# IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEW JERSEY

EVELYN MANOPLA, individually and on behalf of all others similarly situated,

Plaintiffs,

Civil Case Number:

# **CIVIL ACTION**

-against-

RAYMOURS FURNITURE COMPANY, INC. d/b/a RAYMOUR & FLANIGAN,

Defendant.

Plaintiff Evelyn Manopla (hereinafter, "Plaintiff"), individually and on behalf of all others similarly situated, bring this Class Action Complaint (the "Complaint") against Defendant Raymours Furniture Company, Inc. d/b/a Raymour & Flanigan ("Defendant" or "Raymour"), and allege, upon personal knowledge as to their own conduct, and upon information and belief as to the conduct of others, as follows:

# **INTRODUCTION**

1. Plaintiffs bring this Complaint against Defendant to secure redress because Defendant willfully violated the Telephone Consumer Protection Act, 47 U.S.C § 227, *et seq.* ("TCPA") and invaded Plaintiffs' privacy by causing unsolicited text messages to be made to Plaintiff's and other class members' cellular telephones through the use of an auto-dialer.

2. Defendant made one or more unauthorized text message to Plaintiff's cellular phones using an automatic telephone dialing system ("ATDS") for the purpose of soliciting business from Plaintiff.

CLASS ACTION COMPLAINT AND DEMAND FOR JURY TRIAL

# Case 5:18-cv-00799-TJM-TWD Document 1 Filed 09/29/17 Page 2 of 13

3. Defendant continued to make unauthorized text message to Plaintiff's cellular phones using an automatic telephone dialing system ("ATDS") for the purpose of soliciting business from Plaintiff even after Plaintiff requested that the text messages stop.

4. The TCPA was enacted to protect consumers from unsolicited and unwanted telephone calls and text messages exactly like those alleged in this case. In response to Defendant's unlawful conduct, Plaintiff seeks an injunction requiring Defendant to cease all unsolicited text messaging activities to consumers and/or text messaging activities after a consumer requests that the texts stop, and an award of statutory damages to the members of the Classes (defined below) under the TCPA equal to \$1,500.00 per violation, together with court costs, reasonable attorneys' fees, and treble damages (for knowing and/or willful violations).

# **PARTIES**

 Plaintiff Evelyn Manopla is a citizen of New Jersey and resides in Ocean County, New Jersey.

6. Defendant Raymour is a corporation organized under the laws of New York with its corporate office located at 7230 Morgan Road, Liverpool, New York 13090.

7. Whenever in this Complaint it is alleged that Defendant committed any act or omission, it is meant that the Defendant's officers, directors, vice-principals, agents, servants, or employees committed such act or omission and that at the time such act or omission was committed, it was done with the full authorization, ratification or approval of Defendant or was done in the routine normal course and scope of employment of the Defendant's officers, directors, vice-principals, agents, servants, or employees.

# JURISDICTION AND VENUE

8. This Court has subject matter jurisdiction under 28 U.S.C. § 1331, as this action arises under the TCPA, a federal statute.

# Case 5:18-cv-00799-TJM-TWD Document 1 Filed 09/29/17 Page 3 of 13

9. The Court has personal jurisdiction over Defendant because it conducts significant business in this District, and the unlawful conduct alleged in this Complaint occurred in, was directed to, and/or emanated from this District.

10. Venue is proper in this District pursuant to 28 U.S.C. § 1391(b) because the wrongful conduct giving rise to this case occurred in, was directed to, and/or emanated from this District.

11. Defendant is subject to specific personal jurisdiction in this District because it has continuous and systematic contacts with this District through its telemarketing efforts that target this District, and the exercise of personal jurisdiction over Defendant in this District does not offend traditional notions of fair play or substantial justice.

# **LEGAL BASIS FOR THE CLAIMS**

12. In 1991, Congress enacted the TCPA to regulate the explosive growth of the telemarketing industry. In doing so, Congress recognized that "[u]nrestricted telemarketing ... can be an intrusive invasion of privacy...." Telephone Consumer Protection Act of 1991, Pub. L. No. 102-243 § 2(5) (1991) (codified at 47 U.S.C. § 227).

13. Specifically, the TCPA restricts telephone solicitations (*i.e.*, telemarketing) and the use of automated telephone equipment. The TCPA limits the use of automatic dialing systems, artificial or prerecorded voice messages, SMS text messages, and fax machines. It also specifies several technical requirements for fax machines, autodialers, and voice messaging systems – principally with provisions requiring identification and contact information of the entity using the device to be contained in the message.

14. In its initial implementation of the TCPA rules, the FCC included an exemption to its consent requirement for prerecorded telemarketing calls. Where the caller could demonstrate an "established business relationship" with a customer, the TCPA permitted the caller to place pre-

# Case 5:18-cv-00799-TJM-TWD Document 1 Filed 09/29/17 Page 4 of 13

recorded telemarketing calls to residential lines. The new amendments to the TCPA, effective October 16, 2013, eliminated this established business relationship exemption. Therefore, all prerecorded telemarketing calls to residential lines and all ATDS calls to wireless numbers violate the TCPA if the calling party does not first obtain express written consent from the called party.

15. As of October 16, 2013, unless the recipient has given <u>prior express written</u> <u>consent</u>,<sup>1</sup> the TCPA and Federal Communications Commission ("FCC") rules under the TCPA generally:

• Prohibit solicitors from calling residences before 8 a.m. or after 9 p.m., local

• Require that solicitors provide their name, the name of the person or entity on whose behalf the call is being made, and a telephone number or address at which that person or entity may be contacted.

• Prohibit solicitations to residences that use an artificial voice or a recording.

• Prohibit any call or text made using automated telephone equipment or an artificial or prerecorded voice to a wireless device or cellular telephone.

• Prohibit any call made using automated telephone equipment or an artificial or prerecorded voice to an emergency line (*e.g.*, "911"), a hospital emergency number, a physician's office, a hospital/health care facility/elderly room, a cellular telephone, or any service for which the recipient is charged for the call.

• Prohibit autodialed calls that engage two or more lines of a multi-line

business.

time.

<sup>&</sup>lt;sup>1</sup> Prior express written consent means "an agreement, in writing, bearing the signature of the person called that clearly authorizes the seller to deliver or cause to be delivered to the person called advertisements or telemarketing messages using an automatic telephone dialing system or an artificial or prerecorded voice, and the telephone number to which the signatory authorizes such advertisements or telemarketing messages to be delivered." 47 C.F.R. § 64.1200(f)(8).

- Prohibit unsolicited advertising faxes.
- Prohibit certain calls to members of the National Do Not Call Registry.

16. Furthermore, in 2008, the FCC held that "a creditor on whose behalf an autodialed or prerecorded message call is made to a wireless number bears the responsibility for any violation of the Commission's rules." *In re Rules and Regulations Implementing the Telephone Consumer Protection Act, Declaratory Ruling on Motion by ACA International for Reconsideration*, 23 FCC Rcd. 559, 565, ¶ 10 (Jan. 4, 2008); *Birchmeier v. Caribbean Cruise Line, Inc.*, 2012 WL 7062748 (N.D. Ill., Dec. 31, 2012).

17. Accordingly, the entity can be liable under the TCPA for a call made on its behalf, even if the entity did not directly place the call. Under those circumstances, the entity is deemed to have initiated the call through the person or entity.

18. With respect to misdialed or wrong-number calls, the FCC recently clarified that "callers who make calls without knowledge of reassignment and with a reasonable basis to believe that they have valid consent to make the call should be able to initiate one call after reassignment as an additional opportunity to gain actual or constructive knowledge of the reassignment and cease future calls to the new subscriber." *In the Matter of Rules and Regulations Implementing the Tel. Consumer Prot. Act of 1991*, FCC 15–72, 30 F.C.C.R. 7961, ¶¶ 71-72 (July 10, 2015). "If this one additional call does not yield actual knowledge of reassignment, we deem the caller to have constructive knowledge of such." *Id.* Thus, any second call placed to a wrong number violates the TCPA.

19. Finally, the TCPA established the National Do-Not-Call list, as well as the requirement that all businesses that place calls for marketing purposes maintain an "internal" Do-Not-Call list ("IDNC list"). The IDNC is "a list of persons who request not to receive telemarketing calls made by or on behalf of that [seller]." *Id.* The TCPA prohibits a company

### Case 5:18-cv-00799-TJM-TWD Document 1 Filed 09/29/17 Page 6 of 13

from calling individuals on its IDNC list or on the IDNC list of a seller on whose behalf the telemarketer calls, even if those individuals' phone numbers are not on the National Do-Not-Call Registry. *Id.* at § 64.1200(d)(3), (6). Any company, or someone on the company's behalf, who calls a member of the company IDNC violates the TCPA. The called party is then entitled to bring a private action under the TCPA for monetary and injunctive relief.

# FACTUAL ALLEGATIONS

20. Defendant operates a retail furniture company. Unfortunately for consumers, Defendant utilizes a sophisticated telephone dialing system to text individuals *en masse* promoting its services. However, Defendant failed to put in place a mechanism to ensure that those who requested the text messages to stop, stopped receiving said messages.

21. In Defendant's overzealous attempt to market its services, Defendant knowingly made (and continues to make) telemarketing text messages without the prior express written consent of the call recipients, and continued to send messages after requests that the text messages stop. As such, Defendant not only invaded the personal privacy of Plaintiffs and members of the Classes, but also intentionally and repeatedly violated the TCPA.

# FACTUAL BACKGROUND AS TO PLAINTIFF RICHARDSON

22. During and around July of 2016, Defendant sent text messages to Plaintiff Manopla on her cellular telephone number via an ATDS, as defined by 47 U.S.C. § 227(a)(1).

23. One such message was sent July 01, 2016 at 3:51pm, came from short code 366-98 and stated:

"Deal Alert: Up to 30% off for July 4<sup>th</sup> weekend at Raymour & Flanigan! Ends Monday at 6pm. You are subscribed to Raymour alerts. Reply STOPRF to cancel."

See Exhibit A.

#### Case 5:18-cv-00799-TJM-TWD Document 1 Filed 09/29/17 Page 7 of 13

24. Plaintiff Manopla received said text message, and all other text messages at issue below, on her cellular telephone assigned a number ending in 6252.

25. Wishing for these text messages to stop, Manopla followed the Defendant's instructions and texted back "Stoprf". See **Exhibit B.** 

26. Despite Manopla following Defendant's instructions for the text messages to stop, Plaintiff continued to receive advertising text messages over the next seven months.

27. The text messages came from several short codes including 366-98 and 449-98.

28. The text messages ranged from advertising a doorbuster sale, cyber Monday sale, and July 4<sup>th</sup> sale. See **Exhibit C.** 

29. On information and belief, and based on the circumstances as described above, Defendant texted Plaintiff using an ATDS.

# LEGAL CLAIMS

30. Defendant's calls constituted calls that were not for emergency purposes as defined by 47 U.S.C. § 227(b)(1)(A)(i).

31. Plaintiff did not provide Defendant prior express written consent to receive calls to their cellular telephones utilizing an ATDS or artificial or pre-recorded voice, pursuant to 47 U.S.C. § 227 (b)(1)(A), and if such consent was given, Plaintiff revoked such consent.

32. In a Federal Communication Commission's (FCC) Declaratory Ruling relating to revocation of consent, the FCC states, "Additionally, we clarify that a called party may revoke consent at any time and through any reasonable means. A caller may not limit the manner in which revocation may occur." See FCC 15-72, CG Docket No. 02-278.

33. All text messages Defendant made to Plaintiffs invaded Plaintiffs' privacy and violated 47 U.S.C. § 227(b)(1).

# Case 5:18-cv-00799-TJM-TWD Document 1 Filed 09/29/17 Page 8 of 13

34. Plaintiffs have reason to believe that Defendant has messaged, and continues to message, thousands of wireless telephone customers to market its products and services without consent and/or after consumers revoked their consent in a reasonable manner.

35. In order to redress injuries caused by Defendant's violations of the TCPA, Plaintiff, on behalf of themselves and the Classes of similarly situated individuals, bring suit under the TCPA, 47 U.S.C. § 227, *et seq.*, which prohibits certain unsolicited voice and text calls to cellular phones.

36. On behalf of Plaintiff and the Class, Plaintiff seek an award of statutory damages to the Class members, together with costs and reasonable attorneys' fees.

#### CLASS ACTION ALLEGATIONS

37. Plaintiffs bring this action pursuant to Rule 23(a), Rule 23(b)(2), and Rule 23(b)(3) of the Federal Rules of Civil Procedure individually and on behalf of the Class, which include:

a. All individuals in the United States who received a text message made by or on behalf of Raymour & Flanigan to the individual's cellular telephone through the use of an automatic telephone dialing system, after the individual replied 'Stoprf', 'stop', or 'end', beginning four years prior to the date of this filing.

38. Plaintiff reserve the right to modify the Class definitions as warranted as facts are learned in further investigation and discovery.

39. Plaintiff and the Class members were harmed by Defendant's acts in at least the following ways: Defendant, either directly or through its agents, illegally contacted Plaintiffs and the Class *via* their cellular telephones by using an ATDS, thereby causing Plaintiffs and the Class to incur certain cellular telephone charges or reduce cellular telephone time for which Plaintiffs and the Class members previously paid; and Plaintiffs and Class members' privacy was invaded.

# Case 5:18-cv-00799-TJM-TWD Document 1 Filed 09/29/17 Page 9 of 13

40. The exact size of the Class is presently unknown but can be ascertained through a review of Defendant's records, and it is clear that individual joinder is impracticable. Defendant made telephone calls to thousands of consumers who fall into the definition of the Classes.

41. There are many questions of law and fact common to the claims of Plaintiffs and the Classes, and those questions predominate over any questions that may affect individual members of the Classes.

42. Common questions for the Classes include, without limitation:

- a. Whether Defendant's conduct violated the TCPA;
- b. Whether Defendant systematically made text message to consumers after it was reasonably requested that the text message stop;
- c. Whether Class members are entitled to treble damages based on the willfulness of Defendant's conduct;
- d. Whether Defendant made text messages to consumers using any automatic dialing system to any telephone number assigned to a cellular phone service; and
- e. Whether Defendant and its agents should be enjoined from engaging in such conduct in the future.

43. Plaintiff's claims are typical of the claims of the other members of the Class. Plaintiff and the Class sustained damages as a result of Defendant's uniform wrongful conduct during transactions with Plaintiff and the Class.

44. Plaintiff will fairly and adequately represent and protect the interests of the Class, and have retained counsel competent and experienced in complex class actions.

45. Plaintiff have no interest antagonistic to those of the Class, and Defendant has no defenses unique to Plaintiff.

# Case 5:18-cv-00799-TJM-TWD Document 1 Filed 09/29/17 Page 10 of 13

46. This class action is appropriate for class certification because Defendant has acted or refused to act on grounds generally applicable to the Class as a whole, thereby requiring the Court's imposition of uniform relief to ensure compatible standards of conduct toward the Class, and making final injunctive relief appropriate with respect to the Class as a whole.

47. Defendant's practices challenged herein apply to and affect the Class members uniformly, and Plaintiffs' challenge of those practices hinges on Defendant's conduct with respect to the Classes as a whole, not on facts or law applicable only to Plaintiffs.

48. This case is also appropriate for class certification because class proceedings are superior to all other available methods for the fair and efficient adjudication of this controversy given that joinder of all parties is impracticable.

49. The damages suffered by the individual members of the Classes will likely be relatively small, especially given the burden and expense of individual prosecution of the complex litigation necessitated by Defendant's actions.

50. Thus, it would be virtually impossible for the individual members of the Classes to obtain effective relief from Defendant's misconduct.

51. Even if members of the Classes could sustain such individual litigation, it would still not be preferable to a class action, because individual litigation would increase the delay and expense to all parties due to the complex legal and factual controversies presented in this Complaint.

52. By contrast, a class action presents far fewer management difficulties and provides the benefits of single adjudication, economy of scale, and comprehensive supervision by a single court. Economies of time, effort and expense will be fostered and uniformity of decisions ensured.

# FIRST CAUSE OF ACTION VIOLATIONS OF THE TELEPHONE CONSUMER PROTECTION ACT <u>47 U.S.C. § 227</u>

#### Case 5:18-cv-00799-TJM-TWD Document 1 Filed 09/29/17 Page 11 of 13

53. Plaintiff re-alleges and incorporate by reference each preceding paragraph as though fully set forth herein.

54. Defendant made unsolicited and unauthorized text messages using an ATDS to Plaintiff's and the Class members cellular telephones for the purpose of marketing products and/or services to Plaintiff and the Class.

55. Defendant sent the text messages and continued to send said messages after being told to stop.

56. The foregoing acts and omissions of Defendant constitute numerous and multiple violations of the TCPA, including but not limited to each and every one of the above-cited provisions of 47 U.S.C. § 227, *et seq*.

57. Defendant's conduct invaded Plaintiff's privacy.

58. As a result of Defendant's violations of 47 U.S.C. § 227, *et seq.*, Plaintiff and the Class are entitled to an award of \$500.00 in statutory damages, for each and every violation, pursuant to 47 U.S.C. § 227(b)(3)(B).

59. Because Defendant had knowledge that Plaintiff and the Class revoked consent to the receipt of the aforementioned telephone solicitations, the Court should, pursuant to 47 U.S.C. § 227(b)(3)(C), treble the amount of statutory damages recoverable by Plaintiffs and the Classes.

60. Plaintiff and the Class are also entitled to and seek injunctive relief prohibiting such conduct in the future.

#### JURY DEMAND

Plaintiff and the Class demand a jury trial on all issues so triable.
