SLOAN VALVE COMPANY

DEFENDANT

CLASS AND COLLECTIVE ACTION COMPLAINT

COMES NOW Brice Popplewell ("Plaintiff"), individually and on behalf of all others similarly situated, by and through his attorneys Chris Burks and Greg Ivester of WH LAW, for his Class and Collective Action Complaint against Sloan Valve Company ("Defendant"), does hereby, state and allege as follows: This case assigned to District Judge

I. PRELIMINARY STATEMENTS

1. This is a class action and a collective action brought by Plaintiff Brice Popplewell individually and on behalf of all other hourly-paid employees employed by Defendant at any time within a three-year period preceding the filing of this Complaint.

2. Plaintiff brings this action under the Fair Labor Standards Act, 29 U.S.C. § 201, et seq. ("FLSA") and the Arkansas Minimum Wage Act, Ark. Code Ann. § 11-4-201, et seq. ("AMWA"), for declaratory judgment, monetary damages, liquidated damages, prejudgment interest, and costs, including reasonable attorneys' fees, as a result of Defendant's failure to pay Plaintiff and other hourly-paid employees lawful overtime compensation for hours worked in excess of forty (40) hours per week.

3. Upon information and belief, for at least three (3) years prior to the filing of this Complaint, Defendant has willfully and intentionally committed violations of the FLSA and AMWA as described, *infra*.

II. JURISDICTION AND VENUE

4. The United States District Court for the Eastern District of Arkansas has subject matter jurisdiction over this suit under the provisions of 28 U.S.C. § 1331 because this suit raises federal questions under the FLSA.

5. Plaintiff's claims under the AMWA form part of the same case or controversy and arise out of the same facts as the FLSA claims alleged in this Complaint.

6. Therefore, this Court has supplemental jurisdiction over Plaintiff's AMWA claims pursuant to 28 U.S.C. § 1367(a).

7. The acts complained of herein were committed and had their principal effect within the Central Division of the Eastern District of Arkansas. Accordingly, venue is proper within this District pursuant to 28 U.S.C. § 1391.

8. Defendant does business in this District and a substantial part of the events alleged herein occurred in this District.

 The witnesses to overtime wage violations alleged in this Complaint reside in this District.

10. On information and belief, the payroll records and other documents related to the payroll practices that Plaintiff challenge are located in this District.

III. THE PARTIES

11. Plaintiff repeats and re-alleges all the preceding paragraphs of this Complaint as if fully set forth in this section.

12. Plaintiff is a resident and citizen of White County.

13. Plaintiff Brice Popplewell was employed by Defendant as an hourly-paid employee within the three years relevant to this lawsuit.

14. At all material times, Plaintiff has been entitled to the rights, protection, and benefits provided under the FLSA and AMWA.

15. Defendant Sloan Valve Company is a foreign for-profit corporation, registered and licensed to do business in the State of Arkansas.

16. Defendant Sloan Valve Company's registered agent for service of process in Arkansas is Corporation Service Company, 300 Spring Building, Suite 900, 300 S. Spring Street, Little Rock, AR 72201.

17. Defendant Sloan Valve Company is an "employer" within the meanings set forth in the FLSA and AMWA, and was, at all times relevant to the allegations in this Complaint, Plaintiff's employer, as well as the employer of the members of the class and collective.

18. Defendant Sloan Valve Company is a manufacturer of commercial plumbing systems.

19. Defendant Sloan Valve Company operates multiple manufacturing facilities nationwide, including a facility in Augusta, Woodruff County, Arkansas, and has one corporate United States headquarters that centralizes all pay, time, and human resource policies so that they are the same across its facilities.

Case 4:21-cv-00325-BRW Document 1 Filed 04/21/21 Page 4 of 17

20. During the time period relevant to this case, Plaintiff was employed at Defendant Sloan Valve Company's manufacturing facility in Augusta.

21. Defendant Sloan Valve Company, has employees engaged in commerce and has employees handling or otherwise working on goods or materials that have been moved in or produced for commerce by others, such **a**s raw material used to manufacture bathroom fixtures including showerheads, hand dryers, sinks, and faucets.

22. Defendant Sloan Valve Company's annual gross volume of sales made or business done is not less than \$500,000.00 (exclusive of excise taxes at the retail level that are separately stated) for each of the three years preceding the filing of this complaint.

IV. FACTUAL ALLEGATIONS

23. Plaintiff repeats and re-alleges all the preceding paragraphs of this Complaint as if fully set forth in this section.

24. During part of the three (3) years prior to the filing of this lawsuit, Plaintiff worked for Defendant as an hourly-paid employee

25. Plaintiff and other hourly-paid employees regularly worked in excess of forty (40) hours per week throughout their tenure with Defendant.

26. Plaintiff and other hourly-paid employees were classified as hourly employees and paid an hourly rate.

27. Plaintiff and other hourly-paid employees recorded their hours worked via an electronic time clock, which logged their hours into a payroll system maintained by Defendant.

28. The payroll system used by Defendant rounded hours worked by Plaintiff and other hourly-paid employees in favor of Defendant.

Case 4:21-cv-00325-BRW Document 1 Filed 04/21/21 Page 5 of 17

29. For example, if an hourly-paid employee clocked out at 5:11 p.m., the payroll system recorded his or her end time as 5:00 p.m. Likewise, if an hourly-paid employee clocked in at 7:51 a.m., Defendant's payroll system recorded his or her start time as 8:00 a.m.

30. The rounding in Defendant's time keeping system resulted in several hours of unpaid work each month for Plaintiff and other hourly-paid employees.

31. Plaintiff and other hourly-paid employees were also paid non-discretionary cash awards and bonuses on a regular basis when certain objective and measurable criteria were met.

32. In addition, Defendant paid Plaintiff and other hourly-paid employees one-and-onehalf (1.5) times their base hourly rate for each hour they worked over forty (40) in a workweek.

33. When calculating Plaintiff's and other hourly-paid employees' bonuses, Defendant did not include the unpaid time that was rounded out by Defendant's payroll system.

34. Defendant also did not include the bonuses and cash awards paid to Plaintiff and other hourly-paid employees in their regular rates of pay when calculating their overtime pay.

35. Section 778.208 of Title 29 of the Code of Federal Regulations requires that nondiscretionary bonuses, such as production or attendance based incentives, "must be totaled in with other earnings to determine the regular rate on which overtime pay must be based."

36. Defendant violated the FLSA and AMWA by not including the non-discretionary bonuses of Plaintiff and other hourly-paid employees in their regular rate when calculating their overtime pay.

37. Plaintiff worked for Defendant at Defendant's facility in Augusta (hereinafter the "Augusta facility") and Defendant's pay practices were the same for all hourly workers at the Augusta facility.

38. The pay practices that violate the FLSA and AMWA alleged herein was a centralized human resources policy implemented uniformly from Defendant's corporate headquarters.

39. Defendant knew or showed reckless disregard for whether the way they paid Plaintiff and other hourly-paid employees violated the FLSA and AMWA.

40. Defendant's hourly-paid employees were classic manual laborers, working with machinery and equipment to produce Defendant's products in a factory setting.

V. REPRESENTATIVE ACTION ALLEGATIONS

A. FLSA § 216(b) Class

41. Plaintiff repeats and re-alleges all the preceding paragraphs of this Complaint as if fully set forth in this section.

42. Plaintiff brings this claim for relief for violation of the FLSA as a collective action pursuant to Section 16(b) of the FLSA, 29 U.S.C. § 216(b).

43. Plaintiff brings his FLSA claims on behalf of all hourly-paid employees employed by Defendant at any time within the applicable statute of limitations period, who were classified by Defendant as non-exempt from the overtime requirements of the FLSA and who are entitled to payment of the following types of damages:

A. Payment for all hours worked, including payment of a lawful overtime premium for all hours worked for Defendant in excess of forty (40) hours in a workweek; and

B. Liquidated damages; and

C. Attorneys' fees and costs.

Case 4:21-cv-00325-BRW Document 1 Filed 04/21/21 Page 7 of 17

44. The relevant time period dates back three years from the date on which Plaintiff's Class and Collective Action Complaint was filed and continues forward through the date of judgment pursuant to 29 U.S.C. § 255(a).

45. The members of the proposed FLSA Collective are similarly situated in that they share these traits:

A. They were classified by Defendant as non-exempt from the overtime requirements of the FLSA;

B. They were paid hourly rates;

C. They recorded their time in the same manner;

D. They were subject to Defendant's common policy of rounding time worked in Defendant's favor; and

E. They were subject to Defendant's common policy of improperly calculating overtime pay for hours worked over forty (40) hours per work week.

46. Plaintiff is unable to state the exact number of the potential members of the FLSA Collective but believe that the group exceeds 200 persons.

47. Defendant can readily identify the members of the Section 16(b) Collective. The names, physical addresses, electronic mailing addresses, and phone numbers of the FLSA collective action Plaintiff are available from Defendant, and a Court-approved Notice should be provided to the FLSA collective action Plaintiff via first class mail, email, and text message to their last known physical addresses, electronic mailing addresses, and cell phone numbers as soon as possible, together with other documents and information descriptive of Plaintiff's FLSA claim.

B. AMWA Rule 23 Class

48. Plaintiff, individually and on behalf of all others similarly situated who were employed by Defendant within the State of Arkansas, brings this claim for relief for violation of the AMWA as a class action pursuant to Rule 23 of the Federal Rules of Civil Procedure.

49. Plaintiff proposes to represent the class of hourly-paid employees who are/were employed by Defendant within the relevant time period within the State of Arkansas.

50. Common questions of law and fact relate to all members of the proposed class, such as whether as a result Defendant's failure to include non-discretionary bonuses in its calculation of overtime pay, Defendant paid members of the proposed class a lawful overtime wage in accordance with the AMWA.

51. Common questions of law and fact predominate over any questions affecting only the individually-named Plaintiff, and a class action is superior to other available methods for fairly and efficiently adjudicating the claims of the members of the proposed AMWA class.

52. The class members have no interest in individually controlling the prosecution of separate actions because the policy of the AMWA provides a bright-line rule for protecting all nonexempt employees as a class. To wit: "It is declared to be the public policy of the State of Arkansas to establish minimum wages for workers in order to safeguard their health, efficiency, and general well-being and to protect them as well as their employers from the effects of serious and unfair competition resulting from wage levels detrimental to their health, efficiency, and well-being." Ark. Code Ann. § 11-4-202.

Case 4:21-cv-00325-BRW Document 1 Filed 04/21/21 Page 9 of 17

53. Plaintiff is unable to state the exact number of the potential members of the AMWA class but believe that the class exceeds 200 persons. Therefore, the class is so numerous that joinder of all members is impracticable.

54. At the time of the filing of this Complaint, neither Plaintiff nor Plaintiff's counsel knows of any litigation already begun by any members of the proposed class concerning the allegations in this Complaint.

55. Concentrating the litigation in this forum is highly desirable because Defendant's Augusta facility is based in the Eastern District of Arkansas and because Plaintiff and all proposed class members work or worked in Arkansas.

56. No difficulties are likely to be encountered in the management of this class action.

57. The claims of Plaintiff are typical of the claims of the proposed class in that Plaintiff worked as hourly-paid employees for Defendant and experienced the same violations of the AMWA that all other class members suffered.

58. Plaintiff and her counsel will fairly and adequately protect the interests of the class.

59. Plaintiff's counsel is competent to litigate Rule 23 class actions and other complex litigation matters, including wage and hour cases like this one, and to the extent, if any, that they find that they are not, they are able and willing to associate additional counsel.

60. Prosecution of separate actions by individual members of the proposed class would create the risk of inconsistent or varying adjudications with respect to individual members of the proposed class that would establish incompatible standards of conduct for Defendant.

VI. FIRST CLAIM FOR RELIEF (Individual Claims for Violation of FLSA)

63. Plaintiff repeats and re-alleges all the preceding paragraphs of this Complaint as if fully set forth in this section.

64. 29 U.S.C. §§ 206 and 207 require any enterprise engaged in commerce to pay all employees a minimum wage for all hours worked up to forty (40) in one week and to pay time and a half of regular wages for all hours worked over forty (40) hours in a week, unless an employee meets certain exemption requirements of 29 U.S.C. § 213 and all accompanying Department of Labor regulations.

65. During the period relevant to this lawsuit, Defendant classified Plaintiff as nonexempt from the overtime requirements of the FLSA.

66. Despite the entitlement of Plaintiff to minimum wage and overtime payments under the FLSA, Defendant failed to pay Plaintiff an overtime rate of one and one-half times their regular rate of pay for all hours worked over forty (40) hours in each one-week period.

67. Defendant's failure to properly pay overtime wages to Plaintiff stems from Defendant's acts of illegally rounding hours worked by Plaintiff in Defendant's favor and not paying Plaintiff for all hours worked at a lawful rate.

68. Defendant violated Section 778.208 of Title 29 of the Code of Federal Regulations by not including non-discretionary bonuses paid to Plaintiff in their regular rate when calculating their overtime pay.

69. Defendant's conduct and practice, as described above, has been and is willful, intentional, unreasonable, arbitrary, and in bad faith.

Case 4:21-cv-00325-BRW Document 1 Filed 04/21/21 Page 11 of 17

70. By reason of the unlawful acts alleged in this Complaint, Defendant is liable to Plaintiff for, and Plaintiff seeks, unpaid overtime wages, liquidated damages, and costs, including reasonable attorney's fees as provided by the FLSA.

71. Alternatively, should the Court find that Defendant acted in good faith in failing to pay Plaintiff as provided by the FLSA, Plaintiff is entitled to an award of prejudgment interest at the applicable legal rate.

VII. SECOND CLAIM FOR RELIEF (Collective Action Claim for Violation of FLSA)

72. Plaintiff repeats and re-alleges all the preceding paragraphs of this Complaint as if fully set forth in this section.

73. Plaintiff brings this collective action on behalf of all hourly-paid employees employed by Defendant to recover monetary damages owed by Defendant to Plaintiff and members of the putative collective for all the overtime compensation for all the hours he and they worked in excess of forty (40) each week.

74. Plaintiff bring this action on behalf of himself individually and all other similarly situated employees, former and present, who were and/or are affected by Defendant's willful and intentional violation of the FLSA.

75. During the period relevant to this lawsuit, Defendant classified Plaintiff and all similarly situated members of the FLSA collective as non-exempt from the overtime requirements of the FLSA.

76. Despite the entitlement of Plaintiff and those similarly situated to minimum wage and overtime payments under the FLSA, Defendant failed to pay Plaintiff and all those similarly

Case 4:21-cv-00325-BRW Document 1 Filed 04/21/21 Page 12 of 17

situated an overtime rate of one and one-half times their regular rates of pay for all hours worked over forty (40) in each one-week period.

77. Defendant violated Section 778.208 of Title 29 of the Code of Federal Regulations by not including non-discretionary bonuses paid to Plaintiff and those similarly situated in their regular rate when calculating their overtime pay.

78. In the past three years, Defendant has employed hundreds of hourly-paid employees.

79. Like Plaintiff, these hourly-paid employees regularly worked more than forty (40) hours in a week.

80. Defendant failed to pay these workers at the proper overtime rate.

81. Because these employees are similarly situated to Plaintiff, and are owed overtime for the same reasons, the opt-in class may be properly defined as:

Each hourly-paid employee who, within the three years preceding the filing of this Complaint, worked more than thirty-nine (39) hours in any week or who was paid a Shift Premium.

82. Defendant's conduct and practice, as described above, has been and is willful, intentional, unreasonable, arbitrary and in bad faith.

83. By reason of the unlawful acts alleged in this Complaint, Defendant is liable to Plaintiff and all those similarly situated for, and Plaintiff and all those similarly situated seek, unpaid overtime wages, liquidated damages, and costs, including reasonable attorney's fees as provided by the FLSA. 84. Alternatively, should the Court find that Defendant acted in good faith in failing to pay Plaintiff and all those similarly situated as provided by the FLSA, Plaintiff and all those similarly situated are entitled to an award of prejudgment interest at the applicable legal rate.

VIII. THIRD CLAIM FOR RELIEF (Individual Claims for Violation of the AMWA)

85. Plaintiff repeats and re-alleges all previous paragraphs of this Complaint as though fully incorporated in this section.

86. Plaintiff asserts this claim for damages and declaratory relief pursuant to the AMWA, Arkansas Code Annotated §§ 11-4-201, *et seq*.

87. At all relevant times, Defendant was Plaintiff's "employer" within the meaning of the AMWA, Ark. Code Ann. § 11-4-203(4).

88. Arkansas Code Annotated § 11-4-211 requires employers to pay all employees one and one-half times regular wages for all hours worked over forty (40) hours in a week unless an employee meets the exemption requirements of 29 U.S.C. § 213 and accompanying Department of Labor regulations.

89. Defendant failed to pay Plaintiff all overtime wages owed as required under the AMWA.

90. Defendant's failure to properly pay overtime wages to Plaintiff stems from Defendant's acts of illegally rounding hours worked by Plaintiff in Defendant's favor and not paying Plaintiff for all hours worked.

91. Defendant's failure to include non-discretionary bonuses in Plaintiff's overtime pay resulted in a failure to pay Plaintiff full and complete overtime during weeks in which Plaintiff worked more than forty (40) hours.

Case 4:21-cv-00325-BRW Document 1 Filed 04/21/21 Page 14 of 17

92. Defendant's conduct and practices, as described above, were willful, intentional, unreasonable, arbitrary, and in bad faith.

93. By reason of the unlawful acts alleged in this Complaint, Defendant is liable to Plaintiff for monetary damages, liquidated damages, costs, and a reasonable attorney's fee provided by the AMWA for all violations which occurred beginning at least three (3) years preceding the filing of Plaintiff's initial complaint, plus periods of equitable tolling.

94. Alternatively, should the Court find that Defendant acted in good faith in failing to pay Plaintiff as provided by the AMWA, Plaintiff is entitled to an award of prejudgment interest at the applicable legal rate.

IX. FOURTH CLAIM FOR RELIEF (Class Action Claim for Violation of the AMWA)

95. Plaintiff repeats and re-alleges all previous paragraphs of this Complaint as though fully incorporated in this section.

96. Plaintiff, individually and on behalf of all others similarly situated who were employed by Defendant within the State of Arkansas, asserts this claim for damages and declaratory relief pursuant to the AMWA, Arkansas Code Annotated §§ 11-4-201 *et seq*.

97. At all relevant times, Defendant has been and continues to be the "employer" of Plaintiff and the members of the proposed class within the meaning of the AMWA, Ark. Code Ann. § 11-4-203(4).

98. Arkansas Code Annotated § 11-4-211 requires employers to pay all employees one and one-half times their regular wages for all hours worked over forty (40) hours in a week unless an employee meets the exemption requirements of 29 U.S.C. § 213 and accompanying Department of Labor regulations. 99. Defendant failed to pay Plaintiff and members of the proposed class all overtime wages owed as required under the AMWA.

100. Defendant's failure to include non-discretionary bonuses in Plaintiff's and members of the proposed class's overtime pay resulted in a failure to pay Plaintiff and members of the proposed class full and complete overtime during weeks in which Plaintiff and members of the proposed class worked more than forty (40) hours.

101. Plaintiff proposes to represent a class of individuals who are owed overtime wages and other damages for the same reasons as Plaintiff, which may be defined as follows:

Each hourly-paid Arkansas employee who, within the three years preceding the filing of this Complaint, worked more than thirty-nine (39) hours in any week or was paid a Shift Premium.

102. Defendant's conduct and practices, as described above, were willful, intentional, unreasonable, arbitrary, and in bad faith.

103. By reason of the unlawful acts alleged herein, Defendant is liable to Plaintiff and the proposed class for monetary damages, liquidated damages, costs, and a reasonable attorney's fee provided by the AMWA for all violations which occurred within the three (3) years prior to the filing of this Complaint, plus periods of equitable tolling.

104. Alternatively, should the Court find that Defendant acted in good faith in failing to pay Plaintiff and members of the proposed class as provided by the AMWA, Plaintiff and members of the proposed class are entitled to an award of prejudgment interest at the applicable legal rate.

X. PRAYER FOR RELIEF

WHEREFORE, premises considered, Plaintiff Brice Popplewell respectfully prays that Defendant be summoned to appear and to answer herein as follows:
