BASIC INFORMATION

What is this Notice and why should I read it?

The Court authorized this Notice to inform you about a proposed Settlement with Defendant. The case is called *Mireles v. Cornerstone Healthcare Group Management Services LLC d/b/a Cornerstone Specialty Hospitals*, No. 3:24-cv-410-DJH. You have legal rights and options that you may act on before the Court decides whether to approve the proposed Settlement. This Notice explains the lawsuit, the Settlement, and your legal rights.

What is a class action lawsuit?

A class action is a lawsuit in which one or more plaintiffs—in this case, Emilio Mireles—sue on behalf of a group of people who have similar claims. Together, this group is called a “Class” and consists of “Class Members.” In a class action, the court resolves the issues for all class members, except those who exclude themselves from the class.

THE CLAIMS IN THE LAWSUIT AND THE SETTLEMENT

What is this lawsuit about?

Plaintiff claims that Defendant failed to implement and maintain reasonable security measures to adequately protect the Private Information in its possession and to prevent the Data Incident from occurring.

Defendant denies that it is liable for the claims made in the lawsuit and denies all allegations of wrongdoing. More information about the complaint in the lawsuit can be found on the Settlement Website, at www.CSHealthcareSettlement.com.

Why is there a Settlement?

The Court has not decided whether the Plaintiff or Defendant should win this case. Instead, both sides agreed to this Settlement. That way, they can avoid the uncertainty, risks, and expense of ongoing litigation, and Settlement Class Members will be eligible to get compensation now rather than years later—if ever. The Class Representatives and attorneys for the Settlement Class Members, called Class Counsel, agree the Settlement is in the best interests of the Settlement Class Members. The Settlement is not an admission of wrongdoing by the Defendant.

WHO'S INCLUDED IN THE SETTLEMENT?

How do I know if I am in the Settlement Class?

You are part of the Settlement as a Settlement Class Member if you received a notification letter from Defendant stating that your Private Information was or may have been compromised in the Data Incident.

Settlement Class Members will have been mailed notice of their eligibility. If you are still not sure whether you are included, you can contact the Settlement Administrator by calling 1-844-687-7014, by emailing info@CSHealthcareSettlement.com, or by visiting the Settlement Website, at www.CSHealthcareSettlement.com.

This Settlement Class does not include (1) the Judge presiding over this Action, and members of their direct families; (2) Defendant, and its current and former officers and directors; and (3) Settlement Class Members who submit a valid a Request for Exclusion prior to the Opt-Out Deadline.

Included in the Settlement Class is one subclass: the SSN Subclass, made up of individuals whose Social Security number was potentially compromised in the Data Incident.

THE SETTLEMENT BENEFITS

What does the Settlement provide?

Under the proposed Settlement, Defendant will pay (or cause to be paid) \$2,350,000.00 into a Settlement Fund. The Settlement Fund, plus interest accrued thereon, will pay notice and administration costs, Court-approved attorneys' fees and costs, Court-approved service awards for class representatives, and certain Settlement Fund taxes and tax expenses (the "Net Settlement

Fund”). The Net Settlement Fund will be used to provide eligible Settlement Class Members with payments and benefits described below.¹

Monitoring: SSN Subclass members can claim certain monitoring products described below.

1. **SSN Subclass:** SSN Subclass members may claim 2 years of three-bureau credit monitoring and identity protection services, to include \$1 million in identity fraud insurance. The Settlement Administrator, from the Settlement Fund, will purchase and provide credit monitoring codes for such monitoring to SSN Subclass members who submit Approved Claims.

Monetary Relief: Settlement Class members may claim reimbursement of documented losses *or* a pro rata cash payment.

1. **Documented Losses:** Settlement Class members may claim reimbursement for documented losses. Members of the SSN Subclass may claim up to \$10,000 in documented losses. Remaining Settlement Class members may claim up to \$2,500 in documented losses. Any Settlement Class Member whose Documented Loss Claim is denied in full will automatically be provided a Pro Rata Cash Payment as described below.

A. Supporting Documents: To receive reimbursement for any Documented Monetary Loss, Settlement Class members must submit supporting documentation of the loss and a description of how the loss is fairly traceable to the Data Incident, if not readily apparent from the documentation. Documented monetary losses can be supported with the following evidence: receipts or other documentation not “self-prepared” by the Claimant and that demonstrates the reasonable costs actually incurred by the Claimant. “Self-prepared” documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but may be considered to add clarity or support other submitted documentation.

B. Documented Ordinary Losses: All Settlement Class members may submit a claim for documented out-of-pocket expenses fairly traceable to the Data Incident, up to \$2,500 total per individual. Documented Ordinary Losses may include various types of out-of-pocket losses that were incurred on or after December 1, 2023 through the Claims Deadline, including the following: credit

¹ If the benefits claimed by all Settlement Class Members meets or exceeds the amount of the Net Settlement Fund, then the payments and/or benefits for your Claim may be reduced *pro rata* pursuant to Paragraph 72 of the Settlement Agreement by the Settlement Administrator so that the aggregate cost of all payments and benefits does not exceed the amount of the Net Settlement Fund.

monitoring costs; unreimbursed bank fees; long distance phone charges; postage; or gasoline for local travel. This list of reimbursable documented out-of-pocket expenses is not meant to be exhaustive, but rather is exemplary. Adult Subclass Members may make claims for any documented unreimbursed out-of-pocket losses fairly traceable to the Data Incident or to mitigating the effects thereof. The Settlement Administrator shall have discretion to determine whether any claimed loss is fairly traceable to the Data Incident.

C. Documented Extraordinary Losses: SSN Subclass members are eligible to seek compensation for extraordinary losses resulting from the Data Incident, up to a maximum of \$10,000. The Claim Form and supporting documentation must demonstrate that: (i) the loss is an actual, documented, and unreimbursed monetary loss; (ii) the loss was fairly traceable to the Data Incident; (iii) the loss occurred between December 1, 2023 and the Claims Deadline; (iv) the loss is not already covered by one or more of the Documented Ordinary Loss reimbursement categories; and (v) the Claimant made reasonable efforts to avoid the loss or seek reimbursement for the loss, including, but not limited to, exhaustion of all available credit monitoring insurance and identity theft insurance. Extraordinary Losses may include, without limitation, the unreimbursed costs, expenses, losses or charges incurred as a result of identity theft or identity fraud, falsified tax returns, or other possible misuse of Private Information.

2. **Pro Rata Cash Payment:** In lieu of claiming the Documented Losses set forth above, Settlement Class Members may claim a Pro Rata Cash Payment. Pro Rata Cash Payments will be calculated based on whether a claimant is a member of the SSN Subclass or not. SSN Subclass Members' Cash Payments shall equal three times (3x) the amount of Settlement Class members not belonging to the SSN Subclass. The payments shall be calculated by dividing the funds remaining in the Settlement Fund after payment of Settlement Administration Fees, Fee Award and Expenses, Service Awards, Minor Monitoring, Credit Monitoring and Identity Restoration Services, and Documented Monetary Losses.

Such sums as may be approved by the Court will be paid from the Settlement Fund.

Class Counsel will also request a service award payment of \$3,000 for the Class Representative to be paid from the Settlement Fund.

The Court will determine the proper amount of any attorneys’ fees, costs, and expenses to award Class Counsel and the proper amount of any service awards to the Class Representative.

YOUR RIGHTS AND OPTIONS

What claims do I give up by participating in this Settlement?

If you do not exclude yourself from the Settlement, you will not be able to sue Defendant about the Data Incident and you will be bound by all decisions made by the Court in this case, the Settlement, and its included Release. This is true regardless of whether you submit a Claim Form. However, you may exclude yourself from the Settlement (*see below*). If you exclude yourself from the Settlement, you will not be bound by any of the Released Claims, which are described in the Settlement Agreement available on the Settlement Website, at www.CSHealthcareSettlement.com.

What happens if I do nothing at all?

If you do nothing, you will receive no benefits under the Settlement. You will be in the Settlement Class, and if the Court approves the Settlement, you will also be bound by all orders and judgments of the Court, the Settlement, and its included Release. You will be deemed to have participated in the Settlement and will be subject to the provisions of the Settlement Agreement. Unless you exclude yourself, you won't be able to file a lawsuit or be part of any other lawsuit against Defendant for the claims or legal issues released in this Settlement.

What happens if I ask to be excluded?

If you exclude yourself from the Settlement, you will receive no benefits under the Settlement. However, you will not be in the Settlement Class and will not be legally bound by the Court's judgments related to the Settlement Class and Defendant in this class action.

How do I ask to be excluded?

You can ask to be excluded from the Settlement. To do so, you must send a written notification to the Settlement Administrator stating that you want to be excluded from the Settlement in *Mireles v. Your written notification must include: (1) the name of the proceeding; (2) your full name and current address; (3) your signature; and (4) the words "Request for Exclusion" or a comparable statement that you not wish to participate in the Settlement at the top of the communication. You must mail your exclusion request, postmarked no later than April 8, 2026, to the following address:

Cornerstone Data Incident Settlement Administrator
PO Box 2271
Baton Rouge, LA 70821

You cannot exclude yourself by phone or email. Any individual who wants to be excluded from the Settlement must submit his or her own exclusion request. No group opt-outs shall be permitted.

If I don't exclude myself, can I sue Defendant for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Defendant for the claims or legal issues released in this Settlement, even if you do nothing.

If I exclude myself, can I get anything from this Settlement?

No. If you exclude yourself, do not submit a Claim Form to ask for any benefits.

How do I object to the Settlement?

If you do not exclude yourself from the Settlement Class, you can object to the Settlement if you do not agree with any part of it. You can give reasons why you think the Court should deny approval by filing an objection. To object, you must mail a written objection to the Settlement Administrator stating that you object to the Settlement in *Mireles v. Cornerstone Healthcare Group Management Services LLC d/b/a Cornerstone Specialty Hospitals*, No. 3:24-cv-410-DJH. Your objection must be filed no later than April 8, 2026.

The objection must be in writing and be personally signed by you. You must also mail the objection to the Settlement Administrator at the address listed below, postmarked no later than April 8, 2026:

Cornerstone Data Incident Settlement Administrator
PO Box 2271
Baton Rouge, LA 70821

What's the difference between objecting and excluding myself from the Settlement?

Objecting simply means telling the Court that you don't like something about the Settlement. You can object only if you stay in the Settlement Class. Excluding yourself from the Settlement Class is telling the Court that you don't want to be part of the Settlement Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S FINAL APPROVAL HEARING

When and where will the Court hold a hearing on the fairness of the Settlement?

The Court will hold the Final Approval Hearing on May 14, 2026 at 1:30 P.M EST at the Courthouse located at the U.S. Courthouse in Louisville, KY. The purpose of the hearing is for the Court to determine whether the Settlement is fair, reasonable, adequate, and in the best interests of the Settlement Class. Any changes will be posted at the Settlement Website, at www.CSHealthcareSettlement.com, or through the Court's publicly available docket. You should check the Settlement Website to confirm the date and time have not been changed.

Do I have to come to the hearing?

No. Class Counsel will answer any questions the Court may have. But you are welcome to attend the hearing at your own expense. If your written objection was filed or mailed on time and meets the other criteria described in the Settlement, the Court will consider it. However, you may appear on your behalf or pay a lawyer to attend on your behalf to assert your objection if you would like.

May I speak at the hearing?
