Please refer to the Long Form Notice posted on the Settlement Website **www.infosysdatasettlement.com**, for more information on submitting a Claim Form and if you are part of the Settlement Class.

This Litigation arose out of a Data Breach perpetrated against Defendant Infosys McCamish Systems, LLC. The Settlement Class Representatives allege that Defendant inadequately safeguarded the Personal Information at issue. Defendant denies all claims of wrongdoing or liability.

You are a Settlement Class Member if you are a person residing in the United States whose Personal Information was compromised in the Data Breach, including all who were sent individualized, statutory notice of the Data Breach. If a notice was mailed to you, Defendant and its experts determined that your Personal Information may have been subject to unauthorized access and acquisition and that you may be a Settlement Class Member. All Settlement Class Members are eligible to claim: (i) reimbursement for documented Monetary Losses up to $6,000, (ii) Credit Monitoring, and/or (iii) a Residual Cash Payment, anticipated to be approximately $30, but in no case more than $599.

The amount of the Residual Cash Payment available to Settlement Class Members shall be determined pro rata based on the amount remaining in the Settlement Fund following payment of documented Monetary Losses, Credit Monitoring costs, the Fee Award and Expenses, Service Awards, Administration and Notice Costs, and CAFA Notice costs. The amount payable per person will not be known until other benefits have been paid. While the amount of this payment depends upon the number of valid Claims made, the amount of the cash payment is currently estimated to be approximately $30. The payment could be more or less than this amount, but in no event shall the payment per person exceed $599.

Instructions. *Please follow the instructions below and answer the questions as instructed.*

<u>CLAIM INFORMATION</u>

Section A. - Payment Selection

If you would like to elect to receive your Settlement benefit through electronic transfer, please visit the Settlement Website and timely file your Claim Form. The Settlement Website includes a step-by-step guide for you to complete the electronic payment option. If you would like to receive a check via mail instead, please submit your Claim Form via mail.

Section B. - Confirm Your Eligibility

Did you receive a unique Class Member ID indicating that you may be a member of the Settlement Class?

☐ Yes   ☐ No

> *If yes, continue to the next question.*

> *If no, contact the Settlement Administrator to determine whether you are a Settlement Class Member and qualify to file a Claim.*

Section C. - Reimbursement of Documented Monetary Losses

Documented Monetary Losses: Would you like to make a Claim for reimbursement of Monetary Losses?

☐ Yes   ☐ No

If you suffered unreimbursed Monetary Losses fairly traceable to the Data Breach, you may be eligible to receive a payment to compensate you for losses.

If it is verified that you meet all the criteria described in the Settlement Agreement and you submit the dollar amount of those losses, you will be eligible to receive a payment compensating you for your losses of up to six thousand dollars (**$6,000**).

You must submit documentation supporting your Claim if you select reimbursement of documented Monetary Losses. Examples of what can be used to prove your losses include: receipts, account statements, etc. "Self-prepared" documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support other submitted documentation.

Providing adequate proof of your losses does not guarantee that you will be entitled to receive the full amount claimed. All Claims will also be subject to an aggregate maximum payment amount, as explained in the Settlement Agreement and Claims Administration Protocol. If the amount of losses claimed exceeds the maximum amount of money available under the Settlement Agreement, then the payment for your Claim will be reduced on a pro rata basis. If you would like to learn more, please review the Settlement Agreement and Claims Administration Protocol for further details.

Did you suffer any unreimbursed Monetary Losses fairly traceable to the Data Breach? For example, did you incur any unreimbursed losses relating to fraud or identity theft; professional fees including attorneys' fees, accountants' fees, and fees for credit repair services; costs associated with freezing or unfreezing credit with any credit reporting agency; credit monitoring costs that were incurred on or after the Data Breach through the date of Claim submission; and miscellaneous expenses such as notary, fax, postage, copying, mileage, and long-distance telephone charges?

☐ Yes   ☐ No

> *If yes, you may fill out the rest of this Section C and provide corroborating documentation, which will be reviewed and evaluated by the Settlement Administrator.*

> *If no, continue to Section D.*
