ORDER CERTIFYING A SETTLEMENT CLASS, PRELIMINARILY
APPROVING CLASS ACTION SETTLEMENT, AND DIRECTING NOTICE TO THE
SETTLEMENT CLASS

This matter came before the Court on Plaintiffs' Renewed Motion for Preliminary Approval of Class Action Settlement and Certification of Settlement Class.

Plaintiffs filed their Class Action Complaint (ECF No. 1) on October 26, 2020 ("Complaint"). In their Complaint, Plaintiffs allege various claims against Defendant Filters Fast, LLC ("Filters Fast") arising out of a cyberattack on the Filters Fast website that caused potential compromise of payment card information of certain of Filters Fast's customers that Filters Fast announced in August 2020, including claims alleging negligence, negligence per se, breach of implied contract, violation of Wisconsin's Deceptive Trade Practices Act, violation of the Maryland Consumer Protection Act, violation of the Maryland Personal Information Protection Act, unjust enrichment, and declaratory relief.

Plaintiffs and Filters Fast have entered into a Settlement Agreement and Release dated June 15, 2021 (the "Settlement Agreement") following mediation overseen by the Honorable Wayne R. Andersen (retired) of JAMS, in which the Parties have agreed to settle this case (the "Action") subject to the approval and determination of the Court as to the fairness, reasonableness, and adequacy of the Settlement Agreement which, if approved, will result in dismissal of the Action with prejudice.

The Court, has reviewed the Settlement Agreement, including the exhibits attached thereto and concludes that it "will likely be able to" certify the class and approve the proposed settlement. *See* Fed. R. Civ. P. 23(e). The court will authorize the parties to send notice to the class members.

IT IS ORDERED:

1. Class Certification for Settlement Purposes Only. The Settlement

Agreement provides for a Settlement Class defined as follows:

All residents of the United States whose payment card was used on the Filters Fast website (www.filtersfast.com) to make a purchase between July 15, 2019 and July 10, 2020.

Excluded from the Settlement Class are the judge(s) presiding over this matter, any members of the judicial staff, the officers and directors of Filters Fast, and persons who timely and validly request exclusion from the Settlement Class.

(Settlement Agreement, ¶ 34.)

The Action is provisionally certified as a class action for settlement purposes only, in accordance with Federal Rule of Civil Procedure 23(b)(3) and (e). The Court finds for settlement purposes that: (a) the Settlement Class is so numerous that joinder of all Settlement Class members would be impracticable; (b) there are issues of law and fact common to the Settlement Class; (c) the claims of the Settlement Class Representatives are typical of and arise from the same operative facts as the claims of the Settlement Class members; (d) the Settlement Class Representatives and Settlement Class counsel will fairly and adequately protect the interests of the Settlement Class, as the Settlement Class Representatives have no interests antagonistic to or in conflict with those of the Settlement Class, and the Settlement Class Representatives have retained experienced and competent counsel to prosecute this matter on behalf of the Settlement Class; (e) questions of law or fact common to Settlement Class members predominate over any questions affecting only individual members; and (f) a class action and class settlement is superior to other methods available for a fair and efficient resolution of this controversy. In accordance with Federal Rule of Civil Procedure 23(e)(1)(B),

the Court finds that it will likely be able to certify the Settlement Class for purposes of judgment at the Final Approval Hearing.

2. **Settlement Class Representatives and Settlement Class Counsel.**

Plaintiffs Sanger Powers, Robert Legg, Jennifer McCreary, Betty Owen, and Lydia Postolowski are designated and appointed as Settlement Class Representatives. The Court finds that the Settlement Class Representatives are similarly situated to absent Class Members, are typical of the Class, and that they will be adequate Settlement Class Representatives.

The Court finds that the following counsel are experienced and adequate counsel and are hereby designated as Settlement Class Counsel pursuant to Fed. R. Civ. P. 23(g): William B. Federman of Federman & Sherwood and David K. Lietz of Mason Lietz & Klinger LLP.

3. **Preliminary Settlement Approval.** Upon preliminary review, the Court finds that the proposed Settlement within the range of possible approval is fair, reasonable and adequate, and thus warrants providing notice of the Settlement to the Settlement Class. Accordingly, the Settlement is preliminarily approved. In accordance with Federal Rule of Civil Procedure 23(e)(1), the Court finds that it will likely be able to approve the Settlement at the Final Approval Hearing.

4. **Jurisdiction.** The Court has subject matter jurisdiction under 28 U.S.C. § 1332(d)(2), and personal jurisdiction over the Parties before it. Additionally, venue is proper in this District under 28 U.S.C. § 1391.

5. **Final Approval Hearing.** A Final Approval Hearing shall be held on March 4, 2022 at 2:00 p.m. by video conference to determine, among other things, whether: (a) this matter should be finally certified as a class action for settlement purposes under Fed. R. Civ. P. 23(b)(3) and (c); (b) the Settlement should be finally approved as fair, reasonable, and

adequate, and finally approved under Fed. R. Civ. P. 23(e); (c) the Action should be dismissed with prejudice in accordance with the terms of the Settlement Agreement; (d) Settlement Class Members should be bound by the releases set forth in the Settlement Agreement; (e) the application of Settlement Class Counsel for an award of attorneys' fees, costs, and expenses (the "Fee Request") should be approved under Fed. R. Civ. P. 23(h); and (f) the application of Settlement Class Representatives for Service Awards (the "Service Awards Request") should be approved.

Plaintiffs' motion for final approval of the Settlement, Service Awards Request, and Fee Request shall be filed with the Court by January 20, 2022. By February 18, 2022, the Parties shall file responses, if any, to any objections, and any replies in support of final approval of the Settlement and/or the Service Awards Request and Fee Request.

6. **Administration.** The Court appoints Kroll Settlement Administration ("Kroll") as the Settlement Administrator, with responsibility for class notice and claims administration.

7. **Notice to the Class.** The proposed Notice Program set forth in the Settlement Agreement, the Claim Form, Long Form Notice, Summary Notice, and Declaration of Settlement Administrator attached to the Settlement Agreement as Exhibits A, C, E, and G satisfy the requirements of Fed. R. Civ. P. 23(c)(2)(B) and (e)(1) and are hereby approved. The parties may make any changes to these exhibits that are necessary to comply with this order or to correct typographical errors. Any other changes must be approved by the Court. The Settlement Administrator is directed to carry out the Notice Program in conformance with the Settlement Agreement, including but not limited to section VII thereof.

No later than January 7, 2022, the Settlement Administrator shall complete the Notice Program in the manner set forth in sections VII of the Settlement Agreement and in the Declaration of Settlement Administrator attached as Exhibit G thereto.

No later than January 14, 2022, the Settlement Administrator shall provide Settlement Class Counsel and Filters Fast with one or more affidavits confirming that the Notice Program was completed in accordance with the Settlement Agreement, the Parties' instructions, and the Court's approval. Settlement Class Counsel shall file such affidavit(s) with the Court as an exhibit to or in conjunction with Settlement Class Representatives' motion for final approval of the Settlement.

8. **Findings Concerning Notice.** The Court finds that the form, content and method of giving notice to the Class as described in Paragraph 7 of this Order and the Settlement Agreement (including the exhibits thereto): (a) will constitute the best practicable notice to the Settlement Class; (b) are reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the action, the terms of the proposed Settlement, and their rights under the proposed Settlement, including but not limited to their rights to object to or exclude themselves from the proposed Settlement and other rights under the terms of the Settlement Agreement; (c) are reasonable and constitute due, adequate, and sufficient notice to all Class Members and other persons entitled to receive notice; and (d) meet all applicable requirements of law, including Fed. R. Civ. P. 23(c) and (e), and the Due Process Clause(s) of the United States Constitution. The Court further finds that the Notice is written in plain language, uses simple terminology, and is designed to be readily understandable by Class Members.

9. Class Action Fairness Act Notice. Within 10 days after the filing of the motion for preliminary approval, Filters Fast shall serve or cause to be served a notice of the proposed Settlement on appropriate officials in accordance with the requirements under the Class Action Fairness Act (“CAFA”), 28 U.S.C. § 1715(b).

10. Exclusion from Class. Any Settlement Class Member who wishes to be excluded from the Settlement Class must mail a written notification of such intent to exclude himself or herself from the Settlement Class to the Settlement Administrator at the address provided in the Notice, postmarked no later than February 11, 2022. The written notification must include the individual’s name and address; a statement that he or she wants to be excluded from the Action; and the individual’s signature.

The Settlement Administrator shall provide the Parties with copies of all completed opt-out notifications, and a final list of all who have timely and validly excluded themselves from the Settlement Class, which Settlement Class Counsel may move to file under seal with the Court no later than February 18, 2022.

Any Settlement Class Member who does not timely and validly exclude herself or himself from the Settlement shall be bound by the terms of the Settlement. If Final Judgment is entered, any Settlement Class Member who has not submitted a timely, valid written notice of exclusion from the Settlement Class shall be bound by all subsequent proceedings, orders and judgments in this matter, including but not limited to the Release set forth in the Final Judgment, including Settlement Class Members who have previously initiated or who subsequently initiate any litigation against any or all of the Released Parties relating to the claims and transactions released in the Settlement Agreement. All Class Members who submit

valid and timely notices of exclusion from the Settlement Class shall not be entitled to receive any benefits of the Settlement.

11. **Objections and Appearances.** A Settlement Class Member who complies with the requirements of this paragraph may object to the Settlement, the Service Awards Request, or the Fee Request. No Settlement Class Member shall be heard, and no papers, briefs, pleadings, or other documents submitted by any Settlement Class Member shall be received and considered by the Court, unless the Class Member does one of the following things by February 11, 2022: (a) electronically files the objection with the Court by; (b) files the objection in person at the U.S. District Court for the Western District of Wisconsin; or (c) mails the objection to the Clerk for U.S. District Court for the Western District of Wisconsin. Any Settlement Class Member, including a Settlement Class Member who files and serves a written objection, as described above, may appear at the Final Approval Hearing, either in person or through counsel hired at the Settlement Class Member's expense, to object to or comment on the fairness, reasonableness, or adequacy of the Settlement, the Service Awards Request, or the Fee Request.

If Final Judgment is entered, any Settlement Class Member who fails to object in the manner prescribed herein shall be deemed to have waived his or her objections and shall be forever barred from making any such objections in the Action or in any other proceeding or from challenging or opposing, or seeking to reverse, vacate, or modify any approval of the Settlement Agreement, the Service Awards Request, or the Fee Request.

12. **Claims Process and Settlement Administration Protocol.** Settlement Class Representatives and Filters Fast have created a process for assessing and determining the validity of claims and a payment methodology to Settlement Class Members who submit a timely, valid claim form. The Court preliminarily approves the Settlement Administration Protocol substantially in the form attached to the Settlement Agreement as Exhibit F, and directs that the Settlement Administrator effectuate the Settlement Administration Protocol according to the terms of the Settlement Agreement.

Settlement Class Members who qualify for and wish to submit a claim form shall do so in accordance with the requirements and procedures specified in the Notice and the Claim Form. 13. **Termination of Settlement.** This Order shall become null and void and shall be without prejudice to the rights of the Parties, all of whom shall be restored to their respective positions existing immediately before this Court entered this Order, if the

Settlement is not finally approved by the Court or is terminated in accordance with Section XII of the Settlement Agreement. In such event, the Settlement and Settlement Agreement shall become null and void and be of no further force and effect, and neither the Settlement Agreement nor the Court's orders, including this Order, relating to the Settlement shall be used or referred to for any purpose whatsoever.

14. **Use of Order.** This Order shall be of no force or effect if Final Judgment is not entered or there is no Effective Date and shall not be construed or used as an admission, concession, or declaration by or against Filters Fast of any fault, wrongdoing, breach, or liability. Nor shall this Order be construed or used as an admission, concession, or declaration by or against any Settlement Class Representative or any other Settlement Class Member that his or her claims lack merit or that the relief requested is inappropriate, improper, unavailable, or as a waiver by any Party of any defense or claims he, she, or it may have in this litigation or in any other lawsuit.
