SECURITY INCIDENT SETTLEMENT CLAIM FORM

Your claim must be submitted online or postmarked by: December 31, 2025

This benefit covers out-of-pocket expenses like:

- fees for credit reports, credit monitoring, or freezing and unfreezing your credit
- cost to replace your IDs
- postage to contact banks by mail

You need to send proof, like receipts, to show how much you spent or lost. You can also send notes or papers you made yourself to explain or support other proof, but those notes or papers alone <u>are not enough</u> to make a valid claim.

Losses for Identity Theft or Fraud. If you lost money because of identity theft or fraud, you can get back up to **\$4,000.00**.

You will need to show that:

- the theft or fraud was probably caused by the Security Incident
- the losses are not already covered by Out-of-Pocket Expenses or Compensation for Lost Time
- you tried to prevent the loss or get your money back, such as by using insurance you already have

The losses must have occurred between December 25, 2023, and December 31, 2025.

You need to send proof, like bank statements, to show how much you spent or lost. You can also send notes or papers you made yourself to explain or support other proof, but those notes or papers alone <u>are not enough</u> to make a valid claim.

Compensation for Lost Time. Class Members who spent time responding to the Security Incident may claim up to three (3) hours, at \$25.00 per hour, for a maximum of **\$75.00**. This benefit counts toward the \$600.00 cap for **Out-of-Pocket Expenses**.

You must have spent the time on tasks related to the Security Incident. Some examples include things like changing your passwords, investigating suspicious activity in your accounts, and researching the Security Incident.

You must provide a brief description and attest that you spent the time claimed on tasks related to the Security Incident.
