Case No. 2025CV000166

Plaintiffs,

DOVE HEALTHCARE MANAGEMENT
SERVICES, INC.,

Defendant.

SETTLEMENT AGREEMENT

This Settlement Agreement¹ is entered into between Plaintiffs, individually, and on behalf of the Settlement Class, and Defendant, as of the date last signed below. The Parties hereby agree to the following terms in full settlement of the Action, subject to a Final Approval Order entered by the Court.

I. Procedural History

1. Defendant provides nursing and rehabilitation care, assisted living, and palliative care services, primarily to elderly patients, from more than a dozen locations across Wisconsin. As a condition of receiving healthcare services from Defendant, Defendant's patients are required to provide Defendant with their Private Information. Similarly, as a condition of obtaining employment from Defendant, Defendant's employees are required to provide Defendant with their Private Information. Defendant's patients and employees entrusted Defendant with Private Information including their full names, Social Security numbers, dates of birth, driver's license

¹ All capitalized terms herein shall have the same meanings as those defined in Section II below.

numbers, information regarding medical treatments and diagnoses, medical history, medical record numbers, health insurance information, and/or full face photographic images.

2. On or about March 18, 2025, Defendant began sending Plaintiffs and others impacted by the Data Incident letters informing them that on or about July 6, 2024, cybercriminals breached Defendant's information systems. According to Defendant's investigation, the Private Information exposed in the Data Breach includes: current and former patients' and employees' full names, Social Security numbers, dates of birth, driver's license numbers, information regarding medical treatments and diagnoses, medical history, medical record numbers, health insurance information, and/or full face photographic images.

3. On March 26, 2025, Plaintiff Miranda Meredith filed a Class Action Complaint against Defendant for the unlawful exposure of her and all similarly situated individuals' Private Information, seeking money damages and injunctive relief.

4. Thereafter, a number of similar lawsuits with similar claims and overlapping putative class definitions were filed against Defendant regarding the Data Incident. Plaintiffs' counsel in the actions conferred and decided to work cooperatively and litigate their actions in a single action.

5. On May 5, 2025, Plaintiffs filed a First Amended Class Action Complaint (the "Complaint") in this Action.

6. Thereafter, in an effort to conserve resources for the benefit of the those impacted in the Data Incident, the Parties began discussing settlement.

7. Defendant provided Plaintiffs' counsel with information related to, among other things, the nature and cause of the incident, the number and geographic location of victims impacted by the Data Incident, and the specific type of information potentially accessed.

8. After several telephone calls between their respective counsel over the course of approximately five months, the Parties negotiated and eventually agreed to the material terms of a settlement in principle to resolve all claims on a classwide basis.

9. The Parties now agree to settle the Action entirely, without any admission by the Defendant of liability or wrongdoing, with respect to all Released Claims of the Releasing Parties. Defendant has entered into this Agreement to resolve all controversies and disputes arising out of or relating to the allegations made in the Complaint and the Data Incident, and to avoid the costs and expenses, distractions, burden, expense, and disruption to Defendant's business operations associated with further litigation. Defendant does not in any way acknowledge, admit to, or concede any of the allegations made in the Complaint, and expressly disclaims and denies any fault or liability, or any charges of wrongdoing that have been or could have been asserted in the Petition. Nothing contained in this Agreement shall be used or construed as an admission of liability, and this Agreement shall not be offered or received in evidence in any action or proceeding in any court or other forum as an admission or concession of liability or wrongdoing of any nature or for any other purpose other than to enforce the terms of this Agreement. Plaintiffs enter into this Agreement to recover on the claims asserted in the Complaint, and to avoid the risk, delay, and uncertainty of continued litigation. Plaintiffs do not in any way concede that the claims alleged in the Complaint lack merit or are subject to any defenses. The Parties intend this Agreement to bind Plaintiffs, Defendant, and all Settlement Class Members.

NOW, THEREFORE, in light of the foregoing, for good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree, subject to approval by the Court, as follows.

The Settlement Website shall remain online and operable for at least six months after Final Approval.

59. “**Valid Claim**” means a Claim Form submitted by a Settlement Class Member that is: (a) submitted in accordance with the provisions of the Settlement; (b) accurately, fully, and truthfully completed and executed, with all of the information requested in the Claim Form, by a Settlement Class Member; (c) signed physically or by e-signature by a Settlement Class Member personally; (d) returned via mail and postmarked by the Claim Form Deadline, or, if submitted online, submitted by 11:59 p.m. Central time on the Claim Form Deadline; and (e) determined to be valid by the Settlement Administrator. The Settlement Administrator may require additional information from the Claimant to validate the Claim, including, but not limited to, answers related to questions regarding the validity or legitimacy of the physical or e-signature. Failure to respond to the Settlement Administrator's Notice of Deficiency may result in a determination that the Claim is not a Valid Claim.

III. Settlement Consideration

60. Defendant has agreed to pay for (or cause to be paid) the following: (a) all Settlement Administration Costs; (b) Cash Payments to Settlement Class Members; (c) Credit Monitoring and Insurance Services for Settlement Class Members; and (d) any Court-awarded attorneys' fees, costs, and Service Awards.

61. Settlement Class Members must submit a Valid Claim to the Settlement Administrator to receive Settlement Class Member Benefits. Settlement Class Members may

submit claims for a Cash Payment and/or CMIS. If a Settlement Class Member does not submit a Valid Claim or fails to submit a timely and valid request to opt out of the Settlement Class, the Settlement Class Member will release his or her claims against the Released Parties without receiving a Settlement Class Member Benefit.

62. **Cash Payments** – Defendant shall pay a Cash Payment to each Settlement Class Member who submits a Valid Claim. Under no circumstances shall Defendant be obligated to pay more than \$150,000.00 in Cash Payments in connection with this Settlement. This amount represents the maximum total liability of Defendant for Cash Payments under this Agreement, and the Parties agree that Valid Claims for documented losses and lost time shall be paid first, followed by Valid Claims for Alternate Cash Payment. Any Valid Claims that would cause the total amount of Cash Payments paid by Defendant to exceed \$150,000.00 shall be subject to a *pro rata* reduction as necessary to ensure that Defendant's total Cash Payment obligation does not exceed this cap. For example, if Valid Claims for documented losses total \$100,000.00, the amount of Cash Payments for lost time and alternate cash payments will be reduced *pro rata* to ensure that Defendant's total Cash Payment obligation does not exceed \$150,000.00.

a. **Cash Payment A – Documented Losses and Lost Time**

Settlement Class Members may submit a claim for a Cash Payment under this section for up to \$3,000.00 per Settlement Class Member upon presentation of reasonable documented losses related to the Data Incident. To receive a documented loss payment, a Settlement Class Member must elect Cash Payment A on the Claim Form attesting to incurring documented losses. Settlement Class Members will be required to submit reasonable documentation supporting the losses, which means documentation contemporaneously generated or prepared by a third party or the Settlement Class Member supporting a claim for expenses paid. Non-exhaustive examples of

reasonable documentation include telephone records, correspondence including emails, or receipts. Except as expressly provided herein, personal certifications, declarations, or affidavits from the Settlement Class Member do not constitute reasonable documentation but may be included to provide clarification, context, or support for other submitted reasonable documentation. Settlement Class Members shall not be reimbursed for expenses if they have been reimbursed for the same expenses by another source.

Settlement Class Members with time spent remedying issues related to the Data Incident may receive reimbursement of \$20.00 per hour up to 3 hours (for a total of \$60.00) with an attestation including a brief description of the action(s) taken in response to the Data Incident. Lost time is recoverable only if a Claimant submits a Valid Claim for documented losses as set forth above.

If a Settlement Class Member does not submit reasonable documentation supporting a loss or an attestation supporting lost time, or if their Claim is rejected by the Settlement Administrator for any reason, and the Settlement Class Member fails to cure his or her Claim, the Claim will be rejected and the Settlement Class Member's Claim will be treated as if he or she elected Cash Payment B.

b. Cash Payment B – Alternate Cash

As an alternative to Cash Payment A above, a Settlement Class Member may elect to receive Cash Payment B, which is an alternate cash payment in the estimated amount of \$50.00, dependent on the *pro rata* decrease referenced above.

63. ***Credit Monitoring and Insurance Services*** - In addition to having the option to elect Cash Payment A or Cash Payment B, all Settlement Class Members will have the option of

receiving two years of one-bureau credit monitoring, which will include up to \$1 million of identity theft insurance coverage.

64. ***Injunctive Relief*** – Prior to Final Approval, Defendant will provide Class Counsel with a confidential list of cybersecurity enhancements that Defendant has undertaken (or will undertake) following the Data Incident, and the estimated total cost of the cybersecurity enhancements. The costs of any such security measures on the part of Defendant were paid or will be paid by the Defendant.

IV. Settlement Approval

65. Plaintiffs' Motion for Preliminary Approval shall, among other things, request the Court: (1) preliminarily approve the terms of the Settlement as fair, adequate, and reasonable; (2) provisionally certify the Settlement Class for settlement purposes only; (3) approve the Notice Program, including the form and content of the Notices; (4) approve the Claim Process and the form and content of the Notices; (5) approve the procedures for members of the Settlement Class to opt-out of the Settlement or for Settlement Class Members to object to the Settlement; (6) appoint Simpluris, Inc. as Settlement Administrator; (7) appoint Plaintiffs as Class Representatives and Nickolas J. Hagman of Cafferty Clobes Meriwether & Sprengel LLP, Gary M. Klinger of Milberg, PLLC, Jeff Ostrow of Kopelowitz Ostrow, P.A., Philip J. Krzeski of Chestnut Cambronne PA, and Tyler J. Bean of Siri & Glimstad LLP as Class Counsel for Settlement purposes; (8) stay the Action pending Final Approval of the Settlement; and (9) schedule a Final Approval Hearing for a time and date mutually convenient for the Court, the Parties, Class Counsel, and Defendant's Counsel.

V. Settlement Administrator

66. The Parties agree that, subject to Court approval, Simpluris, Inc. shall be the Settlement Administrator. Class Counsel shall oversee the Settlement Administrator. The Settlement Administrator shall fulfill the requirements set forth in the Preliminary Approval Order and the Agreement and comply with all applicable laws, including, but not limited to, the Due Process Clause of the United States Constitution.

Settlement Website to reflect the new date. No additional notice to the Settlement Class is required if the date or time for the Final Approval Hearing changes.

72. The Settlement Administrator shall establish the Settlement Website no later than the day before Notice is initiated. The Settlement Administrator shall ensure the Settlement Website makes available the Court-approved online Claim Form that can be submitted online directly on the Settlement Website or in printable version that can be sent by U.S. Mail to the Settlement Administrator.

73. The Long Form Notice shall also include a procedure for individuals in the Settlement Class to opt-out of the Settlement Class, and the Postcard Notice shall direct Settlement Class Members to review the Long Form Notice to obtain the opt-out instructions. An individual in the Settlement Class may opt-out of the Settlement Class at any time until the Opt-Out Deadline by mailing a request to opt-out to the Settlement Administrator postmarked no later than the last day of the Opt-Out Period. The opt-out request must be personally signed by the Settlement Class member and contain the requestor's name, address, telephone number, and email address (if any), and include a statement indicating a request to opt-out of the Settlement Class. Any individual in the Settlement Class who does not timely and validly request to opt-out shall be bound by the terms of this Agreement even if that Settlement Class Member does not submit a Valid Claim.

74. The Long Form Notice shall also include a procedure for Settlement Class Members to object to the Settlement and/or Application for Attorneys' Fees and Costs, and the Postcard Notice shall direct Settlement Class Members to review the Long Form Notice to obtain the objection instructions. If submitted by mail, an objection shall be deemed to have been submitted when posted if received with a postmark date indicated on the envelope if mailed first-class postage prepaid and addressed in accordance with the instructions. If submitted by private courier (e.g., Federal Express), an objection shall be deemed to have been submitted on the shipping date reflected on the shipping label.

Class Counsel and/or Defendant's Counsel may conduct limited discovery (including a deposition) on any objector or objector's counsel.

76. The Settlement Administrator shall perform reasonable address traces for those Postcard Notices returned as undeliverable. By way of example, a reasonable tracing procedure would be to run addresses of returned postcards through the Lexis/Nexis database that can be utilized for such purpose. To the extent better addresses are found, the Settlement Administrator should attempt to remail the Postcard Notice.

77. The Notice Program shall be completed in its entirety no later than 45 days before the original date set for the Final Approval Hearing.

VII. Claim Process and Disbursement of Cash Payments

78. The Notice and the Settlement Website will explain to Settlement Class Members that they may be entitled to a Settlement Class Member Benefit and how to submit a Claim Form.

79. Claim Forms may be submitted online through the Settlement Website or through U.S. Mail by sending them to the Settlement Administrator at the address designated on the Claim Form.

80. The Settlement Administrator shall collect and review each Claim Form received to determine whether the Claim Form meets the requirements of a Valid Claim set forth in this Settlement. 81. The Settlement Administrator shall use reasonable efforts and means to identify and reject duplicate claims. No Settlement Class Member may submit more than one Claim Form. The Settlement Administrator shall identify any Claim Forms that appear to seek relief on behalf of the same Settlement Class Member. If the Settlement Administrator determines a duplicate claim has been submitted, it shall attempt to contact the Settlement Class Member in an effort to determine which Claim Form is the appropriate one for consideration.

82. The Settlement Administrator shall exercise, in its discretion, usual and customary steps to prevent fraud and abuse and take any reasonable steps to prevent fraud and abuse in the Claim Process. The Settlement Administrator may, in its discretion, deny in whole or in part any Claim Form to prevent actual or possible fraud or abuse. By agreement, the Parties can instruct the Settlement Administrator to take whatever steps it deems appropriate if the Settlement Administrator identifies actual or possible fraud or abuse relating to the submission of Claims, including, but not limited to, denying in whole or in part any Claim. If any fraud is detected or reasonably suspected, the Settlement Administrator and Parties may require the submission of

further information from Claimants or deny Claims, subject to the supervision of the Parties and ultimate oversight by the Court.

83. Claim Forms that do not meet the terms and conditions of this Settlement shall be promptly rejected by the Settlement Administrator and the Settlement Administrator shall advise the Settlement Class Member of the reason(s) why the Claim Form was rejected. However, if the Claim Form is rejected for containing incomplete or inaccurate information, and/or omitting required information, the Settlement Administrator may send a Notice of Deficiency explaining what information is missing or inaccurate and needed to validate the Claim and have it submitted for consideration. The Settlement Administrator shall notify the Settlement Class Member using the contact information provided in the Claim Form. The additional information and/or documentation can include, for example, answers to questions regarding the validity of the physical or e-signature. A Settlement Class Member shall have until the Claim Form Deadline, or 15 days after the date the Notice of Deficiency is sent via mail and postmarked or via email, whichever is later, to reply to the Notice of Deficiency and provide the required information. If the Settlement Class Member timely and adequately provides the requested information and/or documentation, the Claim shall be deemed a Valid Claim and processed by the Settlement Administrator. If the Settlement Class Member does not timely and completely provide the requested information and/or documentation, the Settlement Administrator shall reduce or deny the Claim unless Defendant and Class Counsel otherwise agree.

84. Where a good faith basis exists, the Settlement Administrator may reduce or reject a Claim for, among other reasons, the following:

- b. Illegible Claim Form;

- c. The Claim Form is fraudulent;
- d. The Claim Form is duplicative of another Claim Form;
- e. The Claimant is not a Settlement Class Member;
- f. The Claimant submitted a timely and valid request to opt-out of the Settlement Class;
- g. The person submitting the Claim Form requests that payment be made to a person or entity other than the Claimant for whom the Claim Form is submitted;
- h. Failure to submit a Claim Form by the Claim Form Deadline; and/or
- i. The Claim Form otherwise does not comply with the requirements of this Settlement.

85. The Settlement Administrator's reduction or denial of a Claim is final, subject to the following dispute resolution procedures:

- a. The Settlement Administrator shall have 30 days from the Claim Form Deadline to approve or reject Claims for the reasons described in Paragraph 84;
- b. A request for additional information by sending a Notice of Deficiency shall not be considered a denial for purposes of this Paragraph;
- c. If a Claim is rejected, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel and Defendant's Counsel shall be provided with copies of all such notifications to Claimants; and
- d. The Settlement Administrator's determination as to whether to approve, deny, or reduce a Claim shall be final and binding.
