FILED/IMAGED

**[PROPOSED] ORDER GRANTING PRELIMINARY APPROVAL OF
CLASS ACTION SETTLEMENT**

This matter having come before the Court on Plaintiff's Unopposed Motion for Preliminary Approval of Class Action Settlement ("Motion for Preliminary Approval") between Tyler Oliver, ("Plaintiff"), and on behalf of the Settlement Class (as defined below), and Parksite, Inc. ("Defendant" or "Parksite") (collectively the "Parties"), as set forth in the Settlement Agreement between the Parties, attached as **Exhibit 1** to the Declaration of Cassandra P. Miller in Support of Plaintiff's Motion for Preliminary Approval, and the Court having duly considered the papers and arguments of counsel, the Court hereby **GRANTS** this Motion and **ORDERS** as follows:

PRELIMINARY APPROVAL OF SETTLEMENT AGREEMENT

1. Unless defined herein, all capitalized terms in this Order Granting Preliminary Approval of Class Action Settlement ("Preliminary Approval Order") shall have the meanings ascribed to them in the Settlement Agreement.
2. This Court has subject matter jurisdiction of the Action and over all claims raised therein and all Parties thereto, including the Settlement Class.
3. This Order is based on 735 ILCS 5/2-801-806.

4. On January 16, 2024, Defendant discovered a cybersecurity disruption on its computer network. Defendant launched an investigation, with the assistance of third-party cybersecurity specialists, to determine the nature and scope of the event. The investigation determined that, between December 25, 2023 and January 16, 2024, an unauthorized third-party cybercriminal may have gained access to some of Defendant's systems, and that information contained in those systems may have been compromised by the third-party actor (the "Security Incident"). Defendant's investigation further determined that the personally identifiable information ("PII") of approximately 8,132 current and former employees (and their dependents) that it maintained on its systems may have been compromised in the Security Incident. The compromised PII in the Security Incident may have included names and Social Security numbers.

5. On September 9, 2024, Plaintiff filed a complaint against Defendant in the United States District Court for the Northern District of Illinois styled *Tyler Oliver v. Parksite, Inc.*, Case No. 1:24-cv-08037 (the "Federal Action"). Plaintiff asserted claims for negligence, breach of implied contract, unjust enrichment, breach of fiduciary duty, violation of the Illinois Consumer Fraud and Deceptive Business Practices Act 815 Ill. Comp. Stat. §§ 505/1, *et seq.* and declaratory judgment.

6. Defendant has denied Plaintiff's allegations, causes of action, and claims.

7. Recognizing the benefits of early resolution, in late November 2024, the Parties agreed to use an experienced mediator to attempt to resolve this litigation. Prior to the mediation, in February 2025, Parksite produced informal discovery to Plaintiff's counsel, including information about the cause and scope of the Security Incident and information about the number of individuals affected. On March 5, 2025, the Parties attended a full day mediation with Judge Thorton and reached an agreement on most terms of the settlement. Thereafter, the Parties

continued negotiating, and on April 2, 2025, came to an agreement in principle. In the ensuing weeks, the Parties diligently negotiated, drafted and finalized the details of the Settlement. All negotiations were always collegial, cordial, and professional—but there is no doubt that they were adversarial in nature, with both parties forcefully advocating the position of their respective clients.

8. On December 4, 2024, an order was entered dismissing the Federal Action without prejudice.

9. On May 8, 2025, Plaintiff filed his claims against Defendant related to the Data Breach Security Incident in the Circuit Court of Kane County, Illinois.

10. Plaintiff summarizes the relevant terms of the proposed Settlement as follows:

11. Credit Monitoring. Settlement Class Members will be offered one year of one-bureau Credit Monitoring Services.

12. Documented Ordinary Expenses. Settlement Class Members may make a claim for compensation for Documented Ordinary Expenses up to \$600 upon submission of a valid Claim Form and supporting documentation. Documented Ordinary Expenses may include, by way of example and without limitation, unreimbursed losses relating to fraud or identity theft, and/or fees for credit reports, credit monitoring, or credit repair services or other identity theft insurance products. Such expenses must have been incurred or spent as a result of the Security Incident between December 25, 2023 and the Claims Period Deadline.

13. Payments for Lost Time. Settlement Class Members are eligible for compensation for up to three (3) hours of Lost Time calculated at the rate of \$25.00 per hour (for a total of \$75.00) per claimant upon submission of a valid documented claim. Claims for Lost Time must

be supported by a sworn statement affirming the time spent was related to the Security Incident and a written description of how the time was spent.

14. Documented Extraordinary Expenses. Settlement Class Members may make a claim for compensation for Documented Extraordinary Expenses up to \$4,000 upon submission of a valid Claim Form that meets the following conditions:

- a. The loss is an actual, documented, and unreimbursed monetary loss;
- b. The loss was more likely than not caused by the Security Incident;
- c. The loss was incurred after December 25, 2023; and
- d. The Settlement Class Member made reasonable efforts to avoid, or seek reimbursement for, the loss.

15. Alternative Cash Payment: Settlement Class Members can make a Claim for a single thirty-five dollar and zero cents (\$35.00) cash payment in the alternative to Claims for Ordinary Expenses, Lost Time, or Extraordinary Expenses.

16. The Court finds that: (i) there is a good cause to believe that the settlement is fair, reasonable, and adequate; (ii) the Settlement Agreement has been negotiated at arm's length between experienced attorneys familiar with the legal and factual issues of this case; and (iii) the settlement warrants Notice of its material terms to the Settlement Classes for its consideration and reaction.

CLASS CERTIFICATION FOR SETTLEMENT PURPOSES

17. The Court has conducted a preliminary evaluation of the settlement set forth in the Settlement Agreement. Based on this preliminary evaluation, the Court finds that the Settlement Agreement meets all applicable requirements of 735 ILCS 2-801, hereby conditionally certifies the Settlement Class as follows for settlement purposes only (and for no other purposes and with

no other effect upon this or any other action, including no effect upon this Action should the settlement not ultimately be approved).

Settlement Class: Shall mean all individuals residing in the United States whose Personal Information was compromised in the Security Incident discovered by Parksite in January 2024, including all those individuals who received notice of the breach. Excluded from the Settlement Class are: (i) Defendant, its officers and directors; (ii) all Settlement Class Members who timely and validly request exclusion from the Settlement Class; (iii) any judges assigned to this case and their staff and immediate family; and (iv) any other person found by a court of competent jurisdiction to be guilty under criminal law of initiating, causing, aiding or abetting the criminal activity occurrence of the Security Incident or who pleads *nolo contendere* to any such charge.

18. For the purposes of the conditional certification, the Court preliminary finds for settlement purposes only that the Settlement Class is sufficiently numerous that joinder of all members is impracticable, that there are questions of law and fact common to members of the Settlement Class that predominate, that the representative parties will fairly and adequately protect the interests of the Settlement Class, and that class treatment is an appropriate method for the fair and efficient adjudication of the controversy.

19. The Settlement Agreement and the proceedings and statements made pursuant to the Settlement Agreement or papers filed relating to the Settlement Agreement and this Preliminary Approval Order, are not and shall not in any event be described as, construed as, offered or received against any of the Released Entities, including Defendant, as evidence of and/or deemed to be evidence of any presumption, concession, or admission by any of the

Released Persons, including Defendant, of the truth of any fact alleged by Plaintiff; the validity of any claim that has been or could have been asserted in the Action or in any litigation; the deficiency of any defense that has been or could have been asserted in the Action or in any litigation; or any liability, negligence, fault, or wrongdoing of any of the Released Persons, including Defendant. Defendant has denied and continues to deny the claims asserted by Plaintiff. Notwithstanding, nothing contained herein shall be construed to prevent a Party to the Action from offering the Settlement Agreement into evidence for the purpose of enforcing the Settlement Agreement.

20. The certification of the Settlement Class shall be binding only with respect to the settlement of the Action. In the event that the Settlement Agreement fails to become effective, is overturned on appeal, or does not become final for any reason, the Settlement Agreement shall be null and void *ab initio*, the Parties shall be restored to their respective positions in the Action as of the date of the signing of the Settlement Agreement, and no reference to the Settlement Class and/or the Settlement Agreement, or any documents, communications, or negotiations related in any way thereto shall be made for any purpose.

21. Pursuant to the Settlement Agreement, Simpluris is hereby appointed as the Settlement Administrator and shall be required to perform all of the duties of the Settlement Administrator as set forth in the Settlement Agreement and this Preliminary Approval Order.
