Dear Sample:

We are writing to inform you of an incident that involved your personal information and, possibly, information about your vehicle(s). Please read this letter carefully for information about the incident and to learn how you can take steps to help protect yourself against possible misuse of the information, including by means of services being offered through MAPFRE Insurance (“MAPFRE”)* for your benefit.

What Happened

Between July 1 and July 2, 2023, an unknown party used information about you – which was already in the unknown party’s possession – to obtain access to additional information about you through MAPFRE’s Massachusetts online quoting platform in Massachusetts.

What Information Was Involved

We have determined that the unknown party obtained access to your driver’s license number through MAPFRE’s Massachusetts online quoting platform. The unknown party may also have obtained access to information regarding vehicles you own, including make, model, year, and vehicle identification number.

What We Are Doing

As soon as MAPFRE became aware of the issue, we took down our Massachusetts online quoting platform and conducted an investigation to determine what happened. We have implemented additional controls within our system to protect against a reoccurrence of the incident. In addition, MAPFRE has reported the unknown party’s illegal activity to law enforcement.

What You Can Do

We encourage you to remain vigilant against incidents of identity theft and fraud, and to monitor your free credit reports for suspicious activity and to detect errors. Enclosed with this letter are some steps you can take to protect your information.

GENERAL INFORMATION ABOUT IDENTITY THEFT PROTECTION:

You should remain vigilant for incidents of fraud and identity theft by reviewing credit card account statements and monitoring your credit report for unauthorized activity.

Credit Reports. Under federal law, you are entitled to one free copy of your credit report every 12 months from each of the three nationwide credit reporting agencies. You may obtain a free copy of your credit report by going to www.AnnualCreditReport.com or by calling (877) 322-8228. You also may complete the Annual Credit Report Request Form available from the FTC at www.consumer.ftc.gov/articles/pdf-0093-annual-report-request-form.pdf, and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

You may contact the nationwide credit reporting agencies at:

Equifax	Experian	TransUnion
P.O. Box 105788 Atlanta, GA 30348 www.equifax.com (800) 525-6285	P.O. Box 9554 Allen, TX 75013 www.experian.com (888) 397-3742	P.O. Box 2000 Chester, PA 19016 www.transunion.com (800) 916-8800

Fraud Alert. You may place a fraud alert in your file by calling one of the three nationwide credit reporting agencies above. A fraud alert tells creditors to follow certain procedures, including contacting you before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit.

Credit Freezes (for Non-Massachusetts Residents): You may have the right to put a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. *Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company.* Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as indicated above.

You can obtain more information about fraud alerts and credit freezes by contacting the FTC or one of the national credit reporting agencies listed above.

Credit Freezes (for Massachusetts Residents): Massachusetts law gives you the right to place a security freeze on your consumer reports. A security freeze is designed to prevent credit, loans and services from being approved in your name without your consent. Using a security freeze, however, may delay your ability to obtain credit. You may request that a freeze be placed on your credit report by sending a request to a credit reporting agency by certified mail, overnight mail or regular stamped mail to the respective address indicated above.

Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. The following information should be included when requesting a security freeze (documentation for you and your spouse must be submitted when freezing a spouse's credit report): full name, with middle initial and any suffixes; Social Security number; date of birth (month, day and year); current address and previous addresses for the past five (5) years; and applicable fee (if any) or incident report or complaint with a law enforcement agency or the Department of Motor Vehicles. The request should also include a copy of a government-issued identification card, such as a driver's license, state or military ID card, and a copy of a utility bill, bank or insurance statement. Each copy should be legible, display your name and current mailing address, and the date of issue (statement dates must be recent). If you have been a victim of identity theft, and you provide the credit reporting agency with a valid police report, the agency cannot charge you to place, lift or

remove a security freeze. In all other cases, the credit reporting company may charge a reasonable fee of up to \$5 to place a freeze or lift or remove a freeze.

You may contact the Federal Trade Commission (FTC) and State Attorneys General Offices.
