24. Excluded from the Classes are Defendant's officers, directors, and employees; the judicial officers and associated court staff assigned to this case; and the immediate family members of such officers and staff. Plaintiff reserves the right to amend the Class definitions based on information obtained in discovery.

25. This action may properly be maintained on behalf of each proposed Class under the criteria of Rule 23 of the Federal Rules of Civil Procedure.

26. **Numerosity**: The members of the Class are so numerous that joinder of all members would be impractical. Plaintiff is informed and believes that the proposed Class

COMPLAINT—CLASS ACTION - 8

### Case 3:20-cv-05402 Document 1 Filed 04/29/20 Page 9 of 14

contains thousands of members. The precise number of class members can be ascertained through discovery, which will include Defendant's records of policyholders.

27. **Commonality and Predominance**: Common questions of law and fact predominate over any questions affecting only individual members of the Class. Common questions include, but are not limited to, the following:

A. Whether the class members suffered covered losses based on common policies issued to members of the Class;

B. Whether Sentinel acted in a manner common to the class and wrongfully denied claims for coverage relating to COVID-19 and/or orders issued by Governor
Inslee, other Governors, and/or other civil authorities;

C. Whether Business Income Coverage in Sentinel's policies of insurance applies to a suspension of practice relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil authorities;

D. Whether Extended Business Income Coverage in Sentinel's policies of insurance applies to a suspension of practice relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil authorities;

E. Whether Extra Expense Coverage in Sentinel's policies of insurance applies to efforts to minimize a loss at the covered premises relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil authorities;

F. Whether Civil Authority Coverage in Sentinel's policies of insurance applies to a suspension of practice relating to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or civil authorities;

COMPLAINT—CLASS ACTION - 9

### Case 3:20-cv-05402 Document 1 Filed 04/29/20 Page 10 of 14

G. Whether Sentinel has breached its contracts of insurance through a blanket denial of all claims based on business interruption, income loss or closures related to COVID-19 and/or orders issued by Governor Inslee, other Governors, and/or other civil authorities;

H. Whether, because of Defendant's conduct, Plaintiff and the class members have suffered damages; and if so, the appropriate amount thereof; and

I. Whether, because of Defendant's conduct, Plaintiff and the class members are entitled to equitable and declaratory relief, and if so, the nature of such relief.

28. **Typicality**: Plaintiff's claims are typical of the claims of the members of the classes. Plaintiff and all the members of the classes have been injured by the same wrongful practices of Defendant. Plaintiff's claims arise from the same practices and course of conduct that give rise to the claims of the members of the Class and are based on the same legal theories.

29. Adequacy: Plaintiff will fully and adequately assert and protect the interests of the classes and has retained class counsel who are experienced and qualified in prosecuting class actions. Neither Plaintiff nor its attorneys have any interests contrary to or in conflict with the Class.

30. Federal Rule of Civil Procedure 23(b)(1), the Risk of Inconsistent or Varying Adjudications and Impairment to Other Class Members' Interests: Plaintiff seeks adjudication as to the interpretation, and resultant scope, of Defendant's policies, which are common to all members of the class. The prosecution of separate actions by individual members of the classes would risk inconsistent or varying interpretations of those policy terms and create

COMPLAINT—CLASS ACTION - 10

KELLER ROHRBACK L.L.P.

inconsistent standards of conduct for Defendant. The policy interpretations sought by Plaintiff could also impair the ability of absent class members to protect their interests.

31. Federal Rule of Civil Procedure 23(b)(2), Declaratory and Injunctive Relief: Defendant acted or refused to act on grounds generally applicable to Plaintiff and other members of the proposed classes making injunctive relief and declaratory relief appropriate on a classwide basis.

7 32. Federal Rule of Civil Procedure 23(b)(3), Superiority: A class action is 8 superior to all other available methods of the fair and efficient adjudication of this lawsuit. 9 While the aggregate damages sustained by the classes are likely to be in the millions of dollars, 10 11 the individual damages incurred by each class member may be too small to warrant the expense 12 of individual suits. Individual litigation creates a risk of inconsistent and/or contradictory 13 decisions and the court system would be unduly burdened by individual litigation of such cases. 14 A class action would result in a unified adjudication, with the benefits of economies of scale and 15 supervision by a single court.

#### **INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44**

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- **I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

**II. Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below. United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.

United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here. United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.

Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)

- **III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- **IV.** Nature of Suit. Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: <u>Nature of Suit Code Descriptions</u>.
- V. Origin. Place an "X" in one of the seven boxes.

Original Proceedings. (1) Cases which originate in the United States district courts.

Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.

Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date. Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.

Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket. **PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7.** Origin Code 7 was used for historical records and is no longer relevant due to changes in statue.

- VI. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause. Do not cite jurisdictional statutes unless diversity. Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service
- VII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P. Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction. Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. Related Cases. This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.
