Plaintiffs and Class Counsel shall not reference this Agreement in support of any subsequent motion for class certification of any class in the Action.

V. Settlement Class Member Benefits

69. When submitting a Valid Claim, Settlement Class Members may choose either Cash

Payment A – Documented Losses or Cash Payment B – Alternate Cash. Settlement Class Members may also elect to receive Credit Monitoring in accordance with the terms of this paragraph. All Cash Payments will be subject to a *pro rata* (a) increase from the Net Settlement Fund if the amount of Valid Claims is insufficient to exhaust the entire Net Settlement Fund or (b) decrease from the Net Settlement Fund if the amount of Valid Claims exhausts the amount of the Net Settlement Fund. For purposes of calculating the *pro rata* increase or decrease, the Settlement Administrator must distribute the funds in the Net Settlement Fund first for payment of Settlement Administration Costs, and court-approved Attorney’s Fees and Costs, and court-approved Service Awards; then for payment of Credit Monitoring services claimed; then for Cash Payment A – Documented Losses; and then to all those who elect Cash Payment B. Any *pro rata* increases or decreases will be on an equal percentage basis. If a Settlement Class Member does not submit a Valid Claim, the Settlement Class Member will release his or her claims without receiving a Settlement Class Member Benefit.

a. **Cash Payment A – Documented Losses**

Settlement Class Members may submit a claim for a Cash Payment under this section for up to \$5,000.00 per Settlement Class Member upon presentation of reasonable documented losses related to the Data Incident. To receive a documented loss payment, a Settlement Class Member must elect Cash Payment A on the Claim Form attesting under penalty of perjury to incurring documenting losses. Settlement Class Members will be required to submit reasonable documentation supporting the losses, which means documentation contemporaneously generated or prepared by a third party or the Settlement Class Member supporting a claim for expenses paid. Non-exhaustive examples of reasonable documentation include telephone records, correspondence including emails, or receipts. Except as expressly provided herein, personal certifications,

declarations, or affidavits from the Settlement Class Member do not constitute reasonable documentation but may be included to provide clarification, context, or support for other submitted reasonable documentation. Settlement Class Members shall not be reimbursed for expenses if they have been reimbursed for the same expenses by another source, including compensation provided in connection with the credit monitoring and identity theft protection product offered as part of the notifications provided by Defendant or otherwise. If a Settlement Class Member does not submit reasonable documentation supporting a loss, or if their Claim is rejected by the Settlement Administrator for any reason, and the Settlement Class Member fails to cure his or her Claim, the Claim will be rejected and the Settlement Class Member's Claim will be as if he or she elected Cash Payment B.

b. Cash Payment B – Alternate Cash

As an alternative to Cash Payment A above, a Settlement Class Member may elect to receive Cash Payment B, which is a alternative cash payment in the estimated amount of \$60.00, dependent on the *pro rata* increase or decrease referenced above.

c. Credit Monitoring

In addition to Cash Payment A or Cash Payment B, Settlement Class Members may also make a Claim for Credit Monitoring that will include two years of single bureau credit monitoring, including \$1,000,000 in identity fraud insurance, and dark web monitoring.

d. Business Practice Enhancements

Defendant represents that, since the Data Incident, it has undertaken certain business practice enhancements intended to improve the security of its systems and protect against future incidents, which include, among other measures, deployment of endpoint detection and response (EDR) tools, new backup storage capabilities, and additional network monitoring capabilities.

Defendant has borne the costs of these Business Practice Improvements separate and apart from the Settlement Fund and agrees that they benefit the Settlement Class.

VI. Settlement Approval

70. Plaintiffs' Motion for Preliminary Approval shall, among other things, request the Court: (1) preliminarily approve the terms of the Settlement as being within the range of fair, adequate, and reasonable; (2) provisionally certify the Settlement Class for settlement purposes only; (3) approve the Notice Program and the form and content of the Notices; (4) approve the Claim Process and the form and content of the Notices; (5) approve the procedures for Settlement Class members to opt-out of the Settlement or for Settlement Class Members to object to the Settlement; (6) appoint Angeion Group, LLC as Settlement Administrator; (7) appoint Plaintiffs as Class Representatives and Kristen Lake Cardoso, Bart D. and/or document requests.

81. The Settlement Administrator shall perform reasonable address traces for those Postcard Notices returned as undeliverable. By way of example, a reasonable tracing procedure would be to run addresses of returned postcards through the Lexis/Nexis database that can be utilized for such purpose. To the extent better addresses are found, the Settlement Administrator should attempt to remail the Postcard Notice.

82. The Notice Program shall be completed in its entirety no later than 45 days before the original date set for the Final Approval Hearing.

IX. Claim Process and Disbursement of Cash Payments

83. The Notice and the Settlement Website will explain to Settlement Class members that they may be entitled to a Settlement Class Member Benefit and how to submit a Claim Form.

84. Claim Forms may be submitted online through the Settlement Website or through U.S. Mail by printing a copy of the Claim Form and mailing it to the Settlement Administrator at the address designated on the Claim Form.

85. The Settlement Administrator shall collect, review, and address each Claim Form received to determine whether the Claim Form meets the requirements set forth in this Settlement and is thus a Valid Claim. The Settlement Administrator shall examine the Claim Form before designating the Claim as a Valid Claim to determine that the information on the Claim Form is reasonably complete. The Settlement Administrator shall have the sole authority to determine whether a Claim by any Claimant is a Valid Claim.

86. The Settlement Administrator shall use all reasonable efforts and means to identify and reject duplicate claims. No Settlement Class Member may submit more than one Claim Form. The Settlement Administrator shall identify any Claim Forms that appear to seek relief on behalf

of the same Settlement Class member. The Settlement Administrator shall use its best efforts to determine whether there is any duplication of Claims, and if there is, contact the Settlement Class Member in an effort to determine which Claim Form is the appropriate one for consideration.

87. The Settlement Administrator shall exercise, in its discretion, all usual and customary steps to prevent fraud and abuse and take any reasonable steps to prevent fraud and abuse in the Claim Process. The Settlement Administrator may, in its discretion, deny in whole or in part any Claim Form to prevent actual or possible fraud or abuse. By agreement, the Parties can instruct the Settlement Administrator to take whatever steps it deems appropriate if the Settlement Administrator identifies actual or possible fraud or abuse relating to the submission of Claims, including, but not limited to, denying in whole or in part any Claim to prevent actual or possible fraud or abuse. If any fraud is detected or reasonably suspected, the Settlement Administrator and Parties may require information from Claimants or deny Claims, subject to the supervision of the Parties and ultimate oversight by the Court.

88. Claim Forms that do not meet the terms and conditions of this Settlement shall be promptly rejected by the Settlement Administrator and the Settlement Administrator shall advise the Settlement Class member of the reason(s) why the Claim Form was rejected. However, if the Claim Form is rejected for containing incomplete or inaccurate information, and/or omitting required information, the Settlement Administrator may send a Notice of Deficiency explaining what information is missing or inaccurate and needed to validate the Claim and have it submitted for consideration. The Settlement Administrator shall notify the Settlement Class Member using the contact information provided in the Claim Form. The additional information and/or documentation can include, for example, answers to questions regarding the validity of the physical or e-signature. A Settlement Class Member shall have until the Claim Form Deadline, or

15 days after the date the Notice of Deficiency is sent via mail and postmarked or via email, whichever is later, to reply to the Notice of Deficiency and provide the required information. If the Settlement Class Member timely and adequately provides the requested information and/or documentation, the Claim shall be deemed a Valid Claim and processed by the Settlement Administrator. If the Settlement Class Member does not timely and completely provide the requested information and/or documentation, the Settlement Administrator shall reduce or deny the Claim unless Defendant and Class Counsel otherwise agree.

89. Where a good faith basis exists, the Settlement Administrator may reduce or reject a Claim for, among other reasons, the following:

- a. Failure to fully complete and/or sign the Claim Form;
- b. Illegible Claim Form;
- c. The Claim Form is fraudulent;
- d. The Claim Form is duplicative of another Claim Form;
- e. The Claimant is not a Settlement Class Member;
- f. The Claimant submitted a timely and valid request to opt-out of the Settlement Class.
- g. The person submitting the Claim Form requests that payment be made to a person or entity other than the Claimant for whom the Claim Form is submitted;
- h. Failure to submit a Claim Form by the Claim Form Deadline; and/or
- i. The Claim Form otherwise does not comply with the requirements of this Settlement.

90. The Settlement Administrator's reduction or denial of a Claim is final, subject to the following dispute resolution procedures:

a. The Settlement Administrator shall have 30 days from the Claim Form Deadline to approve or reject Claims based on findings of fraud or duplication or otherwise;

b. A request for additional information by sending a Notice of Deficiency shall not be considered a denial for purposes of this Paragraph;

c. If a Claim is rejected for fraud or duplication or otherwise, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel and Defendant's Counsel shall be provided with copies of all such notifications to Claimants; and

d. The Settlement Administrator's determination as to whether to approve, deny, or reduce a Claim shall be final and binding.

91. The Settlement Administrator shall provide all information gathered in investigating Claims, including, but not limited to, copies of all correspondence and email and all notes of the Settlement Administrator, the decision reached, and all reasons supporting the decision, if requested by Class Counsel or Defendant's Counsel. Additionally, Class Counsel and Defendant's Counsel shall have the right to inspect the Claim Forms and supporting documentation received by the Settlement Administrator at any time upon reasonable notice.

92. No person or entity shall have any claim against Defendant, Defendant's Counsel, Plaintiff, the Settlement Class, Class Counsel, and/or the Settlement Administrator based on any eligibility determinations, distributions, or awards made in accordance with this Settlement.

93. No later than 75 days after Final Approval or 30 days after the Effective Date, whichever is later, the Settlement Administrator shall distribute the Settlement Class Member Benefits.

94. Cash Payments to Settlement Class Members will be made by electronic payment

or by paper check. Following Final Approval, the Settlement Administrator will send Settlement Class Members an email to select a form of electronic payment or to receive payment by paper check. In the event a Settlement Class Member does not make an election or there is a problem with issuance of an electronic payment, a paper check will be sent to the Settlement Class Member's last known address. Settlement Class Members shall have 90 days to select their form of payment. Paper checks must be negotiated within 90 days of issuance. In the event the Settlement Administrator is unable to distribute funds to the Settlement Class Members entitled to receive them due to incorrect or incomplete information provided to the Settlement Administrator, the funds shall become residual funds, and such Settlement Class Members shall forfeit their entitlement right to the funds.

95. In the event there are funds remaining in the Settlement Fund 240 days following the date Settlement Class members are sent an email to select their form of payment, said funds attributable to unclaimed and undeliverable funds shall be treated as residual funds as described in Section XII.

96. The Settlement Administrator will send an email to Settlement Class Members with Valid Claims that include an election for Credit Monitoring with information on how to enroll in the Credit Monitoring, including the activation code.

X. Final Approval Order and Final Judgment

97. Plaintiffs shall file their Motion for Final Approval of the Settlement, inclusive of the Application for Attorneys' Fees, Costs, and Service Awards no later than 45 days before the original date set for the Final Approval Hearing. At the Final Approval Hearing, the Court will hear argument on Plaintiffs' Motion for Final Approval of the Settlement and Application for Attorneys' Fees, Costs, and Service Awards. In the Court's discretion, the Court will also hear

argument at the Final Approval Hearing from any Settlement Class Members (or their counsel) who object to the Settlement and/or to the Application for Attorneys' Fees and Costs, provided the objectors submitted timely objections that meet all of the requirements listed in this Agreement.

98. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order and final judgment thereon, and whether to grant the Application for Attorneys' Fees, Costs, and Service Awards. Such proposed Final Approval Order shall, among other things:

- a. Determine that the Settlement is fair, adequate and reasonable;
- b. Finally certify the Settlement Class for settlement purposes only;
- c. Determine the completed Notice Program satisfies Due Process requirements;

- e. Release Defendant and the Released Parties from the Released Claims, as specified in Section XIII below; and
- f. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Agreement, including Defendant, Plaintiff, all Settlement Class Members, and all objectors, to administer, supervise, construe, and enforce this Agreement in accordance with its terms.

XI. Service Awards, Attorneys' Fees, and Costs

99. *Service Awards* - In recognition of the time and effort the Class Representatives expended in pursuing this Action and in fulfilling his obligations and responsibilities as Class Representatives, and of the relief conferred on all Settlement Class Members by the Settlement,

Class Counsel shall request a Service Award for each of the Class Representatives in the amount not to exceed \$2,500 each. If approved, the Service Awards shall be paid by the Settlement Administrator out of the Settlement Fund by wire transfer to an account designated by Class Counsel within five days of the Effective Date. The Service Awards payments to the Class Representatives shall be separate and apart from their entitlement to Settlement Class Member Benefits from the Settlement Fund.

100. ***Attorneys' Fees and Costs*** - Class Counsel shall apply to the Court for an award of attorney's fees of up to one-third of the Settlement Fund, plus reimbursement of costs. The Attorney's Fees and Costs approved by the Court shall be paid by the Settlement Administrator out of the Settlement Fund by wire transfer to an account designated by Class Counsel within five days of the Effective Date.

101. This Settlement is not contingent on approval of the request for Service Awards or Attorney's Fees and Costs, and if the Court denies the request or grants amounts less than what was requested, the remaining provisions of the Agreement shall remain in force. The provisions for Service Awards and Attorney's Fees and Costs were not negotiated until after all material terms of the Settlement.

XII. Disposition of Residual Funds

102. In the event there are funds remaining in the Settlement Fund 240 days following the date Settlement Class members are sent an email to select their form of payment, any residual shall be distributed to the Electronic Privacy Information Center, to be approved by the Court.

XIII. Releases

The Class Representatives also waive the provisions and rights of any law(s) that are comparable in effect to California Civil Code § 1542 (including, without limitation, California Civil Code § 1798.80, et seq., Montana Code Ann. § 28-1-1602; North Dakota Cent. Code § 9-13-02; and South Dakota Codified Laws § 20-7-11). The Releasing Parties agree that, once this Agreement is executed, they will not, directly or indirectly, individually or in concert with another, maintain, cause to be maintained, or voluntarily assist in maintaining any further demand, action, claim, lawsuit, arbitration, or similar proceeding, in any capacity whatsoever, against any of the Released Parties based on any of the Released Claims.

105. Settlement Class members who opt-out of the Settlement prior to the Opt-Out Deadline do not release their claims arising out of related to the Data Incident, and will not obtain any of the Settlement Class Member Benefits under the Settlement.

107. The power to enforce any term of this Settlement is not affected by the releases in this section.

XIV. Termination of Settlement

108. This Agreement shall be subject to and is expressly conditioned on the occurrence of all of the following events:

- a. Court approval of the Settlement consideration set forth in Section V and the Releases set forth in Section XIII of this Agreement;
- b. The Court has entered the Preliminary Approval Order;
- c. The Court has entered the Final Approval Order, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and
- d. The Effective Date has occurred.

109. If any of the conditions specified in the preceding paragraph are not met, or if the Court otherwise imposes any modification to or condition of approval of the Settlement to which the Parties do not consent, then this Agreement shall be cancelled and terminated.

110. In the event this Agreement is terminated or fails to become effective, then the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement, and the Parties shall jointly file a status report in the Court seeking to reopen the Action and all papers filed. In such event, the terms and provisions of this Agreement shall have no further

force and effect with respect to the Parties and shall not be used in this Action or in any other action or proceeding for any other purpose, and any order entered by this Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*.

In the event the Settlement is terminated in accordance with the provisions of this Agreement, any discussions, offers, or negotiations associated with this Settlement shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court.

XVI. No Admission of Liability

114. This Agreement reflects the Parties' compromise and settlement of disputed claims.

This Agreement shall not be construed as or deemed to be evidence of an admission or concession of any point of fact or law. Defendant has denied and continue to deny each of the claims and contentions alleged in the Complaint. Defendant specifically denies that a class could or should be certified in the Action for litigation purposes. Defendant does not admit any liability or wrongdoing of any kind, by this Agreement or otherwise. Defendant has agreed to enter into this Agreement to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to be completely free of any further claims that were asserted or could possibly have been asserted in the Action.

115. Class Counsel believe the claims asserted in the Action have merit, and they have examined and considered the benefits to be obtained under the proposed Settlement set forth in this Agreement, the risks associated with the continued prosecution of this complex, costly, and time-consuming litigation, and the likelihood of success on the merits of the Action. of, or evidence of, the validity of any claim made by the Plaintiffs or Settlement Class Members, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal.

118. In addition to any other defenses Defendant or the Released Parties may have at law, in equity, or otherwise, to the extent permitted by law, this Agreement may be pleaded as a full and complete defense to and may be used as the basis for an injunction against, any action, suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of this Agreement or the Releases contained herein.
