

Why am I receiving this notice? A Settlement has been reached with Naper Grove Vision Care, P.C. ("Naper Grove") in a class action lawsuit. The case is about the May 2025 cyberattack on Naper Grove's computers (the "Data Incident"). Files containing private information were accessed. Naper Grove denies that it did anything wrong, and the Court has not decided who is right. The parties have agreed to settle the lawsuit ("Settlement") to avoid the risks, disruption, and uncertainties of continued litigation. A copy of the Settlement is available online.

Who is included in the Settlement? The Court has defined the class as: "All Individuals whose Private Information may have been impacted by the Data Incident."

The Court has appointed experienced attorneys, called "Class Counsel," to represent the Class.

What are the Settlement benefits? You can claim one year of Credit Monitoring.
