

**IN THE CIRCUIT COURT FOR THE 13TH JUDICIAL CIRCUIT
IN AND FOR HILLSBOROUGH COUNTY, FLORIDA**

GAYLE MINANO, on behalf of themselves and all
others similarly situated,

Plaintiff,

v.

IDEAL IMAGE DEVELOPMENT CORPORATION,

Defendant.

DIVISION C

Case No.: 25-CA-011075

CLASS REPRESENTATION

CLASS ACTION SETTLEMENT AGREEMENT

This Agreement (“Agreement” or “Settlement Agreement”) is entered into by and among (i) Plaintiff Gayle Minano (the “Plaintiff”), both individually and on behalf of the Settlement Class (as defined herein); and (ii) Defendant, Ideal Image Development Corporation (“Defendant” or “Ideal Image”). Plaintiff and the Defendant are collectively referred to herein as the “Parties.” This Agreement is intended by the Parties to fully, finally and forever resolve, discharge, and settle the Released Claims (as defined herein), upon and subject to the terms and conditions of this Agreement, and subject to the final approval of the Court.

RECITALS

A. On June 11, 2024, Plaintiff served a demand and notice for corrective action (the “Demand”), alleging causes of action against Ideal Image related to the alleged disclosure of personal information by tracking technologies deployed on Ideal Image’s website, www.idealimage.com (the “Website”).

B. On December 10, 2024, Plaintiff, a California resident, filed a Complaint in the United States District Court for the Southern District of California asserting the causes of action in the Demand (the “Complaint”).

C. In response to the Complaint, on or about February 2, 2025, Ideal Image filed a Motion to Dismiss under Fed. R. Civ. Pro. 12(b)(6);

D. On or about February 25, 2025, Plaintiff filed a Notice of Voluntary Dismissal of the Complaint without prejudice;

E. Upon receipt of the Demand and following the filing of the Complaint, the Parties engaged in informal discussions as to the potential for early resolution. Towards that end, the Parties exchanged letters, documents, and other information necessary to engage in early resolution.

F. The Parties’ discussions led to an agreement to engage in mediation, which the Parties agreed would take place before The Honorable Joseph A. Dickson U.S.M.J. (Ret.) of Chiesa Shahinian & Giantomasi PC, an experienced neutral with decades of relevant experience.

G. As part of the mediation, and in order to competently assess their relative negotiating positions, the Parties exchanged additional informal discovery, including on issues such as the size and scope of the putative class, and certain facts related to the strength of Defendant’s defenses. Given that the information exchanged was similar to the information that would have been provided in formal discovery relating to class certification and summary judgment, the Parties had sufficient information to assess the strengths and weaknesses of their respective claims and defenses.

H. The mediation took place in-person on August 21, 2025. The Parties engaged in good faith negotiations, which at all times were at arms’ length. No settlement was reached on August 21, 2025. However, the Parties continued arm’s length negotiations over the next several

weeks, facilitated by Judge Dickson, until they were able to agree on the material terms of a settlement on October 1, 2025.

I. On November 3, 2025, Plaintiff filed a complaint in the above-captioned action (the “Action”), alleging violations of the Florida Security of Communications Act (“FSCA”), Fla. Stat. § 934.03, the California Invasion of Privacy Act (“CIPA”), Cal. Penal Code §§ 631(a), and the Electronic Communications Privacy Act (“ECPA”), 18 U.S.C. § 2510, *et seq.*

J. At all times, Defendant has denied and continues to deny any wrongdoing whatsoever and has denied and continues to deny that it committed, or threatened or attempted to commit, any wrongful act or violation of any law or duty whatsoever, including those alleged in the Action. Defendant believes that the claims asserted in the Action lack merit and Defendant would have prevailed at summary judgment and/or trial. Nonetheless, taking into account the costs, uncertainty, and risks inherent in any litigation, Defendant has concluded it is desirable and beneficial that the Action be fully and finally settled and terminated in the manner and upon the terms and conditions set forth in this Agreement. This Agreement is a compromise, and the Agreement, any related documents, and any negotiations resulting in it shall not be construed as or deemed to be evidence of or an admission or concession of liability or wrongdoing on the part of Defendant, or any of the Released Parties (defined below), with respect to any claim of any fault or liability or wrongdoing or damage whatsoever.

K. Plaintiff believes that the claims asserted in the Action against Defendant have merit and that she would have prevailed at summary judgment and/or trial. Nonetheless, Plaintiff and Class Counsel recognize that Defendant has raised factual and legal defenses that present a risk that Plaintiff may not prevail on her claims or on certifying a class. Plaintiff and Class Counsel also recognize the expense and delay associated with prosecution of the Action against Defendant through class certification, summary judgment, trial, and any subsequent appeals.

Plaintiff and Class Counsel have also taken into account the uncertain outcome and risks of litigation, especially in complex class actions, as well as the difficulties inherent in such litigation. Therefore, Plaintiff believes it is desirable that the Released Claims be fully and finally compromised, settled, and resolved with prejudice. Based on their evaluation, Class Counsel have concluded that the terms and conditions of this Agreement are fair, reasonable, and adequate to the Settlement Class, and that it is in the best interests of the Settlement Class to settle the claims raised in the Action pursuant to the terms and provisions of this Agreement.

L. Considering the risks and uncertainties of continued litigation and all factors bearing on the merits of a settlement, the Parties are satisfied that the terms and conditions of this Agreement are fair, reasonable, adequate, and in their respective best interests.

M. In consideration of the covenants, agreements, and releases set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed by and among the undersigned that the Action be fully and finally settled and compromised, and that the Releasors (as defined below) release the Released Parties of the Released Claims, without costs as to Released Parties, Plaintiffs, Settlement Class Counsel, or the Settlement Class, except as explicitly provided for in this Agreement, subject to the approval of the Court, on the following terms and conditions.

The Releasing Parties, and each of them, further acknowledge and agree that their waiver of rights under Section 1542 of the California Civil Code, South Dakota Code Section 20-7-11, and/or any other equivalent or similar federal or state law, has been separately bargained for and are essential and material terms of this Settlement Agreement and, without such waiver, this Settlement Agreement would not have been entered into by the Parties.

- iii. the Court fails to enter a Final Approval Order or an Alternative Judgment;
- iv. the settlement or Alternative Judgment is not upheld on appeal or modified, including review by the United States Supreme Court;
- v. the Effective Date does not occur for any reason, including but not limited to the entry of an order by any court that would require either material modification or termination of the Settlement Agreement;
- vi. the Defendant's insurer refuses to or otherwise fails to fund in full the Settlement Fund subject to the exhaustion of the self-insured retention, and Defendant gives notice of the termination of this Settlement Agreement within ten (10) days after the deadline for funding the Settlement Fund; or
- vii. If 2,000 or more of Settlement Class Members submit valid written objections seeking exclusion from the Class from the Court.

6.2 The Class Representative's Termination. Subject to Paragraphs 9.1-9.3 below, the Class Representative shall have the right to terminate this Settlement Agreement, declare it null and void, and have no further obligations under this Settlement Agreement if any of the events outlined Paragraph 6.1(i), (ii), (iii) or (iv) occur and the Class Representative provides written notice of the election to do terminate to all other Parties hereto.

6.3 The Parties agree that the Court's failure to approve, in whole or in part, the Fee Award payment to Class Counsel and/or the incentive award set forth in Paragraph 8 below shall not prevent the Agreement from becoming effective, nor shall it be grounds for termination. The procedures for any application for approval of attorneys' fees, expenses, or Incentive Awards are

to be considered by the Court separately from the Court's consideration of the fairness, reasonableness and adequacy of the Settlement.

7. PRELIMINARY APPROVAL ORDER AND FINAL APPROVAL ORDER.

7.1 Promptly after the execution of this Settlement Agreement, Class Counsel shall submit this Agreement together with its Exhibits to the Court and shall move the Court for Preliminary Approval of the settlement set forth in this Agreement; certification of the Settlement Class for settlement purposes only; appointment of Class Counsel and the Class Representative; and entry of a Preliminary Approval Order, which order shall set a Final Approval Hearing date and approve the Notice and Claim Forms for dissemination substantially in the form of Exhibits A, B, C, and D hereto. The Preliminary Approval Order shall also authorize the Parties, without further approval from the Court, to agree to and adopt such amendments, modifications and expansions of the Settlement Agreement and its implementing documents (including all exhibits to this Agreement) so long as they are consistent in all material respects with the terms of the Settlement Agreement and do not limit or impair the rights of the Settlement Class.

7.2 Defendant's agreement as to certification of the Settlement Class is solely for purposes of effectuating the Settlement and no other purpose. Defendant retains all of its objections, arguments, and defenses with respect to class certification and any other issue, and reserves all rights to contest class certification and any other issue if the Settlement set out in this Agreement does not result in entry of the Final Approval Order and Final Approval Order, if the Court's approval is reversed or vacated on appeal, if this Settlement is terminated as provided herein, or if the Settlement set forth in this Settlement otherwise fails to become effective. The Parties acknowledge that there has been no stipulation to any classes or certification of any classes for any purpose other than effectuating the Settlement, and that if the Settlement set forth

in this Settlement Agreement is not finally approved, if the Court's approval is reversed or vacated on appeal, if this Settlement Agreement is terminated as provided herein, or if the Settlement set forth in this Settlement Agreement otherwise fails to become effective, this agreement as to certification of the Settlement Class becomes null and void *ab initio*, and this Settlement Agreement or any other settlement-related statement may not be cited regarding certification of the Class, or in support of an argument for certifying any class for any purpose related to this Action or any other proceeding.

7.3 At the time of the submission of this Agreement to the Court as described above, Class Counsel shall request that, after Notice is given, the Court hold a Final Approval Hearing and approve the settlement of the Action as set forth herein.

7.4 After Notice is given, the Parties shall request and seek to obtain from the Court a Final Approval Order , which will (among other things):

(a) find that the Court has personal jurisdiction over all Settlement Class Members and that the Court has subject matter jurisdiction to approve the Agreement, including all exhibits thereto;

(b) approve the Settlement Agreement and the proposed settlement as fair, reasonable, and adequate as to, and in the best interests of, the Settlement Class Members; direct the Parties and their counsel to implement and consummate the Agreement according to its terms and provisions; and declare the Agreement to be binding on, and have *res judicata* and preclusive effect in all pending and future lawsuits or other proceedings maintained by or on behalf of Plaintiff and Releasing Parties;

(c) find that the Notice implemented pursuant to the Agreement (1) constitutes the best practicable notice under the circumstances; (2) constitutes notice that is reasonably calculated, under the circumstances, to apprise the Settlement Class of the pendency

of the Action, their right to object to or exclude themselves from the proposed Agreement, and to appear at the Final Approval Hearing; (3) is reasonable and constitutes due, adequate, and sufficient notice to all persons entitled to receive notice; and (4) meets all applicable requirements of the Florida Rules of Civil Procedure, the Due Process Clause of the United States Constitution, and the rules of the Court;

(d) find that the Class Representatives and Class Counsel adequately represent the Settlement Class for purposes of entering into and implementing the Agreement;

(e) dismiss the Action (including all individual claims and Settlement Class Claims presented thereby) on the merits and with prejudice, without fees or costs to any party except as provided in the Settlement Agreement;

(f) incorporate the Release set forth above, make the Release effective as of the date of the Effective Date, and forever discharge the Released Parties as set forth herein;

(g) permanently bar and enjoin all Settlement Class Members who have not been properly excluded from the respective Settlement Class from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in, any lawsuit or other action in any jurisdiction based on the Released Claims; and

(h) without affecting the finality of the Final Approval Order for purposes of appeal, retain jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and the Final Approval Order, and for any other necessary purpose.

8. CLASS COUNSEL'S ATTORNEYS' FEES AND REIMBURSEMENT OF EXPENSES; INCENTIVE AWARD.

8.1 Defendant agrees that Class Counsel shall be entitled to an award of reasonable attorneys' fees out of the Settlement Sum in an amount determined by the Court, as well as

reasonable litigation costs and expenses. The amount awarded by the Court is known as the Fee Award. With no consideration given or received, Class Counsel will limit its petition for attorneys' fees to no more than one-third of the Settlement Fund. Class Counsel shall also be permitted to ask the Court for reasonable litigation costs and expenses not to exceed \$15,000.

8.2 The Fee Award shall be payable within thirty (30) days after entry of the Court's Final Approval Order, subject to Class Counsel executing the Undertaking Regarding Attorneys' Fees and Costs (the "Undertaking") attached hereto as Exhibit E, and providing a W-9 Form for Class Counsel. Payment of the Fee Award shall be made by check delivered to Bursor & Fisher, P.A. at 701 Brickell Avenue, Suite 2100 Miami, FL 33131. Notwithstanding the foregoing, if for any reason the Final Approval Order is reversed or rendered void as a result of an appeal(s) then Class Counsel shall return such funds to the Settlement Fund.

8.3 Class Counsel intends to file a motion for Court approval of an Incentive Award for the Class Representative, to be paid out of the Settlement Sum, in addition to any funds the Class Representative stands to otherwise receive from the Settlement. With no consideration having been given or received for this limitation, the Class Representative will seek no more than \$3,000 as an incentive award. Such award shall be paid in the form of a check to the Class Representatives that is sent care of Class Counsel within thirty (30) days after the Effective Date.

9. CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION OR TERMINATION.

9.1 The Effective Date of this Settlement Agreement shall not occur unless and until each of the following events occurs and shall be the date upon which the last (in time) of the following events occurs:

- (a) The Parties and Class Counsel have executed this Agreement;
- (b) The Court has entered the Preliminary Approval Order;

(c) The Court has entered the Final Approval Order, following Notice to the Settlement Class and a Final Approval Hearing, and a judgment consistent with this Agreement in all material respects; and

(d) The Final Approval Order has become Final, as defined above, or, in the event that the Court enters an order and final judgment in a form other than that provided above (“Alternative Judgment”) and that has the consent of the Parties, such Alternative Judgment becomes Final.

9.2 If some or all of the conditions specified in Paragraph 9.1 are not met, or in the event that this Agreement is not approved by the Court, or the settlement set forth in this Agreement is terminated or fails to become effective in accordance with its terms, then this Settlement Agreement shall be canceled and terminated subject to Paragraph 6.1 unless Plaintiff and Defendant, through their respective counsel, mutually agree in writing to proceed with this Agreement. If any Party is in material breach of the terms hereof, and fails to cure such material breach within 30 days of notice, any other Party, provided that it is in substantial compliance with the terms of this Agreement, may terminate this Agreement on notice to all of the Settling Parties.

9.3 If this Agreement is terminated or fails to become effective for the reasons set forth in Paragraphs 6.1, 6.2, or 9.1-9.2 above, the Parties shall be restored to their respective positions in the Action as of the date of the signing of this Agreement. In such event, any Final Approval Order or other order entered by the Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*, and the Parties shall be returned to the *status quo ante* with respect to the Action as if this Agreement had never been entered into.

10. MISCELLANEOUS PROVISIONS.

10.1 The Parties (a) acknowledge that it is their intent to consummate this Settlement Agreement; and (b) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement, to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Agreement, to secure final approval, and to defend the Final Approval Order through any and all appeals. Class Counsel and Defendant's Counsel agree to cooperate with one another in seeking Court approval of the Settlement Agreement, entry of the Preliminary Approval Order, and the Final Approval Order, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Agreement.

10.2 The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiff, the Settlement Class, and each or any of them, on the one hand, against the Released Parties, and each or any of the Released Parties, on the other hand. Accordingly, the Parties agree not to assert in any forum that the Action was brought by Plaintiff or defended by Defendant, or each or any of them, in bad faith or on a frivolous basis.

10.3 The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully the above and foregoing agreement and have been fully advised as to the legal effect thereof by counsel of their own selection and intend to be legally bound by the same.

10.4 Whether or not the Effective Date occurs or the Settlement Agreement is terminated, neither this Agreement nor the settlement contained herein, nor any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement:

(a) is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them, as an admission, concession or evidence of, the validity of any Released Claims, the truth of any fact alleged by the Plaintiff, the deficiency of any defense that has been or could have been asserted in the Action, the violation of any law or statute, the reasonableness of the settlement amount or the Fee Award, or of any alleged wrongdoing, liability, negligence, or fault of the Released Parties, or any of them;

(b) is, may be deemed, or shall be used, offered or received against Defendant, as an admission, concession or evidence of any fault, misrepresentation or omission with respect to any statement or written document approved or made by the Released Parties, or any of them;

(c) is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them, as an admission or concession with respect to any liability, negligence, fault or wrongdoing as against any Released Parties, in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. However, the settlement, this Agreement, and any acts performed and/or documents executed in furtherance of or pursuant to this Agreement and/or Settlement may be used in any proceedings as may be necessary to effectuate the provisions of this Agreement. Further, if this Settlement Agreement is approved by the Court, any Party or any of the Released Parties may file this Agreement and/or the Final Approval Order in any action that may be brought against such Party or Parties in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim;

(d) is, may be deemed, or shall be construed against Plaintiff, the Settlement Class, the Releasing Parties, or each or any of them, or against the Released Parties, or each or

any of them, as an admission or concession that the consideration to be given hereunder represents an amount equal to, less than or greater than that amount that could have or would have been recovered after trial; and

(e) is, may be deemed, or shall be construed as or received in evidence as an admission or concession against Plaintiff, the Settlement Class, the Releasing Parties, or each and any of them, or against the Released Parties, or each or any of them, that any of Plaintiff's claims are with or without merit or that damages recoverable in the Action would have exceeded or would have been less than any particular amount.

10.5 The headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

10.6 The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any other prior or subsequent breaches of this Agreement.

10.7 All of the Exhibits to this Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

10.8 This Agreement and its Exhibits set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein, and supersede all prior negotiations, agreements, arrangements, and undertakings with respect to the matters set forth herein. No representations, warranties or inducements have been made to any Party concerning this Settlement Agreement or its Exhibits other than the representations, warranties and covenants contained and memorialized in such documents. This Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

10.9 Except as otherwise provided herein, each Party shall bear its own costs.

10.10 Plaintiff represents and warrants that she has not assigned any claim or right or interest therein as against the Released Parties to any other Person or Party and that she is fully entitled to release the same.

10.11 Each counsel or other Person executing this Settlement Agreement, any of its Exhibits, or any related settlement documents on behalf of any Party hereto, hereby warrants and represents that such Person has the full authority to do so and has the authority to take appropriate action required or permitted to be taken pursuant to the Agreement to effectuate its terms. Class Counsel in particular warrants that they are authorized to execute this Settlement Agreement on behalf of Plaintiff and the Settlement Class (subject to final approval by the Court after notice to all Settlement Class Members), and that all actions necessary for the execution of this Settlement Agreement have been taken.

10.12 This Agreement may be executed in one or more counterparts. Signature by digital means, facsimile, or in PDF format will constitute sufficient execution of this Agreement. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court if the Court so requests.

10.13 This Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto and the Released Parties.

10.14 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Agreement, and all Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in this Agreement.

10.15 This Settlement Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

10.16 This Agreement is deemed to have been prepared by counsel for all Parties, as a result of arm's-length negotiations among the Parties. Because all Parties have contributed substantially and materially to the preparation of this Agreement, it shall not be construed more strictly against one Party than another.

10.17 Where this Agreement requires notice to the Parties, such notice shall be sent to the undersigned counsel: Sarah N. Westcot, Bursor & Fisher, P.A., 701 Brickell Avenue, Suite 2100, Miami, FL 33131; Angelo A. Stio, III, Troutman Pepper Locke LLP, 104 Carnegie Center Drive, Suite 203, Princeton, NJ 08540.

10.18 Plaintiff and/or Class Counsel shall not, at any time, issue press releases or make other public statements regarding the Settlement or the Action (apart from filings with the Court as necessary to obtain Preliminary or Final Approval of the Settlement) unless Defendant agrees to such press releases or public statements in advance; provided that Class Counsel may post Court orders regarding the Action and brief summaries of those orders on their website(s) without permission from Defendant, so long as any reference in such order(s) to materials subject to any confidentiality obligations are properly redacted. This provision shall not prohibit Class Counsel from communicating with any person in the Settlement Class regarding the Settlement (subject to compliance with any and all applicable confidentiality obligations).
