**Re:** *Nelson v. Lume Deodorant, LLC*,  
Case No. 1:23-cv-03629 (E.D.N.Y.)  
Defendant Lume's Request For Extension Of Time

Dear Magistrate Judge Marutollo:

This firm represents Defendant Lume Deodorant, LLC ("Lume") in the above-referenced action. We write with Plaintiff's consent to request an extension of Lume's time to respond to the Complaint, until and including December 22, 2023.

There have been two prior requests by Lume for an extension, which the Court granted. The original deadline for Lume to respond to the Complaint was September 22, 2023; the current deadline is November 24, 2023. Lume is requesting the extension in order to have sufficient time to analyze the background of this action, confer with Plaintiff to determine if the parties can avoid motion practice and properly respond to Plaintiff's Complaint.

Thank you in advance for the Court's attention to this matter.

Respectfully submitted,

/s/ Luke A. Connelly
