrator by the Claim Deadline. The Settlement Administrator will provide Defendant all email addresses provided by Class Members within **fourteen (14) calendar days** after the Claim Deadline. For Class Members who provided an email address in response to the Mail Notice, Defendant will send Credit Benefits to that email address.

5. Use of Credit Benefits: Credit Benefits can be used to make any purchase of any product from Defendant, with no restriction. Credit Benefits can be combined with any other discount or offer and are freely transferable. If a Credit Benefit used in connection with an order exceeds the total amount of the order (including any taxes that may apply), then any unused Credit Benefit will remain useable and can be applied toward future orders. Credit Benefits can be used at any time, with no blackout dates, and do not expire.

D. Releases.

1. Release of Defendant. Upon payment and distribution of all benefits owed under this Agreement (including all Cash Benefits, Credit Benefits, Administration Costs, and any Fee Award or Incentive Award awarded by the Court), except as to such rights or claims as may be created by this Agreement, and in consideration for the Settlement benefits described in this Agreement, Plaintiffs and the Settlement Class shall fully release and discharge Defendant and all its present and former parent companies, subsidiaries, shareholders, officers, directors, employees, agents, servants, registered representatives, affiliates, successors, personal representatives, heirs

and assigns, retailers, suppliers, distributors, endorsers, consultants, and any and all other entities or persons upstream and downstream in the production/distribution channels, but only in their capacity as such (together, the “Discharged Parties”) from all claims, demands, actions, and causes of action of any kind or nature whatsoever, whether at law or equity, arising under federal, state, or local law, that Plaintiffs or Settlement Class Members ever had, now have, or may have against the Discharged Parties in any other court, tribunal, arbitration panel, commission, or agency, or before any governmental and/or administrative body, or any other adjudicatory body, based on or arising from the Discharged Parties’ representations, advertising, marketing and/or sales on the Defendant’s website, Evryjewels.com, during the Class Period, which were alleged in the *Beaver* complaint, or which arise from the same facts and claims alleged in the *Beaver* complaint (“Released Claims”). This is notwithstanding that Plaintiffs and the Settlement Class acknowledge that they may hereafter discover facts in addition to or different from those that they now know or believe to be true concerning the subject matter of the Action and/or the Released Claims herein. Plaintiffs expressly understand and acknowledge that certain principles of law, including but not limited to Section 1542 of the Civil Code of the State of California provide that:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASEING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Plaintiffs agree that the provisions of all such principles of law or similar federal or state laws, rights, rules or legal principles are hereby knowingly and voluntarily waived, relinquished, and released by the Plaintiffs.

2. Release of Class Representatives and Class Counsel. Upon the Effective Date, except as to such rights or claims as may be created by this Agreement, and in consideration

for the Settlement benefits described in this Agreement, Defendant shall fully release and discharge Plaintiffs, Settlement Class Members, and Class Counsel from all claims, demands, actions, and causes of action of any kind or nature whatsoever, whether at law or equity, known or unknown, direct, indirect, or consequential, liquidated or unliquidated, foreseen or unforeseen, developed or undeveloped, arising under common law, regulatory law, statutory law, or otherwise, whether based on federal, state or local law, statute, ordinance, regulation, code, contract, common law, or any other source, or any claim that Defendant ever had, now has, may have, or hereafter can, shall or may ever have against Plaintiffs, Settlement Class Members, and Class Counsel in any other court, tribunal, arbitration panel, commission, or agency, or before any governmental and/or administrative body, or any other adjudicatory body, on the basis of or arising from the institution or prosecution of the Action, notwithstanding that Defendant acknowledges that it may hereafter discover facts in addition to or different from those that it now knows or believes to be true concerning the subject matter of the Action and/or the Released Claims herein.

E. Attorneys' Fees/Costs and Incentive Awards.

1. Defendant agrees to pay Class Counsel attorneys' fees and costs, as approved by the Court, of up to \$875,000 without reducing the amount of money available to pay Cash or Credit Benefits to Class Members, or reducing the amount of money available to pay for the work performed by the Settlement Administrator. After the Court preliminarily approves the Settlement, Class Counsel may move the Court for a reasonable award of attorneys' fees and costs and expenses of up to \$875,000 ("Fee Award"). Defendant agrees that it will not object to a request for a Fee Award up to this amount. Court approval of attorneys' fees, costs, and expenses, or their amount, will not be a condition of the Settlement. Should the Court award less than the full \$875,000 available to pay for Class Counsel's Fee Award, any difference between the amount made available and the amount actually awarded by the Court shall be divided and distributed in equal amounts to eligible Settlement Class Members who filed a valid Claim Form and elected to receive payment as a Cash Benefit. Under no circumstances shall any of the amount made available to pay for Class Counsel's Fee Award revert to or be kept by Defendant. If Defendant's

representation as to the number of orders placed by Class Members during the Class Period set forth subsection (C)(1) above understates the true number of Class Members by 5% or more (i.e., if the true number of orders placed by Class Members during the Class Period is 262,500 or more), then the Fee Award that Class Counsel may apply for and that Defendant agrees to pay will be increased proportionally. For example, if the true number of orders placed by Class Members during the Class Period turns out to be 275,000, then Class Counsel will be permitted to apply for, and Defendant agrees to pay, a Fee Award of up to \$962,500.

2. Defendant will pay the Fee Award awarded by the Court in accordance with the following payment schedule, subject to Class Counsel providing a stipulated undertaking that is substantively identical to the stipulated undertaking approved by the Court in *Taylor v. Trusted Media Brands, Inc.*, S.D.N.Y., Case No. 16-cv-01812-KMK (Dkt. No. 70-1, Ex. E): (a) Defendant will pay 50% of the Fee Award to Class Counsel via wire transfer on the later of the following dates: (i) within **fourteen (14) calendar days** after entry of the Court's final judgment; (ii) December 3, 2025; (b) Defendant will pay the remainder of the Fee Award to Class Counsel via wire transfer on the later of the following dates: (i) within **fourteen (14) calendar days** after entry of the Court's final judgment; (ii) December 29, 2025.

3. Defendant agrees to pay Plaintiffs Incentive Awards of up to \$5,000 each, without reducing the amount of money available to pay Cash or Credit Benefits to Class Members, or reducing the amount of money available to pay for the work performed by the Settlement Administrator. After the Court preliminarily approves the Settlement, Plaintiffs may apply to the Court for Incentive Awards in an amount not to exceed \$5,000 each, for their participation as Class Representatives. Defendant agrees not to object to a request for Incentive Awards up to this amount. Defendant will pay any Incentive Awards approved by the Court to Class Counsel's client trust account via wire transfer within **fourteen (14) calendar days** after the Effective Date. Court approval of the incentive awards, or their amount, will not be a condition of the Settlement.

4. Plaintiffs and Class Counsel will provide Defendant all identification information necessary to effectuate the payment of Fee Award and Incentive Awards, including,

but not limited to, Taxpayer Identification Number(s), and completed Internal Revenue Service Form(s) W-9.

5. Except for the Fee Award and Incentive Awards to be paid to Class Counsel and Plaintiffs as specifically provided in this Agreement, Defendant does not agree to pay and shall not be responsible or liable under this Agreement for the payment of any attorneys' fees or expenses of Class Counsel, Plaintiffs, the Settlement Class, and Settlement Class Members, any person or entity that may object to the Agreement, or any attorney who may represent any person or entity that may object to the Agreement, in connection with the Action or in connection with any claim that was or could have been alleged in the Action.

#### **IV. SETTLEMENT ADMINISTRATION AND NOTICE**

A. All notice and claims administration activities shall be carried out exclusively by the Settlement Administrator.

B. Administration Costs. Defendant shall pay sums to cover any reasonable Administration Expenses to the Settlement Administrator as they become due. The Parties have agreed that Administration Expenses in this case will not exceed \$67,500.

C. Notice.

1. To the extent available in Defendant's records, Defendant will provide the Settlement Administrator a customer list of Settlement Class Members, including name, the number of orders placed by each Settlement Class Member during the Class Period, the shipping address associated with each Settlement Class Member's most recent purchase, and the most current email address associated with the Settlement Class Member in Defendant's records, for the purpose of administering the settlement reached pursuant to this Agreement. This information shall be held strictly confidential, and shall not be shared with Class Counsel under any circumstances.

2. The Settlement Administrator shall provide Class Notice in the forms approved by the Court, as detailed below, no later than **thirty (30) days** after Preliminary Approval (defined above as the "Notice Date").

3. Email Notice. The Settlement Administrator shall provide for Email Notice by sending an email substantially in the same form as Exhibit A to the email addresses for Settlement Class Members identified by Defendant. This contact information for the Settlement Class Members will be shared with the Settlement Administrator but not Class Counsel, who shall be restricted from accessing this contact information.

4. Mail Notice. If an original Email Notice is returned as undeliverable, the Settlement Administrator will send a Mail Notice in substantially the same form as Exhibit C via first class U.S. mail, postage pre-paid to the shipping address provided by Defendant and associated with the Settlement Class Member's most recent purchase on Evryjewels.com. The Mail Notice will instruct Settlement Class Members to provide the Settlement Administrator with a current email address for settlement purposes only by the Claim Deadline. The Settlement Administrator shall provide Defendant all email addresses provided by Class Members within **fourteen (14) calendar days** after the Claim Deadline.

5. Website Notice. The Settlement Administrator will establish and maintain the Settlement Website. The Settlement Website will be dedicated to the Settlement. On the Settlement Website will be posted the Long Form Notice, the Claim Form, a copy of this Agreement, the Preliminary Approval Order, and any other materials the Parties agree to include. The Settlement Website shall also provide for the straightforward and user-friendly online submission of Claim Forms, and instructions as to how to access further case information, including through the Court. The Settlement Website will also explain Settlement Class Members' right to opt out of or object to the Settlement, and provide the dates to opt out of or object to the settlement. The Settlement Website shall also state the date of the Fairness Hearing, that the date may change without further notice, and that Settlement Class Members should be advised to check the Settlement Website to confirm that the date has not been changed. These documents and information shall be available on the Settlement Website no later than the Notice Deadline and remain until **thirty (30) days** after distribution of all Settlement Awards. The Settlement Website shall not include any advertising and shall not bear or include Defendant's logo or trademarks.

6. Toll-Free Number. The Settlement Administrator shall establish and host an automated case-specific toll-free number to allow Class Members to learn more and to request further information about the Action.

D. Claim Process. Settlement Class Members may elect to receive a Cash Benefit by submitting a valid Claim Form to the Settlement Administrator via a web form on the Settlement Website during the Claim Period. Settlement Class Members may, at their option, submit a paper Claim Form which will be accepted upon receipt as valid by the Settlement Administrator if the claim is otherwise valid. Settlement Class Members who do not submit a Claim Form electing to receive payment in the form of a Cash Benefit shall automatically receive a Credit Benefit without the need to file a Claim or take any other affirmative step. The Settlement Administrator will use adequate and customary procedures and standards to prevent the payment of fraudulent claims. This may include measures such as using a Settlement Class Member identifier to access and file claims and/or validating claims against Defendant's records. The Settlement Administrator shall have the right to audit Claims, and the Settlement Administrator may request additional information from Settlement Class Members submitting Claims. If any Settlement Class Member submits a Claim Form and elects to receive a Cash Benefit but fails to follow the instructions included on the Claim Form, the Cash Benefit election shall be denied, and such Settlement Class Member shall instead receive payment in the form of a Credit Benefit for each qualifying order placed on Defendant's website. The Settlement Administrator shall maintain records of all Claim Forms until **ninety (90) days** after all valid Claims have been finally resolved and the Settlement Administrator has issued payment to those Settlement Class Members who submitted valid Claims and elected to receive a Cash Benefit, and such records will be made available upon request to Class Counsel and Defendant's counsel at the end of the **ninety (90) day period**. The Settlement Administrator also shall provide such reports, declarations, and such other information to the Court as the Court may require or as Class Counsel or Defendant requests.

E. Final Tally. The Settlement Administrator shall provide weekly reports to counsel for Defendant and Plaintiffs stating the number of Claims received, and the number of any Claims

that have been denied. Within **seven (7) calendar days** after the close of the Claim Period, the Settlement Administrator shall provide the Parties with the total number of valid and timely Claims received and approved electing the Cash Benefit option, and the number of orders associated with each approved Claim Form, to establish the amount of the Cash Benefit Fund. The Settlement Administrator shall also provide Defendant with a list of Settlement Class Members who submitted a valid and timely Claim electing the Cash Benefit option and the number of orders placed during the Class Period by each Class Member.

**V. PROCEDURES FOR OBJECTING TO OR REQUESTING EXCLUSION FROM SETTLEMENT**

A. Objections. Only Settlement Class Members may object to the Settlement. A Settlement Class Member who wishes to object to the Settlement must do so in writing by the Objection/Exclusion Deadline. All written objections and supporting papers must (a) contain and clearly identify the case name and number; and (b) be mailed to the Settlement Administrator at Angeion Group, 1650 Arch Street, Suite 2210, Philadelphia, PA 19103. The Settlement Administrator will provide any written objections received to Class Counsel and Defendant within **five (5) calendar days**, and Class Counsel will file them with the Court. Written objections must also contain: (1) the full name, address and telephone number of the Settlement Class Member; (2) a written statement of all grounds for the objection accompanied by legal support for the objection (if any); (3) any papers, briefs or other documents upon which the objection is based; (4) a list of all persons who will be called to testify in support of the objection (if any); (5) a statement of whether the Settlement Class Member intends to appear at the Fairness Hearing; (6) proof of membership in the Class, or a signed statement attesting, under penalty of perjury, that they were a California, Washington, or Oregon resident who purchased one or more products from Defendant's website during the Class Period; (7) a list of all objections filed by the objector and his or her counsel to class action settlements in the last three years; and (8) the signature of the Settlement Class Member and her or his counsel, if any. No Settlement Class Member shall be heard at the Fairness Hearing (whether individually or through separate counsel) unless written

notice of the Settlement Class Member's intention to appear at the Fairness Hearing, and copies of any written objections or briefs, have been timely submitted to the Court. The date of the postmark on the mailing envelope or a legal proof of service accompanied by a file-stamped copy of the submission shall be the exclusive means used to determine whether an objection and/or notice of intention to appear has been timely filed and served. If the postmark is illegible, the objection and/or notice to appear shall be deemed untimely unless it is received by the Court within **two (2) calendar days** of the Objection/Exclusion Deadline. Settlement Class Members who fail to timely submit a written objection in the manner specified above shall be deemed to have waived any objections and shall be foreclosed from making any objection (whether by appeal or otherwise) to the Settlement. Class Counsel shall, at least **fourteen (14) calendar days** (or such other number of days as the Court shall specify) before the Fairness Hearing, file any responses to any written objections submitted to the Court by Settlement Class Members in accordance with this Agreement.

B. Procedure for Requesting Exclusion. Settlement Class Members who wish to opt out of this Settlement must submit a written statement to the Settlement Administrator by the Objection/Exclusion Deadline. To be valid, each request for exclusion must: (a) state the Settlement Class Member's name, address, and phone number; (b) be signed by the Settlement Class Member; and (c) include the statement "I/we request to be excluded from the class settlement" and include the case number. No "class" or "mass" exclusions shall be permitted. Requests to opt-out that do not include all required information and/or that are not submitted on a timely basis, will be null, void, and ineffective. The date of the postmark on the mailing envelope shall be the exclusive means used to determine whether a Settlement Class Member's opt-out/exclusion request has been timely submitted. If the postmark is illegible, the opt-out/exclusion request shall be deemed untimely unless it is received by the Settlement Administrator within **two (2) calendar days** of the Objection/Exclusion Deadline. Any Settlement Class Member who properly opts out of the Settlement Class using this procedure will not be entitled to any Settlement Award, will not be bound by the Settlement, and will not have any right to object, appeal or

comment thereon. Settlement Class Members who fail to submit a valid and timely request for exclusion on or before the Objection/Exclusion Deadline shall be bound by all terms of the Settlement and any final judgment entered in this litigation if the Settlement is approved by the Court, regardless of whether they ineffectively or untimely requested exclusion from the Settlement.

C. No Solicitation of Settlement Objections or Exclusions. The Parties agree to use their best efforts to carry out the terms of this Settlement. At no time will any of the Parties or their counsel seek to solicit or otherwise encourage any Settlement Class Members to object to the Settlement, or request exclusion from participating as a Settlement Class Member or encourage any Settlement Class Member to appeal from the final judgment.

## **VI. PRELIMINARY APPROVAL OF SETTLEMENT**

Following full execution of this Agreement, Plaintiffs will move the Court for entry of a Preliminary Approval Order that specifically includes provisions that: (a) preliminarily approve the Settlement as fair, adequate and reasonable to the Settlement Class, and within the reasonable range of possible final approval; (b) conditionally certify the Settlement Class for Settlement purposes only and appoint Class Counsel as counsel for the Settlement Class for Settlement purposes only; (c) approve the forms of Class Notice and find that the notice constitutes the best notice practicable under the circumstances, provides due and sufficient notice to the Settlement Class and fully satisfies the requirements of due process and the applicable rules governing class action settlements; (d) direct that notice be provided to the Settlement Class, in accordance with this Agreement, by the Notice Deadline; (e) establish a procedure for persons in the Settlement Class to object to the Settlement or exclude themselves from the Settlement Class by the Objection/Exclusion Deadline, after which no one shall be allowed to object to the Settlement or exclude himself or herself from the Settlement Class or seek to intervene; (f) approve the Claim Form and the Claims Process described herein, and set a deadline for timely submission of claims; (g) pending final determination of whether the Settlement should be approved, bar all persons in the Settlement Class from commencing or prosecuting against any of the Discharged Parties any

action, arbitration, or proceeding in any court, arbitration forum or tribunal asserting any of the Released Claims; (h) pending final determination of whether the Settlement should be approved, stay all proceedings in the Action except those related to effectuation of the Settlement; (i) schedule the Fairness Hearing on Final Approval of the Settlement; and (j) provide that, in the event the proposed Settlement set forth in this Agreement is not approved by the Court, or in the event that this Agreement becomes null and void pursuant to its terms, this Agreement and all orders entered in connection therewith, including but not limited to any order conditionally certifying the Settlement Class, shall become null and void and shall be of no further force and effect and shall not be used or referred to for any purposes whatsoever in the Action or in any other case or controversy; and that in such an event, this Agreement and all negotiations and proceedings related thereto shall be deemed to be without prejudice to the rights of any and all Parties hereto, who shall be restored to their respective positions as of the date of this Agreement. In the event the Court does not enter a Preliminary Approval Order like that described herein, or decides to do so only with substantial modifications, then the Parties have the right, but not the obligation, to terminate this Agreement.

## **VII. FINAL APPROVAL OF SETTLEMENT**

Not later than **seventy-five (75) calendar days** after Preliminary Approval, or on a date ordered by the Court, Plaintiffs shall file a Motion for Final Approval of the Settlement. Plaintiffs shall request that the Court enter a Final Approval Order that specifically includes provisions that: (a) finally approve the Settlement as fair, reasonable and adequate to the Settlement Class Members; (b) find that the Class Notice as given was the best notice practicable under the circumstances, is due and sufficient notice to the Settlement Class and fully satisfies the requirements of due process and the applicable rules governing class action settlements; (c) approve the plan of distribution of the Settlement Awards; (d) finally certify the Settlement Class; (e) confirm that Plaintiffs and the Settlement Class Members have released all Released Claims and are permanently barred and enjoined from asserting, commencing, prosecuting or continuing any of the Released Claims against the Discharged Parties; and (f) dismiss the Action with

prejudice, without costs to any Party, except as provided in this Agreement, and subject to the Court's retaining continuing jurisdiction over the Parties for the purpose of enforcement of the terms of this Agreement.

#### **VIII. UNCASHED SETTLEMENT AWARDS**

To the extent Settlement Awards are provided by check instead of electronically, the expiration date for settlement checks will be **one hundred and eighty (180) calendar days** from the date the settlement checks are issued, unless otherwise extended by agreement of the Parties. Un-cashed settlement checks may be reissued where appropriate, including where the Settlement Class Member states that he or she never received the check, in which case the Settlement Administrator will stop payment on the uncashed check and re-issue the check. Any funds remaining because of un-cashed checks will be sent by the Settlement Administrator to the National Consumer Law Center and will not revert to Defendant. Neither Plaintiffs' nor Defendant's counsel has any relationship with the National Consumer Law Center.

#### **IX. PARTIES' AUTHORITY**

The signatories each represent that they are fully authorized to enter into this Agreement and bind the Parties to its terms and conditions.

#### **X. MUTUAL FULL COOPERATION**

The Parties agree to cooperate fully with each other to accomplish the terms of this Agreement, including but not limited to, execution of such documents and the taking of such other action as may reasonably be necessary to implement the terms of this Agreement. The Parties to this Agreement shall use their best efforts, including all efforts contemplated by this Agreement and any other efforts that may become necessary by order of the Court, or otherwise, to effectuate this Agreement. As soon as practicable after execution of this Agreement, Class Counsel, with the assistance and cooperation of Defendant and its counsel, shall take all necessary steps to secure the Court's final approval of this Agreement. Defendant will not attempt to discourage Settlement Class Members from filing claims.

**XI. NO ADMISSION**

This Agreement is not to be construed or deemed as an admission of liability, culpability, negligence, or wrongdoing on the part of Defendant. Defendant denies all liability for claims asserted in the Action, and denies that class certification is appropriate in the Action for any purpose other than for this Settlement. Each of the Parties has entered into this Agreement with the intention to avoid further disputes and litigation with the attendant inconvenience and expenses. This Agreement is a settlement document and shall, pursuant to Fed. R. Evid. 408 and related or corresponding state evidence laws, be inadmissible in evidence in any proceeding, action, arbitration, or hearing, including without limitation any litigation or regulatory proceeding or action, to establish liability. The preceding sentence shall not apply to an action or proceeding to approve or enforce this Agreement.

**XII. NOTICES**

Unless otherwise specifically provided, all notices, demands or other communications in connection with this Agreement shall be in writing and shall be deemed served on the date of mailing by United States registered or certified mail, return receipt requested, addressed as follows:

**XIII. CONSTRUCTION**

The Parties agree that the terms and conditions of this Agreement are the result of lengthy, intensive arms-length negotiations and drafting by and between the Parties, and that this Agreement shall not be construed in favor of or against any Party by reason of the extent to which any Party or his or its counsel participated in the drafting of this Agreement.

#### **XIV. MATERIAL TERMS; CAPTIONS**

Each term of this Agreement is a material term of the Agreement not merely a recital, and reflects not only the intent and objectives of the Parties but also the consideration to be exchanged by the Parties hereunder.

Paragraph titles or captions are inserted as a matter of convenience and for reference, and in no way define, limit, extend, or describe the scope of this Agreement or any of its provisions.

#### **XV. INTEGRATION CLAUSE**

This Agreement contains the entire agreement between the Parties relating to the Settlement, and all prior or contemporaneous agreements, understandings, representations, and statements, whether oral or written and whether by a Party or such Party's legal counsel, are extinguished.

#### **XVI. PUBLIC STATEMENTS**

The Parties and their counsel shall make no comments on their websites, in their court filings, to media, or to press with respect to the substance of the Settlement at any time, except as required by law. In addition, the Parties and their counsel shall not make, publish, circulate or cause to be made, published or circulated any statements that (i) disparage Plaintiffs, Defendant, or their counsel regarding the allegations in this Action, or (ii) represent or suggest that this Agreement or any order by the Court regarding the Settlement or this Agreement represents or implies any wrongdoing by, or any admission of liability by, Defendant, or a finding by the Court of liability or wrongdoing. Nothing in this section is intended to prohibit Class Counsel from the practice of law. To the extent any term in this section imposes any restriction on Dovel's ability to practice law in violation of Rule 5.6 of the California Rules of Professional Conduct or any other applicable ethical rule, this term shall be modified to the minimum extent necessary to make compliant with all applicable ethical rules or (if required to make it compliant) shall be severed.

#### **XVII. NON-EVIDENTIARY USE**

Neither this Agreement nor any of its terms shall be offered or received into evidence in the Action, or in any other action or proceeding; provided, however, that nothing contained in this

section shall prevent this Agreement from being used, offered, or received in any proceeding to enforce, construe, or finalize this Agreement.

#### **XVIII. NO COLLATERAL ATTACK**

This Agreement shall not be subject to collateral attack by any Settlement Class Member or any recipient of the notices to the Settlement Class after the judgment and dismissal is entered. Such prohibited collateral attacks shall include claims that a Settlement Class Member's Settlement Award was improperly calculated or adjusted or that a Settlement Class Member failed to receive timely notice of the procedure for disputing the calculation of the individual Settlement Award or failed to object to or seek exclusion from the Settlement by the Objection/Exclusion Deadline.

#### **XIX. AMENDMENTS**

The terms and provisions of this Agreement may be amended only by a written agreement, which is both (1) signed by the Parties who have executed this Agreement and (2) approved by the Court.

#### **XX. ASSIGNMENTS**

None of the rights, commitments, or obligations recognized under this Agreement may be assigned by any Party or Settlement Class Member without the express written consent of each other Party hereto. The representations, warranties, covenants, and agreements contained in this Agreement are for the sole benefit of the Parties and Settlement Class Members under this Agreement, and shall not be construed to confer any right or to avail any remedy to any other person.

#### **XXI. GOVERNING LAW**

This Agreement shall be governed by, construed, and interpreted and the rights of the Parties determined in accordance with the laws of the State of California, irrespective of the State of Oregon's choice of law principles.

## **XXII. BINDING ASSIGNS**

This Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, trustees, executors, administrators, successors, and assigns.

## **XXIII. TAX CONSEQUENCES**

No opinion concerning the tax consequences of this Settlement to any Settlement Class Member is given or will be given by Defendant, Defendant's counsel, or Class Counsel, nor is any Party or his/her/its counsel providing any representation or guarantee respecting the tax consequences of the Settlement as to any Settlement Class Member. The Long Form Notice provided on the Settlement Website will direct Settlement Class Members to consult their own tax advisors regarding the tax consequences of the Settlement and any tax reporting obligations with respect thereto. Each Settlement Class Member is responsible for his/her taxes or tax reporting and other obligations respecting the Settlement, if any.

## **XXIV. CLASS COUNSEL SIGNATORIES**

It is agreed that because the Settlement Class appears to be so numerous, it is impossible or impractical to have each member of the Settlement Class execute this Agreement. The notice plan set forth herein will advise Settlement Class Members of all material terms of this Agreement, including the binding nature of the releases and thus shall have the same force and effect as if this Agreement were executed by each Settlement Class Member.

## **XXV. COUNTERPARTS**

This Agreement may be executed in counterparts, and when each Party has signed and delivered at least one such counterpart, each counterpart shall be deemed an original, and, when taken together with other signed counterparts, shall constitute one Agreement, which shall be binding upon and effective as to all Parties and the Settlement Class. This Agreement may be delivered originally or by email or other electronic means, and the delivered image or electronic signature shall be treated as an original.

## **XXVI. CONTINUING JURISDICTION**

The Circuit Court of the State of Oregon shall retain exclusive and continuing jurisdiction to interpret and enforce the terms, conditions, and obligations of this Agreement and its own orders and judgments. In the event of a breach by Defendant, a Settlement Class Member or Class Counsel under this Agreement, the Court may exercise all equitable powers over Defendant, such Settlement Class Member or Class Counsel to enforce this Agreement and the Final Order and Judgment irrespective of the availability or adequacy of any remedy at law. Such powers include, among others, the power of specific performance and injunctive relief.

**IN WITNESS WHEREOF**, the Parties have duly executed this Agreement as of the dates indicated below:

RE: LEGAL NOTICE OF CLASS ACTION SETTLEMENT – *Lundborg, et al. v. Evry Jewels Inc.*

---

«FIRST NAME» «LAST NAME»

Notice ID: «Notice ID»

Confirmation Code: «Confirmation Code»

**TO ALL PERSONS WHO, WHILE IN THE STATES OF CALIFORNIA, OREGON, OR WASHINGTON, PURCHASED ONE OR MORE PRODUCTS FROM EVRYJEWELS.COM, FROM SEPTEMBER 3, 2021, TO SEPTEMBER 3, 2024.**

**Read This Notice Carefully. You Could Receive Compensation From This Class Action Settlement. This Court-Authorized Notice describes your rights and gives information about the proposed settlement. This notice is only a summary. Details of the settlement are available at [Settlement Website] or by writing to or calling the Class Action Settlement Administrator at the address or toll-free number below.**

### **What Is This Case About?**

In the lawsuit entitled *Juliette Lundborg et al. v. Evry Jewels Inc.*, [Case Number] filed in the Circuit Court of the State of Oregon for the County of Multnomah, plaintiffs Juliette Lundborg, Katie Beaver, and AnneMarie McQuillan (“Plaintiffs” or “Class Representatives”), on behalf of themselves and a proposed class and subclasses, allege that Defendant deceptively advertised various discounts of its products on its website, Evryjewels.com. Defendant denies that it misled consumers, disputes that it has done anything wrong, and believes its advertising was accurate and lawful. The lawsuit seeks money damages, as well as attorneys’ fees and costs. The Court has not ruled on the merits of the claims or Defendant’s defenses.

### **Who Is A Settlement Class Member?**

The settlement includes all consumers who, while in the states of California, Oregon, or Washington, purchased one of more products on Defendant’s website, Evryjewels.com, from September 3, 2021 to September 3, 2024 (“Settlement Class Members”).

### **What Are The Terms Of The Settlement?**

Under the terms of the Settlement, Settlement Class Members will each receive a \$14.00 settlement benefit for each order they placed on Evryjewels.com during the Class Period. Class Members will receive their settlement benefits in either (a) cash, paid by check or electronic payment (“Cash Benefit”); or (b) store credit that can be applied towards any purchase made on Evryjewels.com (“Credit Benefit”). Class Members can decide whether to receive Cash or Credit Benefits, and Class Members will receive one benefit for each order they placed during the Class Period. The Parties estimate that there were approximately 250,000 orders placed by Settlement Class Members during the Class Period, so the Parties estimate that the total value of the Cash and Credit Benefits to Class Members will be approximately \$3,500,000. In addition to these benefits, Defendant has also agreed to pay notice and administration costs estimated to be \$65,000, incentive awards of up to \$5,000 to each of the Class Representatives, and reasonable attorneys’ fees and expenses to Class Counsel of up to \$875,000, as approved by the Court (these numbers may change if, on final review, there were materially more than 250,000 orders placed during the Class Period). Payment of these costs and fees will not reduce the value of the Cash Benefits and Credit

Benefits that Settlement Class Members will receive. More information about the benefits available under the Settlement is available at [\[Settlement Website\]](#).

---

### How Do You Choose Your Settlement Benefit?

---

To receive a Cash Benefit, you must submit a signed and completed Claim Form online to the Class Action Settlement Administrator by **no later than [Claim Deadline]**. Claim Forms may also be submitted to the Class Action Settlement Administrator by mail if postmarked **no later than [Claim Deadline]**. The Claim Form is available at [\[Settlement Website\]](#). If you placed more than one qualifying order during the Class Period, you need only submit one Claim Form to receive a Cash Benefit for each order. To receive the Credit Benefit(s), you do not have to do anything. If you do not submit a signed and completed Claim Form to the Class Action Settlement Administrator by **[Claim Deadline]**, you will automatically receive a Credit Benefit for each order you placed.

---

### What Are My Other Options?

---

If you do not want to be legally bound by the Settlement, you may opt out of the Settlement by sending a request for exclusion to the Class Action Settlement Administrator **no later than [Objection/Exclusion Deadline]**. If you exclude yourself from the Settlement, you will not receive a Cash or Credit Benefit from the Settlement. If you do not opt out of the Settlement, you will be bound by any judgment approving the Settlement and will give up any right to sue Defendant for any claims under federal and state law that arise from or relate to the allegations concerning Defendant's advertising practices in this action.

If you stay in the Settlement (i.e., do not exclude yourself from the Settlement), you may object to the Settlement by writing to the Class Action Settlement Administrator explaining why you do not like the Settlement by **no later than [Objection/Exclusion Deadline]**. Additional information about opting out of or objecting to the Settlement is available at [\[Settlement Website\]](#). You will be bound by the Settlement if your objection is rejected and will still receive a Settlement Benefit.

---

### Final Approval Hearing

---

The Court will hold a hearing in this case to consider whether to approve the Settlement on [\[Fairness Hearing Date\]](#), at [\[Fairness Hearing Time\]](#), Multnomah County Courthouse, 1200 SW 1st Ave., Portland, OR 97204. The date of the Final Approval Hearing may change without further notice to the class. Settlement Class Members should be advised to check the settlement website to confirm that the date has not been changed and whether the hearing may be held virtually.

BASIC INFORMATION

1. Why was this notice issued?

This notice was issued because a court has conditionally “certified” this case as a class action lawsuit for settlement purposes only and your rights may be affected. If you purchased products on Evryjewels.com, and your purchases were made while in the states of California, Oregon, or Washington from September 3, 2021 to September 3, 2024, you may have legal rights and options in this case. This Notice explains all of these issues. The Circuit Court of the State of Oregon for the County of Multnomah is overseeing this class action. The case is known as *Juliette Lundborg, et al. v. Evry Jewels Inc.*, Case No. [Case Number] (the “Action”). The people who sued are called the Plaintiffs. The company they sued is called the Defendant.

2. Why is this a class action?

In a class action, one or more people, called “Class Representatives” (in this case Juliette Lundborg, Katie Beaver, and AnneMarie McQuillan, the named “Plaintiffs”), sue on behalf of all people who have similar claims. Together, these people are called a Class or Class Members. One court resolves the issues for all Class Members, except for those who exclude themselves from the Class. Here, the Court has certified a

QUESTIONS? CALL [Phone Number] TOLL-FREE OR VISIT [Settlement Website]

class action for settlement purposes only (the “Settlement Class”). More information about why this is a class action can be found in the Court’s Preliminary Approval Order, which is available at [[Settlement Website](#)].

### **3. Why is there a settlement?**

The Court did not decide in favor of Plaintiffs or Defendant. Plaintiffs think they would have prevailed at trial. Defendant thinks the Plaintiffs would not have won anything from a trial. But there was no trial. Instead, both sides agreed to this Settlement. That way, both sides avoid the risk and cost of a trial, and the Settlement Class Members will receive compensation. The Class Representatives and their attorneys think the Settlement is best for all Class Members.

## **THE CLAIMS IN THE LAWSUIT**

### **4. What is the lawsuit about?**

The lawsuit claims that Defendant deceptively advertised various discounts of its products on its website, Evryjewels.com. The lawsuit claims that Defendant violated California, Oregon, and Washington consumer protection law, and also asserts claims for quasi-contract/unjust enrichment, breach of contract, breach of express warranties, intentional misrepresentation, and negligent misrepresentation. Defendant denied these claims and denies any liability or wrongdoing. More information can be found in the Consolidated Class Action Complaint, available at [[Settlement Website](#)].

## **MEMBERS OF THE SETTLEMENT CLASS**

### **5. How do I know if I am a part of the Settlement Class?**

The Court has certified this case for settlement purposes only as a class action. The Settlement Class consists of all people who, while in the states of California, Washington, or Oregon, purchased one or more products from Defendant’s website, Evryjewels.com, from September 3, 2021 to September 3, 2024.

Excluded from the Settlement Class are all persons who validly opt out of the Settlement in a timely manner; governmental entities; counsel of record (and their respective law firms) for the Parties; Defendant and any of its parents, affiliates, subsidiaries, independent service providers and all of their respective employees, officers and directors; the presiding judge in the Action or judicial officer presiding over the matter, and all of their immediate families and judicial staff; and any natural person or entity that entered into a release with Defendant prior to the Effective Date arising from the same representations, advertising, marketing and/or sales on the Defendant’s website, Evryjewels.com, underlying the claims in the operative complaint in the Action.

## **THE SETTLEMENT BENEFITS**

### **6. What does the Settlement provide?**

Under the terms of the Settlement, Settlement Class Members will each receive a \$14.00 settlement benefit for each order they placed on Evryjewels.com during the Class Period. Class Members will receive their settlement benefits in either (a) cash, paid by check or electronic payment (“Cash Benefit”); or (b) store credit that can be applied towards any purchase made on Evryjewels.com (“Credit Benefit”).

Class Members can decide whether to receive Cash or Credit Benefits—in either case, the Benefits will be worth \$14.00 each. Class Members will receive one benefit for each order they placed during the Class Period. Credit Benefits can be used at any time, towards any purchase, with no blackout dates or restrictions, and they never expire. The Credit Benefits are stackable with each other and with other sales or discounts, and are fully transferable between consumers.

QUESTIONS? CALL [[Phone Number](#)] TOLL-FREE OR VISIT [[Settlement Website](#)]

The Parties estimate that there were approximately 250,000 orders placed by Settlement Class Members during the Class Period, so the Parties estimate that the total value of the Cash and Credit Benefits to Class Members will be approximately \$3,500,000.

In addition to these benefits, Defendant has also agreed to pay notice and administration costs estimated to be \$65,000, incentive awards of up to \$5,000 to each of the Class Representatives, and reasonable attorneys' fees and expenses to Class Counsel of up to \$875,000, as approved by the Court (these numbers may change if, on final review, there were materially more than 250,000 orders placed during the Class Period). Payment of these costs and fees will not reduce the value of the Cash and Credit Benefits that Settlement Class Members will receive.

#### **7. How much will my payment be?**

Each Cash and Credit Benefit will be worth \$14.00. Settlement Class Members will receive a Cash or Credit Benefit (depending on whether they submit a valid Claim Form for cash relief, as explained in this notice) for each order placed on Defendant's website during the Class Period.

#### **8. What am I giving up to stay in the Settlement Class?**

Unless you exclude yourself from the Settlement, you will be part of the Settlement Class, and you will be bound by the release of claims in the Settlement. This means that, if the Settlement is approved, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant asserting a released claim. It also means that all the Court's orders will apply to you and legally bind you. If you sign the Claim Form or do nothing, you will agree to release Defendant from any and all claims under federal and state law that arise from or relate to the allegations concerning Defendant's advertising practices at issue in this action.

### **THE LAWYERS REPRESENTING YOU**

#### **9. Do I have a lawyer in this case?**

Yes. The Court has appointed Dovel & Luner, LLP as Class Counsel to represent you and the Settlement Class in this case. The lawyers at Dovel & Luner LLP have experience handling similar cases. More information about the lawyers and their law firm is available at <https://www.dovel.com>.

#### **10. Should I get my own lawyer?**

You do not need to hire your own lawyer because Class Counsel is representing you and all the other members of the Settlement Class. If you want someone other than Class Counsel to speak for you, you may hire your own lawyer at your own expense.

#### **11. How will the lawyers be paid?**

Class Counsel may file a request for attorneys' fees and reimbursement of the costs they sustained in litigating this case. Assuming, as is expected, there were approximately 250,000 orders placed on Evryjewels.com during the Class Period, Class Counsel will request no more than \$875,000 in costs and fees. If, on final review by Defendant, there were materially more than 250,000 orders placed during the Class Period, Class Counsel's fee request may increase proportionally. Class Counsel may also ask the Court to approve incentive awards of up to \$5,000 to the Class Representatives for their services as Class Representatives. Any request for attorneys' fees or incentive awards will not reduce the amount of money available to pay the \$14 Cash and Credit Benefits to Class Members. The Court may award less than the amounts requested.

### **HOW TO CHOOSE YOUR SETTLEMENT BENEFIT**

#### **12. How can I get compensation under the Settlement?**

QUESTIONS? CALL [Phone Number] TOLL-FREE OR VISIT [Settlement Website]

Settlement Class Members who do not opt out of the Settlement by [Objection/Exclusion Deadline] will receive compensation in the form of either (a) cash, paid by check or electronic payment (“Cash Benefit”); or (b) credit that can be applied towards any purchase made on Evryjewels.com (“Credit Benefit”), at each Settlement Class Member’s election.

To receive the Cash Benefit, you must submit a valid Claim Form. Settlement Class Members who placed more than one order during the Class Period only need to submit one Claim Form to receive a Cash Benefit for each order. Settlement Class Members who do not submit a valid Claim Form by [Claim Deadline], will receive a Credit Benefit for each order they placed. A Claim Form is available on the internet at [Settlement Website]. Read the instructions carefully, fill out the form, sign it, and submit it online no later than [Claim Deadline]. You may also submit a Claim Form by mail if postmarked by no later than [Claim Deadline].

To receive a Cash Benefit, each Settlement Class Member must attest under penalty of perjury that they were a California, Oregon, or Washington resident who placed one or more orders on Evryjewels.com during the Class Period, and the information supplied in the Claim Form is true and correct to the best of the Settlement Class Member’s knowledge. Failure to timely submit a valid Claim Form with all requested information will result in such Settlement Class Member receiving a Credit Benefit for each order by default.

### 13. When would I receive compensation?

The Court will hold a hearing on [Fairness Hearing Date], to decide whether to approve the Settlement. If the Court approves the Settlement, after that, there may be appeals. It is always uncertain whether these appeals can be resolved, and resolving them can take time, perhaps more than a year. Settlement benefits will be distributed after the Settlement is finally approved and all appeals (if any) have been resolved in favor of the Settlement. The progress of the Settlement will be updated through information posted at [Settlement Website]. Please be patient.

## EXCLUDING YOURSELF FROM THE SETTLEMENT

### 14. How do I get out of the Settlement?

If you do not want a Settlement benefit under this Settlement, and you want to keep the right to sue or continue to sue Defendant regarding the alleged marketing practices that are the subject of the Action, then you must take steps to get out of the Settlement Class. This is called excluding yourself from, or opting out of, the Settlement Class.

To exclude yourself from the Settlement, you must send a letter by mail to the Class Action Settlement Administrator that (a) states your name, address, and phone number; (b) is personally signed by you, and not your attorney or anyone acting on your behalf; and (c) includes the statement “I/we request to be excluded from the class settlement in *“Juliette Lundborg, et al. v. Evry Jewels Inc.,* Case No. [Case Number].” No request for exclusion will be valid unless all of the information described above is included.

You must mail your exclusion request postmarked no later than [Objection/Exclusion Deadline], to the Class Action Settlement Administrator at the following address:

[Address]

### 15. If I do not exclude myself, can I sue Defendant for the same thing later?

No. If you do not exclude yourself, you give up any right to sue (or continue to sue) Defendant for the claims that this Settlement resolves.

### 16. If I exclude myself, can I get compensation under this Settlement?

QUESTIONS? CALL [Phone Number] TOLL-FREE OR VISIT [Settlement Website]

No. If you ask to be excluded, you will not get any compensation under the Settlement, and you cannot object to the Settlement.

## OBJECTING TO THE SETTLEMENT

### 17. How do I tell the Court that I do not agree with the Settlement?

You can ask the Court to deny approval of the Settlement by filing an objection. You can't ask the Court to order a different Settlement; the Court can only approve or reject the Settlement. If the Court denies approval, no Settlement Benefits will be sent out and the lawsuit will continue. If that is what you want to happen, you must object. A Settlement Class Member who objects still remains in the Settlement Class and must timely submit a Claim Form in order to obtain a Cash Benefit.

Any objection to the proposed Settlement must be in writing. If you file a timely written objection, you may, but are not required to, appear at the Final Approval Hearing, either in person or through your own attorney. If you appear through your own attorney, you are responsible for hiring and paying that attorney.

All written objections and supporting papers must (a) clearly identify the case name and number ("*Juliette Lundborg, et al. v. Evry Jewels Inc.*, Case No. [Case Number]"), and (b) be mailed to the Settlement Administrator postmarked on or before [Objection/Exclusion Deadline].

[Address]

Written objections must also contain: (1) your full name, address, and telephone number; (2) a written statement of all grounds for the objection accompanied by any legal support for the objection (if any); (3) copies of any papers, briefs or other documents upon which the objection is based (if any); (4) a list of all persons who will be called to testify in support of the objection (if any); (5) a statement of whether you intend to appear at the Final Approval Hearing; (6) proof of membership in the Class or a signed statement attesting under penalty of perjury that you are a Settlement Class Member; (7) a list of all objections filed by you and your counsel to class action settlements in the last three years (if any); and (8) your signature and your attorney's signature (if any).

### 18. What is the difference between objecting and excluding myself from the Settlement?

Objecting means telling the Court that you do not like something about the Settlement. You can object only if you stay in the Settlement Class. Excluding yourself from the Settlement means that you do not want to be part of the Settlement Class. If you exclude yourself, then you have no basis to object to the Settlement.

A Settlement Class Member who objects still remains in the Settlement Class and is eligible to receive a Settlement Benefit.

## IF YOU DO NOTHING

### 19. What happens if I do nothing at all?

If you do nothing, and the Court finally approves the settlement, you will remain a member of the Settlement Class and you will give up your right to sue Defendant. You will automatically receive a settlement benefit in the form of a \$14.00 credit per each of your qualifying orders that can be applied towards any purchase made on Evryjewels.com.

## THE COURT'S FINAL APPROVAL HEARING

### 20. When and where will the Court decide whether to approve the Settlement?

QUESTIONS? CALL [Phone Number] TOLL-FREE OR VISIT [Settlement Website]

The Court will hold a Final Approval Hearing at [Fairness Hearing Date and Time], at the Multnomah County Courthouse, 1200 SW 1st Ave., Portland, OR 97204. At this hearing, the Court will consider whether the Settlement is fair, reasonable and adequate. If there are valid objections that comply with the requirements herein, the Court also will consider them and will listen to people who have asked to speak at the hearing. The Court may also decide how much to pay to Class Counsel and the Class Representatives.

The date of the Final Approval Hearing may change without further notice to the Settlement Class. Settlement Class Members should check the Settlement Website to confirm that the date has not been changed and whether the hearing may proceed virtually.

**21. Do I have to come to the hearing?**

No. Class Counsel will appear on behalf of the Settlement Class. But, you are welcome to come, or have your own lawyer appear, at your own expense.

**22. May I speak at the hearing?**

You, or any lawyer you retain, may ask the Court for permission to speak at the Final Approval Hearing. To do so, you must include in your objection to the Settlement a statement saying that it is your intent to appear at the Final Approval Hearing. Your Objection and notice of intent to appear must be submitted to the Court and postmarked no later than [Objection/Exclusion Deadline]. You cannot speak at the hearing if you excluded yourself from the Settlement.

## **TAX CONSEQUENCES**

**23. Do I have to pay taxes on money received under this settlement?**

None of Defendant, Class Counsel, or the Class Action Settlement Administrator is able provide any advice or guidance regarding the tax consequences of the Settlement as to any Settlement Class Member. Settlement Class Members should consult their own tax advisors regarding the tax consequences of the Settlement and any tax reporting obligations with respect thereto. Each Settlement Class Member is responsible for his/her taxes or tax reporting and other obligations respecting the Settlement, if any.

## **GETTING MORE INFORMATION**

Docusign Envelope ID: 6F3DDDF3-0317-4BE6-B6B9-0A4DBB200E19

**What is this Case About?** In this lawsuit, Plaintiffs allege that Defendant deceptively advertised various discounts of its products on its website, Evryjewels.com. Defendant disputes the allegations, denies that it misled consumers, and believes its advertising was accurate and lawful. You are receiving this Notice because Defendant's records indicate that you may be a Settlement Class Member. Settlement Class Members include all consumers who purchased one or more products on Evryjewels.com from September 3, 2021 to September 3, 2024, while in the states of California, Oregon, or Washington.

**What are the Settlement Benefits?** Under the terms of the Settlement, Settlement Class Members will each receive a \$14.00 settlement benefit for each order they placed on Evryjewels.com during the Class Period. Class Members will receive their settlement benefits in either (a) check or electronic payment ("Cash Benefit"), or (b) store credit that can be applied towards any purchase made on Evryjewels.com ("Credit Benefit"). Class Members can decide whether to receive Cash or Credit Benefits, and Class Members will receive one Benefit for each order placed during the Class Period. The Parties estimate that there were approximately 250,000 orders placed by Settlement Class Members during the Class Period, so the Parties estimate that the total value of the Cash and Credit Benefits to Class Members will be approximately \$3,500,000. In addition to these benefits, Defendant has also agreed to pay notice and administration costs estimated to be \$65,000, incentive awards of up to \$5,000 to each of the Class Representatives, and reasonable attorneys' fees and expenses of up to \$875,000 to Class Counsel, as approved by the Court (these numbers may change if, on final review, there were materially more than 250,000 orders placed during the Class Period). Payment of these costs and fees will not reduce the value of the Cash and Credit Benefits that Settlement Class Members will receive. More information about the benefits available under the Settlement is available at [\[Settlement Website\]](#).

**How do I Choose a Settlement Award?** To receive the Cash Benefit(s), you must submit a Claim Form online, available at [\[Settlement Website\]](#), by [\[Claim Deadline\]](#). You can also mail the Claim Form to the Class Action Settlement Administrator, postmarked by [\[Claim Deadline\]](#). If you placed more than one order during the Class Period, you need only submit one Claim Form to receive a Cash Benefit for each order. To receive a Credit Benefit, you do not have to do anything. But, to ensure you receive a Credit Benefit, please provide a current email address at [\[Settlement Website\]](#) by [\[Claim Deadline\]](#). If you do not submit a timely Claim Form, you will automatically receive a Credit Benefit for each order you placed.

**What are my Other Options?** If you do not want to be legally bound by the Settlement, you may opt out of the Settlement by [\[Objection/Exclusion Deadline\]](#). If you opt-out, you will not receive a Cash Benefit or Credit Benefit from the Settlement. If you do not opt-out, you can object to the Settlement by [\[Objection/Exclusion Deadline\]](#). Please visit [\[Settlement Website\]](#) for more information on how to opt-out or object to the Settlement.

**The Court's Final Approval Hearing.** The Court will hold a hearing in this case to consider whether to approve the Settlement on [\[Fairness Hearing Date\]](#) at [\[Fairness Hearing Time\]](#), Multnomah County Courthouse, 1200 SW 1st Ave., Portland, OR 97204. The date of the Final Approval Hearing may change without further notice to the class. Settlement Class Members should be advised to check the settlement website to confirm that the date has not been changed and whether the hearing may be held virtually.
