**ORDER GRANTING UNOPPOSED MOTION FOR PRELIMINARY APPROVAL OF  
CLASS SETTLEMENT AGREEMENT**

This matter came before the Court on Plaintiffs Randy Mrozinski, Tammy Lowell, and Marc Blazich's ("Plaintiffs" or "Class Representatives") Unopposed Motion for Preliminary Approval of Class Settlement Agreement ("Motion"). Plaintiffs, individually, and on behalf of the proposed Settlement Class, and Defendant Aspirus, Inc. ("Defendant" or "Aspirus," and together with Plaintiffs, the "Parties") have entered into a Settlement Agreement (the "Settlement Agreement") that settles the above-captioned litigation.

This matter concerns a putative class action, *Mrozinski, et al. v. Aspirus, Inc.*, Marathon County Circuit Court Case No. 2023CV000170, which arises out of Aspirus' alleged disclosure of certain types of its patients' personally identifiable information to Meta, and other third parties (the "Website Usage Disclosure"). Aspirus denies all allegations of wrongdoing.

The Parties, through their counsel, have entered into a Settlement Agreement following

good faith, arm's-length negotiations and a mediation overseen by Jerry P. Rosco, Esq. of JAMS. The Parties have agreed to settle the Lawsuit, pursuant to the terms of the Settlement Agreement, and subject to the approval and determination of the Court as to the fairness, reasonableness, and adequacy of the Settlement which, if approved, will result in dismissal of the Lawsuit with prejudice.

Having reviewed the Settlement Agreement, including the exhibits attached thereto, and all prior proceedings herein, and for good cause shown, it is hereby ordered that Plaintiffs' Unopposed Motion for Preliminary Approval of Class Action Settlement is **GRANTED** as set forth herein.<sup>1</sup>

1. **Class Certification for Settlement Purposes Only.** For settlement purposes only and pursuant to Wisc. Stat. Ann. Sec. 803.08 the Court conditionally certifies the Settlement Class in this matter defined as follows:

All patients of Aspirus residing in the United States who had a patient portal account with Aspirus and logged in between January 1, 2019 through December 31, 2024.

Excluded from the Settlement Class are:

(a) any Judge presiding over this Action, any members of the Judge's staff, and immediate members of the Judge's family; (b) officers and directors of Defendant, its agents, affiliates, subsidiaries, parent companies, successors, predecessors, and any entity in which Defendant or its parents have a controlling interest; (c) persons who timely and validly request exclusion from or opt-out of the Settlement Class; (4) the legal representatives, successors, or assigns of any such excluded persons; and (5) Class Counsel.

The Court conditionally finds, for settlement purposes only, that: (1) the Settlement Class is so numerous that joinder of all members is impracticable, (2) there are questions of law or facts

<sup>1</sup> Unless otherwise indicated, capitalized terms used in this [Proposed] Preliminary Approval Order Granting Unopposed Motion for Preliminary Approval of Class Action Settlement ("Preliminary Approval Order") have the same meaning as in the Settlement Agreement.

common to the Settlement Class, (3) the claims or defenses of the Class Representative are typical of the claims or defenses of the Settlement Class, (4) the Class Representative and Settlement Class Counsel will fairly and adequately assert and protect the interests of the Settlement Class under the criteria set forth in Wisc. Stat. Ann. Sec. 803.08, and (5) a class action provides a fair and efficient method of adjudication of the controversy.

2. **Class Representatives and Settlement Class Counsel.**

Randy Mrozinski, Tammy Lowell, and Marc Blazich are hereby designated and appointed as the Class Representatives. The Court provisionally finds that the Class Representatives are similarly situated to absent Settlement Class Members and therefore typical of the Class and that they will be adequate Class Representatives.

The Court finds that the following counsel is experienced and adequate counsel and is hereby provisionally designated as Settlement Class Counsel: Gary M. Klinger of Milberg Coleman Bryson Phillips Grossman, PLLC, David S. Almeida of Almeida Law Group, LLC, Raina Borrelli of Strauss Borrelli, PLLC, and Foster C. Johnson of Ahmad, Zavitsanos, & Mensing, PLLC.

3. **Preliminary Settlement Approval.** Upon preliminary review, the Court concludes and finds that the proposed Settlement is fair, reasonable, adequate, and in the best interests of the Settlement Classes to warrant providing Notice of the Settlement to the Settlement Class and accordingly the proposed Settlement is preliminarily approved.

4. **Jurisdiction.** The Court concludes that it has subject matter jurisdiction and personal jurisdiction over the Parties before it for the purposes of the Settlement. Additionally, venue is proper in this Court.

5. **Final Approval Hearing.** A Final Approval Hearing shall be held on

\_\_\_\_\_, 2025 at \_\_\_\_\_ o'clock [a.m./p.m.] in the Circuit Court for the County of Marathon, Wisconsin, Courtroom \_\_\_\_\_, to determine, among other things, whether:

(a) this matter should be finally certified as a class action pursuant to Wisc. Stat. Ann. Sec. 803.08; (b) the Settlement Agreement between the Parties should be finally approved; (c) the Settlement and Settlement Agreement should be finally approved as fair, reasonable, adequate, and in the best interests of the Settlement Class; (d) the action should be dismissed with prejudice pursuant to the terms of the Settlement Agreement; (e) Settlement Class Members (except those who have timely and valid requests for exclusion from the Settlement) should be bound by the releases set forth in the Settlement Agreement; (f) Plaintiff's Motion for Attorneys' Fees, Costs, Expenses, and Service Awards should be granted; (g) Gary M. Klinger of Milberg Coleman Bryson Phillips Grossman, PLLC, David S. Almeida of Almeida Law Group, LLC, Raina Borrelli of Strauss Borrelli, PLLC, and Foster C. Johnson of Ahmad, Zavitsanos, & Mensing, PLLC should be finally appointed as Settlement Class Counsel; and (h) Randy Mrozinski, Tammy Lowell, and Marc Blazich should be finally appointed as Class Representatives.

Plaintiffs' Motion for Final Approval of the Class Action Settlement shall be filed with the Court at least **fourteen (14) Days prior to the date of the Final Approval Hearing**, and Plaintiffs' Motion for Attorneys' Fees, Costs, Expenses, and Service Award to Class Representative shall be filed with the Court at least **fourteen (14) Days prior to the deadline for Settlement Class Members to opt-out of or object to the Settlement**.

6. **Administration.** The Court appoints Simpluris, Inc. as the Settlement Administrator, with responsibility for the Notice Program and Claims Administration and to fulfill the duties of the Settlement Administrator set forth in the Settlement Agreement. The Notice and Claims Administration Costs, including, but not limited to, the Settlement Administrator's fees, as

well as the costs associated with the provision of notice to the Settlement Class Members and administration of the Settlement, shall be paid from the Settlement Fund.

7. **Notice to the Class.** The proposed Notice Program set forth in the Settlement Agreement, including the Long Notice and the Short Form Notice, which are attached to the Settlement Agreement as **Exhibits B-C**, respectively constitute reasonable notice of the commencement of the action, provide a fair recital of the subject matter and proposed terms of the Settlement, provide Settlement Class Members with details regarding how to request exclusion from or to object to the Settlement Agreement, and are hereby approved. Non-material modifications to these exhibits may be made without further order of the Court. The Settlement Administrator and Aspirus are directed to carry out the Notice Program in conformance with the Settlement Agreement.

Within **thirty (30) Days of the entry of this Preliminary Approval Order** (the “Notice Deadline”), the Settlement Administrator shall send the Short Notice via email to all Settlement Class Members whose email addresses are available.

8. **Findings and Conclusions Concerning Notice.** The Court finds that the form, content, and method of giving notice to the Settlement Class as described in this Preliminary Approval Order and the Settlement Agreement (including the exhibits thereto) constitutes reasonable notice of the commencement of the action to the Settlement Class. Specifically, the Notices (both Short Form and Long Form in **Exhibits B and C**) themselves are clear and straightforward. They define the Settlement Class; clearly describe the options available to class members and the deadlines for taking action; describe the essential terms of the Settlement, including a summary of the monetary or other benefits the class would receive; disclose the requested Service Awards for the Class Representatives, as well as the amount that Settlement

Class Counsel intends to seek in fees, costs, and expenses; describe procedures for making claims, objections, and requesting exclusion; provide information that will enable Settlement Class Members to calculate their individual recovery; describe the date, time, and place of the Final Fairness Hearing; and prominently display the address and phone number of the Settlement Administrator for Settlement Class Members to make further inquiry about the Settlement. Finally, direct notice, combined with publishing on the Settlement Website, is designed to be the best reasonable notice of the commencement of the action to reach the Settlement Class Members under the circumstances. The Court concludes that the Notice Program meets all applicable requirements of law and constitutes Due Process under the U.S. and Wisconsin Constitutions.

9. **Exclusion from Class.** Any Settlement Class Member who wishes to be excluded from the Settlement Class must personally sign, and timely submit, complete, and mail a request for exclusion (“Opt-Out Request”) to the Settlement Administrator at the address in the Notice. To be effective, an Opt-Out Request must clearly manifest the Settlement Class Member’s intent to be excluded from the Settlement Class, and be postmarked ***no later than the Exclusion Deadline, which is sixty (60) days after the Notice Date.***

All Settlement Class Members who submit timely, valid Opt-Out Requests, shall receive no benefits or compensation under the Settlement Agreement, shall gain no rights from the Settlement Agreement, shall not be bound by the Settlement Agreement, and shall have no right to object to the Settlement or proposed Settlement Agreement or to participate at the Final Approval Hearing. An Opt-Out Request or other request for exclusion that does not fully comply with the requirements for requesting exclusion from the Settlement Class or that is not timely submitted or postmarked, or that is sent to an address other than that set forth in the Notice, will be invalid, and the person submitting such request will be treated as a Settlement Class Member

and will be bound by the Settlement Agreement, including the Release contained therein, and any judgment entered thereon.

Within fourteen (14) Days after the last Day of the Opt-Out Period, the Settlement Administrator shall furnish to Settlement Class Counsel and to Counsel for Aspirus a complete list of all timely and valid Opt-Out Requests (the “Opt-Out List”).

10. **Objections.** A Settlement Class Member who complies with the requirements of this Paragraph may object to the Settlement and to Plaintiffs’ Motion for Attorneys’ Fees, Costs, and Service Award for the Class Representative.

No Settlement Class Member shall be heard, and no papers, briefs, pleadings, or other documents submitted by any Settlement Class Member shall be received and considered by the Court, unless the objection is: (a) filed with the Clerk of Court ***by the Objection Deadline, which is no later than sixty (60) Days after the Notice Date***, as set forth in the Settlement Agreement and as specified in the Notice; and (b) mailed to Settlement Class Counsel and Counsel for Aspirus at the addresses listed in the Notice, and postmarked by no later than the Objection Deadline.

Each Objection must include; (1) the objector’s name and address; (2) an explanation of the basis upon which the objector claims to be a Settlement Class Member; (3) all grounds for the objection, including all citations to legal authority and evidence supporting the objection; (4) the name and contact information of any and all attorneys representing, advising, or in any way assisting the objector in connection with the preparation or submission of the objection (the “Objecting Attorneys”); (5) a statement indicating whether the objector intends to appear at the Final Approval Hearing (either personally or through counsel who files an appearance with the Court in accordance with the Local Rules); and (6) a list, by case name, court, and docket number, of all other cases in which the objector and/or the Objecting Attorneys have filed an objection to

any proposed class action settlement within the last three (3) years.

Any Settlement Class Member who fails to comply in full with the requirements for objecting in the Settlement Agreement, the Notice, and any Court orders will forever waive and forfeit any and all rights he or she may have to raise any objection to the Settlement Agreement, will not be permitted to object to the approval of the Settlement at the Final Approval Hearing, will be foreclosed from seeking any review of the Settlement or the terms of the Settlement Agreement by appeal or other means, and will be bound by the Settlement Agreement and by all proceedings, orders, and judgments in the Lawsuit.

11. **Claims Process and Settlement Administration.** Class Representatives and Aspirus have created a process for assessing and determining the validity of claims and a payment methodology to Settlement Class Members who submit a timely, valid Claim Form. The Court preliminarily approves the plan for remuneration described in the Settlement Agreement and directs that the Settlement Administrator effectuate the distribution of Settlement consideration according to the terms of the Settlement Agreement, should the Settlement be finally approved.

Settlement Class Members who qualify for and wish to submit a Claim Form shall do so in accordance with the requirements and procedures specified in the Notice and the Claim Form. If the Final Order and Judgment is entered, all Settlement Class Members who qualify for any benefit under the Settlement, but fail to submit a claim in accordance with the requirements and procedures specified in the Notice and the Claim Form, shall be forever barred from receiving any such benefit, but will in all other respects be subject to and bound by the provisions in the Settlement Agreement, the Release included in that Settlement Agreement, and the Final Order and Judgment.

12. **Termination of Settlement.** This Preliminary Approval Order shall become null

and void and shall be without prejudice to the rights of the Parties, all of whom shall be restored to their respective positions existing as of the date of the execution of the Settlement Agreement, if the Settlement is not finally approved by the Court or is terminated in accordance with the Settlement Agreement. In such event, the Settlement and Settlement Agreement shall become null and void and be of no further force and effect, and neither the Settlement Agreement nor the Court's orders, including this Preliminary Approval Order, relating to the Settlement shall be used or referred to for any purpose whatsoever.

13. **Use of Order.** This Preliminary Approval Order shall be of no force or effect if a Final Order and Judgment is not entered or there is no Effective Date and shall not be construed or used as an admission, concession, or declaration by or against Aspirus of any fault, wrongdoing, breach, liability, or the certifiability of any class. Nor shall this Preliminary Approval Order be construed or used as an admission, concession, or declaration by or against the Class Representative or any other Settlement Class Member that his or her claim lacks merit or that the relief requested is inappropriate, improper, unavailable, or as a waiver by any Party of any defense or claim he, she, or it may have in this Lawsuit or in any other lawsuit.

14. **Stay of Proceedings.** Except as necessary to effectuate this Preliminary Approval Order, all proceedings and deadlines in this matter are stayed and suspended pending the Final Approval Hearing and issuance of the Final Order and Judgment, or until such further order of this Court. Further, any actions brought by Settlement Class Members concerning the Released Claims are hereby enjoined and stayed pending the Final Approval Hearing and issuance of the Final Order and Judgment, or until such further order of this Court.

15. **Continuance of Hearing.** The Court reserves the right to adjourn or continue the Final Approval Hearing and related deadlines without further written notice to the Settlement

Class. If the Court alters any of those dates or times, the revised dates and times shall be posted on the Settlement Website maintained by the Settlement Administrator.

16. **Summary of Deadlines.** The preliminarily approved Settlement shall be administered according to its terms pending the Final Approval Hearing. Deadlines arising under the Settlement Agreement and this Preliminary Approval Order include, but are not limited to:
