3. On or about December 26, 2024, Defendant began sending notice letters to approximately 13,014 individuals, advising them that their personal and sensitive information may have been impacted in the Data Incident.

4. On January 3, 2025, Plaintiff filed a Complaint against Defendant for the unlawful exposure of her and all similarly situated individuals' Private Information, seeking money damages and injunctive relief. [ECF No. 1].

5. Shortly after the filing of the Action, in an effort to conserve resources for the benefit of the those impacted in the Data Incident, the Parties began discussing settlement.

6. In connection with settlement discussions, Defendant provided Plaintiff's counsel with information related to, among other things, the nature and cause of the incident, the number and geographic location of victims impacted by the Data Incident, and the specific type of information potentially accessed.

7. After arms-length negotiations between experienced counsel, the Parties were ultimately able to reach an agreement on the material terms of the Settlement to resolve all claims on a classwide basis.

8. The Parties now agree to settle the Action entirely, without any admission by the Defendant of liability or wrongdoing, with respect to all Released Claims of the Releasing Parties. Defendant has entered into this Agreement to resolve all controversies and disputes arising out of or relating to the allegations made in the Complaint and the Data Incident as it relates to it, and to avoid the litigation costs and expenses, distractions, burden, expense, and disruption to its business operations associated with further litigation. Defendant does not in any way acknowledge, admit to, or concede any of the allegations made in the Complaint, and expressly disclaims and denies

any fault or liability, or any charges of wrongdoing that have been or could have been asserted in the Complaint. Nothing contained in this Agreement shall be used or construed as an admission of liability, and this Agreement shall not be offered or received in evidence in any action or proceeding in any court or other forum as an admission or concession of liability or wrongdoing of any nature or for any other purpose other than to enforce the terms of this Agreement. Plaintiff enters into this Agreement to recover on the claims asserted in the Complaint, and to avoid the risk, delay, and uncertainty of continued litigation. Plaintiff does not in any way concede that the claims alleged in the Complaint lack merit or are subject to any defenses. The Parties intend this Agreement to bind Plaintiff, Defendant, and all Settlement Class Members.

The Escrow Account shall indemnify and hold Defendant, Defendant's Counsel, Plaintiff, and Class Counsel harmless for all taxes (including, without limitation, taxes payable by reason of any such indemnification).

Plaintiff and Class Counsel shall not reference this Agreement in support of any subsequent motion for class certification of any class in the Action.

V. Settlement Class Member Benefits

65. When submitting a Valid Claim, Settlement Class Members must choose either Cash Payment A – Documented Losses or Cash Payment B – Alternate Cash. Settlement Class Members may also elect to receive Credit Monitoring in accordance with the terms of this paragraph. All Cash Payments will be subject to a *pro rata* (a) increase from the Net Settlement Fund if the amount of Valid Claims is insufficient to exhaust the entire Net Settlement Fund or (b) decrease from the Net Settlement Fund if the amount of Valid Claims exhausts the amount of the Net Settlement Fund. For purposes of calculating the *pro rata* increase or decrease, the Settlement Administrator must distribute the funds in the Net Settlement Fund first for payment of Credit Monitoring, then for Cash Payment A – Documented Losses, and then to all those who elect Cash Payment B. Any *pro rata* increases or decreases will be on an equal percentage basis. If a Settlement Class Member does not submit a Valid Claim, the Settlement Class Member will release his or her claims without receiving a Settlement Class Member Benefit.

a. Cash Payment A – Documented Losses

must elect Cash Payment A on the Claim Form attesting under penalty of perjury to incurring documenting losses. Settlement Class Members will be required to submit reasonable documentation supporting the losses, which means documentation contemporaneously generated or prepared by a third party or the Settlement Class Member supporting a claim for expenses paid. Non-exhaustive examples of reasonable documentation include telephone records, correspondence including emails, or receipts. Except as expressly provided herein, personal certifications, declarations, or affidavits from the Settlement Class Member do not constitute reasonable documentation but may be included to provide clarification, context, or support for other submitted reasonable documentation. Settlement Class Members shall not be reimbursed for expenses if they have been reimbursed for the same expenses by another source, including compensation provided in connection with the credit monitoring and identity theft protection product offered as part of the notification letter provided by Defendant or otherwise. If a Settlement Class Member does not submit reasonable documentation supporting a loss, or if their Claim is rejected by the Settlement Administrator for any reason, and the Settlement Class Member fails to cure his or her Claim, the Claim will be rejected and the Settlement Class Member's Claim will be as if he or she elected Cash Payment B.

b. Cash Payment B – Alternate Cash

As an alternative to Cash Payment A above, a Settlement Class Member may elect to receive Cash Payment B, which is a alternative cash payment in the estimated amount of \$150.00.

c. Credit Monitoring

In addition to Cash Payment A or Cash Payment B, Settlement Class Members may also make a Claim for Credit Monitoring that will include two years of credit monitoring by three bureaus.

d. Injunctive Relief

Prior to Final Approval, Defendant will provide Class Counsel with a written attestation regarding the security measures, including the cost associated therewith, it implemented following the Data Incident (or will implement) to better protect the Settlement Class' Private Information from future disclosure resulting from a subsequent data incident. The costs of any such security measures on the part of Defendant were paid or will be paid separately by the Defendant and will not come out of the Settlement Fund.

VI. Settlement Approval

66. Plaintiff's Motion for Preliminary Approval shall, among other things, request the Court: (1) preliminarily approve the terms of the Settlement as being within the range of fair, adequate, and reasonable; (2) provisionally certify the Settlement Class for settlement purposes only; (3) approve the Notice Program and the form and content of the Notices; (4) approve the Claim Process and the form and content of the Notices; (5) approve the procedures for Settlement Class members to opt-out of the Settlement or for Settlement Class Members to object to the Settlement; (6) appoint Simpluris Inc. as Settlement Administrator; (7) appoint Plaintiff as Class Representative and Jeff Ostrow and Kristen Lake Cardoso as Class Counsel for Settlement purposes; (8) stay the Action pending Final Approval of the Settlement; and (9) schedule a Final Approval Hearing for a time and date mutually convenient for the Court, the Parties, Class Counsel, and Defendant's Counsel.

- a. The Settlement Administrator shall have 30 days from the Claim Form Deadline to approve or reject Claims based on findings of fraud or duplication;
- b. A request for additional information by sending a Notice of Deficiency shall

not be considered a denial for purposes of this Paragraph;

c. If a Claim is rejected for fraud or duplication, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel and Defendant's Counsel shall be provided with copies of all such notifications to Claimants; and

d. The Court ultimately will decide any unresolved dispute regarding the validity of submitted Claim Forms.

88. The Settlement Administrator shall provide all information gathered in investigating Claims, including, but not limited to, copies of all correspondence and email and all notes of the Settlement Administrator, the decision reached, and all reasons supporting the decision, if requested by Class Counsel or Defendant's Counsel. Additionally, Class Counsel and Defendant's Counsel shall have the right to inspect the Claim Forms and supporting documentation received by the Settlement Administrator at any time upon reasonable notice.

89. No later than 75 days after Final Approval or 30 days after the Effective Date, whichever is later, the Settlement Administrator shall distribute the Settlement Class Member Benefits.

90. Cash Payments to Settlement Class Members will be made by electronic payment or by paper check. Following Final Approval, the Settlement Administrator will send Settlement Class Members an email to select a form of electronic payment or to receive payment by paper check. In the event a Settlement Class Member does not make an election or there is a problem with issuance of an electronic payment, a paper check will be sent to the Settlement Class Member's last known address. Settlement Class Members shall have 90 days to select their form of payment. Paper checks must be negotiated within 90 days of issuance. In the event the Settlement Administrator is unable to distribute funds to the Settlement Class Members entitled to

receive them due to incorrect or incomplete information provided to the Settlement Administrator, the funds shall become residual funds, and such Settlement Class Members shall forfeit their entitlement right to the funds.

91. In the event there are funds remaining in the Settlement Fund 240 days following the date Settlement Class members are sent an email to select their form of payment, said funds attributable to unclaimed and undeliverable funds shall be treated as residual funds as described in Section XII.

92. The Settlement Administrator will send an email to Settlement Class Members with Valid Claims that include an election for Credit Monitoring with information on how to enroll in the Credit Monitoring, including the activation code.

X. Final Approval Order and Final Judgment

93. Plaintiff shall file their Motion for Final Approval of the Settlement, inclusive of the Application for Attorneys' Fees, Costs, and Service Award no later than 45 days before the original date set for the Final Approval Hearing. At the Final Approval Hearing, the Court will hear argument on Plaintiff's Motion for Final Approval of the Settlement and Application for Attorneys' Fees, Costs, and Service Award. In the Court's discretion, the Court will also hear argument at the Final Approval Hearing from any Settlement Class Members (or their counsel) who object to the Settlement and/or to the Application for Attorneys' Fees, Costs, and Service Award, provided the objectors submitted timely objections that meet all of the requirements listed in this Agreement.

94. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order and final judgment thereon, and whether to grant the Application for Attorneys' Fees, Costs, and Service Award. Such proposed Final Approval Order shall, among

other things:

- a. Determine that the Settlement is fair, adequate and reasonable;
- b. Finally certify the Settlement Class for settlement purposes only;
- c. Determine the completed Notice Program satisfies Due Process requirements;
- d. Finding the Releases may bar as a matter of law all Releasing Parties from asserting or otherwise pursuing any of the Released Claims at any time and in any jurisdiction, including during any appeal from the Final Approval Order; and retain jurisdiction over the enforcement of the Court's injunctions;
- e. Release Defendant and the Released Parties from the Released Claims, as specified in Section XIII below; and
- f. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Agreement, including Defendant, Plaintiff, all Settlement Class Members, and all objectors, to administer, supervise, construe, and enforce this Agreement in accordance with its terms.

XI. Service Award, Attorneys' Fees, and Costs

95. *Service Award* - In recognition of the time and effort the Class Representative expended in pursuing this Action and in fulfilling his obligations and responsibilities as Class Representative, and of the relief conferred on all Settlement Class Members by the Settlement, Class Counsel shall request a Service Award for the Class Representative in the amount not to exceed \$3,000.00. If approved, the Service Award shall be paid by the Settlement Administrator out of the Settlement Fund by wire transfer to an account designated by Class Counsel within five days of the Effective Date. The Service Award payment to the Class Representative shall be separate and apart from his entitlement to benefits from the Settlement Fund.

96. *Attorneys' Fees and Costs* - Class Counsel shall apply to the Court for an award of attorneys' fees of up to 30% of the Settlement Fund, plus reimbursement of costs of up to \$2,000.00. The attorneys' fees and cost awards approved by the Court shall be paid by the Settlement Administrator out of the Settlement Fund by wire transfer to an account designated by Class Counsel within five days of the Effective Date.

97. This Settlement is not contingent on approval of the request for a Service Award, attorneys' fees, and costs, and if the Court denies the request or grants amounts less than what was requested, the remaining provisions of the Agreement shall remain in force. The provision for a Service Award, attorneys' fees, and costs was not negotiated until after all material terms of the Settlement.

XII. Disposition of Residual Funds

98. In the event there are funds remaining in the Settlement Fund 240 days following the date Settlement Class members are sent an email to select their form of payment, any residual shall be distributed to the Electronic Privacy Information Center, to be approved by the Court.

XIII. Releases

99. Upon the Effective Date, and in consideration of the Settlement relief and other consideration described herein, the Releasing Parties shall be deemed to have, and by operation of the Final Approval Order shall have, fully, finally, and forever released, acquitted, relinquished, and completely discharged Defendant from any and all Released Claims.

100. The Releasing Parties expressly waive all rights under California Civil Code section 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF

KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Releasing Parties also waive the provisions and rights of any law(s) that are comparable in effect to California Civil Code section 1542 (including, without limitation, California Civil Code § 1798.80, et seq., Montana Code Ann. § 28- 1-1602; North Dakota Cent. Code § 9-13-02; and South Dakota Codified Laws § 20-7-11). The Releasing Parties agree that, once this Agreement is executed, they will not, directly or indirectly, individually or in concert with another, maintain, cause to be maintained, or voluntarily assist in maintaining any further demand, action, claim, lawsuit, arbitration, or similar proceeding, in any capacity whatsoever, based on any of the Released Claims.

101. Settlement Class members who opt-out of the Settlement prior to the Opt-Out Deadline do not release their claims arising out of related to the Data Incident, and will not obtain any of the Settlement Class Member Benefits under the Settlement.

102. Upon the Effective Date: (a) this Settlement shall be the exclusive remedy for any and all Released Claims of Plaintiff and Settlement Class Members; and (b) Plaintiff and Settlement Class Members may be barred as a matter of law by Court order from initiating, asserting, or prosecuting all Released Claim, whether on behalf of Plaintiff, any Settlement Class Member or others, in any jurisdiction, including in any federal, state, or local court or tribunal.

103. The power to enforce any term of this Settlement is not affected by the releases in this section.

XIV. Termination of Settlement

104. This Agreement shall be subject to and is expressly conditioned on the occurrence of all of the following events:

- a. Court approval of the Settlement consideration set forth in Section V and the Releases set forth in Section XIII of this Agreement;
- b. The Court has entered the Preliminary Approval Order;
- c. The Court has entered the Final Approval Order, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and
- d. The Effective Date has occurred.

105. If any of the conditions specified in the preceding paragraph are not met, or if the Court otherwise imposes any modification to or condition of approval of the Settlement to which the Parties do not consent, then this Agreement shall be cancelled and terminated.

106. In the event this Agreement is terminated or fails to become effective, then the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement, and the Parties shall jointly file a status report in the Court seeking to reopen the Action and all papers filed. In such event, the terms and provisions of this Agreement shall have no further force and effect with respect to the Parties and shall not be used in this Action or in any other action or proceeding for any other purpose, and any order entered by this Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*.

107. In the event this Agreement is terminated or fails to become effective, all funds in the Settlement Fund shall be promptly returned to the Defendant as described hereinabove. However, Defendant shall have no right to seek from Plaintiff, Class Counsel, or the Settlement Administrator the Settlement Administration Costs paid or incurred.

XV. Effect of Termination

108. The grounds upon which this Agreement may be terminated are set forth in Section

XIV. In the event of a termination, this Agreement shall be considered null and void; all of Plaintiff's, Class Counsel's, Defendant's, and Defendant's Counsel's obligations under the Settlement shall cease to be of any force and effect; and the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement. In addition, in the event of such a termination, all of the Parties' respective pre-Settlement rights, claims, and defenses will be retained and preserved.

109. In the event the Settlement is terminated in accordance with the provisions of this Agreement, any discussions, offers, or negotiations associated with this Settlement shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court.

XVI. No Admission of Liability

110. This Agreement reflects the Parties' compromise and settlement of disputed claims. This Agreement shall not be construed as or deemed to be evidence of an admission or concession of any point of fact or law. Defendant has denied and continue to deny each of the claims and contentions alleged in the Complaint. Defendant does not admit any liability or wrongdoing of any kind, by this Agreement or otherwise. Defendant has agreed to enter into this Agreement to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to be completely free of any further claims that were asserted or could possibly have been asserted in the Action.

111. Class Counsel believe the claims asserted in the Action have merit, and they have examined and considered the benefits to be obtained under the proposed Settlement set forth in this Agreement, the risks associated with the continued prosecution of this complex, costly, and

time-consuming litigation, and the likelihood of success on the merits of the Action. Class Counsel fully investigated the facts and law relevant to the merits of the claims, conducted discovery, and conducted independent investigation of the alleged claims. Class Counsel concluded that the proposed Settlement set forth in this Agreement is fair, adequate, reasonable, and in the best interests of the Settlement Class.

112. This Agreement constitutes a compromise and settlement of disputed claims. No action taken by the Parties in connection with the negotiations of this Agreement shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made, or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind whatsoever.

113. Neither the Settlement, nor any act performed or document executed pursuant to or in furtherance of the Settlement (a) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by the Plaintiff or Settlement Class Members, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal.

114. In addition to any other defenses Defendant or the Released Parties may have at law, in equity, or otherwise, to the extent permitted by law, this Agreement may be pleaded as a full and complete defense to and may be used as the basis for an injunction against, any action, suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of this Agreement or the Releases contained herein.

XVII. Miscellaneous Provisions

115. *Confidentiality*. To the extent permitted by ethics rules, the Parties and their counsel

shall keep confidential all settlement communications, including communications regarding the negotiation and drafting of this Agreement. This paragraph shall not be construed to limit or impede the Notice requirements contained in this Agreement, nor shall this paragraph be construed to prevent Class Counsel or Defendant's Counsel from notifying or explaining that the Action has settled or limit the representations that the Parties or their counsel may make to the Court to assist in the Court's evaluation of the Settlement, Preliminary Approval, Final Approval, and any objection to the Settlement's terms. Defendant may also provide information about the Agreement to its attorneys, members, partners, insurers, brokers, agents, and other persons or entities as required by securities laws, other applicable laws and regulations, and as necessary to effect the Settlement.

120. ***Integration and No Reliance.*** This Agreement constitutes a single, integrated

written contract expressing the entire agreement of the Parties relative to the subject matter hereof. This Agreement is executed without reliance on any covenant, agreement, representation, or warranty by any Party or any Party's representative other than those expressly set forth in this Agreement. No covenants, agreements, representations, or warranties of any kind whatsoever have been made by any Party hereto, except as provided for herein.
