

We represent NetLine Corporation (“NetLine”) located at 275 Grove Street, Newton, MA 02466, and are writing to notify your office of an incident that may affect the security of certain personal information relating to five (5) Maine residents. This notice will be supplemented with any new significant facts learned subsequent to its submission. By providing this notice, NetLine does not waive any rights or defenses regarding the applicability of Maine law, the applicability of the Maine data event notification statute, or personal jurisdiction.

Nature of the Data Event

On or about April 21, 2026, NetLine became aware of suspicious activity related to a public facing webserver. In response, NetLine took steps to secure the server and conduct a comprehensive investigation. The investigation determined an unknown actor queried certain databases on the server without authorization on April 20, 2026. NetLine undertook a thorough review of the relevant databases to determine what information was present, and to whom the information related. Thereafter NetLine worked diligently to identify address information for purposes of issuing notice. NetLine completed its review on April 29, 2026.

The information that could have been impacted includes name and Social Security number or Individual Taxpayer Identification Number.

Notice to Maine Residents

On or about May 27, 2026, NetLine provided written notice of this event to five (5) Maine residents. Written notice is being provided in substantially the same form as the letter attached here as *Exhibit A*.

Other Steps Taken and To Be Taken

Upon become aware of the activity, NetLine moved quickly to investigate what occurred, assess the security of its systems, and identify potentially affected individuals. Further, NetLine is evaluating additional technical measures to reduce the risk of an issue like this reoccurring. NetLine is providing notified individuals with access to identity monitoring services for two (2) years, through TransUnion, at no cost to these individuals.

Additionally, NetLine is providing impacted individuals with guidance on how to better protect against identity theft and fraud, information on how to place a fraud alert and security freeze on one’s credit file, the contact details for the national consumer reporting agencies, information on how to obtain a free credit report, a reminder to remain vigilant for incidents of fraud and identity theft by reviewing account statements and monitoring free credit reports, and encouragement to contact the Federal Trade Commission, their state Attorney General, and law enforcement to report attempted or actual identity theft and fraud.

NetLine is also providing written notice of this event to relevant state regulators, as necessary.
